NOTICE OF EXEMPTION

10/4/14 Date KB Initial

October 7, 2014

Project Name: County of Riverside, Department of Public Social Services Lease, Indio

Project Number: FM042552005800

Project Location: 2055 N. Perris Blvd., Bldgs. B and C, Perris, California 92571; Assessor Parcel Number 320-130-007 (see attached exhibit)

Description of Project: On May 26, 1992, the County of Riverside (County, also Lessee) entered into a lease agreement on behalf of the Department of Public Social Services (DPSS, also Tenant) for the facility located at 2055 N. Perris Blvd., Bldgs. B and C, Perris, California (Leased Premises). This facility has been occupied by DPSS' Self Sufficiency Division which recently relocated to the new DPSS facility located at 201 Redlands Ave., Perris, California. The location of the Leased Premises continues to meet the needs and requirements of the DPSS. Therefore, new 5-year leases have been negotiated with Juhns Rialto Investments, LLC (Lessor) for use by the DPSS' Children's Services Division and the Family Resource Center, upon completion and acceptance of tenant improvements provided by Lessor. The leases will require a number of interior tenant improvements to accommodate the specific needs and requirements of the tenants. The majority the improvements will occur within the interior of the existing facility. The tenant improvements are not anticipated to involve any changes to land use, the existing building, or environment and any additional future tenant improvements would be limited to the interior of the structure. Tenant improvements would include new public lobbies, offices, interview rooms, family rooms, break rooms, utility and storage rooms, a conference room, reception areas, restrooms, new secured parking area, utility upgrades including HVAC, fire system, electrical and plumbing, paint, carpet and other interior upgrades, with minimum exterior improvements. No new development, major exterior construction, or increase in the size of the property is proposed or authorized as part of this lease. The operation of the site will continue to be similar to ongoing uses of the site for commercial purposes and will not result in a substantial new use of the site or an increase in the intensity of the use of the site. While some construction would occur, any construction impacts would be minimal and once operational, no additional direct or indirect physical environmental impacts are anticipated.

Name of Public Agency Approving Project: County of Riverside, Economic Development Agency

Name of Person or Agency Carrying Out Project: County of Riverside, Economic Development Agency

Exempt Status: California Environmental Quality Act (CEQA) Guidelines, Section 15301, Existing Facilities, Class 1 and General Rule Exemption Section 15061

Reasons Why Project is Exempt: The project is exempt from the provisions of CEQA specifically by the State CEQA Guidelines as identified below. The project will not result in any specific or general exceptions to the use of

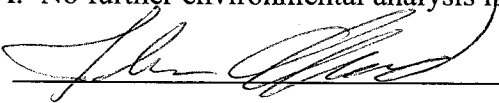

P.O. Box 1180 • Riverside, California • 92502 • T: 951.955.8916 • F: 951.955.6686 www.rivcoeda.org

- Administration, Aviation, Business Intelligence, Cultural Services, Community Services, Custodial, Housing, Housing Authority, Information Technology, Maintenance, Marketing, Economic Development, Edward-Dean Museum, Environmental Planning, Fair & National Date Festival, Foreign Trade, Graffiti Abatement, Parking, Project Management, Purchasing Group, Real Property, Redevelopment Agency, Workforce Development

the categorical exemption as detailed under State CEQA Guidelines Section 15300.2. The project will not cause any impacts to scenic resources, historic resources, or unique sensitive biological environments. Further, no unusual circumstances or potential cumulative impacts would occur that may reasonably create an environmental impact. The new leases for a public resource center and minor interior tenant improvements are not anticipated to result in any significant physical environmental impacts. The existing structures are in an existing developed area, with no vacant or raw land that would be impacted by the project.

- Section 15301 – Class 1 Existing Facilities Exemption. This exemption includes the operation, repair, maintenance, leasing, or minor alteration of existing public or private structures or facilities, provided the exemption only involves negligible or no expansion of the previous site’s use. The project as proposed is the leases and minor physical improvements of an existing public resource center. As previously discussed, the improvements focus on upgrading the interior of the structures for the new tenant with minimal exterior improvements. The addition of secured parking will not result in additional impacts related to traffic, parking, or visual impacts. No substantial construction impacts would occur and once the improvements are complete, the facility will continue to operate in a similar use, capacity, and intensity. The tenant improvements will not increase or expand the use of the site and the improvements themselves are only minor in scale and intensity. Therefore, the project meets the scope and intent of the Class 1 Exemption.
- Section 15061 – General Rule or “Common Sense” Exemption. The State CEQA Guidelines provides this exemption based upon the general rule that CEQA only applies to projects with the potential to cause a significant effect on the environment. With certainty, there is no possibility that the proposed project may have a significant effect on the environment. The leases and minor improvements to an already existing public resource center will not have an effect on the environment. The use and operation of the facility will be substantially similar to the existing uses and will not create any new environmental impacts to the surrounding area. Construction activities will be limited and once operational, no additional impacts beyond the ongoing use of the site are anticipated. The vast majority of the construction will occur within the existing structures. No impacts related to traffic, noise, aesthetics, or air quality would occur. Therefore, in no way would the project as proposed have the potential to cause a significant environmental impact and the project is exempt from further CEQA analysis.

Based upon the identified exemptions above, the County of Riverside, Economic Development Agency hereby concludes that no physical environmental impacts are anticipated to occur and the project as proposed is exempt under CEQA. No further environmental analysis is warranted.

17 "B." If this Lease conflicts with the Leasehold Improvement Agreement, the Leasehold
18 Improvement Agreement shall prevail.

19 **2.6 Condition of Premises.** Lessor shall deliver the Premises to
20 County in a fully clean and safe condition, free of hazards and debris, entirely permitted
21 and inspected by local authorities, on the Commencement Date, and Lessor warrants
22 for the term of this Lease, that all systems and equipment, including, but not limited to,
23 electrical, plumbing, fire sprinkler, fire suppression system, fire/life/safety system,
24 elevators, security systems, lighting, heating, ventilating and air conditioning systems
25 ("HVAC"), loading doors, if any, that serve the Premises and all other such elements in
26 the Premises (herein defined as the "Base Building Systems"), other than those
27 installed or constructed by County, shall be in safe, hazard free, good operating
28

1 condition, and, the roof, bearing walls and foundation of the Premises shall be free of
2 material defect.

3 **3. Use.**

4 **3.1** County shall use and occupy the Premises for the purpose of
5 providing office space but the Premises may be used for any official business of
6 County government or any other legal use which is reasonably comparable thereto.
7 Nothing contained in this Lease shall be construed to require County to occupy the
8 Premises continuously.

9 **4. Term.**

10 **4.1 Commencement.** This Lease shall be effective upon the date of
11 its full execution by the parties hereto. The Term of this Lease shall be for a period of
12 five (5) years ("Original Term") commencing (Commencement Date) on the earlier of
13 (a) the date County staff occupies the Premises, or (b) the date on which County
14 accepts the Premises for occupancy, which shall occur only after Lessor delivers to
15 County a copy of the Certificate of Occupancy executed by the appropriate governing
16 authority, if applicable, and provided that County, in its' sole discretion, is satisfied that
17 all leasehold improvements have been completed in accordance with Exhibit "B" and
18 Exhibit "F," excepting minor punch list items. The Original Term shall expire at
19 midnight on the last day of the sixtieth (60) month term ("Expiration Date").

20 **4.2 Confirmation of Lease Information.** At such time as the
21 Commencement Date of this Lease has been determined, either Party may deliver to
22 the other Party a notice in the form set forth in the attached Exhibit "D." which the
23 receiving Party shall execute, after making any corrections necessary to conform the
24 information to the provisions of this Lease, and return to the forwarding Party within
25 thirty (30) days after receipt. Either Party will use reasonable efforts to deliver the
26 notice to the other Party within thirty (30) days after the Lease Commencement Date.
27 Anything to the contrary notwithstanding, failure to forward or execute said notice shall
28 not invalidate or nullify the provisions of this Lease.

1 **4.3 Delay in Delivery of Premises.** If the Original Term of this Lease
2 has not commenced by 120 days from County's execution of this Lease, County may,
3 at its sole option, either: (a) deduct from any rents that may become due hereunder the
4 sum of \$668.00 for each day the Premises are not substantially complete and available
5 for occupancy as per paragraph 2.6, after said date, as liquidated damages for failure
6 to provide occupancy in a timely manner as prescribed hereunder. Lessor and County
7 agree that such damages are to be one of the mutually exclusive remedies, as
8 prescribed in this Section 4, for such failure, in that at the time of entering into this
9 Lease it would be impractical and extremely difficult to fix the actual damages that
10 would flow from Lessor's failure to provide occupancy in a timely manner, including, but
11 not limited to, the difference in money between the total sum to be paid by County to
12 another party for rent to Lease such party's real property, if the rental hereunder is less
13 than the rental to be paid such other party; or if the Original Term of this Lease has not
14 commenced by 120 days from County's execution of this Lease , or (b) cancel this
15 Lease, and Lessor hereby waives any and all rights that it may have against County for
16 any costs, expenses and/or charges that Lessor may have incurred as a result of
17 preparing the Premises for occupancy.

