RECOMMENDED MOTION (Continued):

5. Authorize the Purchasing Agent, in accordance with Ordinance No. 459, to exercise renewal options based on the availability of fiscal funding, and to sign amendments that do not change the substantive terms of the Agreement, including amendments to the compensation provision that do not exceed the annual CPI rates.

BACKGROUND:

Summary (continued)

In accordance with Board Resolution No. 2010-045, approved by the Board on May 25, 2010 (Item 3.38), the authority to accept McKinney-Vento Homeless Assistance Act funding was delegated to the Director of DPSS. With the full execution of the attached Grant Agreements by HUD, the Grant Agreements are being submitted to the Board to receive and file as the official copies of record.

On June 17, 2014 the Department of Public Social Services received fully executed Grant Agreements from the HUD Los Angeles Field Office (electronically) which was signed on June 4th and May 29th by DPSS and HUD, respectively. Awarded agreements include the City of Riverside's Rapid Re-Housing project, Shelter from the Storm's Transitional Housing project, and Jewish Family Services of San Diego, Desert Horizon Permanent Supportive Housing (PSH) project.

Following are descriptions of two (2) new and one (1) renewal project for this grant period:

City of Riverside Rapid Re-Housing (\$216,313) - will provide temporary rental assistance and assistance with security deposits and utility deposits for homeless households with children, coupled with case management to stabilize families in housing that is affordable and safe.

Shelter from the Storm Transitional Housing- renewal (\$199,324) - will provide transitional housing for adult victims of domestic violence and their children in a secure apartment complex. The project provides various supportive services including mental health services and case management in order to facilitate an outcome of self-sufficiency.

Jewish and Family Services of San Diego Desert Horizon PSH (\$406,368) - will serve 18 eligible, chronically homeless individuals, in Riverside County with a permanent supportive housing program which will also provide supportive services through case management (CM), the gateway to a host of supportive services which will assist clients in obtaining and maintaining permanent housing at scattered site residences.

Impact on Residents and Businesses

Through the CoC Program the County of Riverside, along with its Subrecipients, continues to improve the lives of homeless men, women, and children through local planning efforts and through the direct housing and services programs funded under the FY 2013 competition.

Contract History and Price Reasonableness

For the 2013 NOFA, the County of Riverside Continuum of Care was awarded a total of \$8,130,478. When the 2014 NOFA was released, Continuums were notified by HUD that the level of funding would be reduced based on budgetary constraints and shifting funding priorities.

On January 31, 2014, DPSS, the Lead Agency and Collaborative Applicant for the County of Riverside Continuum of Care, submitted an application for the 2013 CoC Homeless Program Competition to the U.S.

Department of Housing and Urban Development (HUD). The application included twenty-two (22) Subrecipient projects. Of the twenty-two (22) projects, twenty-one (21) were allocated funding by HUD.

Historically, HUD has funded all projects included in the County of Riverside Continuum of Care consolidated application. However, for the 2013 CoC Homeless Program competition, funding priorities shifted from transitional housing projects to rapid re-housing and permanent supportive housing projects. As a result, the County of Riverside Continuum had one (1) transitional housing project that was not allocated funding by HUD.

1. Describe the experience of the applicant and potential subrecipients (if any), in effectively utilizing federal funds and performing the activities proposed in the application, given funding and time limitations.

Since 1996, DPSS has coordinated a Consolidated Application to HUD on behalf of the Riverside County CoC. DPSS manages the effective disbursement, accounting and monitoring of expenditures for 28 projects; and administers various federal and state funded programs, including: state ESG, TANF, Medi-Cal, SNAP and general relief programs. DPSS also is a lead in implementing the Affordable Care Act.

DPSS serves as the CoC Collaborative Applicant for 13 private non-profit and public agencies serving the county's homeless. The longevity and breadth of experience of these organizations includes managing various sources of federal and state funding to meet the complex needs of the homeless. Each project application provides more detail about their experience in administering federal funding.

DPSS also provides services through multiple federal and state funding sources, including: Temporary financial assistance and employment services; Programs and services to protect children and adults from abuse and/or neglect; and access to health care coverage to low income individuals and families.

