**Districts: All [\$0].**

**DATE: December 18, 2014**

**PAGE: 2 of 2**

**BACKGROUND:**

**Summary (continued)**

The Financial Highlights provides a 22-page recap of the County's financial information in an easy-to-read format. The financial information contained in this publication is derived from the County's 209 pages CAFR for Fiscal Year 2013-14.

The Management Letter is issued in accordance with Statement on Auditing Standard (SAS) 112, *Communicating Internal Control Related Matters Identified in an Audit*. It establishes a requirement to our external auditors to communicate with those matters related to the County's internal control over financial reporting identified in an audit of financial statements. The attached Management Letter discloses those matters to the County's Board of Supervisors.

The Report on SAS 114 establishes a requirement for the external auditors to communicate with those charged with governance certain significant matters related to the audit. SAS 114 uses the term *those charged with governance* to refer to those with responsibility for overseeing the strategic direction of the entity and obligations related to the accountability of the entity, including overseeing the entity's financial reporting process. The attached Report on SAS 114 discloses those matters to the County's Board of Supervisors.

**Impact on Citizens and Businesses**

There is no impact on Citizens and Businesses. The items provided are for informational purposes only.

**MANAGEMENT LETTER  
JUNE 30, 2014**

# BROWN ARMSTRONG

*Certified Public Accountants*

To the Honorable Board of Supervisors  
County of Riverside, California

In planning and performing our audit of the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the County of Riverside, California (the County) as of and for the year ended June 30, 2014, in accordance with auditing standards generally accepted in the United States of America, we considered the County's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we do not express an opinion on the effectiveness of the County's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified certain deficiencies in internal control that we consider to be significant deficiencies.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the County's financial statements will not be prevented, or detected and corrected, on a timely basis. We did not identify any deficiencies in internal control that we consider to be material weaknesses.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the following deficiencies in internal control to be significant deficiencies:

## **Current Year Management Letter Findings**

### **Finding 2014-001 - Bond payable missed principle payment**

#### **Condition:**

While performing testwork over bonds payable, we noted the Pension Obligation Bond 2005 A Series outstanding bond balance was not properly reduced for a current year principal payment of \$12.3 million.

#### **Criteria:**

The outstanding bond payable should be properly reduced for current year bond principle payments.

#### **Cause of Condition:**

There was a formula error in the bond rollforward schedule and there was no proper review of the bond rollforward or financial statements footnotes.

Certified Public Accountants

**Effect of Condition:**

There is a risk of more material errors in the financial statements if there is no proper review of the bond rollforward and financial statements footnotes.

**Recommendation:**

We recommend that management review the bond rollforward and the bond financial statement footnote to verify that all principal payments have been properly applied to the outstanding bond balances.

**Management Response:**

Management will work with the Executive Office to ensure that all amortization schedules are up to date and verify that the principal payments match with the bond roll forward schedules.

**Status of Prior Year Management Letter Findings**

None.

## BROWN ARMSTRONG

*Certified Public Accountants*

To the Honorable Board of Supervisors  
County of Riverside, California

We have audited the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the County of Riverside, California (the County) for the year ended June 30, 2104. Professional standards require that we provide you with information about our responsibilities under auditing standards generally accepted in the United States of America, *Government Auditing Standards*, and OMB Circular A-133, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated June 11, 2014. Professional standards also require that we communicate to you the following information related to our audit.

### Significant Audit Findings

#### *Qualitative Aspects of Accounting Practices*

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the County are described in Note 1 to the financial statements. The County adopted Government Accounting Standards Board (GASB) Statement No. 66, *Technical Corrections – 2012 – an amendment of GASB Statements No. 10 and 62*; GASB Statement No. 67, *Financial Reporting for Pension Plans – an amendment of GASB Statement No. 25*; and GASB Statement No. 70, *Accounting and Financial Reporting for Nonexchange Financial Guarantees* during fiscal year 2014. We noted no transactions entered into by the County during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the financial statements were:

Management's estimate used in establishing allowances for accounts receivable, estimating date of collection to comply with period of availability for certain revenues, establishing self insurance reserves, estimating closure and post closure care costs, establishing the other post employment benefit obligation, depreciation, and valuations of certain infrastructure. We evaluated the key factors and assumptions used to develop these estimates in determining that it is reasonable in relation to the financial statements taken as a whole.

Accounting Oversight Board and  
MEMBER of the American Institute of  
Certified Public Accountants

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements were:

- The disclosure of Restatement of Beginning Fund Balances/Net Position in Note 3 to the financial statements.
- The disclosure of Commitments and Contingencies in Note 23 to the financial statements.
- The disclosure of Subsequent Events in Note 24 to the financial statements.

#### *Difficulties Encountered in Performing the Audit*

We encountered no significant difficulties in dealing with management in performing and completing our audit.

#### *Corrected and Uncorrected Misstatements*

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. The attached schedule summarizes audit adjustments that, in our judgment, indicate matters that could have a significant effect on the County's financial reporting.

#### *Disagreements with Management*

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

#### *Management Representations*

We have requested certain representations from management that are included in the management representation letter dated December 5, 2014.

#### *Management Consultations with Other Independent Accountants*

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the County's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

#### *Other Audit Findings or Issues*

We generally discuss a variety of matters, including the application of accounting principles and auditing standards generally accepted in the United States of America, with management each year prior to retention as the County's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

#### *Other Matters*

We applied certain limited procedures to Management's Discussion and Analysis and Schedules of Funding Progress, which are required supplementary information (RSI) that supplements the basic financial statements. Our procedures consisted of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We did not audit the RSI and do not express an opinion or provide any assurance on the RSI.

We were engaged to report on Schedule of expenditures of federal awards and Combining and individual fund financial statements and schedules, which accompany the financial statements but are not RSI. With respect to this supplementary information, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

We were not engaged to report on Introductory Section and Statistical Section, which accompany the financial statements but are not RSI. We did not audit or perform other procedures on this other information and we do not express an opinion or provide any assurance on it.

*Restriction on Use*

This information is intended solely for the use of Board of Supervisors and management of the County and is not intended to be, and should not be, used by anyone other than these specified parties.

## **BOARD RULES**

### **Requests to Address Board on "Agenda" Items:**

You may request to be heard on a published agenda item. Requests to be heard must be submitted to the Clerk of the Board before the scheduled meeting time.

### **Requests to Address Board on items that are "NOT" on the Agenda:**

Notwithstanding any other provisions of these rules, member of the public shall have the right to address the Board during the mid-morning "Oral Communications" segment of the published agenda. Said purpose for address must pertain to issues which are under the direct jurisdiction of the Board of Supervisors. YOUR TIME WILL BE LIMITED TO THREE (3) MINUTES.

### **Power Point Presentations/Printed Material:**

Speakers who intend to conduct a formalized Power Point presentation or provide printed material must notify the Clerk of the Board's Office by 12 noon on the Monday preceding the Tuesday Board meeting, insuring that the Clerk's Office has sufficient copies of all printed materials and at least one (1) copy of the Power Point CD. Copies of printed material given to the Clerk (by Monday noon deadline) will be provided to each Supervisor. If you have the need to use the overhead "Elmo" projector at the Board meeting, please insure your material is clear and with proper contrast, notifying the Clerk well ahead of the meeting, of your intent to use the Elmo.

### **Individual Speaker Limits:**

**Individual speakers are limited to a maximum of three (3) minutes.** Please step up to the podium when the Chairman calls your name and begin speaking immediately. Pull the microphone to your mouth so that the Board, audience, and audio recording system hear you clearly. Once you start speaking, the "green" podium light will light. The "yellow" light will come on when you have one (1) minute remaining. When you have 30 seconds remaining, the "yellow" light will begin flash, indicating you must quickly wrap up your comments. Your time is up when the "red" light flashes. The Chairman adheres to a strict three (3) minutes per speaker. ***Note: If you intend to give your time to a "Group/Organized Presentation", please state so clearly at the very bottom of the reverse side of this form.***

### **Group/Organized Presentations:**

Group/organized presentations with more than one (1) speaker will be limited to nine (9) minutes at the Chairman's discretion. The organizer of the presentation will automatically receive the first three (3) minutes, with the remaining six (6) minutes relinquished by other speakers, as requested by them on a completed "Request to Speak" form, and clearly indicated at the front bottom of the form.

### **Addressing the Board & Acknowledgement by Chairman:**

The Chairman will determine what order the speakers will address the Board, and will call on all speakers in pairs. The first speaker should immediately step to the podium and begin addressing the Board. The second speaker should take up a position in one of the chamber aisles in order to quickly step up to the podium after the preceding speaker. This is to afford an efficient and timely Board meeting, giving all attendees the opportunity to make their case. Speakers are prohibited from making personal attacks, and/or using coarse, crude, profane or vulgar language while speaking to the Board members, staff, the general public and/or meeting participants. Such behavior, at the discretion of the Board Chairman may result in removal from the Board Chambers by Sheriff Deputies.

## *A message from your Auditor-Controller*

Dear Fellow Citizens,

As Riverside County's Auditor-Controller, I am honored to serve as the county's top fiscal officer. Under my leadership, we have set a higher standard of performance in the way our office serves you, the taxpayer.

County government's primary financial report is the Comprehensive Annual Financial Report (CAFR). CAFR provides information on consolidated revenues, expenditures, and net position in detail. This publication, Financial Highlights, is designed to address that complexity by providing a summarized version of in an easier-to-read format.

The data in Financial Highlights are drawn from CAFR for the fiscal year ended June 30, 2014. The data in this report, Financial Highlights, is not necessarily GAAP (Generally Accepted Accounting Principles) based. CAFR, however, is prepared in conformance with GAAP and is independently audited by the Brown Armstrong Accountancy Corporation. Both the CAFR and Financial Highlights are available at my office and online at [www.auditorcontroller.org](http://www.auditorcontroller.org).

Respectfully,

Paul Angulo, CPA, M.A.  
Riverside County Auditor-Controller

### **Fraud, Waste, and Abuse Program**

As part of our role in the stewardship of public funds, our office initiated a countywide fraud, waste, and abuse prevention program in 2009. This became known as **Riverside County Fraud Hotline**. The program provides employees and citizens with easy and anonymous ways to participate in helping the County protect its financial resources, as well as identify potential fraud, waste and abuse. Reports can be made 24-hours a day, 365 days per year by phone (800) 461-9330 or via Internet [www.rivcofraudhotline.com](http://www.rivcofraudhotline.com).

# Financial Highlights Award

The Government Finance Officers Association of the United States and Canada (GFOA) has given an Award for Outstanding Achievement in Popular Annual Financial Reporting to the County of Riverside for its Popular Annual Financial Report for the fiscal year ended June 30, 2013. The Award for Outstanding Achievement in Popular Annual Financial Reporting is a prestigious national award recognizing conformance with the highest standards for preparation of state and local government financial reports.

In order to receive an Award for Outstanding Achievement in Popular Annual Financial Reporting, a government unit must publish a Popular Annual Financial Report, whose contents conform to program standards of creativity, presentation, understandability and reader appeal.

An Award for Outstanding Achievement in Popular Annual Financial Reporting is valid for a period of one year only. The County of Riverside received a Popular Award for last fiscal year ended June 30, 2013. This was the eighth consecutive year the County has achieved this award. We believe our current report continues to conform to the Popular Annual Financial Reporting requirements, and we have submitted it to GFOA.

# County Profile

## County of Riverside Mission Statement

"Provide local government services as mandated by the State and Federal law, and discretionary services as requested by County taxpayers, within the bounds of available fiscal resources, in a manner which reflects favorably upon the profession of public service and the American form of democratic government."

## County of Riverside Vision

"Our vision is to be a proactive county that provides community, business, government, and regional leadership. We will set an exemplary standard of performance among counties by providing our citizens with cost-effective, efficient, and reliable government services, and by developing creative solutions to critical community-wide problems confronting all segments of our constituency. We will anticipate and address the challenges of environmental quality, societal change, and economic competitiveness while striving to make Riverside County an even better place to live, work, raise our families, and do business."

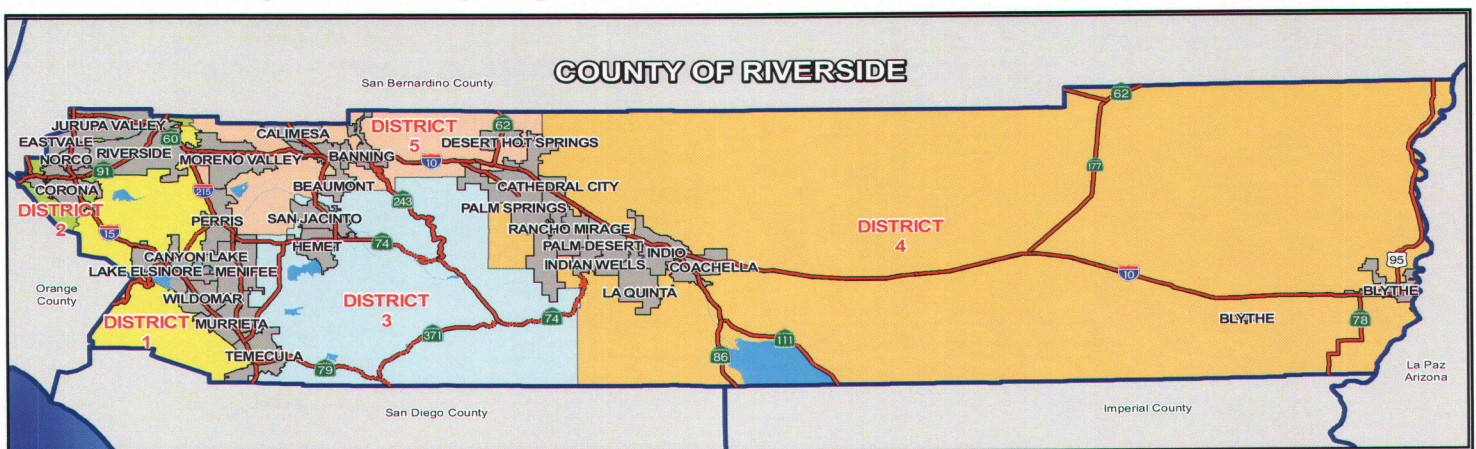

## County of Riverside Overview

Riverside County is the State's fourth largest County by area. It encompasses 7,295 square miles and extends nearly 184 miles across Southern California, from the Arizona border west to within 10 miles of the Pacific Ocean. It is situated east of Los Angeles and Orange Counties, south of San Bernardino County, and north of San Diego and Imperial Counties.

There are 28 incorporated cities located within the County. The latest city to be incorporated was Jurupa Valley on July 1, 2011. The largest cities in the County are the city of Riverside (the county seat) with a population of 314,034, Moreno Valley with a population of 199,258, and Corona with a population of 159,132.

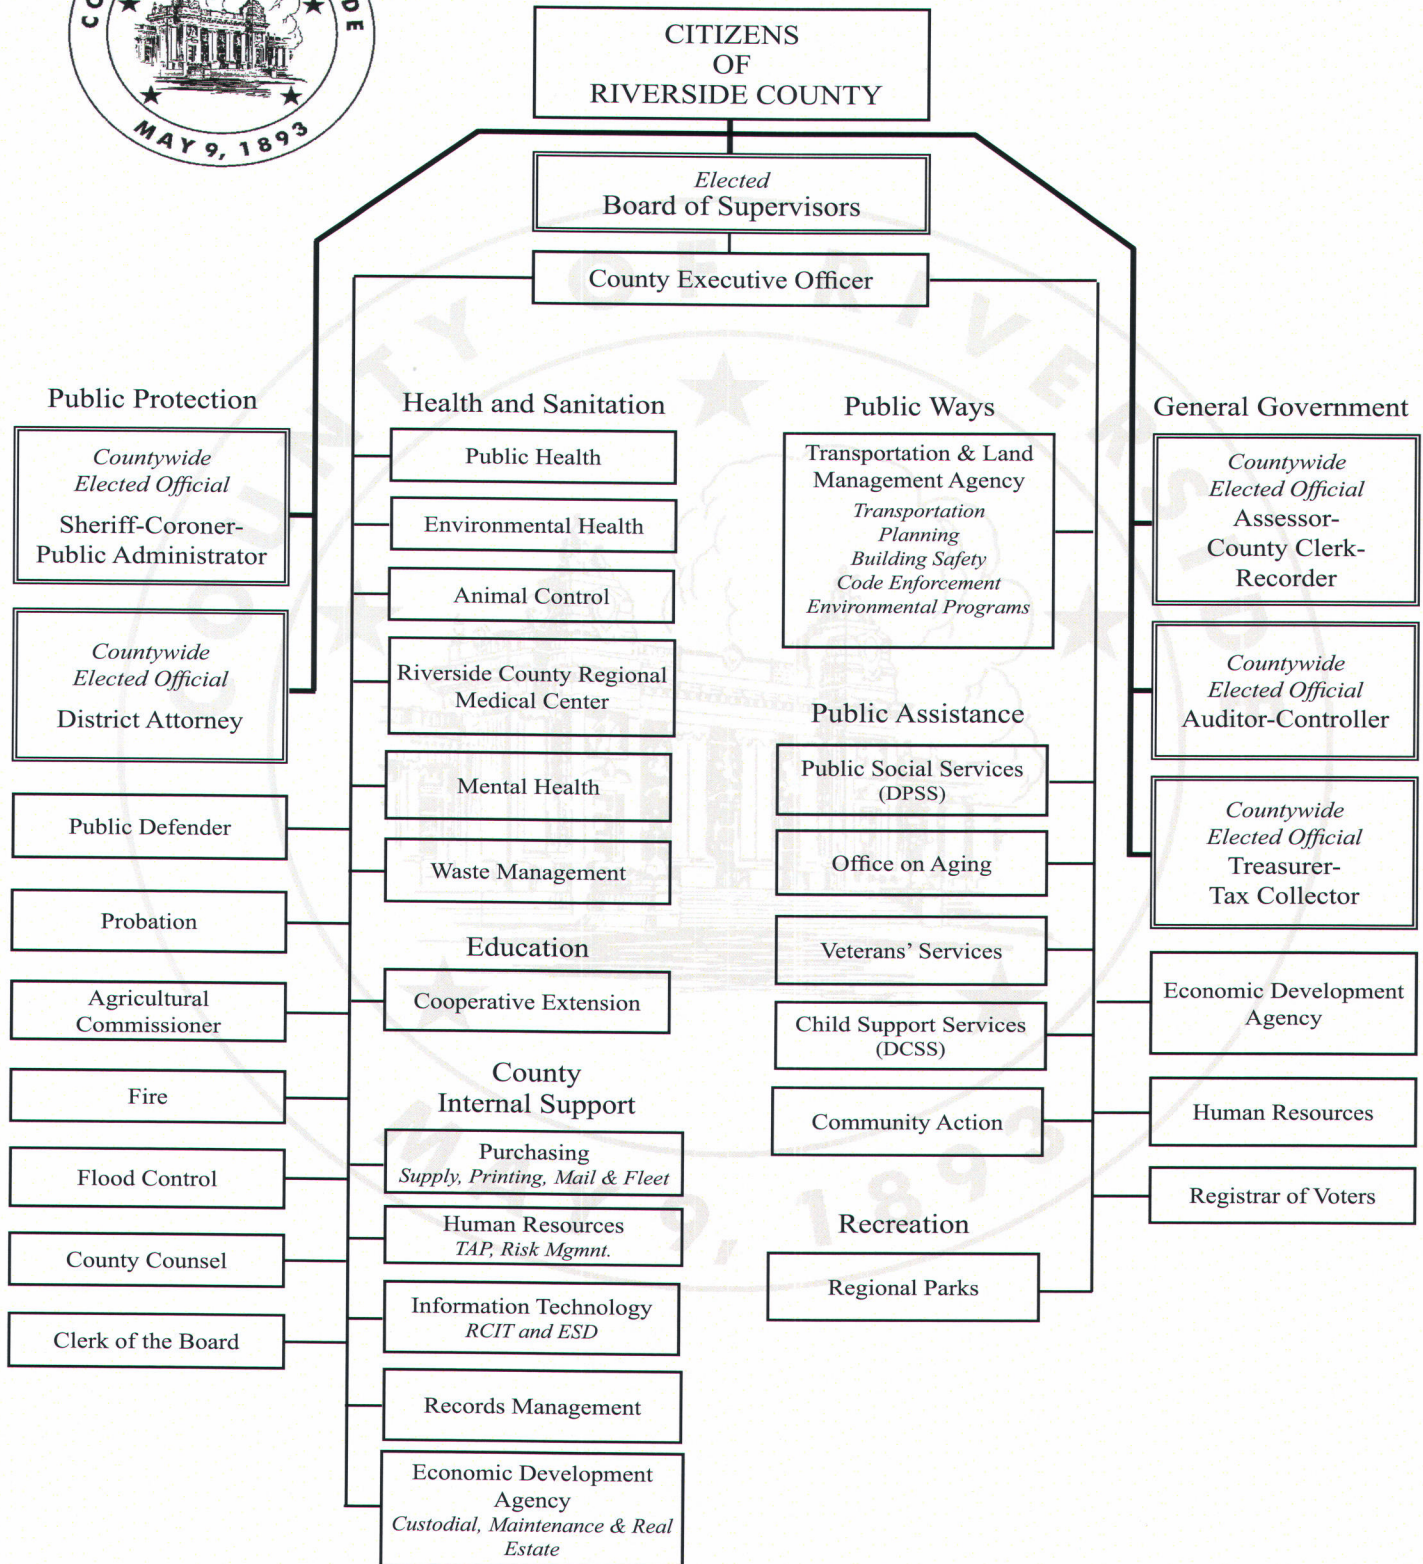

Total County population was 2,279,967 on January 1, 2014, an increase of 1.1% compared to the revised estimate for 2013 from the California State Department of Finance. Estimated population figures are developed by the State as of January 1 of each year with a revised estimate for the prior year. Approximately 16.0% of the County's residents live in the unincorporated area. Riverside County has large and rapidly expanding trade, transportation, utilities, distribution and manufacturing industries.

Agriculture has been the traditional foundation of the Riverside County economy; a transition is well underway toward an urban way of life with a multi-faceted economy. This change is being driven in part by economic and political forces at the regional, State, and national levels. However, Riverside County residents, through their elected representatives, will make the key local decisions that will shape Riverside County, differentiating it in character and quality of life from adjoining counties.

## **Kevin Jeffries - District 1**

The First Supervisorial District includes areas within the City of Riverside (the La Sierra and Arlington communities), as well as the cities of Canyon Lake, Lake Elsinore, and Wildomar. The District is also comprised of unincorporated communities including Lakeland Village, Mead Valley, Temescal Valley, Woodcrest, Gavilan Hills, Good Hope, Meadowbrook, Tenaja, DeLuz, Spring Hills, Warm Springs, Lake Hills and Lake Mathews.

## **John F. Tavaglione - District 2**

The Second Supervisorial District includes the cities of Corona, Norco, Jurupa Valley, and Eastvale; approximately one-third of the City of Riverside, including Northside, Downtown, Wood Streets, Magnolia Center, Grand and the northern half of Arlanza and La Sierra Acres. Unincorporated communities within the Second Supervisorial District consist of Home Gardens, El Cerrito, Coronita, and Highgrove.

## **Jeff Stone - District 3**

The Third Supervisorial District includes the cities of Hemet, Murrieta, San Jacinto, and Temecula. The major unincorporated areas include Anza, Aguanga, Idyllwild, Valle Vista, Winchester, Gilman Hot Springs, Soboba Hot Springs, Poppet Flats, Murrieta Hot Springs, Pine Cove, Pine Meadow, Mountain Center and Pinyon Communities.

## **John Benoit - District 4**

The Fourth Supervisorial District includes the cities of Palm Springs (excluding Northern Palm Springs in District 5), Cathedral City, Rancho Mirage, Palm Desert, Indian Wells, La Quinta, Indio, Coachella, Blythe, and Desert Hot Springs. Unincorporated communities include: Bermuda Dunes, Thousand Palms, Sky Valley, Desert Palms, Desert Edge, Indio Hills, Mecca, Thermal, Oasis, Vista Santa Rosa, North Shore, Chiriaco Summit, Desert Center, Lake Tamarisk, Mesa Verde, Ripley, and the Colorado River Communities.

## **Marion Ashley - District 5**

The Fifth Supervisorial District includes the cities of Moreno Valley, Perris, Calimesa, Beaumont, Banning, and Menifee. Unincorporated areas include Banning Bench, Cabazon, Cherry Valley, Desert Hills, El Nido area, Juniper Flats, Lake Perris, Lakeview, Lakeview Mountains, Mission Lakes, Mission Springs, Morongo Badlands, Nuevo, North Palm Springs, Painted Hills, Quail Lake, Reche Canyon, San Jacinto Wildlife Reserve, San Timoteo Canyon, Snow Creek, Twin Pines, West Garnet, Whitewater and Windy Point. The District's boundaries also include the tribal government from the Sovereign Nation of the Morongo Band of Mission Indians.

# Financial Highlights FY 2013-14

## Financial Highlights

- At the close of fiscal year 2013-14, the County's assets and deferred outflow of resources exceeded its liabilities and deferred inflow of resources by \$4.6 billion (*net position*). The net position included \$690.2 million of unrestricted resources, which may be used to meet the County's ongoing obligations to citizens and creditors; \$596.4 million of restricted resources, which is required by external sources or through enabling legislation to be used for specific purposes; and \$3.3 billion is net investment in capital assets.
- As of June 30, 2014, the County's governmental funds reported combined fund balances of \$1.1 billion, a decrease of \$52.2 million in comparison with the prior year. Approximately 19.1% of this amount (\$203.4 million) is available for spending at the County's discretion (*unassigned fund balance*).
- At the end of the current fiscal year, unrestricted fund balance (the total of the *committed*, *assigned*, and *unassigned* components of fund balance) for the general fund was \$244.0 million, or approximately 9.9% of total general fund expenditures.
- \$231.2 million increase in capital assets net of accumulated depreciation resulted from addition of equipment purchases, acquisition of building and land, and completion of various projects related to roads and storm water drains.
- \$21.6 million increase in outstanding long-term debt resulted mainly from bond issuance and net of scheduled retirement of outstanding debts.

*Assigned Fund Balance* – Amounts that have been set aside and are intended to be used for a specific purpose but are neither restricted nor committed.

*Committed Fund Balance* – Amounts that are committed for a specific purpose and these funds require action from the Board of Supervisor to remove or change the specified use.

*Unassigned Fund Balance* – Amounts that are not reported in any other category and are available for any purpose within the general fund.

*Restricted Fund Balance* – Amounts that are constrained to being used for a specific purpose by external parties such as creditors, grantors, laws or regulations.

*Nonspendable Fund Balance* – Amounts that cannot be spent because they are either not in spendable form or are legally or contractually required to be maintained intact.

# Statement of Net Position

## Primary Government (In Thousands)

	2014	2013	Variance
<b>ASSETS:</b>

<b>Total net position</b>	<b>\$ 4,599,694</b>	<b>\$ 4,622,988</b>	<b>\$ (23,294)</b>

The Statement of Net Position presents information on all of the County's assets and liabilities, with the difference between the two reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether or not the financial position of the County is improving.

The County's total net position decreased by 0.5%, or \$23.3 million, during fiscal year 2013-14. Governmental activities increased by \$61.7 million in net assets while business-type activities decreased by \$85.0 million. Below are the three components of net position and their respective fiscal year-end balances:

### Net investment in capital assets

This component of net position represents the amount that is unavailable for reducing debt or paying for services because it is the value of the capital assets themselves, not liquid assets like cash or equivalents that could be used to pay the bills. The balance represents 72.0%, or \$3.3 billion, of the County's total net assets under this category for fiscal year 2013-14.

### Restricted net position

This component of net position represents the amount that is available for use only as allowed by creditors, grantors, contributors, or laws and regulations of other governments, and restrictions imposed by law through constitutional provisions or enabling legislation. The balance in this category accounts for 13.0%, or \$596.4 million, of the County's total net assets for fiscal year 2013-14.

### Unrestricted net position

This component of the County's total net position is the amount that is available and may be used to meet the County's ongoing obligations to citizens and creditors. Of the unrestricted net assets for fiscal year 2013-14, \$718.1 million is from governmental activities, and \$(27.9) million is from business-type activities. The balance in this category is 15.0%, or \$690.2 million, of the County's total net assets for fiscal year 2013-14.

# Capital Assets & Long-Term Liabilities

## Capital Assets

As of June 30, 2014, the County's capital assets for both governmental and business-type activities amounted to \$4.4 billion (net of depreciation). The capital assets include land and easements, land improvements, construction in progress, infrastructure (channels, storm drains, basins, roads, traffic signals, bridges, runways, and parks), structures and improvements, and equipment.

Major projects under construction in fiscal year 2013-2014 included the following:

- Roads and signal infrastructures – \$23.9 million
- Riverside County Innovation Center - \$28.4 million
- CREST project – \$7.2 million
- Land easements – \$42.9 million
- Perris Valley Aquatic Center – \$11.1 million
- Flood storm drains and channel projects - \$10.6 million
- Public Safety Enterprise Communication - \$72.6 million

**Capital Assets, net of depreciation**  
(In Thousands)

**Long-Term Obligations**  
(In Thousands)

## Long-Term Liabilities

As of June 30, 2014, the County's outstanding long-term obligation for its government-wide activities amounted to \$1.9 billion. Long-term debt incurred by the County of Riverside includes bonds, certificates of participation, loans, capital leases, and others.

The following are credit ratings maintained by the County

	Moody's Investors Service, Inc	Standard & Poor's Corp.
Short-term notes	MIG1	SP-1+
Long-term general oblig.	Aaa	AA+

# Cash and Investments, Net Position

## Cash and Investments

The Cash and Investments represented in the Government-wide Statement of Net Position includes cash and investments that are available for use, as well as restricted cash and investments for both governmental and business-type activities.

At the end of the current fiscal year, the County reported a decrease of \$102.1 million in cash and investments. Unrestricted cash and investments showed a decrease of \$166.1 million which was offset by an increase in restricted cash and investments in the amount of \$64.0 million. The general fund's cash and investments balance increased by \$650.0 thousand and restricted cash and investment increased by \$42.7 million. Also, the public facilities improvement fund dropped by \$38.1 million and the transportation special revenue fund by \$21.8 million. For business-type activities, the major decrease was from Waste Management, which resulted in a cash and investments decrease of \$67.6 million, but its restricted cash and investments increased by \$14.2 million.

