Affordable Housing Loans that do not exceed \$75,000 and are funded with Community Development Block Grant (CDBG), Home Investment Partnerships Program (HOME), Neighborhood Stabilization Program (NSP), or California Department of Housing and Community Development (HCD) CalHome Funds;

3. Approve the attached form of Subordination Agreement; and
4. Authorize the Assistant County Executive Officer/EDA, or designee, to execute subordination agreements pursuant to the authority delegated in Resolution No. 2015-005, and take all necessary steps to implement the subordination agreements including, but not limited to, signing subsequent essential and relevant documents, subject to approval by County Counsel.

**BACKGROUND:**

**Summary**

The County of Riverside (County) Board of Supervisors approved the execution of affordable housing loan agreements (Loans) between the County and individual homeowners in connection with various down payment and rehabilitation assistance loan programs, including but not limited to the First Time Home Buyer Program, Home Repair Loan Program, Enhanced Home Repair Loan Program, Home Improvement Program, Mobile Home Tenant Loan Assistance Program, Fee Land Mobile Home Loan Program, Neighborhood Stabilization Homeownership Program, Neighborhood Stabilization Program 1 Homebuyer, Neighborhood Stabilization Program 3 Homebuyer, and other affordable housing loan programs administered by the County's Economic Development Agency (EDA). The aforementioned loan programs are funded with Community Development Block Grant (CDBG), Home Investment Partnerships Program (HOME), Neighborhood Stabilization Program (NSP), or California Department of Housing and Community Development (HCD) CalHome Funds.

The Loans are secured by recorded deeds of trust and do not exceed \$75,000 per homeowner with the County in a subordinated second position, and in a few cases, third position to the senior financing loans.

As mortgage interest rates come down, some individual homeowners desire to re-finance their existing senior loan and the County is requested to execute standard subordination agreements, re-subordinating the Loans to the new senior loan with better terms.

To facilitate implementation of the Loans, increase program efficiency and save administrative costs, staff recommends that the Board of Supervisors delegate authority to the Assistant County Executive Officer/EDA, or designee, to approve and execute subordination agreements relating to Loans that do not exceed \$75,000 and are funded with HCD CalHome, CDBG, HOME, or NSP funds provided the following conditions are satisfied, (i) the priority of the deed of trust securing the Loan remains the same or is improved, and (ii) the Loan is not subordinated to an amount greater than the existing senior loan. Staff also recommends that all subordination agreements conform in form and substance to the form of Subordination Agreement attached hereto as Attachment B or any other form first approved in writing by County Counsel. The delegation of authority recommended herein by staff will greatly benefit low and moderate income families within the County and ensure continued affordability of their homes.

The delegation of authority to the Assistant County Executive Officer/EDA, or designee, to approve and execute subordination agreements in connection with existing affordable housing loans, as more specifically described in Resolution No. 2015-005, is not a project under California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines Section 15378(b)(5), because it is a purely administrative activity of the government ensuring sustained long-term affordability for homeowners that will not result in direct or indirect

physical changes to the environment. Based on the aforementioned, County EDA staff has determined that the delegation of authority to approve and execute subordination agreements as set forth in resolution No. 2015-005 is also not an activity subject to CEQA pursuant to State CEQA Guidelines Section 15060(c)(3). Even if a determination is made that the proposed activity is a project subject to CEQA, the delegation of authority to approve and execute subordination agreements is exempt pursuant to State CEQA Guidelines Section 15061(b)(3) General Rule or "Common Sense" Exemption, as it can be seen with certainty that there is no possibility that the activity may have a significant effect on the environment, as it will have only administrative and financial effects and will not lead to any direct or reasonably indirect physical environmental impacts. A Notice of Exemption will be filed by the County EDA staff with the County Clerk within 5 days of the adoption of Resolution No. 2015-005.

County Counsel has reviewed and approved as to form the attached Resolution No. 2015-005 and form of Subordination Agreement. Staff recommends that the Board of Supervisors adopt Resolution No. 2015-005 and approve the attached form of Subordination Agreement.

**Impact on Citizens and Businesses**

2. The County Loan and the County Loan Documents shall at all times be junior and are hereby subordinated to the Senior Lender Loan and the Senior Lender Documents.

3. The Senior Lender would not have made the Senior Lender Loan, and the County would not have made the County Loan, without this Subordination Agreement.

4. This Agreement shall be the whole and only agreement with regard to the priority and subordination of the Senior Lender Loan, the Senior Lender Documents and the County Loan and the County Loan Documents, and shall supersede and cancel, but only insofar as would affect the priority among the loans and documents referred to hereinabove, any prior agreements as to such subordination including, but not limited to, those provisions, if any, contained in any of such loans and documents which provide for the subordination of the lien or charge thereof to another loan or loans, document or documents, deed or deeds of trust or to a mortgage or mortgages.