18 **4.4 Holding Over.** Any holding over by County after the expiration of
19 said term or any extension thereof shall be deemed a month to month tenancy upon
20 the same terms and conditions of this Lease.

21 **5. Rent.** The anniversary dates shall be deemed to fall on the first day of
22 the first full month of each lease year following commencement of the Lease term.

23 **5.1 Rent.** County shall pay the sum of \$20,732.95 per month to
24 Lessor as rent for the Leased Premises, payable, in advance, on the first day of the
25 month or as soon thereafter as a warrant can be issued in the normal course of
26 County's business; provided, however, in the event rent for any period during the term
27 hereof which is for less than one (1) full calendar month said rent shall be pro-rated
28 based upon the actual number of days of said month.

1 **5.2 Percentage Increase.** Notwithstanding the provisions of Section
2 5.1 herein, the monthly rent shall be increased on each anniversary of this Lease by an
3 amount equal to two percent (2%) of such monthly rental.

4 **5.3 Tenant Improvement Reimbursement.** Notwithstanding the
5 provisions of Section 5.1 and 5.2 above, County shall comply with payment schedule
6 provided in Exhibit "B," Section 8 of this Lease upon completion and acceptance of the
7 improvements by County.

8 **6. Options.**

9 **6.1 Option to Extend Term.** Lessor grants to County one option(s) to
10 extend the Lease term ("Extension Option(s)"). The Extension Option shall be for a
11 period of one year ("Extended Term"), subject to the conditions described in this
12 Section 6.1.

13 **6.1.1 Exercise of Option.** The Extension Option(s) shall be
14 exercised by County delivering to Lessor written notice thereof no later than sixty (60)
15 days prior to the expiration of the Original Term or any extension thereof.

16 **6.1.2 Option Rent.** The rent payable by County during any
17 Extended Term shall be the then current rent increased by two (2%) two percent.

18 **6.1.3** All terms and conditions of this Lease with exception of
19 Rent and Lease Term shall remain in full force and effect during the Extended Term.

20 **6.2 Right of First Refusal to Lease Additional Space.** Lessor
21 hereby grants to County a right of first refusal to lease the other premises in the
22 building containing the leased Premises ("Adjacent Premises"), in the event Lessor
23 received a bona fide offer from a third party to lease any portion of the Adjacent
24 Premises, which offer is acceptable to Lessor. Lessor shall promptly notify County in
25 writing of the offer, including the square footage of the portion of the Adjacent Premises
26 proposed to be let and other terms and conditions of the offer. County shall have thirty
27 (30) days within which to notify Lessor in writing whether County agrees to lease the
28 portion of the Adjacent Premises under such offer upon the terms and conditions set

1 forth in such offer. In the event County fails to give written notice of its election to lease
2 the proposed additional space, Lessor shall be free to accept the bona fide offer and
3 lease the Adjacent Premises to the third party. If the third party fails to lease such
4 portion of the Adjacent Premises and the Adjacent Premises (or remaining portion of
5 the Adjacent Premises) remains available; County shall have the same right of first
6 refusal granted herein with regard to any future offer to lease such portion of the
7 Adjacent Premises.

8 **6.3 Right of First Refusal to Extend Lease Term.** At such time as
9 the Original Term and/or Extended Terms have expired, in further consideration of the
10 Rent, Covenants, and Conditions to be paid, performed, and observed by County,
11 Lessor hereby grants to County a right of first refusal to extend the Lease of the
12 Premises. In the event Lessor receives a bona fide offer from a third party to lease the
13 Premises, which offer is acceptable to Lessor, Lessor shall promptly notify County in
14 writing of the offer, including the amount of rent offered and other terms and conditions
15 of the offer. County shall have thirty (30) business days within which to notify Lessor in
16 writing whether County agrees to extend the Lease of the Premises on the same terms
17 and conditions as the third party offer. In the event County elects to extend the Lease
18 of the Premises, the Lease shall be subject to the same terms and conditions as the
19 third party offer, including, but not limited to, amount of rent, term, and commencement
20 date. In the event County fails to give written notice of its election to extend the Lease
21 of the Premises, Lessor shall be free to accept the bona fide offer and lease the
22 Premises to the third party. If the third party fails to lease the Premises and the
23 Premises remains available, County shall have the same right of first refusal granted
24 herein with respect to a bona fide offer to lease the Premises by a subsequent third
25 party offerer.

26 **6.4 County's Right to Early Termination.** The Parties hereto
27 recognize and understand that the rental consideration hereunder originates from
28 County, State and/or Federal sources, and therefore County shall have the right to

1 terminate this Lease (a) if such funding is reduced or otherwise becomes unavailable,
2 based on County's annual fiscal budget, or (b) if any law, rule or regulation precludes,
3 prohibits or materially adversely impairs County's ability to use the Premises for the
4 use permitted herein.

5 **6.4.1 Notice.** County shall provide Lessor with written notification
6 of its election to terminate this Lease at least sixty (60) days prior to the date of
7 termination. County's notice shall state the reason for its termination of this Lease.
8 County's obligation to pay Rent shall continue through the termination date.

9 **6.4.2 Satisfaction.** In the event County terminates this Lease for
10 the reasons provided in Section 6.4(a) or 6.4(b) herein, and said termination occurs
11 during the Original Term, County agrees to pay Lessor as full satisfaction the balance
12 of all payments which would otherwise be due monthly for improvements under the
13 Leasehold Improvement Agreement.

14 In the event that County terminates this Lease as provided in Section 6.4(c)
15 herein, County agrees to pay to Lessor as full satisfaction a sum equal to ten percent
16 (10%) of the monthly rent that would have been paid to Lessor for the remaining term
17 of the Lease in effect from the date of termination through the scheduled expiration
18 date, plus, if said termination occurs during the Original Term, the balance of all
19 payments which would otherwise be due monthly for improvements under the
20 Leasehold Improvement Agreement.

21 **7. Compliance.**

22 **7.1 Compliance.** Lessor warrants that the Premises and
23 improvements on the Premises shall comply with all applicable State and Federal laws,
24 covenants or restrictions of record, building codes, regulations and ordinances
25 ("Applicable Requirements") in effect on the Commencement Date of this Lease,
26 regardless of the use to which County will put the Premises. If the Premises do not
27 comply with said warranty, Lessor shall, promptly after receipt of written notice from
28 County or any governmental agency having jurisdiction over such matters setting forth

1 the nature and extent of such non-compliance, rectify the same at Lessor's expense. If
2 the Applicable Requirements are hereinafter changed so as to require during the term
3 of this Lease, unless same is the result of the use to which County puts the Premises,
4 the construction of an addition to or an alteration of the Premises, the remediation of
5 any Hazardous Substance as hereinafter defined, or the reinforcement or other
6 physical modification of the Premises Lessor shall, promptly after receipt of written
7 notice from County or any governmental agency having jurisdiction over such matters
8 setting forth the nature and extent of such non-compliance, rectify the same at Lessor's
9 expense.

10 **7.2 Americans with Disabilities.** Lessor warrants and represents the
11 Premises shall be readily accessible to and usable by individuals with disabilities in
12 compliance with Title III of the Americans with Disabilities Act of 1990 and California
13 Title 24, as amended from time to time and regulations issued pursuant thereto and in
14 effect from time to time. Any cost incurred to cause the Premises to comply with said
15 Act shall be borne by Lessor.

16 **7.3 Asbestos and Lead Based Paint.** Lessor warrants and
17 represents the Premises shall be constructed, operated and maintained free of hazard
18 from asbestos and lead based paint, as more fully set forth in the attached Exhibit "C."

19 **7.4 Hazardous Substance.** It is the intent of the Parties to construe
20 the term "Hazardous Substances" in its broadest sense. Hazardous Substance shall
21 be defined as any product, substance, or waste whose presence, use, manufacture,
22 disposal, transportation, or release, either by itself or in combination with other
23 materials, is either: (a) potentially injurious to the public health, safety or welfare, the
24 environment or the Premises; (b) regulated or monitored by any governmental
25 authority; or (c) a basis for potential liability of County to any governmental agency or
26 third party under any applicable statute or common law theory.

27 Lessor acknowledges that County's use may from time to time require the
28 presence of Hazardous Substances at the Premises. County agrees that all such

1 Hazardous Substances located in, at, or on the Premises shall be used, stored,
2 handled, treated, transported, and disposed of in compliance with all applicable laws.

3 Lessor warrants and represents to County that Lessor has not used, discharged,
4 dumped, spilled or stored any Hazardous Substances on or about the Premises,
5 whether accidentally or intentionally, legally or illegally, and has received no notice of
6 such occurrence and has no knowledge that any such condition exists at the Premises.

7 If any claim is ever made against County relating to Hazardous Substances present at
8 or around the Premises, whether or not such substances are present as of the date
9 hereof, or any such Hazardous Substances are hereafter discovered at the Premises
10 (unless introduced by County, its agents or employees), all costs of removal incurred
11 by, all liability imposed upon, or damages suffered by County because of the same
12 shall be borne by Lessor, and Lessor hereby indemnifies and agrees to be responsible
13 for and defend and hold County harmless from and against all such costs, losses,
14 liabilities and damages, including, without limitation, all third-party claims (including
15 sums paid in settlement thereof, with or without legal proceedings) for personal injury
16 or property damage and other claims, actions, administrative proceedings, judgments,
17 compensatory and punitive damages, lost profits, penalties, fines, costs, losses,
18 attorneys' fees and expenses (through all levels of proceedings), consultants or experts
19 fees and costs incurred in enforcing this indemnity. The representation, warranty and
20 indemnity of Lessor described in this Paragraph shall survive the termination or
21 expiration of this Lease.

