SUBJECT: Resolution No. 2015-096 Jurupa Valley Unified School District General Obligation Bonds 2014 Election, 2015 Series A; 2nd Dist.; [\$0] (Vote on Separately)

RECOMMENDED MOTION: That the Board of Supervisors:

1. Approve and adopt Resolution No. 2015-096 authorizing and approving the issuance and sale of Jurupa Valley Unified School District General Obligation Bonds, 2014 Election, 2015 Series A in a principal amount not to exceed \$35,000,000 some of which may provide for the compounding of interest and approving other related matters.

BACKGROUND:

Summary

Education Code Section 15140 requires that General Obligation Bonds of a school district be offered for sale by the Board of Supervisors of the County when the County's Superintendent of Schools has jurisdiction over the district and when the district wishes to offer its bonds via a negotiated sale. Although California law permits a board of supervisors to opt out of that requirement, this Board has not adopted the necessary enabling resolution. At the same time, the County Treasurer has taken the position that school districts should not be negotiating the sale of bonds without his participation. (Continued on Page 2.)

BACKGROUND:
Summary (continued).

Jurupa Valley Unified School District (the "District"), under the jurisdiction of the Riverside County Superintendent of Schools, wishes to offer bonds via a negotiated sale. Accordingly, the District Board of Education adopted a resolution requesting this Board to sell the District's general obligation bonds which have been duly authorized by the voters of the District.

An election was held on November 4, 2014 pursuant to Section 1 of Article XIII A of the California Constitution, Section 18 of Article XVI of the California Constitution, and Chapter 1 of Part 10 of Division 1 of Title 1 (Section 15266) of the Education Code, codifying, in part, Proposition 39. The measure, which was approved by more than fifty-five percent of the votes cast by eligible voters of the District, authorized the incurrence of general obligation bonded indebtedness in an aggregate principal amount not to exceed \$144,000,000.

Resolution 2015-096 authorizes the issuance and sale of Jurupa Valley Unified School District General Obligation Bonds, 2014 Election, 2015 Series A (the "2015 Series A Bonds") in a principal amount not to exceed \$35,000,000. The proceeds of the 2015 Series A Bonds will be used to finance authorized school facilities within the District.

Due to constraints on the tax rate levy imposed on the issuance of the 2015 Series A Bonds under the provisions of Proposition 39, the District has requested that some of the 2015 Series A Bonds be issued as capital appreciation bonds which by their terms compound interest. The maximum permitted tax levy rate per \$100,000 of assessed valuation set forth in Proposition 39 is \$60.00 for the District. Without the use of capital appreciation bonds, the District has determined that it could not generate sufficient funds to complete pending projects for several years.

Assembly Bill 182 amended the California Education Code and the California Government Code to authorize the issuance of capital appreciation bonds when certain conditions are met. The District resolution reflects that the District has complied with all the requirements of AB 182. Specifically, AB 182 limits the amount of debt service that can be paid on bonds, including capital appreciation bonds, such that total debt service can be no more than 4 times greater than the principal amount of the bonds. The District estimates that total debt service on the 2015 Series A Bonds will be no more than 1.66 times greater than the principal amount of the 2015 Series A Bonds.

The 2015 Series A Bonds represent a general obligation of the District and do not constitute a debt, liability, or obligation of the County. No part of any fund of the County is pledged or obligated to the payment of the 2015 Series A Bonds.

County Counsel has reviewed Resolution No. 2015-096 and has approved it as to form.

Impact on Citizens and Businesses

The voters of the District approved the levy of ad valorem property taxes to pay for increased bonded indebtedness. In exchange for the increased taxes, the citizens in the District will receive new and improved District facilities.

17 Interest Bonds or Capital Appreciation Bonds, or a combination of both, may be issued as serial
18 bonds or term bonds, and shall be subject to redemption as set forth in the Contract of Purchase,
19 subject to the provisions of this Resolution.

20 (b) The forms of the Bonds shall be substantially in conformity with the
21 standard form of registered bonds, copies of which are attached hereto as Exhibits A and B hereto
22 and incorporated herein by this reference, with such changes as are necessary to reflect the final
23 terms of the Bonds.

24 (c) Principal of and, premium, if any, and interest on any Bond shall be
25 payable in lawful money of the United States of America. Principal and premium, if any, shall be
26 payable upon surrender thereof at maturity or earlier redemption at the office designated by the
27 Paying Agent.

