

approved in accordance with 24 CFR part 91 that covers the assistance to be provided under this part. In allocating grant amounts among eligible activities, the EMSA's applicant shall address needs of eligible persons who reside within the metropolitan statistical area, including those not within the jurisdiction of the applicant.

[60 FR 1917, Jan. 5, 1995]

§ 574.130 Formula allocations.

(a) *Data sources.* HUD will allocate funds based on the number of cases of acquired immunodeficiency syndrome reported to and confirmed by the Director of the Centers for Disease Control, and on population data provided by the U.S. Census. The number of cases of acquired immunodeficiency syndrome used for this purpose shall be the number reported as of March 31 of the fiscal year immediately preceding the fiscal year for which the amounts are appropriated and allocated.

(b) *Distribution of appropriated funds for entitlement awards.* (1) Seventy-five percent of the funds allocated under the formula is distributed to qualifying cities and eligible States, as described in § 574.100, based on each metropolitan statistical area's or State's proportionate share of the cumulative number of AIDS cases in all eligible metropolitan statistical areas and eligible States.

(2) The remaining twenty-five percent is allocated among qualifying cities, but not States, where the per capita incidence of AIDS for the year, April 1 through March 31, preceding the fiscal year of the appropriation is higher than the average for all metropolitan statistical areas with more than 500,000 population. Each qualifying city's allocation reflects its EMSA's proportionate share of the high incidence factor among EMSA's with higher than average per capita incidence of AIDS. The high incidence factor is computed by multiplying the population of the metropolitan statistical area by the difference between its twelve-month-per-capita-incidence rate and the average rate for all metropolitan statistical areas with more than 500,000 population. The EMSA's proportionate share is determined by dividing its high incidence factor by the sum of

the high incidence factors for all EMSA's with higher than average per capita incidence of AIDS.

(c) *Minimum grant.* No grant awarded under paragraph (b) of this section shall be less than \$200,000. Therefore, if the calculations under paragraph (b) of this section would result in any eligible metropolitan statistical area or eligible State receiving less than \$200,000, the amount allocated to that entity is increased to \$200,000 and allocations to entities in excess of \$200,000 are proportionately reduced by the amount of the increase.

§ 574.190 Reallocation of grant amounts.

If an eligible State or qualifying city does not submit a consolidated plan in a timely fashion, in accordance with 24 CFR part 91, that provides for use of its allocation of funding under this part, the funds allocated to that jurisdiction will be added to the funds available for formula allocations to other jurisdictions in the current fiscal year. Any formula funds that become available as a result of deobligations or the imposition of sanctions as provided for in § 574.540 will be added to the funds available for formula allocations in the next fiscal year.

Subpart C—Competitive Grants

§ 574.200 Amounts available for competitive grants.

(a) The Department will set aside 10 percent of the amounts appropriated under this program to fund on a competitive basis:

(1) Special projects of national significance; and

(2) Other projects submitted by States and localities that do not qualify for formula grants.

(b) Any competitively awarded funds that become available as a result of deobligations or the imposition of sanctions, as provided in § 574.540, will be added to the funds available for competitive grants in the next fiscal year.

(c) The competitive grants are awarded based on applications, as described in subpart C of this part, submitted in

§574.210

24 CFR Ch. V (4-1-13 Edition)

response to a Notice of Funding Availability published in the FEDERAL REGISTER. All States and units of general local government and nonprofit organizations are eligible to apply for competitive grants to fund projects of national significance. Only those States and units of general local government that do not qualify for formula allocations are eligible to apply for competitive grants to fund other projects.

(d) If HUD makes a procedural error in a funding competition that, when corrected, would warrant funding of an otherwise eligible application, HUD will select that application for potential funding when sufficient funds become available.

[57 FR 61740, Dec. 28, 1992, as amended at 61 FR 7963, Feb. 29, 1996]

§574.210 Eligible applicants.

(a) All States, units of general local government, and nonprofit organizations, may apply for grants for projects of national significance.

(b) Only those States and units of general local government that do not qualify for formula grants, as described in §574.100; may apply for grants for other projects as described in §574.200(a)(2).

(c) Except for grants for projects of national significance, nonprofit organizations are not eligible to apply directly to HUD for a grant but may receive funding as a project sponsor under contract with a grantee.

§574.240 Application requirements.

Applications must comply with the provisions of the Department's Notice of Funding Availability (NOFA) for the fiscal year published in the FEDERAL REGISTER in accordance with 24 CFR part 12. The rating criteria, including the point value for each, are described in the NOFA, including criteria determined by the Secretary.

[61 FR 7963, Feb. 29, 1996]

§574.260 Amendments.

(a) After an application has been selected for funding, any change that will significantly alter the scope, location, service area, or objectives of an activity or the number of eligible persons served must be justified to HUD and

approved by HUD. Whenever any other amendment to the application is made, the grantee must provide a copy to HUD.

(b) Each amendment request must contain a description of the revised proposed use of funds. Funds may not be expended for the revised proposed use of funds until:

(1) HUD accepts the revised proposed use; and

(2) For amendments to acquire, rehabilitate, convert, lease, repair or construct properties to provide housing, an environmental review of the revised proposed use of funds has been completed in accordance with §574.510.

(Approved by the Office of Management and Budget under control number 2506-0133)

Subpart D—Uses of Grant Funds

§574.300 Eligible activities.

(a) *General.* Subject to applicable requirements described in §§574.310, 574.320, 574.330, and 574.340, HOPWA funds may be used to assist all forms of housing designed to prevent homelessness including emergency housing, shared housing arrangements, apartments, single room occupancy (SRO) dwellings, and community residences. Appropriate supportive services, as required by §574.310(a), must be provided as part of any HOPWA assisted housing, but HOPWA funds may also be used to provide services independently of any housing activity.

(b) *Activities.* The following activities may be carried out with HOPWA funds:

(1) Housing information services including, but not limited to, counseling, information, and referral services to assist an eligible person to locate, acquire, finance and maintain housing. This may also include fair housing counseling for eligible persons who may encounter discrimination on the basis of race, color, religion, sex, age, national origin, familial status, or handicap;

(2) Resource identification to establish, coordinate and develop housing assistance resources for eligible persons (including conducting preliminary research and making expenditures necessary to determine the feasibility of specific housing-related initiatives);

(3) Acquisition, rehabilitation, conversion, lease, and repair of facilities to provide housing and services;

(4) New construction (for single room occupancy (SRO) dwellings and community residences only).

(5) Project- or tenant-based rental assistance, including assistance for shared housing arrangements;

(6) Short-term rent, mortgage, and utility payments to prevent the homelessness of the tenant or mortgagor of a dwelling;

(7) Supportive services including, but not limited to, health, mental health, assessment, permanent housing placement, drug and alcohol abuse treatment and counseling, day care, personal assistance, nutritional services, intensive care when required, and assistance in gaining access to local, State, and Federal government benefits and services, except that health services may only be provided to individuals with acquired immunodeficiency syndrome or related diseases and not to family members of these individuals;

(8) Operating costs for housing including maintenance, security, operation, insurance, utilities, furnishings, equipment, supplies, and other incidental costs;

(9) Technical assistance in establishing and operating a community residence, including planning and other pre-development or pre-construction expenses and including, but not limited to, costs relating to community outreach and educational activities regarding AIDS or related diseases for persons residing in proximity to the community residence;

(10) Administrative expenses:

(i) Each grantee may use not more than 3 percent of the grant amount for its own administrative costs relating to administering grant amounts and allocating such amounts to project sponsors; and

(ii) Each project sponsor receiving amounts from grants made under this program may use not more than 7 percent of the amounts received for administrative costs.

(11) For competitive grants only, any other activity proposed by the applicant and approved by HUD.

(c) *Faith-based activities.* (1) Organizations that are religious or faith-based are eligible, on the same basis as any other organization, to participate in the HOPWA program. Neither the Federal government nor a State or local government receiving funds under HOPWA programs shall discriminate against an organization on the basis of the organization's religious character or affiliation.

(2) Organizations that are directly funded under the HOPWA program may not engage in inherently religious activities, such as worship, religious instruction, or proselytization, as part of the programs or services funded under this part. If an organization conducts such activities, the activities must be offered separately, in time or location, from the programs or services funded under this part, and participation must be voluntary for the beneficiaries of the HUD-funded programs or services.

(3) An organization that participates in the HOPWA program will retain its independence from Federal, State, and local governments, and may continue to carry out its mission, including the definition, practice, and expression of its religious beliefs, provided that it does not use direct HOPWA funds to support any inherently religious activities, such as worship, religious instruction, or proselytization. Among other things, faith-based organizations may use space in their facilities to provide HOPWA-funded services, without removing religious art, icons, scriptures, or other religious symbols. In addition, a HOPWA-funded religious organization retains its authority over its internal governance, and it may retain religious terms in its organization's name, select its board members on a religious basis, and include religious references in its organization's mission statements and other governing documents.

(4) An organization that participates in the HOPWA program shall not, in providing program assistance, discriminate against a program beneficiary or prospective program beneficiary on the basis of religion or religious belief.

(5) HOPWA funds may not be used for the acquisition, construction, or rehabilitation of structures to the extent

that those structures are used for inherently religious activities. HOPWA funds may be used for the acquisition, construction, or rehabilitation of structures only to the extent that those structures are used for conducting eligible activities under this part. Where a structure is used for both eligible and inherently religious activities, HOPWA funds may not exceed the cost of those portions of the acquisition, construction, or rehabilitation that are attributable to eligible activities in accordance with the cost accounting requirements applicable to HOPWA funds in this part. Sanctuaries, chapels, or other rooms that a HOPWA-funded religious congregation uses as its principal place of worship, however, are ineligible for HOPWA-funded improvements. Disposition of real property after the term of the grant, or any change in use of the property during the term of the grant, is subject to government-wide regulations governing real property disposition (see 24 CFR parts 84 and 85).

(6) If a State or local government voluntarily contributes its own funds to supplement federally funded activities, the State or local government has the option to segregate the Federal funds or commingle them. However, if the funds are commingled, this section applies to all of the commingled funds.

[57 FR 61740, Dec. 28, 1992, as amended at 59 FR 17200, Apr. 11, 1994; 68 FR 56405, Sept. 30, 2003]

§ 574.310 General standards for eligible housing activities.

All grantees using grant funds to provide housing must adhere to the following standards:

(a)(1) *General.* The grantee shall ensure that qualified service providers in the area make available appropriate supportive services to the individuals assisted with housing under this subpart. Supportive services are described in § 574.300(b)(7). For any individual with acquired immunodeficiency syndrome or a related disease who requires more intensive care than can be provided in housing assisted under this subpart, the grantee shall provide for locating a care provider who can appropriately care for the individual and for

referring the individual to the care provider.

(2) *Payments.* The grantee shall ensure that grant funds will not be used to make payments for health services for any item or service to the extent that payment has been made, or can reasonably be expected to be made, with respect to that item or service:

(i) Under any State compensation program, under an insurance policy, or under any Federal or State health benefits program; or

(ii) By an entity that provides health services on a prepaid basis.

(b) *Housing quality standards.* All housing assisted under § 574.300(b) (3), (4), (5), and (8) must meet the applicable housing quality standards outlined below.

(1) *State and local requirements.* Each recipient of assistance under this part must provide safe and sanitary housing that is in compliance with all applicable State and local housing codes, licensing requirements, and any other requirements in the jurisdiction in which the housing is located regarding the condition of the structure and the operation of the housing.

(2) *Habitability standards.* Except for such variations as are proposed by the locality and approved by HUD, recipients must meet the following requirements:

(i) *Structure and materials.* The structures must be structurally sound so as not to pose any threat to the health and safety of the occupants and so as to protect the residents from hazards.

(ii) *Access.* The housing must be accessible and capable of being utilized without unauthorized use of other private properties. Structures must provide alternate means of egress in case of fire.

(iii) *Space and security.* Each resident must be afforded adequate space and security for themselves and their belongings. An acceptable place to sleep must be provided for each resident.

(iv) *Interior air quality.* Every room or space must be provided with natural or mechanical ventilation. Structures must be free of pollutants in the air at levels that threaten the health of residents.

(v) *Water supply.* The water supply must be free from contamination at

levels that threaten the health of individuals.

