3. Approve the Possession and Use Agreements between the District and RCTC and authorize the Chairman of the Board to execute the same on behalf of the District; and
4. Direct the Clerk of the Board to submit the Notice of Determination to the County Clerk for filing written five (5) days of approval of this project, the authorization of the Possession and Use Agreements.

**BACKGROUND:
Summary**

RCTC, in conjunction with the State of California (Caltrans), is in the construction phase of the Design/Build 91 Freeway Widening (CIP) Project (Project) and was anticipating commencing construction on District parcels by February 2015.

The subject Possession and Use Agreements covers the use of portions of APNs 115-050-030, 115-050-033, 115-060-016, 115-060-026, 118-250-026 and 118-270-043, owned by the District, located in the city of Corona. The properties contain approximately 5.89 acres or 256,893 sq. ft., and are improved with flood control facilities for both the Arlington Channel and the Temescal Channel at the intersection of the 91 freeway and Interstate 15 freeway. The District and RCTC have a difference of opinion as to the value of the property needed for the Project, however, both recognize the importance of the Project proceeding on schedule, therefore, said Possession and Use Agreements will allow RCTC to take possession of the property, commence the construction of the improvements and negotiate the fair market value within the next six (6) months.

Pursuant to CEQA, the Project was reviewed and granting the right to possess and use the real property described herein pursuant to the Possession and Use Agreements was found to not have a significant effect on the environment. This acquisition of the properties was contemplated and adequately analyzed in the earlier Environment Impact Report considered and certified on August 10, 2012. Therefore, nothing further is required.

This action is necessary to facilitate the construction of the 91 Freeway Widening Project improvements.

Resolution No. F2015-07 and the Possession and Use Agreements have been approved as to form by County Counsel.

Impact on Residents and Businesses

This project will enable RCTC to continue implementation of its Design/Build 91 Freeway Widening (CIP) Project to reduce congestion on the 91 Freeway in the city of Corona.

Project Title: Authorization of the Possession and Use Agreement in Property for
RCTC's 91 Freeway Widening Project

Project Location (include county)

The project area is within Riverside County in the city of Corona within the Arlington Channel and Temescal Channel at the intersection of the 91 Freeway and I-15.

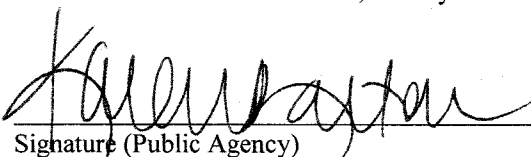

Project Description

The proposed action is to authorize the possession and use agreement of approximately 5.89 acres of real property ("Grant Project") within APNs 115-050-030, 115-050-033, 115-060-016, 115-060-026, and 118-270-043 in the city of Corona. The grant of the rights to the subject properties is a subsequent discretionary action to further the 91 Freeway Widening Project where the Riverside County Transportation Commission (RCTC) has been working with the State of California Department of Transportation (Caltrans) acting as lead agency for California Environmental Quality Act purposes. RCTC desires to acquire on behalf of Caltrans and the District agrees to grant to RCTC the right to possess real property by entering into the possession and use agreement to allow RCTC to construct the 91 Freeway Widening Project without delay.

This is to advise that the Riverside County Flood Control and Water Conservation District (Responsible Agency) has approved the above described Grant Project on March 10, 2015 and has made the following findings and determinations regarding the above described Grant Project:

1. The Grant Project will not have a significant effect on the environment.
2. A Final Environmental Impact Report (EIR) (SCH No. 2008071075) was prepared for the 91 Freeway Widening Project pursuant to the provisions of CEQA and was certified on August 10, 2012.
3. Mitigation measures were made a condition of the approval of the 91 Freeway Widening Project.
4. The Grant Project will not result in any new significant environmental effects not identified in the EIR and will not substantially increase the severity of the environmental effects identified in the EIR; no considerably different mitigation measures have been identified; and no mitigation measures found infeasible have become feasible.
5. No further action or environmental documentation is required to comply with the California Environmental Quality Act because the Grant Project was adequately analyzed in the earlier environmental documents.

This is to certify that the previously adopted EIR and the record of Project approval are available to the General Public at: The Office of the Clerk of the Board, County Administrative Center, 4080 Lemon Street, Riverside, CA 92501.

WHEREAS, the Riverside County Transportation Commission (RCTC) has been
working with the State of California (Caltrans) on the 91 Freeway Widening Design/Build
Project, which will reduce traffic congestion in the city of Corona, Riverside County; and

WHEREAS, RCTC is constructing certain freeway improvements known as the 91
Freeway Widening Design/Build Project ("Project") and needs to acquire certain real property
interests in order to implement the Project; and

WHEREAS, RCTC and the Riverside County Flood Control and Water Conservation
District ("District") have been negotiating, but have not come to terms on the final agreements
for RCTC's acquisition of certain real properties, as further described below, owned by the
District ("Subject Properties"); and

WHEREAS, based upon the importance of this Project to alleviate congestion on the 91
Freeway in the city of Corona, RCTC desires to acquire on behalf of Caltrans and the District
agrees to grant to RCTC the right to possess and use of the Subject Properties by entering into
that certain Possession and Use Agreements ("Agreements") to allow RCTC to construct the
Project without delay; and

WHEREAS, Caltrans, as the lead agency for California Environmental Quality
Act (CEQA) purposes, has subsequent approvals for the Project, such as authorizing the
acquisition of real property interests, located in the city of Corona, State of California, in order
to implement the Project; and

1 WHEREAS, the acquisition of the rights to the Subject Properties is a subsequent
2 discretionary action contemplated for the Project and was analyzed in the previously certified
3 Environment Impact Report ("EIR") (SCH#2008071075) certified on August 10, 2012.