**Cash and Investments**  
(In Millions)

**Net Position**  
(In Millions)

## Net Position

Net Position is total assets plus deferred outflows of resources less total liabilities and deferred inflows of resources of the primary government. Net position serves as a useful indicator of a government's financial condition.

At the end of the current fiscal year, the County reported positive net assets balances for both governmental and business-type activities, with total assets exceeding liabilities by \$4.6 billion, which is a \$23.3 million decrease over fiscal year 2013. The most significant increase in net position is the net investment in capital assets in the amount of \$195.5 million. This increase was offset by a decrease in unrestricted net position in the amount of \$170.5 million as well as \$48.3 million in restricted net position

Statement of Activities illustrated here, represents combined activities of governmental and business-type. Governmental functions are supported by property taxes, sales taxes and other intergovernmental revenues, and the business-type is mainly supported by user fees and charges. Governmental activities are reported in the General Fund, Special Revenue Funds, Capital Project Funds, Debt Service Funds, and Internal Service Funds. Business-type activities are supported by Enterprise Funds.

The majority of the functions that are supported by governmental activities are: Information Services, ESD, Sheriff, District Attorney, Social Services, Transportation, Economic Development, Facilities Management, Community Health, Mental Health, Auditor-Controller, Human Resources, Assessor, Treasurer-Tax Collector, and other small general government functions. Functions supported by user fees and charges are: Regional Medical Center, Waste Management, Housing Authority, and County Service Areas.

### Revenues

The County's revenue increased in 2014 in the amount of \$106.8 million. The major source for the increase was due to operating grants which saw a \$90.2 million increase. Property taxes saw a \$19.7 million increase. Those increases in revenue were slightly offset by a decrease in charges for services in the amount of \$17.3 million and other taxes saw a \$10.1 million decrease.

### Expenses

The expenses in 2014 also increased by \$313.2 million. There were two main factors that caused the increase: 1) Public protection saw a \$126.1 million increase and 2) Public assistance saw a jump in expenses in the amount of \$43.6 million. All other expense categories increased as well in 2014 except for County Service Areas which saw a slight decrease of \$30 thousand.

# Revenues and Expenses

## Revenues

As the economy slowly recovers, so do revenues for the County. 2014 saw an increase in revenue in the amount of \$106.8 million. Charges for services for governmental activities saw an increase as business-type activities saw a decrease. The increase in governmental activities was mainly due to operating grants. Public assistance received \$60.0 million for administrative expense for the continued caseload growth in medical expansion related to health care reform. Property tax and investment earnings are the other two major revenue sources that caused revenue to increase in 2014.

With revenue improving, so is assessed property values. For the first time in six years, property tax revenue saw an increase. Charges for services saw the most dramatic decrease in revenue followed by other taxes.

**Five Year Trend - Revenues**  
(In Millions)

**Five Year Trend - Expenses**  
(In Millions)

## Expenses

Expenses are a representation of the services we provide to the citizens of Riverside County. The increase in population has resulted in an increase demand for local government services. In an effort of trying to maintain a balanced budget, Riverside County is working hard to keep our communities safe and provide quality service for our citizens.

In fiscal year 2014, expenses increased by \$313.2 million. Governmental activities saw a \$291.1million increase. Public protection increased due to an increase in salary and benefits, cost of living adjustments and pension rates and costs. Due to contributions to several construction projects such as a new jail facility, emergency operation center, county law building and courtrooms general government saw an increase. Public assistance increased as well due to the continued caseload growth and in preparation of Medi-Cal expansion realated to healthcare reform.

Business-type activities saw an increase in expenses in 2014 in the amount of \$22.1 million. The County's Waste Management was the major reason for the increase due to back lease payments made to the general fund for County landfills that were originally purchased with general fund revenue.

# Revenues by Source

The statement of activities reports revenue by sources using government-wide reporting standards. To assist the reader in understanding what makes up the various sources referenced, we have provided the following detailed listing:

## Program Revenues

### Charges for Services

Assessment and tax collection fees, auditing and accounting fees, communication services, election services, legal services, planning and engineering services, civil process services, estate fees, humane services, law enforcement services, recording fees, road and street services, health fees, mental health services, sanitation services, institutional care and services, animal licenses, business licenses, construction permits, road privileges and permits, zoning permits, franchises and other licenses and permits, vehicle code fines, other court fines, forfeitures and penalties in addition to penalties and costs on delinquent taxes, and parking fees.

### Operating Grants

State, federal, other government, and private contributions to fund specific programs.

### Capital Grants

State, federal, other government, and private contributions to fund capital purchases for specific programs.

## General Revenues

Taxes: Property taxes, sales and use taxes as well as other County levied taxes, investment income, rents and concessions, sale of surplus property, contributions and donations, non-governmental grants and unclaimed money.

## **Public Ways and Facilities**

Transportation and Land Management Agency, Surveyor, Transportation, County Airports and County Service Areas

## **Health and Sanitation**

Public Health, Environmental Health, Detention Health Services, California Children's Services, Mental Health, Regional Medical Center and Waste Management

## **Public Assistance**

Department of Public Social Services, Community Action Partnership, Office on Aging, Veteran's Services and Housing Authority

## **Education**

Cooperative Extension and County Library

## **Recreation and Culture**

Regional Parks and Edward Dean Museum

**General Fund Expenditures & Other Financing Uses**  
(Dollars in Thousands)

# Property Taxes

## How the Property Tax System Works

### Assessor-Clerk Recorder

Assesses all real estate and personal property (businesses, manufactured homes, boats & airplanes) located throughout the entire County.

### Auditor-Controller

Receives the assessments from the Assessor and applies the appropriate tax rate to determine the actual amount of property tax owed.

### Treasurer-Tax Collector

Mails out the property tax bills, collects the money, and deposits it in the County Treasury.

### Auditor-Controller

Receives and allocates the money to local taxing agencies, including the County, cities, schools, and special districts.

## CREST Project

The Assessor-County Clerk-Recorder, Auditor-Controller, and Treasurer-Tax Collector are collectively developing a new integrated property tax management system. The project began with a Business Process Re-engineering phase that documented the integrated roles of the three departments. This phase identified the current system's capabilities, strengths, and weaknesses. The second phase of the project is to implement a new integrated property tax management system based on new technology. Project was started in fiscal year 2007 and anticipated completion date is fiscal year 2015.

10. Target Corp.....	2,655

Property taxes are levied on both real and personal property and are recorded as receivables at the date of levy. Secured property taxes are levied on or before the first business day of September of each year. These taxes become a lien on real property on January 1 preceding the fiscal year for which taxes are levied. Tax payments can be made in two equal installments; the first is due November 1 and is delinquent with penalties after December 10; the second is due February 1 and is delinquent with penalties after April 10. Secured property taxes that are delinquent and unpaid as of June 30 are declared to be tax defaulted and are subject to redemption penalties, costs, and interest. If the delinquent taxes are not paid at the end of five years, the property is sold at public auction and the proceeds are used to pay the delinquent amounts due and any excess is remitted, if claimed, to the taxpayer.

CONTROLLER  
COUNTY OF RIVERSIDE

Paul Angulo, CPA, M.A.  
Auditor-Controller

December 5, 2014

The Honorable Board of Supervisors  
Citizens of the County of Riverside  
4080 Lemon Street, 5th Floor  
Riverside, California 92501

Members of the Board and Citizens of Riverside County:

The Comprehensive Annual Financial Report (CAFR) of the County of Riverside for the fiscal year ended June 30, 2014 is hereby submitted in accordance with the provision of Section 25253 of the Government Code of the State of California (the State). The report contains financial statements that have been prepared in conformity with the United States generally accepted accounting principles (GAAP) prescribed for governmental entities. Responsibility for the accuracy of the data and the completeness and fairness of the presentation, including all disclosures, rests with the management of the County of Riverside (the County). To the best of our knowledge and belief, the enclosed data is accurate in all material respects and is reported in a manner that presents fairly the financial position and changes in financial position of the various funds and component units of the County. All disclosures necessary to enable the reader to gain an understanding of the County's financial activities have been included.

Management assumes full responsibility for the completeness and reliability of the information contained in this report, based upon a comprehensive framework of internal control that it has established for this purpose. Because the cost of internal control should not exceed anticipated benefits, the objective is to provide reasonable, rather than absolute, assurance that the financial statements are free of any material misstatements.

The management's discussion and analysis (MD&A) immediately follows the report of the independent auditors and provides a narrative, overview, and analysis of the basic financial statements. The MD&A was designed to complement this letter of transmittal and should be read in conjunction with it.

The financial reporting entity for the County includes all the funds of the primary government--the County of Riverside as legally defined--as well as all of its component units. Component units are legally separate entities for which the primary government is financially accountable.

The County has eleven independent fiscal entities that are considered blended component units and two discretely presented component units. These entities vary widely in function and provide essential services.

For a more detailed overview of the County's component units see the MD&A and the notes to the basic financial statements.

## PROFILE OF THE GOVERNMENT

Riverside County is the fourth largest county by area in the state of California. It encompasses 7,295 square miles and extends nearly 184 miles across Southern California, from the Arizona border west to within 10 miles of the Pacific Ocean. It is situated east of Los Angeles and Orange Counties, south of San Bernardino County, and north of San Diego and Imperial Counties.

There are 28 incorporated cities located within the County. The latest city to be incorporated was Jurupa Valley on July 1, 2011. The largest cities in the County are Riverside (the County seat) with a population of 314,034, Moreno Valley 199,258, Corona 159,132, Temecula 106,289, and Murrieta 106,425. Estimated population figures are developed by the California State Department of Finance, and each year it is revised on January 1, with a revised estimate for the prior year. Total County population was 2,279,967 on January 1, 2014, an increase of 1.1 percent as compared to the revised estimate for January 1, 2013. Approximately 16 percent of the residents live in unincorporated areas.

The County is governed by a five-member Board of Supervisors, who serve four-year terms, and annually elect a Chairman and Vice-Chairman. The Supervisors represent five districts.

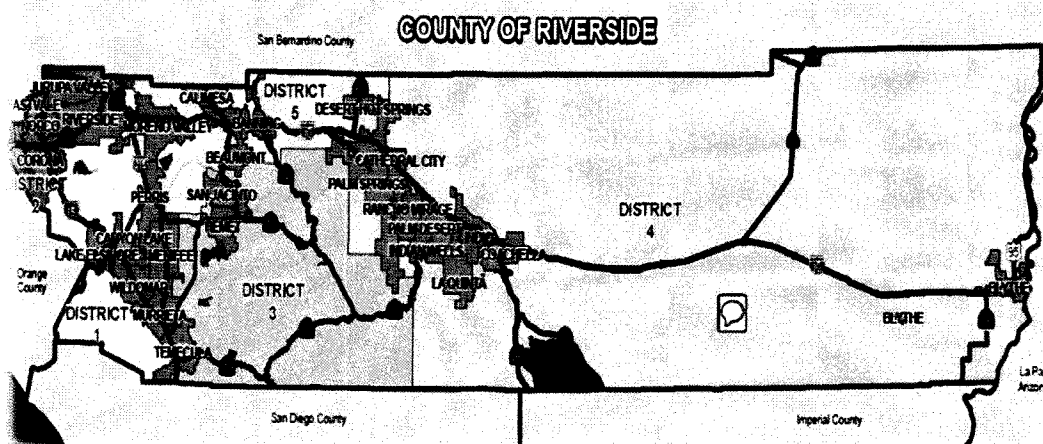

The First District includes areas within the cities of Riverside, Canyon Lake, Lake Elsinore, Wildomar and the unincorporated communities of Lakeland Village, Lake Mathews, Mead Valley, Santa Rosa Rancho, as well as portions of Gavilan Hills and Woodcrest.

The Second District includes the cities of Corona, Norco, approximately one-third of the City of Riverside, Eastvale, and Jurupa Valley. The unincorporated communities consist of Home Gardens, El Cerrito, Coronita, and Highgrove.

District Three includes the cities of Hemet, Murrieta, San Jacinto, and Temecula. Major unincorporated areas in the District include Aguanga, Anza, Idyllwild, Valle Vista, Winchester, Wine Country, and Pinyon Pines.

District Four is the largest district, covering the eastern two-thirds of the County. Within this District are the cities of Palm Springs (except the northern portion which resides in District 5), Cathedral City, Rancho Mirage, Palm Desert, Indian Wells, La Quinta, Indio, Coachella, Desert Hot Springs, and Blythe. Major unincorporated areas include Bermuda Dunes, Thousand Palms, Sky Valley, Indio Hills, Desert Edge, Mecca, Thermal, Oasis, Vista Santa Rosa, North Shore, Chiriaco Summit, Desert Center, Lake Tamarisk, Mesa Verde, Colorado River Communities, and Ripley.

The Fifth District includes the cities of Banning, Beaumont, Calimesa, Menifee, Moreno Valley, Perris, and the northern portion of Palm Springs. The unincorporated areas include Nuevo, Lakeview, Juniper Flats, Meadowbrook, Good Hope, a portion of Mead Valley, Romoland, Homeland, Green Acres, Box Springs, Pigeon Pass, Reche Canyon, San Timoteo Canyon, Oak Valley, Cherry Valley, Banning Bench, Cabazon, Palm Springs Village, and Palm Springs West.

The County provides a full range of services. These services are outlined in the table below:

<b>Certificate, Licenses and Permits</b>	<b>Human Services</b>
Birth, marriage, and death certificates, animal licensing and building permits	Assistance for Families, Veteran Services, Utility Assistance, Assistance for the Elderly
<b>Children's Services</b>	<b>Libraries and Museums</b>
Child Support Services, Mentor programs, and Children Medical Services	Edward Dean Museum, and Riverside County Law Library
<b>Criminal Justice</b>	<b>Parks and Recreation</b>
District Attorney, Probation, Public Defender, and Sheriff	Regional Parks
<b>Education</b>	<b>Pets and Animal Services</b>
Office of Education	Animal Control, and Animal Shelters
<b>Emergency Services</b>	<b>Property Information</b>
Office of Emergency Services, Early Warning Notification System, Shelter Grant program, and Homeless program	Building permit report, obtain property information via GIS, pay property taxes online, track your property tax online, record map inquiry, information on new home owners and Riverside County land information
<b>Environment</b>	<b>Public and Official Records</b>
Solid waste, liquid waste, medical waste, sewage disposal, water systems, wells, backflow devices, food services, public pools and mobile home parks, vector control, hazardous materials services, fire protection services, waste reduction, and recycling	Official recorded documents, fictitious business names search, grantor/grantee search, vital records, and court records search
<b>Flood Control</b>	<b>Roads and Highways</b>
Flood Control and water conservation	Road maintenance, land development, engineering services, and survey
<b>Health</b>	<b>Taxes</b>
Family health centers, disease control, nutrition services, family planning, health education, injury prevention, emergency medical services, mental health services, industrial hygiene, laboratory, Epidemiology, medical marijuana identification cards	Property tax portal, tax bills, Assessor-County Clerk Recorder, Treasurer-Tax Collector, and Auditor-Controller
<b>Housing</b>	
First time home buyer programs, low income housing, rental assistance program, homeless shelter, and neighborhood stabilization program	

## FACTORS AFFECTING ECONOMIC CONDITION

### State Economy

While the state's fiscal picture continues to improve, the Governor has not changed his attitude toward spending. He has rebuffed efforts to expand health and human services, except where he must by law, and has been unwilling to revisit any redevelopment funding issues. The Governor did approve tax credit proposals addressing both film production and investments by the defense and aerospace industries.

Statewide, the pace of home sales continued cooling, declining by 9.3 percent since August 2013. However, existing home prices increased by 8.9 percent on a year-over-year basis.

The number of people in California holding non-farm payroll jobs in August increased by 313,900 over the year before, or 2.1 percent. Total seasonally adjusted civilian employment in California has risen to 17,224,000. Nine sectors posted gains in jobs over the year, with construction posting the highest percentage growth at 5.6 percent.

The state's unadjusted unemployment rate was 6.9 percent in September. By contrast, the U.S. unemployment rate in September was 5.7 percent.

### Local Economy

During the fiscal year 2014, Riverside County median home values increased by 13.2 percent. Since July 1, median home values in the County have remained close to \$300,000. The annual California Consumer Price Index, used to compute the Prop. 13 inflationary factor, is expected to be 2 percent. The maximum increase allowed. Accordingly, the Assessor reports the traditional 2 percent Prop. 13 property increase will likely be applied to next year's assessment roll valuation. Property taxes for many homeowners, however, will likely increase more than 2 percent because of Prop. 8. Updates will be forthcoming once the annual California Consumer Price Index is finalized.

In September, Riverside County's unemployment rate declined slightly to 8.6 percent, continuing to remain higher than neighboring San Bernardino County's unemployment rate of 7.7 percent. By contrast, Riverside County's historic, non-recessionary period annual average unemployment rate was 6.6 percent between 1995 and 2008.

## Unemployment Comparison of Neighboring Counties

### Relevant Financial Information

*Debt Advisory Committee* provides advice to the Board of Supervisors (the Board) on debt issuance and management.

*Pension Advisory Committee* provides an institutional framework to help guide policy decisions about retirement benefits.

*Deferred Compensation Advisory Committee* provides assurance of the financial stability of the deferred compensation plan through prudent monitoring of investments and costs.

*Investment Oversight Committee* shall cause an annual audit to be performed, and review the annual audit report prior to submittal to the Board of Supervisors; and to review the County's investment policies.

### Financial Reporting Awards

The Government Finance Officers Association (GFOA) of the United States and Canada has awarded a *Certificate of Achievement for Excellence in Financial Reporting* to the County of Riverside for its *CAFR* for the fiscal year ended June 30, 2013. This was the twenty-sixth consecutive year the County has achieved this prestigious award. In order to be awarded a Certificate of Achievement, a government entity must publish an easily readable and efficiently organized *CAFR*. This report must satisfy both GAAP and applicable legal requirements.

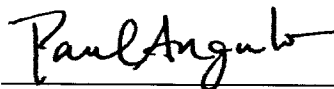

The County has also been awarded for *Outstanding Achievement* in the preparation of the Popular Annual Financial Report (PAFR), which is also referred to as Financial Highlights for the fiscal year ended June 30, 2013. This was the eighth consecutive year the County has achieved this award. In order to receive an award for *Outstanding Achievement in Popular Annual Financial Reporting*, a government entity must publish a PAFR, with contents conforming to program standards of creativity, presentation, understandability and reader appeal. A Certificate of Achievement is valid for a period of one year only. We believe that our current CAFR and PAFR continue to meet the Certificate of Achievement Program's requirements and we are submitting both reports to the GFOA to determine the eligibility for new certificates.

#### **Acknowledgments**

The preparation of this CAFR could not have been accomplished without the dedicated service of the entire staff of the Auditor-Controller's Office, especially the staff members of the General Accounting Division who consistently produce award winning financial reports. Special recognition goes to the staff members of the contributing component units, and the County departments for their participation in the preparation of this report.

Additionally, I would like to extend my gratitude to the Board of Supervisors and County Executive Office for their visionary leadership in making the County a great place to live, work, and to conduct business. Finally, I would like to thank our independent auditors, Brown Armstrong Accountancy Corporation, for their efforts throughout this audit engagement.

*Respectfully submitted,*

## INDEPENDENT AUDITOR'S REPORT

To the Honorable Board of Supervisors  
County of Riverside, California

### Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the County of Riverside, California, (the County) as of and for the year ended June 30, 2014, and the related notes to the financial statements, which collectively comprise the County's basic financial statements as listed in the table of contents.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We did not audit the financial statements of the Riverside County Flood Control and Water Conservation District (the Flood Control), Housing Authority of the County of Riverside (the Housing Authority), Riverside County Regional Park and Open-Space District (the Park District), Perris Valley Cemetery District (the Cemetery District), Riverside County Redevelopment Successor Agency (the Successor Agency), and Riverside County Children and Families Commission (the Commission), which represent the following percentages, respectively, of the assets and revenues of the following opinion units:

Opinion Unit	Assets	Revenues
Governmental Activities	19%	3%
Business-Type Activities	24%	16%
Aggregate Remaining Fund Information	4%	1%
Discretely Presented Component Units	49%	72%

Those financial statements were audited by other auditors whose reports thereon have been furnished to us, and our opinions, insofar as it relates to the amounts included for the Flood Control, the Housing Authority, the Park District, the Cemetery District, the Successor Agency, and the Commission, are based on the reports of the other auditors.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the County's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

REGISTERED with the Public Company  
Accounting Oversight Board and  
MEMBER of the American Institute of  
Certified Public Accountants

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Opinions

In our opinion, based on our audit and the reports of other auditors, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the County as of June 30, 2014, and the respective changes in financial position, and, where applicable, cash flows, and the respective budgetary comparison for the general fund, the transportation special revenue fund, and the flood control special revenue fund thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## Emphasis of Matters

As disclosed in the Note 1 to the financial statements, the County implemented Governmental Accounting Standards Board (GASB) Statement No. 66, *Technical Corrections – 2012 – an amendment of GASB Statements No. 10 and 62*; GASB Statement No. 67, *Financial Reporting for Pension Plans – an amendment of GASB Statement No. 25*; and GASB Statement No. 70, *Accounting and Financial Reporting for Nonexchange Financial Guarantees* during fiscal year 2014. Our opinion is not modified with respect to the matter.

## Other Matters

### *Required Supplementary Information*

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 3-22, the County's Retirement Plans schedule of funding progress on pages 111-112, and the schedule of funding progress for the County's Other Post Employment Benefit (OPEB) plan on page 113 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by GASB, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### *Other Information*

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the County's basic financial statements. The introductory section, combining and individual nonmajor fund financial statements and respective budgetary comparison schedules, and statistical section, are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining and individual nonmajor fund financial statements and respective budgetary comparison schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements and respective budgetary comparison schedules are fairly stated in all material respects in relation to the basic financial statements as a whole.

The introductory and statistical sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

## Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 5, 2014, on our consideration of the County's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control over financial reporting and compliance.

# **MANAGEMENT'S**

## **DISCUSSION AND ANALYSIS**

It is presented as required supplementary information for the benefit of the readers of the Comprehensive Annual Financial Report.

## Management's Discussion & Analysis (*Unaudited*)

This section of the County of Riverside's (the County) Comprehensive Annual Financial Report presents a narrative overview and analysis of the County's financial activities for the fiscal year ended June 30, 2014. We encourage readers to consider the information presented here in conjunction with the Letter of Transmittal beginning on page v and the County's basic financial statements which begin on page 23.

### FINANCIAL HIGHLIGHTS

- At the close of fiscal year 2013-14, the County's assets and deferred outflow of resources exceeded its liabilities and deferred inflow of resources by \$4.6 billion (*net position*). The net position included \$690.2 million of unrestricted resources, which may be used to meet the County's ongoing obligations to citizens and creditors; \$596.4 million of restricted resources, which is required by external sources or through enabling legislation to be used for specific purposes; and \$3.3 billion is net investment in capital assets.
- As of June 30, 2014, the County's governmental funds reported combined fund balances of \$1.1 billion, a decrease of \$52.2 million in comparison with the prior year. Approximately 19.1% of this amount (\$203.4 million) is available for spending at the County's discretion (*unassigned fund balance*).
- At the end of the current fiscal year, unrestricted fund balance (the total of the *committed*, *assigned*, and *unassigned* components of *fund balance*) for the general fund was \$244.0 million, or approximately 9.9% of total general fund expenditures.
- \$231.2 million increase in capital assets net of accumulated depreciation resulted from addition of equipment purchases, acquisition of building and land, and completion of various projects related to roads and storm water drains.
- \$21.6 million increase in outstanding long-term debt resulted mainly from bond issuance and net of scheduled retirement of outstanding debts.

### OVERVIEW OF THE FINANCIAL STATEMENTS

This management's discussion and analysis (MD&A) is intended to serve as an introduction to the County's basic financial statements which are comprised of the following three components: (1) Government-wide Financial Statements, (2) Fund Financial Statements, and (3) Notes to the Basic Financial Statements.

In addition to the basic financial statements, *Required Supplementary Information* is included to provide additional detail to support the basic financial statements.

**Government-wide Financial Statements** are designed to provide readers with a broad overview of County finances in a manner similar to a private-sector business.

The *statement of net position* presents financial information on all of the County's assets, liabilities, deferred inflow/outflows of resources, with the difference reported as *net position*. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the County is improving or declining. The statement of net position in summary can be found on page 7, and in more detail on page 23.

The *statement of activities*, presented on page 9 in summary and on pages 24-25 in detail, provides information showing how the County's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of the related cash flows. Thus, revenues and expenses are reported in this statement for some items that will result in cash flows in future fiscal periods. For example, property tax revenues are recorded when accrued but not yet collected, and when expenditures for compensated absences are accrued, but not yet paid.

## Management's Discussion & Analysis (Unaudited)

Both of these government-wide financial statements distinguish functions of the County that are principally supported by taxes and intergovernmental revenues (*governmental activities*) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (*business-type activities*). The governmental activities of the County include general government, public protection, public ways and facilities, health and sanitation, public assistance, education, and recreation and cultural services. Governmental activities include five major funds, twenty nonmajor funds, and a representative allocation of the County's internal service funds. The five major governmental funds are the general fund, flood control special revenue fund, transportation special revenue fund, teeter debt service fund, and public facilities improvements capital projects fund. The business-type activities of the County include three major enterprise funds, and two nonmajor funds. The major enterprise funds are the Regional Medical Center (RMC), Waste Management, and Housing Authority.

The government-wide financial statements also provide information regarding the County's component units, entities for which the County (the primary government) is considered to be financially accountable. Although blended component units are legally separate entities, they are, in substance, part of the County's operations. Accordingly, the financial information from these units is combined with financial information of the primary government.

The financial information for the Palm Desert Financing Authority (PDFA) and the Children and Families Commission (the Commission), both legally separate component units whose governing bodies are appointed by and serve at the will of the County, are presented separately from the financial information of the primary government.

The blended component units are:

- County of Riverside Asset Leasing Corporation (CORAL)
- County of Riverside District Court Financing Corporation
- County of Riverside Bankruptcy Court Corporation
- Housing Authority of the County of Riverside
- In-Home Supportive Services Public Authority
- Riverside County Flood Control and Water Conservation District (Flood Control)
- Riverside County Regional Park and Open-Space District
- Riverside County Public Financing Authority
- Riverside County Service Areas
- Inland Empire Tobacco Securitization Authority
- Perris Valley Cemetery District

**Fund Financial Statements**, illustrated on pages 28-45, provide information regarding the three major categories of County funds – governmental, proprietary, and fiduciary. The focus of governmental and proprietary fund financial statements is on major funds. Major funds are determined based on minimum criteria set forth in Governmental Accounting Standards Board (GASB) Statement No. 34, as amended. Like other state and local governments, the County uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. Fund accounting is also used to aid financial management by segregating transactions related to certain government functions or activities. A fund is a separate accounting entity with a self-balancing set of accounts.

**Governmental Funds** are used to account for essentially the same functions reported as *governmental activities* in the government-wide financial statements. Unlike the government-wide financial statements, governmental fund financial statements often have a budgetary orientation, are prepared on the modified accrual basis of accounting, and focus primarily on the sources, uses, and balances of current financial resources. However, unlike the government-wide financial statements, governmental fund financial statements focus on *near-term inflows and outflows of spendable resources*, as well as on *balances of spendable resources* available at the end of the fiscal year. Such information may be useful in assessing a government's near-term financing requirements.

## Management's Discussion & Analysis (Unaudited)

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for *governmental activities* in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the County's near-term financing decisions. The governmental funds' balance sheet and statement of revenues, expenditures, and changes in fund balances provided are accompanied by reconciliation to government-wide financial statements in order to facilitate this comparison between *governmental funds* and *governmental activities*.

The County maintains several individual governmental funds organized according to their type (general, special revenue, debt service, capital projects, and permanent funds). The governmental fund statements present the financial information of each major fund (the general fund, transportation special revenue fund, flood control special revenue fund, teeter debt service fund, and public facilities improvements capital projects fund) in separate columns.

Financial information for the remaining governmental funds (nonmajor funds) is combined into a single, aggregated presentation. Financial information for each of these nonmajor governmental funds is presented in the supplementary information section.

Budgetary comparison statements are also included in the fund financial statements. The statements present the County's annual estimated revenue and appropriation budgets for all governmental fund budgets except for CORAL, District Court Financing Corporation, Bankruptcy Court, Inland Empire Tobacco Securitization Authority, Public Financing Authority, and Perris Valley Cemetery Endowment Fund. The budgetary comparison statements have been provided to demonstrate compliance with their respective budgets.

**Proprietary Funds** are used to account for services for which the County charges customers, either outside customers or internal departments of the County. Proprietary funds statements, found on pages 40-43, provide the same type of information as shown in the government-wide financial statements with more detail. The County maintains the following two types of proprietary funds:

- *Enterprise funds* are used to report the same functions presented as *business-type activities* in the government-wide financial statements. The County uses enterprise funds to account for the RMC, Waste Management, Housing Authority, County Service Areas, and Flood Control. RMC, Waste Management, and Housing Authority financial statements are reported in separate columns of the proprietary fund statements due to the materiality criteria defined by GASB Statement No. 34. Financial information for the remaining enterprise funds (nonmajor funds) is combined into a single, aggregated presentation. Individual fund statements for County Service Areas and Flood Control are presented in the supplementary information section.
- *Internal service funds* are used to report activities that provide supplies and services for certain County programs and activities. The County uses internal service funds to account for its records and archive management, fleet services, information services, printing and mail services, supply services, enterprise solution division (accounting and human resources information technology system), risk management, temporary assistance pool, economic development agency (facilities management), and flood control equipment. Because these services predominantly benefit governmental rather than business-type functions, they have been included within the *governmental activities* in the government-wide financial statements. The internal service funds are combined into a single, aggregated presentation in the proprietary fund financial statements. Individual fund financial information for each internal service fund is provided in the supplementary information section.

**Fiduciary Funds** report assets held in a trustee or agency capacity for others and therefore cannot be used to support the County's programs nor be reflected in the government-wide financial statements. Fiduciary funds maintained by the County include a pension trust fund, investment trust funds, private-purpose trust funds, and agency funds. The fiduciary fund financial statements on pages 44-45, are presented on the economic resources measurement focus and the accrual basis of accounting.