22 **7.5 Sick Building Syndrome.** Lessor warrants and represents the
23 Premises shall be constructed, operated and maintained free of certain hazards,
24 including, but not limited to: spores, fungus, molds, bacteria, chemicals or fumes or
25 other causes of any hazardous micro-environments, sometimes known as "Sick
26 Building Syndrome," emanating from or within the Premises that may potentially cause
27 discomfort, bodily injury, sickness or death. Should it be determined that remediation is
28 necessary based on a report by a trained investigator, Lessor will promptly contract

1 with a qualified and experienced company to safely remove the micro-environments
2 using remediation guidelines recommended or required by the appropriate
3 governmental agency. Any cost incurred to cause the Premises to be free of such
4 hazard shall be borne by Lessor.

5 **7.6 Waste Water.** Lessor shall be responsible for compliance with all
6 Federal, state or local laws, regulations or permits pertaining to storm water pollution,
7 prevention plans ("SWPP") and all National Pollution Discharge Elimination System
8 ("NPDES") laws or regulations adopted or to be adopted by the United States
9 Environmental Protection Agency. Parking lot sweeping shall be done as required by
10 NPDES rules or as needed, at least two times per year, once prior to the rainy season.

11 **8. Custodial Services.**

12 **8.1 Custodial Services.** Lessor shall provide, or cause to be
13 provided, and pay for all custodial services in connection with the Leased Premises
14 and such services shall be provided as set forth in the attached Exhibit "E." The
15 provider of such custodial services will perform background checks through LiveScan
16 or in the manner specified by County, of qualified permanent and temporary employees
17 to determine their suitability for employment. The provider will be bonded in the sum of
18 \$10,000.00, and proof of such insurance, as supplied by the Lessor, shall be furnished
19 prior to occupancy of Premises by County. In addition to bonding as required herein,
20 Lessor shall also receive proof of statutory workers' compensation insurance,
21 commercial general liability and vehicle liability insurance from the provider of any
22 custodial functions performed at the Premises location.

23 **8.2 County's Right to Provide Custodial Service and Deduct Cost.**

24 If County provides written notice to Lessor of an event or circumstance that requires
25 the action of Lessor with respect to the custodial services as set forth in Section 8.1
26 and Exhibit "E," and Lessor fails to provide such action as required by the terms of this
27 Lease within three (3) days of County's notice, County may take the required action to
28 provide custodial services by its staff or those of a custodial contractor if: (1) County

1 delivers to Lessor an additional written notice advising Lessor that County intends to
2 take the required action if Lessor does not begin the required action within forty-eight
3 (48) hours after the written notice; and (2) Lessor fails to begin the required work within
4 this forty-eight (48) hour period. Upon demand by County, Lessor shall promptly
5 reimburse County the actual cost and expenses thereof, provided said costs and
6 expenses are reasonable. Should Lessor fail to promptly pay the cost and expenses,
7 County may deduct and offset that amount from Rent payable under this Lease. For
8 purposes of this Section, notice given by fax or e-mail shall be deemed sufficient.

9 **9. Utilities.**

10 **9.1** Lessor warrants and represents to County that during the term of this
11 Lease and any extension thereof that sufficient utility service to provide water,
12 telecommunications, electric power, natural gas and sewers necessary to meet
13 County's requirements exists or are available for use by County within the Premises.

14 **9.2** County shall pay for all telephone and electrical services within the
15 leased space which will be used in connection with the Leased Premises. Lessor shall
16 provide, or cause to be provided, and pay for all other utility services, including, but not
17 limited to, water, natural gas, refuse collection and sewer services, as may be required
18 in the maintenance, operation and use of the Leased Premises.

19 **10. Repairs and Maintenance.**

20 **10.1 Lessor's Repair and Maintenance Obligations.** Lessor shall, at
21 Lessor's sole expense and in accordance with the terms of this Lease, repair, replace
22 and maintain in attractive condition, good order and function throughout the term in
23 accordance with Exhibit "F," General Construction Specifications for Leased Facilities,
24 (a) the structural portions of the Premises (understood to include the roof, foundation
25 and load bearing walls); (b) the nonstructural portions of the Premises (understood to
26 include the roof covering and membrane) including, but not limited to, all
27 improvements, alterations, fixtures, but excluding furnishings; (c) all systems and
28 equipment, including, but not limited to, Base Premises Systems as heretofore

1 described that serve the Premises; and (d) the exterior portions of the Premises, and
2 real property including, but not limited to, landscaping, driveways, sidewalks, lighting
3 and parking facilities servicing the Premises. It is the intent of this paragraph that
4 Lessor performs any and all building repairs, replacements and maintenance. Lessor
5 agrees to make all repairs to or alterations of the Premises that may become
6 necessary by reason of industry standard for age, wear and tear, deferred
7 maintenance or defects in any construction thereof by Lessor.

8 **10.2 Lessor's Default.** Repairs shall be made promptly when
9 appropriate to keep the applicable portion of the Premises and other items in the
10 condition described in this Section. Lessor understands certain response time is
11 required to ensure County operations continue with minimal interruption to ensure the
12 safety of employees and delivery of services. The commencement of repairs within
13 eight (8) hours from written notice include electrical power, HVAC operations and
14 certain essential daily custodial services. Lessor shall not be in default of its repair and
15 maintenance obligations under this Section 10, if Lessor commences the repairs and
16 maintenance within eight (8) hours of the aforementioned areas and thirty (30) days for
17 all others after written notice by County to Lessor of the need for such repairs and
18 maintenance. If, due to the nature of the particular repair or maintenance obligation,
19 more than thirty (30) days are reasonably required to complete it, Lessor shall not be in
20 default under this Section 10 if Lessor begins work within this thirty (30) day period and
21 diligently pursues this work to completion.

22 **10.3 County's Right to Make Repairs and Deduct Cost.** If County
23 provides notice to Lessor of an event or circumstance that requires the action of Lessor
24 with respect to the replacement, repair or maintenance to the Premises or Base
25 Building Systems serving the Premises as set forth in Section 10.1 and Lessor fails to
26 provide such action as required by the terms of this Lease within the period specified in
27 Section 10.2, County may (but shall not be obligated to do so) take the required action
28 if: (1) County delivers to Lessor an additional written notice advising Lessor that County

1 intends to take the required action if Lessor does not begin the required repair or
2 maintenance within twenty four (24) hours, after the written notice; and (2) Lessor fails
3 to begin the required work within this twenty four (24) hour period.

4 **10.3.1** Lessor grants to County a license, effective during the
5 Lease Term, to enter upon those portions of the Premises access to which is
6 reasonably necessary for County to take such action.

7 **10.3.2** If such action was required under the terms of this Lease to
8 be taken by Lessor, County shall be entitled to prompt reimbursement by Lessor of
9 County's reasonable costs and expenses in taking such action, plus interest at the then
10 prevailing legal rate of interest from the date these costs are incurred until the date of
11 Lessor's repayment. Lessor's obligation to reimburse County shall survive expiration or
12 earlier termination of this Lease.

13 **10.3.3** If, within thirty (30) days after receipt of County's written
14 demand for payment of County's costs incurred in taking such action on Lessor's
15 behalf, Lessor has not paid the invoice or delivered to County a detailed written
16 objection to it, County may deduct from Rent payable by County under this Lease the
17 amount set forth in the invoice, plus interest at the interest rate described above from
18 the date these costs are incurred until the date of County's Rent set off.

19 **10.4 Emergency Repairs.**

20 **10.4.1** An "Emergency Repair Situation" is defined as the
21 existence of any condition that requires prompt repair, replacement or service to
22 minimize the impact of an event or situation which affects County's ability to conduct
23 business in a neat, clean, safe and functional environment.

24 **10.4.2** If County notifies Lessor of an Emergency Repair Situation
25 which occurs in or about the Premises which is the responsibility of the Lessor to repair
26 or maintain, then Lessor shall commence appropriate repairs or maintenance
27 immediately after notice of the condition is given by County, which notice may be via
28

1 telephone, facsimile, personal contact or any other means, and Lessor shall thereafter
2 diligently pursue to completion said repairs or maintenance.

3 **10.4.3** If Lessor fails to commence repairs within twenty-four (24)
4 hours of the aforementioned notice, or if the County is unable to contact Lessor
5 or any designated agent within a reasonable time based upon the seriousness of the
6 event or situation, County may, but shall not be so obligated to, cause said repairs or
7 replacements to be made or such maintenance to be performed. Upon demand by
8 County, Lessor shall promptly reimburse County the actual cost and expenses thereof,
9 provided said costs and expenses are reasonable. Should Lessor fail to promptly pay
10 the cost and expenses, County may deduct and offset that amount from Rent payable
11 under this Lease.

