BACKGROUND:

Summary

The Transportation Department needs the continued environmental support services to deliver all of the necessary road improvement projects identified and funded in the Transportation Improvement Program (TIP). Environmental services are needed to provide access to expertise and additional personnel, enabling the Transportation Department to meet increasing state and federal regulatory compliance demands.

The Board of Supervisors approved and executed an agreement between the County of Riverside (County) and Applied Earthworks, Inc. on September 27, 2011 (Agenda Item 3-32), to provide the Transportation Department with the needed environmental services. The agreement allowed for two optional one-year extensions to extend the term of the contract.

This extension exercises the option in the agreement to extend the term of the contract for the first of the two optional one-year extensions. The Transportation Department needs the continued services of Applied Earthworks, Inc. for fiscal year 2014/2015.

The terms of the agreement also provide the County the option to terminate the agreement within 30 days without cause.

Impact on Residents and Businesses

This extension will afford the Transportation Department the ability to respond in a time efficient manner to public demands on our road system, as well as obtaining specific environmental expertise in areas that will supplement Transportation Department staff resources.

SUPPLEMENTAL:

Additional Fiscal Information

All associated contract costs will be funded using project funds. Thus, no net county costs will be incurred as a result of this contract agreement.

Contract History and Price Reasonableness

The billing rates for environmental services from Applied Earthworks, Inc. remain unchanged from the billing rates included in their September 27, 2011, County-awarded contract. The billing rates for Applied Earthworks, Inc. are comparable to those of other consulting firms offering similar services. Applied Earthworks, Inc. has spent \$218,918.30 to date in FY 13/14 under this contract.

AMENDMENT No. 1 TO AGREEMENT

for On-Call Environmental Services

between County of Riverside – Transportation Department

and Applied Earthworks, Inc.

THIS AMENDMENT (hereinafter the "Amendment") to an agreement is made and entered into as of this 15 day of July, 2014, by and between the County of Riverside, a political subdivision of the State of California (hereinafter the "COUNTY"), and Applied Earthworks, Inc. (hereinafter "CONSULTANT").

RECITALS

- A. COUNTY and CONSULTANT have entered in an agreement entitled "On-Call Environmental Services between County of Riverside – Transportation Department and Applied Earthworks, Inc." that is dated September 27, 2011 (hereinafter the "Agreement"). The Agreement provides the terms and conditions, scope of work, schedule and budget for the performance of professional and technical services necessary to provide on-call Environmental services.
- B. Appendix B • Article BI establishes the time period for allowing work assignments to be authorized under the original agreement. The terms and conditions specify that work assignment can be authorized for three years from the date of Board of Supervisors agreement approval (September 27, 2011) and that the authority to execute work assignments can be modified through one-year supplemental extensions. The agreement allows for two separate one-year extensions. The CONSULTANT is satisfactorily performing the duties under this agreement and the Transportation Department continues to need the services provided. The parties therefore now desire to implement the first one-year extension of the authority to execute work assignments.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants hereinafter contained, the parties agree as follows, effective July 1, 2014:

1. CONSULTANT agrees to bill at rates approved in the September 27, 2011 Agreement, for the term of this agreement.
2. The authority to authorize work assignments under this contract is hereby extended from July 1, 2014 to

JUL 01 2014 3-57

June 30, 2015 in accordance with Appendix B • Article BI of the original agreement.

3. Except to the extent specifically modified or amended hereunder, all of the terms, covenants and conditions of the Agreement shall remain in full force and effect between the parties hereto.

IN WITNESS HEREOF, the parties hereto have caused this Amendment to the Agreement to be duly executed this day and year first written above.