4 NOW, THEREFORE, BE IT RESOLVED, DETERMINED AND ORDERED by
5 the Board of Supervisors of the Riverside County Flood Control and Water Conservation
6 District ("Board") assembled in regular session on March 10, 2015 at or after 10:30 a.m., in the
7 meeting room of the Board of Supervisors located on the 1st floor of the County Administrative
8 Center, 4080 Lemon Street, Riverside, California, based upon the evidence and testimony
9 presented on the matter, both written and oral, including the EIR, as it relates to granting the
10 right to possess and use real property has determined the following:

11 1. The above recitations constitute findings of the Board with respect to the
12 Agreements and are incorporated herein.

13 2. The Board has evaluated the proposed grant of the right to possess and use
14 certain real properties ("Grant Project") from the District and determined the proposed grant is
15 consistent and included in all substantive respects with the Project approved by RCTC.

16 3. Based on the review of the EIR, the environmental impacts of the Grant Project
17 have been sufficiently assessed in the EIR and has determined that it would not have a
18 significant effect on the environment based upon substantial evidence in light of the whole
19 record.

20 4. There are no substantial changes in the 91 Freeway Widening Project, including
21 this Grant Project, no substantial changes in circumstances, or no new information which
22 would require the preparation of subsequent negative declaration or other environmental
23 assessment/documentation, pursuant to CEQA and Section 15162 of the CEQA Guidelines.

24 5. Nothing further is required and no new environmental documentation is
25 warranted because 1) all potentially significant impacts of the project have been adequately
26 analyzed in an earlier EIR pursuant to legal standards; 2) all potentially significant effects of
27 the project have been avoided or mitigated pursuant to the earlier EIR; 3) the project will not
28

1 result in any new significant environmental effects not identified in the earlier EIR; 4) the
 2 project will not substantially increase the severity of the environmental effects identified in the
 3 earlier EIR; 5) no considerably different mitigation measures have been identified; and 6) no
 4 mitigation measures found infeasible have become feasible; therefore the Board hereby
 5 approves the Grant Project.

6 BE IT FURTHER RESOLVED, DETERMINED AND ORDERED by vote of the
 7 Board, that this Board authorizes the grant of the right to possess and use the Subject
 8 Properties, at or after 10:30 a.m., March 10, 2015 of those certain portions of real properties
 9 located in the city of Corona, County of Riverside, State of California, consisting of

6 AGREEMENT FOR POSSESSION AND USE

7 This AGREEMENT FOR POSSESSION AND USE ("Agreement") is made as of this
 8 30th day of March, 2015, ("Effective Date") by the RIVERSIDE COUNTY
 9 TRANSPORTATION COMMISSION, a county transportation commission (hereinafter referred
 10 to as "RCTC") and RIVERSIDE COUNTY FLOOD CONTROL AND WATER
 11 CONSERVATION DISTRICT, a body politic, (hereinafter referred to as the "DISTRICT.")

12 RECITALS

13 A. RCTC requires immediate possession of DISTRICT'S real property (legally
 14 described in Exhibit "A" attached hereto, designated as Parcel 22344 and hereafter referred to as
 15 "Parcel") for the purpose of constructing improvements in connection with the State Highway
 16 Route 91 Corridor Improvement Project ("Project"). The purpose of this Agreement is to allow
 17 RCTC to proceed with construction of the Project without delay.

18 B. The parties understand that any delay in the start of construction of the Project is
 19 contrary to the public interest. It is the intention of this Agreement to offer fair-market
 20 compensation to the DISTRICT for the immediate possession and use of the Parcel for
 21 construction of the Project. RCTC has made a firm written offer to pay the total sum of Forty
 22 Seven Thousand Five Hundred Dollars (\$47,500.00) ("Deposit") to the DISTRICT and any other
 23 persons having an interest in the Parcel. This amount does not include compensation for any loss
 24 of business goodwill, pre-condemnation damages, loss of rent or any other claims for just
 25 compensation except for the appraised fair market value of the Parcel (and, if applicable,
 26 severance damages). This amount does not include reimbursement for relocation benefits which
 27 will be handled pursuant to state and federal regulations and policies.

28 OPERATIVE PROVISIONS

29 In consideration of the sum to be paid to the DISTRICT and any other consideration
 30 hereinafter set forth, RCTC and DISTRICT agree as follows:

31 1. Immediate Possession and Use. DISTRICT hereby irrevocably grants to RCTC,
 32 its contractors, agents, and all others deemed necessary by RCTC, the irrevocable right to
 33 possession and use of the Parcel, including the right to remove and dispose of improvements
 34 within the right of way. In consideration for this irrevocable grant of possession and use, RCTC
 35 will tender the Deposit into escrow described below. RCTC shall have the right to take
 36 possession of the Parcel on the date the Deposit is paid into escrow. DISTRICT acknowledges
 37 that the Deposit represents the full amount of RCTC-approved appraisal of what is believed by
 38 RCTC to be just compensation owed for the acquisition of the Parcel. DISTRICT waives any
 right to challenge RCTC'S right to possess and use the Parcel in any subsequent eminent domain
 proceeding filed by RCTC.

1 2. Escrow. This transaction will be handled through an escrow with Commonwealth
2 Land Title Company, through its Newport Beach, California office, with Grace U. Kim as the
3 Escrow Officer. RCTC shall pay all escrow and recording fees incurred in this transaction.
4 DISTRICT shall be entitled to an interim disbursement of the Deposit, less any amounts payable
5 to any other person having an interest in the Parcel. Any unearned rents will be prorated in
6 escrow and RCTC will be credited with any outstanding security deposits. DISTRICT shall not
7 be entitled to receive any proceeds until:

8 (a) all holders of liens and encumbrances on the Parcel have received full
9 payment for all principal and interest due to them and have executed reconveyances of their
10 interests in the Parcel;

11 (b) all other parties having interests in the Parcel have received payment
12 therefor or have consented to a payment to DISTRICT, and;

13 (c) RCTC has acknowledged in writing that it concurs that all other parties
14 having interests in the Parcel have received full payment or have consented to DISTRICT'S
15 withdrawal.

