## Background

**Senate Bill No. 341** was an act to amend Section 34176 of, and to add Section 34176.1 to, the Health and Safety Code, relating to redevelopment.

This Bill retains the housing provisions of the Community Redevelopment Law (CRL) but alters many other provisions of the law including among others the provisions relating to planning and administrative costs and income targeting provisions, expenditures of Low Moderate Income Housing Asset Fund for the development of rental housing for households earning 30% or less of Area Median Income, restrictions in developing senior rental housing projects, allowing the housing successor agencies to transfer funds among themselves, requiring the housing successor agency that has not expended excess surplus funds within three years to transfer the surplus to the Department of Housing and Community Development (HCD), and initiation of the development activities on any land the housing successor agency obtained from the former redevelopment agency within five years after Department of Finance confirmed the property as a housing asset, and preparation of an annual report on detailed housing information and post them on the housing successor agency's website.

**Assembly Bill No. 1793** was an act to amend Section 34176.1 of the Health and Safety Code, relating to redevelopment which requires that posted information to also include, as specified, an inventory of homeownership units assisted by the former redevelopment agency or the housing successor that are subject to covenants or restrictions or to an adopted program that protects the former redevelopment agency's investment of moneys from the Low and Moderate Income Housing Fund.

## SUMMARY

On June 29, 2011, Assembly Bill X1 26 (AB x1 26), which provided for the dissolution of all California redevelopment agencies, was adopted and enacted into law. California Redevelopment Agencies were dissolved on February 1, 2012. The Housing Authority of the County of Riverside under Board Resolution Nos. 2012-035, 2012-001 and 2012-005 accepted all housing functions previously performed by the former Redevelopment Agency for the County of Riverside and is now the housing successor agency. The Housing Authority also entered a Memorandum of Understanding with the City of Coachella on June 4, 2013 accepting the transfer of housing assets and functions of the former Coachella Redevelopment Agency to the Housing Authority.

The Housing Authority of the County of Riverside has prepared this Annual Housing Successor Report for Fiscal Year 2013-2014 in its capacity as housing successor to the former Redevelopment Agency for the County of Riverside (**HASA**) and as housing successor to the former Coachella Redevelopment Agency (**CSA**). The report will be posted on the Housing Authority website at <http://www.harivco.org/SuccessorAgency/tabid/161/Default.aspx>.

Pursuant to California Health and Safety Code 34176.1(f), the housing successor shall conduct, and shall provide to its governing body, an independent financial audit of the Low and Moderate Income Housing Asset Fund within six months after the end of each fiscal year, which may be included in the independent financial audit of the host jurisdiction. If the housing successor is not a city or county, it shall also provide to its governing body and post on its Internet Web site all of the following information for the previous fiscal year:

The list of housing assets, loans, and grants of the former Coachella Redevelopment Agency has not been approved by the Department of Finance. The Housing Authority is working with the City of Coachella to have the housing asset list approved by the City Council on November 12, 2014. After such approval, the housing asset list will be forwarded to the Oversight Board of the Successor Agency to the Coachella Redevelopment Agency. Once approved, the housing asset list will be submitted to the Department of Finance for further review and approval. The following attached lists, were submitted to the Coachella City Council.

**HASA:**

After a meet and confer session the Department of Finance (DOF) approved the housing asset transfer on February 15, 2013. All the properties were acquired prior to February 1, 2012 and the Housing Authority will initiate development activities on these land assets within five years of DOF approval which is February 15, 2018. (**See Attachment E1**)

**CSA:**

The Housing Authority entered into a Memorandum of Understanding (MOU) with the City of Coachella on June 4, 2013 accepting the transfer of housing assets and functions of the former Coachella Redevelopment Agency. However the list of assets that were submitted prior to the MOU by the City of Coachella were never finalized and approved by the Department of Finance. Housing Authority has been working with the City staff to finalize the list of loans/grants and asset transferred. The final list will be on the City of Coachella agenda on November 12, 2014 and upon approval the list will be forwarded to the Oversight Board and Department of Finance for review and approval. (**See Attachment E2**)