28

1 SECTION 9. Description of Current Interest Bonds.

2 (a) The Bonds issued as Current Interest Bonds shall be issued in fully
3 registered form, in Authorized Denominations of \$5,000 or any integral multiple thereof. The
4 Current Interest Bonds shall be dated and shall mature on the dates, in the years and in the
5 Principal Amounts, and interest shall be computed at the rates, as set forth in the Contract of
6 Purchase.

7 (b) Interest on each Current Interest Bond shall accrue from its dated date as
8 set forth in the Contract of Purchase. Interest on the Current Interest Bonds shall be computed
9 using a year of 360 days comprised of twelve 30-day months and shall be payable on each
10 Interest Payment Date to the Owner thereof as of the close of business on the Record Date.
11 Interest on each Current Interest Bond will be payable from the Interest Payment Date next
12 preceding the date of registration thereof, unless (i) it is registered after the close of business on
13 any Record Date and before the close of business on the immediately following Interest Payment
14 Date, in which event interest thereon shall be payable from such following Interest Payment Date;
15 or (ii) it is registered prior to the close of business on the first Record Date, in which event
16 interest shall be payable from its dated date; provided, however, that if at the time of registration
17 of any Current Interest Bond, interest with respect thereto is in default, interest thereon shall be
18 payable from the Interest Payment Date to which interest has previously been paid or made
19 available for payment. Payments of interest on the Current Interest Bonds will be made on each
20 Interest Payment Date by check or draft of the Paying Agent sent by first-class mail, postage
21 prepaid, to the Owner thereof on the Record Date, or by wire transfer to any Owner of \$1,000,000
22 aggregate Principal Amount or more of such Current Interest Bonds, to the account specified by
23 such Owner in a written request delivered to the Paying Agent on or prior to the Record Date for
24 such Interest Payment Date; provided, however, that payments of defaulted interest shall be
25 payable to the person in whose name such Current Interest Bond is registered at the close of
26 business on a special record date fixed therefor by the Paying Agent which shall not be more than
27
28

1 fifteen days and not less than ten days prior to the date of the proposed payment of defaulted
2 interest.

3 SECTION 10. Description of the Capital Appreciation Bonds.

4 (a) The Bonds issued as Capital Appreciation Bonds shall be issued in fully
5 registered form in any Denominational Amount but shall reflect denominations of \$5,000
6 Maturity Amount or any integral multiple thereof, shall mature on the dates, in the years and in
7 the Maturity Amounts and shall accrete interest at the accretion rates, all as set forth in the
8 Contract of Purchase.

9 (b) Interest on each Capital Appreciation Bond shall be compounded
10 semiannually on February 1 and August 1 of each year until maturity, or as otherwise set forth in
11 the Contract of Purchase, commencing on the date set forth therein, computed using a year of 360
12 days comprised of twelve 30-day months, and shall be payable only at maturity as part of the
13 Maturity Amount.

14 SECTION 11. Required Information Regarding Capital Appreciation Bonds
15 under AB 182. Pursuant to Education Code Section 15146(b) and (c), the District Board was
16 presented with information related to the Capital Appreciation Bonds regarding: (i) their proposed
17 financing term and time of maturity; (ii) their repayment ratio; and (iii) the estimated change in
18 assessed valuation of taxable property in the District over the term of the Bonds. Items described
19 in Exhibit D summarize the information provided to the District Board prior to its adoption of the
20 District Resolution. The District has covenanted in the District Resolution that the issuance of the
21 Bonds will not result in a ratio of total Debt Service (as defined on pg. 6) on the Bonds to the
22 Principal Amount of more than 4.0:1.0 as mandated by Section 15144.1 of the Education Code.
23 The Underwriter's Rule G-17 submission was provided to the District Board.

24 SECTION 12. Tax Covenants. In order to maintain the exclusion from gross
25 income for federal income tax purposes of interest on the Bonds, the District has, pursuant to the
26 District Resolution, covenanted to comply with each applicable requirement of Section 103 and
27
28

1 Sections 141 through 150 of the Code. The District has agreed to deliver instructions to
2 the Paying Agent as may be necessary in order to comply with the Nonarbitrage Certificate.

3 SECTION 13. Book-Entry System.

4 (a) The Bonds shall be initially issued in the form of a separate single fully
5 registered Bond for each of the maturities of the Bonds. Separate Bonds may be issued to
6 represent Bonds maturing in the same years, if any.

7 Upon initial issuance, the ownership of each such global Bond shall be registered in the
8 Bond Register in the name of the Nominee as nominee of the Depository. Except as provided in
9 subsection (c) hereof, all of the Outstanding Bonds shall be registered in the Bond Register in the
10 name of the Nominee and the Bonds may be transferred, in whole but not in part, only to the
11 Depository, to a successor Depository or to another nominee of the Depository or of a successor
12 Depository. Each Bond shall bear a legend describing restrictions on transfer, as may be
13 prescribed by the Depository.