## Management's Discussion & Analysis (Unaudited)

**Notes to the Basic Financial Statements** provide additional information other than that displayed on the face of the financial statements and are essential for fair presentation of the financial information in the government-wide and fund financial statements. The notes can be found on pages 47-109 of this report.

**Required Supplementary Information**, in addition to this MD&A, presents schedules of retirement plan funding progress and employer contribution. Required supplementary information can be found on pages 111-113 of this report.

**Combining and individual fund statements and schedules** provide information for nonmajor governmental funds, nonmajor enterprise funds, internal service funds, and fiduciary funds and are presented immediately following the required supplementary information. Combining and individual fund statements and schedules can be found on pages 115-166 of this report.

### GOVERNMENT-WIDE FINANCIAL ANALYSIS

As noted earlier, net position may serve as a useful indicator of a government's financial position. The table below focuses on the net position and changes in net position in the County's governmental and business-type activities. It presents an analysis of the County's net position as of June 30, 2014, in comparison to the prior fiscal year 2012-13. At the end of current fiscal year, the County reported positive net position in all three categories: net investment in capital assets, restricted net position and unrestricted net position. Total assets and deferred outflow of resources, as indicated below, exceeded liabilities and deferred inflow of resources by \$4.6 billion representing a decrease of \$23.3 million (\$20.2 million changes in net position and restatement of \$3.1 million, see Note 3), or 0.5%. A more detailed statement can be found on page 23 in the government-wide financial statements.

#### Statement of Net Position June 30, 2014 (In thousands)

	Governmental Activities		Business-type Activities		Total		Increase/ (Decrease)
	2014	2013	2014	2013	2014	2013	%
<b>Assets:</b>							
Current and other assets	\$ 2,535,316	\$ 2,542,934	\$ 469,859	\$ 521,110	\$ 3,005,175	\$ 3,064,044	-1.9%

Total net position	\$ 4,382,887	\$ 4,321,196	\$ 216,807	\$ 301,792	\$ 4,599,694	\$ 4,622,988	-0.5%

## Management's Discussion & Analysis (Unaudited)

Below are the three components of net position and their respective balances as of June 30, 2014:

- Net investment in capital assets was \$3.3 billion, or 72.0%, of the County's total net position compared to \$3.1 billion, or 67.4%, for fiscal year 2012-13. This component consists of capital assets such as land and easements, structures and improvements, infrastructure, and equipment, net of accumulated depreciation. The amount is further reduced by any debt attributable to the acquisition, construction, or improvement of the assets. The County uses these capital assets to provide services to citizens; consequently, these assets are *not* available for future spending. Although the County's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.
- \$596.4 million, or 13.0%, of the County's total restricted net position compared to \$644.7 million, or 13.9% for fiscal year 2012-13. This component represents external restrictions imposed by creditors, grantors, contributors, or laws and regulations of other governments and restrictions imposed by law through constitutional provisions or enabling legislation.
- \$690.2 million, or 15.0%, of the County's total net position is unrestricted that may be used to meet the County's ongoing obligations to citizens and creditors. Of this amount, \$718.1 million is from governmental activities and \$27.9 million deficit from business-type activities, compared to prior year whereas, \$771.9 million was from governmental activities and a \$88.9 million from business-type activities.

## Management's Discussion & Analysis (Unaudited)

The following table provides information from the Statement of Activities of the County as of June 30, 2014, as compared to the prior year:

### Statement of Activities For the year ended June 30, 2014 (In thousands)

	Governmental Activities		Business-type Activities		Total		Increase/ (Decrease) %

## Management's Discussion & Analysis (Unaudited)

The following are specific major factors that resulted in the net position changes in governmental activities between fiscal years 2013-14 and 2012-13 as shown in the table of the previous page 9.

### *Revenues for governmental activities*

Revenues from *Charges for services* increased by \$27.4 million, or 4.7%. Charges for services are revenues that arise from charges to external customers or applicants who purchase, use, or directly benefit from the goods, services, or privileges provided. The increases were mainly in health services provided to the new population of Medi-Cal patients, lease revenue collected from landfills operated by Waste Management department, and developer mitigation fees from the increased permit activity in the Rancho Bella Vista specific plan located in the third supervisorial district.

Revenues from *Operating grants and contributions* increased by \$90.2 million, or 6.0%, due to significant changes in the following state and federal sources:

- \$60.0 million in public assistance administrative expense claim for the continued caseload growth in medical expansion related to health care reform by filling additional position for keeping the caseloads more manageable. \$20.7 million recognized as revenue from local revenue funds including the mental health service fund, behavior health fund for mental health substance abuse program, and protective service subaccount fund for child welfare services and foster care assistance. \$10.2 million in the state allocation of the one-half cent proposition 172 public safety sales tax funds increased due to the improvement in sales activity in the County as the consumer confidence rebounded.

Revenues from *Property taxes* increased by \$19.7 million, or 7.1%, due to the 4.0% increase in fiscal year 2013-14 assessment roll value and documentary transfer tax. Additional analysis can be found in general fund financial analysis on page 15.

Revenues from *Sales and used taxes* increased by \$5.7 million, or 19.1% were mainly due to a growth in consumer goods sales at the recent expansion of factory outlets in Cabazon, and higher Triple Flip payments driven by one-time allocations and retroactive corrections in the energy and utilities sectors. In addition, a new district tax of 0.25% approved by local voters effective on October 01, 2013 from 7.75% to 8.0%.

Revenues from *Unrestricted intergovernmental revenue* increased by \$6.5 million, or 2.9% in property tax in-lieu of vehicle license fee due to the growth in property assessed values and adjustments.

The significant change in *Investment earnings* was due to higher interest rates earned as a result of the improved economic and market conditions.

*Other revenue sources* decreased by \$10.6 million, or 5.1%. The decrease was mainly from a dispute settlement related to the non-participating manufacturers adjustment and donations for environmental preservation.

### *Expenses for governmental activities*

Total expenses for governmental activities were \$2.9 billion for the current fiscal year, an increase of \$291.1 million or 11.0%, as compared to prior fiscal year. The following are the key components accounting for the variances:

- General government represents \$228.1 million, or 7.8%, of the total governmental activities expenses, increased by \$33.5 million or 17.2% from prior year due to contribution for the several construction projects from the capital improvement program including new jail facility, emergency operation center, county law building, and courtrooms.
- Public protection represents \$1.2 billion, or 40.6%, of the total governmental activities expenses, increased by \$126.1 million, or 11.8% from prior year was due to salary and benefit increases including the cost of

## Management's Discussion & Analysis (Unaudited)

living adjustments, pension rates and costs continue to rise, an upgraded communication system was implemented during fiscal year 2013-14, and continuation of Assembly Bill (AB) 109 Realignment. Additional analysis can be found in general fund financial analysis on page 16.

- \$108.4 million, or 3.7% of the total governmental activities expenses, increased by \$18.9 million, or 21.1% for public ways and facilities due to several completion of interchange improvement projects and grade separation projects for eliminating conflicts between railroad operations and vehicular traffic.
- Health and sanitation represents \$461.0 million or 15.7% of the total expenses, increased by \$38.0 million, or 9.0% from prior year caused by the mental health clinics and services continued to expand with the funding received from the Mental Health Service Act (MHSA) formerly known as Proposition 63. It was approved by California voters to provide a 1.0% tax on personal income over \$1.0 million in order to expand and transform the county mental health service system.
- \$851.2 million or 29.0% of the total expenses, increased by \$43.6 million or 5.4% from prior year for public assistance which was caused by the continued caseload growth and in preparation of Medi-Cal expansion related to healthcare reform. Additional analysis can be found in general fund financial analysis on page 18. The remaining 3.1% represents education for \$24.4 million or 0.8%; recreation and culture for \$20.1 million or 0.7%, and interest on long-term debt for \$47.2 million or 1.6%.

### Program Revenues and Expenses - Governmental Activities

For the fiscal year ended June 30, 2014  
(In Thousands)

## Management's Discussion & Analysis (Unaudited)

### Business-type Activities

The following are specific major factors that resulted in the net position changes in business-type activities between fiscal years 2012-13 and 2013-14 as shown in the previous table of page 9.

**Revenues:** The County has three major business-type activities: Riverside County Regional Medical Center (RMC), Waste Management, and Housing Authority. In addition, Flood Control and County Service Areas are included in the business-type activities of the County. Business-type activities recover all or a significant portion of their costs through user fees and charges and provide services primarily to non-County entities.

For the current year, \$556.0 million or 99.7%, of business-type activities program revenue was received from charges for services, a percentage consistent with the prior fiscal year. The majority of this revenue, \$400.6 million, was received by RMC as compared to \$450.3 million for the prior fiscal year. The decrease was mainly attributed to the new waiver for Disproportionate Share Hospital Program (DSH) revenue which provided by the State for supplemental payments to uncompensated care has been reduced.

**Expenses:** Total expenses for business-type activities were \$642.7 million for the fiscal year compared to \$620.6 million for the prior fiscal year. This represents an increase of \$22.1 million or 11.5%. Expenses of \$482.2 million or 75.0% were incurred by RMC in the current fiscal year, as compared to \$473.9 million or 76.4%, for the prior fiscal year. In addition, expenses for Waste Management department expenses were \$62.7 million or 9.8%, compared to \$53.1 million or 8.6% from prior fiscal year; Housing Authority expenses were \$94.7 million or 14.7% of total expenses for business-type activities, compared to prior fiscal year's expenses of \$90.7 million or 14.6%; Flood Control and County Service Areas account for the remaining 0.5% of expenses consistent with the prior fiscal year.

### Revenues and Expenses - Business Type Activities

## Management's Discussion & Analysis (Unaudited)

### FINANCIAL ANALYSIS OF FUND STATEMENTS

As noted earlier, the County uses *fund accounting* to ensure and demonstrate compliance with finance-related legal requirements.

#### Governmental Fund

The focus of the County's governmental funds is to provide information on the sources, uses, and balances of spendable resources. Such information is useful in assessing the County's short-term financial requirements. In particular, the total fund balance less the nonspendable amount may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year. Types of governmental funds reported by the County include the general fund, special revenue funds, capital project funds, debt service funds, and permanent fund.

As of June 30, 2014, the County's governmental funds reported combined fund balances of \$1.1 billion, a decrease of \$52.2 million in comparison with the prior year. The components of total fund balance are as follows (See Note 16 - Fund Balances for additional information):

- Nonspendable fund balance – \$4.4 million, are amounts that cannot be spent because they are either not in spendable form or are legally or contractually required to be maintained intact.
- Restricted fund balance – \$486.4 million, are amounts that are constrained to being used for a specific purpose by external parties such as creditors, grantors, laws, or regulations.
- Committed fund balance – \$306.4 million, are amounts that are committed for a specific purpose. These funds require action from the Board of Supervisors to remove or change the specified use.
- Assigned fund balance – \$62.0 million, are amounts that have been set aside and are intended to be used for a specific purpose but are neither restricted nor committed. Assigned amounts cannot cause a deficit in unassigned fund balance.
- Unassigned fund balance – \$203.4 million, funds that are not reported in any other category and are available for any purpose within the general fund.

Total governmental fund revenue increased by \$149.1 million or 5.4%, from the prior fiscal year with \$2.9 billion being recognized for the fiscal year ended June 30, 2014. Expenditures increased by \$222.4 million or 7.8%, from the prior fiscal year with \$3.1 billion being expended for governmental functions during fiscal year 2013-14. Overall, governmental fund balance decreased by \$49.1 million or 4.4%. In comparison, fiscal year 2012-13 had a decrease in governmental fund balance of \$221.8 million or 16.6%, over fiscal year 2011-12.

The *general fund* is the primary operating fund of the County. At the end of fiscal year 2013-14, the general fund's total fund balance was \$363.7 million, as compared to \$357.2 million in fiscal year 2012-13. As a measure of the general fund's liquidity, it is useful to compare both total fund balance and spendable fund balance to total fund expenditures. The nonspendable portion of fund balance was \$2.0 million, and the spendable portion was \$361.6 million. The current year unassigned fund balance is 8.3% of the total general fund expenditures of \$2.5 billion, as compared to 8.7% of the prior year expenditures total of \$2.3 billion. The total fund balance of the general fund for the current year is 14.8% of the total general fund expenditures as compared to 15.6% for the prior year.

The decrease in Transportation and Land Management Agency fund balance was due to higher road construction costs as a result of the completion of several major interchange improvements and grade separation projects began during the current fiscal year.

Flood control fund balance increased by \$3.7 million or 1.4%, \$254.9 million from prior year to \$258.6 million due to a decrease in inspection costs for developer constructed infrastructure projects.

Public facilities improvement capital project fund balance decreased from \$199.6 million to \$134.7 million, 32.5% or \$64.9 million. The decrease was caused by the construction and remodeling costs related to the major existing projects such as, the expansion of East County Detention Center, Van Horn Juvenile Facility, RMC education building, public defender building remodel, and the new alternate emergency operation center.

## Management's Discussion & Analysis (Unaudited)

### Other Governmental Funds

The increase in nonmajor governmental funds fund balance was essentially from a new lease revenue bond issuance for financing the construction, renovation, equipping and furnishing of existing buildings.

### Proprietary Funds

The County's proprietary funds financial statements provide the same type of information as the government-wide financial statements, but in more detail. The RMC and Waste Management are shown in separate columns of the fund statements due to materiality criteria as defined by GASB. In addition, the internal service funds are combined into a single, aggregated presentation in the proprietary fund statements with the individual fund data provided in the combining statements, which can be found in the supplemental information section.

At the end of the fiscal year, total proprietary fund net position was \$339.4 million, compared to \$448.3 million for prior fiscal year, decreased by \$108.9 million or 24.3%. Of the year ended balances, unrestricted net position was as follows:

- Regional Medical Center: -\$120.2 million
- Waste Management: \$50.1 million
- Housing Authority: \$120.0 million
- Other enterprise fund activities: \$2.5 million
- Internal service fund activities: \$22.6 million

RMC's net position decreased by \$62.3 million from \$56.6 million to \$5.7 million deficit. The decrease was attributed to consulting services provided by Huron Consulting Group for health and mental health services delivery strategic planning which involve partnership, joint venture, and alignments with other healthcare providers.

Waste Management's net position increased by \$7.8 million, from \$142.3 million to \$150.1 million. The waste disposal service rate increased to finance the operational costs including salaries increases ranging from 2.7% to 5.5% and higher costs in tire and fuel supplies for landfill equipment.

A decrease of \$19.4 million in Housing Authority's net position attributed to the reduction of federal funding and higher operational costs from additional staffs hired and maintenance expenses occurred as planned development projects progressed throughout the year for the Housing Successor Agency.

**Proprietary Funds Net Position**

## Management's Discussion & Analysis (Unaudited)

### GENERAL FUND FINANCIAL ANALYSIS

Revenues and other financing sources for the general fund, including comparative amounts from the preceding year are shown in the following tabulation:

**General Fund - Revenues by Source**  
For the fiscal year ended June 30, 2014  
(In thousands)

Revenues by Sources	2014		2013		Increase / (Decrease)	
	Amount	Percent of Total	Amount	Percent of Total	Amount	Percentage of Change
Taxes	\$ 256,746	10.0%	\$ 246,144	10.2%	\$ 10,602	4.3%
Intergovernmental revenues	1,653,338	64.6%	1,561,505	64.8%	91,833	5.9%
Charges for services	396,904	15.5%	374,750	15.6%	22,154	5.9%
Other revenue	155,771	6.1%	133,282	5.5%	22,489	16.9%
Other financing sources	97,982	3.8%	94,019	3.9%	3,963	4.2%
Total	<u>\$ 2,560,741</u>	<u>100.0%</u>	<u>\$ 2,409,700</u>	<u>100%</u>	<u>\$ 151,041</u>	<u>6.3%</u>

General fund revenues had an overall increase of \$151.0 million, or 6.3%, from the prior year. The increase was due primarily to the changes in the following:

- The changes in *Taxes* during the current fiscal year were due to the 4.0% increase in assessment roll value as the year-over-year growth in average sales price of single family homes in the County, a full 2.0% increase in inflation factor, and a substantial decline in foreclosure homes. Along with the assessment roll increase, the documentary transfer tax from the transfer of real property ownership increased since 2009 as a result of higher sales volume and refinances.
- The increase in *Intergovernmental revenues* was primarily attributed to allocation and realignment revenue from the state and federal aids. See explanation previously discussed on page 10.
- *Charges for services* increased by \$22.2 million, or 5.9%, was primarily due to the law enforcement services provided by County's sheriff patrol department and contracted services including fire protection and animal services provided to cities within the County, and real estate fraud prosecution trust fund fee increased from \$3.00 to \$10.00 per Approved Resolution No. 2013-038.
- The increase in *Other revenue* was mainly due to landfill lease agreement with the Waste Management department, revenue neutrality agreement from the City of Eastvale Inc., and negotiated pass through payments distributed from successor agency former redevelopment agency according to the agreement terms.
- *Other financing sources* increased \$4.0 million, or 4.2%, due to reimbursements from other county funds for debt service payments and county program activities.

## Management's Discussion & Analysis (Unaudited)

Expenditures and other financing uses for the general fund, including comparative amounts from the preceding year, are shown in the following tabulation (in thousands):

### General Fund - Expenditures by Function For the fiscal year ended June 30, 2014 (In thousands)

Expenditures by Function	2014		2013		Increase / (Decrease)	
	Amount	Percent of Total	Amount	Percent of Total	Amount	Percentage of Change
General government	\$ 106,045	4.2%	\$ 103,896	4.3%	\$ 2,149	2.1%
Public protection	1,116,621	43.6%	1,043,017	43.7%	73,604	7.1%
Health and sanitation	416,005	16.3%	388,325	16.3%	27,680	7.1%
Public assistance	795,309	31.1%	735,057	30.8%	60,252	8.2%
Other expenditures	19,313	0.8%	22,207	0.9%	(2,894)	-13.0%
Other financing uses	101,021	4.0%	96,547	4.0%	4,474	0.0%
Total	<u>\$ 2,554,314</u>	<u>100.0%</u>	<u>\$ 2,389,049</u>	<u>100.0%</u>	<u>\$ 165,265</u>	<u>6.9%</u>

Total expenditures for general fund were \$2.6 billion, an increase of \$165.3 million, or 6.9%, from the prior year. Significant changes are as follows:

- An increase of \$2.1 million, or 2.1% in *General government* was mainly due to costs associated with the election occurred in fiscal year 2012-13 such as overtime, temporary help, printing/binding, transportation, and equipment purchase.
- The increase in *Public protection* was mainly caused by negotiated salary/benefit increases, increase unincorporated patrol staffing to one sworn officer per 1,000 residents as a result of additional recruiting, testing, hiring, and training costs, an upgraded communication system was implemented during fiscal year 2013-14. In addition, the continuation of AB109 Realignment as a result of additional workload generated by transfer of parole hearings to the District Attorney, pre-trial services, increased jail population, require Every Convict Occupant Reimburse County Expenses (RECORCE) through the recruitment of vacant position, and Juvenile Justice Crime Prevention Act (JJCPA) which address a continuum of responses to at risk youth and juvenile offenders - prevention, intervention, supervision, treatment and incarceration.
- The increase in *Health and sanitation* was due to additional positions that were filled in the detention health department during the year for meeting the needs of inmates in county correctional facilities, and increase in payments for out-of-network health and mental health service providers as of result of medi-cal expansion.
- The increase in *Public assistance* was due to state policy changes related to the California Fostering Connections to Success Act was signed into law September 30, 2010 through AB12 and beginning January 1, 2013, foster youth can remain in foster care up to the age of 20 years of age, and starting January 1, 2014 up to age 21. Caseload growth in demand for services including medi-cal expansion related to health care reform, adult protective services, foster care, in-home support services, calworks, cal fresh, and adoption.
- *Other expenditures* decreased by \$2.9 million, or 13.0%, was mainly due to a decrease in principal and interest payments for capital asset leases for buildings and other purchases.
- The increase in *Other financing uses* was due to the contribution to other county funds for financing debt service payments, construction costs of capital projects, and county program activities.

## Management's Discussion & Analysis (Unaudited)

### GENERAL FUND BUDGETARY HIGHLIGHTS

This section provides a summary of the primary factors attributing to the general fund variances between 1) the original adopted and the final amended budget, and 2) the final amended budget and the actual revenue and expenditure amounts. The budgetary comparison statement displays the details of the comparison and is included in the governmental fund statements section.

#### Variance between General Fund Original Adopted and Final Amended Budget

##### Estimated Revenue Variances

The original adopted general fund estimated revenue budget decreased by \$31.4 million, or 1.2%, from \$2.66 billion to the final amended revenue budget of \$2.63 billion. The major changes in appropriations are as follows:

Taxes: Increased by \$9.3 million, or 4.0%, \$8.8 million of the increase was due to revenue received from the redevelopment agencies' sale of residual assets after dissolution.

Rents and concessions: Increased by \$8.5 million, or 41.1%, due to a Landfill Lease Agreement with County's Waste Management Department. In November 2013 the Board of Supervisors approved a landfill lease agreement where the general fund will be receiving \$1.8 million on a yearly basis for the next 25 years. This fiscal year the general fund received \$8.5 million for fiscal years 2010 thru 2014.

Charges for services: Decreased by \$74.9 million, or 15.3%. The primary decrease was mainly due to intergovernmental activities.

##### Expenditure Appropriation Variances

The original adopted general fund appropriation budget of \$2.7 billion decreased by \$51.4 million, or 1.9%, during the fiscal year. The major appropriation variances are described below.

General government: The appropriation budget decreased by \$38.8 million, or 19.1%.

- Salaries and employee benefits decreased by \$4.3 million or 4.9%. The primary decrease of \$3.1 million was due to the consolidation of Economic Development Agency and Facilities Management's administrative budgets.
- Other charges decreased by \$26.1 million, or 35.0%, mainly due to a reclassification to the category transfers out.
- Appropriation for contingencies decreased by \$13.7 million, or 57.0%. The Sheriff's department attributed to \$11.1 million of the decrease because their budget had to be increased to be able to meet County's board directive of increasing patrol staffing in unincorporated areas of the County and to fund trial court realignment shortfall.

Public protection: The appropriation budget increased by \$28.5 million, or 2.5%.

- Salaries and employee benefits increased by \$9.7 million or 1.3%. The Sheriff's department had increases in salaries within its Administration, Patrol and Correction divisions to be able to meet the County's board directive of increasing patrol staffing in unincorporated areas of the County.
- Services and supplies increased by \$14.4 million, or 4.4%. \$4.0 million of the variance was for fiscal year 2013 encumbrances for various general fund departments. \$1.5 million was for unexpected costs incurred by department of Animal Services related to the San Jacinto Valley Animal Shelter, \$2.0 million was for Fire department professional services, and \$1.3 million was required by Probation department to cover cost related to the implementation of the AB109 Criminal Justice Alignment.

## Management's Discussion & Analysis (*Unaudited*)

- Capital assets increased by \$3.3 million, or 49.7%, with the majority of the increase due to Probation department replacing outdated computer equipment within their field offices and additional costs related to public safety enterprise radios and equipment required for JJCPA program.

Debt service: The appropriation budget decreased by \$38.9 million or 48.6%. Principal decreased by \$38.9 million, or 51.8%. The primary decrease was mainly due to the elimination of intergovernmental activities.

### Variance between General Fund Actual Revenues and Expenditures and Final Amended Budget

During the year, the general fund had a positive budget variance of approximately \$65.4 million resulting from unexpended appropriations of \$233.7 million, or 8.7%, and overestimated revenue of \$168.3 million, or 6.4%. The following contributed to the variance:

#### Revenue Variances

General fund actual revenues of \$2.5 billion were 6.4%, or \$168.3 million, less than the final amended revenue budget of \$2.6 billion.

Taxes: Actual revenues were greater than the final amended budget by \$14.3 million, or 5.9% due primarily to an increase in property taxes of \$2.8 million and an increase in sales and use tax of \$5.7 million.

Federal aid: Actual revenues were less than the final amended budget by \$87.8 million, or 16.0%. The department of Public Social Services had a decrease of \$64.0 million of which approximately \$45.0 million was due to the CalWORKS program. Mental Health had lower revenues by \$15.2 million and the Probation department had a decrease in revenues of approximately \$3.5 million.

Charges for services: Actual revenues were less than the final amended budget by \$19.0 million, or 4.6%. The Public Health department noted a decrease in revenues of \$3.5 million related to revenues generated through court fines from drunk driving which are then disbursed to the County physicians and hospitals for medical care where there is no other funding source.

Other revenue: Actual revenues were less than the final amended budget by \$50.7 million, or 55.2%. A decrease of \$35.2 million from CORAL relates to transfers and contributions from other County funds. A decrease of \$6.7 million in the department of Public Social Services was due to funding not needed as Federal, State and other funding covered cost in the current year.

#### Expenditure Variances

General fund actual expenditures of \$2.5 billion were 8.7%, or \$233.7 million, less than the final amended appropriation budget of \$2.7 billion.

General government: Actual expenditures were less than the final amended budget by \$58.7 million, or 35.6%.

- Salaries and employee benefits were \$5.2 million, or 6.1%, below budget. Decreases were noted in the Assessor by \$1.4 million and the Treasurer-Tax Collector by \$0.6 million.
- Services and supplies were \$5.9 million, or 8.2%, less than budgeted primarily due to a \$2.2 million decrease in Executive Office expenditures related to its 911 Communication project.
- Other charges decreased by \$36.9 million, or 76.3%, mainly due to decreases in contributions to other funds by the Executive Office and decreases in intergovernmental activities.
- Appropriation for contingencies decreased by \$10.3 million, or 100.0%. In order to meet the County's board directive of increasing patrol staffing in unincorporated areas of the County, the Sheriff's department had to request a \$10 million budget adjustment that was funded by contingency funds.

## **Management's Discussion & Analysis (Unaudited)**

Public protection: Actual expenditures were less than the final amended budget by \$44.2 million, or 3.8%.

- Salaries and employee benefits were \$18.2 million, or 2.4%, less than budgeted primarily due to the District Attorney's by \$3.6 million, Juvenile Hall by \$3.8 million and Probation's by \$10.8 million as a result of unfilled positions.
- Services and supplies were \$19.3 million, or 5.6%, less than budgeted mainly due to the Clerk Recorder by \$1.2 million and Probation department by \$1.7 million primarily due to the implementation of AB109 criminal justice realignment.
- Capital Assets decreased by \$4.9 million, or 49.3%, mostly due to the CREST project expenditures.

Health and sanitation: Actual expenditures were less than the final amended budget by \$73.4 million, or 15.0%.

- Salaries and employee benefits were \$32.7 million, or 13.6%, less than budgeted amounts. Mental Health decrease by \$20.9 million, Detention Health System decreased by \$3.1 million, and Public Health department decrease by \$6.1 million due to positions that were not filled.
- Services and supplies were \$12.7 million, or 11.1%, less than budgeted primarily due to a \$7.0 million savings in the Public Health Agency as its Information Technology personnel consolidated/relocated under the County's Information Technology department and savings in overhead costs.
- Other charges were \$31.7 million, or 14.8%, less than budgeted as the realignment contributions were decreased by \$12.1 million. Mental Health had savings of \$15.0 million in contracts and medical services.

Public assistance: Actual expenditures were less than the final amended budget by \$34.7 million, or 4.2%.

- Salaries and employee benefits were \$16.5 million, or 6.1%, less than budgeted mainly due DPSS approved positions that were vacant throughout the fiscal year.
- Services and supplies were \$12.5 million, or 13.2%, less than budgeted primarily due to DPSS postponement of several new projects that had been budgeted and the cancellation of several IT contracts.

Debt service: Actual expenditures were less than the final amended budget by \$25.6 million, or 62.3%, primarily due to a decrease in principal and interest payments for capital asset leases for buildings and other purchases.

### **CAPITAL ASSETS AND DEBT ADMINISTRATION**

#### **Capital Assets**

As of June 30, 2014, the County's capital assets for both its governmental and business-type activities amounted to \$4.4 billion (net of accumulated depreciation). The capital assets include land and easements, land improvements, construction in progress, equipment, and infrastructure. The County's infrastructure is comprised of channels, storm drains, levees, basins, roads, traffic signals, bridges, runways, parks, park trails, and landfill liners. The County's capital assets increased by 5.5% or \$231.2 million; from \$4.2 billion in fiscal year 2012-13 to \$4.4 billion in fiscal year 2013-14.

Major capital asset events during the current fiscal year included the following:

- Infrastructure increased approximately \$13.0 million as a result of the completion of the following projects: Liner-Lamb Canyon expansion in the amount of \$11.8 million and pavement projects for the Hemet Ryan Airport and Jacqueline Cochran Airport in the amount of \$1.2 million.
- Land easements increased approximately \$42.9 million as a result of acquisition of the following land: approximately 33.2 acres of Indio land was acquired for \$11.6 million, approximately 21.0 acres of the land from the Vernola Family Park was acquired for \$4.9 million, 50.2 acres of Van Horn, County Farm

## Management's Discussion & Analysis (Unaudited)

and County Circle land was acquired for \$6.5 million and 7.1 acres of the Jurupa Aquatic Center land was acquired for \$3.6 million. The Flood Control District had land additions of \$7.3 million, for which \$4.2

million was for the Day Creek-Bellegrave Basin, \$1.8 million was for the Temescal Creek Flood Plain acquired for water conservation and habitat mitigation banking, and \$1.3 million was for the Green Acres Dam acquired to help alleviate the flooding of properties within the immediate vicinity.

- During the current fiscal year, the RCIT departments consolidated. As a result, the County Innovation Center was acquired to house all employees and information technology equipment. The acquisition increased land by 5.3 acres with a total cost of \$4.3 million and structures and improvements increased approximately \$24.1 million.
- Equipment increased approximately \$104.0 million. The primary increase of \$72.6 million consists of communication equipment of which \$55.0 million was purchased for the Public Safety Enterprise Communication system and \$20.0 million was purchased by the Sheriff department. The remaining balance of \$31.3 million was due to increases in office equipment, software, equipment vehicles and other miscellaneous equipment throughout the County.
- Construction in progress increased approximately \$47.8 million as a result of costs related to existing and new projects. The major projects were as follows: Flood District incurred \$10.6 million in new costs for storm drains, channels and dams. Transportation and Land Management Agency experienced the addition of \$10.9 million in various streets, bridges, and signal lights. RCIT incurred \$7.0 million in new costs for the Riverside Collaboration Data Center. Additional costs of \$11.1 million were incurred by Economic Development Agency for the construction of the Perris Valley Aquatic Center. The Crest project incurred an additional \$7.2 million towards the new integrated property tax management system.