**Requirement (8) A description of any outstanding obligations pursuant to Section 33413 that remained to transfer to the housing successor on February 1, 2012, of the housing successor's progress in meeting those obligations, and of the housing successor's plans to meet unmet obligations. In addition, the housing successor shall include in the report posted on its Internet Web site the implementation place of the former redevelopment agency.**

Under Section 33413, whenever dwelling units housing persons and families of low- or moderate-income are destroyed or removed from the low- and moderate-income housing market as part of a redevelopment project that is subject to a written agreement with the redevelopment agency or where financed assistance has been provided by the redevelopment agency, the redevelopment agency shall, within 4 years of the destruction or removal, rehabilitate, develop, or construct, or cause to be rehabilitated, developed, or constructed, for rental or sale to persons and families of low- or moderate-income, an equal number of replacement dwelling units that have an equal or greater number of bedrooms as those destroyed or removed units at affordable housing costs within the territorial jurisdiction of the redevelopment agency.

**HASA:**

The Housing Authority does not have any outstanding obligations pursuant to Section 33413. The activity reported below is for the period of July 1, 2011 through June 30, 2014:

- A total of 857 units were created, 362 of those units are restricted by recorded affordability covenants.
- A total of 170 units containing 372 bedrooms were demolished thus creating a replacement obligation. All the demolished units were replaced with 362 constructed units containing 1,098 bedrooms; therefore the Housing Authority has met its replacement obligation.

The Implementation Plan for the former Redevelopment Agency for the County of Riverside will be posted on the Housing Authority website at:

**<http://www.harivco.org/SuccessorAgency/tabid/161/Default.aspx>**

**CSA:**

The City of Coachella could not provide the Implementation Plan of the former Coachella Redevelopment Agency and any information regarding outstanding replacement obligations that remained to be transferred to the housing successor.

**Requirement (9) The information required by subparagraph (B) of paragraph (3) of subdivision (a).**

This provision requires the housing successor agency to demonstrate in the Annual Report for 2019 and every five years thereafter to expend all funds remaining in the Low and Moderate Income Housing Asset Fund after expenditures allowed for program administration and monitoring for the development of rental housing affordable to and occupied by households earning 30% or less of the Area Median Income.

**HASA:**

The Housing Authority has expended \$14,912 for the development of rental housing and will meet the statutory requirement of the law within the 5 years deadline by 2019.

**CSA:**

The Housing Authority has not expended any funds for the development of rental housing.

**Requirement (10) The percentage of units of deed-restricted rental housing restricted to seniors and assisted individually or jointly by the housing successor, its former redevelopment agency, and its host jurisdiction within the previous 10 years in relation to the aggregate number of units deed-restricted rental housing assisted individually or jointly by the housing successor, its former redevelopment agency, and its host jurisdiction within the same time period.**

The provision under the Health and Safety Code would require that if the aggregate number of units of deed-restricted rental housing restricted to seniors and assisted by the housing successor, its former redevelopment agency, and its host jurisdiction with the previous 10 years exceeds 50% of the aggregate number of units of deed-restricted rental housing assisted by the housing successor, its former redevelopment agency, and its host jurisdictions within the same period, then the housing successor shall not expend these funds to assist additional senior housing units until the housing successor or its host jurisdiction assists, and construction has started on, a number of units available to all persons regardless of age that is equal to 50% of the aggregate number of units of deed-restricted rental housing units assisted by the housing successor, its former redevelopment agency, and its host jurisdiction within the same time period.

**HASA:**

The percentage of deed-restricted rental housing restricted to seniors to the aggregate deed-restricted rental units for the previous 10 years ending 6/30/2014 is **43%**.  
**(See Attachment F1)**

**CSA:**

The percentage of deed-restricted rental housing restricted to seniors to the aggregate deed-restricted rental units for the previous 10 years ending 6/30/2014 is **8%**.  
**(See Attachment F2)**

**Requirement (11) The amount of any excess surplus, the amount of time that the successor agency has had excess surplus, and the housing successor's plan for eliminating the excess surplus.**

An excess surplus is defined as the "unencumbered amount in the account that exceeds the greater of one million dollars (\$1,000,000) or the aggregate amount deposited into the account during the housing successor's preceding four fiscal years, whichever is greater".