16 The escrow shall remain open until either a settlement is reached, this Agreement
17 is terminated or a final order of condemnation under Section 1268.030 of the California Code of
18 Civil Procedure is entered by the court. Any sum disbursed to DISTRICT from this escrow shall
19 be deducted from the ultimate amount received by DISTRICT as a result of any settlement,
20 award or verdict of just compensation for the Parcel.

21 3. No Conveyance or Further Encumbrance. On and after the date of execution of
22 this Agreement, DISTRICT shall not voluntarily assign, sell, encumber or otherwise transfer all
23 or any portion of its interest in the Parcel, or the larger parcel of which the Parcel is a part,
24 without first obtaining the written consent of RCTC.

25 4. Taxes and Assessments. If applicable to the DISTRICT, DISTRICT agrees to pay
26 when due all taxes, including prorated taxes for the current year, and special assessments due on
27 the date RCTC takes possession of the Parcel.

28 5. Good Faith Negotiations. This Agreement is made with the understanding that
RCTC will continue to negotiate in good faith with DISTRICT to acquire its interest in the
Parcel by direct purchase. It is further understood that in the event a settlement is not reached
within one hundred eighty (180) days of the execution of this Agreement, such failure will be an
acknowledgment that the negotiations to acquire the Parcel have not been successful. As of such
date, RCTC shall begin timely preparations for the filing of a complaint in eminent domain to
acquire title to the Parcel but such time to file shall not exceed twelve (12) months from the
effective date of this Agreement. If RCTC begins proceedings in eminent domain, it is
understood and agreed that this Agreement shall continue in effect until either a settlement is
reached or a final order of condemnation under Section 1268.030 of the California Code of Civil
Procedure is entered by the court.

 6. Right to Appear and be Heard. Section 1245.235 of the Code of Civil Procedure
requires RCTC to give each person whose property is to be acquired by eminent domain notice
and a reasonable opportunity to appear and be heard on the matters referred to in Section
1240.030 of the Code of Civil Procedure, which provides:

1 "The power of eminent domain may be exercised to acquire property for a
2 proposed project only if all of the following are established:

- 3 (1) The public interest and necessity require the project.
- 4 (2) The project is planned or located in the manner that will be most
5 compatible with the greatest public good and the least private injury.
- 6 (3) The property sought to be acquired is necessary for the project.
- 7 (4) The offer required by Section 7267.2 of the Government Code has
8 been made to the DISTRICT or others of record. (If an offer has not been
9 made, an appraisal will be prepared as soon as practicable and an offer
10 made of the full amount of such appraisal.)"

11 7. No "Right to Take" Challenge. By granting this irrevocable right to possession
12 and use of the Parcel to RCTC, DISTRICT agrees to the following: (1) DISTRICT specifically
13 waives the notice required by Code of Civil Procedure Section 1245.235 of the hearing of the
14 matter referred to in Code of Civil Procedure Section 1240.030 and the adoption of the resolution
15 of necessity by RCTC authorizing the taking of the Parcel; (2) DISTRICT shall not object to the
16 filing of an eminent domain proceeding to acquire the Parcel; and (3) in any eminent domain
17 action filed by RCTC to acquire the Parcel, DISTRICT shall not challenge RCTC'S right to take
18 the Parcel, and the only issue shall be the amount of just compensation for the Property provided
19 RCTC is diligently pursuing the acquisition of the Parcel.

20 8. Refund. DISTRICT agrees that in the event the ultimate amount of any
21 settlement, award, or verdict is less than the total of the sums paid to and withdrawn by
22 DISTRICT, the DISTRICT shall refund the difference including interest to RCTC.

23 9. Waiver of Claims Other than Greater Compensation. DISTRICT expressly
24 waives its claims and defenses with respect to RCTC'S right to take in any subsequent eminent
25 domain proceeding except a claim for greater compensation.

26 10. Eminent Domain Valuation Date. In the event proceedings in eminent domain are
27 begun, the date of valuation for determining the amount of just compensation for the Parcel shall
28 be the date on which RCTC files the complaint in said proceeding.

29 11. Interest. Compensation awarded in an eminent domain proceeding shall draw
30 interest as prescribed at the apportionment rate calculated by the Controller as the rate of
31 earnings by the Surplus Money Investment Fund for each six-month period. DISTRICT shall be
32 entitled to receive interest on any sum received as compensation for its interest in the Parcel,
33 whether pursuant to this Agreement, a subsequent settlement or court judgment, beginning on the
34 date RCTC is authorized to take possession of the Parcel pursuant to this Agreement and ending
35 on the earliest of the dates as provided in Code of Civil Procedure Section 1268.320.

36 12. Abandonment. At any time after the commencement of the proceeding in
37 eminent domain, RCTC reserves the right to abandon the proceeding in whole or in part.

38 13. Hazardous Materials. If any hazardous materials are present on the Parcel on the
date RCTC takes possession, DISTRICT shall be responsible for and bear the entire cost of all
removal, disposal, cleanup and decontamination which may be required because of DISTRICT

1 proximately causing the presence of these hazardous materials. DISTRICT shall further hold
2 RCTC, its officers and employees harmless from all responsibility, liability and claims for
3 damages to persons or property resulting from the existence or use of hazardous materials
4 proximately caused by the DISTRICT which are present on the Parcel on the date RCTC takes
5 possession under this Agreement.

6 14. Indemnity. RCTC agrees to indemnify, defend, and hold harmless DISTRICT
7 from any liability arising out of RCTC'S operations under this Agreement. RCTC further agrees
8 to assume responsibility for any damages proximately caused by reason of RCTC'S operations
9 under this Agreement and RCTC will, at its option, either repair or pay for such damage.

10 15. Successors and Assigns. This Agreement shall also extend to and bind the legal
11 representatives, successors and assigns of the parties.

