2. Adopt Resolution 2015-004 Approving the Housing Authority of the County of Riverside's Public Housing Agency (PHA) 5-Year Plan for Fiscal Years 2015-2020 and Annual Plan and Supporting Documents for Fiscal Year 2015-2016 and Authorizing the Chairman of the Board of Commissioners to Sign the PHA Certifications of Compliance;

4. Authorize the Executive Director, or designee, to sign all remaining documents and certifications pertaining to the Housing Authority's housing assistance programs, including, but not limited to, the Housing Choice Voucher Program, Affordable Public Housing and Homeownership Program, and the Capital Fund Program.

BACKGROUND:

Summary

The Quality Housing and Work Responsibility Act of 1998 requires a Public Housing Agency (PHA) (as defined by HUD) to submit a 5-Year Plan and Annual Plan (collectively, "PHA Plans") in accordance with the format outlined by the U.S. Department of Housing and Urban Development (HUD) under Title 24 Code of Federal Regulations (CFR) Part 903, Subpart B. The purpose of the PHA Plans is to provide a strategic planning framework for local accountability and an easily identifiable source by which public housing residents, participants in the tenant-based assistance program, and other members of the public may locate basic PHA policies, rules and requirements concerning the PHA's operations, programs and services. The Housing Authority of the County of Riverside (Housing Authority) is a Public Housing Agency. The 5-Year Plan covers fiscal years July 1, 2015 through June 30, 2020 and the Annual Plan and supporting documents prepared by the Housing Authority cover fiscal year July 1, 2015 through June 30, 2016. The PHA supporting documents prepared pursuant to the Act and 24 CFR Part 903 include annual plans for the Housing Authority's various housing assistance programs, including the Housing Choice Voucher, Affordable Public Housing and Homeownership Programs, as well as an Annual Statement/Performance & Evaluation Report and a 5 Year Action Plan for the Capital Fund Program. A public hearing was held before the PHA's governing body, the Board of Commissioners, on March 10, 2015, as required. Final versions of the 5-Year Plan and Annual Plan and supporting documents are attached hereto.

A few salient provisions contained in the various annual plans include the following:

(A) For the Housing Choice Voucher (Section 8) program: (1) The waiting list will re-open; and, (2) The PHA may allocate project-based vouchers (PBV) to develop Housing Authority or Successor Agency to the former County of Riverside RDA owned properties, to those that exclusively assist veterans or farmworker families, or to development projects to support applications for state and federal funding opportunities as set forth in the proposed Annual PHA Plan and Administrative Plan.

(B) For the Affordable Public Housing (PH) program: (1) The waiting list will remain open.

(C) For both the Housing Choice Voucher and Affordable Public Housing programs: (1) Under selection of families from the waiting list, one local preference under Level 1 was added: homeless families with children residing in shelters as set forth in the proposed Annual PHA Plan, Administrative Plan and Statement of

Policies; and, (2) Three Rental Assistance Demonstration (RAD) applications, representing three Public Housing Asset Management projects, have been submitted to HUD to project-base approved Public Housing developments. If approved, Public Housing developments will be replaced with long term, project-based Section 8 Rental Assistance contracts in compliance with guidelines outlined in Notice PIH-2012-32 (HA), REV-1, specifically those allowed under the "First Component" outlined in the Notice.

Pursuant to Title 24 CFR Section 903.5, the Housing Authority must submit a 5-Year Plan once every 5 PHA fiscal years, no later than 75 days before the commencement of the PHA's fiscal year and an Annual Plan no later than 75 days before the commencement of the PHA's fiscal year. In addition, the PHA must submit a completed and signed form HUD-50077, PHA Certifications of Compliance with the PHA Plans and Related Regulations ("PHA Certifications of Compliance"), signed by the Chairperson, acting on behalf of the Board of Commissioners of the PHA. The PHA Certifications of Compliance is attached hereto.

