BACKGROUND:

Summary

On May 14, 1991, the Board adopted Resolution 91-265 to collect a one dollar fee added to all private vehicle registrations in the County, pursuant to Vehicle Code Section 9250.14. Per this Code Section, the fee must be earmarked for programs designed to enhance the deterrence, investigation and prosecution of vehicle theft crimes. Based on the recommendation of the Riverside County Law Enforcement Administrators Association, these funds were directed in equal amounts to the Sheriff's Department and the District Attorney. The Sheriff's Department created Trust Fund 5097 (now sub-fund 11013) to account for its share. In September 1993, the Sheriff's Department received Board approval to use the trust funds to create the Riverside Auto-Theft Interdiction Detail (RAID), a multi-jurisdictional task force. RAID interfaces with the California Highway Patrol (CHP), the Department of Insurance, the National Crime Insurance Bureau, and all law enforcement agencies in Riverside County for the sharing of information related to vehicle theft.

The Sheriff's Department is recommending that the Board ratify the RAID task force MOU, extending its original expiration date of December 31, 2013 until December 31, 2017. This MOU has been signed by representatives of the following agencies: the Sheriff's Department, California Highway Patrol (Inland and Border Divisions), Cathedral City, Indio, Murrieta and Riverside Police departments, the State Department of Insurance, Fraud Division and the County District Attorney, Paul Zellerbach.

The RAID task force Executive Committee is comprised of the Riverside County Sheriff, the Inland Division CHP Chief and the Police Chiefs of the Indio, Murrieta and Riverside Police Departments or their designees. The Sheriff or his designee serves as Director and Chair of the committee. Additionally, representatives from the CHP Border Division, the State Department of Insurance and the District Attorney's Office sit on the committee as non-voting members. The Executive Committee administers the Auto Theft Interdiction task force sub fund. As detailed in the financial data on the preceding page, staff estimates that this sub fund will offset approximately 69% of the FY 2014-15 task force expenditures.

The MOU specifies that the task force Coordinator position be staffed by a CHP Lieutenant. The CHP also provides three full time theft Investigators to the task force. This commitment is covered by a State contract that the Board approved on 02/25/14 (3.41). The task force sub fund only reimburses the overtime of the CHP theft investigators.

The sub fund currently reimburses the Sheriff's Department for a Sergeant, who supervises all subordinate members of the task force, an Investigator and a Deputy (all at 80% reimbursement), and an Office Assistant II (75% reimbursement). The Department is also reimbursed up to 12% of expenses for its management time administering the sub fund.

In addition, this MOU specifies a reimbursement of 80% of the salaries and benefits for straight time and full reimbursement up to 200 hours of annual overtime for municipal police investigators assigned to the task force. Currently, the cities of Indio, Murrieta and Riverside assign investigators full time to the task force. Each of the three cities is annually reimbursed in excess of \$100,000 for contributing one investigator to the task force.

This year the Cathedral City Police Department has agreed to provide a full time investigator to the task force. Therefore, the Sheriff's Department is recommending the RAID budget appropriation for professional services be increased by \$150,000. All additional expenditures will be offset by the task force sub fund.

To facilitate the maximum utilization of the RAID task force partners and the prompt full reimbursement for their services, the Sheriff's Department and County Purchasing are again applying their general recommendation (06/05/12 3.51) that the Board exempt the Purchasing Agent from reporting special law enforcement team members as sole source task force partners to the Board, when identified by the RAID task force Executive Committee, and authorize the Purchasing Agent to contract with these partners in amounts approved by the Committee. Further, the Department recommends that this exemption extend to all Sheriff's special law enforcement team committees, wherein the Sheriff is the Director and/or Chair.

Over the four year term of the MOU, staff estimates that RAID expenditures will total \$5,858,400, with an offset of \$4,043,400 drawn from the Auto Theft Interdiction sub fund. Net County cost during the term would total \$1,815,000.

Impact on Citizens and Businesses

The continued existence of the RAID task force is a valuable resource to county law enforcement agencies in their collective efforts to deter vehicle theft, increase the apprehension and identification of the professional vehicle thief, increase the recovery of stolen vehicles, and educate the citizens of Riverside County in vehicle theft prevention.

25

31 this task force, regardless of the status of reimbursement from allocated funds.

1 **IV. FISCAL PROCEDURES**

2
3 **A. Task Force Fund**

4 The task force fund was established pursuant to CVC Section 9250.14, and will be
5 administered by the Executive Committee. Any requests for the expenditure of funds will
6 require the approval of the Executive Committee based on a simple majority vote of
7 approval. The Task Force Coordinator will be authorized to expend an amount approved
8 by the Executive Committee for the operational needs of the task force. Any operational
9 needs of the task force exceeding this amount will require prior approval of the Executive
10 Committee.

11
12 **B. Salaries and Benefits**

13 The Task Force Coordinator, representatives from the National Insurance Crime Bureau,
14 the Department of Insurance, and the California Highway Patrol, will not be reimbursed
15 by task force funds for salary and benefits. The salary and benefits of all remaining task
16 force members will be reimbursed to the participating departments by task force funds in
17 the amount of 80 percent. Those personnel assigned to the Task Force on a reimbursable
18 basis will be paid through the payroll section of their parent agency. Reimbursement, in
19 the amount of 80 percent, will then be provided to the parent agency through task force
20 funds.

