5. List any agencies with which the AAA has formal emergency preparation or response agreements.

Formal emergency preparation or response agreements are included in our contracted meal service providers' agreements, which are Sodexo, Inc. and Family Services Agreement currently. As the OoA is currently in the RFP process, the contractor may change dependent on the results of the bidding process

6. Describe how the AAA will:

- Identify vulnerable populations.
- Follow-up with these vulnerable populations after a disaster event.

Our vulnerable population is identified through existing client data base system that is accessible to our social workers and other trained staff via the internet at any location. In addition, our Disaster Preparedness Coordinator and assigned staff will be prioritizing the needs and identifying additional vulnerable populations. In coordination with the local OES, FEMA, and CDA, the OoA will follow-up with these vulnerable populations based on the prioritization. The follow-up will be telephonic or home visits of identified clients through the first responders that are coordinating the responses.

**2012-2016 Four-Year Planning Cycle**

**Funding for Access, In-Home Services, and Legal Assistance**

The CCR, Article 3, Section 7312, requires the AAA to allocate an "adequate proportion" of federal funds to provide Access, In-Home Services, and Legal Assistance in the PSA. The annual minimum allocation is determined by the AAA through the planning process. The minimum percentages of applicable Title III B funds <sup>43</sup> listed below have been identified for annual expenditure throughout the four-year planning period. These percentages are based on needs assessment findings, resources available within the PSA, and discussions at public hearings on the Area Plan.

Category of Service and the Percentage of Title III B Funds expended in/or to be expended in FY 2012-13 through FY 2015-16

**Access:**

Transportation, Assisted Transportation, Case Management, Information and Assistance, Outreach, Comprehensive Assessment, Health, Mental Health, and Public Information

12-13 **25.9%**    13-14 **25.9%**    14-15 **25.9%**    15-16 **25.9%**

**In-Home Services:**

Personal Care, Homemaker, Chore, Adult Day / Health Care, Alzheimer's, Residential Repairs/Modifications, Respite Care, Telephone Reassurance, and Visiting

12-13 **6%**    13-14 **6%**    14-15 **6%**    15-16 **6%**

**Legal Assistance Required Activities:** <sup>44</sup>

Legal Advice, Representation, Assistance to the Ombudsman Program and Involvement in the Private Bar

12-13 **3.5%**    13-14 **3.5%**    14-15 **3.5%**    15-16 **3.5%**

Explain how allocations are justified and how they are determined to be sufficient to meet the need for the service within the PSA. Based on target populations and prior year usage.

<sup>43</sup> Minimum percentages of applicable funds are calculated on the annual Title III B baseline allocation, minus Title IIIB administration and minus Ombudsman. At least one percent of the final Title IIIB calculation must be allocated for each "Priority Service" category or a waiver must be requested for the Priority Service category(s) that the AAA does not intend to fund.

<sup>44</sup> Legal Assistance must include all of the following activities: Legal Advice, Representation, Assistance to the Ombudsman Program and Involvement in the Private Bar.

Describe the methods to be used to ensure target populations will be served throughout the PSA.

The Riverside County Office on Aging (OoA) has been the direct service provider of the services indicated in the preceding list and will continue to do so in the coming fiscal year 2012-2013. The OoA assures that the targeted populations are served through various outreach efforts and partnerships with community based service organizations throughout the county, as detailed in the Objectives/Actions under the Goals section of the Plan. The OoA and its Advisory Council are constantly reviewing programs and making sure that targeted populations are reached. OoA staff and Advisory Council members attend community events and collaborative meetings to promote services.

**Briefly describe the local governing board's process to appoint Advisory Council members:**

Twelve members of the Advisory Council are selected by the Council members. When there is a vacancy, the vacancy is advertised in the local papers and on the agency's website. There is also an email blast through collaborative partners and through local senior organizations. The applications are accepted and reviewed by the Membership Committee of the Advisory Council. The applicants that are approved are then scheduled for an interview at the Riverside County Office on Aging. A member is selected by the committee and presented to the Advisory Council as an action item on the agenda. After approval by the Advisory Council, a request for approval is submitted to the Board of Supervisors. Once approved, the applicant becomes a member of the Advisory Council.

Five members of the Advisory Council are selected by each of the Board of Supervisors to represent their district. Each Board of Supervisor performs his own application, interview, and selection process. Once a member has been selected, the BOS informs the Office on Aging of the selection.

This section must be completed and submitted with the Four-Year Area Plan.  
 Any changes to this Section must be documented on this form and remitted with Area Plan Updates.<sup>52</sup>

1. Specific to Legal Services, what is your AAA's Mission Statement or Purpose Statement? Statement must include Title III B requirements: To enhance the quality of life across generations preventing elder abuse through community awareness, education, and providing access to legal services.
2. Based on your local needs assessment, what percentage of Title III B funding is allocated to Legal Services? A minimum of 3.5% of Title III B funding will be allocated to Legal Services.
3. Specific to legal services, has there been a change in your local needs in the past four years? If so, please identify the change (include whether the change affected the level of funding and the difference in funding levels in the past four years). There have been several changes in local needs in the past four years, including:

**Family Law:** Seniors have continued to become primary custodians of their grandchildren and the need for guardianships has continued to be strong. There is very limited free legal assistance available to assist seniors, and the need is greater in the rural areas.

**Consumer Law:** The number of seniors experiencing legal issues seems to be largely in two areas – consumer finance and foreclosures. As to consumer finance much of the focus involves credit card debt. Since issuers are permitted to make wholesale changes to terms without any express consent required by the cardholder seniors often see major interest rate and payment increases. When seniors default creditors are increasingly relying on litigation to try and collect. With foreclosures, many seniors were lured into negative amortization loans or ARMS that are now resetting to much higher payments.