### Capital Assets (Net of Accumulated Depreciation) (In Thousands)

Capital assets for the governmental and business-type activities are presented below to illustrate changes from the prior year:

	Governmental Activities		Business-type Activities		Total		Increase/ (Decrease)
	2014	2013	2014	2013	2014	2013	%
Infrastructure	\$ 1,419,015	\$ 1,415,087	\$ 52,936	\$ 43,844	\$ 1,471,951	\$ 1,458,931	0.9%
Land and easements	507,989	469,522	25,777	21,358	533,766	490,880	8.7%
Land improvements	86	87	2,498	3,080	2,584	3,167	-18.4%
Structures and improvements	1,129,652	1,103,314	118,792	121,056	1,248,444	1,224,370	2.0%
Equipment	192,122	110,155	34,117	12,118	226,239	122,273	85.0%
Construction in progress	875,531	815,227	52,528	65,006	928,059	880,233	5.4%
Concession arrangements	-	-	8,830	8,830	8,830	8,830	0.0%
Total capital assets	\$ 4,124,395	\$ 3,913,392	\$ 295,478	\$ 275,292	\$ 4,419,873	\$ 4,188,684	5.5%

Additional information on the County's capital assets can be found in Note 8 on pages 70-72 of this report.

### Debt Administration

Per Board of Supervisors policy, the County's Debt Advisory Committee reviews all debt issuances of the County and its financing component unit organizations and advises the Board of Supervisors accordingly. Net bonded debt per capita equaled \$384.0 million as of June 30, 2014. The calculated legal debt limit for the County is \$2.6 billion.

## Management's Discussion & Analysis (Unaudited)

The following are credit ratings maintained by the County:

	<u>Moody's Investors Services, Inc.</u>	<u>Standard &amp; Poor's Corp.</u>	<u>Fitch</u>
Short-term notes	MIG1	SP-1+	F1+
Long-term general obligation	Aaa	AA+	AA-

The table below provides summarized information (including comparative amounts from the preceding year) for the County's outstanding long-term liabilities as of June 30, 2014.

### County's Outstanding Debt Obligations (In Thousands)

	Governmental Activities		Business-type Activities		Total		Increase/ (Decrease)
	2014	2013	2014	2013	2014	2013	%
Loan payable	\$ 3,890	\$ 4,420	\$ -	\$ -	\$ 3,890	\$ 4,420	-12.0%
Bonds payable	810,186	744,460	132,941	143,710	943,127	888,170	6.2%
Certificate of participation	240,593	282,095	-	-	240,593	282,095	-14.7%
Capital leases	79,822	67,748	3,854	7,224	83,676	74,972	11.6%
Total outstanding	\$ 1,134,491	\$ 1,098,723	\$ 136,795	\$ 150,934	\$ 1,271,286	\$ 1,249,657	1.7%

**Outstanding Debt:** The County of Riverside's total debt increased by 1.7% or \$21.6 million during the current fiscal year primarily due to addition of \$84.5 million bond issuance, offset by \$18.5 million refunded bonds and \$44.4 million net of scheduled retirement of outstanding debts. Additional information on the County's long-term debt can be found in Note 14 on pages 78-88 of this report.

### ECONOMIC FACTORS AND THE FISCAL YEAR 2014-15 BUDGET OUTLOOK

Economists' forecasts for long-term growth in the County are more optimistic. The residential and nonresidential property markets continue to improve while unemployment rates sink to levels consistent with strong economic recovery.

Recent decisions by the state have reshaped the way the County delivers essential public-safety services. The recommended budget includes an additional \$33.9 million to fund Board of Supervisors approved initiatives mostly related to the direct impacts of these decisions. These initiatives will be funded with \$12.1 million in general-fund discretionary revenue and \$21.8 million in Proposition 172 public safety sales-tax allocations.

The County continues to work aggressively to improve the fiscal conditions at RMC. Huron, a consultant hired by the County to assist with improving hospital operations, expects to meet or exceed \$55.5 million in recurring annual benefits. The fiscal year 2014-15 budget reflects hospital spending that does not exceed revenue that is generated.

Fiscal year 2014-15 discretionary revenue is expected to increase by approximately 8.3% (\$48.9 million) when compared to fiscal year 2013-14 initial budget. The increase is primarily due to growth in assessed valuation for property values. The driving factors in the roll's increase are the average sales price of single family homes in the County has increased by 24.0% and fewer foreclosures which have reduced the number of homes for sales and increased competition for available homes.

## Management's Discussion & Analysis (Unaudited)

The following table reflects anticipated discretionary revenue totals and sources for fiscal year 2014-15.

Source	Final Budget Estimate (In Thousands)
Taxes	\$ 233,374
Other Taxes	49,360
Licenses, Permits, Franchise Taxes	5,037
Fines, Forfeitures, Penalties	23,760
Use of Money and Property	2,900
State	211,324
Federal	3,000
Charges for services	595
Miscellaneous	110,240
Total	<u>\$ 639,590</u>

The County's employee retirement benefit contribution rate for fiscal year 2014-15 for miscellaneous members is 14.5% and the safety contribution rate is 21.9%. The employer rate for both plans is subject to changes in future years, as it continues to reflect changes in investment return and the County's growth rate, among other factors. Fiscal year 2015-16 rates are projected at 15.5% (Miscellaneous) and 23.3% (Safety). Additional information regarding the County's retirement plans are included in Notes 20, 21, and 22 of the financial statements and schedules of retirement funding progress are included in the required supplementary information section.

### Requests for Information

This financial report is designed to provide a general overview of the County's finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the County of Riverside, Office of the Auditor-Controller, County Administrative Center, 4080 Lemon Street - 11<sup>th</sup> Floor, P.O. Box 1326, Riverside, CA 92502-1326 Phone: (951) 955-3800; Fax: (951) 955-3802; website: [www.auditorcontroller.org/ReportsPublications](http://www.auditorcontroller.org/ReportsPublications).

**COUNTY OF RIVERSIDE**  
**Reconciliation of the Balance Sheet of Governmental Funds to the**  
**Statement of Net Position**  
**June 30, 2014**  
**(Dollars in Thousands)**

Fund balances - total governmental funds (page 29) \$ 1,062,562

Amounts reported for governmental activities in the statement of net position are different because:

Capital assets used in governmental activities are not current financial resources and therefore are not reported in the governmental funds. 4,074,835

Net OPEB and pension assets are not current financial resources and therefore are not reported in the governmental funds. 486,384

Under the modified accrual basis of accounting, revenue cannot be recognized until it is available to liquidate liabilities of the current period; under accrual accounting, revenue must be recognized as soon as earned, regardless of its availability. Any liability of earned but unavailable revenue must be eliminated in the government-wide financial statements. 47,267

Long-term liabilities, including bonds payable, are not due and payable in the current period and therefore are not reported in the governmental funds.

Bonds payable	\$ 810,186	
Capital lease obligations	49,938	
Certificates of participation	240,593	
Loans payable	3,890	
Accrued interest payable	9,360	
Accreted interest payable	111,623	
Accrued remediation cost	2,574	
Compensated absences	182,606	(1,410,770)

Internal service funds are used by management to charge the costs of equipment, fleet management, printing, information technology, supply services, risk management, and temporary assistance to individual funds. Since internal service funds predominantly service government activities, the assets and liabilities of these funds are included as governmental activities in the statement of net position.

122,609

Net position of governmental activities (page 23) \$ 4,382,887

The notes to the basic financial statements are an integral part of this statement.

**Changes in Fund Balances of Governmental Funds to the**  
**Statement of Activities**  
**For the Fiscal Year Ended June 30, 2014**  
**(Dollars in Thousands)**

Net change in fund balances - total governmental funds (page 33) \$ (49,100)

Amounts reported for governmental activities in the statement of activities are different because:

Governmental funds report capital outlay and other capital projects as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense.

Expenditures for capital assets	\$ 291,382	
Less loss on disposal of capital assets	21,593	
Less current year depreciation	<u>(118,848)</u>	194,127

Prepaid pension costs and Other Public Employee Benefit (OPEB) costs are expended in the governmental funds when paid but are recognized as a financial resource in the statement of net position. 8,484

Long-term debt proceeds provide current financial resources to governmental funds, but issuing debt increases long-term liabilities in the statement of net position. Repayment of bond principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net position.

Proceeds in excess of principal payments (17,769)

Under the modified accrual basis of accounting, revenue cannot be recognized until it is available to liquidate liabilities of the current period; under accrual accounting, revenue must be recognized as soon as earned, regardless of its availability. Also, any liability of earned but unavailable revenue must be eliminated in the government-wide financial statements. (3,693)

Some expenses reported in the statement of activities do not require the use of current financial resources and therefore are not reported as expenditures in governmental funds.

Change in accrued interest	(395)	
Change in accreted interest	(16,962)	
Change in long-term compensated absences	<u>(25,979)</u>	(43,336)

Internal service funds are used by management to charge the costs of certain activities to individual funds. The net income (loss) of the internal service funds is reported with governmental activities. (23,926)

Change in net position of governmental activities (page 25) \$ 64,787

**COUNTY OF RIVERSIDE**  
**Notes to the Basic Financial Statements**  
**June 30, 2014**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Reporting Entity**

The County of Riverside (the County) is a legal subdivision of the State of California charged with general governmental powers. The County's powers are exercised through a five member Board of Supervisors (the Board), which, as the governing body of the County, is responsible for the legislative and executive control of the County. Services provided by the County include general government, public protection, public ways and facilities, health and sanitation, public assistance, education, and recreation and culture.

**Component Units**

While each of these component units is legally separate from the County, the County is financially accountable for these entities. Financial accountability is primarily demonstrated by the County's Board acting as, or appointing, the governing board for each of the component units and its ability to impose its will. Because of their relationship with the County and the nature of their operations, component units are, in substance, part of the County's operations and, accordingly, the activities of these component units are combined, or blended with the activities of the County for purposes of reporting in the accompanying basic financial statements. The discretely presented component units are reported in a separate column in the government-wide financial statements to emphasize that it is legally separate from the County.

In conformity with generally accepted accounting principles, the financial statements of thirteen component units have been included and combined with financial data of the County. Eleven component units have an integral relationship with and serve as an extension of the County. Using the criteria of Governmental Accounting Standards Board (GASB) Statement No. 61, *The Financial Reporting Entity*, management has determined that each entity is presented as a blended component unit due to the composition of each governing board and the control of the day-to-day activities through the budget process. Two component units are presented discretely. Each blended and discretely presented component unit has a June 30 fiscal year-end.

**Blended Component Units**

*Housing Authority of the County of Riverside (Housing Authority)* The Board is the governing body of the Housing Authority. Among its duties, it approves the Housing Authority's budget, rates and charges for the use of facilities, and appoints the management. The Housing Authority is reported as a proprietary fund type.

*Riverside County Flood Control and Water Conservation District (Flood Control)* The Board is the governing body of Flood Control. Among its duties, it approves Flood Control's budget, tax rates, contracts, and appoints the management. Flood Control is reported as both governmental and proprietary fund types.

*Riverside County Regional Park and Open-Space District (Park District)* The Board is the governing board of the Park District. Among its duties, it approves the Park District's budget, contracts, fees and charges for park use, and appoints the management. The Park District is reported as both governmental and fiduciary fund types.

*County of Riverside Asset Leasing Corporation (CORAL)* The Board appoints the governing board of CORAL and CORAL provides services entirely to the County through the purchase of land and construction of facilities, which are then leased back to the County. CORAL is reported as a governmental fund type.

*Riverside County Service Areas (CSAs)* The Board is the governing body of the CSAs. Among its duties, it approves the CSAs' budgets, approves parcel fees, and appoints the management. The CSAs are reported as either governmental or proprietary fund types.

*Riverside County Public Financing Authority (Public Financing Authority)* The Board is the governing body of the Public Financing Authority. The Public Financing Authority was formed for the purpose of assisting in financing public improvements of the County, the Riverside County Redevelopment Successor Agency and other local agencies. The Public Financing Authority is reported as a governmental fund type.

*County of Riverside District Court Financing Corporation (District Corporation)* The Board is the governing body of the District Corporation. The District Corporation assists the County by providing for the acquisition, construction and renovation of U.S. District Court facilities. The District Corporation is reported as a governmental fund type.

**COUNTY OF RIVERSIDE**  
**Notes to the Basic Financial Statements (Continued)**  
**June 30, 2014**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Blended Component Units (Continued)**

*County of Riverside Bankruptcy Court Corporation (Bankruptcy Court)* The Board is the governing body of the Bankruptcy Court. The Bankruptcy Court assists the County by providing for the acquisition, construction and renovation of public facilities and improvements. The Bankruptcy Court is reported as a governmental fund type.

*In-home Support Services Public Authority (IHSS PA)* The Board is the governing body of the IHSS PA. The IHSS PA acts as the employer of record for purposes of collective bargaining for Riverside In-home Supportive Services providers and performs other IHSS PA functions as required and retained by the County. The IHSS PA is reported as a governmental fund type.

*Perris Valley Cemetery District (the District)* The Board is the governing body of the District. The District is a public cemetery district operating under the provisions of the Health and Safety Code of the State of California. The District was created in July 1927 for the purpose of operating a public cemetery for the residents of Perris Valley. The District is reported as a governmental fund type.

*Inland Empire Tobacco Securitization Authority (the Authority)* The Board appoints two of the three members of the governing board of the Authority. The San Bernardino County Board of Supervisors appoints the third member. The Authority was created by a Joint Exercise of Powers Agreement (the Agreement) effective as of July 18, 2007 between Riverside County and San Bernardino County. The Authority was created for the purpose of securitizing the payments to be received by the County of Riverside from the nation-wide Tobacco Settlement Agreement (the Payments) for such purposes, but not limited to, issuance, sale, execution and delivery of bonds secured by those Payments or the lending of money based on thereof, or to securitize, sell, purchase or otherwise dispose of some or all of such Payments of the County. The Authority is a blended component unit of the County because the Authority is providing services solely to the County and the County's Board has the ability to impose its will by removing the Authority's governing Board at will. The Authority is reported as a governmental fund type.

**Discretely Presented Component Units**

*Riverside County Children and Families Commission (the Commission)* The Riverside County Board of Supervisors established First 5 Riverside, also known as Riverside County Children and Families Commission, in 1999 under the provisions of the California Children and Families Act of 1998. The Commission was formed to develop, adopt, promote, and implement early childhood development programs.

A governing Board of nine members, that administers the Commission, is appointed by the County Board of Supervisors. The Commission includes one member of the County Board of Supervisors. The Commission is a component unit of the County because the County's Board has the ability to remove some of the Commission's governing Board at will. It is discretely presented because its governing body is not substantially the same as the County's governing body and it does not provide services entirely or exclusively to the County.

*Palm Desert Financing Authority (PDFA)* is a joint powers authority between the County of Riverside and Palm Desert Successor Agency (the Agency) established on January 1, 2002 under Section 6502 of the Joint Powers Act, California Government Code Section 6500. The County and the Agency agreed to create the PDFA for the purpose of establishing a vehicle to reduce local borrowing costs, promote greater use of existing and new financial instruments and mechanisms, and assist local agencies in the financing of public capital improvements. Although the PDFA is a legally separate entity, in substance under GASB Statement No. 61, the County is financially accountable for the PDFA's issuance of the lease revenue bond that is under the PDFA's management (2008 Series A).

The PDFA's Commission is the governing body of the PDFA, which consists of the County Executive Officer, one member of the County Board of Supervisors, the Executive Director of the Agency and a member of the Agency's Board. It is discretely presented because its governing body is not substantially the same as the County's governing body.

Additional detailed financial information for each of the discretely presented component units can be obtained from the Auditor-Controller's Office at the Robert T. Anderson Administrative Center, 4080 Lemon Street - 11<sup>th</sup> Floor, P.O. Box 1326, Riverside, CA 92502-1326.

**COUNTY OF RIVERSIDE**  
**Notes to the Basic Financial Statements (Continued)**  
**June 30, 2014**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Presentation of Financial Information Related to County Fiduciary Responsibilities**

The basic financial statements also include an Investment Trust fund to account for cash and investments held by the County Treasurer for numerous self-governed school and special districts. The financial reporting for these governmental entities, which are independent of the County, is limited to the total amount of cash and investments and other assets. School and special district boards that are separately elected and that are independent of the County Board of Supervisors, administer activities of the school districts and special districts. The County auditor-controller makes disbursements upon the request of the responsible self-governed special district officers. The Board has no effective authority to govern, manage, approve budgets, assume financial accountability, establish revenue limits, or appropriate surplus funds available in these entities. Therefore, these entities are fiscally independent of the County. Twenty-eight cities and numerous self-governed special districts provide services to the residents of the County. The operations of these entities have been excluded from the basic financial statements since each entity conducts its own day-to-day operations and is controlled by its own governing board.

**Basis of Presentation**

*Government-wide Financial Statements*

The statement of net position and statement of activities display information about the primary government (the County) and its component units. These statements include the financial activities of the overall government, excluding fiduciary activities. These statements distinguish between the *governmental* and *business-type activities* of the County and between the County and its discretely presented component units. Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities that rely, to a significant extent, on fees charged to external parties.

The statement of activities presents a comparison between direct expenses and program revenues for each segment of the business-type activities of the County and for each function of the County's governmental activities. Direct expenses are those that are specifically associated with a program or function and, therefore, are clearly identifiable to a particular function. Expenses by function have been adjusted for any internal service profit/loss existing at fiscal year-end. In addition, 34.98% or \$15.2 million, of the County's \$43.5 million indirect costs, allocated through the Countywide Cost Allocation Program (COWCAP), have been included in the expenses of those functions which can obtain reimbursement through State and Federal Programs or other charges. Program revenues include (1) charges paid by the recipients of goods or services offered by the programs and (2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular program. Revenues that are not classified as program revenues, including all taxes, are presented instead as general revenues.

*Fund Financial Statements*

The fund financial statements provide information about the County's funds, including fiduciary funds and blended component units. Separate statements for each fund category – *governmental*, *proprietary*, and *fiduciary* – are presented. The emphasis of fund financial statements is on major governmental and enterprise funds, each displayed in a separate column. All remaining governmental and enterprise funds are separately aggregated and reported as nonmajor funds.

Proprietary funds distinguish *operating* revenues and expenses from *nonoperating* items. Proprietary fund *operating* revenues, such as charges for services, result from exchange transactions associated with the principal activity of the fund. Exchange transactions are those in which each party receives and gives up essentially equal values. *Nonoperating* revenues, such as subsidies and investment earnings, result from nonexchange transactions or ancillary activities. *Operating* expenses include the cost of sales and services, administrative expenses, and depreciation on capital assets. All expenses not meeting this definition are reported as *nonoperating* expenses.

The County reports the following major governmental funds:

*General fund* is the County's primary operating fund. It is used to account for all revenues and expenditures necessary to carry out the basic governmental activities of the County that are not accounted for through other funds. For the County, the general fund includes such activities as general government, public protection, health and sanitation, public assistance, education, and recreation and culture services.

**COUNTY OF RIVERSIDE**  
**Notes to the Basic Financial Statements (Continued)**  
**June 30, 2014**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Basis of Presentation (Continued)**

*Transportation fund* accounts for revenue consist primarily of the County's share of highway user taxes and are supplemented by Federal funds, vehicle code fines, and fees and reimbursements for engineering services provided. The fund was established to provide for maintenance and construction of roadways and for specialized engineering services to other governmental units and the public.

*Flood Control special revenue fund* accounts for revenues and expenditures related to providing flood control in various geographical zones. The fund is primarily financed by ad valorem property taxes, developer fees, and local cooperative agreements.

*Teeter debt service fund* accounts for revenue from collection of delinquent taxes, which is then used to pay principal of the debt issued to finance the Teeter plan.

*Public facilities improvements capital project fund* accounts for revenues and expenditures related to the acquisition and construction of public buildings and park or recreational facilities. Revenues are obtained from State funding, sale of capital assets, contributions, and from other funds when allocated by the Board.

The County reports the following major enterprise funds:

*Regional Medical Center (RMC)* accounts for the maintenance of physical plant facilities and quality care to all patients in accordance with accreditation standards, the bylaws, rules and regulations of the medical staff, and the RMC. Revenue for this fund is primarily from charges for services, and secondarily from the County's general fund.

*Waste Management department (Waste Management)* accounts for solid waste revenues, expenses, and the allocation of net income for solid waste projects initiated for the public's benefit. The fund facilitates management and accounting of solid waste projects. Waste Management prepares and maintains the County's solid waste management plan, provides environmental monitoring in accordance with state and federal mandates, and administers landfill closure and acquisition.

*Housing Authority* was established to provide affordable, decent, safe housing opportunities to low and moderated income families including elderly and handicapped persons, while supporting programs to foster economic self-sufficiency.

The County reports the following additional fund types:

*Internal service funds* account for the County's records management and archives, fleet services, information services, printing services, supply services, purchasing, Riverside County Information Technology (RCIT) enterprise solutions division project (accounting, purchasing, and human resources information system), risk management, temporary assistance pool, custodial services, maintenance services, real estate, and flood control equipment on a cost-reimbursement basis. Internal service funds are presented in summary form as part of the proprietary fund financial statements. In the government-wide financial statements, the changes in net position at the end of the fiscal year, as presented in the statements of activities, were allocated to the functions of both the governmental and business-type activities, to reflect the entire activity for the year. Since the predominant users of the internal services are the County's governmental activities, the asset and liability balances of the internal service funds are consolidated into the governmental activities column at the government-wide level.

*Pension trust fund* accounts for resources held in trust for the members and beneficiaries of a defined benefit pension plan for County employees not eligible for social security or California Public Employees' Retirement System (CalPERS) participation. The County's pension trust fund uses the economic resources measurement focus and accrual basis of accounting.

*Investment trust fund* accounts for the external portion of the County Treasurer's investment pool. External investment pool participants include entities legally separate from the County, such as school and special districts governed by local boards, regional boards, and authorities. This fund accounts for assets, primarily cash and investments, held or invested by the County treasurer and the related County liability to disburse these monies on demand to the related external entities. The County's investment trust fund uses the economic resources measurement focus and accrual basis of accounting.

**COUNTY OF RIVERSIDE**  
**Notes to the Basic Financial Statements (Continued)**  
**June 30, 2014**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Basis of Presentation (Continued)**

*Private-purpose trust fund* accounts for resources held and administered by the County in a fiduciary capacity for individuals, private organizations, or other governments based on trust arrangements. The fund includes the Redevelopment Successor Agency, public guardian conservatorship, public social service foster care, and maintenance and children's trust. The County's private-purpose trust fund uses the economic resources measurement focus and accrual basis of accounting.

*Agency funds* account for assets held by the County in a custodial capacity. These funds only involve the receipt, temporary investment, and remittance to individuals, private organizations, or other governments and include property taxes and special assessments collected on behalf of cities, special districts, and other taxing agencies. The County's agency funds have an accrual basis of accounting but no measurement focus.

The government-wide, proprietary, pension trust, investment trust, and private-purpose trust fund financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded at the time liabilities are incurred, regardless of when the related cash flows take place. Non-exchange transactions, in which the County gives (or receives) value without directly receiving (or giving) equal value in exchange, include property and sales taxes, grants, entitlements, and donations. On an accrual basis of accounting, revenue from property taxes is recognized in the fiscal year for which the taxes are levied. Revenues from sales taxes are recognized when the underlying transactions occur. Revenues from grants, entitlements, and donations are recognized in the fiscal year in which all eligible requirements have been satisfied.

Governmental fund type financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Under this method, revenues and other governmental fund type financial resources (e.g., bond issuance proceeds) are recognized when they become both measurable and available. Revenues are considered available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. Property and sales taxes are considered available for the year levied and are accrued when received within sixty days after fiscal year-end. Revenue received from expenditure driven (cost-reimbursement) grants, as defined by GASB Statement No. 33, *Accounting and Financial Reporting for Non-exchange Transactions*, are considered available and accrued if expected to be received within twelve months after fiscal year-end. All other revenue streams are considered available and accrued if they are expected to be received within ninety days after the fiscal year-end. Since revenue from these sources are not available to meet current period liabilities, these sources are financed through proceeds received from Tax and Revenue Anticipation Notes (TRANS) which are outstanding for a twelve month period. General capital assets acquisitions are reported as expenditures in governmental fund statements. Proceeds of general long-term debt and capital leases are reported as other financing sources.

Reconciliations are presented to explain the adjustments necessary to reconcile the fund financial statements to the government-wide financial statements. These reconciliations are presented because governmental fund financial statements are presented on a different measurement focus and basis of accounting than the government-wide financial statements for governmental activities.

*Cash and Investments*

The County pools cash resources of its various funds to facilitate the management of cash. Cash applicable to a particular fund is readily identifiable. The balance of the pooled cash account is available to meet current operating requirements. Cash in excess of current requirements is invested in various interest-bearing securities and disclosed as part of the County's pooled investments.

For purposes of the statement of cash flows, the County considers all highly liquid investments (including restricted cash and investments) with an original maturity of three months or less when purchased to be cash equivalents.

Securities, including U.S. Treasury and Agency securities, are carried at fair value/cost based on current market prices on a monthly basis. Repurchase agreements are carried at fair value based on quoted market prices, except for repurchase agreements maturing within ninety days of June 30, 2014, which are carried at cost. Bond anticipation notes are carried at fair value/cost. Commercial paper is carried at amortized cost/cost. Investments in bankers' acceptances and nonparticipating guaranteed investment contracts are carried at cost. Participating guaranteed

**COUNTY OF RIVERSIDE**  
**Notes to the Basic Financial Statements (Continued)**  
**June 30, 2014**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Basis of Presentation (Continued)**

*Cash and Investments (Continued)*

investment contracts are carried at fair value based on net realizable value. Mutual funds are carried at fair value based on the funds' share price. Local Agency Obligations are carried at cost based on the value of each participating dollar.

The fair value of a participants' position in the pool is not the same as the value of the pooled shares. The method used to determine the value of participants' equity withdrawn is based on the book value, amortized cost, and accrued interest of the participants' percentage participation at the date of such withdrawal.

State law requires that the County treasurer hold all operating monies of the County, school districts, and certain special districts. Collectively, these mandatory deposits constituted approximately 76.9% of the funds on deposit in the County treasury. In addition, the Auditor-Controller determined districts and agencies constituting approximately 23.1% of the total funds on deposit in the County treasury represented discretionary deposits.

*Receivables*

The RMC accounts receivable are reported at their gross value and, where appropriate, are reduced by contractual allowances and the estimated uncollectible amounts. The estimated allowance for uncollectibles and allowance for contractals are \$217.6 million and \$801.8 million, respectively. The RMC has contracted with a Medi-Cal managed care plan to provide services to patients enrolled with Medicare and Medi-Cal programs. The RMC receives a fixed monthly premium payment for each patient enrolled. Revenue under this agreement is recognized in the period in which the RMC is required to provide services.

*Property taxes*

All jurisdictions within California derive their taxing authority from the State Constitution and various legislative provisions contained in the Government Code and the Revenue and Taxation Code. Property is assessed by the County Assessor and State Board of Equalization at 100.0% of full cash or market value (with some exceptions) pursuant to Article XIII A of the California State Constitution and statutory provisions. The total for fiscal year 2013-14 gross assessed valuation of the County was \$213.2 billion.

The property tax levy to support general operations of the various local government jurisdictions is limited to 1.0% of the full cash value of taxable property and distributed in accordance with statutory formulas.

Amounts needed to finance the annual requirements of voter-approved debt (approved by the electorate prior to June 30, 1978) are excluded from this limitation and are calculated and levied each fiscal year. The rates are formally adopted by either the Board or the city councils and, in some instances, the governing board of a special district.

The County is divided into tax rate areas, which are unique combinations of various jurisdictions servicing a specific geographic area. The rates levied within each tax rate area vary only in relation to levies assessed as a result of voter-approved indebtedness.

Property taxes are levied on both real and personal property and are recorded as receivables at the date of levy. Secured property taxes are levied on or before the first business day of September of each year. These taxes become a lien on real property on January 1 proceeding the fiscal year for which taxes are levied. Tax payments can be made in two equal installments; the first is due November 1 and are delinquent with penalties after December 10; the second is due February 1 and are delinquent with penalties after April 10. Secured property taxes that are delinquent and unpaid as of June 30 are declared to be tax defaulted and are subject to redemption penalties, costs, and interest when paid. If the delinquent taxes are not paid at the end of five years, the property is sold at public auction and the proceeds are used to pay the delinquent amounts due and any excess is remitted, if claimed, to the taxpayer.

Supplemental tax liens are created when there is a change in ownership of property or upon completion of new construction. Tax bills for these new tax liens are issued throughout the fiscal year and contain various payments and delinquent dates but are generally due within one year. If the new tax liens are lower, the taxpayer receives a tax refund rather than a tax bill.

**COUNTY OF RIVERSIDE**  
**Notes to the Basic Financial Statements (Continued)**  
**June 30, 2014**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Basis of Presentation (Continued)**

*Property Taxes (Continued)*

Unsecured personal property taxes are not a lien against real property. These taxes are due on January 1, and become delinquent, if unpaid, on August 31.

During fiscal year 1993-94, the County authorized an alternative property tax distribution method referred to as the "Teeter plan." This method allows for a 100.0% distribution of the current secured property tax levy to entities electing the alternative method, as compared to the previous method where only the current levy less any delinquent taxes was distributed. This results in the general fund receiving distributions of approximately 50.0-55.0% in December, 40.0-45.0% in April and the remaining balance in the fall of each year. The Teeter plan also provides that all of the payments of redemption penalties and interest on delinquent secured property taxes of participating agencies flow to a Tax Loss Reserve Fund (TLRF). Any amounts on deposit in the TLRF greater than 1.0% of the tax levy for participating entities may flow to the County general fund. For fiscal year 2013-14, \$31.0 million was transferred from the TLRF to the general fund.

