S.A.F.E services are limited to Sexual Assault Forensic Examinations only. The examination shall consist of the following:

- Interview
- Victim and/or suspect examination
- Evidence collection kit
- Photo documentation
- Sexually Transmitted Disease (STD) swab/culture
- STD prophylaxis

The victim examination shall be documented on the Exhibit A-1, CALEMA 2-923, Adult/Adolescent Sexual Assault Examination Form.

If a complete examination is refused, upon arrival by victim, an interview shall be conducted, minimal evidence shall be collected and a follow-up examination shall be scheduled.

If deemed necessary to administer medication at the time of the evaluation, Provider may give those doses indicated as STAT. Provider shall prescribe only those medications which are on CDCR's formulary, to be verified by contacting the Chief Medical Officer (CMO)/Chief Executive Officer (CEO). The CMO/CEO may grant prior authorization for alternate medication.

Forensic exams will generally be conducted during normal business hours, preferably within twelve (12) hours of the incident. The Riverside County Medical Center Sexual Assault Response Team (S.A.R.T) will respond 24 hours a day, seven days a week to perform the forensic medical examinations upon request from the Institution/Facility.

Written results of blood tests or cultures by S.A.F.E, for each victim, shall be forwarded within three (3) weeks of the examination to the Chief Medical Officer at the Institution/Facility. The results shall be forwarded in an envelope marked "Confidential", at the Institution/Facility address specified in Exhibit E, List of Participating Institutions.

Evidence collected by S.A.R.T shall be appropriately secured, labeled "Attention: Evidence Officer," marked "Confidential" and then provided to the Institution/Facility's Transporting/Escorting Officer to preserve the trail of evidence. The Transporting/Escorting Officer shall sign for the evidence and forward the evidence to

the Institution/Facility's Investigation Unit Evidence Officer upon departure from Riverside County Medical Center.

The S.A.R.T shall contact the Institution Watch Commander at the number listed in Exhibit E for questions or problems, 24 hours a day. The S.A.R.T may also contact the Facility Captain at the number listed in Exhibit E, Monday through Friday during normal business hours for questions or problems. The S.A.R.T may contact the Chief Medical Officer during normal business hours at the number listed Exhibit E, for other problems or questions. California Department of Corrections and Rehabilitation's (CDCR's) security and medical staff shall maintain control over the appropriateness and length of time an inmate is to remain outside of the institution.

## **2. CDCR Responsibilities**

The time of evaluation shall be scheduled with the S.A.R.T coordinator at the time of referral, by the Institution. The Institution/Facility will arrange for transportation of the victim to the examination location. The Institution is to provide the following information:

- 1) Badge/Identification number, first and last name of the scheduling officer/staff person.
- 2) Incident or case number associated with the sexual assault.
- 3) Name, address and phone number of the scheduling Institution.
- 4) Inmate name, date of birth, age and sex.
- 5) Date and Time of the sexual assault.

Upon arrival at the Riverside County Medical Center, the transporting officer will provide the S.A.R.T with a listing of the following for the inmate to be examined:

- 1) Known allergies and reactions, if possible.
- 2) Medical and/or psychological diagnosis
- 3) Current medications being taken by the inmate.

## **3. Professional Licenses/Registrations/Certification Requirements**

- A. Provider and any of provider's subcontractors shall possess and maintain throughout the term of this contract a current California Department of Health Services Laboratory Field Services (LFS) license and a current U.S. Department of Health & Human Services, Clinical Laboratory Improvements Amendments (CLIA) certificate. If, at any time during the period of this contract, the Provider receives notification that their licenses, registrations or certifications are being suspended, are suspended, or may potentially be suspended, Provider must

immediately notify the Institution's Chief Medical Officer / Chief Executive Officer (CMO/CEO) immediately.

- B. Provider agrees that its medical and professional staff's licenses, certifications and/or registrations shall be valid at all times and verified by the California Medical Board, the Oregon Board of Medical Examiners, Board of Registered Nurses or Nevada Board of Medical Examiners, as appropriate, and the National Practitioner Data Bank to ensure that no licensing, certification and/or registration restrictions exist.
- C. In the event the required licenses and/or certifications are to expire, Provider shall provide current/renewed license/certification(s) to CDCR not less than thirty (30) calendar days prior to their expiration. If, during the course of this Agreement, any of the licenses and requirements as stated herein are found to be inactive or not in compliance, CDCR may immediately terminate this Agreement.
- D. Copies of the current Board of Registered Nurses license/registration are required for all nurses providing services under this Agreement and shall be submitted to the HCM/CMO or designee at the applicable institution(s) prior to providing services, and annually thereafter.