The City of Riverside has previous experience administering a rental assistance program that was funded with HOME Investment Partnerships Program funds. The City has also provided Emergency Solutions Grant funds to the County of Riverside Economic Development Agency to provide rental assistance to individuals at risk of becoming homelessness and to place homeless individuals into housing. In both grants, all of the funds have been expended within the grant period to place homeless individuals into housing.

The City of Riverside's Rapid Re-Housing Program will help homeless households with children obtain housing and connect them to services that will help them become self-sufficient. The overall goal of the Rapid Re-Housing program is to reduce the number of homeless households with children.

The City's Rapid Re-Housing Case Manager will be working closely with the homeless coordinators at Riverside Unified School District and Alvord Unified School District, Path of Life Family Shelter staff and faith based organizations to identify homeless households with children living on the streets or in an emergency shelter and place them directly into housing coupled with case management.

The City's Housing Authority Project Assistant will be conducting onsite inspections of the apartment units identified by the case manager and clients to ensure that there are no health and safety issues and code violations that exist on the properties.

2. Describe the experience of the applicant and potential subrecipients (if any) in leveraging other Federal, State, local, and private sector funds.

DPSS and its 13 subrecipients are able to leverage additional federal/state funds and in-kind support through multiple resources that are used to serve homeless individuals/families that receive public assistance. Some examples of leveraging DPSS brings to the CoC includes:

- Mainstream benefits, including: SNAP, MediCal, TANF, CalWorks, General Relief, Child Care, and others.
- Funding and in-kind resources to administer the CoC program, including county general funds, Emergency Food and Shelter Program funds and state funding through the California Dept. of Social Services. These sources allow DPSS to provide the staffing infrastructure to meet the HUD mandates to maintain program and fiscal accountability.

Collectively, the 13 non-profit and government sub-recipients capably manage multiple programs that serve a specific homeless sub-population or other low-income individuals. Examples of federal/state funding sources leveraged by sub-recipients include: CDBG, ESG, HOPWA, VASH and SSVF funds for veterans, SAMSHA funds and EFSP.

The City of Riverside continues to leverage funds for its Supportive Housing Program for Disabled and Chronically Homeless grants through Community Development Block Grant funds, Housing Authority funds and General Funds. On an annual basis, the City provides a dollar for dollar match under the Emergency Solutions Grant Program and a 25% match under the HOME Investment Partnerships Program through federal, state, local and private funds.

Under the Rapid Re-Housing Program, the City will be leverage Housing Authority and General Funds.

3. Describe the basic organization and management structure of the applicant and subrecipients (if any). Include evidence of internal and external coordination and an adequate financial accounting system.

DPSS provides administrative fiscal and programmatic oversight of all HUD CoC funded projects through its Homeless Programs Unit that works closely with other DPSS units to manage the CoC. The DPSS fiscal staff is responsible for processing the claims and drawing down funds in the LOCCS system. DPSS's Contracts Unit also assists with monitoring projects annually. DPSS provides sufficient staffing to manage the regular administrative tasks of the CoC, including: Monitoring and auditing CoC projects; Ensuring projects are adhering to appropriate internal fiscal control and fund accounting procedures; and tracking CoC project expenditures to ensure the sub-recipient is expending funds.

DPSS Fiscal staff uses a Fund Accounting and a Chart of Accounts process within the County's Oasis financial system to record and track sub-recipients' funding and payments in accordance with State Cash Management regulations. Subrecipients follow the federal guidelines in accordance with Federal Regulation 24 CFR and the rules, regulations and responsibilities as mandated by HUD.