14 With respect to Bonds registered in the Bond Register in the name of the Nominee, the
15 County shall have no responsibility or obligation to any Participant or to any person on behalf of
16 which such a Participant holds a beneficial interest in the Bonds. Without limiting the
17 immediately preceding sentence, the District shall have no responsibility or obligation with
18 respect to (i) the accuracy of the records of the Depository, the Nominee or any Participant with
19 respect to any beneficial ownership interest in the Bonds, (ii) the delivery to any Participant,
20 beneficial owner or any other person, other than the Depository, of any notice with respect to the
21 Bonds, including any Redemption Notice (as defined in Section 29 below), (iii) the selection by
22 the Depository and the Participants of the beneficial interests in the Bonds to be redeemed in part,
23 or (iv) the payment to any Participant, beneficial owner or any other person, other than the
24 Depository, of any amount with respect to Principal of, premium, if any, and interest on the
25 Bonds. The District and the Paying Agent may treat and consider the person in whose name each
26 Bond is registered in the Bond Register as the holder and absolute Owner of such Bond for the
27 purpose of payment of Principal of, premium, if any, and interest on such Bond, for the purpose
28

1 of giving Redemption Notices and other notices with respect to such Bond, and for all other
2 purposes whatsoever, including, without limitation, registering transfers with respect to the
3 Bonds.

4 The Paying Agent shall pay all Principal of, premium, if any, and interest on the Bonds
5 only to the respective Owners, as shown in the Bond Register, and all such payments shall be
6 valid hereunder with respect to payment of Principal of, premium, if any, and interest on the
7 Bonds to the extent of the sum or sums so paid. No person other than an Owner, as shown in the
8 Bond Register, shall receive a Bond evidencing the obligation to make payments of Principal of,
9 premium, if any, and interest, pursuant to this Resolution. Upon delivery by the Depository to the
10 Paying Agent and the County of written notice to the effect that the Depository has determined to
11 substitute a new nominee in place of the Nominee, and subject to the provisions hereof with
12 respect to Record Dates, the word "Nominee" in this Resolution shall refer to such new nominee
13 of the Depository.

14 (b) In order to qualify the Bonds for the Depository's book-entry system, the
15 District is hereby authorized to execute and deliver to such Depository a letter from the District
16 representing such matters as shall be necessary to so qualify the Bonds (the "**Representation**
17 **Letter**"). The execution and delivery of the Representation Letter shall not in any way limit the
18 provisions of subsection (a) hereof or in any other way impose upon the County any obligation
19 whatsoever with respect to persons having beneficial interests in the Bonds other than the
20 Owners, as shown in the Bond Register. In addition to the execution and delivery of the
21 Representation Letter, the District, the County and the Authorized Officers of each are hereby
22 authorized to take any other actions, not inconsistent with this Resolution, to qualify the Bonds
23 for the Depository's book-entry program.

24 (c) If at any time, the Depository notifies the County that it is unwilling or
25 unable to continue as Depository with respect to the Bonds or if at any time the Depository shall
26 no longer be registered or in good standing under the Securities Exchange Act or other applicable
27 statute or regulation and a successor Depository is not appointed by the District within 90 days
28

1 after the County receives notice or become aware of such condition, as the case may be,
2 subsection (a) hereof shall no longer be applicable and the County shall cause the issuance of
3 bonds representing the Bonds as provided below. In addition, the County may determine at any
4 time that the Bonds shall no longer be lodged with a Depository and that the provisions of
5 subsection (a) hereof shall no longer apply to the Bonds. In any such event, the County shall
6 cause the execution and delivery of certificated securities representing the Bonds as provided
7 below. Bonds issued in exchange for global bonds pursuant to this Subsection (c) shall be
8 registered in such names and delivered in such denominations as the Depository shall instruct the
9 County. The County shall cause delivery of such certificated securities representing the Bonds to
10 the persons in whose names such Bonds are so registered.

11 If the County determines to replace the Depository with another qualified securities
12 depository, the County shall prepare or cause to be prepared a new fully registered global Bond
13 for each of the maturities of Bonds, registered in the name of such successor or substitute
14 securities depository or its nominee, or make such other arrangements as are acceptable to the
15 County and such securities depository and not inconsistent with the terms of this Resolution.