*Prepaid Items and Inventories*

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items. The prepaid assets recorded in the governmental funds do not reflect current appropriable resources and thus, an equivalent portion of fund balance is nonspendable. The consumption method is used to account for prepaid items. Under the consumption method, prepaid items are recorded as expenditures during the period benefited by the prepayment.

Inventories, which consist of materials and supplies held for consumption, are valued at the lower of cost (on a first-in, first-out basis) or market in the proprietary funds. Inventories for all governmental funds are valued at average cost. The consumption method is used to account for inventories. Under the consumption method, inventories are recorded as expenditures when consumed rather than when purchased. Material amounts of inventory are reported as assets of the respective fund. Reported inventories of governmental funds are equally offset by a nonspendable fund balance reservation to indicate that portion of fund balance not available for future appropriation.

*Capital Assets*

Capital assets (including infrastructure) are recorded at historical cost or at estimated historical cost if actual historical cost is not available. Contributed capital assets are valued at their estimated fair market value on the date contributed. Capital assets include public domain (infrastructure) general capital assets consisting of certain improvements including roads, bridges, traffic signals, park trails and improvements, flood control channels, storm drains, dams, and basins. The capitalization threshold for equipment is \$5.0 thousand; buildings, land and land improvements are \$1.0 thousand; and, infrastructure and intangibles are \$150.0 thousand. Betterments result in more productive, efficient or long-lived assets. Significant betterments are considered capital assets when they result in an improvement of \$2.5 thousand or more.

Capital assets used in operations are depreciated or amortized (assets under capital leases) using the straight-line method over the lesser of the capital lease period or their estimated useful lives in the government-wide financial statements and proprietary funds.

The estimated useful lives are as follows:

Infrastructure	
Flood channels	99 years
Flood storm drains	65 years
Flood dams and basins	99 years
Roads	20 years
Traffic signals	10 years
Parks trails and improvements	20 years
Bridges	50 years
Buildings	25-50 years
Improvements	10-20 years
Equipment	3-20 years

**COUNTY OF RIVERSIDE**  
**Notes to the Basic Financial Statements (Continued)**  
**June 30, 2014**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Basis of Presentation (Continued)**

*Capital Assets (Continued)*

Maintenance and repairs are charged to operations when incurred. Betterments and major improvements, which significantly increase values, change capacities, or extend useful lives, are capitalized. Upon sale or retirement of capital assets, the cost and related accumulated depreciation are removed from the respective accounts and any resulting gain or loss is included in the changes in financial position.

*Leases*

The County leases various assets under both operating and capital lease agreements. For governmental funds, assets under capital leases and the related lease obligations are reported in the government-wide financial statements. For proprietary funds, the assets and related lease obligations are recorded in the appropriate enterprise or internal service fund and the government-wide financial statements.

*Restricted Assets*

The County maintains various restricted asset accounts as a result of debt agreements and certain state statutes. The agreements authorizing the issuance of CORAL and Housing Authority obligations include certain covenants pertaining to the disposition of bond proceeds for construction, acquisition, and bond redemption purposes. Waste Management has restricted assets to meet requirements of state and federal laws and regulations to finance closure and post-closure maintenance activities at landfill sites. The general fund has restricted assets for program money where use is legally or contractually restricted.

*Employee Compensated Absences*

County policy permits employees in some bargaining units to accumulate earned, but unused vacation, holiday, and sick pay benefits. Vacation and holiday pay are accrued when incurred. For other bargaining units, annual leave is earned and accrued, but not vacation or sick leave. Proprietary funds report accrued vacation and holiday pay as a liability of the individual fund while governmental funds record amounts that are due and payable at year-end as a liability of the fund and amounts due in the future as a liability in the government-wide financial statements. At June 30, 2014, the amount of accrued vacation, holiday pay, and sick leave reported in the government-wide statement of net position was \$218.8 million.

The County allows unlimited accumulation of sick leave. Upon service retirement, disability retirement, or death of an employee or officer, and subject to the provisions of any applicable agreement between the employing agency and the CalPERS, unused accumulated sick leave for most employees with at least 5 but less than 15 years of service shall be credited at the rate of 50.0% of current salary value thereof provided however, that the total payment shall not exceed a sum equal to 960 hours of full pay.

Unused accumulated sick leave for employees with more than 15 or more years of service shall be credited at the rate of the current salary value provided however, that the total payment shall not exceed a sum equal to 960 hours of full pay. In addition, the employee may also elect to place the payable amount of sick leave into a VEBA (Voluntary Employee Beneficiary Association) account which may be used for future health care costs.

*Deferred Outflows and Inflows of Resources*

Pursuant to GASB Statement No. 63 and GASB Statement No. 65, the County recognizes deferred outflows and inflows of resources. The deferred outflow of resources is defined as a consumption of net position by the government that is applicable to the future reporting period. A deferred inflow of resources is defined as an acquisition of net position by the government that is applicable to a future reporting period. A deferred inflow of resources is defined as an acquisition of net position by the government that is applicable to a future reporting period. Refer to Note 15 for a detailed listing of the deferred inflows of resources the County has recognized.

**COUNTY OF RIVERSIDE**  
**Notes to the Basic Financial Statements (Continued)**  
**June 30, 2014**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Basis of Presentation (Continued)**

*Long-term Debt*

The County reports long-term debt of governmental funds in the government-wide statement of net position. Certain other governmental fund obligations not expected to be financed with current available financial resources are also reported in the government-wide statement of net position. Long-term debt and other obligations financed by proprietary funds are reported as liabilities in the appropriate proprietary fund and the government-wide statement of net position.

In the government-wide financial statements and proprietary fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities, business-type activities, or proprietary fund statement of net position. Bond premiums and discounts, bond issuance costs, and deferred losses on refundings are deferred and amortized over the life of the bonds using the effective interest method. Bonds payable are reported net of the applicable bond premium or discount, and deferred losses on refundings.

In the fund financial statements, governmental funds recognize bond premiums and discounts, as well as bond issuance costs, during the current period. Issuance costs are reported as debt service expenditures whether or not withheld from the actual debt proceeds received.

*Landfill Closure and Post-Closure Care Costs*

Waste Management provides for closure and post-closure care costs over the life of the operating landfills as the permitted airspace of the landfill is used. Accordingly, the entire closure and post-closure care cost is recognized as expense by the time the landfills are completely filled. Waste Management also recognizes as expense closure and post-closure care costs for inactive landfills that have been closed under state and federal regulations.

Waste Management, under state and federal regulations, may be required to perform corrective action for contaminate releases at any of its active or inactive landfills. Waste Management provides for remediation costs for landfills upon notification from the local water quality board that a specific landfill is considered to be in the evaluation monitoring phase. Upon notification, Waste Management provides for these costs based on the most recent cost study information available.

*Interfund Transactions*

Interfund transactions are reflected as loans, services provided reimbursements, or transfers. Loans are reported as receivables and payables, as appropriate. These transactions are subject to elimination upon consolidation and are referred to as either “due to/due from other funds” (the current portion of interfund loans) or “advances to/advances from other funds” (the noncurrent portion of interfund loans). Any residual balances outstanding between the governmental activities and the business-type activities are reported in the government-wide financial statements as “internal balances.” Advances between funds, as reported in the governmental fund financial statements, are offset by a fund balance reserve account in applicable governmental funds to indicate that they are neither available for appropriation nor available as financial resources.

Services provided, deemed to be at market or near market rates, are treated as revenues and expenditures/expenses. Reimbursements occur when one fund incurs a cost, charges the appropriate benefiting fund and reduces its related cost as a reimbursement. All other interfund transactions are treated as transfers. Transfers between governmental or proprietary funds are netted as part of the reconciliation to the government-wide presentation.

*Net Position*

The government-wide financial statements and proprietary fund financial statements utilize a net position presentation. Net position is categorized as net investment in capital assets, restricted net position, or unrestricted net position.

*Net Investment in Capital Assets* – This category groups all capital assets, including infrastructure, into one component of net position. Accumulated depreciation and the outstanding balances of debt that are attributable to the acquisition, construction, or improvement of these assets reduce the balance in this category.

**COUNTY OF RIVERSIDE**  
**Notes to the Basic Financial Statements (Continued)**  
**June 30, 2014**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Basis of Presentation (Continued)**

*Net Positions (Continued)*

*Restricted Net Position* – This category presents external restrictions imposed by creditors, grantors, contributors, laws and regulations of other governments, or restrictions imposed by law through constitutional provisions or legislation.

*Unrestricted Net Position* – This category represents net position of the County, not restricted for any project or other purpose.

**Fund Balance**

In the fund financial statements, fund balance may be categorized as nonspendable, restricted, committed, assigned, and unassigned. All of the County's governmental fund balances will be comprised of the following categories:

- Nonspendable fund balance – amounts that cannot be spent because they are either not in spendable form or they are legally or contractually required to be maintained intact.
- Restricted fund balance – amounts that are constrained to being used for a specific purpose by external parties such as creditors, grantors, laws, or regulations.
- Committed fund balance – amounts that are committed can only be used for specific purposes determined by formal action from the Board, the County's highest level of decision-making authority. Commitments may be changed or lifted only by the County's Board taking the same formal action that imposed the constraint originally.
- Assigned fund balance – amounts that have been set aside and are intended to be used for a specific purpose but are neither restricted nor committed. The Board delegates the County Executive Officer or an Executive Officer designee for the establishment of assignments within the general fund. Assigned amounts cannot cause a deficit in unassigned fund balance.
- Unassigned fund balance – funds that are not reported in any other category and are available for any purpose within the general fund.

**Fund Balance Policy**

On September 13, 2011, the Board approved Policy B-30, Governmental fund balance policy to ensure fund balance is accurately classified and reported on the annual financial statements per GASB Statement No. 54. This policy applies to governmental fund types which include the general fund, special revenue funds, capital projects funds, debt service funds, and permanent funds.

The purpose of this policy is to establish the guidelines for:

- The use of reserves with a restricted purpose versus an unrestricted purpose when both are available for expenditures.
- The establishment of stabilization arrangements for governmental funds.
- The minimum fund balance allowable for governmental funds.

The Board establishes, modifies or rescinds fund balance commitments and assignments by passage of an ordinance or resolution (ordinances and resolutions are considered of equal authority with respect to fund balance). This is done through adoption of the budget and subsequent budget amendments that occur throughout the year.

*Spending Prioritization for Fund Categories*

When an expenditure is incurred for purposes for which both restricted and unrestricted (committed, assigned, or unassigned) amounts are available, it shall be the policy of the Board to consider restricted amounts to be reduced first. When an expenditure is incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used, it shall be the policy of the Board that committed amounts would be reduced first, followed by assigned amounts, and then unassigned amounts.

**COUNTY OF RIVERSIDE**  
**Notes to the Basic Financial Statements (Continued)**  
**June 30, 2014**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Basis of Presentation (Continued)**

*Minimum Fund Balance Policy for Governmental Funds*

Establishing guidelines for minimum fund balance for governmental funds is essential to ensuring a prudent level of fund balance is maintained for unanticipated expenditures, delays in revenue receipt, or revenue shortfalls.

The County shall commit a portion of the general fund for disaster relief. The use of these funds will be restricted to one-time or short-term expenditures that are the result of a natural disaster or act of terrorism. The funds restricted for this purpose shall be at least 2.0% of discretionary revenue or \$15.0 million, whichever is greater.

No formal action is required to remove an assignment. Assignments within the general fund must be established by the County Executive Officer or an Executive Officer designee.

Special revenue fund balances shall be kept at the higher of the minimum level dictated by the funding source or an amount that does not fall below zero. In the event that the fund balance drops below the established minimum levels, the department with primary responsibility for expending the special revenue will develop a plan to replenish the balance to established minimum levels within 2 years and submit the plan to the Board for approval.

The County shall maintain a minimum unassigned fund balance in its general fund of at least 25.0% of the fiscal year's estimated discretionary revenue. A significant portion of the minimum unassigned fund balance may be used for one-time or short-term expenditures caused by an economic crisis and should be designated within an "Economic Uncertainty" account. Use of these stabilization funds should be as the last resort in balancing the County budget. In the general fund unassigned fund balance, commitments for economic uncertainty is \$124.7 million and budget stabilization of \$53.9 million, which is 29.0% of discretionary revenue.

*Use of Estimates*

The preparation of basic financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Current Governmental Accounting Standards Board Statements**

*GASB Statement No. 66*

In March of 2012, GASB issued Statement No. 66, *Technical Correction – 2012 – an amendment of GASB Statement No. 10 and No. 62*. The objective of this statement is to improve accounting and financial reporting for a governmental financial reporting entity by resolving conflicting guidance that resulted from the issuance of two pronouncements, Statements No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions*, and No. 62, *Codification of Accounting and Financial Reporting Guidance Contained in Pre-November 30, 1989 Financial Accounting Standard Board (FASB) and American Institute of Certified Public Accountants (AICPA) Pronouncements*. GASB Statement No. 66 amends GASB Statement No. 10, *Accounting and Financial Reporting for Risk Financing and Related Insurance Issues*, by removing the provisions that limits fund based reporting of an entity's risk financing activities to the general fund and the internal service fund type. As a result, it will cause governments to base their decisions about fund type classification on the nature of the activity to be reported. GASB Statement No.66 also amends GASB Statement No. 62 by modifying the specific guidance on accounting for (1) operating lease payments that vary from a straight-line basis, (2) the difference between the initial investment (purchase price) and the principal amount of a purchased loan or group loans, and (3) servicing fees related to mortgage loans that are sold when the stated service fee rate differs significantly from a current (normal) servicing fee rate. GASB Statement No. 66 is effective for periods beginning after December 15, 2012.

*GASB Statement No. 67*

In June of 2012, GASB issued Statement No. 67, *Financial Reporting for Pension Plans- an amendment of GASB Statement No. 25*. The objective of this statement is to improve financial reporting by state and local governmental pension plans. This resulted from a comprehensive review of the effectiveness of existing standards of accounting and financial reporting for pensions with regard to providing decision-useful information, supporting assessments of accountability and interperiod equity, and creating additional transparency. GASB Statement No. 67 amends the

**June 30, 2014**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Basis of Presentation (Continued)**

**Current Governmental Accounting Standards Board Statements (Continued)**

*GASB Statement No. 67 (Continued)*

requirements of GASB Statement No. 25, *Financial Reporting for Defined Benefit Pension Plans and Note Disclosures for Defined Contribution Plans*, and GASB Statement No. 50, *Pension Disclosures*, as they relate to pension plans that are administered through trusts or equivalent arrangements (hereafter jointly referred to as trusts) that meet certain criteria. GASB Statement No. 67 is effective for periods beginning after June 15, 2013.

*GASB Statement No. 70*

In October of 2013, GASB issued Statement No. 70, *Accounting and Financial Reporting for Non-Exchange Financial Guarantees*. The objective of this Statement is to improve accounting and financial reporting by state and local governments that extend and receive non-exchange financial guarantees. This statement requires a government that extends a non-exchange financial guarantee to recognize a liability when qualitative factors and historical data, if any, indicate that it is more likely than not that the government will be required to make a payment on the guarantee. GASB Statement No. 70 is effective for periods beginning after June 15, 2013. The County has elected not to early implement this statement.

**Future Governmental Accounting Standards Board Statements**

*GASB Statement No. 68*

In June of 2012, GASB issued Statement No. 68, *Accounting and Financial Reporting for Pensions – an amendment of GASB Statement No. 27*. The objective of this statement is to improve accounting and financial reporting by state and local governments for pensions. The statement also improves information provided by state and local governmental employers about financial support for pensions that is provided by other entities. This resulted from a comprehensive review of the effectiveness of existing standards of accounting and financial reporting for pensions with regard to providing decision-useful information, supporting assessments of accountability and interperiod equity, and creating additional transparency. GASB Statement No. 68 replaces the requirements of GASB Statement No. 27, *Accounting for Pensions by State and Local Governmental Employers*, as well as the requirements of Statement No. 50, *Pension Disclosures*, as they relate to pensions that are provided through pension plans administered as trusts or equivalent arrangements (hereafter jointly referred to as trusts) that meet certain criteria. GASB Statement No. 68 is effective for periods beginning after June 15, 2014. The County has elected not to early implement this statement.

*Governmental Accounting Standards Board Statement No. 69*

In January of 2013, GASB issued Statement No. 69, *Government Combinations and Disposals of Government Operations*. The objective of this statement is to establish accounting and financial reporting standards related to government combinations and disposals of government operations. As used in this statement, the term government combinations include a variety of transactions referred to as mergers, acquisitions, and transfers of operations. GASB Statement No. 69 is effective for periods beginning after December 15, 2013. The County has elected not to early implement this statement.

*Governmental Accounting Standards Board Statement No. 71*

In November of 2013, GASB issued Statement No. 71, *Pension Transition for Contributions Made Subsequent to the Measurement Date – an amendment of GASB Statement No. 68*. The objective of this statement is to address an issue regarding application of the transition provisions of GASB Statement No. 68. The issue relates to amounts associated with contributions, if any, made by a state or local government employer or nonemployer contributing entity to a defined benefit pension plan after the measurement date of the government's beginning net pension liability. GASB Statement No. 71 is applied simultaneously with the provision of GASB Statement 68. The County has elected not to early implement this statement.

**COUNTY OF RIVERSIDE**  
**Notes to the Basic Financial Statements (Continued)**

**June 30, 2014**

**NOTE 2 – STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY**

**Budgetary Data**

On or before October 2 of each fiscal year, after conducting public hearings concerning the proposed budget, the County the Board adopts a budget in accordance with the provisions of Sections 29000-29144 and 30200 of the Government Code of the State of California (the Government Code), commonly known as the County Budget Act, and Board Resolution No. 90-338. Annual budgets are adopted on the modified accrual basis of accounting in conformity with generally accepted accounting principles. Budgeted governmental funds consist of the general fund, major funds, and some nonmajor funds (all special revenue funds, certain debt service funds, and certain capital projects funds). Annual budgets are not adopted for the following debt service funds: CORAL, District Court Financing Corporation, Bankruptcy Court, Inland Empire Tobacco Securitization Authority; the CORAL Capital Projects Fund; RDA Housing Successor Agency; Public Financing Authority and the Perris Valley Cemetery Permanent Fund.

As adopted by the Board, expenditures are controlled by the County at the budgetary unit level, which is the organization level, for each appropriation (object) class. The appropriation classes are salaries and benefits, services and supplies, other charges, capital assets, transfers out, and intrafund transfers. The separately prepared Expenditure by Appropriation – Budget and Actual report, showing budgetary comparisons at the object level of control, is available in the Auditor-Controller's Office.

Each year the original budget, as published in a separate report titled the "Adopted Budget," is adjusted to reflect increases or decreases in revenues and changes in fund balance. These changes are offset by an equal change in available appropriations. The County Executive Officer is authorized by the Board to transfer appropriations between appropriation classes within the same budgetary unit. Transfers of appropriations between budgetary units require approval of the Board (legal level of control). Any deficiency of budgeted revenues and other financing sources over expenditures and other financing uses is financed by beginning available fund balances as provided for in the County Budget Act. All annual appropriations lapse at year-end.

Budgetary comparison statements are prepared for the general fund, special revenue funds, certain debt service funds, and certain capital projects funds. The budgetary comparison statements are a part of the basic financial statements. Each budgetary comparison statement provides three separate types of information: (1) the original budget; (2) the final amended budget, which included legally authorized changes regardless of when they occurred; and (3) the actual amount of inflows and outflows in the budget-to-actual comparison.

**Excess of expenditures over appropriations**

For the year ended June 30, 2014, expenditures exceeded appropriations in capital outlay by \$3.0 million in the general fund. This excess of expenditures resulted from the acquisition of \$3.0 million of capital leases. Accordingly, this is being funded by other financing sources-capital leases.

**COUNTY OF RIVERSIDE**  
**Notes to the Basic Financial Statements (Continued)**  
**June 30, 2014**

**NOTE 3 – RESTATEMENTS OF BEGINNING FUND BALANCES / NET POSITION**

The County's beginning net position has been restated to reflect the cumulative effect of prior year adjustments. A summary of the restatements as of June 30, 2014 is as follows (In thousands):

**Government-wide:**

Description	Primary Government	
	Governmental Activities	Business-type Activities
Government-wide net position as of June 30, 2013, as previously reported	\$ 4,321,196	\$ 301,792
Fund financial statements:		
Prior period adjustments:		
Accrued developer mitigation fees and capital grant	(1,767)	-
Advance from third party	(1,329)	-
Net position as of June 30, 2013, as restated	<u>\$ 4,318,100</u>	<u>\$ 301,792</u>

**Fund Financials:**

Description	Governmental Funds		
	Major	Nonmajor Fund	
	Transportation Special Revenue	Regional Park and Open-Space Special Revenue	Regional Park and Open-Space Capital Projects
Fund balances as of June 30, 2013, as previously reported	\$ 94,302	\$ 9,156	\$ 8,843
Prior period adjustments:			
Accrued developer mitigation fees and grant (1)	(1,663)	-	(104)
Reclassified fund balances for expenditures not properly recorded (2)	-	2,167	(2,167)
Advance from third party (3)	(1,329)	-	-
Fund balances as of June 30, 2013, as restated	<u>\$ 91,310</u>	<u>\$ 11,323</u>	<u>\$ 6,572</u>

- (1) A prior period adjustment of \$1.8 million was made to decrease the governmental activities' beginning net position. The adjustment was made due to prior year accrued developer mitigation fees for road projects were uncollectible.
- (2) A prior period adjustment of \$2.2 million was made to restate the beginning balance of special revenue and capital projects fund by reimbursing special revenue fund for expenditures erroneously recorded for several capital improvement projects which resulted in net to zero.
- (3) A prior period adjustment of \$1.3 million was made to decrease the governmental activities' beginning net position. The adjustment was made due to prior year advance received from third party that was incorrectly recorded as revenue before the eligibility requirements have been met.

**COUNTY OF RIVERSIDE**  
**Notes to the Basic Financial Statements (Continued)**  
**June 30, 2014**

**NOTE 4 – CASH AND INVESTMENTS**

As of June 30, 2014, cash and investments are classified in the accompanying financial statements as follows (In thousands):

	Governmental Activities	Business-type Activities	Discretely Presented Component Unit	Fiduciary Funds	Total
Cash and investments	\$ 1,015,240	\$ 29,814	\$ 42,039	\$ 3,524,491	\$ 4,611,584
Restricted cash and investments	503,422	153,790	11,410	-	668,622
Total cash and investments	\$ 1,518,662	\$ 183,604	\$ 53,449	\$ 3,524,491	\$ 5,280,206

As of June 30, 2014, cash and investments consist of the following (In thousands):

Deposits	\$ 180,985
Investments	5,099,221
Total cash and investments	<u>\$ 5,280,206</u>

**Investments Authorized by the California Government Code and the County's Investment Policy**

The table below identifies the investment types that are authorized for the County by the California Government Code or the County's investment policy, whichever is more restrictive. The table also identifies certain provisions of the California Government Code or the County's investment policy, (where more restrictive that address interest rate, credit risk, and concentration of credit risk.) A copy of the County's investment policy can be found at [www.treasurer-tax.co.riverside.ca.us](http://www.treasurer-tax.co.riverside.ca.us).

Authorized investment type	Maximum Maturity	Maximum Percentage of Portfolio	Maximum Investment in One Issuer
Municipal bonds (MUNI)	3 Years	15%	5% **
U.S. treasuries	5 Years	100%	N/A
Local agency obligations (LAO)	3 Years	2.5%	2.5%
Federal agencies	5 Years	100%	N/A

(1) Investment ratings are from S&P and Moody's.

(2) A rating permitted for the State of California securities.

(3) Government Code requires money market mutual funds to be rated.

(4) Housing Authority and Inland Empire Tobacco Securitization Authority do not require money market mutual funds to be rated.

**Investment in State Investment Pool**

The County of Riverside is a voluntary participant in the Local Agency Investment Fund (LAIF) that is regulated by California Government Code Section 16429 under the oversight of the Treasurer of the State of California. The State Treasurer's Office reports its investments at fair value. The fair value of securities in the State Treasurer's pooled investment program, including LAIF, generally is based on quoted market prices. The State Treasurer's Office performs a quarterly fair market valuation of the pooled investment program portfolio and a monthly fair market valuation of all securities held against carrying cost. These valuations and financial statements are posted to the State Treasurer's Office website at [www.treasurer.ca.gov](http://www.treasurer.ca.gov). The fair value of the County's investment in this pool is reported in the accompanying financial statements at amounts based upon the County's prorate share of the fair value provided by LAIF for the entire LAIF portfolio (in relation to the amortized cost of that portfolio). The balance available for withdrawal is based on the accounting records maintained by LAIF, which are recorded on an amortized cost basis. As of June 30 2014, CORAL has \$2.5 million, Housing Authority has \$2.5 million and Regional Medical Center has \$0.7 million in LAIF.

**COUNTY OF RIVERSIDE**  
**Notes to the Basic Financial Statements (Continued)**  
**June 30, 2014**

**NOTE 4 – CASH AND INVESTMENTS (Continued)**

**Investments Authorized by Debt Agreements**

Investments of debt proceeds held by bond trustees are governed by provisions of the debt agreements of respective component units, rather than the general provisions of the California Government Code or the County's investment policy. These provisions allow for the acquisition of investment agreements with maturities of up to 30 years.

**Disclosures Relating to Interest Rate Risk**

Interest rate risk is the measurement of how changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the more sensitive to changes in market interest rates of its fair value. One of the ways the County Treasurer manages its exposure to interest rate risk is by purchasing a combination of shorter term and longer term investments and by timing cash flows from maturities so a portion of the portfolio is maturing or coming close to maturity to ensure the cash flow and liquidity required for operations.

**Custodial Credit Risk**

Custodial credit risk for deposits is the risk that, in the event of the failure of a depository financial institution, a government will be able to recover its deposits or will not be able to recover collateral securities that are in the possession of an outside party. The Custodial credit risk for investments is the risk that, in the event of the failure of the counterparty (e.g. broker-dealer) to a transaction, a government will be able to recover the value of its investment or collateral securities that are in the possession of another party. Neither the California Government Code nor the County's investment policy contain legal or policy requirements that would limit the County's exposure to custodial credit risk for deposits or investments except for the following provision for deposits: the California Government Code requires that a financial institution secure deposits made by state or local government units by pledging securities in an undivided collateral pool held by a depository regulated under State law (unless so waived by the governmental unit). The market value of the pledged securities in the collateral pool must equal at least 110% of the total amount deposited by the public agencies. California law also allows financial institutions to secure County deposits by pledging first trust deed mortgage notes having a value of 150% of the secured public deposits. GASB Statement No. 40 requires that a disclosure is made with respect to custodial credit risks relating to deposits. The County has cash deposits with fiscal agents in excess of federal depository insurance limits held in collateralized accounts with securities held by Union Bank in the amount of \$303.0 million. Investment securities are registered and held in the name of Riverside County.

**Concentration of Credit Risk**

The investment policy of the County contains certain limitations on the amount that can be invested in any one issuer beyond that stipulated by the California Government Code. In accordance with GASB Statement No. 40, *Deposits and Investment Risk Disclosures*, the County should provide information about the concentration of credit risk associated with their investments in any one issuer that represent 5% or more of total County investments. These investments are identified on the investment table on page 61.

**Credit Risk**

Credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization.

**NOTE 9 – SERVICE CONCESSION ARRANGEMENTS (SCA)**

GASB Statement No. 60, *Accounting and Financial Reporting for Service Concession Arrangements (SCA)* defines an SCA as a type of public-private or public-public partnership. As used in GASB Statement Number 60, an SCA is an arrangement between a government (the transferor) and an operator in which all of the following criteria are met:

- a) The transferor conveys to the operator the right and related obligation to provide public service through the use and operation of a capital assets (referred to in the statement as a “facility”) in exchange for significant consideration, such as an up-front payment, installment payments, a new facility, or improvements to an existing facility.
- b) The operator collects and is compensated by fees from third parties.
- c) The transferor determines or has the ability to modify or approve what services the operator is required to provide, to whom the operator is required to provide the services, and the prices or rates that can be charged for the services.

The County has determined that the following arrangements meet the criteria set forth above (where the County is the transferor) and therefore included these SCA in the County’s financial statements. GASB Statement No. 60 also provides guidance on accounting treatment if the County were acting as an operator of another government’s facility. The County has determined that there are no incidences where the County would qualify as such an operator.

**McIntyre Park Campground**

On October 15, 1985, and as later amended, the Park District (“the Park”) entered into an agreement with California East Coast, Inc. (the “company”), under which the company will operate and collect user fees from a campground, camp store, boat launch and recovery ramp, day-use area and marina fuel station through a lease with the Park at McIntyre County Park through the year 2047. The company will pay the Park between ten and seventeen percent of the revenues it earns from the operation of the campground. The company is required to operate and maintain the campground in accordance with the Lease Contract. The Park reports the campground as a capital asset with a carrying amount of \$51.6 thousand at year-end. The Park has received no upfront payments or installment payments that are required to be reported as a deferred inflow of resources on the financial statements. The Park also has no contractual obligations to sacrifice financial resources that meet the criteria to be recognized as a liability.

**Riviera RV Resort**

On or about January 1, 1970, and as later amended, the County of Riverside and later the Park entered into an agreement with Cavan Inc., now Destiny RV, LLC who assigned its lease rights to Riviera-Reynolds (the “company”). Under the terms of the agreement, the company is permitted to engage in the operation of a travel trailer park, rental of spaces in the park, food service operations including a grocery store, boat launching ramp and other associated camping functions through June 2044. The company will pay the Park the greater of \$3.0 hundred or seven percent of gross receipts earned from operation of the RV Park. The Park reports the RV Park as a capital asset with a carrying amount of \$131.4 thousand at year-end. The Park has received no upfront payments or installment payments that are required to be reported as a deferred inflow of resources on the financial statements. The Park also has no contractual obligations to sacrifice financial resources that meet the criteria to be recognized as a liability.

**Edom Hill Transfer Station**

On November 2, 2002, the Waste Management Department entered into a 30-year agreement with Burrtec Recovery and Transfer LLC (Burrtec), under which Burrtec has the rights to construct the Edom Hill Transfer Station in order to serve the traditional users/wasteshed of the closed Edom Hill Landfill and operate the transfer station.