21
22 Members assigned to the Task Force whose salaries are reimbursed by task force funds
23 shall be on full-time assignment to the Task Force. Administrative processing costs to
24 determine payroll by participating agencies will not be reimbursed.

1 **C. Participant Claims for Reimbursement**

2 RAID shall reimburse agencies at a fixed rate on a quarterly basis. Participating agencies
3 shall provide the Executive Committee with the personnel costs for salaries and benefits
4 no later than sixty days prior to the start of the fiscal year on a form provided by the
5 Sheriff Department's Office of Accounting and Finance. The approved figure will
6 remain in effect for the entire fiscal year, unless the Board agrees to modify the figures.

7
8 In the unlikely event that revenues fall short of what is required for full reimbursement;
9 reimbursement shall be made on a pro rate share basis. In no event will general revenues
10 of the County be used to offset any such shortage. Reimbursement claims by task force
11 members for reimbursable travel, per diem, lodging, materials, or services shall be the
12 responsibility of the parent agency.

13
14 **D. Right to Audit**

15 Each party to this Agreement shall make available to the County of Riverside at all
16 reasonable times, its payroll and other records relating to this Agreement. The County or
17 independent auditor may audit such records and if the County determines that the
18 ineligible costs have been reimbursed, the agency shall immediately repay the amount
19 determined to be ineligible. If not repaid within 30 days, the County may hold the
20 amount determined to be ineligible from future reimbursements. The parties shall
21 maintain the original copies of the required records for a period of three years after the
22 date the expense is reimbursed.

23
24 The task force funds shall be audited at the direction of the Executive Committee. This
25 audit will normally be conducted by a private firm. The Task Force is responsible for the
26 cost of the audit and will provide for the cost during the budget cycle.

1 **E. Overtime**

2 An overtime bank will be established based upon the actual employer cost of two hundred
3 (200) annual hours per employee. Reimbursement will be at the rate of fifty (50) hours
4 on a quarterly basis, at the established rate for each employee. The Task Force
5 supervisor, with oversight of the coordinator, will control the overtime use. All overtime
6 use will require preapproval and justification. If operational necessity should exceed the
7 two hundred hour bank, each participating agency agrees to absorb the costs for their
8 respective employee. Reimbursement for overtime incurred by CHP participants will be
9 paid pursuant to a separate agreement between CHP and the County of Riverside.

10
11 **F. Special Fund**

12 A special appropriation fund shall be established by the Sheriff's Department to be used
13 for operations of the Task Force. These funds shall only be used as necessary in the
14 performance of duties relating to task force activities. Such usage will be limited to
15 special and extra ordinary expenses incurred during the investigation of vehicle thefts.
16 Authorization to use these funds will be determined by the Task Force Coordinator.

17
18
19 **V. LIABILITY**

20 Each participating agency in the Task Force shall have full financial responsibility for
21 their respective investigators while assigned to the Task Force, including vehicle
22 accidents and industrial injury claims. The agency shall also be responsible for any and
23 all workers' compensation claims of their respective investigator if he/she should become
24 injured in the course and scope of his/her duties while assigned to the Task Force.
25 Riverside County, its officers, agents, and employees shall not be deemed to have
26 assumed any liability for the negligence or other actions of participating agencies or any
27 of its officers or employees; and participating agencies shall hold the County, its officers
28 and employees harmless from any and all claims and damages resulting therefrom.
29 Participating agencies and the County shall hold each other harmless from the liability for
30 acts or omissions of the other. Each party to this Agreement agrees to defend, indemnify,
31 and hold harmless the other parties to this Agreement in regard to any liability imposed

1 on the Agreeing parties due to the acts or omissions of another party's assigned
2 employee(s).

3
4
5 **VI. OPERATION LOCATION**

6 Appropriate space will be provided to house task force members and related equipment
7 by the Sheriff's Department at no cost to the Task Force. The Task Force's main office
8 will be located within the western portion of Riverside County.

9
10 A satellite office will be established in the Indio CHP Area office. Investigators from the
11 local police departments and CHP, Border Division will operate from this office. All
12 costs for this facility will be borne by the CHP.

13
14
15 **VII. EQUIPMENT**

16 The Task Force Coordinator will be accountable for equipment assigned to the Task
17 Force and will utilize approved Riverside County procedures for procuring, accounting
18 and safeguarding fixed assets.

19
20 **A. Vehicles**

21 If the Task Force is unable to provide a vehicle to the assigned member through task force
22 resources, participating agencies agree to provide an unmarked undercover vehicle for
23 their participants on the Task Force. Maintenance of vehicles and fuel will be paid by the
24 participating agency.

1 **B. Communications Equipment**

2 Hand-held radios and cellular telephones will be acquired in cooperation with Riverside
3 County and paid for with task force funds. The coordinator, supervisor, and each
4 investigator will be provided one radio and one cellular telephone. Procedures will be
5 developed to ensure proper use and accountability of this equipment.