The Rapid Re-Housing Program will be structured in the following manner:

- Program Manager: Oversee the management of the Rapid Re-Housing Program, review and approve grant expenditures and ensure staff is meeting expenditure deadlines
- Case Manager: Work with the local school districts, family shelter staff and faith based organizations to identify homeless households with children, locate housing for clients, provide supportive services coupled with ongoing case management, input client data into HMIS data and complete APRs and any other reports required under the CoC grant.
- Housing Project Assistant: Inspect housing units identified by the case manager and clients to ensure no health and safety issues and code violations exist on properties
- Homeless Project Assistant: Process request for payments after Program Manager has approved them, submit monthly claims to Riverside County DPSS for reimbursement of program expenditures, provide program staff with bi-weekly grant reports, and reconcile program expenditures with grant reimbursements.
- Fiscal Administrator and Accounting Clerk: Process the necessary paperwork to the City's Finance Department to process checks for request for payments, deposit funds received from Riverside County Department of Social Services and complete journal entries to move salary expenditures under the grant account after the City has been reimbursed for expenditures

4a. Are there any unresolved monitoring or audit findings for any HUD grants (including ESG) operated by the applicant or potential subrecipients (if any)? No

If more than one Provider or mode of Access is relevant for a single service, please select the provider and mode of access that corresponds to the highest frequency.

- Provider: select one of the following: "Applicant" to indicate that the applicant will provide the service directly; "Subrecipient" to indicate that a subrecipient will provide the service directly; "Partner" to indicate that an organization that is not a subrecipient of project funds but with whom a formal agreement or MOU has been signed will provide the service directly; or, "Non-Partner" to indicate that a specific organization with whom no formal agreement has been established regularly provides the service to clients. If more than one provider offers the service at the same frequency, choose the provider closest to the grant funds (i.e. Applicant, then Subrecipient, then Partner, and lastly, non-Partner).

- Access: Select the most common method of access for participants. If more than one mode is equally common, choose the most convenient.

- Frequency: Select the most common interval of time for which the service is accessible to participants. If two frequencies are equally common, choose the interval with the highest frequency.

Applicants may leave dropdown menus as "—select—" when services are not applicable.

To what extent are most community amenities available to project participants: This field is required. Select the answer that best fits the accessibility of community amenities such as: Schools, libraries, houses of worship, grocery stores, laundromats, doctors, dentists, parks or recreation facilities. If accessibility varies significantly by amenity, choose the level that best describes most of the amenities or the average accessibility of amenities.

1a. Are the proposed project policies and practices consistent with the laws related to providing education services to individuals and families? Yes

1b. Does the proposed project have a designated staff person to ensure that the children are enrolled in school and receive educational services, as appropriate? Yes

2. Describe how participants will be assisted to obtain and remain in permanent housing.

The program's case manager will work closely with each household to identify why the household became homeless and help the household address these barriers to ensure housing stability. The case manager will connect clients to resources including benefits that the household may be eligible for, assist with employment opportunities, and provide supportive services to address the household's basic needs.

3. Describe specifically how participants will be assisted both to increase their employment and/or income and to maximize their ability to live independently.

The case manager will first determine whether there are any benefits that the household would be eligible for and then assist clients with obtaining employment. At the Riverside Access Center, the City has a volunteer that assists homeless individuals with putting a resume together, applying for employment online and looking for job opportunities online.

Clients will be encouraged to move into affordable apartments to ensure that when their rental assistance has been exhausted clients will be able to afford their monthly rent and remain living independently in housing.

4. For all supportive services available to participants, indicate who will provide them, how they will be accessed, and how often they will be provided.

4B. Housing Type and Location

The following list summarizes each housing site in the project. To add a housing site to the list, select the  icon. To view or update a housing site already listed, select the  icon.

Total Units: 8

Total Beds: 22

Total Dedicated CH Beds: 0

Total Non-Dedicated CH Beds: 22

Housing Type	Units	Beds	CH Beds

4B. Housing Type and Location Detail

Instructions:

A unique detail form should be completed for each structure. In the case of clustered apartments, a single complex with multiple addresses may be entered on one detail form. In the case of scattered-site apartments, all scattered-site units within a single FMR area may be entered on one detail form.

Housing Type: This is a required field. Select the proposed Housing Type from the dropdown menu. Refer to the Project Application Detailed Instructions for a definition of each Housing Type.

Indicate the maximum number of units and beds available for project participants at the selected housing site: This is a required field. Indicate the number of units and beds that will be served by this project.