**June 30, 2014**

**NOTE 10 - LANDFILL CLOSURE AND POST-CLOSURE CARE COSTS**

State and federal laws and regulations require Waste Management to place a final cover on all active landfills when closed and to perform certain maintenance and monitoring functions at the landfill site for 30 years after closure. Waste Management will recognize the remaining estimated cost of \$19.3 million as the remaining estimated capacity of 15.0 million tons is filled. Waste Management expects all currently permitted landfill capacities to be filled by 2087. The total estimate of \$67.4 million is based on what it would cost to perform all closure and post-closure care costs at present value. Actual costs may be different due to inflation, changes in technology, or changes in regulations.

Cumulative expenses, percentage of landfill capacity used to date, and the estimated remaining landfill life by operating landfill are as follows (In thousands):

Facility Name (City)	Cumulative Expense	Capacity Used as of June 30, 2014 %	Estimated Years Remaining
Anza (Anza)	\$ 1,525	100.0	-
Badlands (Moreno Valley)	12,826	60.7	10
Blythe (Blythe)	8,294	36.7	33
Coachella (Coachella)	3,559	100.0	-
Desert Center (Desert Center)	1,558	69.6	73
Double Butte (Winchester)	2,049	100.0	-
Edom Hill (Cathedral City)	7,798	100.0	-
Highgrove (Riverside)	1,828	100.0	-
Lamb Canyon (Beaumont)	19,136	56.8	7
Mead Valley (Perris)	3,284	100.0	-
Mecca II (Mecca)	3,657	99.4	23
Oasis (Oasis)	1,926	84.7	49
	<u>\$ 67,440</u>		

Waste Management is required by state and federal laws and regulations to make annual contributions to a trust fund to finance closure and post-closure care. Title 27 of the California Code of Regulations (CCR) requires solid waste landfill operators to demonstrate the availability of financial resources to conduct closure and post-closure maintenance activities.

In accordance with sections 22228 and 22245 of the CCR, the County has implemented Pledge of Revenue agreements between the County and the California Department of Resources, Recycling and Recovery (CalRecycle) for six active landfills and six closed landfills to demonstrate financial responsibility for post-closure maintenance costs. Waste Management has determined that the projected net revenues, after current operating costs, from tipping fees during the 30 year period of post-closure care maintenance will, during each year of this period, be greater than the yearly monitoring and post-closure care maintenance costs for each landfill. It is agreed that the amount of these Pledge of Revenue agreements may increase or decrease to match any adjustments to the identified cost estimates, which is mutually agreed to by the Waste Management and the CalRecycle. Waste Management complies with these requirements and investments of \$29.2 million are held for these purposes at June 30, 2014 and are classified as restricted assets in the statement of net position. Waste Management expects that future inflation costs will be paid from interest earnings on these annual contributions. However, if interest earnings are inadequate or additional post-closure requirements are determined (due to changes in technology or applicable laws or regulations) these costs may need to be covered by charges to future landfill users.

**COUNTY OF RIVERSIDE**  
**Notes to the Basic Financial Statements (Continued)**  
**June 30, 2014**

**NOTE 11 – OPERATING LEASES**

The following is a schedule of future minimum rental payments required under operating leases entered into by the County that have initial or remaining non-cancelable lease terms in excess of one year as of June 30, 2014 (In thousands):

Year Ending June 30	
2015	\$ 36,558
2016	29,931
2017	25,292
2018	14,127
2019	7,690
2020-2024	15,702
2025-2029	1,305
2030-2034	1,326
2035-2039	1,023
2040-2044	443
Total Minimum Payments	<u>\$ 133,397</u>

Total rental expenditure/expense for the year ended June 30, 2014 was \$109.5 million, of which \$12.8 million was recorded in the enterprise funds.

**NOTE 12 – ADVANCES FROM GRANTORS AND THIRD PARTIES**

Under both the accrual and modified accrual basis of accounting, revenue may be recognized only when earned. Therefore, the government-wide statement of net position as well as governmental and enterprise funds defer revenue recognition in connection with resources that have been received as of year-end, but not yet earned. Assets recognized in connection with a transaction before the earnings process is complete are offset by a corresponding liability for advances from grantors and third parties.

The balance as of June 30, 2014 of advances from grantors and third parties are as follows (In thousands):

	Balance June 30, 2014
<b>General Fund:</b>	
Advances on state grants for probation services	\$ 41,581
Advances on state & federal grants for mental health services	131,481
Advances on state grants & other 3rd party advances for public health services	10,835
Advances on state funding for social services	71,035
Advances on state & federal grants for sheriff services	8,240
Advances on state grants & other 3rd party advances for environmental health services	1,982
Advances on state grants for district attorney services	1,925
Advances from flood control and water conservation district for permits	1,095
Advances on candidate statements for registrar of voters	220
Other advances	505
Total general fund	<u>\$ 268,899</u>

Advances for aviation projects	12
Total other governmental funds	<u>1,460</u>
<b>Grand total of advances from grantors and third parties</b>	<u><u>\$ 285,723</u></u>

**NOTE 13 – SHORT-TERM DEBT**

**Tax and Revenue Anticipation Notes (TRANS)**

On October 16, 2013, the County issued \$119.8 million of tax exempt TRAN, which will be repaid on October 15, 2014. The notes were issued with a yield rate of 0.20% for Series Bond D and 0.37% for Series Bond E. This was to provide needed cash to cover the projected intra-period cash-flow deficits of the County's general fund during the fiscal year July 1 through June 30.

**Tax-Exempt Commercial Paper Notes (Teeter)**

In December 1993, the County adopted the Teeter plan, the alternative method for the distribution of secured property taxes and other assessments. In order to fulfill the requirements of the plan, the County obtained cash for the "buyout" of delinquent secured property taxes and the annual advance of current unpaid taxes to all entities that elected to participate in the Teeter plan. The current financing takes place through the sale of Tax-exempt Commercial Paper Notes (Teeter notes). During fiscal year 2013-14, the County retired \$67.6 million of the \$142.8 million principal amount outstanding at June 30, 2013. The County then issued \$44.3 million of Series E notes, leaving an outstanding balance of \$119.5 million at June 30, 2014.

Short-term debt activity for the year ended June 30, 2014, was as follows (In thousands):

	Balance June 30, 2013	Additions	Reductions	Balance June 30, 2014
Fiscal year 2013-14				
TRANS	\$ -	\$ 119,770	\$ (119,770)	\$ -
Teeter notes	142,840	44,258	(67,636)	119,462
Total	<u>\$ 142,840</u>	<u>\$ 164,028</u>	<u>\$ (187,406)</u>	<u>\$ 119,462</u>

**COUNTY OF RIVERSIDE**  
**Notes to the Basic Financial Statements (Continued)**  
**June 30, 2014**

**NOTE 14 – LONG-TERM OBLIGATIONS**

Long-term obligations of the County consist of capital lease obligations, bonds, notes, and other liabilities which are payable from the general, debt service, enterprise, and internal service funds. The calculated legal debt limit for the County is \$2.6 billion.

**Capital Leases**

Capital leases for governmental funds are recorded both as capital expenditures and as other financing sources at inception in the fund financial statements, with the liability and the asset recorded in the government-wide statement of net position. Capital leases are secured by a pledge of the leased equipment.

See Note 8 (Capital Assets) for assets under capital leases and related disclosure information by major asset class.

The following is a schedule by year of future minimum lease payments under capital leases, together with the present value of the net minimum lease payments as of June 30, 2014 (In thousands):

<b>Fiscal Year Ending June 30</b>	<b>Palm Desert Financing Authority</b>	<b>Other Governmental Activities</b>	<b>Total Governmental Activities</b>	<b>Business- type Activities</b>
2015	\$ 6,316	\$ 14,790	\$ 21,106	\$ 2,340
2016	6,307	11,711	18,018	868
2017	6,313	6,015	12,328	478
2018	6,310	4,223	10,533	214
2019	6,309	3,549	9,858	55
2020-2024	18,921	4,261	23,182	-
2025-2029	-	493	493	-
Total minimum payments	50,476	45,041	95,517	3,955
Less amount representing interest	(11,053)	(4,642)	(15,695)	(101)
Present value of net minimum lease payments	<u>\$ 39,423</u>	<u>\$ 40,399</u>	<u>\$ 79,822</u>	<u>\$ 3,854</u>

The statement of net position includes the Palm Desert Financing Authority capital lease of \$39.4 million for the construction and acquisition of certain public facilities within the County, including the Palm Desert Sheriff's Station, community centers, the Blythe County Administrative Center, an animal shelter and a clinic facility.

**Accreted Interest Payable**

The following is a summary of the changes in accreted interest payable for the year ended June 30, 2014 (In thousands):

	Balance June 30, 2013	Additions	Reductions	Balance June 30, 2014
<b><u>Governmental Activities:</u></b>				
<b><u>Certificates of Participation:</u></b>				
Court Financing (U.S. District Court Project)	\$ 4,037	\$ 479	\$ -	\$ 4,516
<b><u>Bonds:</u></b>				
Inland Empire Tobacco Securitization Authority	90,624	16,483	-	107,107
Total governmental-type activities	\$ 94,661	\$ 16,962	\$ -	\$ 111,623
<b><u>Business-type Activities:</u></b>				
<b><u>Lease Revenue Bonds:</u></b>				
Regional Medical Center (1997A Hosp)	\$ 61,113	\$ 5,990	\$ (4,322)	\$ 62,781
Total business-type activities	\$ 61,113	\$ 5,990	\$ (4,322)	\$ 62,781

The accreted interest payable balances at June 30, 2014 represent accreted interest on the U.S. District Court project, the 2007 Inland Empire Tobacco Securitization Authority Bonds, and the 1997 A Hospital Serial Capital Appreciation Bonds. The original issues were \$2.2 million for the U.S. District Court Project, \$294.1 million for the 2007 Inland Empire Tobacco Securitization Authority Bonds, and \$41.2 million for the 1997 A Hospital Serial Capital Appreciation Bonds. The total accreted value on the bonds and certificates upon maturity will be \$7.2 million for the U.S. District Court Project, \$171.6 million for the 1997 A Hospital Serial Capital Appreciation Bonds and \$3.5 billion for the 2007 Inland Empire Tobacco Securitization Authority Bonds. The County is under no obligation to make payments of accreted value of or redemption premiums, if any, or interest on the Series 2007 Bonds.

**COUNTY OF RIVERSIDE**  
**Notes to the Basic Financial Statements (Continued)**

**June 30, 2014**

**NOTE 14 – LONG-TERM OBLIGATIONS (Continued)**

**Accreted Interest Payable (Continued)**

The increases of \$17.0 million and \$1.7 million represent current year's accretion for governmental activities and business-type activities respectively. The accumulated accretion for business-type activities is \$62.8 million at June 30, 2014. The accumulated accretion for U.S. District Court Financing and the Inland Empire Tobacco Securitization Authority in governmental activities is \$111.6 million. The un-accreted balances at June 30, 2014 are \$58.4 million for the 1997-A Hospital Riverside County Regional Medical Center (RCRMC) project, \$2.7 million for the U.S. District Court, and \$3.4 billion for the Inland Empire Tobacco Securitization Authority Capital Appreciation Bonds.

**Bonds, Certificates of Participation / Refunding**

On July 1, 2013, Riverside Asset Leasing Corporation issued \$66.0 million in lease revenue bonds. The Series 13A (Public Defender/Probation Building and Riverside County Technology Solutions Center Projects) are being issued to acquire, construct, improve, furnish and equip buildings that will house the offices for the County of Riverside's Public Defender, Probation Department and Information and Technology Department. The new bonds have an interest rate of 3.0% to 5.0%.

In June 2014, CORAL issued \$18.5 million in lease revenue bonds. The Series 2014 A and B are being issued to provide funds to: currently refund and defease all of the outstanding Taxable Refunding Certificates of Participation (Historic Courthouse Project) 2003 Series A, currently refund and defease all the outstanding County of Riverside Refunding Certificates of Participation (capital facilities projects), 2003 Series B, advance refund and defease all of the outstanding Taxable Refunding Certificates of Participation (Bankruptcy Court Project), Series 2003, and pay costs of issuance in connection with the issuance and delivery of the Series 2014 Bonds. The new bonds have an interest rate of 2.0% to 4.0%.

**Defeasance of Debt**

In April 2005, CORAL issued \$22.6 million of Certificates of Participation, Series B (2005 Series B – Historic Courthouse Refunding). The proceeds from the sale of the certificates were used to advance refund \$21.1 million of the Historic Courthouse Certificates of Participation. Accordingly, the refunded certificates have been eliminated and the advance refunding certificates have been included in the financial statements. The amount of the defeased debt outstanding at June 30, 2014, was \$705.0 thousand.

On December 2009, CORAL issued \$24.7 million certificates of participation (2009 Larson Justice Center Project Refunding COP) to provide funds to refund and prepay the certificates of participation relating to 1998 Larson Justice Center Project with an outstanding principal amount of \$23.7 million; to fund the reserve fund; and to pay certain cost of issuance incurred in connection with this refunding. The requisition price exceeded the net carry amount of the old debt by \$1.0 million. This amount is being netted against the new debt and amortized over the new debt's life. The transaction resulted in an economic gain of \$3.7 million and a reduction of \$1.5 million in future debt service payments.

In December 2009, CORAL also issued \$45.7 million certificates of participation (2009 Public Safety Communication and Woodcrest Library Projects Refunding COP) to provide funds to refund and redeem the certificates of participation relating to 2007 Series B Public Safety Communication Project with an outstanding principal amount of \$37.4 million; to provide funds to refund; and retire the series 2006 Certificates of Participation Anticipation Note relating to Woodcrest Library Project with an outstanding principal amount of \$6.0 million; to fund capitalized interest on a portion of the certificates of participation through July 1, 2012; to fund a security deposit with respect to Base Rental payable under the Sublease; and to pay certain cost of issuance incurred in connection with this refunding. The reacquisition price exceeded the net carry amount of the old debts by \$2.3 million. This amount is being netted against the new debt and amortized over the new debt's life. The transaction resulted in an economic gain of \$3.3 million and an addition of \$6.9 million in future debt service payments.

On February 28, 2011, CORAL issued \$5.5 million in private placement bonds (2011 Monroe Building) to provide funds to refund and redeem the notes payable relating to the 2007 Monroe Park Building loan with an outstanding principal amount of \$5.4 million and to pay certain cost of issuance incurred in connection with this refunding. The reacquisition price exceeded the net carrying amount of the old debt by \$140.0 thousand. This amount is being netted against the new debt and amortized over the new debt's life. The transaction resulted in an economic gain of \$527.2 thousand and a reduction of \$339.2 thousand in future debt service payments.

**COUNTY OF RIVERSIDE**  
**Notes to the Basic Financial Statements (Continued)**  
**June 30, 2014**

**NOTE 14 – LONG-TERM OBLIGATIONS (Continued)**

**Defeasance of Debt (Continued)**

On February 2012, CORAL issued \$33.4 million in lease revenue bonds (2012 County Administrative Center Refunding Projects) to provide funds to refund and prepay the certificates of participation relating to 2001 County Administrative Center (CAC) Annex with an outstanding principal amount of \$31.4 million; to fund the reserve fund, and to pay certain costs of issuance incurred in connection with this refunding and to acquire two office buildings located in Indio, California. The requisition price exceeded the net carry amount of the old debt by \$2.0 million. This amount is being netted against the new debt and amortized over the new debt's life. The transaction resulted in an economic gain of \$5.0 million and a reduction of \$3.6 million in future debt service payments.

In July 2012, CORAL issued \$90.5 million in lease revenue bonds (2012 Series A and Taxable Series B County of Riverside Capital Projects) to provide funds to refund and prepay CORAL's Leasehold Revenue Bonds, 1997 Series B with an outstanding principal amount of \$64.4 million; to provide funds (\$30.0 million) for improvements to the Medical Center Campus; deposit funds into the debt service reserve fund; and pay certain cost of issuance incurred in connection with this refunding. The refunding resulted in a redemption premium of \$639.6 thousand for the 1997 Series B lease revenue bonds and a net premium of \$6.9 million for the 2012 Series A and Taxable Series B. The reacquisition price exceeded the net carry amount of the old debt by \$26.6 million. This amount is being netted against the new debt and amortized over the new debt's life. The transaction resulted in an economic gain of \$8.0 million and a reduction of \$7.1 million in future debt service payments.

In June 2014, CORAL issued \$18.5 million in lease revenue bonds (2014 A & B Court Facilities Project) to provide funds mainly to refund in the 2003 A Historic Courthouse Projects, 2003 B Capital Facilities Project Refunding, and 2003 Bankruptcy Court Project (a County bond) with a total outstanding principal amount of \$20.0 million; and to pay certain cost of issuance incurred in connection with this refunding. The refunding resulted in a premium of \$756.0 thousand for the 2014 A and B Court Facilities Project. The reacquisition price exceeded the net carry amount of the old debt by \$1.5 million. This amount is being netted against the new debt and amortized over the new debt life. The transaction resulted in an economic gain of \$4.2 million and a reduction of \$3.4 in future debt service payments.

**Single Family and Multi-Family Mortgage Revenue Bonds**

Single Family Mortgage Revenue Bonds have been issued to provide funds to purchase mortgage loans secured by first trust deeds on newly constructed single-family residences. The purpose of this program is to provide low interest rate home mortgage loans to persons who are unable to qualify for conventional mortgages at market rates. Multi-Family Mortgage Revenue Bonds are issued to provide permanent financing for apartment projects located in the County to be partially occupied by persons of low or moderate income.

A total of \$34.2 million of Mortgage Revenue Bonds have been issued and \$29.7 million is outstanding as of June 30, 2014. These bonds do not constitute an indebtedness of the County. The bonds are payable solely from payments made on and secured by a pledge of the acquired mortgage loans and certain funds and other monies held for the benefit of the bondholders pursuant to the bond indentures. In the opinion of the County officials, these bonds are not payable from any revenues or assets of the County, and neither the full faith and credit nor the taxing authority of the County, the State, or any political subdivision thereof is obligated to the payment of the principal or interest on the bonds. Accordingly, no liability has been recorded in the basic financial statements.

**Special Assessment Bonds**

Various special districts in the County reporting entity have issued special assessment bonds, totaling \$70.8 million at June 30, 2014, to provide financing or improvements benefiting certain property owners. Special assessment bonds consist of Community Facilities District Bonds and Assessment District Bonds.

The County, including its special districts, is not liable for the payment of principal or interest on the bonds, which are obligations solely of the benefited property owners. Certain debt service transactions relating to certain special assessment bonds are accounted for in the agency funds.

The County is not obligated and does not expect to advance any available funds from the County general fund to the Community Facilities Districts or the Assessment Districts for any current or future delinquent debt service obligations. The County Special Districts continue to use all means available to bring current any delinquent special assessment taxes, including workouts, settlement agreements, and foreclosure actions when necessary.

**COUNTY OF RIVERSIDE**  
**Notes to the Basic Financial Statements (Continued)**  
**June 30, 2014**

**NOTE 14 – NOTE LONG-TERM OBLIGATIONS (Continued)**

**Special Assessment Bonds (Continued)**

The Flood Control has issued special assessment bonds, totaling \$1.7 million as June 30, 2014, for the construction of flood control facilities. The bonds are to be repaid through special assessment revenue and are not considered obligations of Flood Control. In accordance with bond covenants, Flood Control has established a reserve for potential delinquencies. If a delinquency occurs in the payment of any assessment installment, Flood Control has the duty to transfer the amount of such delinquent installment from the reserve fund into the redemption fund assessment installment. Flood Control's liability to advance funds for bond redemption in the event of delinquent assessment installments is limited to the reserves established.

**State Appellate Court Financing**

In November 1997, the Public Finance Authority of the County issued \$13.5 million of Lease Revenue Bonds for the State of California Court of Appeal Fourth Appellate District, Division Two Project. The State of California executed a lease coincident with the term of the financing and those lease payments are the sole security for the financing. The State is the ultimate obligor under the terms of the financing and neither the County nor the Authority will have any ongoing payment obligation. The State has committed to indemnify the County in the lease.

**Interest Rate Swap**

*Objective of the Interest Rate Swap:* As a means to lower financing costs and to reduce the risks to CORAL associated with the fluctuation in market interest rates, CORAL entered into an amended and restated interest rate swap in connection with the Southwest Justice Center Series 2008A Leasehold Revenue Bonds in the notional amount of \$76.3 million. The intention of the swap was to effectively change the variable interest rate on the bonds to a synthetic fixed-rate of 5.2%.

*Terms:* The bonds and the related swap agreement mature on November 1, 2032, and the swap's notional amount of \$76.3 million approximately matches a portion of \$78.9 million variable-rate bonds. The swap was effective at the same time the bonds were issued on May 24, 2000, and was amended and restated as of December 10, 2008. The interest rate swap agreement was novated in January 2012 to substitute Wells Fargo Bank, N.A. as the new counterparty. The notional value of the swap and the principal amount of the associated debt decline starting in fiscal year 2014-2015. Under the amended and restated swap agreement, CORAL pays Wells Fargo Bank, N.A. a fixed payment rate of 5.2%. CORAL receives an interest rate equal to an amount not to exceed the maximum interest rate payable on the bonds, expressed as a decimal, equal to 64.0% of the monthly London Interbank Offered Rate (LIBOR) in the relevant calculation period. Conversely, the bonds' variable-rate coupons have historically been similar to the Bond Market Association Municipal Swap Index (BMA). Under GASB Statement No. 53, *Accounting and Financial Reporting for Derivative Instruments*, the interest rate swap contract qualifies as a derivative financial instrument and a cash flow hedging. CORAL's net cash outflow or payment under the interest rate swap contract was \$278.7 thousand for the year ended June 30, 2014.

*Fair Value:* As of June 30, 2014 and 2013, the swap had a negative fair value of \$25.7 million and \$26.8 million, respectively, an increase in fair value of \$1.1 million occurred during the fiscal year 2013-14. The fair value was recorded in the County's statement of net position as interest rate swap liability and deferred outflow in the assets section. Because the coupons on the Southwest Justice Center Series 2008A Leasehold Revenue Refunding Bonds adjust to changing interest rates, the bonds do not have a corresponding fair value increase. The fair value was the quoted market price from Wells Fargo Bank, N.A. at June 30, 2014.

*Credit Risks:* The swap counterparty was rated Aa3 by Moody's and AA- by Standard & Poor's and Fitch as of February 2013. The swap agreement specifies that if the long-term senior unsecured debt rating of Wells Fargo, N.A. is withdrawn, suspended or falls below BBB (Standard & Poor) or Baa2 (Moody's), a collateral agreement will be executed within 30 days or the fair value of the swaps will be fully collateralized by the counterparty.

**COUNTY OF RIVERSIDE**  
**Notes to the Basic Financial Statements (Continued)**

**June 30, 2014**

**NOTE 14 – LONG-TERM OBLIGATIONS (Continued)**

**Interest Rate Swap (Continued)**

*Basis Risks:* The swap exposes CORAL to basis risk should the relationship between London Interbank Offered Rate (LIBOR) and BMA converge, changing the synthetic rate on the bonds. If a change occurs that results in the rates moving to convergence, the expected cost savings may not be realized. As of June 30, 2014, CORAL's rate was 64.0% of LIBOR, or 0.1%, whereas Municipal Swap Index or the reset rate on bonds was 0.1%. The synthetic rate on the bonds at June 30, 2014 was 5.2%.

*Termination Risks:* CORAL always has the right to terminate the swaps. Wells Fargo Bank, N.A. is limited in so far as both CORAL and the insurer are not performing. The swap may be terminated by CORAL if Wells Fargo Bank, N.A.'s credit quality rating falls below A- as issued by Standard & Poor's or A3 by Moody's. Additionally, the swaps may be terminated by Wells Fargo, N.A. if CORAL's credit quality rating falls below BBB+ as issued by Standard & Poor's or Baa1 as issued by Moody's or if the bonds credit quality ratings fall below BBB+ as issued by Standard & Poor's or Baa1 as issued by Moody's. If the swaps are terminated, the variable rate bonds would no longer carry synthetic interest rates. Also, if at the time of termination the swaps had negative fair values, CORAL, would be liable to Wells Fargo Bank, N.A. for a payment equal to the swaps' fair values.

*Swap Payment and Associated Debt:* Using rates as of June 30, 2014, debt service requirements of the variable-rate debt and net swap payments, assuming current interest rates remain the same for their term, were as follows (In thousands):

Fiscal Year Ending June 30, 2014	Variable Rate Bonds		Net Swap Payments	Total Interest
	Principal	Interest		
2015	\$ -	\$ 1,099	\$ 2,835	\$ 3,934
2016	2,470	1,078	2,781	3,859
2017	2,690	1,040	2,685	3,725
2018	2,895	1,000	2,580	3,580
2019	3,000	958	2,470	3,428
2020-2024	18,095	4,054	10,460	14,514
2025-2029	23,370	2,563	6,611	9,174
2030-2034	23,780	679	1,745	2,424
	<u>\$ 76,300</u>	<u>\$ 12,471</u>	<u>\$ 32,167</u>	<u>\$ 44,638</u>

As rates vary, variable-rate bond interest payments and net swap payments will vary.

**Changes in long-term liabilities**

The following is a summary of governmental activities long-term liabilities transactions for the year ended June 30, 2014 (In thousands):

	Balance June 30, 2013	New Additions	Payments / Reclass	Balance June 30, 2014	Amounts Due Within One Year
<b>Governmental activities:</b>					
<b>Debt long-term liabilities:</b>					
Bonds payable	\$ 744,460	\$ 84,510	\$ (18,784)	\$ 810,186	\$ 31,480

(a) The Housing Authority (Business-type Activity) has two notes payable, totaling \$6.8 million, under "Other long-term liabilities."

**Disclosure of Pledged Revenues**

*Inland Empire Tobacco Securitization Authority*, a blended component unit of the County, issued \$294.1 million of tobacco asset-backed bonds. The bonds are solely secured by pledging a portion of County tobacco assets\*\*\* made payable to the County pursuant to agreements with the State and other parties. The portion of revenues that will be used to pay the debt service are (i) the County tobacco assets to the extent consisting of or relating to amounts due to the County after the first \$10.0 million has been paid to the County in each year beginning on January 1, 2008 and ending on December 31, 2020, (ii) the County tobacco assets to the extent consisting of or relating to amounts due to the County after the first \$11.5 million has been paid to the County in each year beginning on January 1, 2021 and ending on December 31, 2026, (iii) the County tobacco assets to the extent consisting of or relating to amounts due to the County from and after January 1, 2027, and (iv) the County tobacco assets to the extent consisting of or relating to the applicable percentage of a lump sum payment of 16.2% to the County and 83.8% to the Inland Empire Tobacco Securitization Authority for calendar year 2014. During the fiscal year ended June 30, 2014, \$19.3 million was received by the Inland Empire Tobacco Securitization Authority; \$10.0 million, or 51.9%, was distributed to the County per the above agreement, leaving \$9.3 million, or 48.1%, of the specific tobacco settlement revenues available to be pledged (see page 135). The County is under no obligation to make payments of the principal or accreted value of or redemption premiums, if any, or interest on the Series 2007 bonds in the event that revenues are insufficient for the payment thereof.

\*\*\* Tobacco settlement revenue required to be paid to the State of California under the Master Settlement Agreement entered into by participating cigarette manufacturers, 46 states, California, and six other U.S. jurisdictions, in November 1998 in settlement of certain cigarette smoking-related litigation.

**COUNTY OF RIVERSIDE**  
**Notes to the Basic Financial Statements (Continued)**  
**June 30, 2014**

**NOTE 14 – LONG-TERM OBLIGATIONS (Continued)**

**Disclosure of Pledged Revenues (Continued)**

*The Housing Authority* 1998 bonds are secured by an agreement with the City of Corona, which has pledged to pay \$218.0 thousand to the Housing Authority each year until the bonds are redeemed in their entirety on December 1, 2018. The bond indenture requires the Housing Authority to remit the entire \$218.0 thousand received each year to the bond trustee to pay for the bond's annual debt service payments, which in fiscal year 2014 was \$135.0 thousand (principal) and \$83.0 thousand (interest).

The Housing Authority reports the \$218.0 thousand received each year as revenue. In fiscal year 2013-14, the \$218.0 thousand represented about 0.06% of the total expenses of the Housing Authority. MBIA Insurance Corporation has issued a surety bond in lieu of a cash funded reserve. The outstanding balance as of June 30, 2014, before applying the deferred charge, was \$885.0 thousand.

**Proposition 1A Borrowing by the State of California**

Under the provisions of Proposition 1A and as part of the 2009-10 budget package passed by the California state legislature on July 28, 2009, the State of California borrowed 8.0% of the amount of property tax revenue, including those property taxes associated with the in-lieu motor vehicle license fee, the triple flip in-lieu sales tax, and supplemental property tax, apportioned to cities, counties and special districts (excluding redevelopment agencies). The state is required to repay this borrowing plus interest by June 30, 2014. After repayment of this initial borrowing, the California legislature may consider only one additional borrowing within a ten-year period. The amount of this borrowing pertaining to the County, Flood Control and Park District was \$38.4 million, \$4.2 million and \$386.7 thousand, respectively.

Authorized with the fiscal year 2009-10 State budget package, the Proposition 1A Securitization Program was instituted by the California Statewide Communities Development Authority ("California Communities"), a joint powers authority sponsored by the California State Association of Counties and the League of California Cities, to enable local governments to sell their Proposition 1A receivables to California Communities. Under the Securitization Program, California Communities simultaneously purchased the Proposition 1A receivables and issued bonds ("Prop 1A Bonds") to provide local agencies with cash proceeds in two equal installments, on January 15, 2010 and May 3, 2010. The purchase price paid to the local agencies equaled 100.0% of the amount of the property tax reduction. All transaction costs of issuance and interest were paid by the State of California. Participating local agencies have no obligation on the bonds and no credit exposure to the State. The County participated in the securitization program and accordingly property taxes have been recorded in the same manner as if the State had not exercised its rights under Proposition 1A. The receivable sale proceeds were equal to the book value and, as a result, no gain or loss was recorded.

