BACKGROUND:

Summary (continued)

THP-Plus services are intended to provide housing opportunities for emancipated youth from the ages of 18-24 years. The recommended contract with Aspiranet would include up to 33 emancipated youth, which would assist former foster youth in securing and maintaining housing while they seek employment, education, or other self-sufficiency sustaining tasks. The program objective is to improve outcomes for former foster youth by providing them with housing and comprehensive services after emancipation in order to break the cycle of homelessness, unemployment, poverty and incarceration. DPSS desires for foster youth to experience a supportive environment after emancipation as they transition to independence.

There are several THP-Plus models, however, DPSS desires to establish the Host Family Model (HFM) whereby a host family provides a safe, stable environment that supports and nurtures an existing relationship between an emancipated foster youth and a caring supportive adult who will assist the youth in becoming self-sufficient, and the Scattered Site Model (SS) whereby foster youth reside in housing located in several locations throughout the county that are owned or leased by the THP-Plus providers.

Impact on Residents and Businesses

These programs provide much needed assistance to emancipated youth who are in need of the THP-Plus services.

SUPPLEMENTAL:

Additional Fiscal Information

Funding for this contract is comprised of 100% State funds.

Contract History and Price Reasonableness

On April 9, 2014, Purchasing released a Request for Proposal DPARC-323, advertising on the County's Public Purchase website to 58 companies. Four (4) responses were received, with proposals submitted by Aspiranet, Citadel Community Development, Empower Gate, and Mental Health Systems.

The proposals were reviewed by an evaluation team consisting of personnel from DPSS. The evaluation team reviewed and scored each proposal based on the bidder's responsiveness to the requirements of the scope of service, experience/ability, credentials, references and the overall cost.

The Evaluators found Empower Gate to be non-responsive. The top three (3) highest evaluator scores were Aspiranet (52.2), Citadel Community Development (47.0), and Mental Health Systems (48.3). These three (3) were selected to respond to best and final questions on services and cost. Mental Health Systems rescinded their proposal. Aspiranet was selected to receive award based on the total overall score and to continue services with the current 33 emancipated youth, which allows the existing youth not to have any interruption in services. The table below shows the breakdown of cost from each vendor:

WHEREAS, County is a Covered Entity, as defined in the Privacy Rule; and,

WHEREAS, Contractor, when a recipient of PHI and/or ePHI from County, is a Business Associate as defined in the Privacy Rule; and,

WHEREAS, the parties agree that any disclosure or use of PHI and/or ePHI be in compliance with the Privacy Rule, Security Rule, or other applicable law;

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, the Parties agree as follows:

1. Definitions. Unless otherwise provided in this Addendum, capitalized terms shall have the same meanings as set forth in the Privacy Rule and/or Security Rule, as may be amended from time to time.
2. Scope of Use and Disclosure by Contractor of County Disclosed PHI and/or ePHI
 - A. Contractor shall be permitted to use PHI and/or ePHI disclosed to it by the County:
 - (1) On behalf of the County, or to provide services to the County for the purposes contained herein, if such use or disclosure would not violate the Privacy Rule and/or Security Rule;
 - (2) As necessary to perform any and all of its obligations under the Underlying Agreement.

 - (5) De-identify any and all PHI and/or ePHI of County received by Contractor under this Addendum provided that the de-identification conforms to the requirements of the Privacy Rule and/or Security Rule and does not preclude timely payment and/or claims processing and receipt.
- C. Contractor agrees that it will neither use nor disclose PHI and/or ePHI it receives from County or from another business associate of County, except as permitted or required by this Addendum, or as required by law, or as otherwise permitted by law.
- D. Notwithstanding the foregoing, in any instance where applicable state and/or federal laws and/or regulations are stricter in their requirements than the provisions of HIPAA and prohibit the disclosure of mental health, and/or substance abuse records, the applicable state and/or federal laws and/or regulations shall control the disclosure of records.

3. Obligations of County.

- A. County agrees that it will make its best efforts to promptly notify Contractor in writing of any restrictions on the use and disclosure of PHI and/or ePHI agreed to by County that may affect Contractor's ability to perform its obligations under the Underlying Agreement, or this Addendum.

- B. County agrees that it will make its best efforts to promptly notify Contractor in writing of any changes in, or revocation of, permission by any Individual to use or disclose PHI and/or ePHI, if such changes or revocation may affect Contractor's ability to perform its obligations under the Underlying Agreement, or this Addendum.
 - C. County agrees to make its best efforts to promptly notify Contractor in writing of any known limitation(s) in its notice of privacy practices to the extent that such limitation may affect Contractor's use of disclosure of PHI and/or ePHI.

 - E. County will obtain any authorizations necessary for the use or disclosure of PHI and/or ePHI, so that Contractor can perform its obligations under this Addendum and/or the Underlying Agreement.

 - B. Use reasonable and appropriate safeguards to prevent use or disclosure of PHI and/or ePHI other than as provided for by this Addendum.
 - C. To the extent practicable, mitigate any harmful effect that is known to Contractor of a use or disclosure of PHI and/or ePHI by Contractor in violation of this Addendum.
 - D. Report to County any use or disclosure of PHI and/or ePHI not provided for by this Addendum of which Contractor becomes aware.
 - E. Require sub-contractors or agents to whom Contractor provides PHI and/or ePHI to agree to the same restrictions and conditions that apply to Contractor pursuant to this Addendum.
 - F. Use appropriate administrative, technical, and physical safeguards to prevent inappropriate use or disclosure of PHI and/or ePHI created or received for or from the County.
 - G. Obtain and maintain knowledge of the applicable laws and regulations related to HIPAA, as may be amended from time to time.
5. Access to PHI, Amendment and Disclosure Accounting. Contractor agrees to:
- A. Provide access, at the request of County, within five (5) days, to PHI in a Designated Record Set, to the County, or to an Individual as directed by the County.
 - B. To make any amendment(s) to PHI in a Designated Record Set that the County directs or agrees to at the request of County or an Individual within sixty (60) days of the request of County.
 - C. To assist the County in meeting its disclosure accounting under HIPAA:

