BACKGROUND:

Summary (continued)

Ordinance 860.11 includes the rates the Auditor-Controller will be charging in Fiscal Year 2014/15 for 15 services provided to county departments, taxing agencies outside the county (example cities), special districts (example water districts), employees and the general public (for garnishments and similar services) as follows:

| <u>Affected Agencies</u> | <u>Number of Rates</u> |
|-----------------------------------|------------------------|
| Taxing Agencies (excludes county) | 5 |
| Employees and general public | 6 |
| Special Districts | 3 |
| County Departments | 1 |

The property tax general services fee is intended to recover costs associated with researching and providing significant amounts of information requested by consulting agencies. The rate will not be charged to taxing agencies or requests that fall under the California Public Records Act.

Ordinance No. 860.11 is exempt from CEQA. Ordinance No. 860.11 merely authorizes the Auditor/Controller to charge amended fees to recover its costs of providing certain services to County departments, taxing entities, special districts, employees, and the public as otherwise authorized by law. The adoption of Ordinance No. 860.11 is covered by the general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA. Because it can be seen with certainty that there is no possibility that the change in the Auditor/Controller's fees will have a significant effect on the environment, the adoption of Ordinance No. 860.11 is exempt from CEQA.

Impact on Residents and Businesses

The only fee charged to residence is the \$3.32 property tax timeshare fee which is added together with the Tax Collector and Assessor costs and recovered through the property tax bill.