**HASA:**

The liability refers to the amount that the Housing Authority owes its employees for leave balances multiplied by the hourly rate.

Mr. Robert Field, Executive Director  
County of Riverside Economic Development Agency  
P.O. Box 1180  
Riverside, CA 92502

Dear Mr. Field:

Subject: Housing Assets Transfer Form

This letter supersedes Finance's Housing Asset Transfer Form letter dated August 31, 2012. Pursuant to Health and Safety Code (HSC) section 34176 (a) (2), the County of Riverside Economic Development Agency as Housing Successor Agency (Agency) submitted a Housing Assets Transfer Form (Form) to the California Department of Finance (Finance) on August 1, 2012, for the period February 1, 2012 through on August 1, 2012. Finance issued its determination related to those transferred assets on August 31, 2012. Subsequently, the Agency requested a Meet and Confer session on one or more items that was objected to by Finance. The Meet and Confer session was held on February 1, 2013.

Based on a review of additional information and documentation provided to Finance during the Meet and Confer process, Finance has completed its review of those specific items being disputed.

- Exhibit A, Item 1 – Highgrove Family Apartments. Finance no longer objects to the transfer of this item. The Agency provided adequate documentation establishing this item is a for low and moderate income housing purposes pursuant to HSC section 34176 (e) (1). Finance notes that the Assessor Parcel Number (APN) noted on the Form has a typographical error. The APN should reflect 255-070-013; not 255-070-018.

In addition, Finance continues to object to the transfer of the following item not disputed by the Agency:

- Exhibit C, Item 18 – Board resolution dated August 4, 2011 documents the commitment of low and moderate income housing funds to Paseo de Los Heroes III; however, no contract was in place for this encumbrance. HSC section 34163 (b) prohibits an agency from entering into a contract with any entity after June 27, 2011.

This is Finance's final determination related to the assets reported on your Form. Except for items disallowed as noted above, Finance is not objecting to the remaining items listed on your Form. Assets transferred deemed not to be a housing asset shall be returned to the successor agency.

## **Attachment D1 - HASA Project Descriptions and Status**

Requirement (6), a description of any project for which Housing Successor receives, or holds property tax revenue, pursuant to the Recognized Obligation Payment Schedule (ROPS), and the status of that project.

The applicable ROPS for the reporting period from July 1, 2013 through June 30, 2014 are ROPS 13-14A and ROPS 13-14B (ROPS V). (See attachment D2)

*The following project status excludes weed abatement and demolition activities:*

### ROPS line item 286 and 287 – Tres Lagos Senior Apartments

#### Description:

On June 5, 2007, the former Redevelopment Agency for the County of Riverside (RDA) approved \$4,365,000 in Redevelopment Low and Moderate-Income Housing Taxable Bond proceeds to an affordable housing developer to acquire 10.16 acres of land for the development and construction of a 204-unit apartment complex for low-income senior households. The project is located in the former unincorporated area of the County of Riverside in the community of Wildomar, east of Arnett Road, west of Fox Ridge Lane and south of Catt Road with Assessor's Parcel Numbers (APN) 380-100-008, 380-100-009, 380-100-010, 380-100-011 and 380-100-012. On July 17, 2012, HASA and developer entered into that certain Loan Agreement for Tres Lagos Senior Apartments in the amount of \$10,500,000 to develop the first phase consisting of 81 units for low-income senior households.

#### Status:

On December 18, 2012, the California Department of Finance issued its final determination after a meet and confer process which concluded with the denial of \$10,500,000 for the project listed on the ROPS, thereby making the project infeasible. As a result, the developer and HASA mutually desire to terminate the project and developer agreed to convey and transfer the vacant property to HASA before the end of 2014. The property will remain available for low and moderate income housing purposes. HASA will explore opportunities to develop the property once the property is conveyed.