**Notes to the Basic Financial Statements (Continued)**  
**June 30, 2014**

**NOTE 15 – DEFERRED INFLOWS OF RESOURCES**

Pursuant to GASB Statement No. 63, *Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of Resources, and Net Position* and GASB Statement No. 65, *Items Previously Reported as Assets and Liabilities*, the County recognized deferred inflows of resources in the governmental and government-wide financial statements. These items are an acquisition of net position by the County that is applicable to a future reporting period. Previous financial reporting standards do not include guidance for reporting those financial statement elements, which are distinct from assets and liabilities.

The largest portions of the County's deferred inflows of resources are SB90 and Teeter tax loss reserve. SB90 is California SB 90 of 1972 which established a requirement that the State reimburse local government agencies for the costs of new programs or increased levels of service on programs mandated by the State. Teeter tax loss reserve pursuant to California Revenue and Taxation Code Section 4703 was established as a tax loss reserve fund for covering losses that may occur in the amount of tax liens as a result of special sales of tax defaulted property.

Deferred inflows of resources balances for the year ended June 30, 2014 were as follows (In thousands):

	<u>Balance</u> <u>June 30, 2014</u>
<b>Governmental activities:</b>	
General Fund:	
SB 90	\$ 40,740
Teeter tax loss reserve	19,706
Property tax	5,095

**COUNTY OF RIVERSIDE**  
**Notes to the Basic Financial Statements (Continued)**  
**June 30, 2014**

**NOTE 17 – RISK MANAGEMENT**

The County is self-insured for general liability, medical malpractice, and workers' compensation claims. The County records estimated liabilities for general liability, medical malpractice, and workers' compensation claims filed or estimated to be filed for incidents that have occurred. Estimated liability accruals include those incidents that are reported as well as an amount for those incidents that incurred but are not reported (IBNR) at fiscal year end. The funding of these estimates is based on actuarial experience and projections. The County fully self-insures short-term disability and unemployment insurance. Life insurance and long-term disability programs are fully insured. Depending on the plan, group health, dental, and vision may be either self-insured or fully insured.

The County supplements its self-insurance for general liability, medical malpractice, and workers' compensation with catastrophic excess insurance coverage. General liability utilizes a policy providing coverage on a per occurrence basis. Limits under the policy are \$10.0 million, subject to a self-insured retention (SIR) of \$1.0 million for each occurrence. A SIR is a form of a deductible. The County also purchases an additional \$15.0 million per occurrence in excess of the \$10.0 million for a total of \$25.0 million in limits. Medical malpractice utilizes an excess policy providing coverage on a per occurrence basis. Limits under the malpractice policy are \$20.0 million subject to a SIR of \$1.1 million. The maximum limit under the excess workers' compensation, Section A, is statutory (unlimited); Section B, employer liability is \$5.0 million per claim. Section A is subject to a \$2.0 million SIR for each accident, employee injury, or disease. Settlements have not exceeded coverage for each of the past three fiscal years.

The County's property insurance program provides insurance coverage for all risks subject to a \$50.0 thousand per occurrence deductible; flood coverage is subject to a 2.0% deductible per unit within a 100-year flood zone and \$25.0 thousand per unit deductible outside a 100-year flood zone. (A 'unit' is defined as; a separate building, contents in a separate building, property in the open (yard) or, time element coverage in a separate building.) The County's property is categorized into four towers and the overall all risk coverage is \$600 million. Earthquake (covering scheduled locations equal to or greater than \$1.0 million in value and lesser valued locations where such coverage is required by contract) has a sub-limit in each tower of \$90.0 million with an additional \$290.5 million excess rooftop limit available to any one tower. The excess rooftop limit may be triggered during the policy year if a covered earthquake event somewhere in the state has depleted the initial underlying limits. Earthquake coverage is subject to a deductible equal to 5.0% of replacement cost value per unit subject to a \$100.0 thousand minimum per unit. Boiler and machinery provide up to \$100.0 million in limits, with various deductibles. The limits in each tower are shared with other counties on a per event basis. Should a catastrophic event occur and losses exceed the limits, the County would be responsible.

The activities related to such programs are accounted for in Internal Service Funds (ISF). Accordingly, estimated liabilities for claims, including loss adjustment expenses, filed or to be filed, for incidents that have occurred through June 30, 2014 are reported in these funds. Where certain ISF funds have an accumulated deficit or insufficient reserves, the County provides funding to reduce the deficit and increase the reserves. If the funding is above the Board of Supervisors approved 70.0% confidence level, an appropriate reduction in funding including a one-time holiday on department charges may be granted. For fiscal year 2013-14 the Board of Supervisors approved continued reduced funding at slightly below the 55.0% confidence level for the general liability ISF and for the workers' compensation ISF. Funding for the medical malpractice ISF was at the 70.0% confidence level. Revenues for these internal service funds are primarily provided by other county departments and are intended to cover the self-insured claim payments, insurance premiums, and operating expenses. The revenue is not used to cover catastrophic events and other uninsured liabilities. Cash available in the risk management and workers' compensation ISF at June 30, 2014 plus revenues to be collected during fiscal year 2014-2015 are expected to be sufficient to cover all fiscal year 2014-15 payments. The carrying amount of unpaid claim liabilities is \$142.5 million. The liabilities are discounted at 2.0% for general liability and medical malpractice and 2.5% for workers' compensation.

	June 30, 2013	June 30, 2014
Unpaid claims, beginning of year	\$ 130,438	\$ 130,919
Increase (decrease) in provision for insured events of prior years	(2,148)	2,840
Incurred claims for current year	44,713	46,584
Claim payments	(42,084)	(37,884)
Unpaid claims, end of year	<u>\$ 130,919</u>	<u>\$ 142,459</u>

**NOTE 18 – MEDI-CAL AND MEDICARE PROGRAMS**

The RMC provides services to patients covered by various reimbursement programs. The principal programs are Medicare, the State of California Medi-Cal, and the County Medically Indigent Services Program (MISP) and Low Income Health Plan (LIHP) which ended on December 31, 2013 and was replaced by the Medi-Cal Managed Care AB85 Expansion Program. Net patient service revenue is recorded at the estimated net realizable amounts from patients, third-party payers, and others for services rendered. In addition, net patient service revenue includes a provision for doubtful accounts and estimated retroactive adjustments under reimbursement agreements with federal and state government programs and other third-party payers. Retroactive adjustments are accrued on an estimated basis in the period the related services are rendered and adjusted in future periods as final settlements are determined.

Inpatient services rendered to Medi-Cal program beneficiaries are reimbursed at a per diem rate based upon estimated certified public expenditures (CPEs) and outpatient services are reimbursed under a schedule of maximum allowable reimbursement provided by the California Department of Health Care Services. Inpatient acute care services rendered to Medicare program beneficiaries are reimbursed based upon pre-established rates for diagnostic-related groups. Inpatient non-acute services, certain outpatient services, and defined capital and medical education costs related to Medicare beneficiaries are paid based on a cost-reimbursement methodology subject to payment caps and indexing formulas. The RMC is reimbursed for cost reimbursable items at a tentative rate with final settlement determined after submission of annual cost reports by the RMC and audit thereof by the Medicare fiscal intermediary. Normal estimation differences between final settlements and amounts accrued in previous years are reflected in net patient services revenue. The fiscal intermediary has audited the RMC's Medicare cost reports thru June 30, 2012 and Medi-Cal cost reports through June 30, 2012. The RMC has received notices of program reimbursement (NPR), a written notice reflecting the intermediary's final determination of the total amount of reimbursement due the medical center for Medicare through June 30, 2012. For Medi-Cal Fee for Service, the RMC is final settled thru the California public hospital P-14 cost reports. Notice of final settlement has been received thru June 30, 2007.

In September 2005, the State of California significantly modified its Medi-Cal program under a new waiver with the Centers for Medicare and Medicaid Services (CMS). In connection with the new waiver, the State legislature passed the Medi-Cal Hospital Uninsured Demonstration Project Act, or SB 1100, which replaced the SB 855 and SB 1255 programs. For the SB 1100 program, the State continues to provide supplemental payments to the hospital for uncompensated care. However, the use of intergovernmental transfers (IGTs) by the State, as the non-federal match, was modified to a methodology consisting of CPEs up to 50 percent of costs or Federal Medical Assistance Program (FMAP) rate. The Regional Medical Center has recorded net patient revenue of \$89.2 million for SB 1100 for the fiscal year ended June 30, 2014, of which \$35.7 million is from the Delivery System Reform Incentive Program (DSRIP), a waiver incentive based payment component of the Section 1115 Medicaid Waiver.

All CPEs reported by the hospital will be subject to state and federal audit and final reconciliation process. If at the end of the final reconciliation process it is determined that the hospital's claimed CPEs resulted in an overpayment to the state, the hospital may be required to return the overpayment whether or not they received the federal matching funds.

**NOTE 19 – JOINTLY GOVERNED ORGANIZATIONS**

Under Title I (Section 6500 et seq.) of the Government Code, the County has participated in jointly governed organizations with various entities for a variety of purposes. The board of directors for each of these organizations is composed of one representative of each member organization. The County maintains no majority influence or budgetary control over the following entities and County transactions with these jointly governed organizations are not material to the financial statements. The following jointly governed organizations were not included as either blended or discretely presented component units in these financial statements.

A representation of the jointly governed organizations on which the County served at June 30, 2014 follows:

The California State Association of Counties (CSAC) Excess Insurance Authority was formed in October 1979 and has a current membership of 52 California counties. The CSAC operates programs for excess workers' compensation, two excess liability programs, two property programs, and medical malpractice. It also provides support services for selected programs such as claims administration, risk management, loss prevention and training, and subsidies for actuarial studies and claims audits.

**COUNTY OF RIVERSIDE**  
**Notes to the Basic Financial Statements (Continued)**  
**June 30, 2014**

**NOTE 19 – JOINTLY GOVERNED ORGANIZATIONS (Continued)**

Coachella Valley Association of Governments was formed in November 1973. Currently, the association includes the following members: the cities of Blythe, Cathedral City, Coachella, Desert Hot Springs, Indian Wells, Indio, La Quinta, Palm Desert, Palm Springs, and Rancho Mirage; the local tribes of Agua Caliente Band of Cahuilla Indians and the Cabazon Band of Mission Indians; and Riverside County. The purpose of the Association is to conduct studies and projects designed to improve and coordinate the common governmental responsibilities and services on an area-wide and regional basis.

Western Riverside Council of Governments was formed in November 1989 with the cities of Banning, Beaumont, Calimesa, Canyon Lake, Corona, Hemet, Lake Elsinore, Moreno Valley, Murrieta, Norco, Perris, Riverside, San Jacinto, and Temecula for the purpose of serving as a forum for consideration, study, and recommendation on area-wide and regional problems.

Riverside County Habitat Conservation Agency (RCHCA) was formed in July 1990. The RCHCA is a Joint Powers Agreement Agency comprised of the cities of Corona, Hemet, Lake Elsinore, Moreno Valley, Murrieta, Perris, Riverside, Temecula, and the County of Riverside for the purpose of planning, acquiring, administering, operating, and maintaining land and facilities for ecosystem conservation and habitat reserves for the Stephen's Kangaroo Rat and other endangered species under Article 1, Chapter 5, Division 7, Title 1 of the Government Code.

Van Horn Regional Treatment Facility was organized in January 1991 with Los Angeles, San Diego, San Bernardino, Orange, and Riverside Counties for the purpose of constructing and operating a treatment center for emotionally disturbed minors. The Facility's Board of Directors consists of the Chief Probation Officer and the Director of Mental Health for each county.

Riverside County Abandoned Vehicle Abatement Authority was formed in June 1993 with those cities within the County that have elected to create and participate in the Authority, pursuant to Vehicle Code Section 22710. The purpose of the Authority is to implement a program and plan for the abatement of abandoned vehicles.

The March Joint Powers Commission was formed in August 1993 with the cities of Moreno Valley, Perris, and Riverside to formulate and implement plans for the use and reuse of March Air Force Base.

The Salton Sea Authority was formed in August 1993 with Imperial County, Imperial Irrigation District, and Coachella Valley Water District to direct and coordinate actions relating to improvement of water quality, stabilization of water elevation, and to enhance recreational and economic development potential of the Salton Sea and other beneficial uses.

Coachella Valley Regional Airport Authority was formed in April 1994 with the cities of Coachella, Indian Wells, Indio, La Quinta, and Palm Desert for the purpose of acting as a planning commission for the continued growth and development of Thermal Airport and the surrounding area.

Inland Empire Health Plan was formed with the County of San Bernardino in June 1994 to be the administrative body and governing board to form and develop a managed health care system for Medi-Cal recipients in the two counties through the Local Initiative.

Palm Springs Visitors and Convention Bureau were formed in December 1995 with those member cities located in the Coachella Valley area of the County. The purpose of the Authority is to encourage and promote all aspects of the hospitality, convention, and tourism industry in the Coachella Valley.

Western Riverside County Regional Conservation Authority / Multi-Species Habitat Conservation Plan were formed in January 2004 with the responsibility of issuing the permits required to implement the Multi-Species Habitat Conservation Plan, which will ultimately create a 500,000-acre reserve system in the County. The conservation plan's proposed reserve system protects habitat for 146 varieties of species.

Coachella Valley Conservation Commission (CVCC) was formed in October 2005. The CVCC is a Joint Powers Agreement Agency comprised of the cities of Coachella, Cathedral City, Desert Hot Springs, Indian Wells, Indio, La

**NOTE 19 – JOINTLY GOVERNED ORGANIZATIONS (Continued)**

Quinta, Palm Desert, Palm Springs, Rancho Mirage, Riverside, and the Coachella Valley Water District as well as the Imperial Irrigation District. The purpose of the CVCC was to implement the Coachella Valley Multiple Species Habitat Conservation Plan (CVMSHCP). The CVMSHCP goal is to enhance and maintain biological diversity and ecosystem processes while allowing future economic growth.

Southern California Regional Airport Authority (SCRAA) was originally founded in 1985 by the joint powers authority to begin the process of regionalizing aviation. It has been reactivated in an attempt to reduce projected future passenger loads at Los Angeles International Airport (LAX), by spreading the growth in commercial air traffic to other regional airports. The Southern California Association of Governments (SCAG) has also coordinated dispersal planning of the significant new MAP (million air passengers) that would have to be absorbed at other airports if LAX's future MAP is reduced.

Coachella Valley Enterprise Zone Authority (CVEZA) was formed in September 2010 by the Joint Powers Agreement comprised of the County of Riverside, the City of Indio, and the City of Coachella. The purpose of the authority is to manage, coordinate, market, and administer economic development programs and projects in the enterprise zone areas.

**NOTE 20 – RETIREMENT PLAN**

**Plan Descriptions**

The County, Flood Control, Park District, and Waste Management contract with the CalPERS to provide retirement benefits to its employees. CalPERS provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and plan beneficiaries. CalPERS is a common investment and administrative agent for participating public entities within the State of California. State statutes governed by the Public Employees' Retirement Law (PERL), have established benefit provisions as well as other requirements. The County may select from a variety of optional benefit provisions offered by CalPERS. Upon selecting the benefit provisions and entering into a contractual agreement with CalPERS, the benefit provisions may be adopted through local ordinance.

CalPERS issues a comprehensive annual financial report (CAFR) which details its plan assets, liabilities, and plan activity. The County receives an annual actuarial valuation report which summarizes plan assets, liabilities, and employer rates for its plans. Under GASB Statement No. 27\*, both the County (Miscellaneous and Safety) and Flood Control are considered single-employer defined benefit pension plans, while the Park District and Waste Management are considered cost-sharing multi-employer defined benefit pension plans due to their pooling composite. Copies of the CalPERS CAFR may be obtained from: California Public Employees' Retirement System, 400 Q Street, P.O. Box 942701, Sacramento, CA 94229-2701.

*\*GASB Statement No. 68 replaces GASB Statement No. 27 effective the first fiscal year beginning after June 15, 2014. GASB 68 will require additional reporting.*

**Funding Policy**

Active plan members in CalPERS may be required to contribute up to 8.0% (Miscellaneous employees) and up to 9.0% (Safety employees) of their annual covered salary as specified in the governing Memorandum of Understanding or as provided by state statute.

The employer contribution rate is established and may be amended by CalPERS. The actuarial methods and assumptions used to establish the employer contribution rate are adopted by the CalPERS Board of Administration. The County, Flood Control, Park District, and Waste Management are required to contribute the actuarially determined annual required contributions necessary to fund the plans.

**COUNTY OF RIVERSIDE**  
**Notes to the Basic Financial Statements (Continued)**  
**June 30, 2014**

**NOTE 20 – RETIREMENT PLAN (Continued)**

**Public Employees' Pension Reform Act (PEPRA)**

For some time, pension reform has been a topic of debate at local and national levels. Riverside County took the lead in initiating pension reform with its bargaining units. As a result of bargaining, County employees were required to pay their Employee Paid Member Contribution (EPMC), and a new retirement Tier (Tier II) was added to both the Miscellaneous and Safety units of the County. At the same time, Governor Brown initiated proposals that resulted in changes to the pension benefits. Due to the recent passage of Assembly Bill (AB) 340, which created the Public Employees' Pension Reform Act (PEPRA), new lower retirement benefit formulas, final compensation periods, and new contribution requirements were implemented for new employees hired on or after January 1, 2013. The lower retirement benefit formula as a result of PEPRA (Tier) III is 2% at 62 for Miscellaneous and 2.7% at 57 for Safety. Employee contribution rates for Tier III vary based on PEPRA rules. Listed below is a table with the new retirement options and provision changes.

	Plan	EPMC	Earliest Retirement Age	PEPRA Compensation Limits	Final Compensation	Effective Date
County Plan Tier I						
Miscellaneous	3.0% at 60	Yes	50	N/A	12 months	N/A
Safety	3.0% at 50	Yes	50	N/A	12 months	N/A
County Plan Tier II						
Miscellaneous	2.0% at 60	No	50	N/A	36 months	8/23/2012
Safety	2.0% at 50	No	50	N/A	36 months	8/23/2012
County Plan Tier III(PEPRA)						
Miscellaneous	2.0% at 62	No	52	\$ 115,064	36 months	1/1/2013
Safety	2.7% at 57	No	50	138,077	36 months	1/1/2013

**Early Retirement Incentive**

In fiscal year 2009-10, the County's Board of Supervisors authorized three early retirement incentives for all Miscellaneous and Safety members, excluding Elected Officials covered by the CalPERS Local Miscellaneous and Local Safety contracts (see table below for participation detail). The Early Retirement Incentives offered eligible employees who elected to retire within a designated time period specified by the County, two additional years of service. Eligibility provisions for the Early Retirement Incentive required employees to be in specified job classifications, attainment of at least age 50, and completion of five (5) or more years of service credit with the County.

The County has the option to pay for the cost of each early retirement incentive in a single payment or spread the cost over a 20-year period. The County has elected to pay the cost over a 20-year period. The additional cost will result in increased employer contribution rates and will be payable two years after the end of the fiscal year in which the early retirement incentive window closes.

**Early Retirement Incentive Table**

Early Retirement Incentive	Window Periods	Total Eligible Employees	Employees Electing Early Retirement Incentive	Estimated Increase in Employer Contribution Rate	FY in Which Employer Contribution Rate will Increase
Local Miscellaneous	01/01 - 03/31/2009	3,400	678	0.4%	2011/2012
Local Safety	07/11 - 10/08/2009 <sup>(1)</sup> 07/15 - 10/13/2009 <sup>(2)</sup>	653	151	0.4%	2012/2013
Local Miscellaneous	02/11 - 08/09/2010	3,597	578	0.3%	2013/2014

(1) = District Attorney (2) = Sheriff

**COUNTY OF RIVERSIDE**  
**Notes to the Basic Financial Statements (Continued)**

**June 30, 2014**

**NOTE 20 – RETIREMENT PLAN (Continued)**

For fiscal year 2013-14, the employer and employee contribution rates were:

	County Miscellaneous	County Safety	Flood Control	Park District	Waste Management
County contribution rates:					
County Tier I	15.6%	24.1%	17.7%	17.4%	20.6%
County Tier II	15.6%	24.1%	17.7%	8.6%	N/A
County Tier III	15.6%	24.1%	17.7%	6.7%	N/A
Plan Members contribution rates					
County Tier I	8.0%	9.0%	8.0%	8.0%	8.0%
County Tier II	7.0%	9.0%	7.0%	7.0%	N/A
County Tier III	6.5%	10.8% *	6.5%	6.5%	N/A

\*During the term of Memorandum of Understanding (MOU), the employee contributions pursuant to the cost-sharing provision cannot exceed less than that which the employees are obligated under the MOU to contribute.

**Annual Pension Cost**

For fiscal year 2013-14, the annual pension costs for CalPERS is equal to the employer's required and actual contributions as noted below (In thousands):

	County Miscellaneous	County Safety	Flood Control	Park District	Waste Management
Annual required contribution	\$ 130,936	\$ 70,751	\$ 2,803	\$ 839	\$ 478
Interest on net pension obligation (asset)	(26,141)	(7,201)	(129)	-	-
Adjustment to annual required contribution	20,187	5,561	341	-	434
Annual pension cost	124,982	69,111	3,015	839	912
Contributions made	(130,936)	(70,751)	(2,876)	(839)	(478)
Increase (decrease) in net pension obligation (asset)	(5,954)	(1,640)	139	-	434
Net pension obligation (asset) beginning of year	(348,545)	(96,010)	(1,667)	-	(648)
Net pension obligation (asset) end of year	\$ (354,499)	\$ (97,650)	\$ (1,528)	\$ -	\$ (214)

Waste Management**	903,411	1,081,962	178,551	83.50	153,162	116.58

\*\*The amounts disclosed reflect the entire Risk Pool fund in which Park District and Waste Management are included and does not represent their specific assets and liabilities. CalPERS Risk Pool valuation does not report specific assets and liabilities separately.

The Schedule of Funding progress presented as required supplementary information (RSI), following the notes to the financial statements, presents multi-year trend information on whether the actuarial value of plan assets are increasing or decreasing over time relative to the actuarial accrued liability (AAL) for benefits.

**NOTE 21 – DEFINED BENEFIT PENSION PLAN**

**Plan Descriptions and Contribution Information**

*Plan Description.* The County provides a part-time and temporary employees' retirement plan (the Plan) to provide retirement benefits to eligible employees as a substitute for benefits under social security. The Plan is an IRS Section 401(a) defined benefit plan. This Plan is self-funded and self-administered. Effective July 20, 2010, the County Board of Supervisors appointed U.S. Bank as the Plan's investment consultant, investment manager and trustee. Contributions made to the Plan are deposited with U.S. Bank, who maintains the responsibility of investing contributions in a diversified portfolio and reported at fair value. Participants are immediately 100% vested in the Plan upon enrollment. No financial report has been issued separately for public view under defined benefit pension plan.

*Contributions.* Participants in the Plan are required to contribute 3.75% of their compensation to the Plan. According to the July 01, 2013 valuation, the County's current required contribution rate is 0.78%, however, the County elected to contribute 2.6 % of payroll in order to obtain a 90.0% target funded ratio within 5 years. The Plan's current funded ratio is 93.4%. The Plan actuary annually calculates the minimum recommended employer contribution rate through preparation of an actuarial valuation report and the County determines the contribution rates. Administrative costs of the Plan are paid by the Trustee from Plan assets.

Membership for the plan consisted of the following at July 1, 2013, the date of the latest actuarial valuation:

Number of participants:

Active plan members	1,919
Terminated and inactive members	7,142
Retirees	180
Total	<u>9,241</u>

**COUNTY OF RIVERSIDE**  
**Notes to the Basic Financial Statements (Continued)**  
**June 30, 2014**

**NOTE 21 – DEFINED BENEFIT PENSION PLAN (Continued)**

**Summary of Significant Accounting Policies**

*Basis of Accounting.* The pension plan's financial statements are prepared using the accrual basis of accounting. Plan member contributions are recognized in the period in which the contributions are due. Employer contributions to the Plan are recognized when due and the employer has made a formal commitment to provide the contributions. Benefits and refunds are recognized when due and payable in accordance with the terms of the Plan.

*Method Used to Value Investments.* Prior to the transition to U.S. Bank, investments of the pension trust were fully invested in the County pool and reported at fair value. On September 28, 2010 Plan Investments were transferred to the new Trustee and Investment Manager, U.S. Bank. U.S. Bank invests Plan funds according to the Plan's Investment Policy. As of June 30, 2014, assets were invested in cash equivalents (1.0%), equities (67.0%), and fixed income (32.0%).

Schedule of Annual Pension Cost and the Net Pension Obligation (NPO) for 2014 and the two preceding years were as follows (In thousands):

Fiscal Year Ending	Annual Required Contribution (ARC)	Interest on NPO	Adjustment to the ARC	Annual Pension Cost	Actual Contribution	NPO End of Year	Percentage Contributed
2012	\$ 160	\$ (240)	\$ (747)	\$ (827)	\$ 559	\$ (5,071)	68.00 %
2013	622	(330)	446	738	946	(5,279)	128.00
2014	335	(353)	378	360	968	(5,887)	268.89

**Annual Pension Cost and Net Pension Obligation (In thousands):**

Annual required contribution	\$ 335
Interest on net pension obligation (asset)	(353)
Adjustment to annual required contribution	378
Annual pension cost	360
Contributions made	(968)
Increase (decrease) in net pension obligation (asset)	(608)
Net pension obligation (asset) beginning of year	(5,279)
Net pension obligation (asset) end of year	<u>\$ (5,887)</u>

**Schedule of Funding Progress**

The funded status of the Plan as of July 1, 2013, the most recent actuarial valuation date and the two preceding years were as follows (In thousands):

Valuation date	7/1/2013
Actuarial cost method	Projected Unit Credit
Amortization method	Level-Dollar Projected Payroll
Remaining amortization period	20 years - Open
Asset valuation method	Market Value plus Receivables
Actuarial assumptions:	
Investment rate of return	5.0%
Projected salary increases	3.0%
Inflation rate	3.0%

**NOTE 22 – POST EMPLOYMENT BENEFITS OTHER THAN PENSIONS**

**Plan Descriptions**

The County of Riverside (County) and its Special Districts: Flood Control and Water Conservation District (Flood Control); Regional Parks and Open-Space District (Park District); and Waste Management offer post employment benefits to eligible County retirees. Benefit provisions are established and amended through negotiations between the County and the various bargaining units.

The post employment benefits provide:

- The County provides retiree medical benefits for eligible retirees enrolled in County sponsored plans. The benefits are provided in the form of:
  - Monthly County contributions toward the retiree's medical premium, and
  - Monthly contributions of \$25 per month to the Riverside Sheriffs' Association (RSA) Benefit Trust for RSA law enforcement retirees.
- Previously, the County allowed certain retirees to receive coverage prior to age 65 by paying premiums that were developed by blending active and retiree costs, which resulted in an implicit subsidy to retirees. The implicit subsidy has been discontinued since January 1, 2011.

A qualified Internal Revenue Code Section 115 Trust has been established for the County and Special Districts, with the exception of Waste Management, with the California Employers' Retiree Benefit Trust (CERBT) for the purpose of receiving employer contributions that will prefund health and other post employment costs for retirees and their beneficiaries. The CERBT administers each plan's assets and issues a financial report available for public review, which includes financial statements and required supplementary information for the trust fund. The CERBT report may be obtained from CalPERS Affiliate Programs Services Division, CERBT (OPEB), P.O. Box 1494 Sacramento, CA 95812-1494.

**NOTE 22 – POST EMPLOYMENT BENEFITS OTHER THAN PENSIONS (Continued)**

**Funding Policy and Annual OPEB Cost**

It is the policy of the County of Riverside, along with the special districts (Park District and Flood Control) to fully contribute an amount at least equal to the Annual Required Contribution (ARC), as determined by the Post Retirement Benefits Actuarial Valuation Study for each trust. To facilitate funding for the ARC, the County has developed a rate structure. It is the policy of the Waste Management to fund the ARC on a pay-as-you-go basis.

Contribution requirements of the plan members and the County are established and may be amended through negotiations between the County and the respective bargaining units. The liabilities and annual cost due to the County's contractual agreements to assist with retiree health care cost are calculated in accordance with Government Accounting Standards Board (GASB) Statement No. 45. GASB requires an Annual Required Contribution (ARC) to be developed each year based on the Plan's assets and liabilities. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal cost each year and to amortize any unfunded actuarial liabilities (or funding excess) over 30 years (12 years for Waste Management).

The County's annual OPEB cost for the current year and the related information for each plan are as follows (In thousands, except for contribution rates):

	<u>County</u>	<u>Flood Control</u>	<u>Park District</u>	<u>Waste Management</u>
Contribution rates:				
County	Bargaining Unit Determined \$25-\$256	Bargaining Unit Determined \$25-\$256	Bargaining Unit Determined \$25-\$256	Bargaining Unit Determined \$25-\$256
Plan members	\$403-\$964	\$403-\$964	\$403-\$964	\$403-\$964
Annual required contribution	\$ 2,343	\$ 18	\$ -	\$ 126
Interest on net OPEB obligation	(1,882)	(41)	(21)	-
Adjustment to annual required contribution	1,513	35	16	(110)
Annual OPEB cost	1,974	12	(5)	16
Contributions made	(2,343)	(50)	(9)	(3)
Increase in net OPEB obligation (asset)	(369)	(38)	(14)	13
Net OPEB obligation (asset) beginning of year	(25,575)	(539)	(285)	113
Net OPEB obligation (asset) end of year	<u>\$ (25,944)</u>	<u>\$ (577)</u>	<u>\$ (299)</u>	<u>\$ 126</u>

The County's annual OPEB cost, the percentage of annual OPEB cost contributed to the plan, and the net OPEB obligation for 2014 and the two preceding years for each of the plans were as follows (In thousands):

	<u>Year Ended</u>	<u>Annual OPEB Cost</u>	<u>Percentage of OPEB Cost Contributed</u>	<u>Net OPEB Obligation (Asset)</u>
County	06/30/12	\$ 2,119	181.1 %	\$ (22,836)
	06/30/13	2,272	220.6	(25,575)
	06/30/14	1,974	118.7	(25,944)
Flood Control	06/30/12	16	437.5	(483)
	06/30/13	13	530.8	(539)
	06/30/14	12	416.7	(577)

**COUNTY OF RIVERSIDE**  
**Notes to the Basic Financial Statements (Continued)**  
**June 30, 2014**

**NOTE 22 – POST EMPLOYMENT BENEFITS OTHER THAN PENSIONS (Continued)**

**Funded Status and Funding Progress**

The following is funded status information for each plan as of June 30, 2014, which is the most recent actuarial valuation date (In thousands):

	<u>County</u>	<u>Flood Control</u>	<u>Park District</u>	<u>Waste Management</u>
Actuarial accrued liability (a)	\$ 43,829	\$ 546	\$ 132	\$ 982
Actuarial value of plan assets (b)	26,764	407	259	-
Unfunded actuarial accrued liability (funding excess) (a) - (b)	<u>\$ 17,065</u>	<u>\$ 139</u>	<u>\$ (127)</u>	<u>\$ 982</u>
Funded ratio (b) / (a)	61.1%	74.5%	196.2%	0.0%
Covered payroll (c)	\$ 1,096,375	\$ 15,688	\$ 4,607	\$ 2,495
Unfunded actuarial accrued liability (funding excess) as a percentage of covered payroll ( [(a) - (b)] / (c) )	1.6%	0.9%	-2.8%	39.4%

Actuarial valuations are estimates of the value of reported amounts and assumptions about the probability of events in the future. Amounts determined regarding the funded status of the plan and the Annual Required Contributions (ARC) of the employer are subject to continual revision as actual results are compared to past expectations and new estimates are projected about the future. The required schedule of funding progress, presented as required supplementary information, provides multi-year trend information reflecting whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liability for benefits.