12 **10.5 Periodic Services.** Lessor shall provide, or cause to be provided,
13 and pay for all Periodic Services, including, interior painting of common areas every
14 three years, if so requested by County; monthly pest control services; quarterly HVAC

21 **11.1.1** Lessor recognizes and understands that any County
22 improvements requested by the County to be completed by Lessor during the term of
23 this Lease shall be undertaken according to Exhibit "B," Leasehold Improvement
24 Agreement, and Exhibit "F," General Construction Specifications for Leased Facilities.

25 **11.1.2** Prevailing wages are required for work done that falls within
26 the definition of "public works" under California Labor Code §1720. "Public works" are
27 defined as "construction, alteration, demolition, installation, or repair work done under
28

1 contract and paid for in whole or in part out of public funds....” For those projects
2 which are “public works” pursuant to Labor Code §1720.2, the following applies:

8 subcontractors/employees a copy of the Department of Industrial Relations prevailing
9 wage rates at which Lessor will post at the job site. All prevailing wages shall be
10 obtained by the Lessor/Contractor from:

21 Contractor shall contact the Division of Apprenticeship Standards and comply with
22 §1777.5, §1777.6 and §1777.7 of the Labor Code and applicable regulations.

23 **11.1.3** Lessor shall comply and stay current with all applicable
24 local, state and federal building codes and laws as from time to time amended,
25 including, but not limited to, the Americans with Disabilities Act requirements in
26 providing the County with any requested County improvements.

27 **11.1.4** If any agency, division or department of any governmental
28 entity with appropriate jurisdiction condemns the Premises or any part of the Premises

1 as unsafe or not in conformity with any of the laws or regulations controlling their
2 construction, occupation or use, or orders or requires any alteration, repair or
3 reconstruction of the Premises the responsible party shall be the Lessor who at its sole
4 cost and expense (and without any right of reimbursement from County) immediately
5 effect all necessary alterations and repairs required for the Premises full and exact

24 shall not be unreasonably withheld, conditioned or delayed by Lessor.

7 or antennas, County shall repair any damage incurred in connection with such removal.

8 **12. Exculpation, Indemnification, and Insurance.**

9 **12.1 Exculpation.** To the fullest extent permitted by law, Lessor, on its
10 behalf and on behalf of all Lessor Parties, as hereinafter defined, waives all claims (in
11 law, equity, or otherwise) against County Parties, as hereinafter defined, arising out of,
12 knowingly and voluntarily assumes the risk of, and agrees that County Parties shall not
13 be liable to Lessor Parties for any of the following: (1) injury to or death of any person;
14 or (2) loss of, injury or damage to, or destruction of any tangible or intangible property,
15 including the resulting loss of use, economic losses, and consequential or resulting
16 damage of any kind from any cause. County Parties shall not be liable under this
17 Section regardless of whether the liability results from any active or passive act, error,
18 omission, or negligence of any of County Parties; or is based on claims in which liability
19 without fault or strict liability is imposed or sought to be imposed on any of County
20 Parties. This exculpation Section shall not apply to claims against County Parties to the
21 extent that a final judgment of a court of competent jurisdiction establishes that the
22 injury, loss, damage, or destruction was proximately caused by County Parties' fraud,
23 willful injury to person or property, or violation of law.

24 **12.1.1 Definition of "County Parties" and "Lessor Parties."**

25 For purposes of this Section 12, the term "County Parties" refers singularly and
26 collectively to County, Special Districts, their respective Directors, Officers, Board of
27 Supervisors, agents, employees, and independent contractors as well as to all persons
28 and entities claiming through any of these persons or entities. The term "Lessor

1 Parties" refers singularly and collectively to Lessor and the partners, venturers,
2 trustees, and ancillary trustees of Lessor and the respective officers, directors,
3 shareholders, members, parents, subsidiaries, and any other affiliated entities,
4 personal representatives, executors, heirs, assigns, licensees, invitees, beneficiaries,
5 agents, servants, employees, and independent contractors of these persons or entities.

6 **12.1.2 Survival of Exculpation.** The paragraphs of this Section
7 12 shall survive the expiration or earlier termination of this Lease until all claims within
8 the scope of this Section 12 are fully, finally, and absolutely barred by the applicable
9 statutes of limitations.

10 **12.1.3 Lessor's Acknowledgment of Fairness.** Lessor
11 acknowledges that this Section 12 was negotiated with County, that the consideration
12 for it is fair and adequate, and that Lessor had a fair opportunity to negotiate, accept,
13 reject, modify, or alter it.

14 **12.1.4 Waiver of Civil Code Section 1542.** With respect to the
15 exculpation provided in this Section 12, Lessor waives the benefits of Civil Code
16 Section 1542, which provides:

17 A general release does not extend to claims which the creditor does not know or
18 suspect to exist in his favor at the time of executing the release, which if known by him
19 must have materially affected his settlement with the debtor.

20 **12.2 Indemnification and Hold Harmless.**

21 **12.2.1** Lessor shall indemnify and hold harmless the County
22 Parties from any liability, including but not limited to, property damage, bodily damage,
23 bodily injury, or death, or from any services provided by Lessor Parties or any act,
24 error, omission, of Lessor Parties or of any invitee, guest, or licensee of Lessor in, on,
25 or about the Project arising out of, from or in any way relating to this Lease. When
26 indemnifying County Parties, Lessor shall defend at its sole cost and expense,
27 including but not limited to, attorney fees, cost of investigation, defense and
28

1 settlements or awards, on behalf of the County parties in any claim or action based
2 upon such liability.

3 **12.2.2** County shall indemnify and hold harmless the Lessor
4 Parties from any liability whatsoever, including but not limited to, property damage,
5 bodily injury, or death, based or asserted on events which may occur within the County
6 leased premises and is under the control of the County arising out of or from its use
7 and occupancy relating to this Lease. County Parties shall not indemnify Lessor
8 Parties for liability arising within the County leased Premises when such liability arose
9 out of or from Lessor's responsibilities under the terms of this Lease. County shall
10 defend at its sole cost and expense, including but not limited to, attorney fees, cost of
11 investigation, defense and settlements or awards, on behalf of the Lessor Parties in
12 any claim or action based upon such liability.

13 **12.2.3** With respect to any action or claim subject to
14 indemnification herein, the indemnifying party shall, at their sole cost, have the right to
15 use counsel of their choice and shall have the right to adjust, settle, or compromise any
16 such action or claim without the prior consent of the indemnified party; provided,
17 however, that any such adjustment, settlement or compromise in no manner
18 whatsoever limits or circumscribes the indemnifying party's obligation to indemnify as
19 set forth herein.

20 **12.2.4** The indemnifying party's obligation hereunder shall be
21 satisfied when they have provided the indemnified party the appropriate form of
22 dismissal relieving the indemnified party from any liability for the action or claim
23 involved.

24 **12.2.5** The specified insurance limits required in this Lease shall in
25 no way limit or circumscribe the indemnifying party's obligation to indemnify as set forth
26 herein.

27 **12.2.6** In the event there is conflict between this clause and
28 California Civil Code Section 2782, this clause shall be interpreted to comply with Civil

1 Code 2782. Such interpretation shall not relieve the indemnifying party's obligation to
2 provide indemnification to the fullest extent allowed by law.

3 **12.2.7 Survival of Indemnification.** The paragraphs of this
4 Section 12 shall survive the expiration or earlier termination of this Lease until all
5 claims against County Parties involving any of the indemnified matters are fully, finally,
6 and absolutely barred by the applicable statutes of limitations.

7 **12.3 Insurance.**

8 **12.3.1 Lessor's Insurance.** Without limiting or diminishing any
9 indemnification contained within this Lease, Lessor and/or their authorized
10 representatives, including, if any, a property management company, shall procure and
11 maintain or cause to be maintained, at its sole cost and expense, the following
12 insurance coverage during the term of this Lease:

13 **12.3.1.1 Workers' Compensation.** Workers' Compensation
14 Insurance (Coverage A) as prescribed by the laws of the State of California. Policy

19 General Liability Insurance coverage, including but not limited to, premises liability,
20 contractual liability, products/completed operations, personal and advertising injury,
21 cross liability coverage and employment practices liability covering bodily injury,
22 property damage, and personal injury arising out of or relating, directly or indirectly, to
23 the design, construction, maintenance, repair, alteration and ownership of the
24 Premises and all areas appurtenant thereto including claims which may arise from or
25 out of Lessor's operations, use, and management of the Premises, or the performance
26 of its obligations hereunder. Policy shall name the County of Riverside, its Special
27 Districts, Agencies, Districts and Departments, their respective Directors, Officers,
28 Board of Supervisors, elected and appointed officials, employees, agents, independent

1 contractors or representatives as an Additional Insured. Policy limits shall not be less
2 than \$1,000,000 per occurrence. If such insurance contains a general aggregate limit,
3 it shall apply separately to this Lease or be no less than two (2) times the occurrence
4 limit.