5. County and Senior Lender declare, agree and acknowledge that:

(a) County consents to and approves (i) all provisions of the Senior Lender Note and Senior Lender Deed of Trust; (ii) all agreements, including but not limited to reserve agreements, loan agreements, development or escrow agreements, between Borrower and Senior Lender for the origination, disbursement and servicing of the Senior Lender Loan, which prior to or concurrently herewith have been submitted to County. 6. Notwithstanding anything to the contrary contained in this Subordination Agreement, the Senior Lender hereby agrees as follows:

(a) Following any notice from the Senior Lender to the Borrower that a default or breach exists under the terms of the Senior Lender Documents and each of them, and prior to completion of a foreclosure sale thereunder, Senior Lender shall promptly (but in no event later than the following business day) send a copy of such notice ("Bank Notice of default") to the County by certified or registered U.S. Mail at the address set forth in Section 8. below, and the County shall have the right, but not the obligation, to cure the default as follows: County shall have ninety (90) days from receipt of the Bank Notice of Default to effect a cure prior to exercise of remedies by Senior Lender under the Senior Lender Documents, or such longer period of time as may be specified in the Senior Lender Documents, provided however, if the default is such that it is not reasonably capable of being cured within such ninety (90) days, or such longer period if so specified, and if the County (a) initiates corrective action within said period, and (b) diligently, continually, and in good faith works to effect a cure as soon as possible, then the County shall have such additional time as is reasonably necessary to cure the default prior to exercise of any remedies by Senior Lender.

(b) The County shall have the right, but not the obligation, during the cure periods set forth in Section 6. (a) above to cure Borrower's default relative to the Senior Lender Loan and Senior Lender shall accept any such cure and Senior Lender agrees that Senior Lender will not cause an acceleration (or will cause a de-acceleration) of the indebtedness or

other obligations of the Borrower under the Senior Lender Documents by reason of the default or breach which has been cured by the County;

(c) After a default under the Senior Lender Deed of Trust and/or other Senior Lender Documents, but prior to a foreclosure sale or deed in lieu assignment of the Property, the County shall have the right (for itself or any assignee of County), but not the obligation, to take title to the Property and cure the default relative to the Senior Lender Documents, without Senior Lender exercising any right it might otherwise have to accelerate the Senior Lender Loan by reason of such title transfer; and

(d) After a default under the Senior Lender Deed of Trust and/or other Senior Lender Documents, but prior to a foreclosure sale or deed in lieu assignment of the Property, the County shall have the right (for itself or any assignee of the County) (but not the obligation) to purchase the Property from the Borrower and pay all amounts due and owing under the Senior Lender Documents, and Senior Lender agrees that the acquisition of title to the Property by the County (or such assignee) shall not constitute an accelerating sale or transfer or an event of default pursuant to the Senior Lender Documents and that upon receipt of such payment Senior Lender shall immediately terminate, release, discharge and reconvey the Senior Lender Deed of Trust and any other liens or encumbrances of Senior Lender on the Property.

7. In connection with the County Loan, County and Borrower have executed and recorded in the Official Records the County Covenants and its priority is not affected by this Agreement, and shall not be extinguished, terminated or cancelled by a foreclosure sale under the Senior Lender Loan.

In addition, in connection with the County Loan, County and Borrower have executed and recorded in the Official Records a [insert information regarding the Regulatory/Covenant Agreement if applicable] dated month, day, year and recorded on month, day, year in the Official Records as Document No. \_\_\_\_\_ ("County Covenants"). The County Covenants and its priority is not affected by this Agreement. The County Covenants is not a County Loan Document;

WHEREAS, pursuant to a Loan Agreement ("Senior Lender Loan Agreement") dated as of month, day, year, by and between Senior Lender and Borrower, Senior Lender has provided a loan to Borrower in the approximate principal amount of [write out 1<sup>st</sup> loan amount] (\$ \_\_\_\_\_) ("Senior Lender Loan"). The Senior Lender Loan is evidenced by a promissory note in the amount equal to the Senior Lender Loan, dated month, day, year and executed by Borrower in favor of the Senior Lender ("Senior Lender Note"). The Senior Lender Note is secured by that certain Deed of Trust executed by Borrower for the benefit of Senior Lender dated month, day, year, and recorded on month, day, year in the Official Records as Document No. \_\_\_\_\_ ("Senior Lender Deed of Trust") against the Property;

WHEREAS, the Senior Lender Loan Agreement, Senior Lender Note, and Senior Lender Deed of Trust are referred to collectively herein as the "Senior Lender Documents;"

WHEREAS, The Senior Lender is willing to make the Senior Lender Loan provided the Senior Lender Documents are liens, claims or charges upon the Property prior and superior to the County Loan Documents, and provided that the County specifically and unconditionally subordinates and subjects the County Loan Documents to the liens, claims or charges of the Senior Lender Documents; and

WHEREAS, County is willing to specifically and unconditionally subordinate the County Loan Documents to achieve and maintain the order of priority listed in the recital above.

NOW THEREFORE, in consideration of the mutual benefits accruing to the lenders and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the County and Senior Lender hereby agree as follows:

1. The Senior Lender Loan and the Senior Lender Documents shall at all times be prior and superior to the liens or charges of the County Loan and the County Loan Documents.