4. **Provider Responsibilities**

A. **Prior Authorization**

Provider acknowledges that without CDCR's prior authorization, CDCR is not obligated to provide or pay for health care services or treatments beyond those which are essential to prevent death, permanent or severe disability. If health care service or treatment is non-essential or could safely be deferred until the inmate is released from custody when he is able to arrange for services himself, then CDCR shall defer services. Prior authorization must be obtained and documented in the inmate's health record for those excluded health care services or treatments listed in CDCR's Medical Standards of Care for Inmates.

B. **Prior Authorization for Treatment**

Provider agrees that, excluding emergency care services, prior authorization must be obtained in writing from the respective CDCR institution's Chief Medical Officer or his/her designated representative, in accordance with CDCR's Utilization Management Plan, and must be documented in the inmate's/patient's medical record in all cases of essential services before considering any non-emergency treatment, or any inpatient/outpatient consultations by specialty physicians or diagnostic procedures not prior authorized. Payment shall be denied if CDCR determines that inpatient/outpatient procedures performed were not medically necessary, inappropriately delivered, or did not have prior authorization.

**C. Prior Authorization for Transportation/Transfers**

Provider agrees that CDCR retains full authority to determine the manner in which an inmate/patient is transported to the CDCR institution or transferred to other health care facilities, after the course of treatment or therapy has been implemented or completed.

Provider shall not transfer an inmate/patient to any facility or provider without prior written authorization from the appropriate CDCR institution Chief Medical Officer or his/her designated representative.

**D. Experimental and Investigational Drugs and Procedures**

Provider shall not perform on or administer to any inmate/patient any experimental or investigational treatment, therapy, procedure or drug. Such treatment, unless it is related to specific California legislative provisions, is prohibited under Penal Code, Section 3502, and thus, must be prior authorized. Provider agrees to perform or administer only those medical services, which are recognized as being in accordance with generally accepted professional medical standards, or as being safe and effective for use in treatment of an illness, injury or condition at issue.

**5. Quality Assurance**

Provider agrees to allow CDCR to inspect Provider's operations to ensure compliance with the terms of this contract as well as compliance with State and Federal license and certification laws, regulations, and procedures. These inspections shall occur no more than two (2) times in any twelve (12) consecutive months. Provider shall be given twenty-four (24) hour notice of CDCR's intent to inspect Provider's operation. All inspections will be performed during normal business hours.

If negative findings are disclosed by CDCR, Provider shall have thirty (30) calendar days from the date of CDCR notification to develop a corrective action plan approved by the CMO and Department of Correctional Health Care Services (DCHCS). Failure to develop, implement, or comply with the corrective action plan may result in the cancellation of the contract.

**6. Exclusions and Limitations**

Provider agrees that no health care services or treatment shall be provided for those conditions specifically listed on CDCR's **Medical Standard of Care Policy (CCR, Title 15, Article 8, Section 3350.1)**. A list of exclusions will be provided by the Chief Medical Officer on request. Provider agrees that any non-essential or excluded health care services or treatments not previously approved and not deemed medically necessary shall not be conducted at CDCR's expense.

7. **Court Room Testimony**

When necessary, the Provider shall provide courtroom testimony regarding the chain of custody and preservation/storage of any sexual assault forensic evidence collected at no additional cost to the State. In the event the evidence is destroyed for any reason, the Provider shall provide documentation and possible courtroom testimony regarding the destruction of the sexual assault forensic evidence at no additional cost to the State.

**2. Budget Contingency Clause**

- a. It is mutually agreed that if the California State Budget Act for the current fiscal year and/or any subsequent fiscal years covered under this Agreement does not appropriate sufficient funds for the program, this Agreement shall be of no further force and effect. In this event, the State shall have no liability to pay any funds whatsoever to Contractor, or to furnish any other considerations under this Agreement, and Contractor shall not be obligated to perform any provisions of this Agreement.

The Contractor agrees to be as fully responsible to the State for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the Contractor. The Contractor's obligation to pay its subcontractors is an independent obligation from the State's obligation to make payments to the Contractor. As a result, the State shall have no obligation to pay or to enforce the payment of any moneys to any subcontractor.

