BACKGROUND:

Summary

The County of Riverside Department of Public Health has received funding from First 5 Riverside to provide services for children 0-5 years and their families to implement a Child Safety Education Program. The program will provide child passenger safety seats and education to parents and caregivers of children in order to prevent injuries and fatalities Countywide.

A recent car seat usage survey conducted in the County of Riverside revealed that 97% of all children restrained in car seats had some form of misuse, resulting in preventable injuries and deaths.

The First 5-Riverside agreement was received on June 12, 2014.

Impact on Citizens and Businesses

The program will address child passenger safety countywide and will help to reduce the number of motor vehicle collision-related childhood injuries and/or fatalities as a result of not being properly restrained in an appropriate and correctly fitted safety seat.

As defined in Health and Safety Code sections 130100 et seq. The Commission shall allocate the funds to CONTRACTOR as follows:

- A. All funds provided pursuant to this Contract shall be expended by CONTRACTOR in accordance with the budget, as set forth in Attachment B hereto.
- B. All funds will be distributed as detailed in the payment provision, as set forth in Attachment C hereto.

11. FISCAL AND PROGRAM REPORTING REQUIREMENTS

A. Fiscal Reporting

Fiscal expenditures are required to be input into the Data Management System on a monthly basis and input must be completed by the 20th of the month following contract performance. CONTRACTOR is required to report expenditures on a monthly basis and apply accruals at year end. Accruals show costs for services that have occurred but have not yet been paid. If the reporting due date falls on a weekend or County, State or nationally recognized holiday, the due date will be on the following business day. Any changes that occur with expenditures must be reported to Commission staff and adjusted within the Data Management System before the end of the Quarter following the expense occurrence. Example: Changes to expenditures in the first quarter of performance must be adjusted and reconciled before the end of the 2nd quarter (December 30, as reported in the January 30 report). **A change in CONTRACTOR staff, or other difficulties, does not absolve the CONTRACTOR from this monthly fiscal reporting responsibility.**

In rare and justifiable circumstances, an extension may be requested by the CONTRACTOR. Such requests are to be submitted in writing prior to the due date and shall be directed through the Commission's contract specialist assigned to the CONTRACTOR.

If applicable, CONTRACTOR shall provide copies of the claim report submitted monthly for Medi-Cal and/or any other State or Federal reimbursements. In addition, the CONTRACTOR will provide the subsequent revenue reports that will reconcile the claim reports.

Costs may be allowed and reviewed for reimbursement up to the time of the Final Fiscal Expenditure Report, which is due July 20. All reimbursement cost not submitted by July 20 will be disallowed.

Commission staff will send notification verifying payment amount, payment reduction or payment withheld. Changes in the mailing address or remit to address must be submitted in writing on the CONTRACTOR letterhead and signed by an authorized representative.

B. Program Reporting

Program data must be entered on a monthly basis and input must be completed by the 20th of the following month. If the reporting due date falls on a weekend or holiday, the due date will be on the following business day. Additionally, Quarterly Program Progress Reports must be submitted to the Commission within thirty (30) calendar days after the end of the quarter. Any changes that occur with program data input must be reported to Commission staff and adjusted within the data management system before the end of the Quarter following the change. Example: Changes to program data in the first quarter must be adjusted and reconciled before the end of the 2nd quarter (December 30, as reported in the January 30 report). **A**

change in contract staff, or other difficulties, does not absolve the CONTRACTOR from this monthly program data input and quarterly Program reporting responsibility.

In rare and justifiable circumstances, an extension may be requested by the CONTRACTOR. Such requests are to be submitted in writing prior to the due date and shall be directed through the Commission's program specialist assigned to the CONTRACTOR.

Quarterly Program Reporting due dates for each Contract period:

- QUARTER 1 ending September 30: Report Due October 30
- QUARTER 2 ending December 31: Report Due January 30
- QUARTER 3 ending March 31: Report Due April 30
- QUARTER 4 ending June 30: Report Due July 30(Final Cumulative Program Progress Report)

If the due date falls on a weekend or County, State or nationally recognized holiday, the due date will be on the following business day.

12. REIMBURSEMENT OF FUNDS TO THE COMMISSION

If CONTRACTOR has been overpaid in the previous fiscal year, the Commission will, in instances where the Contract is renewed, reduce subsequent payment(s) to recover the amount overpaid.

Notwithstanding any other provision herein, CONTRACTOR agrees to reimburse, in full, any and all funds received from the Commission, upon request of the Commission, where such funds as determined by the Commission are not, or have not been utilized by CONTRACTOR for their purpose as intended by the Commission. The terms and conditions of reimbursement shall be at the sole discretion of the Commission. This provision is not terminated upon termination of this Contract.

