28 cause to be completely removed, all portions of LIFT STATION that are located within

1 DISTRICT'S easements or right of way.

2 13. Prior to DISTRICT acceptance of ownership and responsibility for the
3 operation and maintenance of DISTRICT DRAINAGE FACILITIES, provide DISTRICT with
4 appropriate engineering documentation necessary to establish that the removal of INTERIM
5 SPILLWAY and LIFT STATION was completed in accordance with CITY and DISTRICT
6 approved plans.
7

8 14. Upon completion of INTERIM SPILLWAY and LIFT STATION removal
9 but prior to DISTRICT acceptance of ownership and responsibility for the operation and
10 maintenance of DISTRICT DRAINAGE FACILITIES, provide or cause its civil engineer of
11 record or construction civil engineer of record, duly registered in the State of California, to
12 provide DISTRICT with redlined "Record Drawings" of the revised DISTRICT DRAINAGE
13 FACILITIES plans. After DISTRICT approval of the redlined "Record Drawings", CITY'S
14 engineer shall schedule with DISTRICT a time to transfer the redlined changes onto
15 DISTRICT'S original mylars at DISTRICT'S office, after which the engineer shall review,
16 stamp and sign the revised DISTRICT DRAINAGE FACILITIES plans "Record Drawings".
17
18

19 SECTION III

20 DISTRICT shall:

21 1. Review and approve, as appropriate, PROJECT IMPROVEMENT PLANS
22 prior to the start of PROJECT construction.

23 2. Provide CITY an opportunity to review and approve plans and
24 specifications for DISTRICT DRAINAGE FACILITIES prior to DISTRICT'S final approval.

25 3. Upon execution of this Agreement, record or cause to be recorded, a copy
26 of this Agreement in the Official Records of the Riverside County Recorder.
27

28 4. Record, or cause to be recorded, the Irrevocable Offer(s) of Dedication

1 provided by DEVELOPER pursuant to Section I.9. herein.

2 5. Inspect construction of DISTRICT DRAINAGE FACILITIES.

3 6. Keep an accurate accounting of all DISTRICT costs associated with the
4 review and approval of IMPROVEMENT PLANS, the review and approval of right of way and
5 conveyance documents, and the processing and administration of this Agreement.
6

7 7. Keep an accurate accounting of all DISTRICT construction inspection
8 costs, and within forty-five (45) days after DISTRICT acceptance of DISTRICT DRAINAGE
9 FACILITIES as being complete, submit a final cost statement to DEVELOPER. If the deposit,
10 as set forth in Section I.3., exceeds such costs, DISTRICT shall reimburse DEVELOPER the
11 excess amount within sixty (60) days after DISTRICT acceptance of DISTRICT DRAINAGE
12 FACILITIES as being complete. If at any time the costs exceed the deposit or are anticipated
13 by DISTRICT to exceed the deposit, DEVELOPER shall pay such additional amount(s), as
14 deemed reasonably necessary by DISTRICT to complete inspection of DISTRICT DRAINAGE
15 FACILITIES, within thirty (30) days after receipt of billing from DISTRICT.
16

17 8. Provide CITY with a reproducible duplicate copy of "Record Drawings" of
18 DISTRICT DRAINAGE FACILITIES plans upon (i) DISTRICT acceptance of PROJECT
19 construction as being complete, and (ii) DISTRICT receipt of stamped and signed "Record
20 Drawings" of DISTRICT DRAINAGE FACILITIES plans as set forth in Section I.22.
21

22 9. Accept ownership and sole responsibility for the operation and maintenance
23 of DISTRICT DRAINAGE FACILITIES from CITY upon (i) recordation of all conveyance
24 documents described in Section I.23, (ii) DISTRICT acceptance of DISTRICT DRAINAGE
25 FACILITIES construction as being complete, (iii) DISTRICT receipt of all necessary rights of
26 way as described in Section II.11, (iv) DISTRICT receipt of all appropriate engineering
27 documentation as described in Section II.13, (v) DISTRICT receipt of stamped and signed
28