16 (d) Notwithstanding any other provision of this Resolution to the contrary, so
17 long as any Bond is registered in the name of the Nominee, all payments of Principal of,
18 premium, if any, and interest on such Bond and all notices with respect to such Bond shall be
19 made and given, respectively, as provided in the Representation Letter or as otherwise instructed
20 by the Depository.

21 (e) The initial Depository under this Resolution shall be DTC. The initial
22 Nominee shall be Cede & Co., as nominee of DTC.

23 (f) The County, the District and the Paying Agent shall have no responsibility
24 for transmitting payments to, communicating with, notifying, or otherwise dealing with any
25 beneficial owners of the Bonds, and neither the County, the District nor the Paying Agent shall
26 have any responsibility or obligation, legal or otherwise, to the beneficial owners or to any other
27 party, including the Depository or its Nominee, for any failure of the Depository or its Nominee
28

1 to provide notices, distribute payments on the Bonds nor take other actions concerning the
2 beneficial owners of the Bonds, which are the responsibility of the Depository and its Nominee.

3 SECTION 14. Execution of the Bonds.

4 (a) The Bonds shall be executed by the facsimile or manual signature of the
5 Chairperson of the Board, and countersigned by the facsimile or manual signature of the Clerk of
6 the Board. In case any one or more of the Authorized Officers of the County who shall have
7 signed any of the Bonds shall cease to be such officer before the Bonds so signed shall have been
8 issued on behalf of the District, such Bonds may, nevertheless, be issued, as herein provided, as if
9 the Authorized Officers of the County who signed such Bonds had not ceased to hold such
10 offices. Any of the Bonds may be signed on behalf of the County by such persons as at the time
11 of the execution of such Bonds shall be duly authorized to hold or shall hold the proper offices in
12 the County, although at the date borne by the Bonds, such persons may not have been so
13 authorized or have held such offices.

14 (b) The Bonds shall bear thereon a certificate of authentication executed
15 manually by the Paying Agent. Only such Bonds as shall bear thereon such certificate of
16 authentication duly executed by the Paying Agent shall be entitled to any right or benefit under
17 this Resolution and no Bond shall be valid or obligatory for any purpose until such certificate of
18 authentication shall have been duly executed by the Paying Agent, which shall be conclusive
19 evidence that the Bond so authorized has been duly authenticated and delivered under this
20 Resolution and that the Owner thereof is entitled to the benefit of this Resolution.

21 SECTION 15. Transfer and Exchange. The registration of any Bond may be
22 transferred upon the Bond Register upon surrender of such Bond to the Paying Agent. Such Bond
23 shall be endorsed or accompanied by delivery of the written instrument of transfer shown in one
24 of the Exhibits hereto, duly executed by the Owner or his duly authorized attorney, and payment
25 of such reasonable transfer fees as the Paying Agent may establish. Upon such registration of
26 transfer, a new Bond or Bonds, of like tenor and maturity in the same Principal Amount and in
27 Authorized Denominations will be executed and delivered to the transferee in exchange therefor.
28

1 The Paying Agent shall deem and treat the person in whose name any Outstanding Bond
2 shall be registered upon the Bond Register as the absolute owner of such Bond, whether the
3 Principal, premium, if any, or interest with respect to such Bond shall be overdue or not, for the
4 purpose of receiving payment of Principal of and, premium, if any, and interest on such Bond and
5 for all other purposes, and any such payments so made to any such Owner or upon his order shall
6 be valid and effective to satisfy and discharge the liability upon such Bond to the extent of the
7 sum or sums so paid, and the District or the Paying Agent shall not be affected by any notice to
8 the contrary.

9 Bonds may be exchanged at the office of the Paying Agent for Bonds of like tenor,
10 maturity and Principal Amount. All Bonds surrendered in any such exchange shall thereupon be
11 cancelled by the Paying Agent. The Paying Agent may charge the Owner a reasonable sum for
12 each new Bond executed and delivered upon any exchange (except in the case of the first
13 exchange of any Bond in the form in which it is originally delivered, for which no charge shall be
14 imposed) and the Paying Agent may require the payment by the Owner requesting such exchange
15 of any tax or other governmental charge required to be paid with respect to such exchange.

16 The Paying Agent shall not be required to register the transfer or exchange of any Bond
17 (i) during the period beginning at the close of business on any Record Date through the close of
18 business on the immediately following Interest Payment Date, or (ii) that has been called or is
19 subject to being called for redemption, during a period beginning at the opening of business 15
20 days before any selection of Bonds to be redeemed through the close of business on the
21 applicable redemption date, except for the unredeemed portion of any Bond to be redeemed only
22 in part.