5. **City/County Rate Increase**

It is understood that the city/county may regulate some or all of the Contractor's rates for services. In the event the city/county increases the rates that directly affect the services provided in this Agreement, the Contractor may, once during the term of the Agreement, request from the State an increase in the rates stated in this Agreement. The Contractor must submit a written request to the State with a copy of the resolution from the city/county listing the prior rates and new rates and effective date of the new rates.

### **1. Contract Disputes with Public Entities** (Supersedes provision number 6, Disputes, of Exhibit C)

As a condition precedent to Contractor's right to institute and pursue litigation or other legally available dispute resolution process, if any, Contractor agrees that all disputes and/or claims of Contractor arising under or related to the Agreement shall be resolved pursuant to the following processes. Contractor's failure to comply with said dispute resolution procedures shall constitute a failure to exhaust administrative remedies.

Pending the final resolution of any such disputes and/or claims, Contractor agrees to diligently proceed with the performance of the Agreement, including the delivering of goods or providing of services. Contractor's failure to diligently proceed shall constitute a material breach of the Agreement.

The Agreement shall be interpreted, administered, and enforced according to the laws of the State of California. The parties agree that any suit brought hereunder shall have venue in Sacramento, California, the parties hereby waiving any claim or defense that such venue is not convenient or proper.

A county, city, district or other local public body, state board or state commission, another state or federal agency, or joint-powers authority shall resolve a dispute with CDCR, if any, through a meeting of representatives from the entities affected. If the dispute cannot be resolved to the satisfaction of the parties, each entity may thereafter pursue its right to institute litigation or other dispute resolution process, if any, available under the laws of the State of California.

### **2. Confidentiality of Information**

CDCR and Provider agree that all inmate/patient health information is identified as confidential and shall be held in trust and confidence and shall be used only for the purposes contemplated under this Agreement.

Provider by acceptance of this Agreement is subject to all of the requirements of the federal regulations implementing the Health Insurance Portability and Accountability Act of 1996 (Code of Federal Regulations (CFR), Title 45, Sections 164.501 et seq.); the California Government Code Section 11019.9; California Civil Code Sections 56 et seq.; and California Civil Code Sections 1798, et seq.; regarding the collections, maintenance, and disclosure of personal and confidential information about individuals. Attached as Exhibit "G" and incorporated herein is a Business Associate Agreement which memorializes the parties' duties and obligations with respect to the protection, use, and disclosure of protected health information.

### **3. Confidentiality of Data**

All financial, statistical, personal, technical and other data and information relating to State's operation, which are designated confidential by the State and made available to carry out this Agreement, or which become available to the Contractor in order to carry out this

Agreement, shall be protected by the Contractor from unauthorized use and disclosure.

If the methods and procedures employed by the Contractor for the protection of the Contractor's data and information are deemed by the State to be adequate for the protection of the State's confidential information, such methods and procedures may be used with the written consent of the State. The Contractor shall not be required under the provisions of this paragraph to keep confidential any data already rightfully in the Contractor's possession that is independently developed by the Contractor outside the scope of the Agreement or is rightfully obtained from third parties.

No reports, information, inventions, improvements, discoveries, or data obtained, repaired, assembled, or developed by the Contractor pursuant to this Agreement shall be released, published, or made available to any person (except to the State) without prior written approval from the State.

Contractor by acceptance of this Agreement is subject to all of the requirements of California Government Code Section 11019.9 and California Civil Code Sections 1798, et seq., regarding the collection, maintenance, and disclosure of personal and confidential information about individuals.

#### 4. Accounting Principles

The Contractor will adhere to generally accepted accounting principles as outlined by the American Institute of Certified Public Accountants. Dual compensation is not allowed; a contractor cannot receive simultaneous compensation from two or more funding sources for the same services performed even though both funding sources could benefit.

#### 5. Taxes

Unless required by law, the State of California is exempt from federal excise taxes.

#### 6. Right to Terminate (Supersedes provision number 7, Termination for Cause, of Exhibit C)

The parties hereto agree that either party may cancel this Agreement by giving the other party written notice thirty (30) days in advance of the effective date of such cancellation. In the event of such termination, the State agrees to pay Contractor for actual services rendered up to and including the date of termination.