1 "Record Drawings" of the revised DISTRICT DRAINAGE FACILITIES plans as described in
2 Section II.14, (vi) DISTRICT acceptance of ULTIMATE LINE E construction as being
3 complete, (vii) DISTRICT acceptance of ULTIMATE LINE E for ownership, operation and
4 maintenance, (viii) LINE E-STAGE 2 drains into DISTRICT'S existing Perris Valley Channel
5 via ULTIMATE LINE E, (ix) DISTRICT DRAINAGE FACILITIES are fully functioning as a
6 flood control drainage system as solely determined by DISTRICT, and (x) DISTRICT'S sole
7 determination that DISTRICT DRAINAGE FACILITIES are in a satisfactorily maintained
8 condition.
9

10 SECTION IV

11 It is further mutually agreed:

12
13 1. Prior to CITY'S acceptance of ownership and responsibility for the
14 operation and maintenance of DISTRICT DRAINAGE FACILITIES from DEVELOPER,
15 DISTRICT DRAINAGE FACILITIES shall be in a satisfactorily maintained condition as solely
16 determined by DISTRICT. If, in the sole discretion of DISTRICT, DISTRICT DRAINAGE
17 FACILITIES are not in acceptable condition, corrections shall be at DEVELOPER'S sole
18 expense. Following CITY'S acceptance of DISTRICT DRAINAGE FACILITIES for
19 ownership, operation and maintenance and prior to DISTRICT'S acceptance of ownership and
20 responsibility for the operation and maintenance of DISTRICT DRAINAGE FACILITIES,
21 DISTRICT DRAINAGE FACILITIES shall be in a satisfactorily maintained condition as solely
22 determined by DISTRICT. If, in the sole discretion of DISTRICT, DISTRICT DRAINAGE
23 FACILITIES are not in acceptable condition, corrections shall be made at CITY'S sole expense.
24
25

26 2. All construction work involved with PROJECT shall be inspected by CITY
27 but shall not be deemed complete until DISTRICT and CITY mutually agree in writing that
28

1 construction is completed in accordance with DISTRICT and CITY approved IMPROVEMENT
2 PLANS.

3 3. CITY and DEVELOPER personnel may observe and inspect all work being
4 done on DISTRICT DRAINAGE FACILITIES, but shall provide any comments to DISTRICT
5 personnel who shall be solely responsible for all quality control communications with
6 DEVELOPER'S contractor(s) during the construction of PROJECT.

7 4. DEVELOPER shall complete construction of PROJECT within twelve (12)
8 consecutive months after execution of this Agreement and within one hundred twenty (120)
9 consecutive calendar days after commencing work on PROJECT. It is expressly understood
10 that since time is of the essence in this Agreement, failure of DEVELOPER to perform the work
11 within the agreed upon time shall constitute authority for DISTRICT to perform the remaining
12 work and require DEVELOPER'S surety to pay to CITY the penal sum of any and all bonds. In
13 which case, CITY shall subsequently reimburse DISTRICT for DISTRICT costs incurred.

14 5. If DEVELOPER fails to commence construction of PROJECT within eight
15 (8) months after execution of this Agreement, then DISTRICT reserves the right to withhold
16 issuance of the Notice to Proceed pending a review of the existing site conditions as they exist at
17 the time DEVELOPER provides written notification to DISTRICT of the start of construction as
18 set forth in Section I.8. In the event of a change in the existing site conditions that materially
19 affects PROJECT function or DISTRICT'S ability to operate and maintain DISTRICT
20 DRAINAGE FACILITIES, DISTRICT may require DEVELOPER to modify IMPROVEMENT
21 PLANS as deemed necessary by DISTRICT. In the event of a change in the existing site
22 conditions that materially affects PROJECT function or CITY'S ability to operate and maintain
23 CITY FACILITIES, CITY may require DEVELOPER to modify IMPROVEMENTS as deemed
24 necessary by CITY.