(vi) *Thermal environment.* The housing must have adequate heating and/or cooling facilities in proper operating condition.

(vii) *Illumination and electricity.* The housing must have adequate natural or artificial illumination to permit normal indoor activities and to support the health and safety of residents. Sufficient electrical sources must be provided to permit use of essential electrical appliance while assuring safety from fire.

(viii) *Food preparation and refuse disposal.* All food preparation areas must contain suitable space and equipment to store, prepare, and serve food in a sanitary manner.

(ix) *Sanitary condition.* The housing and any equipment must be maintained in sanitary condition.

(c) *Minimum use period for structures.*

(1) Any building or structure assisted with amounts under this part must be maintained as a facility to provide housing or assistance for individuals with acquired immunodeficiency syndrome or related diseases:

(i) For a period of not less than 10 years, in the case of assistance provided under an activity eligible under § 574.300(b) (3) and (4) involving new construction, substantial rehabilitation or acquisition of a building or structure; or

(ii) For a period of not less than 3 years in the cases involving non-substantial rehabilitation or repair of a building or structure.

(2) *Waiver of minimum use period.* HUD may waive the minimum use period of a building or structure as stipulated in paragraph (c)(1) of this section if the grantee can demonstrate, to the satisfaction of HUD, that:

(i) The assisted structure is no longer needed to provide supported housing or assistance, or the continued operation of the structure for such purposes is no longer feasible; and

(ii) The structure will be used to benefit individuals or families whose incomes do not exceed 80 percent of the median income for the area, as determined by HUD with adjustments for smaller and larger families, if the Secretary finds that such variations are

necessary because of construction costs or unusually high or low family incomes.

(d) *Resident rent payment.* Except for persons in short-term supported housing, each person receiving rental assistance under this program or residing in any rental housing assisted under this program must pay as rent, including utilities, an amount which is the higher of:

(1) 30 percent of the family's monthly adjusted income (adjustment factors include the age of the individual, medical expenses, size of family and child care expenses and are described in detail in 24 CFR 5.609). The calculation of the family's monthly adjusted income must include the expense deductions provided in 24 CFR 5.611(a), and for eligible persons, the calculation of monthly adjusted income also must include the disallowance of earned income as provided in 24 CFR 5.617, if applicable;

(2) 10 percent of the family's monthly gross income; or

(3) If the family is receiving payments for welfare assistance from a public agency and a part of the payments, adjusted in accordance with the family's actual housing costs, is specifically designated by the agency to meet the family's housing costs, the portion of the payment that is designated for housing costs.

(e) *Termination of assistance—(1) Surviving family members.* With respect to the surviving member or members of a family who were living in a unit assisted under the HOPWA program with the person with AIDS at the time of his or her death, housing assistance and supportive services under the HOPWA program shall continue for a grace period following the death of the person with AIDS. The grantee or project sponsor shall establish a reasonable grace period for continued participation by a surviving family member, but that period may not exceed one year from the death of the family member with AIDS. The grantee or project sponsor shall notify the family of the duration of their grace period and may assist the family with information on other available housing programs and with moving expenses.

(2) *Violation of requirements*—(i) *Basis*. Assistance to participants who reside in housing programs assisted under this part may be terminated if the participant violates program requirements or conditions of occupancy. Grantees must ensure that supportive services are provided, so that a participant's assistance is terminated only in the most severe cases.

(ii) *Procedure*. In terminating assistance to any program participant for violation of requirements, grantees must provide a formal process that recognizes the rights of individuals receiving assistance to due process of law. This process at minimum, must consist of:

(A) Serving the participant with a written notice containing a clear statement of the reasons for termination;

(B) Permitting the participant to have a review of the decision, in which the participant is given the opportunity to confront opposing witnesses, present written objections, and be represented by their own counsel, before a person other than the person (or a subordinate of that person) who made or approved the termination decision; and

(C) Providing prompt written notification of the final decision to the participant.

§ 574.320 Additional standards for rental assistance.

(a) If grant funds are used to provide rental assistance, the following additional standards apply:

(1) *Maximum subsidy*. The amount of grant funds used to pay monthly assistance for an eligible person may not exceed the difference between:

(i) The lower of the rent standard or reasonable rent for the unit; and

(ii) The resident's rent payment calculated under § 574.310(d).

(2) *Rent standard*. The rent standard shall be established by the grantee and shall be no more than the published section 8 fair market rent (FMR) or the HUD-approved community-wide exception rent for the unit size. However, on

a unit by unit basis, the grantee may increase that amount by up to 10 percent for up to 20 percent of the units assisted.

(3) *Rent reasonableness*. The rent charged for a unit must be reasonable in relation to rents currently being charged for comparable units in the private unassisted market and must not be in excess of rents currently being charged by the owner for comparable unassisted units.

(b) With respect to shared housing arrangements, the rent charged for an assisted family or individual shall be in relation to the size of the private space for that assisted family or individual in comparison to other private space in the shared unit, excluding common space. An assisted family or individual may be assigned a pro rata portion based on the ratio derived by dividing the number of bedrooms in their private space by the number of bedrooms in the unit. Participation in shared housing arrangements shall be voluntary.

§ 574.330 Additional standards for short-term supported housing.

Short-term supported housing includes facilities to provide temporary shelter to eligible individuals as well as rent, mortgage, and utilities payments to enable eligible individuals to remain in their own dwellings. If grant funds are used to provide such short-term supported housing assistance, the following additional standards apply:

(a) *Time limits*. (1) A short-term supported housing facility may not provide residence to any individual for more than 60 days during any six month period. Rent, mortgage, and utilities payments to prevent the homelessness of the tenant or mortgagor of a dwelling may not be provided to such an individual for these costs accruing over a period of more than 21 weeks in any 52 week period. These limitations do not apply to rental assistance provided under § 574.300(b)(5).

(2) *Waiver of time limitations*. HUD may waive, as it determines appropriate, the limitations of paragraph (a)(1) and will favorably consider a

waiver based on the good faith effort of a project sponsor to provide permanent housing under subsection (c).

(b) *Residency limitations*—(1) *Residency*. A short-term supported facility may not provide shelter or housing at any single time for more than 50 families or individuals;

(2) *Waiver of residency limitations*. HUD may waive, as it determines appropriate, the limitations of paragraph (b)(1) of this section.

(c) *Placement*. A short-term supported housing facility assisted under this part must, to the maximum extent practicable, provide each individual living in such housing the opportunity for placement in permanent housing or in a living environment appropriate to his or her health and social needs.

(d) *Assistance to continue independent living*. In addition to the supportive services provided when an individual is relocated to a short-term supported housing facility, supportive services may be provided to individuals when they remain in their residence because the residence is appropriate to the needs of the individual. In the latter case, a rent, mortgage and utilities payments program assisted under this part shall provide, when reasonable, supportive services specifically designed to maintain the individual in such residence.

(e) *Case management services*. A program assisted under this section shall provide each assisted individual with an opportunity, if eligible, to receive case management services from the appropriate social service agencies.

§ 574.340 Additional standards for community residences.

(a) A community residence is a multiunit residence designed for eligible persons to provide a lower cost residential alternative to institutional care; to prevent or delay the need for such care; to provide a permanent or transitional residential setting with appropriate services to enhance the quality of life for those who are unable to live independently; and to enable such per-

sons to participate as fully as possible in community life.

(b) If grant funds are used to provide a community residence, except for planning and other expenses preliminary to construction or other physical improvement for a community residence, the grantee must, prior to the expenditure of such funds, obtain and keep on file the following certifications:

(1) *A services agreement*. (i) A certification that the grantee will itself provide services as required by § 574.310(a) to eligible persons assisted by the community residence; or

(ii) A certification that the grantee has entered into a written agreement with a project sponsor or contracted service provider to provide services as required by § 574.310(a) to eligible persons assisted by the community residence;

(2) *The adequacy of funding*. (i) A certification that the grantee has acquired sufficient funding for these services; or

(ii) A certification that the grantee has on file an analysis of the service level needed for each community residence, a statement of which grantee agency, project sponsor, or service provider will provide the needed services, and a statement of how the services will be funded; and

(3) *Capability*. (i) A certification that the grantee is qualified to provide the services; or

(ii) A certification that the project sponsor or the service provider is qualified to provide the services.

(b) A grantee that is a State shall obtain the approval of the unit of general local government in which a project is to be located before entering into a contract with a project sponsor to carry out an activity authorized under this part.

Subpart F—Grant Administration

§574.500 Responsibility for grant administration.

(a) *General.* Grantees are responsible for ensuring that grants are administered in accordance with the requirements of this part and other applicable laws. Grantees are responsible for ensuring that their respective project sponsors carry out activities in compliance with all applicable requirements.

(b) *Grant agreement.* The grant agreement will provide that the grantee agrees, and will ensure that each project sponsor agrees, to:

(1) Operate the program in accordance with the provisions of these regulations and other applicable HUD regulations;

(2) Conduct an ongoing assessment of the housing assistance and supportive services required by the participants in the program;

(3) Assure the adequate provision of supportive services to the participants in the program; and

(4) Comply with such other terms and conditions, including recordkeeping and reports (which must include racial and ethnic data on participants) for program monitoring and evaluation purposes, as HUD may establish for purposes of carrying out the program in an effective and efficient manner.

(c) *Enforcement.* HUD will enforce the obligations in the grant agreement in accordance with the provisions of 24 CFR 85.43. A grantee will be provided an opportunity for informal consultation before HUD will exercise any remedies authorized in paragraph (a) of that section.

§574.510 Environmental procedures and standards.

(a) Activities under this part are subject to HUD environmental regulations in part 58 of this title, except that HUD will perform an environmental review in accordance with part 50 of this title for any competitive grant for Fiscal Year 2000.

(b) The recipient, its project partners and their contractors may not acquire,

rehabilitate, convert, lease, repair, dispose of, demolish, or construct property for a project under this part, or commit or expend HUD or local funds for such eligible activities under this part, until the responsible entity (as defined in § 58.2 of this title) has completed the environmental review procedures required by part 58 and the environmental certification and RROF have been approved (or HUD has performed an environmental review and the recipient has received HUD approval of the property). HUD will not release grant funds if the recipient or any other party commits grant funds (i.e., incurs any costs or expenditures to be paid or reimbursed with such funds) before the recipient submits and HUD approves its RROF (where such submission is required).

(c) For activities under a grant to a nonprofit entity that would generally be subject to review under part 58, HUD may make a finding in accordance with § 58.11(d) and may itself perform the environmental review under the provisions of part 50 of this title if the recipient nonprofit entity objects in writing to the responsible entity's performing the review under part 58. Irrespective of whether the responsible entity in accord with part 58 (or HUD in accord with part 50) performs the environmental review, the recipient shall supply all available, relevant information necessary for the responsible entity (or HUD, if applicable) to perform for each property any environmental review required by this part. The recipient also shall carry out mitigating measures required by the responsible entity (or HUD, if applicable) or select alternate eligible property.

HUD may deobligate any amount of grant funds that have not been expended within a three-year period from the date of the signing of the grant agreement. The grant agreement may set forth other circumstances under which funds may be deobligated or sanctions imposed.

(2) Executive Order 11246, as amended by Executive Orders 11375, 11478, 12086, and 12107 (3 CFR, 1964-1965 Comp., p. 339; 3 CFR, 1966-1970 Comp., p. 684; 3 CFR, 1966-1970 Comp., p. 803; 3 CFR 1978 Comp., p. 230; and 3 CFR, 1978 Comp., p. 264) (Equal Employment Opportunity) does not apply to this program.

(b) *Affirmative outreach.* A grantee or project sponsor must adopt procedures to ensure that all persons who qualify for the assistance, regardless of their race, color, religion, sex, age, national origin, familial status, or handicap, know of the availability of the HOPWA program, including facilities and services accessible to persons with a handicap, and maintain evidence of implementation of the procedures.

§ 574.605 Applicability of OMB circulars.

The policies, guidelines, and requirements of 24 CFR part 85 (codified pursuant to OMB Circular No. A-102) and OMB Circular No. A-87 apply with respect to the acceptance and use of funds under the program by States and units of general local government, including public agencies, and Circulars Nos. A-110 and A-122 apply with respect to the acceptance and use of funds under the program by private non-profit entities. (Copies of OMB Circulars may be obtained from E.O.P. Publications, room 2200, New Executive Office Building, Washington, DC 20503, telephone (202) 395-7332. (This is not a toll-free number.) There is a limit of two free copies.

