BACKGROUND:

Summary (continued)

In January 2013, in an effort to maintain a competitive procurement process, Purchasing and Fleet Services on behalf of the Transportation and Land Management Agency issued a Request for Proposal (RFP) for Planner Services. RFP # TLARC 364 was issued to six vendors and advertised on the purchasing website in conjunction with County Purchasing.

Four responses were received by Purchasing and were reviewed by the evaluation team consisting of representatives from the Planning Department, ALUC, and a Planning Commissioner. Based on the evaluation of the initial proposals and subsequent vendor interviews, RBF Consulting, Moore Iacofano Goltsman, Inc. (MIG-Hogle-Ireland) and Pacific Municipal Consultants were awarded contracts, approved and executed by the Board in January 2014. TLMA is requesting that the fourth responding vendor, AEI CASC Engineering, Inc., be added as an additional consultant for planning services, in order to maintain our option for flexibility and choice when selecting professional services assistance with workloads. As the economy continues to improve, we use consultant services to supplement our small core in-house planning staff.

Impact on Residents and Businesses

Planning services are essential to appropriately review and process development applications with professional guidance and oversight in accordance with the County General Plan and development ordinances.

SUPPLEMENTAL:

Additional Fiscal Information

Maximum payments by the County to the contractor shall not exceed \$75,000 per fiscal year from FY2014/2015 through FY2017/2018 and \$40,000 for the last fiscal year (July through December 2018), which will be 100% funded by Deposit Based and/or other developer paid fees. No dollar amount of work is guaranteed. The basis for work will be on an "as-needed" on-call basis.

Contract History and Price Reasonableness

Purchasing and TLMA have reviewed the proposed hourly rates and they are comparable for such work in the industry. The rates specified on page 20 of the agreement under Exhibit B Payment Provisions are consistent with rates submitted by AEI CASC Engineering, Inc. in response to the RFP.