How many of the total beds entered in "b. Beds" are dedicated to the chronically homeless: This is a required field. Based on the number of beds listed in the above question, how many, if any, of the beds are dedicated for the chronically homeless. "Dedicated" chronically homeless beds can ONLY be used by chronically homeless persons. If none of the beds are dedicated to the chronically homeless, enter "0." If this is a new reallocated PSH project, the CoC Program NOFA requires that all beds must be dedicated to the chronically homeless.

How many of the total beds entered in "b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs: This is a required field. In this field, indicate the number of beds that are not dedicated to the chronically homeless but where the chronically homeless will have priority for admission when a bed becomes available.

Address: This is a required field. Enter the physical address for this proposed project. For Scattered-site housing, programs should enter the address where the majority of beds are located or where most beds are located as of the application submission. For scattered-site apartments or clustered apartments with different addresses, applicants may also choose to enter an administrative address.

Select the geographic area(s) associated with the address: This is a required field. Select the geographic location(s) of the selected Housing Type.

5C. Outreach for Participants

Instructions:

Enter the percentage of homeless person(s) who will be served by the proposed project for each of the following locations: This is a required field. The population to be served must meet program eligibility requirements in the CoC Program interim rule and additional eligibility requirements in the FY 2013 CoC Program NOFA for permanent supportive housing and rapid re-housing. For more information see section V.E.4a-b of the CoC Program NOFA. To complete this table, enter the percentage (between 0% and 100%) of participants that will be coming from each of the following locations:

- Directly from the street or other locations not meant for human habitation (PSH and RRH)
- Directly from emergency shelters (PSH and RRH)
- Directly from safe havens (PSH only)
- From transitional housing and previously resided in a place not meant for human habitation or emergency shelters, or safe havens (PSH only)
- Persons fleeing domestic violence (PSH and RRH)

Total of above percentages: The percentages entered will automatically sum when all required fields are entered and the "Save" button is clicked. A warning message will appear if the total is greater than 100%.

If the total is less than 100 percent, identify how the persons meet HUD's definition of homeless and the project type eligibility requirements: This field is required if the total percentage calculate above is less than 100 percent. If required, explain where the unaccounted for participants will come from. All participants served in CoC Program funded projects must meet eligibility criteria set forth in the CoC Program interim rule and the FY 2013 CoC Program NOFA.

Describe the outreach plan to bring these homeless participants into the project: This field is required. Describe how the applicant/subrecipient plans to bring homeless persons into the project. Also describe the contingency plan that the applicant/subrecipient will implement if the project experiences difficulty in meeting the requirements to serve exclusively chronically homeless individuals and/or families. The contingency plan may include re-evaluating the intake assessment procedures or outreach plan.

Additional Resources can be found at the OneCPD Resource Exchange:
<https://www.onecpd.info/e-snaps/guides/coc-program-competition-resources/>

1. Enter the percentage of project participants that will be coming from each of the following locations.

30%	Directly from the street or other locations not meant for human habitation.
70%	Directly from emergency shelters.
0%	Directly from safe havens.
0%	From transitional housing and previously resided in a place not meant for human habitation or emergency shelters, or safe havens.
0%	Persons fleeing domestic violence.
100%	Total of above percentages

2. If the total is less than 100 percent, identify how the persons meet HUD's definition of homeless and the project type eligibility requirements.

3. Describe the outreach plan to bring these homeless participants into the project.

The Rapid Re-Housing Program case manager will work closely with the Riverside Unified School District and Alvord Unified School District's homeless coordinators, Path of Life's Family Shelter staff and faith based organizations to identify homeless households with children that can be placed directly in to housing and connected to main stream benefits. The case manager will work closely with clients to: 1) increase the household's income by obtaining mainstream benefits or obtaining employment, and 2) to maintain housing stability.

5D. Discharge Planning Policy

1. Has the state or local government developed or implemented a discharge planning policy or protocol to prevent or reduce the number of persons discharged from publicly-funded institutions (e.g. health care facilities, foster care, correctional facilities, or mental health institutions) into homelessness or HUD McKinney-Vento funded programs? Yes

6A. Standard Performance Measures

Instructions:

Housing Measures: This is a required field. Persons remaining in permanent housing as of the end of the operating year or exiting to permanent housing (subsidized or unsubsidized) during the operating year: Count each participant who is still living in your units supported by your facility, or clients who have exited your units and moved into another permanent housing situation.