§ 574.625 Conflict of interest.

(a) In addition to the conflict of interest requirements in OMB Circular A-102 and 24 CFR 85.36(b)(3), no person who is an employee, agent, consultant, officer, or elected or appointed official of the grantee or project sponsor and who exercises or has exercised any functions or responsibilities with respect to assisted activities, or who is in a position to participate in a decision

making process or gain inside information with regard to such activities, may obtain a financial interest or benefit from the activity, or have an interest in any contract, subcontract, or agreement with respect thereto, or the proceeds thereunder, either for himself or herself or for those with whom he or she has family or business ties, during his or her tenure or for one year thereafter.

(b) *Exceptions: Threshold requirements.* Upon the written request of the recipient, HUD may grant an exception to the provisions of paragraph (a) of this section when it determines that the exception will serve to further the purposes of the HOPWA program and the effective and efficient administration of the recipient's program or project. An exception may be considered only after the recipient has provided the following:

(1) A disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how the public disclosure was made; and

(2) An opinion of the recipient's attorney that the interest for which the exception is sought would not violate State or local law.

(c) *Factors to be considered for exceptions.* In determining whether to grant a requested exception after the recipient has satisfactorily met the requirements of paragraph (b) of this section, HUD will consider the cumulative effect of the following factors, where applicable:

(1) Whether the exception would provide a significant cost benefit or an essential degree of expertise to the program or project that would otherwise not be available;

(2) Whether the person affected is a member of a group or class of eligible persons and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;

(3) Whether the affected person has withdrawn from his or her functions or responsibilities, or the decisionmaking process with respect to the specific assisted activity in question;

(4) Whether the interest or benefit was present before the affected person

was in a position as described in paragraph (a) of this section;

(5) Whether undue hardship will result either to the recipient or the person affected when weighed against the public interest served by avoiding the prohibited conflict; and

(6) Any other relevant considerations.

§ 574.630 Displacement, relocation and real property acquisition.

(a) *Minimizing displacement.* Consistent with the other goals and objectives of this part, grantees and project sponsors must assure that they have taken all reasonable steps to minimize the displacement of persons (families, individuals, businesses, nonprofit organizations, and farms) as a result of a project assisted under this part.

(b) *Relocation assistance for displaced persons.* A displaced person (defined in paragraph (f) of this section) must be provided relocation assistance at the levels described in, and in accordance with the requirements of, the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA) (42 U.S.C. 4601-4655) and implementing regulations at 49 CFR part 24.

(c) *Real property acquisition requirements.* The acquisition of real property for a project is subject to the URA and the requirements described in 49 CFR part 24, subpart B.

(d) *Appeals.* A person who disagrees with the grantee's or project sponsor's determination concerning whether the person qualifies as a "displaced person," or the amount of relocation assistance for which the person is eligible, may file a written appeal of that determination with the grantee. A low-income person who is dissatisfied with the grantee's determination on his or her appeal may submit a written request for review of that determination to the HUD Field Office.

(e) *Responsibility of grantee.* (1) Each grantee shall certify (i.e., provide assurance of compliance as required by 49 CFR part 24) that it will comply with the URA, the regulations at 49 CFR part 24, and the requirements of this section, and shall ensure such compliance notwithstanding any third party's contractual obligation to the grantee to comply with these provisions.

(2) The cost of required relocation assistance is an eligible project cost in the same manner and to the same extent as other project costs. Such costs also may be paid for with funds available from other sources.

(3) The grantee shall maintain records in sufficient detail to demonstrate compliance with these provisions.

(f) *Definition of displaced person.* (1) For purposes of this section, the term "displaced person" means a person (family, individual, business, nonprofit organization, or farm) that moves from real property, or moves personal property from real property, permanently, as a direct result of acquisition, rehabilitation, or demolition for a project assisted under this part. This includes any permanent, involuntary move for an assisted project including any permanent move for an assisted project, including any permanent move from the real property that is made:

(i) After notice by the grantee, project sponsor, or property owner to move permanently from the property, if the move occurs on or after the date that the grantee submits to HUD an application for assistance that is later approved and funded;

(ii) Before the submission of the application to HUD, if the grantee, project sponsor, or HUD determines that the displacement resulted directly from acquisition, rehabilitation, or demolition for the assisted project; or

(iii) By a tenant-occupant of a dwelling unit, if any one of the following three situations occurs:

(A) The tenant moves after the "initiation of negotiations" and the move occurs before the tenant has been provided written notice offering him or her the opportunity to lease and occupy a suitable, decent, safe and sanitary dwelling in the same building/complex, under reasonable terms and conditions, upon completion of the project. Such reasonable terms and conditions include a monthly rent and estimated average monthly utility costs that do not exceed the greater of:

(1) The tenant's monthly rent before the initiation of negotiations and estimated average utility costs, or

(2) 30 percent of gross household income; or

§ 574.635

(B) The tenant is required to relocate temporarily, does not return to the building/complex and either:

(1) The tenant is not offered payment for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, or

(2) Other conditions of the temporary relocation are not reasonable; or

(C) The tenant is required to move to another unit in the same building/complex but is not offered reimbursement for all reasonable out-of-pocket expenses incurred in connection with the move, or other conditions of the move are not reasonable.

(2) Notwithstanding the provisions of paragraph (F)(1) of this section, a person does not qualify as a "displaced person" (and is not eligible for relocation assistance under the URA or this section), if:

(i) The person has been evicted for serious or repeated violation of the terms and conditions of the lease or occupancy agreement, violation or applicable Federal, State or local law, or other good cause, and HUD determines that the eviction was not undertaken for the purposes of evading the obligation to provide relocation assistance;

(ii) The person moved into the property after the submission of the application and, before signing a lease and commencing occupancy, was provided written notice of the project, its possible impact on the person (e.g., the person may be displaced, temporarily relocated, or suffer a rent increase) and the fact that the person would not qualify as a "displaced person" (or for any assistance provided under this section), if the project is approved;

(iii) The person is ineligible under 49 CFR 24.2(g)(2); or

(iv) HUD determines that the person was not displaced as a direct result of acquisition, rehabilitation, or demolition for the project.

(3) The grantee or project sponsor may request, at any time, HUD's determination of whether a displacement is or would be covered under this section.

(g) *Definition of initiation of negotiations.* For purposes of determining the formula for computing the replacement housing assistance to be provided to a residential tenant displaced as a direct result of privately undertaken rehabili-

tation, demolition, or acquisition of the real property, the term "initiation of negotiations" means the execution of the agreement between the grantee and the project sponsor.

(2) Less than a year has passed since FEMA notification regarding such hazards; and

(b) The grantee will ensure that flood insurance on the structure is obtained in compliance with section 102(a) of the Flood Disaster Protection Act of 1973 (42 U.S.C. 4001 et seq.).

The program authorizes the Department of Housing and Urban Development (HUD) to make grants to States, units of general purpose local government, and territories for the rehabilitation or conversion of buildings for use as emergency shelter for the homeless, for the payment of certain expenses related to operating emergency shelters, for essential services related to emergency shelters and street outreach for the homeless, and for homelessness prevention and rapid re-housing assistance.

Housing Opportunities for Persons with AIDS (HOPWA)

Guidelines for Eligibility

Introduction: This Housing Opportunities for Persons with AIDS (HOPWA) program is designed for the prevention of homelessness, not the maintenance of an individual's lifestyle. The Housing Committee of the Riverside/San Bernardino, California eligible metropolitan area (EMA) has determined that limits must be put in place to not only help clients prevent themselves from becoming homeless but for the integrity of the program itself. There is no requirement that individuals make recommended changes. However, if changes are not made, ongoing assistance cannot be approved. Resources must be directed to those in greatest need.

Goal: The goal of this policy is to prevent homelessness among persons living with HIV/AIDS.

Objectives:

1. To assist HOPWA clients in maintaining safe, sanitary and affordable housing; including the maintenance of utility service.
2. To promote sound financial planning for HOPWA clients.
3. To foster self-sufficiency and independence among HOPWA clients.
4. To ensure that HOPWA funds are utilized only for financial hardships that could lead to homelessness or displacement.
5. To increase stability among HOPWA clients designed to promote adherence to medical regimens.

Definitions:

Person Living with HIV/AIDS – Any person with proof (laboratory test result or a letter from a licensed physician) indicating that individual has serologic evidence of infection with the human immunodeficiency virus (HIV) or has been diagnosed with the acquired immunodeficiency syndrome (AIDS).

Family – A household composed of two or more related persons. The term family also includes one or more eligible person living with another person or persons who are determined to be important to their care or well being, and the surviving member or members of any family described in this definition who were living in a unit assisted under the HOPWA program with the person with HIV/AIDS at the time of his or her death.

Low Income – Household income levels are established on an annual basis by the United States Department of Housing and Urban Development (HUD). Income Limits are as follows:

Maximum Annual Household Income by Number of Persons Living in Household – 80% AMI

Effective December, 2012

One	Two	Three	Four	Five	Six	Seven	Eight
\$35,700	\$40,800	\$45,900	\$50,950	\$55,050	\$59,150	\$63,200	\$67,300

Effective December, 2013

One	Two	Three	Four	Five	Six	Seven	Eight
\$34,000	\$38,850	\$43,700	\$48,550	\$52,450	\$56,350	\$60,250	\$64,100

The income of all persons who live within a given residence must be included in the calculation of household income. The only exception is for certified caregivers. Proper documentation is required. A caregiver's income is to be excluded from the calculation of household income.

Permanent Housing Placement as Supportive Services – Hotel/motel shelter for persons who would otherwise be homeless. No individual is eligible for more than 21 weeks of assistance in any 52 week period.

Permanent Housing Placement as Supportive Services - First month's rent and security deposits; credit checks. Not to exceed 2 months of rent cost, including security deposits and fees for credit checks.

Short-term Housing and Utilities Assistance – Payment of rent, mortgage and utilities payments to prevent homelessness of the tenant or mortgagor of a dwelling. No individual is eligible for more than 21 weeks of assistance in any 52 week period.

Tenant-based Housing – Payment of rent to low income households to permit HOPWA eligible individuals to remain within their homes. The amount of rent will be determined in accordance with HOPWA regulations, 24 CFR 574.310.

Grantee – The Grantee for the Riverside/San Bernardino, CA EMA is the City of Riverside. The Grantee representative is:

Rosemary Gonzales (951) 826-5615, City of Riverside Housing and Neighborhood Division,
3900 Main Street, Riverside, CA 92501

Project Sponsor – The Project Sponsor for Riverside County is the Housing Authority, County of Riverside. The Project Sponsor representative is:

Cindy Hui (951) 343-5428, Housing Authority County of Riverside, 5555 Arlington Avenue,
Riverside, CA 92504

Initial Assessment:

1. All contractual obligations for documentation for HOPWA eligibility will be met. Refer to agency contract, attachments or side letters with the Project Sponsor for HOPWA services.
2. The housing case manager will make an initial assessment of client eligibility and need for emergency housing assistance, short-term housing and utilities assistance, or tenant-based assistance. The intent is to establish an accurate account of the client's finances and financial plan.

Verification of income can be met as outlined below:

For Households Receiving Income: Each person in the household must provide a copy of income covering four (4) consecutive weeks prior to the date of the application. Only certified caregivers are exempt from this requirement.

The following may be used as proof of income:

- a. Most recent check stubs or pay slips.

OR

- b. A copy of the previous year's income tax return.

OR

- c. Letter from employer on business letterhead stating monthly earnings.

OR

- d. A copy of current award letter from Social Security, Social Security Disability or Long-term Disability. Bank statements will be accepted only if the source of income is clearly identified in the document itself.

For Households Not Receiving Income: Each person in a household with no income must provide one or more of the following:

- If unable to work due to disability, a copy of disability application submitted.

OR

- A copy of "pending" letter from Social Security

OR

- A letter from a licensed physician stating the nature of the disability which has resulted in an inability to work and the expected length of time (including dates) that the person will be unable to work.

