According to California Health and Safety Code 1797.152, each Region has a Regional Disaster Medical Health Coordinator (RDMHC) and a Regional Disaster Medical Health Specialist (RDMHS) to facilitate medical mutual aid planning and coordination.

The RDMHC position is a volunteer position nominated by the medical/health professionals within a Region. The nomination is approved by the Directors of EMSA and the California Department of Public Health (CDPH). The Riverside County EMS Agency Director is the RDMHC for Region VI.

The RDMHS position is a paid position that is housed in Riverside County but funded by the California Emergency Medical Services Agency (EMSA) to support the activities of the RDMHC and the Region. The RDMHS assists in the development of a coordinated regional disaster medical and health response system.

The functions of the RDMHS are to manage and improve the regional medical and health mutual aid and mutual cooperation systems; coordinate medical and health resources; support development of the Operational Area Medical and Health Disaster Response System; and support the State medical and health response system through the development of information and emergency management systems.

This grant will support salary and benefits for the RDMHS as well as provide for travel and general office support.

EMSA did not receive this grant until mid September 2014.

Government Code Section 4553.

Those changes may include the substitution of specified activities or tasks; the minor alteration or substitution of contract deliverables and modifications to individual target dates (other than contract completion), and to delete tasks, deliverables, and/or objectives. Unless otherwise stipulated in this agreement, all such minor alterations or revisions are subject to written approval by EMS Authority before their implementation. No such alterations or revisions to the Statement of Work will be binding on either party until approved by both parties.

Should either party, during the term of this agreement, desire a change or amendment to the terms of this Agreement, such changes or amendments shall be proposed in writing to the other party, who will respond in writing as to whether the proposed changes/amendments are accepted or rejected. If accepted and after negotiations are concluded, the agreed upon changes shall be made through the State's official agreement amendment process. No amendment will be considered binding on either party until it is formally approved by both parties and the Department of General Services, if such approval is required.

3. Excise Tax

The State of California is exempt from federal excise taxes, and no payment will be made for any taxes levied on employees' wages.