13. RCCFC FISCAL REQUIREMENTS

A. Budget Adjustments

A budget adjustment is the transfer of funds from one approved line item to another approved line item. Individual transfers shall not exceed 10% of the approved destination category subtotal amount and in no case will cumulative transfers over the course of a fiscal year period exceed more than 10% of the total current fiscal year funding amount without written approval of the Executive Director, or designee. Written justification from the CONTRACTOR is required in the Program Progress Report submitted for the quarter in which the transfer is made and written notification of the transfer to the Commission's contract specialist from the CONTRACTOR is required during the month in which the transfer is made. Budget adjustments having a potential effect on the CONTRACTOR'S ability to comply with the SOW require prior approval from Executive Director, or designee. Budget adjustments will not change the total Contract amount and additional line items are **not** to be included. Failure of the Commission to discover or object to any unsatisfactory quarterly fiscal

reports prior to payment will not constitute a waiver of the Commission's right to require CONTRACTOR to correct such quarterly reports. Budget Adjustments will be considered until June 30th of each Fiscal Year.

B. Budget Revisions

Budget revisions are requests to transfer more than 10% of the total Contract amount and/or the addition of line items that were not previously approved. The Executive Director, or designee, will accept proposed budget revisions along with written justification from CONTRACTOR through March 31st of each Fiscal Year. Any unused funding from each fiscal year within the Contract Term may be considered for "roll over" into the next fiscal year for allowable and preapproved budget revisions, contingent on approval of Executive Director, or designee. The Executive Director, or designee, will respond to budget revisions within thirty (30) calendar days after receipt at the Commission office.

C. Amendments

Necessity for budget amendments to this Contract will be determined by the Executive Director, or designee, and may include, but are not limited to contract increases or decreases and significant changes to the Scope of Work (SOW). All budget amendments to the Contract shall require formal approval of the Executive Director acting on behalf of the Commission, as provided herein, before they are effective. Major budget amendments, as determined by the Executive Director, in consultation with Commission legal counsel, will require formal approval of the Commission. Contract budget amendments will be considered until March 31st of each Fiscal Year.

D. Cost Allocation

CONTRACTOR shall have or establish a cost allocation plan to identify prorated costs shared by multiple funding sources, including Proposition 10 funds. CONTRACTOR shall identify any other funding sources and organizations whose cooperation/participation is necessary to ensure the success of the project. CONTRACTOR's Cost Allocation Plan must be approved by CONTRACTOR's appropriate governing body and submitted with the executed Contract.

A Cost Allocation Plan (CAP) is defined as a written summarization that documents the methods and procedures that the CONTRACTOR will use to allocate costs between two or more programs or funding sources. The goal is to ensure that each program or funding source bears its fair share, and only its fair share, of the total costs. The CONTRACTOR must have a method of identifying and distributing program costs that are comprehensive, well documented, and defensible under the Generally Accepted Accounting Principles (GAAP).

A written CAP is required if any of the conditions below are met:

- a. Funded staff members share their time between a First 5 Commission funded program and one or more other grant funded programs.
- b. A single-funded staff member shares their time between two or more First 5 Commission funded programs.
- c. The same facilities and/or resources are utilized by more than one funded program.

E. Overhead/Indirect Costs

1. Overhead/Indirect costs are defined as costs incurred for a common or joint purpose benefiting more than one cost objective and cannot be readily identified with a particular final cost objective. These costs do not provide a measurable, direct benefit to a particular program or activity, unlike direct costs. Indirect cost may include salaries, benefits and operating expenses. Capital expenses and subcontractor costs are excluded.
2. Indirect costs shall be based on the CONTRACTOR's official governing board approved Cost Allocation Plan or state/federal approved rate not to exceed 10%. These costs will be reviewed and approved on a case-by-case basis.
3. A pass through is defined as those instances where the CONTRACTOR forwards funds obtained from the Commission to a subcontractor and the Commission maintains no relationship or responsibility for the performance of the subcontractor. Proposition 10 funds shall not be used in a manner that will cause payment for indirect costs associated with the CONTRACTOR's funded program more than once. RCCFC will not pay for subcontractor indirect costs as part of CONTRACTOR budget.

F. Revenues Received

Any and all revenue received by the CONTRACTOR (except funds received from the Commission) to operate the program funded pursuant to this Contract shall be reported as revenue received within the monthly fiscal report. All such revenues shall be used to fully compensate expenses within the program funded and/or to provide additional services within the program funded pursuant to this Contract. Any unused revenues shall be deducted from Contract reimbursement.

G. Payroll Taxes

The Commission shall not be directly responsible for the payment of any taxes on the CONTRACTOR's behalf. In the event that the Commission is required to do so by state, federal or local taxing agencies, CONTRACTOR agrees to promptly reimburse the Commission for the full value of such paid taxes plus interest and penalty, if any. These taxes shall include, but are not limited to the following: FICA (Social Security), unemployment insurance contributions, income tax, disability insurance and workers' compensation insurance.