AND

- A copy of the most recent income tax return.
3. If the client is determined to be delinquent in filing income tax returns, an immediate referral is to be made to legal services. Low cost legal services are available through Inland County Legal Services (888) 245-4257 in Riverside or (800) 226-4257 in Indio.
 4. Client may be required to sign an agreement allowing the housing case manager to request a credit report from "Tenant Credit Reporting", "Consumer Credit Line" or a comparable agency. The credit report will be maintained on file by the case manager.
 5. Client will be required to provide documentation of other assets including automobiles, properties owned (other than primary residence); and investment and retirement accounts.
 6. Utilizing the information collected, the housing case manager will complete a financial fact sheet showing all income for the applicant.
 7. The housing case manager will then determine qualification for funds and the need for funds. Major considerations will include:

Qualification for Funds

- Annual household income does not exceed the figure established by HUD.
 - Other assets shall not exceed identified county-wide norms for persons living with HIV/AIDS (i.e., Medically Indigent Services Program or Medi-Cal eligible, one automobile, one primary residence). No secondary residences, rental/income properties, including timeshares, or vacation clubs are allowed.
 - Demonstration (i.e. copies of income tax returns, credit report, automobile registration) that the client has provided accurate and complete information. Evidence of misrepresentation or fraud will result in a denial of the request for assistance.
-

Need for Funds

- Potential for becoming homeless, including the maintenance of utility service.
- Demonstration that the reason(s) for requiring assistance was/were beyond the client's control. It is recognized that this is highly subjective and therefore, must be documented in client record.

The housing case manager must consider the total clinical picture of the client before deciding if the client needs funds (i.e., active substance abuse, mental health issues, or compulsive gambling). For purposes of determining eligibility, spending beyond or in lieu of basic necessities such as food, rent/mortgage, utilities and clothing does not demonstrate sound financial planning. The housing case manager must have clear, complete documentation, including referrals to supportive services before the request can be approved.

8. Applicants who are in the Housing Options Program, Section 8, Shelter Plus Care, other subsidized living programs or residing in properties owned by or subsidized in any other manner are ineligible for assistance funds under HOPWA.

9. Move-in costs such as first month's rent and security deposits are allowable under supportive services assistance. To be eligible for assistance, the client must be a tenant on a valid lease for the property in which they will be residing or have been residing for a time before seeking the HOPWA assistance.

10. Application for rental housing (credit checks) fees is an allowable expense under the supportive services assistance.

11. The maximum duration of short-term housing and utilities assistance is 21 weeks in any 52 week period. The total amount of assistance in that 12-month period shall not exceed \$2,600.00.

Ongoing Assessment

Each request for assistance is to be evaluated on its own merit. At the time of each request, complete documentation of the need for funds must be provided. In addition to the documentation required for contract compliance, the client must provide the following:

- Proof of income
- Copies of receipts for all bills paid or canceled checks, if applicable, or any other documentation that verifies that income was spent for living expenses, (i.e., rent, utilities, food, medical expenses, transportation, etc.)

The housing case manager will make an assessment of the appropriateness of expenditures beyond the necessities of daily living (i.e., rent, mortgage, food and clothing). This decision can be based upon multiple factors including whether the expense was necessary, whether the expense was a one-time problem, a chronic situation or an unavoidable emergency.

If the client cannot provide clear documentation with the aforementioned statements of living expenses, the request is to be denied unless the client agrees to seek financial counseling within four weeks. Credit counseling is available through Springboard Nonprofit Consumer Credit Management at (800) 431-8157. Verification of participation in credit counseling and a financial plan must be provided to the housing case manager.

Should the housing case manager question a client's capacity to live within the financial plan, he/she may request that the client re-visit a credit counselor within four weeks. Should the client refuse to do so, the request for assistance is to be denied.

After 16 of the 21 allowable weeks of either rent/mortgage or utility assistance is provided in a 52 week period, the housing case manager will review the financial plan to evaluate why the client cannot live within the plan. The housing case manager will require that the client take action to live within a reasonable financial plan before issuing any further funds. This could include such actions as: recommending that the client seek legal counsel to determine if a declaration of bankruptcy is appropriate; move to more affordable housing; enter a drug counseling and treatment program; cancel some or all credit cards; discontinue some services (i.e., cell phones, cable television [unless that is the only source for television reception], pager, magazine subscriptions, expensive car payments). If the client refuses to make the changes, the housing case manager will deny the request for assistance.

Exceptions:

Exceptions to these policies and procedures require prior written approval from the Project Sponsor.

Such notification shall state the effective date of termination. In the event of such termination, in full or in part, the CONTRACTOR shall take immediate steps to reduce the incurred costs. CONTRACTOR shall be entitled to payment of all costs and non-negotiable obligations allowed under the terms of this Contract incurred to the date of termination in an amount not to exceed the maximum allowable under Paragraph 7A.

When the services to be performed or the products to be provided are of such nature that the difference cannot be corrected, the HACR shall have the right to: (1) require the CONTRACTOR immediately to take all necessary steps to ensure future performance in conformity with the terms of the Contract; and/or (2) reduce the Contract price to reflect the reduced value of the services performed or products provided. The HACR may also terminate this Contract for default and charge to the CONTRACTOR any costs incurred by the HACR because of the CONTRACTOR's failure to perform.

The CONTRACTOR further covenants that no person or Sub-Contractor having any such interest shall be employed or retained by CONTRACTOR under this Contract. The CONTRACTOR agrees to inform the HACR of all CONTRACTOR's interests, if any, which are or may be perceived as incompatible with the HACR's interests.

21.2 CONTRACTOR understands that the Participant Profile, including the clients' names, must be completed in a timely manner as a condition of reimbursement of funds expended. The CONTRACTOR will obtain permission from the program participant (or their guardian or conservator) to release their name to the program sponsor as a condition of receiving the service. Both the HACR and the CONTRACTOR will take every precaution to protect the privacy of the program participants.

22. INSURANCE

Without limiting or diminishing the CONTRACTOR's obligation to indemnify or hold the HACR, the County of Riverside and the City of Riverside harmless, CONTRACTOR shall procure and maintain or cause to be maintained, at its sole cost and expense, the following insurance coverage's during the term of this CONTRACT. As respects to this insurance section only, the term HACR herein refers to the HACR, City of Riverside, the County of Riverside, its Agencies, Districts, Special Districts, and Departments, their respective Directors, Officers, Board of Supervisors, employees, elected or appointed officials, agents or representatives as Additional Insureds.

The policy shall be endorsed to waive subrogation in favor of the HACR.

B. Commercial General Liability:

If such insurance contains a general aggregate limit, it shall apply separately to this Contract or be no less than two (2) times the occurrence limit.

C. Vehicle Liability:

If CONTRACTOR's vehicles or mobile equipment are used in the performance of the obligations under this CONTRACT, then CONTRACTOR shall maintain liability insurance for all owned, non-owned or hired vehicles so used in an amount not less than \$1,000,000 per occurrence combined single limit. Policy shall name the HACR as Additional Insureds.

D. Professional Liability Insurance:

CONTRACTOR shall maintain Professional Liability Insurance providing coverage for the CONTRACTOR's performance of work included within this CONTRACT, with a limit of liability of not less than \$1,000,000 per occurrence and \$2,000,000 annual aggregate. If CONTRACTOR's Professional Liability Insurance is written on a claims made basis rather than an occurrence basis, such insurance shall continue through the term of this CONTRACT and CONTRACTOR shall purchase at his sole expense either 1) an Extended Reporting Endorsement (also known as Tail Coverage); or 2) Prior Dates Coverage from new insurer with a retroactive date back to the date of, or prior to, the inception of this CONTRACT; or 3) demonstrate through Certificates of Insurance that CONTRACTOR has maintained continuous coverage with the same or original insurer. Coverage provided under items; 1), 2) or 3) will continue as long as the law allows.

E. General Insurance Provisions - All lines:

- 1) Any insurance carrier providing insurance coverage hereunder shall be admitted to the State of California and have an A M BEST rating of not less than A: VIII (A:8) unless such requirements are waived, in writing, by the County of Riverside's Risk Manager. If the County of Riverside's Risk Manager waives a requirement for a particular insurer such waiver is only valid for that specific insurer and only for one policy term.
- 2) The CONTRACTOR's insurance carrier(s) must declare its insurance deductibles or self-insured retentions. If such deductibles or self-insured retentions exceed \$500,000 per occurrence such deductibles and/or retentions shall have the prior written consent of the County of Riverside's Risk Manager before the commencement of operations under this Contract. Upon notification of deductibles or self-insured retention's unacceptable to the HACR, and at the election of the County of Riverside's Risk Manager, CONTRACTOR's carriers shall either; 1) reduce or eliminate such deductibles or self-insured retention's as respects this Contract with the HACR, or 2) procure a bond which guarantees payment of losses and related investigations, claims administration, and defense costs and expenses.
- 3) CONTRACTOR shall cause CONTRACTOR's insurance carrier(s) to furnish the County of Riverside with either 1) a properly executed original Certificate(s) of Insurance and certified original copies of Endorsements effecting coverage as required herein, and 2) if requested to do so orally or in writing by the County of Riverside's Risk Manager, provide original Certified copies of policies including all Endorsements and all attachments thereto, showing such insurance is in full force and effect. Further, said Certificate(s) and policies of insurance shall contain the covenant of the insurance carrier(s) that thirty (30) days written notice shall be given to the HACR prior to any material modification, cancellation, expiration or reduction in coverage of such insurance. In the event of a material modification, cancellation, expiration, or reduction in coverage, this Contract shall terminate forthwith, unless the HACR receives, prior to such effective date, another properly executed original Certificate of Insurance and original copies of endorsements or certified original policies, including all endorsements and attachments thereto evidencing coverage's set forth herein and the insurance required herein is in full force and effect.
CONTRACTOR shall not commence operations until the HACR has been furnished original Certificate (s) of Insurance and certified original copies of endorsements

and if requested, certified original policies of insurance including all endorsements and any and all other attachments as required in this Section. An individual authorized by the insurance carrier to do so on its behalf shall sign the original endorsements for each policy and the Certificate of Insurance.

- 4) It is understood and agreed to by the parties hereto that the CONTRACTOR's insurance shall be construed as primary insurance, and the HACR's insurance and/or deductibles and/or self-insured retentions or self-inured programs shall not be construed as contributory.
- 5) If, during the term of this Contract or any extension thereof, there is a material change in the scope of services; or, there is a material change in the equipment to be used in the performance of the scope of work which will add to additional exposures (such as the use of aircraft, watercraft, cranes, etc.); or, the term of this Contract including any extensions thereof exceeds five (5) years; the HACR reserves the right to adjust the types of insurance required under this Contract and the monetary limits of liability for the insurance coverage's currently required herein, if, in the County of Riverside Risk Manager's reasonable judgment, the amount or type of insurance carried by the CONTRACTOR has become inadequate.
- 6) CONTRACTOR shall pass down the insurance obligations contained herein to all tiers of Sub-Contractors working under this Contract.
- 7) The insurance requirements contained in this Contract may be met with a program(s) of self-insurance acceptable to the HACR.
- 8) CONTRACTOR agrees to notify HACR in writing of any claim by a third party or any incident or event that may give rise to a claim arising from the performance of this Contract.

*Documentation to this effect must be provided to the HACR prior to the disbursement of funds and will be included in this Contract as **(Exhibit D)**.

23. HOLD HARMLESS/INDEMNIFICATION

CONTRACTOR shall indemnify and hold harmless the City of Riverside, Housing Authority of the County of Riverside, the County of Riverside, their respective Agencies, Districts, Special Districts and Departments, and their respective directors, officers, Board of Commissioners, Board of Supervisors, elected and appointed officials, employees, agents and representatives and (individually and collectively, the "Indemnified Parties") from any liability whatsoever, based or asserted upon any services of CONTRACTOR, its officers, employees, Sub-Contractors, agents or representatives arising out of or in any way relating to this Contract, including but not limited to property damage, bodily injury, or death or any other element of any kind or nature whatsoever arising from the performance of CONTRACTOR, its officers, agents, employees,

Sub-Contractors, agents or representatives from this Contract. CONTRACTOR shall defend, at its sole expense, all costs and fees including, but not limited, to attorney fees, cost of investigation, defense and settlements or awards, the Indemnified Parties in any claim or action based upon such alleged acts or omissions.

