

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

FROM: Supervisor Marion Ashley
On behalf of the THIRD DISTRICT

SUBMITTAL DATE:
December 9, 2014

SUBJECT: Increase Number of Members of the Board of Trustees of the Murrieta Valley Cemetery District

RECOMMENDED MOTION: That the Board of Supervisors:

1. Conduct a public hearing pursuant to Health and Safety Code section 9025 to consider Resolution 14-10-28-1 of the Board of Trustees of the Murrieta Valley Cemetery District requesting an increase in the number of members of the Murrieta Valley Cemetery Board of Trustees from three to five;
2. Close the public hearing; and
3. Adopt Resolution No. 2014- 233 increasing the number of members of the Board of Trustees of the Murrieta Valley Cemetery District from three to five.

BACKGROUND: The Murrieta Valley Cemetery District (District) is an independent special district formed in 1938 to meet the specific need of cemetery services in the community of Murrieta. The governing Board of Trustees currently has three members. The District owns and operates one cemetery (Laurel Cemetery). On October 28th, 2014, the Board of Trustees of the District adopted Resolution 14-10-28-1 (Resolution) requesting the Board of Supervisors increase the number of members of the Board of Trustees from three to five. The District thereafter submitted the Resolution to the Board of Supervisors for consideration in accordance with Health and Safety Code section 9025.

The District Board of Trustees believe this request is necessary for the following reasons: (1) the array of services that the residents are offered at the District would be better represented through the five member Board of Trustees; (2) the increase will help reduce the risk of any possible delayed issue resolution that a three member Board of Trustees might experience should two of those members be out sick or on vacation at the same time (this would result in the required quorum not being met prolonging any resolution of a resident's concerns or policy and procedure matters); and (3) a five member Board of Trustees will quickly and efficiently build the confidence and trust of the residents living in the community of Murrieta.

Marion Ashley
Marion Ashley, Supervisor,
On behalf of the THIRD DISTRICT

MINUTES OF THE BOARD OF SUPERVISORS

As you may know, we have received the attached resolution adopted by the Board of Trustees of the Murrieta Valley Cemetery District dated 10/28/14 requesting that the Board of Supervisors increase the number of trustees on the board from 3 to 5 pursuant to California Health & Safety Code section 9025(a). The vote was 2 – 1 with Vice-Chairperson McConnell dissenting.

The code requires that the Board of Supervisors consider the resolution at a public hearing within 60 days of receipt (10/31/14) which means that the public hearing must occur no later than the Board's last meeting in December (12/16/14). The hearing requires 10 days public notice as well as notice to the District and any other person who has filed a written request for notice with the clerk of the board. At the hearing, the board shall receive and consider any written or oral comments regarding the resolution. After receiving those comments, the board may adopt a resolution that orders the increase in the number of members of the board of trustees.

If the board adopts the resolution ordering an increase in the number of members, the board shall *promptly* appoint persons to the board of trustees and specify their term of office consistent with the code. There is no specific timetable to make the appointments. The terms are staggered four year terms. If the board increases the number of trustees, it may, as part of the same board agenda item, make the appointments or make the appointments in a separate action promptly thereafter.

By way of background, public cemetery districts were created by the state legislature in 1909 to assume responsibility for the

ownership, improvement, expansion, and operation of cemeteries and the provision of interment services from fraternal, pioneer, religious, social, and other organizations that were unable to provide for those cemeteries. The district is deemed an "independent special district" under the law. The districts continue to have broad statutory authority to own, improve, expand, and operate public cemeteries that provide respectful and cost-effective interments.

I am looking for guidance and direction on this request. Specifically, who would you like for me to work with on this matter? Thank you for your time.