14. CONTRACTOR AUDIT REQUIREMENTS

- A. All CONTRACTORS are required to have an annual financial audit. Each CONTRACTOR shall provide a copy of their annual audited financial statements to the Commission, covering the fiscal year that funds are received for services provided pursuant to this Contract. The audited financial statements will cover the CONTRACTOR's fiscal year and will include a statement of internal controls over financial reporting. All audits shall be performed by a Certified Public Accountant (CPA) who possesses a valid license to practice within the State of California.
- B. Audited financial statements are to be submitted to the Executive Director, or designee, within one hundred and eighty (180) calendar days after the close of the

CONTRACTOR's fiscal year for every year covered under this Contract. If the audited financial statements are not received on or before the required due date and an extension has not been granted, the audited financial statements shall be considered delinquent and immediate corrective action is required. If the CONTRACTOR fails to produce or submit acceptable audited financial statements, the Commission has the authority to withhold funding, and if necessary, secure an Auditor, and the CONTRACTOR shall be liable for all Commission costs incurred in obtaining an independent audit. The cost of the audit will be applied against the Contract encumbered amount, thereby reducing the amount of funding available to the program.

15. INVENTORIABLE EQUIPMENT

- A.** Inventoriable equipment includes equipment/fixed assets with a unit cost of \$1000 or more or if the aggregate cost of integral components required to fully operate the assembled equipment (i.e. computer processing unit, keyboard, monitor) total \$1,000 or more. Inventoriable equipment derived from approved purchases funded by Proposition 10 funds shall be maintained by the CONTRACTOR. CONTRACTOR shall use such capitalized equipment only for the purposes for which they were granted for children 0 through 5 years of age.

- B.** The CONTRACTOR shall inventory and report any and all equipment purchases meeting this criterion, on the Commission Inventory Record Form. This record must be submitted within 45 days of purchase to the Commission's contract specialist assigned to the CONTRACTOR. Applicable receipts must be maintained by the CONTRACTOR to validate expenditures and shall be made available as requested during the Commission staff site visits. It is understood that the CONTRACTOR is liable for any/all liability and damages resulting from the use and/or misuse of equipment purchased with Proposition 10 funds. Equipment shall not be used for personal use by the CONTRACTOR, and/or their employees, agents, subcontractors and/or collaborating partners.

ATTACHMENT A: SCOPE OF WORK

County of Riverside, Department of Public Health – Injury Prevention Services
Strategy: Child Passenger Safety Support
Contract: 15115 OP
July 1, 2014 – June 30, 2015

The County of Riverside, Department of Public Health (CORDPH) will expand their countywide Child Passenger Safety Program. Proposed services will be targeted to early education settings and includes education to parents/caregivers with children 0 through 5 years of age through bilingual workshops, depending on the demand (in English and Spanish), as well as provision of safety seats to parents who cannot afford them (including parents with children who have special needs). The program seeks to reduce the number of motor vehicle collision-related childhood injuries and/or fatalities as a result of not being properly restrained in an appropriate and correctly fitted safety seat. Services will be provided through the CORDPH, Injury Prevention Services (IPS) branch.

This is in response to the most recent car seat usage survey conducted in the County of Riverside (COR) which revealed that 97% of all children restrained in car seats had some form of misuse. Misuse can vary from incorrect installation of car seat in the vehicle, incorrect fit of child into car seat, or even non-use of a car seat. In addition, the California Highway Patrol (CHP) issued approximately 1044 car seat citations across the COR in 2012 for non-use or misuse of a car seat. Unfortunately, parents and caregivers continue to misunderstand when a child is ready to graduate to a booster seat and eventually to vehicle seat belt.

The Injury Prevention Services branch will work with established partnerships which includes law enforcement, community based organizations, schools and hospitals county-wide in order to achieve program goals. The Epidemiology Branch will provide program evaluation for the car seat program by developing and refining the pre and post-test surveys to measure participant knowledge with validated standard questions.

Aggregate Targets:

Child Passenger Safety (CPS) Workshops:

1. By June 30, 2015, IPS staff will conduct a minimum of 48 Bilingual (English and Spanish) child passenger safety workshops to parents/caregivers.
2. By June 30, 2015, 480 parents/caregivers will participate in a child passenger safety workshop.
3. By June 30, 2015, 240 parents/caregivers will demonstrate an increase in knowledge on a pre and post-test survey regarding child passenger safety.
4. By June 30, 2015, 456 car seats will be distributed to parents/caregivers who are participants of the program, upon completion of the workshops.