With respect to any action or claim subject to indemnification herein by CONTRACTOR, CONTRACTOR shall, at their sole cost, have the right to use counsel of their own choice and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of HACR; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes CONTRACTOR's indemnification to HACR and the Indemnified Parties as set forth herein.

CONTRACTOR's obligation hereunder shall be satisfied when CONTRACTOR has provided to HACR the appropriate form of dismissal relieving HACR and the Indemnified Parties from any liability for the action or claim involved.

The specified insurance limits required in this Contract shall in no way limit or circumscribe CONTRACTOR's obligations to indemnify and hold harmless the HACR and the Indemnified Parties herein from third party claims.

In the event there is conflict between this clause and California Civil Code Section 2782, this clause shall be interpreted to comply with Civil Code 2782. Such interpretation shall not relieve the CONTRACTOR from indemnifying the Indemnified Parties to the fullest extent allowed by law.

24. DISPUTES

24.1 The parties shall attempt to resolve any disputes amicably at the working level. If that is not successful, the dispute shall be referred to the senior management of the parties. Any dispute relating to this Contract which is not resolved by the parties shall be decided by the County of Riverside's Compliance Contract Officer who shall furnish the decision in writing. The decision of the County of Riverside's Compliance Contract Officer shall be final and conclusive unless determined by a court of competent jurisdiction to have been fraudulent, capricious, arbitrary, or so grossly erroneous as necessarily to imply bad faith. The CONTRACTOR shall proceed diligently with the performance of this Contract pending the resolution of a dispute.

24.2 Prior to the filing of any legal action related to this Contract, the parties shall be obligated to attend a mediation session in Riverside County before a neutral third party mediator. A second mediation session shall be required if the first session is not successful. The parties shall share the cost of the mediations. The parties shall jointly select a mediator acceptable to the CONTRACTOR and HACR. The mediation shall take place in Riverside County. Each party shall be responsible for its own legal fees and other expenses incident to the preparation for mediation. If the dispute cannot be resolved by mediation, neither

HACR nor CONTRACTOR waives their rights to bring the appropriate legal action in a court of competent jurisdiction within the County of Riverside.

25. CONTRACT AMENDMENT

The Board of Commissioners and the Executive Director and/or designee, subject to the authority authorized by the Board of Commissioners, are the only authorized HACR representatives who may at any time, by written order, make alterations to this Contract.

26. ASSIGNMENT OF THE CONTRACT

This Contract shall not be assignable by the CONTRACTOR as to any rights or duties hereunder without the prior written consent of HACR, and any assignment attempted in violation of this provision, or any involuntary assignment, shall give HACR cause to terminate and cancel this Contract the same as for a breach thereof.

27. ADMINISTRATION/CONTRACT LIAISON

The HACR Executive Director, or designee, shall administer this Contract on behalf of HACR.

28. FORCE MAJEURE

If either party is unable to comply with any provision of this Contract due to causes beyond its reasonable control, and which could not have been reasonably anticipated, such as acts of God, acts of war, civil disorders, or other similar acts, such party shall not be held liable for such failure to comply, provided the other party receives prior written notice of such force majeure event.

29. EDD REPORTING REQUIREMENTS

In order to comply with child support enforcement requirements of the State of California, the COUNTY may be required to submit a Report of Independent CONSULTANT(s) form **DE 542** to the Employment Development Department ("EDD"). The CONTRACTOR agrees to furnish the required data and certifications to the COUNTY within 10 days of notification of award of Agreement when required by the EDD. This data will be transmitted to governmental agencies charged with the establishment and enforcement of child support orders. Failure of the CONTRACTOR to timely submit the data and/or certificates required may result in the Contract being awarded to another CONTRACTOR. In the event a Contract has been issued, failure of the CONTRACTOR to comply with all federal and state reporting requirements for child support enforcement or to comply with all lawfully served Wage and Earnings Assignments Orders and Notice of Assignment shall constitute a material breach of Agreement. If the CONTRACTOR has any questions concerning this reporting requirement, please call (916) 657-0529. The CONTRACTOR should also contact the local Employment Tax Customer Service Office listed in

the telephone directory in the State Government section under "Employment Development Department" or access their Internet site at www.edd.ca.gov.

Any assignment or purported assignment of this Contract by CONTRACTOR without the prior written consent of HACR will be deemed void and of no force or effect.

32.2 Any waiver by the HACR of any breach of any one or more of the terms of this Contract shall not be construed to be a waiver of any subsequent or other breach of the same or of any other term of this Contract. Failure on the part of the HACR to require exact, full and

complete compliance with any terms of this Contract shall not be construed as in any manner changing the terms or preventing the HACR from enforcement of the terms of this Contract.

Administrative costs mean costs for general management, oversight, coordination, evaluation, and reporting on eligible activities. Such costs do not include costs directly related to carrying out eligible activities, since those costs are eligible as part of the activity delivery costs of such activities.

- (2) A consolidated plan prepared, submitted, and approved in accordance with 24 CFR part 91 that covers the assistance to be provided under this part. (A State may carry out activities anywhere in the State, including within an EMSA.)

Family is defined in 24 CFR 5.403 and includes one or more eligible persons living with another person or persons, regardless of actual or perceived sexual orientation, gender identity, or marital status, who are determined to be important to the eligible person or person's care or well-being, and the surviving member or members of any family described in this definition who were living in a unit assisted under the HOPWA program with the person with AIDS at the time of his or her death.

Low-income individual has the meaning given it in section 853(3) of the AIDS Housing Opportunity Act (42 U.S.C. 12902).

Metropolitan statistical area has the meaning given it in section 853(5) of the AIDS Housing Opportunity Act (42 U.S.C. 12902).

Nonprofit organization means any nonprofit organization (including a State or locally chartered, nonprofit organization) that:

(1) Is organized under State or local laws;

(2) Has no part of its net earnings inuring to the benefit of any member, founder, contributor, or individual;

Population means total resident population based on data compiled by the U.S. Census and referable to the same point in time.

Project sponsor means any nonprofit organization or governmental housing agency that receives funds under a contract with the grantee to carry out eligible activities under this part. The selection of project sponsors is not subject to the procurement requirements of 24 CFR 85.36.

Rehabilitation means the improvement or repair of an existing structure, or an addition to an existing structure that does not increase the floor area by more than 100 percent.

State has the meaning given it in section 853(9) of the AIDS Housing Opportunity Act (42 U.S.C. 12902).

Subpart B—Formula Entitlements

§ 574.100 Eligible applicants.

(a) Eligible States and qualifying cities, as defined in § 574.3, qualify for formula allocations under HOPWA.

(b) HUD will notify eligible States and qualifying cities of their formula eligibility and allocation amounts and EMSA service areas annually.

[57 FR 61740, Dec. 28, 1992, as amended at 59 FR 17199, Apr. 11, 1994; 60 FR 1917, Jan. 5, 1995]

§ 574.110 Overview of formula allocations.

The formula grants are awarded upon submission and approval of a consolidated plan, pursuant to 24 CFR part 91, that covers the assistance to be provided under this part. Certain states and cities that are the most populous unit of general local government in eligible metropolitan statistical areas will receive formula allocations based on their State or metropolitan population and proportionate number of cases of persons with AIDS. They will receive funds under this part (providing they comply with 24 CFR part 91) for eligible activities that address the housing needs of persons with AIDS or related diseases and their families (see § 574.130(b)).

[61 FR 7963, Feb. 29, 1996]

§ 574.120 Responsibility of applicant to serve EMSA.

The EMSA's applicant shall serve eligible persons who live anywhere within the EMSA, except that housing assistance shall be provided only in localities within the EMSA that have a consolidated plan prepared, submitted, and

approved in accordance with 24 CFR part 91 that covers the assistance to be provided under this part. In allocating grant amounts among eligible activities, the EMSA's applicant shall address needs of eligible persons who reside within the metropolitan statistical area, including those not within the jurisdiction of the applicant.

[60 FR 1917, Jan. 5, 1995]

§ 574.130 Formula allocations.

(a) *Data sources.* HUD will allocate funds based on the number of cases of acquired immunodeficiency syndrome reported to and confirmed by the Director of the Centers for Disease Control, and on population data provided by the U.S. Census. The number of cases of acquired immunodeficiency syndrome used for this purpose shall be the number reported as of March 31 of the fiscal year immediately preceding the fiscal year for which the amounts are appropriated and allocated.

(b) *Distribution of appropriated funds for entitlement awards.* (1) Seventy-five percent of the funds allocated under the formula is distributed to qualifying cities and eligible States, as described in § 574.100, based on each metropolitan statistical area's or State's proportionate share of the cumulative number of AIDS cases in all eligible metropolitan statistical areas and eligible States.

(2) The remaining twenty-five percent is allocated among qualifying cities, but not States, where the per capita incidence of AIDS for the year, April 1 through March 31, preceding the fiscal year of the appropriation is higher than the average for all metropolitan statistical areas with more than 500,000 population. Each qualifying city's allocation reflects its EMSA's proportionate share of the high incidence factor among EMSA's with higher than average per capita incidence of AIDS. The high incidence factor is computed by multiplying the population of the metropolitan statistical area by the difference between its twelve-month-per-capita-incidence rate and the average rate for all metropolitan statistical areas with more than 500,000 population. The EMSA's proportionate share is determined by dividing its high incidence factor by the sum of

the high incidence factors for all EMSA's with higher than average per capita incidence of AIDS.

(c) *Minimum grant.* No grant awarded under paragraph (b) of this section shall be less than \$200,000. Therefore, if the calculations under paragraph (b) of this section would result in any eligible metropolitan statistical area or eligible State receiving less than \$200,000, the amount allocated to that entity is increased to \$200,000 and allocations to entities in excess of \$200,000 are proportionately reduced by the amount of the increase.

§ 574.190 Reallocation of grant amounts.

If an eligible State or qualifying city does not submit a consolidated plan in a timely fashion, in accordance with 24 CFR part 91, that provides for use of its allocation of funding under this part, the funds allocated to that jurisdiction will be added to the funds available for formula allocations to other jurisdictions in the current fiscal year. Any formula funds that become available as a result of deobligations or the imposition of sanctions as provided for in § 574.540 will be added to the funds available for formula allocations in the next fiscal year.

[57 FR 61740, Dec. 28, 1992, as amended at 60 FR 1918, Jan. 5, 1995]

Subpart C—Competitive Grants

§ 574.200 Amounts available for competitive grants.

(a) The Department will set aside 10 percent of the amounts appropriated under this program to fund on a competitive basis:

(1) Special projects of national significance; and

(2) Other projects submitted by States and localities that do not qualify for formula grants.

(b) Any competitively awarded funds that become available as a result of deobligations or the imposition of sanctions, as provided in § 574.540, will be added to the funds available for competitive grants in the next fiscal year.

(c) The competitive grants are awarded based on applications, as described in subpart C of this part, submitted in

§574.210

response to a Notice of Funding Availability published in the FEDERAL REGISTER. All States and units of general local government and nonprofit organizations are eligible to apply for competitive grants to fund projects of national significance. Only those States and units of general local government that do not qualify for formula allocations are eligible to apply for competitive grants to fund other projects.

(d) If HUD makes a procedural error in a funding competition that, when corrected, would warrant funding of an otherwise eligible application, HUD will select that application for potential funding when sufficient funds become available.

[57 FR 61740, Dec. 28, 1992, as amended at 61 FR 7963, Feb. 29, 1996]

§574.210 Eligible applicants.

(a) All States, units of general local government, and nonprofit organizations, may apply for grants for projects of national significance.

(b) Only those States and units of general local government that do not qualify for formula grants, as described in §574.100; may apply for grants for other projects as described in §574.200(a)(2).

(c) Except for grants for projects of national significance, nonprofit organizations are not eligible to apply directly to HUD for a grant but may receive funding as a project sponsor under contract with a grantee.

§574.240 Application requirements.

Applications must comply with the provisions of the Department's Notice of Funding Availability (NOFA) for the fiscal year published in the FEDERAL REGISTER in accordance with 24 CFR part 12. The rating criteria, including the point value for each, are described in the NOFA, including criteria determined by the Secretary.

[61 FR 7963, Feb. 29, 1996]

§574.260 Amendments.

(a) After an application has been selected for funding, any change that will significantly alter the scope, location, service area, or objectives of an activity or the number of eligible persons served must be justified to HUD and

24 CFR Ch. V (4-1-13 Edition)

approved by HUD. Whenever any other amendment to the application is made, the grantee must provide a copy to HUD.

