FORM 11: Proposed FY 2015/16 Productive Hourly Rates for Custodial Services, All Districts, [\$0]

DATE: January 14, 2015

PAGE: 2 of 3

BACKGROUND:

Summary (Continued)

The EDA Custodial Services division operates as an Internal Service Fund (ISF) and must recover its operating costs through charges to customers. Custodial rates were derived by combining direct and indirect costs to run and operate the division.

Customers will be billed based on the number of hours actually worked at each facility and approved service agreements. The FY 2015/16 proposed costs are estimates based on projected hours worked at each facility in FY 2014/15. Customers will also be billed direct charges for expenditures that are specific to their facilities. The estimated financial impact for FY 2015/16 by customer departments, agencies, and other occupants of a county facility is estimated in Attachment B.

The Custodial rates have remained the same for several years. The division is proposing the billable hourly rates for FY 2015/16 to recover costs associated with providing custodial services to begin re-alignment efforts.

EDA has complied with Board policies B-4 and B-28. The Auditor-Controller's Office has reviewed the proposed rates and methodology.

Impact on Citizens and Businesses

The Custodial Services Division is dedicated to providing cleaning services that promotes healthier conditions in county buildings. This division will provide cleaning services and ensures access to county buildings continues in a manner that is professional and hygienic to the residents and businesses throughout Riverside County.

SUPPLEMENTAL:

Additional Fiscal Information

The proposed rate is sufficient for full cost recovery and budget re-alignment efforts.

Contract History and Price Reasonableness

Comparisons with prior year rates are presented in Attachment A.