- (1) Contractor agrees to document such disclosures of PHI and information related to such disclosures as would be required for the County to respond to a request by an Individual for an accounting of disclosures of PHI.
 - (2) Contractor agrees to provide to County or an Individual, within sixty (60) days, information collected in accordance with this section to permit the County to respond to a request by an Individual for an accounting of disclosures of PHI.
 - (3) Contractor shall have available for the County the information required by this section for the six (6) years preceding the County's request for information (except the Contractor need have no information for disclosures occurring before April 14, 2003).
 - D. Make available to the County, or to the Secretary of Health and Human Services, Contractor's internal practices, books and records relating to the use of and disclosure of PHI for purposes of determining Contractor's compliance with the Privacy Rule, subject to any applicable legal restrictions.
 - E. Within thirty (30) days of receiving a written request from County, make available any and all information necessary for County to make an accounting of disclosures of County PHI by Contractor.
 - F. Within thirty (30) days of receiving a written request from County, incorporate any amendments or corrections to the PHI in accordance with the Privacy Rule in the event that the PHI in Contractor's possession constitutes a Designated Record Set.
 - G. Not make any disclosure of PHI that County would be prohibited from making.
6. Access to ePHI, Amendment and Disclosure Accounting. In the event contractor needs to create or have access to County ePHI, Contractor agrees to:
- A. Implement and maintain reasonable and appropriate administrative, physical, and technical safeguards to protect the confidentiality of, the integrity of, the availability of, and authorized persons' accessibility to, County ePHI as applicable under the terms and conditions of the Underlying Agreement. The ePHI shall include that which the Contractor may create, receive, maintain, or transmit on behalf of the County.
 - B. Ensure that any agent, including a subcontractor, to whom Contractor provides ePHI agrees to implement reasonable and appropriated safeguards.
 - C. Report to County any security incident of which Contractor becomes aware that concerns County ePHI.
7. Term and Termination.
- A. Term – this Addendum shall commence upon the Effective Date and terminate upon the termination of the Underlying Agreement, except as terminated by County as provided herein.
 - B. Termination for Breach – County may terminate this Addendum, effective immediately, without cause, if County, in its sole discretion, determines that Contractor has breached a material provision of this Addendum. Alternatively, County may choose to provide

Contractor with notice of the existence of an alleged material breach and afford Contractor with an opportunity to cure the alleged material breach. In the event Contractor fails to cure the breach to the satisfaction of County in a timely manner, County reserves the right to immediately terminate this Addendum.

- C. Effect of Termination – upon termination of this Addendum, for any reason, Contractor shall return or destroy all PHI and/or ePHI received from the County, or created or received by Contractor on behalf of County, and, in the event of destruction, Contractor shall certify such destruction, in writing, to County. This provision shall apply to all PHI and/or ePHI which is in possession of subcontractors or agents of Contractor. Contractor shall retain no copies of the PHI and/or ePHI.
- D. Destruction not Feasible – in the event that Contractor determines that returning or destroying the PHI and/or ePHI is not feasible, Contractor shall provide written notification to County of the conditions which make such return or destruction not feasible. Upon determination by Contractor that return or destruction of PHI is not feasible, Contractor shall extend the protections of this Addendum to such PHI and/or ePHI and limit further uses and disclosures of such PHI and/or ePHI to those purposes which make the return or destruction not feasible, for so long as Contractor maintains such PHI and/or ePHI.

8. Hold Harmless/Indemnification

Contractor shall indemnify and hold harmless all Agencies, Districts, Special Districts and Departments of the County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives from any liability whatsoever, based or asserted upon any services of Contractor, its officers, employees, subcontractors, agents or representatives arising out of or in any way relating to this Addendum, including but not limited to property damage, bodily injury, or death or any other element of any kind or nature whatsoever including fines, penalties or any other costs and resulting from any reason whatsoever arising from the performance of Contractor, its officers, agents, employees, subcontractors, agents or representatives from this Addendum. Contractor shall defend, at its sole expense, all costs and fees including but not limited to attorney fees, cost of investigation, defense and settlements or awards all Agencies, Districts, Special Districts and Departments of the County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives in any claim or action based upon such alleged acts or omissions.

Contractor's obligation to defend, indemnify and hold harmless County shall be subject to County having given Contractor written notice within a reasonable period of time of the claim or of the commencement of the related action, as the case may be, and information and reasonable assistance, at Contractor's expense, for the defense or settlement thereof. Contractor's obligation hereunder shall be satisfied when Contractor has provided to County the appropriate form of dismissal relieving County from any liability for the action or claim involved.

The specified insurance limits required in the Underlying Agreement of this Addendum shall in no way limit or circumscribe Contractor's obligations to indemnify and hold harmless the County herein from third party claims arising from the issues of this Addendum.

In the event there is conflict between this clause and California Civil Code Section 2782, this clause shall be interpreted to comply with Civil Code 2782. Such interpretation shall not relieve the Contractor from indemnifying the County to the fullest extent allowed by law.

In the event there is a conflict between this indemnification clause and an indemnification clause contained in the Underlying Agreement of this Addendum, this indemnification shall only apply to the subject issues included within this Addendum.

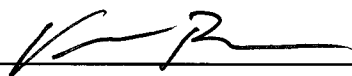

9. General Provisions.