(b) Each amendment request must contain a description of the revised proposed use of funds. Funds may not be expended for the revised proposed use of funds until:

(1) HUD accepts the revised proposed use; and

(2) For amendments to acquire, rehabilitate, convert, lease, repair or construct properties to provide housing, an environmental review of the revised proposed use of funds has been completed in accordance with §574.510.

(Approved by the Office of Management and Budget under control number 2506-0133)

Subpart D—Uses of Grant Funds

§574.300 Eligible activities.

(a) *General.* Subject to applicable requirements described in §§574.310, 574.320, 574.330, and 574.340, HOPWA funds may be used to assist all forms of housing designed to prevent homelessness including emergency housing, shared housing arrangements, apartments, single room occupancy (SRO) dwellings, and community residences. Appropriate supportive services, as required by §574.310(a), must be provided as part of any HOPWA assisted housing, but HOPWA funds may also be used to provide services independently of any housing activity.

(b) *Activities.* The following activities may be carried out with HOPWA funds:

(1) Housing information services including, but not limited to, counseling, information, and referral services to assist an eligible person to locate, acquire, finance and maintain housing. This may also include fair housing counseling for eligible persons who may encounter discrimination on the basis of race, color, religion, sex, age, national origin, familial status, or handicap;

(2) Resource identification to establish, coordinate and develop housing assistance resources for eligible persons (including conducting preliminary research and making expenditures necessary to determine the feasibility of specific housing-related initiatives);

(3) Acquisition, rehabilitation, conversion, lease, and repair of facilities to provide housing and services;

(4) New construction (for single room occupancy (SRO) dwellings and community residences only).

(5) Project- or tenant-based rental assistance, including assistance for shared housing arrangements;

(6) Short-term rent, mortgage, and utility payments to prevent the homelessness of the tenant or mortgagor of a dwelling;

(7) Supportive services including, but not limited to, health, mental health, assessment, permanent housing placement, drug and alcohol abuse treatment and counseling, day care, personal assistance, nutritional services, intensive care when required, and assistance in gaining access to local, State, and Federal government benefits and services, except that health services may only be provided to individuals with acquired immunodeficiency syndrome or related diseases and not to family members of these individuals;

(8) Operating costs for housing including maintenance, security, operation, insurance, utilities, furnishings, equipment, supplies, and other incidental costs;

(9) Technical assistance in establishing and operating a community residence, including planning and other pre-development or pre-construction expenses and including, but not limited to, costs relating to community outreach and educational activities regarding AIDS or related diseases for persons residing in proximity to the community residence;

(10) Administrative expenses:

(i) Each grantee may use not more than 3 percent of the grant amount for its own administrative costs relating to administering grant amounts and allocating such amounts to project sponsors; and

(ii) Each project sponsor receiving amounts from grants made under this program may use not more than 7 percent of the amounts received for administrative costs.

(11) For competitive grants only, any other activity proposed by the applicant and approved by HUD.

(c) *Faith-based activities.* (1) Organizations that are religious or faith-based are eligible, on the same basis as any other organization, to participate in the HOPWA program. Neither the Federal government nor a State or local government receiving funds under HOPWA programs shall discriminate against an organization on the basis of the organization's religious character or affiliation.

(2) Organizations that are directly funded under the HOPWA program may not engage in inherently religious activities, such as worship, religious instruction, or proselytization, as part of the programs or services funded under this part. If an organization conducts such activities, the activities must be offered separately, in time or location, from the programs or services funded under this part, and participation must be voluntary for the beneficiaries of the HUD-funded programs or services.

(3) An organization that participates in the HOPWA program will retain its independence from Federal, State, and local governments, and may continue to carry out its mission, including the definition, practice, and expression of its religious beliefs, provided that it does not use direct HOPWA funds to support any inherently religious activities, such as worship, religious instruction, or proselytization. Among other things, faith-based organizations may use space in their facilities to provide HOPWA-funded services, without removing religious art, icons, scriptures, or other religious symbols. In addition, a HOPWA-funded religious organization retains its authority over its internal governance, and it may retain religious terms in its organization's name, select its board members on a religious basis, and include religious references in its organization's mission statements and other governing documents.

(4) An organization that participates in the HOPWA program shall not, in providing program assistance, discriminate against a program beneficiary or prospective program beneficiary on the basis of religion or religious belief.

(5) HOPWA funds may not be used for the acquisition, construction, or rehabilitation of structures to the extent

that those structures are used for inherently religious activities. HOPWA funds may be used for the acquisition, construction, or rehabilitation of structures only to the extent that those structures are used for conducting eligible activities under this part. Where a structure is used for both eligible and inherently religious activities, HOPWA funds may not exceed the cost of those portions of the acquisition, construction, or rehabilitation that are attributable to eligible activities in accordance with the cost accounting requirements applicable to HOPWA funds in this part. Sanctuaries, chapels, or other rooms that a HOPWA-funded religious congregation uses as its principal place of worship, however, are ineligible for HOPWA-funded improvements. Disposition of real property after the term of the grant, or any change in use of the property during the term of the grant, is subject to government-wide regulations governing real property disposition (see 24 CFR parts 84 and 85).

(6) If a State or local government voluntarily contributes its own funds to supplement federally funded activities, the State or local government has the option to segregate the Federal funds or commingle them. However, if the funds are commingled, this section applies to all of the commingled funds.

[57 FR 61740, Dec. 28, 1992, as amended at 59 FR 17200, Apr. 11, 1994; 68 FR 56405, Sept. 30, 2003]

§574.310 General standards for eligible housing activities.

All grantees using grant funds to provide housing must adhere to the following standards:

(a)(1) *General.* The grantee shall ensure that qualified service providers in the area make available appropriate supportive services to the individuals assisted with housing under this subpart. Supportive services are described in §574.300(b)(7). For any individual with acquired immunodeficiency syndrome or a related disease who requires more intensive care than can be provided in housing assisted under this subpart, the grantee shall provide for locating a care provider who can appropriately care for the individual and for

referring the individual to the care provider.

(2) *Payments.* The grantee shall ensure that grant funds will not be used to make payments for health services for any item or service to the extent that payment has been made, or can reasonably be expected to be made, with respect to that item or service:

(i) Under any State compensation program, under an insurance policy, or under any Federal or State health benefits program; or

(ii) By an entity that provides health services on a prepaid basis.

(b) *Housing quality standards.* All housing assisted under §574.300(b) (3), (4), (5), and (8) must meet the applicable housing quality standards outlined below.

(1) *State and local requirements.* Each recipient of assistance under this part must provide safe and sanitary housing that is in compliance with all applicable State and local housing codes, licensing requirements, and any other requirements in the jurisdiction in which the housing is located regarding the condition of the structure and the operation of the housing.

(2) *Habitability standards.* Except for such variations as are proposed by the locality and approved by HUD, recipients must meet the following requirements:

(i) *Structure and materials.* The structures must be structurally sound so as not to pose any threat to the health and safety of the occupants and so as to protect the residents from hazards.

(ii) *Access.* The housing must be accessible and capable of being utilized without unauthorized use of other private properties. Structures must provide alternate means of egress in case of fire.

(iii) *Space and security.* Each resident must be afforded adequate space and security for themselves and their belongings. An acceptable place to sleep must be provided for each resident.

(iv) *Interior air quality.* Every room or space must be provided with natural or mechanical ventilation. Structures must be free of pollutants in the air at levels that threaten the health of residents.

(v) *Water supply.* The water supply must be free from contamination at

levels that threaten the health of individuals.

(vi) *Thermal environment.* The housing must have adequate heating and/or cooling facilities in proper operating condition.

(vii) *Illumination and electricity.* The housing must have adequate natural or artificial illumination to permit normal indoor activities and to support the health and safety of residents. Sufficient electrical sources must be provided to permit use of essential electrical appliance while assuring safety from fire.

(viii) *Food preparation and refuse disposal.* All food preparation areas must contain suitable space and equipment to store, prepare, and serve food in a sanitary manner.

(ix) *Sanitary condition.* The housing and any equipment must be maintained in sanitary condition.

(c) *Minimum use period for structures.*

(1) Any building or structure assisted with amounts under this part must be maintained as a facility to provide housing or assistance for individuals with acquired immunodeficiency syndrome or related diseases:

(i) For a period of not less than 10 years, in the case of assistance provided under an activity eligible under § 574.300(b) (3) and (4) involving new construction, substantial rehabilitation or acquisition of a building or structure; or

(ii) For a period of not less than 3 years in the cases involving non-substantial rehabilitation or repair of a building or structure.

(2) Waiver of minimum use period. HUD may waive the minimum use period of a building or structure as stipulated in paragraph (c)(1) of this section if the grantee can demonstrate, to the satisfaction of HUD, that:

(i) The assisted structure is no longer needed to provide supported housing or assistance, or the continued operation of the structure for such purposes is no longer feasible; and

(ii) The structure will be used to benefit individuals or families whose incomes do not exceed 80 percent of the median income for the area, as determined by HUD with adjustments for smaller and larger families, if the Secretary finds that such variations are

necessary because of construction costs or unusually high or low family incomes.

(d) *Resident rent payment.* Except for persons in short-term supported housing, each person receiving rental assistance under this program or residing in any rental housing assisted under this program must pay as rent, including utilities, an amount which is the higher of:

(1) 30 percent of the family's monthly adjusted income (adjustment factors include the age of the individual, medical expenses, size of family and child care expenses and are described in detail in 24 CFR 5.609). The calculation of the family's monthly adjusted income must include the expense deductions provided in 24 CFR 5.611(a), and for eligible persons, the calculation of monthly adjusted income also must include the disallowance of earned income as provided in 24 CFR 5.617, if applicable;

(2) 10 percent of the family's monthly gross income; or

(3) If the family is receiving payments for welfare assistance from a public agency and a part of the payments, adjusted in accordance with the family's actual housing costs, is specifically designated by the agency to meet the family's housing costs, the portion of the payment that is designated for housing costs.

(e) *Termination of assistance—(1) Surviving family members.* With respect to the surviving member or members of a family who were living in a unit assisted under the HOPWA program with the person with AIDS at the time of his or her death, housing assistance and supportive services under the HOPWA program shall continue for a grace period following the death of the person with AIDS. The grantee or project sponsor shall establish a reasonable grace period for continued participation by a surviving family member, but that period may not exceed one year from the death of the family member with AIDS. The grantee or project sponsor shall notify the family of the duration of their grace period and may assist the family with information on other available housing programs and with moving expenses.

§ 574.320

24 CFR Ch. V (4-1-13 Edition)

(2) *Violation of requirements*—(1) *Basis*. Assistance to participants who reside in housing programs assisted under this part may be terminated if the participant violates program requirements or conditions of occupancy. Grantees must ensure that supportive services are provided, so that a participant's assistance is terminated only in the most severe cases.

(ii) *Procedure*. In terminating assistance to any program participant for violation of requirements, grantees must provide a formal process that recognizes the rights of individuals receiving assistance to due process of law. This process at minimum, must consist of:

(A) Serving the participant with a written notice containing a clear statement of the reasons for termination;

(B) Permitting the participant to have a review of the decision, in which the participant is given the opportunity to confront opposing witnesses, present written objections, and be represented by their own counsel, before a person other than the person (or a subordinate of that person) who made or approved the termination decision; and

(C) Providing prompt written notification of the final decision to the participant.

§ 574.320 Additional standards for rental assistance.

(a) If grant funds are used to provide rental assistance, the following additional standards apply:

(1) *Maximum subsidy*. The amount of grant funds used to pay monthly assistance for an eligible person may not exceed the difference between:

(i) The lower of the rent standard or reasonable rent for the unit; and

(ii) The resident's rent payment calculated under § 574.310(d).

(2) *Rent standard*. The rent standard shall be established by the grantee and shall be no more than the published section 8 fair market rent (FMR) or the HUD-approved community-wide exception rent for the unit size. However, on

a unit by unit basis, the grantee may increase that amount by up to 10 percent for up to 20 percent of the units assisted.

(3) *Rent reasonableness*. The rent charged for a unit must be reasonable in relation to rents currently being charged for comparable units in the private unassisted market and must not be in excess of rents currently being charged by the owner for comparable unassisted units.