The Housing Authority's 5-Year Plan for Fiscal Years 2015-2020 and Annual Plan and supporting documents for Fiscal Year 2015-2016 (collectively, the "Plans") are not projects as defined by California Environmental Quality Act (CEQA) Section 21065 and State CEQA Guidelines Section 15378(b)(5), because they are an administrative activity of the government that will not result in direct or indirect physical changes to the environment. The Plans consist of the continuation of ongoing programs to provide housing assistance to certain low income populations within the County and will not result in direct or indirect physical changes to the environment. Based on the aforementioned, Housing Authority staff has determined that the plans are not an activity subject to CEQA pursuant to State CEQA Guidelines Section 15060(c)(3). Even if a determination is made that the Plans are a project subject to CEQA, the Plans are exempt pursuant to State CEQA Guidelines Section 15061(b)(3) as they will not have any potential for direct or reasonably foreseeable indirect physical environmental impact. In addition, these activities are exempt from the provisions of the National Environmental Policy Act (NEPA) pursuant to Title 24 Code of Federal Regulations Sections 58.34 (a)(1) and (a)(3), since the Plans are an administrative and planning/strategy activity. A Notice of Exemption will be filed by the Housing Authority staff with the County Clerk within 5 days of the approval of the Plans.

County Counsel has reviewed the attachments and approved them as to form. Staff recommends that the Board formally adopt Resolution No. 2015-004 and approve and adopt the 5-Year Plan for FY 2015-2020 and the Annual Plan and supporting documents for FY 2015-2016 and authorize the Chairman to sign the PHA Certifications of Compliance.

Impact on Citizens and Businesses

Riverside County residents are positively impacted by the rental assistance the PHA provides. The only negative impact is that HUD funding is limited and does not cover the significant need for affordable housing throughout Riverside County.

Board Resolution to Accompany the PHA 5-Year and Annual PHA Plan**

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the X 5-Year and/or X Annual PHA Plan for the PHA fiscal year beginning July 1, 2015, hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
3. The PHA certifies that there has been no change, significant or otherwise, to the Capital Fund Program (and Capital Fund Program/Replacement Housing Factor) Annual Statement(s), since submission of its last approved Annual Plan. The Capital Fund Program Annual Statement/Annual Statement/Performance and Evaluation Report must be submitted annually even if there is no change.
4. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Board or Boards in developing the Plan, and considered the recommendations of the Board or Boards (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
6. The PHA certifies that it will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
7. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identify any impediments to fair housing choice within those programs, address those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and maintain records reflecting these analyses and actions.
8. For PHA Plan that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2006-24);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
9. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
10. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.

13. The PHA will take appropriate affirmative action to award contracts to minority and women's business enterprises under 24 CFR 5.105(a).
14. The PHA will provide the responsible entity or HUD any documentation that the responsible entity or HUD needs to carry out its review under the National Environmental Policy Act and other related authorities in accordance with 24 CFR Part 58 or Part 50, respectively.
15. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under Section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
16. The PHA will keep records in accordance with 24 CFR 85.20 and facilitate an effective audit to determine compliance with program requirements.
17. The PHA will comply with the Lead-Based Paint Poisoning Prevention Act, the Residential Lead-Based Paint Hazard Reduction Act of 1992, and 24 CFR Part 35.
18. The PHA will comply with the policies, guidelines, and requirements of OMB Circular No. A-87 (Cost Principles for State, Local and Indian Tribal Governments), 2 CFR Part 225, and 24 CFR Part 85 (Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments).
19. The PHA will undertake only activities and programs covered by the Plan in a manner consistent with its Plan and will utilize covered grant funds only for activities that are approvable under the regulations and included in its Plan.

PHA Plan Update

(a) Identify all PHA Plan elements that have been revised by the PHA since its last Annual Plan submission:

PHA Plan Elements:

1) Eligibility, Selection and Admissions Policies, including Deconcentration and Wait List Procedures.

For the Housing Choice Voucher (Section 8) program, the waiting list will re-open effective July 1, 2015. Under selection of families from the waiting list, one (1) local preference under Level 1 was added: homeless families with children residing in shelters.

For the Affordable Public Housing (PH) program, the waiting list will remain open. Under selection of families from the waiting list is the addition of a first level preference for homeless families with children residing in shelters.

If the Housing Authority is designated as a shortfall agency, subsidy standards may be adjusted to two per bedroom, regardless of familial status, age and gender, and outgoing portability may only be permitted in cases where the receiving agency, if not absorbing, is an equal or lower cost area. The PHA may allocate project-based vouchers (PBV) to develop Housing Authority or Successor Agency (HASA) owned properties, those that exclusively assist veterans or farmworker families or development projects to support applications for state and federal funding opportunities.