2. The County Loan and the County Loan Documents shall at all times be junior and are hereby subordinated to the Senior Lender Loan and the Senior Lender Documents.

3. The Senior Lender would not have made the Senior Lender Loan, and the County would not have made the County Loan, without this Subordination Agreement.

4. This Agreement shall be the whole and only agreement with regard to the priority and subordination of the Senior Lender Loan, the Senior Lender Documents and the County Loan and the County Loan Documents, and shall supersede and cancel, but only insofar as would affect the priority among the loans and documents referred to hereinabove, any prior agreements as to such subordination including, but not limited to, those provisions, if any, contained in any of such loans and documents which provide for the subordination of the lien or charge thereof to another loan or loans, document or documents, deed or deeds of trust or to a mortgage or mortgages.

5. County and Senior Lender declare, agree and acknowledge that:

(a) County consents to and approves (i) all provisions of the Senior Lender Note and Senior Lender Deed of Trust; (ii) all agreements, including but not limited to reserve agreements, loan agreements, development or escrow agreements, between Borrower and Senior Lender for the origination, disbursement and servicing of the Senior Lender Loan, which prior to or concurrently herewith have been submitted to County. Any increase in Senior Lender Loan amount shall require the prior consent of the County;

(b) Senior Lender consents to and approves all provisions of the County Loan Documents described in the Recitals, above; and

(c) County intentionally and unconditionally waives, relinquishes and subordinates the lien, charge and encumbrance of the County Loan Documents in favor of the prior lien, charge and encumbrance of the Senior Lender Documents as set forth in Paragraph 1 above upon the Property as referred to in this Agreement in favor of the Senior Lender in the order of priority specified in this Agreement and understands that in reliance upon, and in consideration of, this waiver, relinquishment and subordination, specific loans and advances are being and will be made, and specific monetary and other obligations are being and will be entered into which would not be made or entered into but for Senior Lender's reliance upon this waiver, relinquishment and subordination.

6. Notwithstanding anything to the contrary contained in this Subordination Agreement, the Senior Lender hereby agrees as follows:

(a) Following any notice from the Senior Lender to the Borrower that a default or breach exists under the terms of the Senior Lender Documents and each of them, and prior to completion of a foreclosure sale thereunder, Senior Lender shall promptly (but in no event later than the following business day) send a copy of such notice ("Bank Notice of default") to the County by certified or registered U.S. Mail at the address set forth in Section 8. below, and the County shall have the right, but not the obligation, to cure the default as follows: County shall have ninety (90) days from receipt of the Bank Notice of Default to effect a cure prior to exercise of remedies by Senior Lender under the Senior Lender Documents, or such longer period of time as may be specified in the Senior Lender Documents, provided however, if the default is such that it is not reasonably capable of being cured within such ninety (90) days, or such longer period if so specified, and if the County (a) initiates corrective action within said period, and (b) diligently, continually, and in good faith works to effect a cure as soon as possible, then the County shall have such additional time as is reasonably necessary to cure the default prior to exercise of any remedies by Senior Lender.

(b) The County shall have the right, but not the obligation, during the cure periods set forth in Section 6. (a) above to cure Borrower's default relative to the Senior Lender Loan and Senior Lender shall accept any such cure and Senior Lender agrees that Senior Lender will not cause an acceleration (or will cause a de-acceleration) of the indebtedness or

other obligations of the Borrower under the Senior Lender Documents by reason of the default or breach which has been cured by the County;

(c) After a default under the Senior Lender Deed of Trust and/or other Senior Lender Documents, but prior to a foreclosure sale or deed in lieu assignment of the Property, the County shall have the right (for itself or any assignee of County), but not the obligation, to take title to the Property and cure the default relative to the Senior Lender Documents, without Senior Lender exercising any right it might otherwise have to accelerate the Senior Lender Loan by reason of such title transfer; and

(d) After a default under the Senior Lender Deed of Trust and/or other Senior Lender Documents, but prior to a foreclosure sale or deed in lieu assignment of the Property, the County shall have the right (for itself or any assignee of the County) (but not the obligation) to purchase the Property from the Borrower and pay all amounts due and owing under the Senior Lender Documents, and Senior Lender agrees that the acquisition of title to the Property by the County (or such assignee) shall not constitute an accelerating sale or transfer or an event of default pursuant to the Senior Lender Documents and that upon receipt of such payment Senior Lender shall immediately terminate, release, discharge and reconvey the Senior Lender Deed of Trust and any other liens or encumbrances of Senior Lender on the Property.

7. In connection with the County Loan, County and Borrower have executed and recorded in the Official Records the County Covenants and its priority is not affected by this Agreement, and shall not be extinguished, terminated or cancelled by a foreclosure sale under the Senior Lender Loan.

8. All Notices provided for in this Agreement shall be deemed received when personally delivered, or two (2) days following mailing by certified mail, return receipt requested.