6
7 **C. Other Equipment**

8 Other equipment including in-house covert equipment, office equipment, computers,
9 hand tools, cameras, video-cameras, etc., will be purchased with monies from the task
10 force fund and provided to members from the budgeted inventory. Situations requiring
11 air support, unique vehicles, or other unique items will require cooperative scheduling
12 and assistance from the members' department.

13
14 **D. Disbursement of Task Force Assets**

15 At the conclusion of the funding authorized by CVC 9250.14, all assets of this task force
16 will be distributed to the participating agencies by the Executive Committee.

17
18
19 **VIII. UNDERCOVER DOCUMENTS**

20 The use of covert identities to support or enhance undercover operations is essential.
21 This will require that investigators possess undercover California drivers' licenses and
22 other sources of identification. The procurement, utilization, and control of these
23 documents will rest with the participating agency. Investigators will be expected to bring
24 covert documents with them at the time of assignment.

25
26 **IX. ASSET SHARING**

27 Task Force operations which result in the potential for either state or federal asset
28 seizures shall be brought to the attention of the Executive Committee for a decision as to
29 whether or not an application for asset forfeiture sharing will be made pursuant to
30 appropriate state or federal law. Any forfeited funds paid to the Task Force shall be
31 retained by the Task Force for future operational expenses.

1 **X. STANDARD OPERATING PROCEDURES**

2 All Task Force members shall abide by the Standard Operating Procedures Manual (SOP)
3 which shall be prepared by the Task Force Coordinator with the assistance of the Task
4 Force Supervisor. The completed SOP will be subject to the review and approval of the
5 Executive Committee. The SOP shall specify policies and procedures for Task Force
6 operations and shall include the following specific items:

7
8 A. In any case where the policies or procedures of the Task Force conflict with those
9 of the member's parent agency, the member shall abide by the policies of their
10 respective agency. Conflicts not resolved by the supervisor will be referred to the
11 Task Force Coordinator for resolution.

12
13 B. The investigation of officer-involved shootings shall be conducted according to
14 the RCLEAA officer Involved Shooting Protocol. This protocol will, in no event,
15 override the officer involved shooting policy of the involved participant's parent
16 agency. Vehicle accidents will be handled by the agency having jurisdiction at the
17 location in which the incident occurs. Additionally, the Task Force Coordinator
18 will insure that the parent agency of the involved officer has been notified.

19
20 Nothing precludes further investigation or concurrent investigation by an
21 investigators' parent agency. Injured personnel will be taken to the most
22 immediate and competent medical facilities available. The parent agency of the
23 involved team member will be notified of the incident immediately.

24
25 C. Task Force member evaluations and investigations of citizens' complaints or
26 internal investigations shall be handled jointly between the assigned Task Force
27 Supervisor and the parent agency when task force assignment is an issue.
28 Disciplinary actions will be approved solely by the parent agency. Parent agencies
29 will provide the name, rank, and telephone number of a "liaison supervisor" that
30 will assist the Task Force Supervisor with inquiries of mutual concern.

31

1 Internal discipline problems will be addressed by the Task Force Supervisor and
2 documented when necessary. Continued failure to abide by Task Force policies
3 and procedures may result in removal from the Task Force at the recommendation
4 of the Task Force Coordinator with concurrence of the Executive Committee.
5

- 6 D. The release of media information regarding Task Force operations will be
7 coordinated through the Task Force Coordinator. The Task Force Coordinator
8 will apprise the Chairman of the Executive Committee of all incidents which may
9 result in significant media interest. The Executive Committee will determine
10 what course of action will be taken in releasing significant event information.
11
12

13 **XI. REPORTING**

- 14 A. The Task Force Coordinator or his designee will be responsible for implementing
15 a reporting system which tracks team activities, statistics, and accomplishments of
16 Task Force operations. This reporting system will serve as the basis for quarterly
17 reports to the Executive Committee, as well as to ensure an accountability of
18 personnel and equipment resources.
19
20 B. The Task Force Coordinator will submit an operational report to the Executive
21 Committee on a yearly basis during the board meeting of the current calendar
22 year.
23
24 C. An annual report will be provided to the County Board of Supervisors, with
25 copies to each participating city council.
26
27

28 **XII. AMENDMENTS TO THE MOU**

29 The Executive Committee may amend any portion of the MOU by a majority vote of the
30 quorum.

1 **XIII. TERM OF AGREEMENT**

2 This agreement shall commence on *January 1, 2014*, and shall remain in effect until the
3 termination of Task Force Funding on close of business on *December 31, 2017*, as set
4 forth in Vehicle Code Section 9250.14 (AB 286), unless a later enacted statute, which is
5 enacted prior to *January 1, 2018*, deletes or extends that date. Participating agencies may
6 elect to terminate the agreement prior to its designated termination date. Any agency
7 designing to terminate its participation in this agreement shall indicate such intent in
8 writing to the Executive Committee. The termination shall be deemed to take effect not
9 less than thirty days after receipt of the written communication or upon a date established
10 by mutual agreement.