Three Rental Assistance Demonstration (RAD) applications, representing three Public Housing Asset Management projects, have been submitted to HUD to project-base approved Public Housing developments. If approved, public housing developments will be replaced with long term, project-based Section 8 Rental Assistance contracts in compliance with guidelines outlined in Notice PIH-2012-32 (HA), REV-1, **specifically those allowed under the "First Component" outlined in the Notice**. RAD is authorized by the Consolidated and Further Continuing Appropriations Act of 2012 (Public Law 112-55, approved November 18, 2011), which provided fiscal year 2012 appropriations for HUD (2012 Appropriations Act). The second component of RAD received additional authorization by the Consolidated Appropriations Act of 2014 (Public Law 113-76, approved January 17, 2014), which provided fiscal year 2014 appropriations for HUD (2014 Appropriations Act). RAD has two separate components: **First component**. The first component allows projects funded under the public housing and Section 8 Moderate Rehabilitation (Mod Rehab) programs to convert their assistance to long-term, project-based Section 8 rental assistance contracts. Under this component of RAD, public housing agencies (PHAs) and Mod Rehab owners may choose between two forms of Section 8 Housing Assistance Payment (HAP) contracts: project-based vouchers (PBVs) or project-based rental assistance (PBRA). No incremental funds are authorized for this component. PHAs and Mod Rehab owners will convert their assistance at current subsidy levels. **Second component**. The second component allows owners of projects funded under the Rent Supplement (Rent Supp), Rental Assistance Payment (RAP), and Mod Rehab programs to convert tenant protection vouchers (TPVs) to PBVs, upon contract expiration or, for owners of Rent Supp and RAP projects, termination, occurring after October 1, 2006, and no later than December 31, 2014. While there is no cap on the number of units that can convert assistance under this component of RAD, and no requirement for competitive selection, actions under this component are subject to the availability of TPVs. Sections II and III of this Notice provide further instructions for owners of Mod Rehab projects and owners of Rent Supp and RAP projects, respectively. Collectively, projects that convert their form of assistance under the Demonstration are referred to in this Notice as "covered projects." If the application is approved, the Agency will convert units identified under the First Component of the Notice. All other regulatory and statutory requirements of the PBV program in 24 CFR Part 983 and section 8 (o)(13) of the Act shall apply, including resident choice, environmental review, and fair housing requirements.

2) **Financial Resources**

Please see attached **Statement of Financial Resources**, which includes listings by general categories, of the Agency's anticipated resources for FY 2015, such as PHA Section 8 HAP subsidy and administrative fees, subsidy/grants revenue, bond revenue, fraud recovery, rental income, interest revenue and other income available to support public housing and tenant-based assistance. The statement also includes non-federal sources of funds supporting each federal program, and the planned use for the resources.

3) **Rent Determination**

For 2015, the Agency plans to implement the cost savings measures outlined in PIH Notice 2013-03 and extended through PIH Notice 2013-26 which are included in the Administrative Plan. Rent determination will be adjusted to comply with the notice and the plan. Streamlined annuals are expected to be conducted for families with fixed incomes. The established payment standard amounts are in accordance with federal regulations and are within 90-110% of HUD Fair Market Rents published annually. Flat rent rates for the Affordable Public Housing program are set at amounts for each public housing unit that complies with the requirement that all flat rents be set at no less than 80 percent of the applicable Fair Market Rent (FMR) adjusted, if necessary, to account for reasonable utilities costs. The new flat rental amount applies to all new program admissions effective 10/31/14. For current program participants that pay the flat rental amount, the new flat rental amount will be offered, as well as the income-based rental amount, at the next annual rental option. A cap is placed on any increase in a family's rental payment that exceeds 35 percent, and is a result of changes to the flat rental amount as follows: Multiply the existing flat rental payment by 1.35 and compare that to the updated flat rental amount.

4) **Operation and Management**

For 2015, the Agency has made no changes to Operations or Management.

5) **Grievance Procedures**

For 2015, there are no changes to the grievance procedure policies

6) **Designated housing for Elderly and Disabled Families**

For 2015, there are no changes to housing designated for elderly and disabled families.