1 6. DISTRICT shall endeavor to issue DEVELOPER a Notice to Proceed
2 within twenty (20) days of receipt of DEVELOPER'S complete written notice, as set forth in
3 Section I.8.; however, DISTRICT'S construction inspection staff is limited and, therefore, the
4 issuance of a Notice to Proceed is subject to staff availability.
5

6 In the event DEVELOPER wishes to expedite issuance of a Notice to
7 Proceed, DEVELOPER may elect to furnish an independent qualified construction inspector at
8 DEVELOPER'S sole cost and expense. DEVELOPER shall furnish appropriate documentation
9 of the individual's credentials and experience to DISTRICT for review and, if appropriate,
10 approval. DISTRICT shall review the individual's qualifications and experience and, upon
11 approval thereof, said individual, hereinafter called "DEPUTY INSPECTOR", shall be
12 authorized to act on DISTRICT'S behalf on all DISTRICT DRAINAGE FACILITIES
13 construction and quality control matters. If DEVELOPER'S initial construction inspection
14 deposit furnished pursuant to Section I.3. exceeds ten thousand dollars (\$10,000), DISTRICT
15 shall refund to DEVELOPER up to eighty percent (80%) of DEVELOPER'S initial inspection
16 deposit within forty-five (45) days of DISTRICT'S approval of DEPUTY INSPECTOR;
17 however, a minimum balance of ten thousand dollars (\$10,000) shall be retained on account.
18

19 7. PROJECT construction work shall be on a five (5) day, forty (40) hour
20 work week with no work on Saturdays, Sundays or DISTRICT designated legal holidays, unless
21 otherwise approved in writing by DISTRICT. If DEVELOPER feels it is necessary to work
22 more than the normal forty (40) hour work week or on holidays, DEVELOPER shall make a
23 written request for permission from DISTRICT to work the additional hours. The request shall
24 be submitted to DISTRICT at least seventy-two (72) hours prior to the requested additional
25 work hours and shall state the reasons for the overtime and the specific time frames required.
26 The decision of granting permission for overtime work shall be made by DISTRICT at its sole
27
28

1 discretion and shall be final. If permission is granted by DISTRICT, DEVELOPER will be
2 charged the cost incurred at the overtime rates for additional inspection time required in
3 connection with the overtime work in accordance with Ordinance Nos. 671 and 749, including
4 any amendments thereto, of the County of Riverside.

5
6 8. DEVELOPER for itself, its successors and assigns hereby releases
7 DISTRICT and County of Riverside (including their agencies, districts, special districts and
8 departments, their respective directors, officer, Board of Supervisors, elected and appointed
9 officials, employees, agents and representatives) from any and all claims, demands, actions, or
10 suits of any kind arising out of any liability, known or unknown, present or future, including but
11 not limited to any claim or liability, based or asserted, pursuant to Article I, Section 19 of the
12 California Constitution, the Fifth Amendment of the United States Constitution, or any other
13 law or ordinance which seeks to impose any other liability or damage, whatsoever, for damage
14 caused by the discharge of drainage within or from PROJECT. Nothing contained herein shall
15 constitute a release by DEVELOPER of DISTRICT, its officers, agents and employees from any
16 and all claims, demands, actions or suits of any kind arising out of any liability, known or
17 unknown, present or future, for the negligent maintenance of DISTRICT DRAINAGE
18 FACILITIES, after the acceptance of ownership, operation and maintenance of DISTRICT
19 DRAINAGE FACILITIES by DISTRICT.
20
21

22 9. DEVELOPER shall indemnify and hold harmless DISTRICT, County of
23 Riverside, and CITY (including their respective agencies, districts, special districts and
24 departments, their respective directors, officers, Board of Supervisors, elected and appointed
25 officials, employees, agents and representatives) from any liability, claim, damage, proceeding
26 or action, present or future, based upon, arising out of or in any way relating to DEVELOPER'S
27 (including its officers, employees, subcontractors and agents) actual or alleged acts or omissions
28

1 related to this Agreement, performance under this Agreement, or failure to comply with the
2 requirements of this Agreement, including but not limited to: (a) property damage; (b) bodily
3 injury or death; (c) liability or damage pursuant to Article I, Section 19 of the California
4 Constitution, the Fifth Amendment of the United States Constitution or any other law, ordinance
5 or regulation caused by the diversion of waters from the natural drainage patterns or the
6 discharge of drainage within or from PROJECT; or, (d) any other element of any kind or nature
7 whatsoever.
8