**Consumer/Health Law:** As the senior population continues to increase, seniors who enter nursing homes and do not understand the coverage end up with significant debt and also have to sign themselves out.

**Need for In-Home Supportive Assistance** has been drastically reduced in the last four years; with most seniors unable to afford long term care, many are being cared for by family members who need more education about how to care for seniors especially for seniors who are suffering from diminished mental faculties.

There has also been a slight increase in Elder Financial Abuse over the past four years.

4. Specific to Legal Services, what is the targeted senior population and mechanism for reaching targeted groups in your PSA? Discussion: The targeted senior population are those seniors in the greatest social or economic need who do not have supportive resources to assist them with their personal business matters such as resolving a dispute with an insurance company or in dealing with family members or others who are being financially abusive. In person appointments are the

most effective but also the most costly. Conducting an initial telephone intake to screen for eligibility followed up by timely contact by a legal advocate or a scheduled appointment at a senior center near their area of residence has also been effective.

5. How many legal assistance service providers are in your PSA? Complete table below.

Fiscal Year	# of Legal Assistance Services Providers
2012-2013	1
2013-2014	1
2014-2015	1
2015-2016	1

6. Does your PSA have a hotline for legal services? Inland Counties Legal Services (ICLS) has a Housing Law Services Center that serves both Riverside and San Bernardino Counties which has a Housing Hotline component staffed by program paralegals who conduct client intake exclusively on housing cases.

Additionally, the ICLS Riverside Branch Office conducts Seniors Telephone Intake on the full range of civil legal problems handled by ICLS.

7. What methods of outreach are providers using? Discuss: During 2011-2012, ICLS paralegals conducted outreach through scheduled appointments at 8 senior citizen centers throughout Riverside County: 1 monthly, 4 every two months and 3 quarterly.

ICLS has published a Legal Guide for Seniors handbook with the last update in May, 2010; the Guide is widely disseminated by advocates to their clients and is also posted on the ICLS website.

8. What geographic regions are covered by each provider? Complete table below.

Fiscal Year	Name of Provider	Geographic Region covered
2012-2013	•a. Inland Legal Services •b. c.	a. All of Riverside County b. c.
2013-2014	a. Inland Legal Services b. c.	a. All of Riverside County b. c.
2014-2015	a. Inland Legal Services b. c.	a. All of Riverside County b. c.
2015-2016	a. Inland Legal Services b. c.	a. All of Riverside County b. c.

9. Discuss how older adults access Legal Services in your PSA: Older adults access legal services through outreach intake at senior citizen centers as well as through the telephone.

10. Identify the major types of legal issues that are handled by the TIII-B legal provider(s) in your PSA. Discuss (please include new trends of legal problems in your area): Major types of legal issues include: Housing; Family; Elder Abuse; Consumer; Benefits; Health; Simple wills.

Older Adults continue to take in their grandchildren and have a need for guardianships. Older Adults are increasingly being taken care of by their adult children who seek assistance with conservatorships. Financial Elder Abuse continues to be a serious problem with a perceived increase as the economy has worsened.

11. In the past four years, has there been a change in the types of legal issues handled by the TIII-B legal provider(s) in your PSA? Discuss: In the past four years, there has been an increase in Elder Abuse, Consumer Debt, Housing and Benefits legal problems as the economy has worsened.

12. What are the barriers to accessing legal assistance in your PSA? Include proposed strategies for overcoming such barriers. Discuss: The lack of adequate transportation, lack of sufficient legal staffing, and limited funding are barriers to accessing legal assistance in the PSA.

13. What other organizations or groups does your legal service provider coordinate services with? Discuss: The expectation is for the PSA's legal service providers to provide, at a minimum, a coordinated system of care through linkages with the Ombudsman program and the Health Insurance Counseling and Advocacy Program (HICAP).

**Justification:** For each service category checked "no", explain how it is being addressed within the PSA. The justification must include the following:

- Provider name and address of agency
- Description of the service
- Where the service be provided (entire PSA, certain counties, etc.)
- Information that influenced the decision not to provide the service (research, feedback from needs assessment, survey of senior population in PSA, etc.)
- How the AAA ensures the service continues to be provided in the PSA without the use of Title III E funds

Grandparents who are raising grandchildren ages 0-5 who qualify under the First 5 contract receive respite to take care of errands, medical appointments, and other needs. Those grandparents who do not fall in this category are referred to in-house respite services through the Office on Aging or other agencies that provide this service. Supplemental services are offered and available to grandparents through services and programs with the Office on Aging. The social worker with the Grandparents Raising Grandchildren program is able to make referrals for these services if needed and if the grandparents qualify for this type of assistance.

## CONCLUSION

“Focusing on a Healthy Tomorrow” is the overarching theme of the Riverside County Office on Aging’s 2012-2016 Strategic Plan and is reflected in our stated goals and objectives. As we look forward to the next four years, there is no doubt that the need for timely, diverse, and person-centered services will increase dramatically as a result of the aging Boomers and increasing diversity in the population that we serve. Static or non-growth funding that does not keep pace with inflation can only reduce our ability to meet the increasing needs of our aging population. Given this reality, we are challenged to find creative ways to pursue alternative funding, allocate existing resources more efficiently, and develop new dynamic programs that help meet the needs of older adults and adults with disability. Although we have planned activities based on the current demographic analysis and needs assessment, we are continuing ongoing trending analysis to develop responsive activities based on newly identified needs.

Through the provision of home and community based services, older adults are able to remain healthy and socially active, prolonging their ability to live independently in their own homes within their community. The alternatives are reduced quality of life and premature institutional care. Failure to provide funding for Older Americans and Older Californians Act programs that is commensurate with the increasing demand for service will come at great personal and financial cost to our County’s elders, disabled, their families, and to the community as a whole.