(b) With respect to shared housing arrangements, the rent charged for an assisted family or individual shall be in relation to the size of the private space for that assisted family or individual in comparison to other private space in the shared unit, excluding common space. An assisted family or individual may be assigned a pro rata portion based on the ratio derived by dividing the number of bedrooms in their private space by the number of bedrooms in the unit. Participation in shared housing arrangements shall be voluntary.

§ 574.330 Additional standards for short-term supported housing.

Short-term supported housing includes facilities to provide temporary shelter to eligible individuals as well as rent, mortgage, and utilities payments to enable eligible individuals to remain in their own dwellings. If grant funds are used to provide such short-term supported housing assistance, the following additional standards apply:

(a) *Time limits*. (1) A short-term supported housing facility may not provide residence to any individual for more than 60 days during any six month period. Rent, mortgage, and utilities payments to prevent the homelessness of the tenant or mortgagor of a dwelling may not be provided to such an individual for these costs accruing over a period of more than 21 weeks in any 52 week period. These limitations do not apply to rental assistance provided under § 574.300(b)(5).

(2) *Waiver of time limitations*. HUD may waive, as it determines appropriate, the limitations of paragraph (a)(1) and will favorably consider a

waiver based on the good faith effort of a project sponsor to provide permanent housing under subsection (c).

(b) *Residency limitations*—(1) *Residency*. A short-term supported facility may not provide shelter or housing at any single time for more than 50 families or individuals;

(2) *Waiver of residency limitations*. HUD may waive, as it determines appropriate, the limitations of paragraph (b)(1) of this section.

(c) *Placement*. A short-term supported housing facility assisted under this part must, to the maximum extent practicable, provide each individual living in such housing the opportunity for placement in permanent housing or in a living environment appropriate to his or her health and social needs.

(d) *Assistance to continue independent living*. In addition to the supportive services provided when an individual is relocated to a short-term supported housing facility, supportive services may be provided to individuals when they remain in their residence because the residence is appropriate to the needs of the individual. In the latter case, a rent, mortgage and utilities payments program assisted under this part shall provide, when reasonable, supportive services specifically designed to maintain the individual in such residence.

(e) *Case management services*. A program assisted under this section shall provide each assisted individual with an opportunity, if eligible, to receive case management services from the appropriate social service agencies.

§ 574.340 Additional standards for community residences.

(a) A community residence is a multi-unit residence designed for eligible persons to provide a lower cost residential alternative to institutional care; to prevent or delay the need for such care; to provide a permanent or transitional residential setting with appropriate services to enhance the quality of life for those who are unable to live independently; and to enable such per-

sons to participate as fully as possible in community life.

(b) If grant funds are used to provide a community residence, except for planning and other expenses preliminary to construction or other physical improvement for a community residence, the grantee must, prior to the expenditure of such funds, obtain and keep on file the following certifications:

(1) *A services agreement*. (i) A certification that the grantee will itself provide services as required by § 574.310(a) to eligible persons assisted by the community residence; or

(ii) A certification that the grantee has entered into a written agreement with a project sponsor or contracted service provider to provide services as required by § 574.310(a) to eligible persons assisted by the community residence;

(2) *The adequacy of funding*. (i) A certification that the grantee has acquired sufficient funding for these services; or

(ii) A certification that the grantee has on file an analysis of the service level needed for each community residence, a statement of which grantee agency, project sponsor, or service provider will provide the needed services, and a statement of how the services will be funded; and

(3) *Capability*. (i) A certification that the grantee is qualified to provide the services; or

(ii) A certification that the project sponsor or the service provider is qualified to provide the services.

Subpart F—Grant Administration

§574.500 Responsibility for grant administration.

(a) *General.* Grantees are responsible for ensuring that grants are administered in accordance with the requirements of this part and other applicable laws. Grantees are responsible for ensuring that their respective project sponsors carry out activities in compliance with all applicable requirements.

(b) *Grant agreement.* The grant agreement will provide that the grantee agrees, and will ensure that each project sponsor agrees, to:

(1) Operate the program in accordance with the provisions of these regulations and other applicable HUD regulations;

(2) Conduct an ongoing assessment of the housing assistance and supportive services required by the participants in the program;

(3) Assure the adequate provision of supportive services to the participants in the program; and

(4) Comply with such other terms and conditions, including recordkeeping and reports (which must include racial and ethnic data on participants) for program monitoring and evaluation purposes, as HUD may establish for purposes of carrying out the program in an effective and efficient manner.

(c) *Enforcement.* HUD will enforce the obligations in the grant agreement in accordance with the provisions of 24 CFR 85.43. A grantee will be provided an opportunity for informal consultation before HUD will exercise any remedies authorized in paragraph (a) of that section.

§574.510 Environmental procedures and standards.

(a) Activities under this part are subject to HUD environmental regulations in part 58 of this title, except that HUD will perform an environmental review in accordance with part 50 of this title for any competitive grant for Fiscal Year 2000.

(b) The recipient, its project partners and their contractors may not acquire,

rehabilitate, convert, lease, repair, dispose of, demolish, or construct property for a project under this part, or commit or expend HUD or local funds for such eligible activities under this part, until the responsible entity (as defined in § 58.2 of this title) has completed the environmental review procedures required by part 58 and the environmental certification and RROF have been approved (or HUD has performed an environmental review and the recipient has received HUD approval of the property). HUD will not release grant funds if the recipient or any other party commits grant funds (i.e., incurs any costs or expenditures to be paid or reimbursed with such funds) before the recipient submits and HUD approves its RROF (where such submission is required).

(c) For activities under a grant to a nonprofit entity that would generally be subject to review under part 58, HUD may make a finding in accordance with § 58.11(d) and may itself perform the environmental review under the provisions of part 50 of this title if the recipient nonprofit entity objects in writing to the responsible entity's performing the review under part 58. Irrespective of whether the responsible entity in accord with part 58 (or HUD in accord with part 50) performs the environmental review, the recipient shall supply all available, relevant information necessary for the responsible entity (or HUD, if applicable) to perform for each property any environmental review required by this part. The recipient also shall carry out mitigating measures required by the responsible entity (or HUD, if applicable) or select alternate eligible property.

[68 FR 56130, Sept. 29, 2003]

§ 574.520 Performance reports.

(b) *Competitive grants.* A grantee shall submit to HUD annually a report describing the use of the amounts received, including the number of individuals assisted, the types of assistance provided, and any other information that HUD may require. Annual reports

are required until all grant funds are expended.

[60 FR 1918, Jan. 5, 1995]

§ 574.530 Recordkeeping.

HUD may deobligate any amount of grant funds that have not been expended within a three-year period from the date of the signing of the grant agreement. The grant agreement may set forth other circumstances under which funds may be deobligated or sanctions imposed.

Subpart G—Other Federal Requirements

§ 574.600 Cross-reference.

The Federal requirements set forth in 24 CFR part 5 apply to this program as specified in this subpart.

[61 FR 5209, Feb. 9, 1996]

§ 574.603 Nondiscrimination and equal opportunity.

Within the population eligible for this program, the nondiscrimination and equal opportunity requirements set forth in 24 CFR part 5 and the following requirements apply:

(a) *Fair housing requirements.* (1) Grantees and project sponsors shall comply with the applicable provisions of the Americans with Disabilities Act (42 U.S.C. 12101-12213) and implementing regulations at 28 CFR part 35 (States and local government grantees)

and part 36 (public accommodations and requirements for certain types of short-term housing assistance).

(2) Executive Order 11246, as amended by Executive Orders 11375, 11478, 12086, and 12107 (3 CFR, 1964-1965 Comp., p. 339; 3 CFR, 1966-1970 Comp., p. 684; 3 CFR, 1966-1970 Comp., p. 803; 3 CFR 1978 Comp., p. 230; and 3 CFR, 1978 Comp., p. 264) (Equal Employment Opportunity) does not apply to this program.

(b) *Affirmative outreach.* A grantee or project sponsor must adopt procedures to ensure that all persons who qualify for the assistance, regardless of their race, color, religion, sex, age, national origin, familial status, or handicap, know of the availability of the HOPWA program, including facilities and services accessible to persons with a handicap, and maintain evidence of implementation of the procedures.

§ 574.605 Applicability of OMB circulars.

The policies, guidelines, and requirements of 24 CFR part 85 (codified pursuant to OMB Circular No. A-102) and OMB Circular No. A-87 apply with respect to the acceptance and use of funds under the program by States and units of general local government, including public agencies, and Circulars Nos. A-110 and A-122 apply with respect to the acceptance and use of funds under the program by private non-profit entities. (Copies of OMB Circulars may be obtained from E.O.P. Publications, room 2200, New Executive Office Building, Washington, DC 20503, telephone (202) 395-7332. (This is not a toll-free number.) There is a limit of two free copies.

§ 574.625 Conflict of interest.

(a) In addition to the conflict of interest requirements in OMB Circular A-102 and 24 CFR 85.36(b)(3), no person who is an employee, agent, consultant, officer, or elected or appointed official of the grantee or project sponsor and who exercises or has exercised any functions or responsibilities with respect to assisted activities, or who is in a position to participate in a decision

making process or gain inside information with regard to such activities, may obtain a financial interest or benefit from the activity, or have an interest in any contract, subcontract, or agreement with respect thereto, or the proceeds thereunder, either for himself or herself or for those with whom he or she has family or business ties, during his or her tenure or for one year thereafter.

(b) *Exceptions: Threshold requirements.* Upon the written request of the recipient, HUD may grant an exception to the provisions of paragraph (a) of this section when it determines that the exception will serve to further the purposes of the HOPWA program and the effective and efficient administration of the recipient's program or project. An exception may be considered only after the recipient has provided the following:

(1) A disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how the public disclosure was made; and

(2) An opinion of the recipient's attorney that the interest for which the exception is sought would not violate State or local law.

(c) *Factors to be considered for exceptions.* In determining whether to grant a requested exception after the recipient has satisfactorily met the requirements of paragraph (b) of this section, HUD will consider the cumulative effect of the following factors, where applicable:

(1) Whether the exception would provide a significant cost benefit or an essential degree of expertise to the program or project that would otherwise not be available;

(2) Whether the person affected is a member of a group or class of eligible persons and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;

(3) Whether the affected person has withdrawn from his or her functions or responsibilities, or the decisionmaking process with respect to the specific assisted activity in question;

(4) Whether the interest or benefit was present before the affected person

was in a position as described in paragraph (a) of this section;

(5) Whether undue hardship will result either to the recipient or the person affected when weighed against the public interest served by avoiding the prohibited conflict; and

(6) Any other relevant considerations.

§ 574.630 Displacement, relocation and real property acquisition.

(a) *Minimizing displacement.* Consistent with the other goals and objectives of this part, grantees and project sponsors must assure that they have taken all reasonable steps to minimize the displacement of persons (families, individuals, businesses, nonprofit organizations, and farms) as a result of a project assisted under this part.

(b) *Relocation assistance for displaced persons.* A displaced person (defined in paragraph (f) of this section) must be provided relocation assistance at the levels described in, and in accordance with the requirements of, the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA) (42 U.S.C. 4601-4655) and implementing regulations at 49 CFR part 24.

(c) *Real property acquisition requirements.* The acquisition of real property for a project is subject to the URA and the requirements described in 49 CFR part 24, subpart B.

(d) *Appeals.* A person who disagrees with the grantee's or project sponsor's determination concerning whether the person qualifies as a "displaced person," or the amount of relocation assistance for which the person is eligible, may file a written appeal of that determination with the grantee. A low-income person who is dissatisfied with the grantee's determination on his or her appeal may submit a written request for review of that determination to the HUD Field Office.

(e) *Responsibility of grantee.* (1) Each grantee shall certify (i.e., provide assurance of compliance as required by 49 CFR part 24) that it will comply with the URA, the regulations at 49 CFR part 24, and the requirements of this section, and shall ensure such compliance notwithstanding any third party's contractual obligation to the grantee to comply with these provisions.

(2) The cost of required relocation assistance is an eligible project cost in the same manner and to the same extent as other project costs. Such costs also may be paid for with funds available from other sources.

(3) The grantee shall maintain records in sufficient detail to demonstrate compliance with these provisions.