**Actuarial Methods and Assumptions**

Projections of benefits are based on the substantive plan (the plan as understood by the employer and plan members) and include the types of benefits in force at the valuation date and the pattern of sharing benefit costs between the County and the plan members. Actuarial calculations reflect a long-term perspective and employ methods and assumptions that are designed to reduce short-term volatility in actuarial accrued liabilities and the actuarial value of assets. The significant costing methods and projected assumptions were as follows:

	<u>County</u>	<u>Flood Control</u>	<u>Park District</u>	<u>Waste Management</u>
Actuarial valuation date	7/1/2013	7/1/2013	7/1/2013	7/1/2012
Actuarial cost method	Entry age	Entry age	Entry age	Entry age
Amortization method	Level percentage of Payroll, open	Level percentage of Payroll, open	Level percentage of Payroll, open	Level percentage of Payroll, close
Remaining amortization period	30 years	30 years	30 years	10 years
Actuarial assumptions:				
Investment rate of return	7.4%	7.4%	7.4%	4.5%
Projected salary increases	3.0%	3.0%	3.0%	3.0%
Healthcare inflation rate (initial)	5.0%	10.0%	10.0%	10.0%
Healthcare inflation rate (ultimate)	4.0%	5.0%	5.0%	5.0%
Inflation rate	2.8%	2.8%	2.8%	3.0%

**COUNTY OF RIVERSIDE**  
**Notes to the Basic Financial Statements (Continued)**  
**June 30, 2014**

**NOTE 23 – COMMITMENTS AND CONTINGENCIES**

**Lawsuits and Other Claims**

The County has been named as a defendant in various lawsuits and claims arising in the normal course of operations. In the aggregate, these claims seek monetary damages in significant amounts. To the extent the outcome of such litigation has been determined to result in probable financial loss to the County, such loss has been accrued in the accompanying basic financial statements. In the opinion of management, the ultimate outcome of these claims will not materially affect the operations of the County.

*Property Tax Administration Fee*

On July 7, 2010, the Court of Appeal of the State of California issued a decision in favor of the cities and against the County of Los Angeles in a case brought by 47 cities regarding the calculation of Property Tax Administration Fees (PTAF). The legal issue in dispute is whether counties can include “flip” and “swap” revenues in the calculation of administrative costs that counties recover from cities. At the trial court level, the court-appointed Referee had concluded that the County of Los Angeles’ calculation of the PTAF starting in fiscal year 2006-07 comported with Section 97.75 of California’s Revenue and Taxation Code. The Court of Appeal reversed the judgment and remanded for further proceedings, holding that the County of Los Angeles’ method of calculating its fee under Section 97.75 was unlawful. It is expected that the County of Los Angeles will petition the California Supreme Court for review. In the opinion of management, the decision to the case is significant for the County of Riverside because of similar claims against this County. The potential financial impact to the County related to the outcome of this case averages approximately \$7.2 million in tax administration fees for fiscal year 2006-07 through fiscal year 2011-12. The outstanding balance as of June 30, 2014 was \$1.9 million.

*County of Riverside Redevelopment Successor Agency*

It is reasonably possible that the State Department of Finance could invalidate some but not all of the obligations reported on the Successor Agency’s Recognized Obligation Payment Schedule (ROPS). Sec. 34171 (d) (1) of the Health and Safety Code recognizes bonds as enforceable obligations, as defined by Section 33602 and bonds issued pursuant to Section 58383 of the Government Code, including the required debt service. The majority of the total outstanding obligations reported on the ROPS of the Successor Agency to the RDA (92.0%) consist of bond debt service payments. The range of potential loss of revenue is only between \$0 to \$126.6 million spread over the remaining life of the Successor Agency through 2045.

**Federal Grant Revenue**

Compliance examinations for the fiscal year ended June 30, 2013, identified certain items of noncompliance with Federal grants and regulations. The total amount of expenditures that could be disallowed by the granting agencies cannot be determined at this time; however, County management does not expect such amounts, if any, to be material to the basic financial statements. The fiscal year 2013-14 Single Audit of federal awards report is expected to be submitted to the Federal Audit Clearinghouse on or before March 31, 2015.

**Commitments**

At June 30, 2014 the County had various non-cancelable contracts and construction-in-progress with outside contractors. These contracts were financed through either the general fund or capital projects funds. \$121.4 million will be payable upon future performance under the contracts.

**Landfill Construction and Consulting Contracts**

The Waste Management Department entered into various construction and consulting contracts to facilitate its landfill operations and is in the process of installing landfill liners at Lamb Canyon in accordance with State and Federal laws and regulations. Waste Management expects to complete the installation of several landfill liners over the next five years and estimates additional future costs to be \$7.4 million. These additional costs will be capitalized as the costs are incurred.

**COUNTY OF RIVERSIDE**  
**Notes to the Basic Financial Statements (Continued)**

**June 30, 2014**

**NOTE 23 – COMMITMENTS AND CONTINGENCIES (Continued)**

**Remediation Contingencies**

*Governmental Funds*

Release of gasoline and diesel fuel has been reported at seven underground storage tanks. Orders have been issued by the California Regional Water Quality Control Board (CRWQCB) to assess and cleanup these sites by specific dates. It has determined the remediation plan and monitoring action are required. In addition to groundwater contamination, asbestos has been found in six facilities. As of June 30, 2014 the governmental activities reflect a \$2.6 million accrued remediation liability (Note 14). The liability has been calculated using the expected cash flow technique. The liability is subject to change over time. Cost may vary due to price fluctuations, changes in technology, results of environmental studies, changes to statute or regulations and other factors that could result in revisions to these estimates.

*Enterprise Funds*

Waste Management Department has established restricted cash funds to set aside for future remediation costs as they are required to be performed. Investments of \$28.1 million are held for these purposes at June 30, 2014 and are classified as accrued remediation in the statements of net position.

The Department is aware of air/gas contamination at 17 landfills, 11 of which are closed, and required to have corrective action plans. Based on engineering studies, Waste Management estimates the present value of the total costs of corrective action for foreseeable contaminate releases at \$35.1 million. At June 30, 2014, the Department has accrued \$28.1 million for the estimated costs required by CalRecycle and the Regional Water Quality Control Board (RWQCB), related to the outstanding remediation projects as needed at these landfills.

**Encumbrances**

The County uses “encumbrances” to control expenditure commitments for the year. Encumbrances represent commitments related to executor contracts not yet performed and purchases orders not yet filled. Commitments for such expenditure of monies are encumbered to reserve applicable appropriations. Depending on the sources(s) of funding, encumbrances are reported as part of restricted or assigned fund balance on the governmental funds balance sheet. As of June 30, 2014, the encumbrance balances for the governmental funds are reported as follows (In thousands):

	<u>Restricted</u>	<u>Assigned</u>	<u>Total</u>
<b>Major Governmental Funds</b>			
General Fund:			
California children services	\$ -	\$ 343	\$ 343

<b>Total Encumbrances</b>	<u>\$ 748</u>	<u>\$ 8,324</u>	<u>\$ 9,072</u>

**COUNTY OF RIVERSIDE**  
**Notes to the Basic Financial Statements (Continued)**  
**June 30, 2014**

**NOTE 24 – SUBSEQUENT EVENTS**

**Tax and Revenue Anticipation Notes (TRANs) and CalPERS Pre-payment Note**

On July 1, 2014, the County issued \$250.0 million in Tax and Revenue Anticipation Notes in the form of a 2015 Maturity bond due June 30, 2015. The stated interest rate for the bond is set at 1.5% per annum with a yield of 0.12%. Portions of the note proceeds were used to prepay CalPERS contributions for fiscal year 2014-15 in the amount of \$86.6 million. Between the prepayment discount of 3.6%, and earnings on cash flow the County expects to net \$3.2 million in cost savings. In accordance with California law, the TRANs bonds are general obligations of the County and are payable only out of the taxes, income, revenues, cash receipts, and other monies of the County attributable to fiscal year 2015 and legally available for payment thereof. Proceeds for the bonds will be used for fiscal year 2015 general fund expenditures, including current expenditures, capital expenditures, and the discharge of other obligations or indebtedness of the County.

**Riverside County Bonds and Certificates of Participation**

On September 2014, Fitch, one of the three major credit ratings, has assigned the County's bonds and certificates of participation ratings as follows:

- Riverside County implied general obligation (GO) bond rating at 'AA-',
- Riverside County pension obligation bonds (POB-series 2005A) at 'A+'.
- Riverside County certificates of participation (COPs- series 2003, 2005A, 2005B, 2007A, 2007B, 2009) at 'A+'.
- Riverside County Asset Leasing Corporation certification of participation (CORAL- COPS/series 2006A and lease revenue bonds (LRBs), series 1997A, 1997B, 1997C, 2013A) at 'A+'.
- Riverside County Palm Desert Financing Authority lease revenue bonds (LRBs) (series 2003A) at 'A+'.
- Riverside County Public Financing Authority (LRBs) (series 2012) at 'A+'.
- Southwest Communities Financing Authority lease revenue bonds (LRBs) (series 2008A) at 'A+'.

Fitch's reasoning is summarized in the following paragraphs:

The County's base suffered significantly during the recession, with budgeted fiscal year 2014 discretionary revenues representing the first year of growth since fiscal year 2008. The challenged revenue environment led to multiple years of significant deficits, which management resolved by instituting a multiyear expenditure reduction plan that achieved structural balance in fiscal year 2013. Audited fiscal year 2013 general fund operations produced a \$20.7 million net surplus (a modest 1% of spending), raising the total and unrestricted general fund balances to sound levels of \$357.2 million (15% of spending and transfers out) and \$252.6 million (10.6%) respectively.

Fiscal year 2014 operations were structurally balanced, and stronger than budgeted revenues helped to add nearly \$20.0 million to the County's budget stabilization reserve. The structural balance results from years of cost-cutting, including hiring freezes, furlough days, early retirements, attrition and layoffs. The fiscal year 2014 performance also reflects an improved revenue environment, with fiscal year 2014 assessed value (AV) up 4.0% year over year and sales tax revenues estimated to climb 8.0%. The recently adopted fiscal year 2015 budget is also balanced and benefits from a further 7.8% increase in AV.

The County's housing market was one of the worst affected in the nation, with average home values falling over 50.0% and AV contracting 15.7% in fiscal years 2009–2013. The housing market has improved significantly in recent months, with a 16.0% year-over-year gain as of August 2014. Home values remain 30.0% below their prerecession peak but have increased by 48.0% since February 2012. Home price gains have contributed to solid AV growth of 4.0% in fiscal year 2014 and 7.8% for fiscal year 2015.

Regional Medical Center has experienced several consecutive years of structural imbalance that have resulted in operating deficits, reduced reserves and internal borrowing from the County. The hospital reported a \$27.1 million deficit for fiscal year 2013 and projected a two-year total of \$83.2 million earlier this year, although it now estimates the two-year figure at a much reduced level of \$40.0 million. Unrestricted net position have declined accordingly, falling to negative \$32.6 million in fiscal year 2013 on a budget of approximately \$450.0 million.

**COUNTY OF RIVERSIDE**  
**Notes to the Basic Financial Statements (Continued)**

**June 30, 2014**

**NOTE 24 – SUBSEQUENT EVENTS (Continued)**

**Riverside County Bonds and Certificates of Participation (Continued)**

Regional Medical Center's operating deficits are supported by internal borrowing from the County. In addition, the hospital enterprise has received a \$26.0 million loan from the County's waste management enterprise to pay consultant fees. The combined estimated borrowings are equivalent to 26.0% of the fiscal year 2013 unrestricted general fund balance, or 2.8% of general fund spending. The County does not anticipate drawing on the general fund for Regional Medical Center. However, the general fund serves as the ultimate financial backstop if Regional Medical Center were unable to ultimately repay the outstanding loan balances. This concern is mitigated by the flexible nature of the internal borrowings and the County's extremely large \$1.8 billion pool of additional borrowable resources, if needed.

The County has instituted a hospital turnaround plan with the assistance of Huron Consulting Services, which has a positive record of improving operations in other hospitals. Tangible operational improvements implemented to date include replacing key members of hospital management with experienced turnaround experts and assorted new initiatives anticipated to provide \$64.0 million of ongoing savings, equivalent to 14.0% of annual spending.

**Teeter Obligation Notes, Series D and E**

On October 15, 2014, the County issued \$99.4 million in 2014 Teeter Obligation Notes, series D (Tax-Exempt) and \$815.0 thousand in 2014 Teeter Obligation Notes, Series E (Taxable) to refund a portion of the outstanding 2013 Teeter Obligation Notes, series D, and the outstanding 2013 Teeter Obligation Notes, Series E, and fund an advance of unpaid property taxes for agencies participating in the County's Teeter plan, and to pay the cost of issuance related to the Notes. The 2014 Notes bear an interest rate of 1.5% for 2014 Teeter Obligation Note, series D and an interest rate of .4% for 2014 Teeter Obligation Note, Series E and a maturity date of October 14, 2015 when the existing Letter of Credit will expire.

**The Effects of the Economy on CalPERS**

Based on past performance of the CalPERS fund, CalPERS has estimated the County's miscellaneous and safety contribution rates for fiscal year 2014-15 will be 14.5% and 21.9%, respectively. Fiscal year 2015-16 contribution rates for miscellaneous and safety are estimated at 15.5% and 23.3%, respectively. They will be accounted for in fiscal year 2013-14 and future budget years.

**CORAL**

In October 2014, CORAL paid off the 1985 Certificates bonds early which had an outstanding balance of \$28.0 million as of June 30, 2014.

**Housing Authority**

The Housing Authority expects to fully engage its mission of providing transitional rental subsidies through its non-profit arm, the Riverside Housing Corporation (RCHC), which received a grant of \$135.0 thousand from the California Endowment. The focus of this endeavor will be to serve residents of the eastern Coachella Valley who need affordable, safe, decent, and sanitary housing opportunities, and supportive programs that foster economic opportunities. Another grant for \$50.0 thousand is expected to be received from the Coachella Valley Air Quality Enhancement (CVAQ) Project, which would support RCHC's housing objective.

Further, through the RCHC, funds for the Emergency Solutions Grant (ESG) will be directed towards the expansion of eligible activities for emergency shelter and homelessness prevention activities, which include short-term and medium-term rental assistance and services to stabilize and rapidly re-house individuals and households who are homeless or at risk of becoming homeless. ESG funds are provided by the Department of Housing and Urban Development through the Riverside County's Economic Development Agency and the City of Riverside.

**Inland Empire Tobacco Securitization Authority**

On August 8, 2014, Fitch Ratings lowered the ratings on the Inland Empire Tobacco Securitization Corporation Series 2007 Bonds from a prior rating of B to a new rating B- as a result of Fitch's annual review.

# **COUNTY OF RIVERSIDE**

## **SPECIAL REVENUE FUNDS**

These funds were established for the purpose of accounting for the proceeds of specific revenue sources (other than major capital projects) that are legally restricted in expenditures for the specified purposes.

### **COMMUNITY SERVICES**

This fund provides financing for public services. Public services provided by this fund group are: Housing and Urban Development (HUD) Community Services Grant, EDA Administration, Community Action Partnership, Job Training Partnership, Office on Aging, USEDPA (United States Economic Development Administration) Grant, County Free Library, Structural Fire Protection, Homeless Housing Relief, Home Program, EDA U.S. Department of Agriculture Rural Development, Workforce Development, Healthy Kids, and Bio-terrorism Preparedness. The primary source of revenue for this fund is from State/Federal Grants.

### **COUNTY SERVICE AREAS**

This county service area fund was established to provide authorized services such as road, park, lighting maintenance, fire protection, or water to specified areas in the County. They are financed by ad valorem property taxes in the area benefited, or by special assessments levied on specific properties.

### **REGIONAL PARK AND OPEN-SPACE**

The Regional Park and Open-Space District is a special district established to provide legal authority and expanded opportunity for open space acquisition and management and transferred regional park responsibility from the County to the Regional Park and Open-Space District.

### **AIR QUALITY IMPROVEMENT**

This fund accounts for Riverside County's portion of State of California motor vehicle fees restricted for the use of reducing air pollution.

### **IN-HOME SUPPORT SERVICES (IHSS)**

The goal of the IHSS program is to enable elderly and/or disabled persons to remain safely in independent living as long as possible. This in-home assistance is designed to allow persons to remain in their home rather than be placed in an institutional setting. IHSS receives revenue for the following services: meal preparation and clean-up, food shopping, bathing, dressing, personal care, domestic services (cleaning), and assistance with medications.

### **PERRIS VALLEY CEMETERY DISTRICT**

The Perris Valley Cemetery District is a public cemetery district operating under the provisions of the Health and Safety Code of the State of California. The Perris Valley Cemetery District was created in July 1927 for the purpose operating a public cemetery for the residents of the Perris Valley.

### **OTHER SPECIAL REVENUE**

This fund provides financing to make services available to the public and governmental agencies. At the current time, the other special revenue fund accounts for the following services: Rideshare, AD CFD Administration, Aviation, Ladera Irrigation, National Date Festival, Cal-ID, Special Aviation, Supervisorial Road Districts, Multi-Species Habitat Conservation Agency, Riverside U.S. Grazing Fees, Mitigation Project Operations, Airport Land Use Commission, Proposition 10, and DNA Identification.

# **COUNTY OF RIVERSIDE**

## **DEBT SERVICE FUNDS**

These funds are used to account for the accumulation of resources and payment of long-term debt principal and interest.

### **COUNTY OF RIVERSIDE ASSET LEASING CORPORATION (CORAL)**

CORAL is a non-profit public benefit corporation established to assist the County of Riverside by acquiring equipment and facilities financed from the proceeds of borrowing and leasing such equipment and facilities to the County.

### **COUNTY OF RIVERSIDE DISTRICT COURT FINANCING CORPORATION (DISTRICT COURT FINANCING CORPORATION)**

The District Court Financing Corporation is a non-profit public benefit corporation established to assist the County of Riverside in the acquisition, construction, and development of a United States District Courthouse, financed from the proceeds of the sale of certificates.

### **COUNTY OF RIVERSIDE BANKRUPTCY COURT CORPORATION (BANKRUPTCY COURT)**

The Bankruptcy Court is a non-profit public benefit corporation established to assist the County of Riverside in the acquisition, construction, and development of a United States Bankruptcy Court financed from the proceeds of the sale of certificates.

### **TAXABLE PENSION OBLIGATION BONDS (PENSION OBLIGATION)**

This fund is used to account for Series 2005 bonds that were issued to satisfy a portion of Riverside County's unfunded accrued actuarial liability for the California Public Employees' Retirement System (CalPERS).

### **INLAND EMPIRE TOBACCO SECURITIZATION AUTHORITY**

The Inland Empire Tobacco Securitization Authority was established to assist the County of Riverside in the construction of certain capital projects, financed from the proceeds of the tobacco settlement revenues.

### **PUBLIC FINANCING AUTHORITY**

The Public Financing Authority was formed for the purpose of assisting in financing public improvements of the County, the Riverside County Redevelopment Successor Agency and other local agencies.

# **COUNTY OF RIVERSIDE**

## **CAPITAL PROJECTS FUNDS**

These funds are used to account for financial resources to be used for the acquisition or construction of major capital facilities other than those financed by Proprietary Fund Types.

### **PUBLIC SAFETY ENTERPRISE COMMUNICATION (PSEC)**

The Public Safety Enterprise Communication fund is a multi-agency undertaking to address the County of Riverside 800 MHz public safety radio coverage and operational problems. The multi-year project will result in either a massive upgrade or a complete replacement of the existing radio system.

### **COUNTY OF RIVERSIDE ASSET LEASING CORPORATION (CORAL)**

CORAL is a non-profit public benefit corporation established to assist the County of Riverside by acquiring equipment and facilities financed from the proceeds of borrowing and leasing such equipment and facilities to the County.

### **FLOOD CONTROL**

This fund is used to finance the construction of flood control channels and projects. Revenues are obtained from property taxes, special assessments, and proceeds of tax allocation bonds.

### **REGIONAL PARK AND OPEN-SPACE**

The Regional Park and Open-Space District is a special district established to provide legal authority and expanded opportunity for open space acquisition and management. The Regional Park and Open-Space District's creation allowed for the transfer of regional park responsibility from the County to the District.

### **COUNTY OF RIVERSIDE ENTERPRISE SOLUTIONS FOR PROPERTY TAXATION (CREST)**

The Assessor, Auditor-Controller, and Tax Collector teamed up to collectively develop a new integrated property tax management system. The project begins with a business process re-engineering phase that documents the integrated roles of the three departments. This phase identifies the current system's capabilities, strengths, and weaknesses. A second phase of the project builds on this re-engineering initiative to implement a replacement property tax system based on new technology.

## PERMANENT FUND

### PERRIS VALLEY CEMETERY ENDOWMENT FUND

This fund is used to account for financial resources to be used for future maintenance of the Perris Valley Cemetery. The resources are derived from an endowment care fee assessed on each sale of a burial right and earnings on these resources. Only income earned on these resources may be used for services, supplies or capital asset acquisition. The principal must be preserved intact.

# **COUNTY OF RIVERSIDE**

## **NONMAJOR ENTERPRISE FUNDS**

These funds are used to account for operations providing goods or services to the general public. The accounting for these funds is similar to private enterprise accounting (accrual). The intent of the County's governing board is that all costs associated with providing these goods or services be financed or recovered primarily through user charges.

### **COUNTY SERVICE AREAS**

These three funds were established to account for revenues, expenses, and the allocation of net income for County Service Areas 62 (sewer), 62 (water), and 122.

### **FLOOD CONTROL**

These three funds were established to account for transactions resulting from topographical map sales, subdivision operations, and issuance of encroachment permits.

# **COUNTY OF RIVERSIDE**

## **INTERNAL SERVICE FUNDS**

These funds were established to account for the goods and services provided by a County department to other County departments, or to other internal governments, on a cost-reimbursement basis.

### **RECORDS MANAGEMENT AND ARCHIVES**

This fund was established to account for the operations of the Records Management and Archives Program, which is responsible for providing consistent standards and support services that promote responsible record keeping countywide. Sources of revenue include records storage, reformatting, preservation, and consulting services.

### **FLEET SERVICES**

This fund finances the operation and maintenance of County vehicles, including the Sheriff's Department. Revenue is obtained on a cost-reimbursement basis.

### **INFORMATION SERVICES**

These funds are supported by the revenues generated for services including software systems support, computer networks, data structure design, and organization of the County's computer systems.

### **PRINTING SERVICES**

These funds account for the financing of printing and central mail services provided to County departments on a cost-reimbursement basis. This fund also provides services such as the paper reclamation program, which collects and sells County department waste paper for recycling.

### **SUPPLY SERVICES**

This fund finances the operation that provides County departments with merchandise and services on a cost-reimbursement basis.

### **OASIS PROJECT**

These funds were established to support the implementation, operation, and maintenance of the County's central administrative and financial information system. Revenue is obtained on a cost-reimbursement basis.

### **RISK MANAGEMENT**

These funds account for the financing of employee insurance benefits and County self-insurance programs. These funds include medical, dental, disability, and unemployment insurance as well as general liability, medical malpractice, and worker's compensation.

### **TEMPORARY ASSISTANCE POOL (TAP)**

The purpose of this fund is to provide a ready source of temporary workers to County departments, with lower overhead costs than are typically charged by outside temporary employment agencies.

### **ECONOMIC DEVELOPMENT AGENCY (Facilities Management)**

The purpose of this fund was to account for custodial, maintenance, and real estate services provided to other County departments on a cost-reimbursement basis.

### **FLOOD CONTROL EQUIPMENT**

These funds were established to account for the financing of flood control equipment provided to other departments on a cost-reimbursement basis.

# **COUNTY OF RIVERSIDE**

## **FIDUCIARY FUNDS**

These funds were established for the purpose of accounting for assets held in trustee or agency capacity for others and therefore cannot be used to support the government's own programs and are excluded from the government-wide financial statements.

### **OTHER**

This fund was established to account for a wide array of fiduciary responsibilities. Some of these responsibilities include tax payments clearing, asset forfeiture, State Controller clearing, child support collections, undistributed bond proceeds, and family support clearing.

### **PAYROLL DEDUCTIONS**

The purpose of this fund is to collect deductions from employee wages. The deductions are owed to a variety of third parties for health insurance, union dues, unemployment insurance, withholding tax, flexible spending accounts, and dental insurance.

### **PROPERTY TAX ASSESSMENTS**

The Property Tax Assessment Agency Fund was set up to help Riverside County account for apportioned taxes clearing, delinquent mobile home fees, property tax refunds, special assessments, and Teeter Plan collections.

### **WARRANTS**

This fund was established as a clearing fund for various categories of warrants issued by Riverside County.

## Statistical Section

This section of the Riverside County Comprehensive Annual Financial Report presents additional detail, historical perspective, and context to assist annual financial report users in understanding the financial statements, note disclosures, required supplementary information, and assessing the County's financial condition.

### Contents

### Table(s)

#### **Financial Trends Information**

**T1 – T5**

These tables contain trend information to assist readers in understanding and assessing how the County's financial position has changed over time.

- Net Position by Component
- Changes in Net Position
- Governmental Activities Tax Revenues by Source
- Fund Balances of Governmental Funds
- Changes in Fund Balances of Governmental Funds

#### **Revenue Capacity Information**

**T6 – T10**

These tables contain information to assist readers in understanding and assessing the factors affecting the County's local revenue sources, property tax, sales tax, and other taxes.

- General Government Tax Revenues by Source
- Assessed Value and Estimated Actual Value of Taxable Property
- Property Tax Rates, Direct and Overlapping Governments
- Principal Property Tax Payers
- Property Tax Levies and Collections

#### **Debt Capacity Information**

**T11 – T15**

These tables contain information to assist readers in understanding and assessing the County's current level of outstanding debt, and the County's ability to issue additional debt.

- Ratios of Outstanding Debt by Type
- Ratios of General Bonded Debt Outstanding
- Direct and Overlapping Governmental Activities Debt
- Legal Debt Margin Information
- Pledged-Revenue Coverage

#### **Economic and Demographic Information**

**T16 – T17**

These tables provide economic and demographic information to assist readers in understanding the socioeconomic environment within which the County operates, and to facilitate the comparisons of financial information over time.

- Demographic and Economic Statistics
- Principal Employers

#### **Operating Information**

**T18 – T20**

These tables provide contextual information about the County's operations and resources to assist readers in understanding and assessing the County's financial condition as it relates to the services that the County provides.

- Full-time Equivalent County Government Employees by Function/Program
- Operating Indicators by Function
- Capital Asset Statistics by Function

Source: Unless otherwise noted, the information in these tables is derived from Riverside County's Comprehensive Annual Financial Reports for the relevant years. The County implemented GASB Statement No. 34 in fiscal year 2001-02. Statistical Tables present information for the last eight years beginning with the first year after GASB Statement No. 34 implementation.

Note: In fiscal year 2010-11 the County implemented GASB Statement No. 54 under which governmental fund balances are reported as nonspendable, restricted, committed, assigned, and unassigned. Fiscal year 2009-10 fund balances have been recharacterized to comply with GASB Statement No. 54 in order to facilitate year-to-year comparisons. In fiscal year 2011-12 Redevelopment Capital Projects are reported under the Successor Agency.

In fiscal year 2012-13 Transportation became a major fund, therefore only fiscal year 2011-12 and 2012-13 are presented for comparison purposes.

Note: Total direct tax rate encompasses general levy, special assessments, and fixed charges.

Overlapping governments in the context of the statistical section, all local governments located wholly or in part within the geographic boundaries of the reporting government.

Overlapping rate in the context of the statistical section, an amount or percentage applied to a unit of a specific revenue base by governments that overlap geographically, at least in part, with the government preparing the statistical section information.

**COUNTY OF RIVERSIDE**  
**Direct and Overlapping Governmental Activities Debt**  
**as of June 30, 2014**  
**(Dollars in Thousands)**

<u>Governmental Unit</u>	<u>Debt Outstanding</u>	<u>Estimated Applicable Percentage</u>	<u>Estimated Share of Overlapping Debt</u>
Debt repaid with property taxes: County	\$ 10,952,503	89.53%	<u>\$ 9,805,737</u>
Subtotal, overlapping debt			9,805,737
County of Riverside direct debt			<u>1,146,766</u>
Total direct and overlapping debt			<u><u>\$ 10,952,503</u></u>

Note: Overlapping governments are those that coincide, at least in part, with the geographic boundaries of the County. This schedule estimates the portion of the outstanding debt of those overlapping governments that is borne by the residents and businesses of the County of Riverside. This process recognizes that, when considering the government's ability to issue and repay long-term debt, the entire debt burden borne by the residents and businesses should be taken into account. However, this does not imply that every taxpayer is a resident, and therefore responsible for repaying the debt, of each overlapping government.