12 16. Memorandum. RCTC and DISTRICT shall executed, acknowledge and cause to
13 be recorded a memorandum of this Agreement ("Memorandum").

14 17. Amendment. This Agreement may only be amended by written agreement,
15 executed by all parties.

16 18. Counterparts. This Agreement may be executed in one or more counterparts, each
17 of which shall be deemed an original, but all of which together shall constitute one and the same
18 instrument.

AGREEMENT FOR POSSESSION AND USE

This AGREEMENT FOR POSSESSION AND USE ("Agreement") is made as of this 30th day of March, 2015, ("Effective Date") by the RIVERSIDE COUNTY TRANSPORTATION COMMISSION, a county transportation commission (hereinafter referred to as "RCTC") and RIVERSIDE COUNTY FLOOD CONTROL AND WATER CONSERVATION DISTRICT, a body politic, (hereinafter referred to as the "DISTRICT.")

RECITALS

A. RCTC requires immediate possession of DISTRICT'S real property (legally described in Exhibit "A" attached hereto, designated as Parcel 22276 and hereafter referred to as "Parcel") for the purpose of constructing improvements in connection with the State Highway Route 91 Corridor Improvement Project ("Project"). The purpose of this Agreement is to allow RCTC to proceed with construction of the Project without delay.

B. The parties understand that any delay in the start of construction of the Project is contrary to the public interest. It is the intention of this Agreement to offer fair-market compensation to the DISTRICT for the immediate possession and use of the Parcel for construction of the Project. RCTC has made a firm written offer to pay the total sum of One Hundred Ninety One Thousand Dollars (\$191,000.00) ("Deposit") to the DISTRICT and any other persons having an interest in the Parcel. This amount does not include compensation for any loss of business goodwill, pre-condemnation damages, loss of rent or any other claims for just compensation except for the appraised fair market value of the Parcel (and, if applicable, severance damages). This amount does not include reimbursement for relocation benefits which will be handled pursuant to state and federal regulations and policies.

OPERATIVE PROVISIONS

In consideration of the sum to be paid to the DISTRICT and any other consideration hereinafter set forth, RCTC and DISTRICT agree as follows:

1. Immediate Possession and Use. DISTRICT hereby irrevocably grants to RCTC, its contractors, agents, and all others deemed necessary by RCTC, the irrevocable right to possession and use of the Parcel, including the right to remove and dispose of improvements within the right of way. In consideration for this irrevocable grant of possession and use, RCTC will tender the Deposit into escrow described below. RCTC shall have the right to take possession of the Parcel on the date the Deposit is paid into escrow. DISTRICT acknowledges that the Deposit represents the full amount of RCTC-approved appraisal of what is believed by RCTC to be just compensation owed for the acquisition of the Parcel. DISTRICT waives any right to challenge RCTC'S right to possess and use the Parcel in any subsequent eminent domain proceeding filed by RCTC.

1 2. Escrow. This transaction will be handled through an escrow with Commonwealth
2 Land Title Company, through its Newport Beach, California office, with Grace U. Kim as the
3 Escrow Officer. RCTC shall pay all escrow and recording fees incurred in this transaction.
4 DISTRICT shall be entitled to an interim disbursement of the Deposit, less any amounts payable
5 to any other person having an interest in the Parcel. Any unearned rents will be prorated in
6 escrow and RCTC will be credited with any outstanding security deposits. DISTRICT shall not
7 be entitled to receive any proceeds until:

8 (a) all holders of liens and encumbrances on the Parcel have received full
9 payment for all principal and interest due to them and have executed reconveyances of their
10 interests in the Parcel;

11 (b) all other parties having interests in the Parcel have received payment
12 therefor or have consented to a payment to DISTRICT, and;

13 (c) RCTC has acknowledged in writing that it concurs that all other parties
14 having interests in the Parcel have received full payment or have consented to DISTRICT'S
15 withdrawal.

16 The escrow shall remain open until either a settlement is reached, this Agreement
17 is terminated or a final order of condemnation under Section 1268.030 of the California Code of
18 Civil Procedure is entered by the court. Any sum disbursed to DISTRICT from this escrow shall
19 be deducted from the ultimate amount received by DISTRICT as a result of any settlement,
20 award or verdict of just compensation for the Parcel.

21 3. No Conveyance or Further Encumbrance. On and after the date of execution of
22 this Agreement, DISTRICT shall not voluntarily assign, sell, encumber or otherwise transfer all
23 or any portion of its interest in the Parcel, or the larger parcel of which the Parcel is a part,
24 without first obtaining the written consent of RCTC.

25 4. Taxes and Assessments. If applicable to the DISTRICT, DISTRICT agrees to pay
26 when due all taxes, including prorated taxes for the current year, and special assessments due on
27 the date RCTC takes possession of the Parcel.

28 5. Good Faith Negotiations. This Agreement is made with the understanding that
RCTC will continue to negotiate in good faith with DISTRICT to acquire its interest in the
Parcel by direct purchase. It is further understood that in the event a settlement is not reached
within one hundred eighty (180) days of the execution of this Agreement, such failure will be an
acknowledgment that the negotiations to acquire the Parcel have not been successful. As of such
date, RCTC shall begin timely preparations for the filing of a complaint in eminent domain to
acquire title to the Parcel but such time to file shall not exceed twelve (12) months from the
effective date of this Agreement. If RCTC begins proceedings in eminent domain, it is
understood and agreed that this Agreement shall continue in effect until either a settlement is
reached or a final order of condemnation under Section 1268.030 of the California Code of Civil
Procedure is entered by the court.