7) **Community Service and Self-Sufficiency**

The Housing Authority (HA) has completed Year 1 of the Family Self-Sufficiency Demonstration program. The Family Self-Sufficiency (FSS) Program Demonstration is a random assignment study conducted under contract by MDRC and its subcontractors to evaluate the effectiveness of the FSS program, as part of the Transformation Initiative. The FSS program has operated since 1992 and its objective is to enable participating low-income families to increase their earned income and reduce their dependency on welfare assistance and rental subsidies. FSS program coordinators create plans with participating families to achieve goals and connect them with services that will enhance their employment opportunities. As the family's earnings increase, money is credited to an escrow account on behalf of the family. This study used a random assignment model to determine whether FSS program features, rather than the characteristics of the participating families, cause participant incomes to increase. At the conclusion of Year 1, 200 participants have been randomly assigned and over the next 5 years the HA will work with MDRC to gather the data that will be used in the final report that will be published after the 5 year research study. We continue to administer the regular (non-demonstration) Family Self-Sufficiency program for HCV participants and it is expected that after Year 2 of the FSS Demonstration program, the HA will resume enrollment in the regular FSS Program. The Resident Opportunity and Self Sufficiency (ROSS) program changed locations and is completing the final year of program operations assisting residents at the Gloria Street Apartments and at the Dracaea Townhomes in the Public Housing communities in Moreno Valley. A new application has been submitted to funding consideration to continue the program for another 3 years. The waivers outlined in Federal Register Vol. 79, No. 248, published on December 29, 2014, will be implemented.

8) Safety and Crime Prevention

For 2015, there are no changes to the PHA plan regarding Safety and Crime Prevention.

9) Pets.

For 2015, there is no change to our pet policy.

10) Civil Rights Certification.

The agency examines its programs to identify any impediments to fair housing choice and addresses any impediments in a reasonable fashion. Additionally, the agency works closely with the Fair Housing Council of Riverside County to address any identifiable impediments to fair housing within the jurisdiction. The agency assures that the annual plan is consistent with the 12 city and county consolidated plans within its jurisdiction and has each entity certify this via for HUD 50077-SL.

11) Fiscal Year Audit

For Fiscal Year Ending June 30, 2014, the Housing Authority received an Unqualified auditor's opinion on compliance for major programs; and there were no material weaknesses or significant deficiencies identified in its financial statements. Please see attached **Fiscal Year End Audits.**

12) Asset Management

The agency continues to employ the Asset Management Plan described below and monitor the operational performance of each AMP. The Housing Authority of the County of Riverside's (HACR) asset management model eliminated the centralized functions and incorporated a property specific focus. To facilitate the autonomy of each site, the building of offices and workshops for the Public Housing Property Managers to conduct normal daily duties and the Maintenance Workers to perform their daily work has been completed in Desert Hot Springs, Lake Elsinore, Thermal, and Jurupa Valley. Plans are underway to build a Maintenance Shop in Beaumont. Services by the Public Housing Property Manager and the Maintenance Worker are site specific. The Agency continues to monitor each property based on financial, physical and management performance. If a property is identified as non-performing, staff then proceed to make recommendations that address the areas of non-performance. The HACR Fiscal department has been monitoring all fiscal and budget performances via monthly budgets vs. actual reports and financial statements. The Public Housing Property Managers are active participants in developing and monitoring their site specific budgets. The HACR will continue to utilize the Capital Fund Program to modernize our units.

The AMPs will be monitored to ensure they are not operating at a loss. Any that are will be considered for disposition in the future. A Rental Assistance Demonstration (RAD) application has been submitted. If approved, public housing developments will be replaced with long term, project-based Section 8 Rental Assistance contracts.

13) Violence Against Women Act (VAWA)

For 2015, there have been no implementation changes with regard to the Violence Against Women Act (VAWA). If any VAWA requirements change, the agency will comply as needed.