9 DEVELOPER shall defend, at its sole expense, including all costs and fees
10 (including but not limited to attorney fees, cost of investigation, defense and settlements or
11 awards), DISTRICT, County of Riverside, and CITY (including their respective agencies,
12 districts, special districts and departments, their respective directors, officers, Board of
13 Supervisors, elected and appointed officials, employees, agents and representatives) in any
14 claim, proceeding or action for which indemnification is required.
15

16 With respect to any of DEVELOPER'S indemnification requirements,
17 DEVELOPER shall, at its sole cost, have the right to use counsel of their own choice and shall
18 have the right to adjust, settle, or compromise any such claim, proceeding or action without the
19 prior consent of DISTRICT, County of Riverside and CITY; provided, however, that any such
20 adjustment, settlement or compromise in no manner whatsoever limits or circumscribes
21 DEVELOPER'S indemnification obligations to DISTRICT, County of Riverside, or CITY.
22

23 DEVELOPER'S indemnification obligations shall be satisfied when
24 DEVELOPER has provided to DISTRICT, County of Riverside, and CITY the appropriate form
25 of dismissal (or similar document) relieving DISTRICT, County of Riverside, or CITY from
26 any liability for the claim, proceeding or action involved.
27
28

1 The specified insurance limits required in this Agreement shall in no way
 2 limit or circumscribe DEVELOPER'S obligations to indemnify and hold harmless DISTRICT,
 3 County of Riverside and CITY from third party claims.

4 In the event there is conflict between this section and California Civil Code
 5 Section 2782, this section shall be interpreted to comply with California Civil Code Section
 6 2782. Such interpretation shall not relieve DEVELOPER from indemnifying DISTRICT,
 7 County of Riverside or CITY to the fullest extent allowed by law.

9 10. Any waiver by DISTRICT or by CITY of any breach of any one or more of
 10 the terms of this Agreement shall not be construed to be a waiver of any subsequent or other
 11 breach of the same or of any other term hereof. Failure on the part of DISTRICT or CITY to
 12 require exact, full and complete compliance with any terms of this Agreement shall not be
 13 construed as in any manner changing the terms hereof, or estopping DISTRICT or CITY from
 14 enforcement hereof.

16 11. Any and all notices sent or required to be sent to the parties of this
 17 Agreement will be mailed by first class mail, postage prepaid, to the following addresses:

 26 of California. If any provision of this Agreement is held by a court of competent jurisdiction to
 27 be invalid, void or unenforceable, the remaining provisions will nevertheless continue in full
 28 force without being impaired or invalidated in any way.

1 13. Any action at law or in equity brought by any of the parties hereto for the
2 purpose of enforcing a right or rights provided for by the Agreement, shall be tried in a court of
3 competent jurisdiction in the County of Riverside, State of California, and the parties hereto
4 waive all provisions of law providing for a change of venue in such proceedings to any other
5 county.
6

7 14. This Agreement is the result of negotiations between the parties hereto, and
8 the advice and assistance of their respective counsel. The fact that this Agreement was prepared
9 as a matter of convenience by DISTRICT shall have no import or significance. Any uncertainty
10 or ambiguity in this Agreement shall not be construed against DISTRICT because DISTRICT
11 prepared this Agreement in its final form.
12

13 15. The rights and obligations of DEVELOPER shall inure to and be binding
14 upon all heirs, successors and assignees.

15 16. DEVELOPER shall not assign or otherwise transfer any of its rights, duties
16 or obligations hereunder to any person or entity without the written consent of the other parties
17 hereto being first obtained. In the event of any such transfer or assignment, DEVELOPER
18 expressly understands and agrees that it shall remain liable with respect to any and all of the
19 obligations and duties contained in this Agreement.
20

21 17. The individual(s) executing this Agreement on behalf of DEVELOPER
22 hereby certify that they have the authority within their company to enter into and execute this
23 Agreement, and have been authorized to do so by any and all boards of directors, legal counsel,
24 and/or any other board, committee or other entity within their company which have the authority
25 to authorize or deny entering this Agreement.
26

27 18. This Agreement is intended by the parties hereto as a final expression of
28 their understanding with respect to the subject matters hereof and as a complete and exclusive

1 statement of the terms and conditions thereof and supersedes any and all prior and
2 contemporaneous agreements and understandings, oral or written, in connection therewith. This
3 Agreement may be changed or modified only upon the written consent of the parties hereto.