 6. Right to Appear and be Heard. Section 1245.235 of the Code of Civil Procedure
requires RCTC to give each person whose property is to be acquired by eminent domain notice
and a reasonable opportunity to appear and be heard on the matters referred to in Section
1240.030 of the Code of Civil Procedure, which provides:

1 "The power of eminent domain may be exercised to acquire property for a
2 proposed project only if all of the following are established:

- 3 (1) The public interest and necessity require the project.
- 4 (2) The project is planned or located in the manner that will be most
5 compatible with the greatest public good and the least private injury.
- 6 (3) The property sought to be acquired is necessary for the project.
- 7 (4) The offer required by Section 7267.2 of the Government Code has
8 been made to the DISTRICT or others of record. (If an offer has not been
9 made, an appraisal will be prepared as soon as practicable and an offer
10 made of the full amount of such appraisal.)"

11 7. No "Right to Take" Challenge. By granting this irrevocable right to possession
12 and use of the Parcel to RCTC, DISTRICT agrees to the following: (1) DISTRICT specifically
13 waives the notice required by Code of Civil Procedure Section 1245.235 of the hearing of the
14 matter referred to in Code of Civil Procedure Section 1240.030 and the adoption of the resolution
15 of necessity by RCTC authorizing the taking of the Parcel; (2) DISTRICT shall not object to the
16 filing of an eminent domain proceeding to acquire the Parcel; and (3) in any eminent domain
17 action filed by RCTC to acquire the Parcel, DISTRICT shall not challenge RCTC'S right to take
18 the Parcel, and the only issue shall be the amount of just compensation for the Property provided
19 RCTC is diligently pursuing the acquisition of the Parcel.

20 8. Refund. DISTRICT agrees that in the event the ultimate amount of any
21 settlement, award, or verdict is less than the total of the sums paid to and withdrawn by
22 DISTRICT, the DISTRICT shall refund the difference including interest to RCTC.

23 9. Waiver of Claims Other than Greater Compensation. DISTRICT expressly
24 waives its claims and defenses with respect to RCTC'S right to take in any subsequent eminent
25 domain proceeding except a claim for greater compensation.

26 10. Eminent Domain Valuation Date. In the event proceedings in eminent domain are
27 begun, the date of valuation for determining the amount of just compensation for the Parcel shall
28 be the date on which RCTC files the complaint in said proceeding.

29 11. Interest. Compensation awarded in an eminent domain proceeding shall draw
30 interest as prescribed at the apportionment rate calculated by the Controller as the rate of
31 earnings by the Surplus Money Investment Fund for each six-month period. DISTRICT shall be
32 entitled to receive interest on any sum received as compensation for its interest in the Parcel,
33 whether pursuant to this Agreement, a subsequent settlement or court judgment, beginning on the
34 date RCTC is authorized to take possession of the Parcel pursuant to this Agreement and ending
35 on the earliest of the dates as provided in Code of Civil Procedure Section 1268.320.

36 12. Abandonment. At any time after the commencement of the proceeding in
37 eminent domain, RCTC reserves the right to abandon the proceeding in whole or in part.

38 13. Hazardous Materials. If any hazardous materials are present on the Parcel on the
date RCTC takes possession, DISTRICT shall be responsible for and bear the entire cost of all
removal, disposal, cleanup and decontamination which may be required because of DISTRICT

1 proximately causing the presence of these hazardous materials. DISTRICT shall further hold
2 RCTC, its officers and employees harmless from all responsibility, liability and claims for
3 damages to persons or property resulting from the existence or use of hazardous materials
4 proximately caused by the DISTRICT which are present on the Parcel on the date RCTC takes
5 possession under this Agreement.

6 14. Indemnity. RCTC agrees to indemnify, defend, and hold harmless DISTRICT
7 from any liability arising out of RCTC'S operations under this Agreement. RCTC further agrees
8 to assume responsibility for any damages proximately caused by reason of RCTC'S operations
9 under this Agreement and RCTC will, at its option, either repair or pay for such damage.

10 15. Successors and Assigns. This Agreement shall also extend to and bind the legal
11 representatives, successors and assigns of the parties.

12 16. Memorandum. RCTC and DISTRICT shall executed, acknowledge and cause to
13 be recorded a memorandum of this Agreement ("Memorandum").

14 17. Amendment. This Agreement may only be amended by written agreement,
15 executed by all parties.

16 18. Counterparts. This Agreement may be executed in one or more counterparts, each
17 of which shall be deemed an original, but all of which together shall constitute one and the same
18 instrument.

AGREEMENT FOR POSSESSION AND USE

This AGREEMENT FOR POSSESSION AND USE ("Agreement") is made as of this 30th day of March, 2015, ("Effective Date") by the RIVERSIDE COUNTY TRANSPORTATION COMMISSION, a county transportation commission (hereinafter referred to as "RCTC") and RIVERSIDE COUNTY FLOOD CONTROL AND WATER CONSERVATION DISTRICT, a body politic, (hereinafter referred to as the "DISTRICT.")

RECITALS

A. RCTC requires immediate possession of DISTRICT'S real property (legally described in Exhibit "A" attached hereto, designated as Parcel 22216 and hereafter referred to as "Parcel") for the purpose of constructing improvements in connection with the State Highway Route 91 Corridor Improvement Project ("Project"). The purpose of this Agreement is to allow RCTC to proceed with construction of the Project without delay.

B. The parties understand that any delay in the start of construction of the Project is contrary to the public interest. It is the intention of this Agreement to offer fair-market compensation to the DISTRICT for the immediate possession and use of the Parcel for construction of the Project. RCTC has made a firm written offer to pay the total sum of Three Thousand Three Hundred Dollars (\$3,300.00) ("Deposit") to the DISTRICT and any other persons having an interest in the Parcel. This amount does not include compensation for any loss of business goodwill, pre-condemnation damages, loss of rent or any other claims for just compensation except for the appraised fair market value of the Parcel (and, if applicable, severance damages). This amount does not include reimbursement for relocation benefits which will be handled pursuant to state and federal regulations and policies.