(f) *Definition of displaced person.* (1) For purposes of this section, the term "displaced person" means a person (family, individual, business, nonprofit organization, or farm) that moves from real property, or moves personal property from real property, permanently, as a direct result of acquisition, rehabilitation, or demolition for a project assisted under this part. This includes any permanent, involuntary move for an assisted project including any permanent move for an assisted project, including any permanent move from the real property that is made:

(i) After notice by the grantee, project sponsor, or property owner to move permanently from the property, if the move occurs on or after the date that the grantee submits to HUD an application for assistance that is later approved and funded;

(ii) Before the submission of the application to HUD, if the grantee, project sponsor, or HUD determines that the displacement resulted directly from acquisition, rehabilitation, or demolition for the assisted project; or

(iii) By a tenant-occupant of a dwelling unit, if any one of the following three situations occurs:

(A) The tenant moves after the "initiation of negotiations" and the move occurs before the tenant has been provided written notice offering him or her the opportunity to lease and occupy a suitable, decent, safe and sanitary dwelling in the same building/complex, under reasonable terms and conditions, upon completion of the project. Such reasonable terms and conditions include a monthly rent and estimated average monthly utility costs that do not exceed the greater of:

(1) The tenant's monthly rent before the initiation of negotiations and estimated average utility costs, or

(2) 30 percent of gross household income; or

§ 574.635

(B) The tenant is required to relocate temporarily, does not return to the building/complex and either:

(1) The tenant is not offered payment for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, or

(2) Other conditions of the temporary relocation are not reasonable; or

(C) The tenant is required to move to another unit in the same building/complex but is not offered reimbursement for all reasonable out-of-pocket expenses incurred in connection with the move, or other conditions of the move are not reasonable.

(2) Notwithstanding the provisions of paragraph (f)(1) of this section, a person does not qualify as a "displaced person" (and is not eligible for relocation assistance under the URA or this section), if:

(i) The person has been evicted for serious or repeated violation of the terms and conditions of the lease or occupancy agreement, violation or applicable Federal, State or local law, or other good cause, and HUD determines that the eviction was not undertaken for the purposes of evading the obligation to provide relocation assistance;

(ii) The person moved into the property after the submission of the application and, before signing a lease and commencing occupancy, was provided written notice of the project, its possible impact on the person (e.g., the person may be displaced, temporarily relocated, or suffer a rent increase) and the fact that the person would not qualify as a "displaced person" (or for any assistance provided under this section), if the project is approved;

(iii) The person is ineligible under 49 CFR 24.2(g)(2); or

(iv) HUD determines that the person was not displaced as a direct result of acquisition, rehabilitation, or demolition for the project.

(3) The grantee or project sponsor may request, at any time, HUD's determination of whether a displacement is or would be covered under this section.

(g) *Definition of initiation of negotiations.* For purposes of determining the formula for computing the replacement housing assistance to be provided to a residential tenant displaced as a direct result of privately undertaken rehabili-

tation, demolition, or acquisition of the real property, the term "initiation of negotiations" means the execution of the agreement between the grantee and the project sponsor.

(a)(1) The community in which the area is situated is participating in the National Flood Insurance Program and the regulations thereunder (44 CFR parts 59 through 79); or

(2) Less than a year has passed since FEMA notification regarding such hazards; and

(b) The grantee will ensure that flood insurance on the structure is obtained in compliance with section 102(a) of the Flood Disaster Protection Act of 1973 (42 U.S.C. 4001 et seq.).

§ 574.645 Coastal barriers.

In accordance with the Coastal Barrier Resources Act, 16 U.S.C. 3501, no financial assistance under this part may be made available within the Coastal Barrier Resources System.

§ 574.650 Audit.

The financial management system used by a State or unit of general local government that is a grantee must provide for audits in accordance with 24 CFR part 44. A nonprofit organization that is a grantee or a project sponsor is subject to the audit requirements set forth in 24 CFR part 45.

§ 574.655 Wage rates.

The provisions of the Davis-Bacon Act (40 U.S.C. 276a-276a-5) do not apply

to this program, except where funds received under this part are combined with funds from other Federal programs that are subject to the Act.

Subpart A—General Provisions

§ 576.1 Applicability and purpose.

This part implements the Emergency Solutions Grants (ESG) program authorized by subtitle B of title IV of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11371–11378). The program authorizes the Department of Housing and Urban Development (HUD) to make grants to States, units of general purpose local government, and territories for the rehabilitation or conversion of buildings for use as emergency shelter for the homeless, for the payment of certain expenses related to operating emergency shelters, for essential services related to emergency shelters and street outreach for the homeless, and for homelessness prevention and rapid re-housing assistance.

§ 576.2 Definitions.

At risk of homelessness means: (1) An individual or family who:

(i) Has an annual income below 30 percent of median family income for the area, as determined by HUD;

(ii) Does not have sufficient resources or support networks, *e.g.*, family, friends, faith-based or other social networks, immediately available to prevent them from moving to an emergency shelter or another place described in paragraph (1) of the “homeless” definition in this section; and

(iii) Meets one of the following conditions:

(A) Has moved because of economic reasons two or more times during the 60 days immediately preceding the application for homelessness prevention assistance;

Housing Opportunities for Persons with AIDS (HOPWA)

Guidelines for Eligibility

Introduction: This Housing Opportunities for Persons with AIDS (HOPWA) program is designed for the prevention of homelessness, not the maintenance of an individual's lifestyle. The Housing Committee of the Riverside/San Bernardino, California eligible metropolitan area (EMA) has determined that limits must be put in place to not only help clients prevent themselves from becoming homeless but for the integrity of the program itself. There is no requirement that individuals make recommended changes. However, if changes are not made, ongoing assistance cannot be approved. Resources must be directed to those in greatest need.

Goal: The goal of this policy is to prevent homelessness among persons living with HIV/AIDS.

Objectives:

1. To assist HOPWA clients in maintaining safe, sanitary and affordable housing; including the maintenance of utility service.
2. To promote sound financial planning for HOPWA clients.
3. To foster self-sufficiency and independence among HOPWA clients.
4. To ensure that HOPWA funds are utilized only for financial hardships that could lead to homelessness or displacement.
5. To increase stability among HOPWA clients designed to promote adherence to medical regimens.

Definitions:

Person Living with HIV/AIDS – Any person with proof (laboratory test result or a letter from a licensed physician) indicating that individual has serologic evidence of infection with the human immunodeficiency virus (HIV) or has been diagnosed with the acquired immunodeficiency syndrome (AIDS).

Family – A household composed of two or more related persons. The term family also includes one or more eligible person living with another person or persons who are determined to be important to their care or well being, and the surviving member or members of any family described in this definition who were living in a unit assisted under the HOPWA program with the person with HIV/AIDS at the time of his or her death.

Low Income – Household income levels are established on an annual basis by the United States Department of Housing and Urban Development (HUD). Income Limits are as follows:

2. The housing case manager will make an initial assessment of client eligibility and need for emergency housing assistance, short-term housing and utilities assistance, or tenant-based assistance. The intent is to establish an accurate account of the client's finances and financial plan.

Verification of income can be met as outlined below:

For Households Receiving Income: Each person in the household must provide a copy of income covering four (4) consecutive weeks prior to the date of the application. Only certified caregivers are exempt from this requirement.

The following may be used as proof of income:

- a. Most recent check stubs or pay slips.

OR

- b. A copy of the previous year's income tax return.

OR

- c. Letter from employer on business letterhead stating monthly earnings.

OR

- d. A copy of current award letter from Social Security, Social Security Disability or Long-term Disability. Bank statements will be accepted only if the source of income is clearly identified in the document itself.

For Households Not Receiving Income: Each person in a household with no income must provide one or more of the following:

- If unable to work due to disability, a copy of disability application submitted.

OR

- A copy of "pending" letter from Social Security

OR

- A letter from a licensed physician stating the nature of the disability which has resulted in an inability to work and the expected length of time (including dates) that the person will be unable to work.

AND

- A copy of the most recent income tax return.
3. If the client is determined to be delinquent in filing income tax returns, an immediate referral is to be made to legal services. Low cost legal services are available through Inland County Legal Services (888) 245-4257 in Riverside or (800) 226-4257 in Indio.
 4. Client may be required to sign an agreement allowing the housing case manager to request a credit report from "Tenant Credit Reporting", "Consumer Credit Line" or a comparable agency. The credit report will be maintained on file by the case manager.
 5. Client will be required to provide documentation of other assets including automobiles, properties owned (other than primary residence); and investment and retirement accounts.
 6. Utilizing the information collected, the housing case manager will complete a financial fact sheet showing all income for the applicant.
 7. The housing case manager will then determine qualification for funds and the need for funds. Major considerations will include:

Qualification for Funds

- Annual household income does not exceed the figure established by HUD.
- Other assets shall not exceed identified county-wide norms for persons living with HIV/AIDS (i.e., Medically Indigent Services Program or Medi-Cal eligible, one automobile, one primary residence). No secondary residences, rental/income properties, including timeshares, or vacation clubs are allowed.
- Demonstration (i.e. copies of income tax returns, credit report, automobile registration) that the client has provided accurate and complete information. Evidence of misrepresentation or fraud will result in a denial of the request for assistance.

Need for Funds

- Potential for becoming homeless, including the maintenance of utility service.
- Demonstration that the reason(s) for requiring assistance was/were beyond the client's control. It is recognized that this is highly subjective and therefore, must be documented in client record.

The housing case manager must consider the total clinical picture of the client before deciding if the client needs funds (i.e., active substance abuse, mental health issues, or compulsive gambling). For purposes of determining eligibility, spending beyond or in lieu of basic necessities such as food, rent/mortgage, utilities and clothing does not demonstrate sound financial planning. The housing case manager must have clear, complete documentation, including referrals to supportive services before the request can be approved.

8. Applicants who are in the Housing Options Program, Section 8, Shelter Plus Care, other subsidized living programs or residing in properties owned by or subsidized in any other manner are ineligible for assistance funds under HOPWA.

9. Move-in costs such as first month's rent and security deposits are allowable under supportive services assistance. To be eligible for assistance, the client must be a tenant on a valid lease for the property in which they will be residing or have been residing for a time before seeking the HOPWA assistance.

10. Application for rental housing (credit checks) fees is an allowable expense under the supportive services assistance.

11. The maximum duration of short-term housing and utilities assistance is 21 weeks in any 52 week period. The total amount of assistance in that 12-month period shall not exceed \$2,600.00.

Ongoing Assessment

Each request for assistance is to be evaluated on its own merit. At the time of each request, complete documentation of the need for funds must be provided. In addition to the documentation required for contract compliance, the client must provide the following:

- Proof of income
- Copies of receipts for all bills paid or canceled checks, if applicable, or any other documentation that verifies that income was spent for living expenses, (i.e., rent, utilities, food, medical expenses, transportation, etc.)

The housing case manager will make an assessment of the appropriateness of expenditures beyond the necessities of daily living (i.e., rent, mortgage, food and clothing). This decision can be based upon multiple factors including whether the expense was necessary, whether the expense was a one-time problem, a chronic situation or an unavoidable emergency.

If the client cannot provide clear documentation with the aforementioned statements of living expenses, the request is to be denied unless the client agrees to seek financial counseling within four weeks. Credit counseling is available through Springboard Nonprofit Consumer Credit Management at (800) 431-8157. Verification of participation in credit counseling and a financial plan must be provided to the housing case manager.

Should the housing case manager question a client's capacity to live within the financial plan, he/she may request that the client re-visit a credit counselor within four weeks. Should the client refuse to do so, the request for assistance is to be denied.

After 16 of the 21 allowable weeks of either rent/mortgage or utility assistance is provided in a 52 week period, the housing case manager will review the financial plan to evaluate why the client cannot live within the plan. The housing case manager will require that the client take action to live within a reasonable financial plan before issuing any further funds. This could include such actions as: recommending that the client seek legal counsel to determine if a declaration of bankruptcy is appropriate; move to more affordable housing; enter a drug counseling and treatment program; cancel some or all credit cards; discontinue some services (i.e., cell phones, cable television [unless that is the only source for television reception], pager, magazine subscriptions, expensive car payments). If the client refuses to make the changes, the housing case manager will deny the request for assistance.

Exceptions to these policies and procedures require prior written approval from the Project Sponsor.