5 **12.3.1.3 Vehicle Liability.** If vehicles or licensed
6 mobile equipment are used on the Project, Lessor shall maintain auto liability insurance
7 for all owned, non-owned or hired automobiles in an amount not less than \$1,000,000

14 including earthquake and flood, if applicable, for the full replacement cost value of
15 buildings, structures, fixtures, all improvements therein, and building systems on the

24 coverage for off-premises power failure. Policy shall name the County as a Loss
25 Payee as their interests may appear.

26 (c) During such time, prior to the commencement
27 of this Lease while Lessor is preparing the Premises in accordance with Exhibit "B,"
28 Lessor shall keep or require its Contractor to keep in full force and effect, a policy of

1 Course of Construction Insurance covering loss or damage to the Premises for the full
2 replacement value of such work. The Named Insured shall include the Lessor, County
3 and Contractor as their interests appear. Lessor or their Contractor shall be
4 responsible for any deductible payments that result from a loss at the Premises under
5 this coverage. If, at the time of any loss to the property described on Exhibit "B," it is
6 determined that the insurance has not been carried or the insurance does not cover the
7 loss of property being installed, the Lessor shall be responsible to pay the loss without
8 contribution from the County.

9 **12.3.1.5 General Insurance Provisions – All Lines.**

10 (a) Any insurance carrier providing Lessor's
11 insurance coverage hereunder shall be admitted to the State of California and have an
12 A.M. BEST rating of not less than an A:VIII (A:8) unless such requirements are waived,
13 in writing, by the County Risk Manager. If the County's Risk Manager waives a
14 requirement for a particular insurer such waiver is only valid for that specific insurer
15 and only for one policy term.

16 (b) The Lessor or Lessor's insurance carrier(s)
17 must declare its insurance deductibles or self-insured retentions. If such deductibles or
18 self-insured retentions exceed \$500,000.00 per occurrence such deductibles and/or
19 retentions shall have the prior written consent of the County Risk Manager before the
20 commencement of the Lease term. Upon notification of deductibles or self insured
21 retentions which are deemed unacceptable to the County, at the election of the
22 County's Risk Manager, Lessor's carriers shall either: 1) reduce or eliminate such
23 deductibles or self-insured retentions as respects this Agreement with the County, or 2)
24 procure a bond which guarantees payment of losses and related investigations, claims
25 administration, defense costs and expenses.

26 (c) At the inception of this Lease and annually at
27 the Lessor's insurance policy renewal date(s), the Lessor shall cause their insurance
28 carrier(s) to furnish the County of Riverside with 1) a properly executed original

2 coverage as required herein; or, 2) if requested to do so orally or in writing by the
3 County Risk Manager, provide original Certified copies of policies including all

9 Lease shall terminate forthwith, unless the County of Riverside receives, prior to such
10 effective date, another properly executed original Certificate of Insurance and original
11 copies of endorsements or certified original policies, including all endorsements and
12 attachments thereto evidencing coverage and the insurance required herein is in full
13 force and effect. Individual(s) authorized by the insurance carrier to do so on its behalf
14 shall sign the original endorsements for each policy and the Certificate of Insurance.
15 The Lease term shall not commence until the County of Riverside has been furnished
16 original Certificates(s) of Insurance and certified original copies of endorsements or
17 policies of insurance including all endorsements and any and all other attachments as
18 required in this Section.

19 (d) It is understood and agreed by the parties
20 hereto and the Lessor's insurance company(s) that the Certificate(s) of Insurance and
21 policies shall so covenant and shall be construed as primary insurance, and the
22 County's insurance and/or deductibles and/or self-insured retentions or self-insured
23 programs shall not be construed as contributory.

24 **12.3.2 County's Insurance:** County maintains funded programs
25 of Self-Insurance. County shall provide to Lessor a Certificate of Self-Insurance
26 evidencing the County's Self-Insurance for the following coverage, if so requested by
27 Lessor:

28 12.3.2.1 Workers' Compensation \$1,000,000 per occurrence

1 12.3.2.2 Commercial General Liability \$1,000,000 per occurrence

2 12.3.2.3 Automobile Liability \$1,000,000 per occurrence

3 **13. Damage and Destruction.**

4 **13.1 Repair of Damage.** County agrees to notify Lessor in writing
5 promptly of any damage to the Premises resulting from fire, earthquake, or any other
6 identifiable event of a sudden, unexpected, or unusual nature ("Casualty"). If the
7 Premises, whether covered by insurance or not, are damaged by a Casualty, or the
8 Casualty results in the Premises not being provided with Base Building Systems or
9 parking facilities, and if neither Lessor nor County has elected to terminate this Lease
10 under this Section 13, Lessor shall promptly and diligently restore Premises, the
11 County Improvements originally constructed by Lessor, Base Building Systems, and
12 County's parking facilities to substantially the same condition as existed before the
13 Casualty, subject to modifications required by building codes and other laws. If County
14 requests that Lessor make any modifications to the County Improvements in
15 connection with the rebuilding, Lessor may condition its consent to those modifications
16 on: (a) confirmation by Lessor's contractor that the modifications shall not increase the
17 time needed to complete the County Improvements; or (b) an agreement by County
18 that the additional construction period shall not extend the rent abatement period.

19 **13.2 Repair Period Notice.** Lessor shall, within thirty (30) days after
20 the date of the Casualty, provide written notice to County indicating the anticipated
21 period for repairing the Casualty ("Repair Period Notice"). The Repair Period Notice
22 shall be accompanied by a certified statement executed by the Contractor retained by
23 Lessor to complete the repairs or, if Lessor has not retained a Contractor, a licensed
24 Contractor not affiliated with Lessor, certifying the Contractor's opinion about the
25 anticipated period for repairing the Casualty. The Repair Period Notice shall also state,
26 if applicable, Lessor's election either to repair or to terminate the Lease under Section
27 13.3.

1 **13.3 Lessor's Option to Terminate or Repair.** Lessor may elect
2 either to terminate this Lease or to effectuate repairs if: (a) the Repair Period Notice
3 estimates that the period for repairing the Casualty exceeds ninety (90) days from the
4 date of the Casualty; or (b) the estimated repair cost of the Premises, even though
5 covered by insurance, exceeds fifty percent (50%) of the full replacement cost.

6 **13.4 County's Option to Terminate.** If (a) the Repair Period Notice
7 provided by Lessor indicates that the anticipated period for repairing the Casualty
8 exceeds ninety (90) days, or (b) notwithstanding the above, in the event of a
9 substantial or total casualty to the Premises or improvements, County may by written
10 notice to Lessor within thirty (30) days after such damage or destruction of its intention
11 to terminate this Lease, elect to terminate this Lease by providing written notice
12 (County's Termination Notice) to Lessor within thirty (30) days after receiving the
13 Repair Period Notice. If County does not elect to terminate within said thirty (30) day
14 period, County shall be considered to have waived its' option to terminate.

15 **13.5 Rent Abatement Due to Casualty.** Lessor and County agree that
16 County's Rent shall be fully abated during the period beginning on the later of: (a) the
17 date of the Casualty; or (b) the date on which County ceases to occupy the Premises
18 and ending on the date of Substantial Completion of Lessor's restoration obligations as
19 provided in this Section 13 ("Abatement Period"). If, however, County is able to occupy
20 and does occupy a portion of the Premises, Rent shall be abated during the Abatement
21 Period only for the portion of the Premises not occupied by County.

22 **13.6 Damage Near End of Term.** Despite any other provision of this
23 Section 13, if the Premises are destroyed or damaged by a Casualty during the last
24 eighteen (18) months of the original Lease Term, Lessor and County shall each have
25 the option to terminate this Lease by giving written notice to the other of the exercise of
26 that option within thirty (30) days after that damage or destruction, provided, however,
27 County may negate Lessor's election to terminate under this Section 13.6 by electing,
28 within ten (10) days after receipt of Lessor's termination notice, to exercise any

1 unexercised option to extend this Lease. If County negates Lessor's election, this
2 Lease shall continue in effect unless Lessor has the right to, and elects to, terminate
3 this Lease under Section 13.3.

4 **13.7 Effective Date of Termination; Rent Apportionment.** If Lessor
5 or County elects to terminate this Lease under this Section 13 in connection with a
6 Casualty, this termination shall be effective thirty (30) days after delivery of notice of
7 such election. County shall pay Rent, properly apportioned up to the date of the
8 Casualty. After the effective date of the termination, Lessor and County shall be
9 discharged of all future obligations under this Lease, except for those provisions that,
10 by their terms, survive the expiration or earlier termination of the Lease.

11 **13.8 Waiver of Statutory Provisions.** The provisions of this Lease,
12 including those in this Section 13, constitute an express agreement between Lessor
13 and County that applies in the event of any Casualty to the Premises. Lessor and
14 County, therefore, fully waive the provisions of any statute or regulation, for any rights
15 or obligations concerning a Casualty including California Civil Code Sections 1932(2)
16 and 1933(4).

17 **13.9 Release on Termination.** In the event of any termination of this Lease in
18 accordance with Section 13, the Parties shall be released there from without further
19 obligation to the other Party, except as may otherwise be specifically set forth in this
20 Lease and items that have accrued and are unpaid.

21 **14. Eminent Domain.**

22 **14.1 Total Condemnation.** If all of the Premises are condemned by
23 eminent domain, inversely condemned, or sold in lieu of condemnation for any public or
24 quasi-public use or purpose, this Lease will terminate as of the date of title vesting in
25 that proceeding and the Rent will be abated from the date of termination.