OPERATIVE PROVISIONS

In consideration of the sum to be paid to the DISTRICT and any other consideration hereinafter set forth, RCTC and DISTRICT agree as follows:

1. Immediate Possession and Use. DISTRICT hereby irrevocably grants to RCTC, its contractors, agents, and all others deemed necessary by RCTC, the irrevocable right to possession and use of the Parcel, including the right to remove and dispose of improvements within the right of way. In consideration for this irrevocable grant of possession and use, RCTC will tender the Deposit into escrow described below. RCTC shall have the right to take possession of the Parcel on the date the Deposit is paid into escrow. DISTRICT acknowledges that the Deposit represents the full amount of RCTC-approved appraisal of what is believed by RCTC to be just compensation owed for the acquisition of the Parcel. DISTRICT waives any right to challenge RCTC's right to possess and use the Parcel in any subsequent eminent domain proceeding filed by RCTC.

1 2. Escrow. This transaction will be handled through an escrow with Commonwealth
2 Land Title Company, through its Newport Beach, California office, with Grace U. Kim as the
3 Escrow Officer. RCTC shall pay all escrow and recording fees incurred in this transaction.
4 DISTRICT shall be entitled to an interim disbursement of the Deposit, less any amounts payable
5 to any other person having an interest in the Parcel. Any unearned rents will be prorated in
6 escrow and RCTC will be credited with any outstanding security deposits. DISTRICT shall not
7 be entitled to receive any proceeds until:

8 (a) all holders of liens and encumbrances on the Parcel have received full
9 payment for all principal and interest due to them and have executed reconveyances of their
10 interests in the Parcel;

11 (b) all other parties having interests in the Parcel have received payment
12 therefor or have consented to a payment to DISTRICT, and;

13 (c) RCTC has acknowledged in writing that it concurs that all other parties
14 having interests in the Parcel have received full payment or have consented to DISTRICT'S
15 withdrawal.

16 The escrow shall remain open until either a settlement is reached, this Agreement
17 is terminated or a final order of condemnation under Section 1268.030 of the California Code of
18 Civil Procedure is entered by the court. Any sum disbursed to DISTRICT from this escrow shall
19 be deducted from the ultimate amount received by DISTRICT as a result of any settlement,
20 award or verdict of just compensation for the Parcel.

21 3. No Conveyance or Further Encumbrance. On and after the date of execution of
22 this Agreement, DISTRICT shall not voluntarily assign, sell, encumber or otherwise transfer all
23 or any portion of its interest in the Parcel, or the larger parcel of which the Parcel is a part,
24 without first obtaining the written consent of RCTC.

25 4. Taxes and Assessments. If applicable to the DISTRICT, DISTRICT agrees to pay
26 when due all taxes, including prorated taxes for the current year, and special assessments due on
27 the date RCTC takes possession of the Parcel.

28 5. Good Faith Negotiations. This Agreement is made with the understanding that
RCTC will continue to negotiate in good faith with DISTRICT to acquire its interest in the
Parcel by direct purchase. It is further understood that in the event a settlement is not reached
within one hundred eighty (180) days of the execution of this Agreement, such failure will be an
acknowledgment that the negotiations to acquire the Parcel have not been successful. As of such
date, RCTC shall begin timely preparations for the filing of a complaint in eminent domain to
acquire title to the Parcel but such time to file shall not exceed twelve (12) months from the
effective date of this Agreement. If RCTC begins proceedings in eminent domain, it is
understood and agreed that this Agreement shall continue in effect until either a settlement is
reached or a final order of condemnation under Section 1268.030 of the California Code of Civil
Procedure is entered by the court.

 6. Right to Appear and be Heard. Section 1245.235 of the Code of Civil Procedure
requires RCTC to give each person whose property is to be acquired by eminent domain notice
and a reasonable opportunity to appear and be heard on the matters referred to in Section
1240.030 of the Code of Civil Procedure, which provides:

1 "The power of eminent domain may be exercised to acquire property for a
2 proposed project only if all of the following are established:

- 3 (1) The public interest and necessity require the project.
- 4 (2) The project is planned or located in the manner that will be most
5 compatible with the greatest public good and the least private injury.
- 6 (3) The property sought to be acquired is necessary for the project.
- 7 (4) The offer required by Section 7267.2 of the Government Code has
8 been made to the DISTRICT or others of record. (If an offer has not been
9 made, an appraisal will be prepared as soon as practicable and an offer
made of the full amount of such appraisal.)"

10 7. No "Right to Take" Challenge. By granting this irrevocable right to possession
11 and use of the Parcel to RCTC, DISTRICT agrees to the following: (1) DISTRICT specifically
12 waives the notice required by Code of Civil Procedure Section 1245.235 of the hearing of the
13 matter referred to in Code of Civil Procedure Section 1240.030 and the adoption of the resolution
14 of necessity by RCTC authorizing the taking of the Parcel; (2) DISTRICT shall not object to the
filing of an eminent domain proceeding to acquire the Parcel; and (3) in any eminent domain
action filed by RCTC to acquire the Parcel, DISTRICT shall not challenge RCTC'S right to take
the Parcel, and the only issue shall be the amount of just compensation for the Property provided
RCTC is diligently pursuing the acquisition of the Parcel.

15 8. Refund. DISTRICT agrees that in the event the ultimate amount of any
16 settlement, award, or verdict is less than the total of the sums paid to and withdrawn by
DISTRICT, the DISTRICT shall refund the difference including interest to RCTC.

17 9. Waiver of Claims Other than Greater Compensation. DISTRICT expressly
18 waives its claims and defenses with respect to RCTC'S right to take in any subsequent eminent
19 domain proceeding except a claim for greater compensation.

20 10. Eminent Domain Valuation Date. In the event proceedings in eminent domain are
21 begun, the date of valuation for determining the amount of just compensation for the Parcel shall
be the date on which RCTC files the complaint in said proceeding.