Income Measure: This is a required field where at least one option must be chosen by the project applicant.

- a. Persons age 18 and older who maintained or increased their total income (from all sources) as of the end of the operating year or program exit: Not applicable for youth below the age of 18. Total income can include all sources, public and private
- b. Persons age 18 through 61 who maintained or increased their earned income as of the end of the operating year or program exit: Not applicable for youth below the age of 18. Earned income should only include income from wages and private investments, and not public benefits.

For each measure, enter a number in the blank cells according to the following instructions:
Universe (#): Enter the total number of persons about whom the measure is expected to be reported. The Universe is the total pool of persons that could be affected.

Target (#): Enter the number of applicable clients from the universe who are expected to achieve the measure within the operating year. The Target is the total number of persons from the pool that are affected.

Target (%): This field will be calculated automatically when all required fields are entered and saved. For example, if 80 out of 100 clients are expected to remain in the permanent housing program or exit to other permanent housing, the target % should be "80%."

7A. Funding Request

Instructions:

Will it be feasible for the project to be under grant agreement by September 30, 2015: This is a required field. Select "Yes" or "No" to indicate if this project application is awarded if it will be in a position to begin operating by September 30, 2015. The FY 2013 HUD Appropriations Act requires HUD to obligate FY 2013 CoC Program funds by this date. If "No" is selected, or if the deadline is not met may result in the rejection of a grant or the recapture of conditionally awarded funds.

Is the project proposing to use funds reallocated from the CoC's annual renewal demand: Select "Yes" if this project application was created through the use of funds reallocated from one or more eligible renewal projects.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select "Yes" or "No" to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult OMB circulars A-122 and A-87 and contact your local HUD office.

Select a grant term: This is a required field. Select the term of the proposed project application. The selection here will determine how the "Summary Budget" will calculate the total funding request. Please refer to the NOFA for details concerning grant terms and years of funding for different project types and eligible costs.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budgets for which funding is being requested. The choices available will depend on the project type selected on Form 3B. The following eligible cost budgets may be listed: acquisition/rehabilitation/new construction, leased units, leased structures, short-term/medium-term rental assistance, long-term rental assistance, supportive services, operations, and HMIS. Indicate only those activities for which the applicant is requesting funding from HUD through the FY 2013 CoC Program competition.

If you do not see the eligible cost budgets that you expected, you may need to return to form "3B. Project Description" to review the type of project selected. For example, a rental assistance project that does not see the "Long-term rental assistance" budget may have incorrectly identified as a rapid re-housing project. See the FY2013 CoC Program NOFA for additional guidance.

7G. Supportive Services Budget

Instructions:

Enter the quantity and total budget request for each supportive services cost. The request entered should be equivalent to the cost of one year of the relevant supportive service.

Eligible Costs: The system populates a list of eligible supportive services for which funds can be requested. The costs listed are the only costs allowed under 24 CFR 578.53.

Quantity AND Description: This is a required field. Enter the quantity in detail (e.g. 1 FTE Case Manager Salary + benefits, or child care for 15 children) for each supportive service activity for which funding is being requested. Failure to enter adequate "Quantity AND Detail" may result in conditions being placed on an award and a delay of grant funding.

Annual Assistance Requested: This is a required field. For each grant year, enter the amount of funds requested for each activity. The amount entered must only be the amount that is DIRECTLY related to providing supportive services to homeless participants.

Total Annual Assistance Requested: This field is automatically calculated based on the sum of the annual assistance requests entered for each activity.

Grant Term: This field is populated based on the grant term selected on form "7A. Funding Request" and will be read only.

Total Request for Grant Term: This field is automatically calculated based on the total amount requested for each eligible cost multiplied by the grant term.

All total fields will be calculated once the required field has been completed and saved.