	<p>Hope VI, Mixed Finance Modernization or Development, Demolition and/or Disposition, Conversion of Public Housing, Homeownership Programs, and Project-based Vouchers. <i>Include statements related to these programs as applicable.</i></p> <p>(a) Hope VI or Mixed Finance Modernization or Development. Not applicable.</p> <p>(b) Demolition and/or Disposition Not applicable.</p> <p>(c) Conversion of Public Housing. A Rental Assistance Demonstration (RAD) application has been submitted. If approved, public housing developments will be replaced with long term, project-based Section 8 Rental Assistance contracts.</p> <p>(d) Homeownership. HACR has a comprehensive HUD approved Homeownership program that consists of a HCV Mortgage Voucher program, a locally funded infill housing program, and homeownership counseling for any interested participant with an emphasis on FSS families.</p> <p>(e) Project-based Vouchers. HACR currently has 48 project-based vouchers at two developments; 10 units in Blythe and 38 units in Cathedral City. The agency proposes to expand the use of project based vouchers for FY2015-16 to further facilitate the development of affordable housing within Riverside County by developing Housing Authority or Successor Agency (HASA) owned properties, those that exclusively assist veterans or farmworker families or development projects to support applications for state and federal funding opportunities. To support this expansion, the maximum allotment allowed under regulations (20% of total allocation) will be reserved.</p> <p>7.0 The Housing Authority of the County of Riverside (HACR) currently owns and operates 469 units of affordable housing within the County of Riverside. Funding to maintain these units is derived from the Public Housing Program. The Public Housing Program has continued to be underfunded through the years, with additional budget cuts to the Capital Fund Program that provides the income source for the modernization of public housing units. This dilemma has forced the HACR to make tough choices between maximizing the funding for repairs or focusing on preventive maintenance. The current available funding has failed to keep up with the renovation needs to enhance the living conditions of residents. Further, through the Public Housing Program, residents do not have flexibility to choose where they prefer to live without losing housing assistance.</p> <p>The Rental Assistance Demonstration (RAD) Program is a voluntary program of the Department of Housing And Urban Development (HUD). RAD seeks to preserve public housing by providing Public Housing Agencies (PHA), such as the HACR, with access to more stable funding to make needed improvements to properties. RAD provides PHAs a way to rehabilitate, or repair, units without depending on additional money from the public sector. Three RAD applications representing three asset management projects have been submitted to HUD to project-base all 469 units. A feasibility study suggested that the best approach would be to do a straight RAD conversion with no debt or investor equity where the HACR would fund capital needs for upfront repairs using existing reserves and replacement reserve withdrawals over a 15-year period. If approved, public housing developments will be replaced with long term, project-based Section 8 Rental Assistance contracts in compliance with guidelines outlined in Notice PIH-2012-32 (HA), REV-1, specifically those allowed under the "First Component" outlined in the Notice. RAD is authorized by the Consolidated and Further Continuing Appropriations Act of 2012 (Public Law 112-55, approved November 18, 2011), which provided fiscal year 2012 appropriations for HUD (2012 Appropriations Act). The second component of RAD received additional authorization by the Consolidated Appropriations Act of 2014 (Public Law 113-76, approved January 17, 2014), which provided fiscal year 2014 appropriations for HUD (2014 Appropriations Act). RAD has two separate components: First component. The first component allows projects funded under the public housing and Section 8 Moderate Rehabilitation (Mod Rehab) programs to convert their assistance to long-term, project-based Section 8 rental assistance contracts. Under this component of RAD, public housing agencies (PHAs) and Mod Rehab owners may choose between two forms of Section 8 Housing Assistance Payment (HAP) contracts: project-based vouchers (PBVs) or project-based rental assistance (PBRA). No incremental funds are authorized for this component. PHAs and Mod Rehab owners will convert their assistance at current subsidy levels. Second component. The second component allows owners of projects funded under the Rent Supplement (Rent Supp), Rental Assistance Payment (RAP), and Mod Rehab programs to convert tenant protection vouchers (TPVs) to PBVs, upon contract expiration or, for owners of Rent Supp and RAP projects, termination, occurring after October 1, 2006, and no later than December 31, 2014. While there is no cap on the number of units that can convert assistance under this component of RAD, and no requirement for competitive selection, actions under this component are subject to the availability of TPVs. Sections II and III of this Notice provide further instructions for owners of Mod Rehab projects and owners of Rent Supp and RAP projects, respectively. Collectively, projects that convert their form of assistance under the Demonstration are referred to in this Notice as "covered projects." If the application is approved, the Agency will convert units identified under the First Component of the Notice. All other regulatory and statutory requirements of the PBV program in 24 CFR Part 983 and section 8 (o)(13) of the Act shall apply, including resident choice, environmental review, and fair housing requirements.</p>

The HACR continues to receive renewal funding to employ 7 full time FSS Coordinators. In 2013, the HACR FSS Program was one out of 17 other FSS Programs selected by MDRC (the firm contracted by HUD) to be a part the National FSS Evaluation Study.