The State may terminate this Agreement and be relieved of any payments should the Contractor fail to perform the requirements of this Agreement at the time and in the manner herein provided. In the event of such termination the State may proceed with the work in any manner deemed proper by the State. All costs to the State shall be deducted from any sum due the Contractor under this Agreement and the balance, if any, shall be paid to the Contractor upon demand.

#### 7. Contract Suspension

Notwithstanding any other provisions of this Agreement, pursuant to a Governor's Executive Order or equivalent directive, such as a court order or an order from a federal or state regulatory agency, mandating the suspension of state contracts, the State may issue a Suspension of Work Notice. The Notice shall identify the specific Executive Order or

directive and the Agreement number(s) subject to suspension. Unless specifically stated otherwise, all performance under the Agreement(s) must stop immediately upon receipt of the Notice. During the period of contract suspension, Contractor is not entitled to any payment for the suspended work. Once the order suspending state contracts has been lifted, a formal letter from the Department will be issued to the Contractor to resume work.

#### **8. Extension of Term**

If it is determined to be in the best interest of the State, upon agreement, the State may extend this contract, with no increase in service cost, for a period of one (1) year or less.

#### **9. Contractor Employee Misconduct**

During the performance of this Agreement, it shall be the responsibility of the Contractor whenever there is an incident of use of force or allegation(s) of employee misconduct associated with and directly impacting inmate and/or parolee rights, to immediately notify the CDCR of the incident(s), to cause an investigation to be conducted, and to provide CDCR with all relevant information pertaining to the incident(s). All relevant information includes, but is not limited to: a) investigative reports; b) access to inmates/parolees and the associated staff; c) access to employee personnel records; d) that information reasonably necessary to assure CDCR that inmates and/or parolees are not or have not been deprived of any legal rights as required by law, regulation, policy and procedures; and e) written evidence that the Contractor has taken such remedial action, in the event of unnecessary or excessive force, or employee misconduct with inmates and/or parolees, as will assure against a repetition of incident(s) or retaliation. To the extent that the information provided by the Contractor fails to so assure CDCR, CDCR may require that any implicated Contractor staff be denied access to and the supervision of CDCR inmates and/or parolees at the facility and access to inmate and/or parolee records. Notwithstanding the foregoing, and without waiving any obligation of the Contractor, CDCR retains the power to conduct an independent investigation of any incident(s). Furthermore, it is the responsibility of the Contractor to include the foregoing terms within any and all subcontracts, requiring that subcontractor(s) agree to the jurisdiction of CDCR to conduct an investigation of their facility and staff, including review of subcontractor employee personnel records, as a condition of the Agreement.

#### **10. Subcontracting**

Services provided are to be performed primarily with the staff of the public entity or, in the case of educational institutions, auxiliaries or foundations, by the faculty, staff or students associated with the particular institution. Agreements are not to be used by state agencies to circumvent the competitive bidding requirements of Public Contract Code Section 10340.

If more than twenty-five (25) percent of the total contract amount or \$50,000.00, whichever is less, is subcontracted, non-competitive bid approval must be obtained from the Secretary of CDCR and the Department of General Services prior to the commencement of services, unless the subcontract was competitively bid or the subcontractor(s) also qualifies as a state agency, governmental agency, or joint power.

#### **11. Subcontractor/Consultant Information**

Contractor is required to identify all subcontractors and consultants who will perform labor or

render services in the performance of this Agreement. Additionally, the Contractor shall notify the Department of Corrections and Rehabilitation, Office of Business Services, in writing, within ten (10) working days, of any changes to the subcontractor and/or consultant information.

**12. Liability for Nonconforming Work**

The Contractor will be fully responsible for ensuring that the completed work conforms to the agreed upon terms. If nonconformity is discovered prior to the Contractor's deadline, the Contractor will be given a reasonable opportunity to cure the nonconformity. If the nonconformity is discovered after the deadline for the completion of the project, CDCR, in its sole discretion, may use any reasonable means to cure the nonconformity. The Contractor shall be responsible for reimbursing CDCR for any additional expenses incurred to cure such defects.

**13. Temporary Nonperformance**

If, because of mechanical failure or for any other reason, the Contractor shall be temporarily unable to perform the work as required, the State, during the period of the Contractor's inability to perform, reserves the right to accomplish the work by other means and shall be reimbursed by the Contractor for any additional costs above the Agreement price.