26 **14.2 Partial Condemnation.** If any portion of the Premises is
27 condemned by eminent domain, inversely condemned, or sold in lieu of condemnation
28 for any public or quasi-public use or purpose and the partial condemnation renders the

1 Premises unusable for County's business, this Lease will terminate as of the date of
2 title vesting or order of immediate possession in that proceeding and the Rent will be
3 abated to the date of termination. If the partial condemnation does not render the
4 Premises unusable for the business of County and less than a substantial portion of the
5 Premises is condemned, Lessor must promptly restore the Premises to the extent of
6 any condemnation proceeds recovered by Lessor, excluding the portion lost in the
7 condemnation, and this Lease will continue in full force, except that after the date of the
8 title vesting, the Rent will be adjusted, as reasonably determined by Lessor and
9 County.

10 **14.3 Award.** If the Premises are wholly or partially condemned, Lessor
11 will be entitled to the entire award paid for the condemnation, and County waives any
12 claim to any part of the award from Lessor or the condemning authority. County,
13 however, will have the right to recover from the condemning authority any
14 compensation that may be separately awarded to County in connection with costs in
15 removing County's merchandise, furniture, fixtures, leasehold improvements, and
16 equipment to a new location.

17 **14.4 Temporary Condemnation.** In the event of a temporary
18 condemnation, this Lease will remain in effect, County will continue to pay Rent, and
19 County will receive any award made for the condemnation. If a temporary
20 condemnation remains in effect at the expiration or earlier termination of this Lease,
21 County will pay Lessor the reasonable cost of performing any obligations required of
22 County with respect to the surrender of the Premises. If a temporary condemnation is
23 for a period that extends beyond the Term, this Lease will terminate as of the date of
24 occupancy by the condemning authority and any award will be distributed in
25 accordance with Section 14.3.

26 **15. Estoppel Certificates.**

27 **15.1** Within twenty (31) business days after receipt of a written request
28 by either party, the other party shall execute and deliver to the requesting party an

1 Estoppel Certificate, in the form of the attached Exhibit "G," indicating in the certificate
2 any exceptions to the statements in the certificate that may exist at that time.

3 **16. Subordination, Non-Disturbance, and Attornment.**

4 **16.1 Subordination, Non-Disturbance, and Attornment Agreement.**

5 To carry out the purposes of Section 16.2 and Section 16.3, the Parties agree to
6 execute a Subordination, Non-Disturbance and Attornment Agreement in the form set
7 forth in the attached Exhibit "H."

8 **16.2 Subordination.** County agrees that within forty-five (45) business
9 days after Lessor's written request, it shall execute the agreement referred to in
10 Section 16.1 that Lessor reasonably considers necessary to evidence or confirm the
11 subordination or inferiority of this Lease to the lien of any mortgage, deed of trust or
12 other encumbrance of the Premises or any renewal, extension, modification,
13 replacement thereof, provided however, that such Subordination Agreement shall be
14 strictly limited to matters contained in the Agreement referred to in Section 16.1 and no
15 such Subordination Agreement shall materially increase any of County's obligations or
16 materially decrease any of County's rights under this Lease, nor shall the possession of
17 County be disturbed, by reason of any foreclosure, sale or other action under any such
18 trust deed, mortgage or other encumbrance.

19 **16.3 Attornment.** If Lessor's interest in the Premises passes to a
20 successor, and provided County has received the Non-Disturbance agreement referred
21 to in Section 16.1, County shall, within forty-five (45) business days after Lessor's
22 transferee's request, execute the agreement referred to in Section 16.1, thereby
23 agreeing to attorn and to recognize the transferee as the Lessor under this Lease;
24 provided the transfer of Lessor's interest in the Premises was by sale, lease,
25 foreclosure, deed in lieu of foreclosure, exercise of any remedy provided in any
26 encumbrance or operation of law.

1 **17. Breach by Lessor.**

2 **17.1 Lessor's Default.** Except as provided to the contrary in this
3 Lease, Lessor's failure to perform any of its obligations under this Lease shall
4 constitute a default by Lessor under the Lease if the failure continues for thirty (30)
5 days after written notice of the failure from County to Lessor. If the required
6 performance cannot be completed within thirty (30) days, Lessor's failure to perform
7 shall constitute a default under the Lease unless Lessor undertakes to cure the failure
8 within thirty (30) days and diligently and continuously attempts to complete this cure as
9 soon as reasonably possible.

10 **17.2 County's Right to Cure Lessor's Default and Deduct Cost.**

11 Except as provided to the contrary in this Lease, if County provides notice to Lessor of
12 Lessor's failure to perform any of its obligations under this Lease and Lessor fails to
13 provide such action as required by the terms of this Lease within the period specified,
14 County may take the required action if: (a) County delivers to Lessor an additional
15 written notice advising Lessor that County intends to take the required action if Lessor
16 does not begin the required action within ten (10) days after the written notice; and (b)
17 Lessor fails to begin the required action within this ten (10) day period.

18 **17.3 Rent Setoff.** If, within thirty (30) days after receipt of County's
19 written demand for payment of County's costs incurred in taking such action on
20 Lessor's behalf, Lessor has not paid the invoice or delivered to County a detailed
21 written objection to it, County may deduct from Rent payable by County under this
22 Lease the amount set forth in the invoice, including transaction costs and attorneys'
23 fees, plus interest at the then legal rate of interest from the date these costs are
24 incurred until the date of County's Rent setoff.

25 **18. Lessor's Representations and Warranties.** Lessor represents and
26 warrants to County that:

27 **18.1 Title.** County's Leasehold interest in the Premises is free and
28 clear of restrictions which would restrict County's rights under this Lease.

1 **18.2 Certificate of Authority.** Lessor covenants that it is a duly
2 constituted under the laws of the state of its organization, and that the person(s) who is
3 acting as its signatory in this Lease is duly authorized and empowered to act for and on
4 behalf of the Lessor. Lessor shall furnish County prior to the execution hereof with
5 evidence of the authority of the signatory to bind the entity or trust as contemplated
6 herein.

7 **18.3 No Litigation.** There are no judicial, quasi-judicial, administrative
8 or other orders, injunctions, moratoria or pending proceedings against Lessor or the
9 Premises which preclude or interfere with, or would preclude or interfere with, the
10 construction contemplated herein or the occupancy and use of the Premises by County
11 for the purposes herein contemplated.

12 **18.4 Easements.** Lessor shall not (a) subdivide, parcel or otherwise
13 divide the Premises, (b) create, modify or terminate any ingress or egress to or from
14 the premises, or (c) create any easements in the Premises, without County's prior
15 written approval.

16 **19. Miscellaneous.**

17 **19.1 Quiet Enjoyment.** Lessor covenants that County shall at all times
18 during the term of this Lease peaceably and quietly have, hold and enjoy the use of the
19 Premises so long as County shall fully and faithfully perform the terms and conditions
20 that it is required to do under this Lease. If the Premises are part of a building shared
21 with other tenants of Lessor, during County's tenancy, Lessor may make or permit
22 other tenants to make alterations, renovations and improvements to those portions of
23 the building not occupied by County. Lessor covenants for itself and anyone deriving
24 title from or holding title under Lessor that County's access, ingress, loading and
25 unloading and sufficient parking for County's business shall not unreasonably be
26 obstructed nor shall the daily business of County be disrupted as a result of such
27 alterations, renovations and improvements.

28

1 **19.2 Non-Waiver.** No waiver of any provision of this Lease shall be
2 implied by any failure of either party to enforce any remedy for the violation of that
3 provision, even if that violation continues or is repeated. Any waiver by a party of any
4 provision of this Lease must be in writing. Such written waiver shall affect only the
5 provision specified and only for the time and in the manner stated in the writing.

6 **19.3 Binding on Successors.** The terms and conditions herein
7 contained shall apply to and bind the heirs, successors in interest, executors,
8 administrators, representatives and assigns of all the Parties hereto.

9 **19.4 Severability.** The invalidity of any provision in this Lease as
10 determined by a court of competent jurisdiction shall in no way affect the validity of any
11 other provision hereof.

12 **19.5 Venue.** Any action at law or in equity brought by either of the
13 Parties hereto for the purpose of enforcing a right or rights provided for by this Lease
14 shall be tried in a court of competent jurisdiction in the County of Riverside, State of
15 California, and the Parties hereto waive all provisions of law providing for a change of
16 venue in such proceedings to any other county.

17 **19.6 Attorneys' Fees.** In the event of any litigation or arbitration
18 between Lessor and County to enforce any of the provisions of this Lease or any right
19 of either party hereto, the unsuccessful party to such litigation or arbitration agrees to
20 pay to the successful party all costs and expenses, including reasonable attorneys'
21 fees, incurred therein by the successful party, all of which shall be included in and as a
22 part of the judgment rendered in such litigation or arbitration.

Any changes or modifications approved by the County shall be at Lessor's sole cost and expense.

