On July 1, 2008, the community of Wildomar incorporated into a city and Wildomar was no longer in the territorial jurisdiction of the former RDA, halting further RDA funding for development and construction of the Project. On September 27, 2010, California Senate Bill No. 977 was passed allowing the former RDA jurisdiction to fund further development and construction of the Project. During this time, the Partnership secured predevelopment loans against the property to fund work for entitlements, land carrying costs, design, architecture and engineering costs attributable to the Project including a \$2,500,000 loan from Farmers & Merchants Bank and a \$900,000 loan from Century Housing Corporation. The current outstanding amount for the predevelopment loans is \$1,503,036.61 plus interest and closing costs.

BACKGROUND:

Summary (Continued)

On June 29, 2011, Assembly Bill X1 26 (AB x1 26), which provided for the dissolution of all California redevelopment agencies, was adopted and enacted into law. California Redevelopment agencies were dissolved on February 1, 2012 such that the former RDA is now deemed a former redevelopment agency under Health and Safety Code section 34173 and AB x1 26, as modified by Assembly Bill No. 1484.

Pursuant to Health and Safety Code Section 34176 (a), and Housing Authority Resolution Nos. 2012-035, 2012-001 and 2012-005, all housing functions previously performed by the former RDA, including related rights, powers, duties, obligations, and housing assets (excluding amounts in the Low and Moderate Income Housing Fund and enforceable obligations retained by the successor agency) were transferred to the Housing Authority. On July 17, 2012, Housing Authority and Partnership entered into that certain Loan Agreement for Tres Lagos Senior Apartments in Wildomar in the amount of \$10,500,000 to develop the first phase of Tres Lagos Senior Apartments (Development Loan), an 81-unit apartment complex for low-income senior households in the City of Wildomar. The Parties understood that the implementation of AB 1484 may impact the funding of the development, so the loan was contingent upon approval of funding pursuant to AB x1 26 and AB 1484 and the transfer of funds from the Successor Agency to the Housing Authority.

On December 18, 2012, the California Department of Finance issued its final determination after a meet and confer process which concluded with the denial of funding for the project, thereby making the project infeasible. As a result, the Partnership and Housing Authority mutually desire to terminate the project and Partnership agrees to convey and transfer the vacant property to the Housing Authority. The property will remain available for low and moderate income housing purposes. The Partnership will have exclusive negotiating rights to develop the property for a period of three years from the close of escrow.

In order to convey and transfer the property, Partnership has requested \$1,600,000 from Authority to pay off the outstanding principal and interest on predevelopment loans for entitlements, land carrying costs, design, architecture and engineering costs attributable to Tres Lagos Senior Apartments in the City of Wildomar, and to pay transaction fees to consummate the transfer of the vacant property from Wildomar Tres Lagos Limited Partnership to the Housing Authority of the County of Riverside. Housing Authority has requested a loan from the County and proposes to repay the County loan from the sale of Housing Authority land assets.

The approval of the loan agreement will not have an adverse or significant impact on the environment as stated in CEQA Guidelines Section 15002. The County is simply loaning money to the Authority to acquire vacant land. There are no planned improvements.

County Counsel has reviewed and approved the attached Loan Agreement for the Use of County of Riverside General Funds as to form. Staff recommends the Board of Commissioners approve the Loan Agreement for the Use of County of Riverside General Funds. The term of the loan is two years.

Impact on Citizens and Businesses

Approving this item will preserve the County's investment to produce affordable housing for low-income households. The Housing Authority will continue to seek out an affordable housing project on the property which is expected to generate construction, permanent maintenance and property management jobs, and provide affordable housing for residents of the County of Riverside.