22 11. Interest. Compensation awarded in an eminent domain proceeding shall draw
23 interest as prescribed at the apportionment rate calculated by the Controller as the rate of
24 earnings by the Surplus Money Investment Fund for each six-month period. DISTRICT shall be
entitled to receive interest on any sum received as compensation for its interest in the Parcel,
whether pursuant to this Agreement, a subsequent settlement or court judgment, beginning on the
25 date RCTC is authorized to take possession of the Parcel pursuant to this Agreement and ending
on the earliest of the dates as provided in Code of Civil Procedure Section 1268.320.

26 12. Abandonment. At any time after the commencement of the proceeding in
27 eminent domain, RCTC reserves the right to abandon the proceeding in whole or in part.

28 13. Hazardous Materials. If any hazardous materials are present on the Parcel on the
date RCTC takes possession, DISTRICT shall be responsible for and bear the entire cost of all
removal, disposal, cleanup and decontamination which may be required because of DISTRICT

1 proximately causing the presence of these hazardous materials. DISTRICT shall further hold
2 RCTC, its officers and employees harmless from all responsibility, liability and claims for
3 damages to persons or property resulting from the existence or use of hazardous materials
4 proximately caused by the DISTRICT which are present on the Parcel on the date RCTC takes
5 possession under this Agreement.

6 14. Indemnity. RCTC agrees to indemnify, defend, and hold harmless DISTRICT
7 from any liability arising out of RCTC'S operations under this Agreement. RCTC further agrees
8 to assume responsibility for any damages proximately caused by reason of RCTC'S operations
9 under this Agreement and RCTC will, at its option, either repair or pay for such damage.

10 15. Successors and Assigns. This Agreement shall also extend to and bind the legal
11 representatives, successors and assigns of the parties.

12 16. Memorandum. RCTC and DISTRICT shall executed, acknowledge and cause to
13 be recorded a memorandum of this Agreement ("Memorandum").

14 17. Amendment. This Agreement may only be amended by written agreement,
15 executed by all parties.

16 18. Counterparts. This Agreement may be executed in one or more counterparts, each
17 of which shall be deemed an original, but all of which together shall constitute one and the same
18 instrument.

AGREEMENT FOR POSSESSION AND USE

This AGREEMENT FOR POSSESSION AND USE ("Agreement") is made as of this 30th day of March, 2015, ("Effective Date") by the RIVERSIDE COUNTY TRANSPORTATION COMMISSION, a county transportation commission (hereinafter referred to as "RCTC") and RIVERSIDE COUNTY FLOOD CONTROL AND WATER CONSERVATION DISTRICT, a body politic, (hereinafter referred to as the "DISTRICT.")

RECITALS

A. RCTC requires immediate possession of DISTRICT'S real property (legally described in Exhibit "A" attached hereto, designated as Parcel 22198 and hereafter referred to as "Parcel") for the purpose of constructing improvements in connection with the State Highway Route 91 Corridor Improvement Project ("Project"). The purpose of this Agreement is to allow RCTC to proceed with construction of the Project without delay.

B. The parties understand that any delay in the start of construction of the Project is contrary to the public interest. It is the intention of this Agreement to offer fair-market compensation to the DISTRICT for the immediate possession and use of the Parcel for construction of the Project. RCTC has made a firm written offer to pay the total sum of Three Hundred Seventeen Thousand Dollars (\$317,000.00) ("Deposit") to the DISTRICT and any other persons having an interest in the Parcel. This amount does not include compensation for any loss of business goodwill, pre-condemnation damages, loss of rent or any other claims for just compensation except for the appraised fair market value of the Parcel (and, if applicable, severance damages). This amount does not include reimbursement for relocation benefits which will be handled pursuant to state and federal regulations and policies.

OPERATIVE PROVISIONS

In consideration of the sum to be paid to the DISTRICT and any other consideration hereinafter set forth, RCTC and DISTRICT agree as follows:

1. Immediate Possession and Use. DISTRICT hereby irrevocably grants to RCTC, its contractors, agents, and all others deemed necessary by RCTC, the irrevocable right to possession and use of the Parcel, including the right to remove and dispose of improvements within the right of way. In consideration for this irrevocable grant of possession and use, RCTC will tender the Deposit into escrow described below. RCTC shall have the right to take possession of the Parcel on the date the Deposit is paid into escrow. DISTRICT acknowledges that the Deposit represents the full amount of RCTC-approved appraisal of what is believed by RCTC to be just compensation owed for the acquisition of the Parcel. DISTRICT waives any right to challenge RCTC'S right to possess and use the Parcel in any subsequent eminent domain proceeding filed by RCTC.

1 2. Escrow. This transaction will be handled through an escrow with Commonwealth
2 Land Title Company, through its Newport Beach, California office, with Grace U. Kim as the
3 Escrow Officer. RCTC shall pay all escrow and recording fees incurred in this transaction.
4 DISTRICT shall be entitled to an interim disbursement of the Deposit, less any amounts payable
5 to any other person having an interest in the Parcel. Any unearned rents will be prorated in
6 escrow and RCTC will be credited with any outstanding security deposits. DISTRICT shall not
7 be entitled to receive any proceeds until:

8 (a) all holders of liens and encumbrances on the Parcel have received full
9 payment for all principal and interest due to them and have executed reconveyances of their
10 interests in the Parcel;

11 (b) all other parties having interests in the Parcel have received payment
12 therefor or have consented to a payment to DISTRICT, and;

13 (c) RCTC has acknowledged in writing that it concurs that all other parties
14 having interests in the Parcel have received full payment or have consented to DISTRICT'S
15 withdrawal.

16 The escrow shall remain open until either a settlement is reached, this Agreement
17 is terminated or a final order of condemnation under Section 1268.030 of the California Code of
18 Civil Procedure is entered by the court. Any sum disbursed to DISTRICT from this escrow shall
19 be deducted from the ultimate amount received by DISTRICT as a result of any settlement,
20 award or verdict of just compensation for the Parcel.