**14. Contract Violations**

The Contractor acknowledges that any violation of Chapter 2, or any other chaptered provision of the Public Contract Code (PCC), is subject to the remedies and penalties contained in PCC Sections 10420 through 10425.

**15. Employment of Ex-Offenders**

Contractor cannot and will not either directly, or on a subcontract basis, employ in connection with this Agreement:

- a. Ex-Offenders on active parole or probation, who have been on active parole or probation during the last three years preceding their employment;
  1. Contractor shall only employ ex-offenders who can provide written evidence of having satisfactorily completed parole or probation, and who have remained off parole or probation, and have had no arrests or convictions within the past three years.
- b. Ex-offenders convicted of drug trafficking in a prison/jail; escape or aiding/abetting escape; battery on a Peace Officer or Public Official; arson offenses; or, any violations of Penal Code Sections 4570-4574 (unauthorized Communications with Prisons and Prisoners Offenses).
- c. Ex-Offenders are required to register as a sex offender pursuant to Penal Code Section 290.
- d. Any ex-offender who has an offense history involving a "violent felony" as defined in subparagraph (c) of Penal Code Section 667.5; or

- e. Any ex-offender in a position which provides direct supervision of parolees.

An ex-offender whose assigned duties involve administrative or policy decision-making, accounting, procurement, cashiering, auditing, or any other business-related administrative function shall be fully bonded to cover any potential loss to the State or contractor. Evidence of such bond shall be supplied to CDCR prior to employment of the ex-offender.

## **16. Conflict of Interest**

The Contractor and their employees shall abide by the provisions of Government Code (GC) Sections 1090, 81000 et seq., 82000 et seq., 87100 et seq., and 87300 et seq., Public Contract Code (PCC) Sections 10335 et seq. and 10410 et seq., California Code of Regulations (CCR), Title 2, Section 18700 et seq. and Title 15, Section 3409, and the Department Operations Manual (DOM) Section 31100 et seq. regarding conflicts of interest.

### **a. Contractors and Their Employees**

Consultant contractors shall file a Statement of Economic Interests, Fair Political Practices Commission (FPPC) Form 700 prior to commencing services under the Agreement, annually during the life of the Agreement, and within thirty (30) days after the expiration of the Agreement. Other service contractors and/or certain of their employees may be required to file a Form 700 if so requested by the CDCR or whenever it appears that a conflict of interest may be at issue. Generally, service contractors (other than consultant contractors required to file as above) and their employees shall be required to file an FPPC Form 700 if one of the following exists:

- (1) The Agreement service has been identified by the CDCR as one where there is a greater likelihood that a conflict of interest may occur;
- (2) The Contractor and/or Contractor's employee(s), pursuant to the Agreement, makes or influences a governmental decision; or
- (3) The Contractor and/or Contractor's employee(s) serves in a staff capacity with the CDCR and in that capacity participates in making a governmental decision or performs the same or substantially all the same duties for the CDCR that would otherwise be performed by an individual holding a position specified in the CDCR's Conflict of Interest Code.

### **b. Current State Employees**

- (1) No officer or employee shall engage in any employment, activity or enterprise from which the officer or employee receives compensation or has a financial interest and which is sponsored or funded by any state agency, unless the employment, activity or enterprise is required as a condition of regular state employment.
- (2) No officer or employee shall contract on his or her own behalf as an independent contractor with any state agency to provide goods or services.
- (3) In addition to the above, CDCR officials and employees shall also avoid actions resulting in or creating an appearance of:
  - (a) Using an official position for private gain;
  - (b) Giving preferential treatment to any particular person;
  - (c) Losing independence or impartiality;
  - (d) Making a decision outside of official channels; and
  - (e) Affecting adversely the confidence of the public or local officials in the integrity of the program.
- (4) Officers and employees of the Department must not solicit, accept or receive, directly

or indirectly, any fee, commission, gratuity or gift from any person or business organization doing or seeking to do business with the State.

**c. Former State Employees**

- (1) For the two year (2-year) period from the date he or she left state employment, no former state officer or employee may enter into an Agreement in which he or she engaged in any of the negotiations, transactions, planning, arrangements or any part of the decision-making process relevant to the Agreement while employed in any capacity by any state agency.
- (2) For the twelve-month (12-month) period from the date he or she left state employment, no former state officer or employee may enter into an Agreement with any state agency if he or she was employed by that state agency in a policy-making position in the same general subject area as the proposed Agreement within the 12-month period prior to his or her leaving state service.