SECTION 3 - CONSTRUCTION DRAWINGS

3.1 Selection of Architect/Construction Drawings. Lessor shall retain an architect or space planner (the "Architect") to prepare the Construction Drawings. Lessor shall retain the engineering consultants (the "Engineers") to prepare all plans and engineering working drawings relating to the structural, mechanical, electrical, plumbing, HVAC, life safety, and sprinkler work of the Leasehold Improvements. Lessor hereby agrees that neither County nor County's agents or consultants shall be responsible for obtaining any building permit or certificate of occupancy for the Premises and that the obtaining of the same shall be Lessor's responsibility; provided however that County shall, in any event, cooperate with Lessor in executing permit applications and performing other ministerial acts reasonably necessary to enable Lessor to obtain any such permit or certificate of occupancy. No changes, modifications or alterations in the Approved Working Drawings may be made without the prior written consent of County, provided that County may withhold its consent, in its sole discretion, to any change in the Approved Working Drawings if such change would directly or indirectly delay the "Substantial Completion" of the Premises as that term is defined in Section 6.1 of this Leasehold Improvement Agreement.

 2. Common public areas which County employees or its invitees would normally/reasonably use.
 3. Building maintenance areas, utility spaces, and elevator shafts within or serving areas described in items 1 and 2 above.
- B. In the event construction of the building wherein leased premises are located was completed prior to 1979, the Lessor shall provide the County with certification that the areas referred to above are free of asbestos hazard from ACCM's prior to the execution of this lease. If said premises were constructed after 1979, Lessor shall provide County with a written statement to that effect.
- C. Certification shall be in the form of an ACCM's Survey and Evaluation Report prepared by a qualified Industrial Hygienist who shall be certified by the American Board of Industrial Hygiene (ABIH) or an Environmental Protection Agency (EPA) – Asbestos Hazard Emergency Response Act (AHERA) certified inspector. Said survey shall include those areas listed in paragraph (A). Survey requirements are: visual walk-through inspection and testing of suspected ACCM's. Bulk samples of suspected ACCM's shall be analyzed by a laboratory certified by the Department of Health Services and recognized by the EPA Quality Assurance Program using the polarized light microscopy (PLM) method. If friable asbestos is found or the physical condition of suspected ACCM's indicate possible fiber release, air sampling and testing by the Phase Contrast Microscopy (PCM) method must be performed. If asbestos fiber concentrations of .1 fibers per cc of air or greater are found, further testing by the Transmission Electron Microscopy (TEM) method is mandatory. Said survey and evaluation report shall identify all ACCM's found and recommend abatement procedures. If necessary, the report shall also specify guidelines for the implementation of an operation and maintenance plan inclusive of any required monitoring and testing intervals. The report is subject to review and approval by the County and the Lessor shall agree to all conditions contained therein.

- D. If at any time during the term of this lease, or during any extension or renewal hereof, previously unidentified ACCM's hazard is discovered, or airborne asbestos fibers above the maximum allowable limits are found to be entering the County-leased space from any other area within the building or buildings in which the County-leased space is located, the Lessor shall immediately, at Lessor's sole cost and expense, control such release and perform abatement of all hazardous ACCM's that are determined to be affecting the County-leased space.
- E. Lessor shall perform asbestos notification as required by Chapter 10.4 of the Health and Safety Code and shall guarantee that all abatement work as required under the conditions of this lease is performed by a licensed contractor certified by the Contractors State License Board and registered with the Division of Occupational Safety and Health. The County reserves the right to establish consultant oversight of any asbestos related work program at its expense.
- F. Additionally, Lessor shall be responsible for any and all direct or indirect costs associated with the abatement of the above described ACCM's which include, but is not limited to the actual costs to the Lessor for ACCM's abatement and for all required monitoring reports before, during, and after abatement. In effect, all costs shall be borne by the Lessor that are in any way associated with the abatement of ACCM's from the Lessor's building including clean up of contaminated County-owned equipment, furnishings, and materials. Copies of the air monitoring reports shall be furnished to the County together with certification by an Industrial Hygienist Consultant registered with Cal/OSHA that the area is free of hazard from ACCM's.
- G. If it is determined that for safety reasons its employees should be relocated at any time prior to or during the abatement of ACCM's, the Lessor shall provide comparable accommodating space (at no cost to the County) throughout the abatement process. Said determination shall be made by a qualified representative of Cal/OSHA. The Lessor specifically agrees to pay for all costs associated with this move or reimburse the County, if the County paid for this cost, including all reasonable administrative costs and cost of moving or renting furniture, data processing, and telephone equipment.
- H. In the event, after written notice is provided by the County, the Lessor fails, refuses, or neglects to diligently pursue abatement of above described asbestos hazard from ACCM's, the County may effect such abatement; and, in addition to any other remedies it may have, deduct all reasonable costs of such abatement and all costs associated in any way with the abatement of the above described ACCM's from the rent that may then be or thereafter become due throughout the term of this lease. For this purpose and as a condition of this lease agreement, the Lessor shall obtain an EPA generator number and grant license to the County for its use.

- I. In addition to any other remedies it may have, in the event the Lessor fails to diligently pursue abatement of asbestos hazard from ACCM's, as required under the provisions of this lease, the County may, by notice in writing, terminate this lease. Lessor shall be liable to the County for all expenses, losses, and damages reasonably incurred by the County as a result of such termination; including, but not limited to additional rental necessary to pay for an available similar replacement facility over the period of what would have been the remaining balance of the lease term plus any option periods, costs of any necessary alterations to the replacement facility, administrative costs, and costs of moving furniture, data processing, and telephone equipment.

- J. The Lessor shall indemnify, defend, and hold the County of Riverside, its officers, and employees harmless from and against any and all losses, damages, judgements, expenses (including court costs and reasonable attorney fees), or claims whatsoever, arising out of, or in any way connected with or related to, directly or indirectly, the presence of asbestos hazard from ACCM's within the County-leased space or the building in which the leased premises are located.

All specifications for said room as outlined in this agreement shall be completed, including, but not limited to, installation of plywood, lighting, electrical circuits, HVAC, ceiling tiles, ground, floor tile and door with lock and three (3) sets of keys.

It should be understood that the contractor will have to schedule various trades in sooner than the normal construction schedule to complete the Telecommunications Room (HVAC, Electrician, Painter, etc.) as required by the RCIT Communications Bureau Telecommunications Engineer.

- a. **Location:** The Telecommunications Room shall be as close to the geographic center of the occupied space as possible. **Maximum distance from the center of the Telecommunications Room to the farthest WAO location shall not exceed a radius of 175 feet unless**

reviewed by RCIT Communications Bureau Telecommunications Engineer. If occupying more than one floor of a building, a **separate Telecommunications Room shall be required on each floor**, preferably stacked above one another. Provisions shall be made available for easy access into the Telecommunications Room for telephone and data wiring and shall be dedicated for telephone and data use only. Telecommunications Rooms should not be planned next to elevators, restrooms, electrical rooms, air shafts, mechanical rooms, and outside walls. If occupying more than one building, each building will require Telecommunications Rooms that meet the above requirements.

All building supplied HCAC inlets to the Telecommunications Room shall be controlled using a Variable Air Valve (VAV) with its own thermostat to prohibit heating the Telecommunications Room. The VAV will be installed in such a fashion to introduce conditioned air if the primary split A/C unit fails to cool the room. It will serve two purposes:
1. Provide ventilation air to the room, cooling only.
 2. Serve as an additional backup.

If a building's HVAC system cannot ensure continuous operation

(including weekends and holidays), provide a standalone HVAC unit with independent controls for the Telecommunications Room. If an emergency power source is available in the building, connect the HVAC system that serves the Telecommunications Room to the emergency power source. Sensors and controls must be located in the Telecommunications Room, ideally placed 5 feet AFF (thermostat location will be specified on the Telecommunications Room drawing provided by RCIT Communications Bureau Telecommunications Engineer). If an in-room air conditioner is installed, the air conditioner will be hard wired to the thermostat and the location must be approved by RCIT Communications Bureau Telecommunications Engineer before installation. Use white paint on the walls and ceiling to enhance room lighting. Power for the lighting should not come from the power panel located inside the Telecommunications Room.
- h. **Emergency Lighting** – Emergency lighting within the Telecommunication Room shall be provided to ensure that the loss of power to normal lights will not hamper an emergency exit from the room.
- i. **Floors:** The floor shall be capable of supporting a minimum load bearing of one hundred (100) pounds per square foot and maximum concentration loading of 2,000 lbs. per foot. Standard VCT floor covering shall be installed unless otherwise specified.
- j. **Ceiling:** If a ceiling will be installed in the Telecommunications Room it must be installed at a **minimum of 10' AFF**. Ceiling protrusions (e.g. sprinkler heads) must be placed to assure a minimum clear height of 10 feet that is clear of obstructions, to provide space over the equipment frames for cables and suspended cable trays. Ceiling finish must minimize dust and be light colored to enhance the room lighting. A hard ceiling shall not be allowed in the Telecommunications Room.

C. ELECTRICAL REQUIREMENTS

2. **County Subordination.**

2.1. Subject to the provisions of Section 3, the Loan Documents shall constitute a lien or charge on the Mortgage Premises that is prior and superior to the Lease, to the leasehold estate created by it, and to all rights and privileges of County under it; by this Agreement, the Lease, the leasehold estate created by it, together with all rights and privileges of County under it, is subordinated, at all times, to the lien or charge of the Loan Documents in favor of Lender.