### ROPS line item 289 – Mira Loma Infill Housing Project

#### Description:

The former RDA acquired the 1.07 acre lot for the development of two (2) single family infill housing available to eligible first-time homebuyers. The former RDA sold the lot to the Housing Authority of the County of Riverside and loaned \$350,000 in Redevelopment Low- and Moderate-Income Housing Set-Aside Funds for its development and construction.

#### Status:

Two homes were constructed, each with 4 bedrooms, 2 ½ bathrooms, and two-car garages. The homes are approximately 1,854 square feet on ½ acre lots. Certificate of occupancies were issued on July 17, 2014. The property located on 10732 Bellegrave Avenue was sold on September 17, 2014 to a qualified moderate-income household. The other property located on 10721 48th Street is in escrow and anticipated to close by November 2014.

ROPS line item 290 through 292 – Mustang Lane Infill Housing Project

Description:

The former RDA loaned \$1,155,000 in Redevelopment Low- and Moderate-Income Housing Set-Aside Funds to an affordable housing developer to acquire 1.12 acre lot for the development and construction of seven (7) single family homes for low-income first-time homebuyers. The land is located in the City of Jurupa Valley, at the northeast corner of Larue Street and Mission Blvd, with APN 177-250-029.

Status:

The developer has encountered many adverse unforeseen factors affecting the proposed development envisioned in the original development agreement. It was mutually agreed that the best recourse would be to terminate the development agreement and convey the property back to HASA to explore other opportunities. Staff is currently working on the termination agreement and anticipates to complete such action by June 30, 2015.

## **Attachment D3 - CSA Project Descriptions and Status**

Requirement (6), a description of any project for which Housing Successor receives, or holds property tax revenue, pursuant to the Recognized Obligation Payment Schedule (ROPS), and the status of that project.

The applicable ROPS for the reporting period from July 1, 2013 through June 30, 2014 are ROPS 13-14A and ROPS 13-14B. (See Attachment D4)

### ROPS line items 13 through 17 – 5<sup>th</sup> Street Single Family Lot

#### Description:

The vacant parcel was acquired by the former Coachella Redevelopment Agency with housing set aside funds on June 27, 2005. The property is located on 5<sup>th</sup> Street with Assessor's Parcel Number (APN) 778-091-005 in a commercial/residential zone in the City of Coachella.

#### Status:

After a review of the site and options for development it was decided to move ahead with the sale of the parcel. The site is located in an area the City has zoned for mixed use development. The site is relatively small for a multi-family and/or commercial project. The site will be offered for sale in December 2014 with sale completion expected in June 2015.

### ROPS line items 18 through 22 – Tierra Bonita

#### Description:

The site consists of 39 contiguous single-family lots within an established subdivision "Tierra Bonita" at Avenue 53 and Calle Leandro in Coachella. The lots are approximately 7,000 square feet each and in total the area is roughly 9.3 acres. The site was acquired in accordance with Coachellita Affordable Housing Agreement dated July 2007 for homeownership development. When the Housing Authority accepted the housing successor assets and duties in June 2013 the site was subject to a bankruptcy proceeding which was resolved on April 30, 2014.

#### Status:

In August 2014 the Housing Authority issued Request for Proposals to identify qualified and experienced affordable housing developers with the capacity to develop the 39 homes. It is anticipated that the selection of developer will be finalized by December 2014.

### ROPS line items 23 through 26 – Calle Verde

#### Description:

The site consists of two contiguous, unimproved, vacant parcels which together comprise 9.44 acres on Calle Verde. The site was acquired in accordance with the Coachellita Affordable Housing Agreement dated July 2007. The First Amendment to the Coachellita Affordable Housing Agreement specified the site to be developed for homeownership with at least 50 units restricted to households earning no more than 80% Area Median Income. When the Housing Authority accepted the housing successor assets and duties in June 2013 the site was subject to a bankruptcy proceeding which was resolved April 30, 2014.

#### Status:

This site will be held until a potential project opportunity can be defined.
