**Summary (continued)**

On May 6, 2014 (3-22), the Board adopted Resolution No. 2014-107 allowing the Sheriff or his designee to submit an application for the U.S. Department of Homeland Security Fiscal Year 2013 Operation Stonegarden (OPSG) grant through the California Governor's Office of Emergency Services (Cal-OES). The project was designed to be conducted by the Sheriff's Department and Blythe Police Department in collaboration with the United States Border Patrol-Yuma Sector. The Sheriff's Department is now requesting budget adjustments of \$321,000 for the grant funds to complete the project.

OPSG within Riverside County, California will continue to be conducted by local law enforcement agencies in collaboration with the United States Border Patrol-Yuma Sector during the period of October 1, 2013 to September 30, 2015. The focus of the operation will be to increase law enforcement presence in areas identified through intelligence information as "high-entry" points and routes of egress used by narcotic smuggling and human trafficking organizations, or as central transportation hubs. Through the enforcement of the California Penal Code, Stonegarden officers will act as a second tier of Homeland Security operations in direct support of the National Border Patrol Strategy.

It is the intent of the Yuma Sector Chief Patrol Agent, to increase border security in direct coordination with the Riverside County Sheriff's Department and Blythe Police Department. OPSG does not extend Federal authority to County or Local law enforcement agencies to enforce Federal immigration laws. Riverside County Sheriff's Department and Blythe Police Department will focus on criminal suppression through identified ingress corridors pre-determined by intelligence based planning. Riverside County Sheriff's Department and Blythe Police Department will not enforce immigration violations but will concentrate on enforcing California Penal Codes along said ingress routes.

The Riverside County Sheriff's Department's goal is to achieve maximum deterrence of illegal activity within the borders of Riverside County by apprehending criminals involved in illicit acts and to increase opportunities for the collection of intelligence involving criminal organizations operating within the County. The Sheriff's Department will conduct increased patrol functions on days and at locations as intelligence dictates.

**Impact on Residents and Businesses**

The OPSG funding allows the Sheriff's Department and Blythe Police Department to continue to work in collaboration with the United States Border Patrol-Yuma Sector to achieve maximum deterrence of illegal activity within the borders of Riverside County by apprehending criminals involved in illicit acts and to increase opportunities for the collection of intelligence involving criminal organizations operating within the County.

Our citizens are safer as a direct result of the Homeland Security grant funding of this joint mission