In addition to the above, the Contractor shall avoid any conflict of interest whatsoever with respect to any financial dealings, employment services, or opportunities offered to inmates or parolees. The Contractor shall not itself employ or offer to employ inmates or parolees either directly or indirectly through an affiliated company, person or business unless specifically authorized in writing by CDCR. In addition, the Contractor shall not (either directly, or indirectly through an affiliated company, person or business) engage in financial dealings with inmates or parolees, except to the extent that such financial dealings create no actual or potential conflict of interest, are available on the same terms to the general public, and have been approved in advance in writing by CDCR. For the purposes of this paragraph, "affiliated company, person or business" means any company, business, corporation, nonprofit corporation, partnership, limited partnership, sole proprietorship, or other person or business entity of any kind which has any ownership or control interest whatsoever in the Contractor, or which is wholly or partially owned (more than 5% ownership) or controlled (any percentage) by the Contractor or by the Contractor's owners, officers, principals, directors and/or shareholders, either directly or indirectly. "Affiliated companies, persons or businesses" include, but are not limited to, subsidiary, parent, or sister companies or corporations, and any company, corporation, nonprofit corporation, partnership, limited partnership, sole proprietorship, or other person or business entity of any kind that is wholly or partially owned or controlled, either directly or indirectly, by the Contractor or by the Contractor's owners, officers, principals, directors and/or shareholders.

The Contractor shall have a continuing duty to disclose to the State, in writing, all interests and activities that create an actual or potential conflict of interest in performance of the Agreement.

This includes any changes in business form, such as a change from sole proprietorship or partnership into a corporation or vice-versa; any changes in company ownership; any dissolution of the business; any change of the name of the business; any filing in bankruptcy; any revocation of corporate status by the Secretary of State; and any other material changes in the Contractor's business status or structure that could affect the performance of the Contractor's duties under the Agreement.

If the Contractor violates any provision of the above paragraphs, such action by the Contractor shall render this Agreement void.

Members of boards and commissions are exempt from this section if they do not receive payment other than payment for each meeting of the board or commission, payment for preparatory time and payment for per diem.

**17. Travel**

Contractor's rates shall include all travel expenses required to perform services in accordance with this contract.

**18. Notification of Personnel Changes**

Contractor must notify the State, in writing, of any changes of those personnel allowed access to State premises for the purpose of providing services under this Agreement. In addition, Contractor must recover and return any State-issued identification card provided to Contractor's employee(s) upon their departure or termination.

**19. Security Clearance/Fingerprinting**

The State reserves the right to conduct fingerprinting and/or security clearance—through the Department of Justice, Bureau of Criminal Identification and Information (BCII)—prior to award and at any time during the term of the Agreement, in order to permit Contractor (and/or Contractor employee) access to State premises. The State further reserves the right to terminate the Agreement should a threat to security be determined.

**20. Computer Software**

**21. Expendable Equipment**

Expendable equipment is defined as expendable items which change with use and have a unit acquisition cost of less than \$5,000 per unit (i.e. fax machines, computers, printers, etc.). Title to any expendable equipment purchased or built with State funds as part of this agreement will vest in the State. The Contractor must retain a listing of expendable equipment purchases that are considered "theft-sensitive" items, such as cameras, calculators, two-way radios, computer equipment, etc., for audit purposes. Upon completion or termination of the agreement, Contractors are required to leave all expendable equipment for use by subsequent contractors or for the State to dispose of accordingly. The State may authorize the continued use of such equipment for work to be performed under a different agreement.

The cost of expendable equipment purchased should be comparable to the prevailing price for similar items in the surrounding area.

**22. Electronic Waste Recycling**

The Contractor certifies that it complies with the requirements of the Electronic Waste Recycling Act of 2003, Chapter 8.5, Part 3 of Division 30, commencing with Section 42460

of the Public Resources Code, relating to hazardous and solid waste. Contractor shall maintain documentation and provide reasonable access to its records and documents that evidence compliance.

**23. Liability for Loss and Damages**

Any damages by the Contractor to the State's facility including equipment, furniture, materials or other State property, will be repaired or replaced by the Contractor to the satisfaction of the State at no cost to the State. The State may, at its option, repair any such damage and deduct the cost thereof from any sum due Contractor under this Agreement.