2.2. By executing this Agreement, County subordinates the Lease and County's interest under it to the lien right and security title, and terms of the Loan Documents, and to all advances or payments made, or to be made, under any Loan Document.

3. **Non-disturbance.**

3.1. Lender consents to the Lease.

3.2. Despite County's subordination under Section 2, County's peaceful and quiet possession of the Premises shall not be disturbed and County's rights and privileges under the Lease, including its right to early termination, its right to extend the term of the Lease, its right of first refusal to lease the property after expiration of the original term and any extensions thereof, shall not be diminished by Lender's exercise of its rights or remedies under the Loan Documents, provided that County has not canceled or terminated the Lease, nor surrendered, or abandoned the Premises.

3.3. If (a) Lender shall acquire title to, and possession of, the Premises on foreclosure in an action in which Lender shall have been required to name County as a party defendant, and (b) County is not in default under the Lease beyond any applicable cure or grace periods, has not canceled or terminated the Lease, nor surrendered, vacated or abandoned the Premises and remains in actual possession of the Premises at the time Lender shall so acquire title to, and possession of, the Premises, Lender and County shall enter into a new lease on the same terms and conditions as were contained in the Lease, except that:

(a) The obligations and liabilities of Lender under a new lease shall be subject to the terms and conditions of this Agreement (including the provisions of Sections 5-7);

(b) Lender shall have no obligations or liabilities to County under any such new lease beyond those of Lessor as were contained in the Lease; and

(c) The expiration date of any new lease shall coincide with the original expiration date of the Lease.

3.4. County shall not be named or joined in any foreclosure, trustee's sale, or other proceeding to enforce the Loan Documents unless such joinder shall be legally required to

perfect the foreclosure, trustee's sale, or other proceeding.

4. Attornment.

4.1. If Lender shall succeed to Lessor's interest in the Mortgage Premises by foreclosure of the Mortgage, by deed in lieu of foreclosure, or in any other manner, County shall be bound to Lender under all the terms, covenants and conditions of the Lease for the balance of its term with the same force and effect as if Lender were the Lessor under the Lease. County shall be deemed to have full and complete attornment to, and to have established direct privity between County and:

- (a) Lender when in possession of the Mortgage Premises;
- (b) a receiver appointed in any action or proceeding to foreclose the Mortgage;
- (c) any party acquiring title to the Mortgage Premises; or
- (d) any successor to Lessor.

4.2. County's attornment is self-operating, and it shall continue to be effective without execution of any further instrument by any of the parties to this Agreement or the Lease. Lender agrees to give County written notice if Lender has succeeded to the interest of the Lessor under the Lease. The terms of the Lease are incorporated into this Agreement by reference.

4.3. If the interests of Lessor under the Lease are transferred by foreclosure of the Mortgage, deed in lieu of foreclosure, or otherwise, to a party other than Lender (Transferee), in consideration of, and as condition precedent to, County's agreement to attorn to any such Transferee, Transferee shall be deemed to have assumed all terms, covenants, and conditions of the Lease to be observed or performed by Lessor from the date on which the Transferee succeeds to Lessor's interests under the Lease.

5. Lender as Lessor. If Lender shall succeed to the interest of Lessor under the Lease, Lender shall be bound to County under all the terms, covenants and conditions of the Lease, and County shall, from the date of Lender's succession to the Lessor's interest under the Lease, have the same remedies against Lender for breach of the Lease that County would have had under the Lease against Lessor; provided, however, that despite anything to the contrary in this Agreement or the Lease, Lender, as successor to the Lessor's interest, shall be:

- (a) liable for any act or omission of the Lessor; provided that the Lender may elect either to perform the pre-existing obligation or to permit the County to perform it and to recover the cost out of Rent;
- (b) subject to any offsets or defenses expressly permitted under the Lease, including abatement rights which County might have had against Lessor;
- (c) bound by any rent or additional rent that County might have paid for more than one month in advance to Lessor; or
- (d) bound by an amendment or modification of the Lease even though

made without Lender's written consent and whether or not the amendment or modification materially adversely affect any right of Lessor under the Lease.

(e) subject to the County's right to assert continuing claims, such as material interference with the County's use and enjoyment of the premises, against the Lender.

6. **Right To Cure.** County agrees that, before County exercises any of its rights or remedies under the Lease, Lender shall have the right, but not the obligation, to cure the default within the same time given Lessor in the lease to cure the default, plus an additional thirty (30) days or ten (10) days in the case of defaults in the payment of money from Lessor to County. County agrees that the cure period shall be extended by the time necessary for Lender to commence foreclosure proceedings and to obtain possession of the Mortgage Premises, provided that:

(a) Lender shall notify County of Lender's intent to effect its remedy;

(b) Lender initiates immediate steps to foreclose on or to recover possession of the Mortgage Premises;

(c) Lender initiates immediate legal proceedings to appoint a receiver for the Mortgage Premises or to foreclose on or recover possession of the Mortgage Premises within the thirty (30) day period; and

(d) Lender prosecutes such proceedings and remedies with due diligence and continuity to completion.

7. **Assignment of Rents.** If Lessor defaults in its performance of the terms of the Loan Documents, County agrees to recognize the Assignment of Rents made by Lessor to Lender and shall pay to Lender, as assignee, from the time Lender gives County notice that Lessor is in default under the terms of the Loan Documents, the rents under the Lease, but only those rents that are due or that become due under the terms of the Lease after notice by Lender. Payments of rents to Lender by County under the assignment of rents and Lessor's default shall continue until the first of the following occurs:

(a) No further rent is due or payable under the Lease;

(b) Lender gives County notice that the Lessor's default under the Loan Documents has been cured and instructs County that the rents shall thereafter be payable to Lessor;

(c) The lien of the Mortgage has been foreclosed and the purchaser at the foreclosure sale (whether Lender or a Transferee) gives County notice of the foreclosure sale. On giving notice, the purchaser shall succeed to Lessor's interests under the Lease, after which time the rents and other benefits due Lessor under the Lease shall be payable to the purchaser as the owner of the Mortgage Premises.

8. **County's Reliance.** When complying with the provisions of Section 7, County shall be entitled to rely on the notices given by Lender under Section 7, and Lessor agrees to release, relieve, and protect County from and against any and all loss, claim, damage, or liability (including reasonable attorney's fees) arising out of County's compliance with such notice.

County shall be entitled to full credit under the Lease for any rents paid to Lender in accordance with Section 7 to the same extent as if such rents were paid directly to Lessor. Any dispute between Lender (or Lender's Transferee) and Lessor as to the existence of a default by Lessor under the terms of the Mortgage, the extent or nature of such default, or Lender's right to foreclosure of the Mortgage, shall be dealt with and adjusted solely between Lender (or Transferee) and Lessor, and County shall not be made a party to any such dispute (unless required by law).

9. **Lender's Status.** Nothing in this Agreement shall be construed to be an agreement by Lender to perform any covenant of the Lessor under the Lease unless and until it obtains title to the Mortgage Premises by power of sale, judicial foreclosure, or deed in lieu of foreclosure, or obtains possession of the Mortgage Premises under the terms of the Loan Documents.

10. **Cancellation of Lease.** County agrees that it will not cancel, terminate, or surrender the Lease, except at the normal expiration of the Lease term or as provided in the Lease.

11. **Special Covenants.** Despite anything in this Agreement or the Lease to the contrary, if Lender acquires title to the Mortgage Premises, County agrees that: Lender shall have the right at any time in connection with the sale or other transfer of the Mortgage Premises to assign the Lease or Lender's rights under it to any person or entity, and that Lender, its officers, directors, shareholders, agents, and employees shall be released from any further liability under the Lease arising after the date of such transfer, provided that the assignee of Lender's interest assumes Lender's obligations under the Lease, in writing, from the date of such transfer.

12. **Transferee's Liability (Non Recourse).** If a Transferee acquires title to the Mortgage Premises:

(a) County's recourse against Transferee for default under the Lease shall be limited to the Mortgage Premises or any sale, insurance, or condemnation proceeds from the Mortgage Premises;

(b) County shall look exclusively to Transferee's interests described in (a) above for the payment and discharge of any obligations imposed on Transferee under this Agreement or the Lease ; and

(i) Transferee, its officers, directors, shareholders, agents, and employees are released and relieved of any personal liability under the Lease;

(ii) County shall look solely to the interests of Transferee set forth in (a) above, and

(iii) County shall not collect or attempt to collect any judgment out of any other assets, or from any general or limited partners or shareholders of Transferee.

13. **Transferee's Performance Obligations.** Subject to the limitations provided in Sections 11 and 12, if a Transferee acquires title to the Mortgage Premises, the Transferee shall perform and recognize all County improvement allowance provisions, all rent-free and rent rebate provisions, and all options and rights of offer, in addition to Lessor's other obligations under the Lease.

14. **Notice.** All notices required by this Agreement shall be given in writing and shall be deemed to have been duly given for all purposes when:

(b) deposited with a nationally recognized overnight delivery service such as Federal Express or Airborne.