Additional Resources can be found at the OneCPD Resource Exchange:

Quantity AND Description: This is a required field. Enter the quantity in detail (eg. .75 FTE hours and benefits for staff, utility types, monthly allowance for food and supplies) for each HMIS cost for which funding is being requested. Instructions:

Match and Leverage are two distinct categories of funds from other sources that will be used in conjunction with this project, if awarded. Match (cash or in-kind) must be used for eligible program costs only and must be equal or greater than 25% of the total grant request for all eligible costs under the CoC Program interim rule with the exception of leasing costs. Leverage funds can be used for any program related costs and there is no minimum requirement; however, the determination of the CoC's leveraging score will be calculated using data from this form. Please review the CoC Program interim rule and the FY2013 CoC Program NOFA for more detailed information concerning Match and Leverage.

Will this commitment be used towards Match or Leverage? Select Match or Leverage to categorize each commitment being entered.

Type of Commitment: Select Cash (\$) or In-kind (non-cash) to denote the type of contribution that describes this match or leveraging commitment.

Type of Source: Select Private or Government to denote the source of the contribution. The Neighborhood Stabilization Program (NSP) and HUD-VASH (VA Supportive Housing program) funds may be considered Government sources. Project applicants are encouraged to include funds from these sources, whenever possible. A CoC may receive a higher leveraging score if any of its project applicants identify NSP funds as a source of leverage for one or more projects.

Name the Source of the Commitment: Be as specific as possible (e.g. HHS PATH Grant, Community Service Block Grant, Hilton Foundation Grant to End Chronic Homelessness) and include the office or grant program as applicable. Enter the name of the entity providing the contribution. It is important to provide as much detail as possible so that the local HUD office can quickly identify and approve of the commitment source.

Date of Written Commitment: Enter the date of the written contribution.

Value of written commitment: Enter the total dollar value of the contribution.

The values entered on each detailed Match/Leverage form will populate the summary form. The Cash, In-Kind, and Total Match will also automatically populate the Summary budget where the 25% match minimum will be calculated and applied.

7K. Summary Budget

Instructions:

The system populates a summary budget based on the information entered into each preceding budget form. Review the data and return to the previous forms to correct any inaccurate information. All fields are read only with exception to the field "9. Admin (Up to 10%)."

Admin (Up to 10%): Enter the amount of funds requested for administration funds. If an ineligible amount is entered, the system will report an error and prevent application submission when the form is saved.

Total Assistance plus Admin Requested: This field is automatically populated based on the amount of funds requested on the various budgets completed by the project applicant and Admin costs requested. This is the total amount of funding the project applicant will request in the FY 2013 CoC Program Competition.

Cash Match: This field is automatically populated. If it needs to be changed, return to form "7I. Sources of Match/Leverage" to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to form "7I. Sources of Match/Leverage" to make changes to this field.

Total Match: This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field "Total Eligible Costs Request" minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to form "7J. Sources of Match/Leverage" to make changes.

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement.

The Total Budget automatically calculates when you click the "Save" button.

The following information summarizes the funding request for the total term of the project. However, the appropriate amount of cash and in-kind match and administrative costs must be entered in the available fields below.

Instructions:

Subrecipient Nonprofit Documentation: Documentation of the subrecipient's nonprofit status must be uploaded, if the applicant and project subrecipient are different entities, and the subrecipient is a nonprofit organization.

Other Attachment(s): Attach any additional information supporting the project funding request. Use a zip file to attach multiple documents.

If indicated on Forms 3A and/or 3B, the following additional attachment screens may be visible that should be used instead of Form 8A. Attachments:

CoC Rejection Letter: Projects that are applying for CoC funds and that have been rejected for the competition by their CoC (Solo Projects) must submit documentation from the CoC verifying and explaining why the project has been rejected.

Certification of Consistency with Consolidated Plan: Each applicant that is not a State or unit of local government is required to have a certification by the jurisdiction in which the proposed project will be located that the applicant's application for funding is consistent with the jurisdiction's HUD-approved consolidated plan. The certification must be made in accordance with the provisions of the consolidated plan regulations at 24 CFR part 91, subpart F. For most projects, the certification is attached to the CoC Application with a list of all associated projects. However, for projects that selected "No CoC" on form 3A, a form HUD-2991 must be obtained and signed by the certifying official for the applicable jurisdiction, indicating that the proposed project will be consistent with the Consolidated Plan.