**24. Disclosure**

Neither the State nor any State employee will be liable to the Contractor or its staff for injuries inflicted by inmates or parolees of the State. The State agrees to disclose to the Contractor any statement(s) known made by any inmate or parolee which indicate violence may result in any specific situation, and the same responsibility will be shared by the Contractor in disclosing such statement(s) to the State.

**25. Workers' Compensation**

Contractor hereby represents and warrants that Contractor is currently and shall, for the duration of this agreement, carry workers' compensation insurance, at Contractor's expense, or that it is self-insured through a policy acceptable to CDCR, for all of its employees who will be engaged in the performance of this agreement. Such coverage will be a condition of CDCR's obligation to pay for services provided under this agreement.

Prior to approval of this agreement and before performing any work, Contractor shall furnish to the State evidence of valid workers' compensation coverage. Contractor agrees that the workers' compensation insurance shall be in effect at all times during the term of this agreement. In the event said insurance coverage expires or is canceled at any time during the term of this agreement, Contractor agrees to give at least thirty (30) days prior notice to CDCR before said expiration date or immediate notice of cancellation. Evidence of coverage shall not be for less than the remainder of the term of the agreement or for a period of not less than one year. The State reserves the right to verify the Contractor's evidence of coverage. In the event the Contractor fails to keep workers' compensation insurance coverage in effect at all times, the State reserves the right to terminate this agreement and seek any other remedies afforded by the laws of this State.

Contractor also agrees to indemnify, defend and save harmless the State, its officers, agents and employees from any and all of Contractor's workers' compensation claims and losses by Contractor's officers, agents and employees related to the performance of this agreement.

**26. Mutual Hold Harmless**

Contractor agrees, to the fullest extent permitted by law, to hold harmless, defend and indemnify the State, its officers, agents and employees from and against any liabilities, damages and costs (including reasonable attorneys fees and cost of defense) to the extent caused, during performance of services under this Agreement, by the negligent acts, errors and omissions of the Contractor or anyone for whom Contractor is legally responsible.

The State agrees, to the fullest extent permitted by law and subject to the availability of funds to hold harmless, defend and indemnify the Contractor, its officers, directors, principals and employees, from any liabilities, damages and costs (including reasonable

attorneys fees and cost of defense) to the extent caused by the negligent acts, errors or omissions of the State as allowed by law.

## **27. Insurance Requirements**

Insurance as required herein shall be a condition of the State's obligation to pay for services provided under this Agreement. Prior to approval of this Agreement and before performing any work, Contractor and any subcontractor shall furnish to the State evidence of valid coverage. The following shall be considered evidence of coverage: A certificate of insurance, a "true and certified" copy of the policy, or any other proof of coverage issued by Contractor's insurance carrier. Binders are not acceptable as evidence of coverage. Providing evidence of coverage to the State conveys no rights or privileges to the State, nor does it insure any State employee or insure any premises owned, leased, used by or otherwise or under the control of the State. It does, however, serve to provide the State with proof that the Contractor and any subcontractors are insured at the minimum levels required by the State of California.

Contractor agrees that any liability insurance required in the performance of this Agreement shall be in effect at all times during the term of this Agreement. In the event said insurance coverage expires or is canceled during the term of this Agreement, Contractor shall provide the State within five (5) business days of receipt by contractor a copy of any notice of cancellation or non-renewal of insurance required by the contract. Evidence of coverage required in the performance of this Agreement shall not be for less than the remainder of the term of this Agreement or for a period of not less than one year. The State and the Department of General Services (DGS) reserve the right to verify the Contractor's evidence of coverage; evidence of coverage is subject to the approval of the DGS. In the event the Contractor fails to keep insurance coverage as required herein in effect at all times, the State reserves the right to terminate this Agreement and to seek any other remedies afforded by the laws of the State of California.

Contractor hereby represents and warrants they (and any subcontractors) are currently and shall for the duration of this Agreement be insured. Contractor shall provide proof of self-insurance.

## **28. Tuberculosis (TB) Testing**

Regular basis is defined as having contact with inmates/parolees in confined quarters more than once a week.

Contractors and their employees shall be required to furnish to CDCR, at no cost to CDCR, a form CDCR 7336, "Employee Tuberculin Skin Test (TST) and Evaluation," prior to assuming their contracted duties and annually thereafter, showing that the Contractor and their employees have been examined and found free of TB in an infectious stage. The form CDCR 7336 will be provided by CDCR upon Contractor's request.