21 3. No Conveyance or Further Encumbrance. On and after the date of execution of
22 this Agreement, DISTRICT shall not voluntarily assign, sell, encumber or otherwise transfer all
23 or any portion of its interest in the Parcel, or the larger parcel of which the Parcel is a part,
24 without first obtaining the written consent of RCTC.

25 4. Taxes and Assessments. If applicable to the DISTRICT, DISTRICT agrees to pay
26 when due all taxes, including prorated taxes for the current year, and special assessments due on
27 the date RCTC takes possession of the Parcel.

28 5. Good Faith Negotiations. This Agreement is made with the understanding that
RCTC will continue to negotiate in good faith with DISTRICT to acquire its interest in the
Parcel by direct purchase. It is further understood that in the event a settlement is not reached
within one hundred eighty (180) days of the execution of this Agreement, such failure will be an
acknowledgment that the negotiations to acquire the Parcel have not been successful. As of such
date, RCTC shall begin timely preparations for the filing of a complaint in eminent domain to
acquire title to the Parcel but such time to file shall not exceed twelve (12) months from the
effective date of this Agreement. If RCTC begins proceedings in eminent domain, it is
understood and agreed that this Agreement shall continue in effect until either a settlement is
reached or a final order of condemnation under Section 1268.030 of the California Code of Civil
Procedure is entered by the court.

 6. Right to Appear and be Heard. Section 1245.235 of the Code of Civil Procedure
requires RCTC to give each person whose property is to be acquired by eminent domain notice
and a reasonable opportunity to appear and be heard on the matters referred to in Section
1240.030 of the Code of Civil Procedure, which provides:

1 "The power of eminent domain may be exercised to acquire property for a
2 proposed project only if all of the following are established:

- 3 (1) The public interest and necessity require the project.
- 4 (2) The project is planned or located in the manner that will be most
5 compatible with the greatest public good and the least private injury.
- 6 (3) The property sought to be acquired is necessary for the project.
- 7 (4) The offer required by Section 7267.2 of the Government Code has
8 been made to the DISTRICT or others of record. (If an offer has not been
9 made, an appraisal will be prepared as soon as practicable and an offer
made of the full amount of such appraisal.)"

10 7. No "Right to Take" Challenge. By granting this irrevocable right to possession
11 and use of the Parcel to RCTC, DISTRICT agrees to the following: (1) DISTRICT specifically
12 waives the notice required by Code of Civil Procedure Section 1245.235 of the hearing of the
13 matter referred to in Code of Civil Procedure Section 1240.030 and the adoption of the resolution
14 of necessity by RCTC authorizing the taking of the Parcel; (2) DISTRICT shall not object to the
filing of an eminent domain proceeding to acquire the Parcel; and (3) in any eminent domain
action filed by RCTC to acquire the Parcel, DISTRICT shall not challenge RCTC'S right to take
the Parcel, and the only issue shall be the amount of just compensation for the Property provided
RCTC is diligently pursuing the acquisition of the Parcel.

15 8. Refund. DISTRICT agrees that in the event the ultimate amount of any
16 settlement, award, or verdict is less than the total of the sums paid to and withdrawn by
DISTRICT, the DISTRICT shall refund the difference including interest to RCTC.

17 9. Waiver of Claims Other than Greater Compensation. DISTRICT expressly
18 waives its claims and defenses with respect to RCTC'S right to take in any subsequent eminent
19 domain proceeding except a claim for greater compensation.

20 10. Eminent Domain Valuation Date. In the event proceedings in eminent domain are
21 begun, the date of valuation for determining the amount of just compensation for the Parcel shall
be the date on which RCTC files the complaint in said proceeding.

22 11. Interest. Compensation awarded in an eminent domain proceeding shall draw
23 interest as prescribed at the apportionment rate calculated by the Controller as the rate of
24 earnings by the Surplus Money Investment Fund for each six-month period. DISTRICT shall be
entitled to receive interest on any sum received as compensation for its interest in the Parcel,
whether pursuant to this Agreement, a subsequent settlement or court judgment, beginning on the
25 date RCTC is authorized to take possession of the Parcel pursuant to this Agreement and ending
on the earliest of the dates as provided in Code of Civil Procedure Section 1268.320.

26 12. Abandonment. At any time after the commencement of the proceeding in
27 eminent domain, RCTC reserves the right to abandon the proceeding in whole or in part.

28 13. Hazardous Materials. If any hazardous materials are present on the Parcel on the
date RCTC takes possession, DISTRICT shall be responsible for and bear the entire cost of all
removal, disposal, cleanup and decontamination which may be required because of DISTRICT

1 proximately causing the presence of these hazardous materials. DISTRICT shall further hold
2 RCTC, its officers and employees harmless from all responsibility, liability and claims for
3 damages to persons or property resulting from the existence or use of hazardous materials
proximately caused by the DISTRICT which are present on the Parcel on the date RCTC takes
possession under this Agreement.

4 14. Indemnity. RCTC agrees to indemnify, defend, and hold harmless DISTRICT
5 from any liability arising out of RCTC'S operations under this Agreement. RCTC further agrees
6 to assume responsibility for any damages proximately caused by reason of RCTC'S operations
under this Agreement and RCTC will, at its option, either repair or pay for such damage.

7 15. Successors and Assigns. This Agreement shall also extend to and bind the legal
8 representatives, successors and assigns of the parties.

9 16. Memorandum. RCTC and DISTRICT shall executed, acknowledge and cause to
be recorded a memorandum of this Agreement ("Memorandum").

10 17. Amendment. This Agreement may only be amended by written agreement,
11 executed by all parties.

12 18. Counterparts. This Agreement may be executed in one or more counterparts, each
13 of which shall be deemed an original, but all of which together shall constitute one and the same
instrument.