23 SECTION 16. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond
24 shall become mutilated, the Paying Agent, at the expense of the Owner, shall deliver a new Bond
25 of like date, interest rate, maturity, Transfer Amount and tenor as the Bond so mutilated in
26 exchange and substitution for such mutilated Bond, upon surrender and cancellation thereof. All
27 Bonds so surrendered shall be cancelled. If any Bond shall be destroyed, stolen or lost, evidence
28

1 of such destruction, theft or loss may be submitted to the Paying Agent and if such evidence is
2 satisfactory to the Paying Agent that such Bond has been destroyed, stolen or lost, and upon
3 furnishing the Paying Agent with indemnity satisfactory to the Paying Agent and complying with
4 such other reasonable regulations as the Paying Agent may prescribe and paying such expenses as
5 the Paying Agent may incur, the Paying Agent shall, at the expense of the Owner, execute and
6 deliver a new Bond of like date, interest rate, maturity, Transfer Amount and tenor in lieu of and
7 in substitution for the Bond so destroyed, stolen or lost. Any new Bonds issued pursuant to this
8 Section in substitution for Bonds alleged to be destroyed, stolen or lost shall constitute original
9 additional contractual obligations on the part of the District, whether or not the Bonds so alleged
10 to be destroyed, stolen or lost are at any time enforceable by anyone, and shall be equally secured
11 by and entitled to equal and proportionate benefits with all other Bonds issued under this
12 Resolution in any moneys or securities held by the Paying Agent for the benefit of the Owners of
13 the Bonds.

14 SECTION 17. Bond Register. The Paying Agent shall keep or cause to be kept
15 at its office sufficient books for the registration and registration of transfer of the Bonds. Upon
16 presentation for registration of transfer, the Paying Agent shall, as above provided and under such
17 reasonable regulations as it may prescribe subject to the provisions hereof, register or register the
18 transfer of the Bonds, or cause the same to be registered or cause the registration of the same to
19 be transferred, on such books. While the Bonds are held in the book-entry system, the Paying
20 Agent is not required to keep the Bond Register.

21 SECTION 18. Unclaimed Money. All money which the Paying Agent shall
22 have received from any source and set aside for the purpose of paying or redeeming any of the
23 Bonds shall be held in trust for the respective Owners of such Bonds, but any money which shall
24 be so set aside or deposited by the Paying Agent and which shall remain unclaimed by the
25 Owners of such Bonds for a period of one year after the date on which any payment or
26 redemption with respect to such Bonds shall have become due and payable shall be transferred to
27 the General Fund of the District; provided, however, that the Paying Agent, before making such
28

1 payment, shall cause notice to be mailed to the Owners of such Bonds, by first-class mail, postage
2 prepaid, not less than 90 days prior to the date of such payment to the effect that said money has
3 not been claimed and that after a date named therein any unclaimed balance of said money then
4 remaining will be transferred to the General Fund of the District. Thereafter, the Owners of such
5 Bonds shall look only to the General Fund of the District for payment of such Bonds.

6 SECTION 19. Application of Proceeds.

7 (a) The net proceeds of sale of the Bonds, exclusive of Costs of Issuance and
8 any original issue premium, shall be deposited into the Building Fund. The District shall, from
9 time to time, disburse or cause to be disbursed amounts from the Building Fund to pay Project
10 Costs. Amounts in the Building Fund shall be invested so as to be available for the
11 aforementioned disbursements. The District shall keep a written record of disbursements from
12 the Building Fund.

13 (b) Except as shall otherwise be directed by the County in accordance with
14 applicable law, any original issue premium received by the District from the sale of the Bonds
15 shall be kept separate and apart in the fund hereby created and established and to be designated as
16 the "Jurupa Unified School District General Obligation Bonds, 2014 Election, 2015 Series A
17 Debt Service Fund" (the "**Debt Service Fund**") and used only for payment of Principal of and
18 premium, if any, and interest on the Bonds. Any excess proceeds of the Bonds not needed for the
19 authorized purposes set forth herein for which the Bonds are being issued shall be transferred to
20 the Debt Service Fund and applied to the payment of the Principal of and interest on the Bonds.
21 The Treasurer is authorized to create any accounts and subaccounts in the Debt Service Fund as
22 may be necessary or advisable and as provided in the Nonarbitrage Certificate.

23 (c) All Pledged Moneys (defined below) shall be deposited upon collection by
24 the County into the Debt Service Fund and used for the payment of the Principal of, premium, if
25 any, and interest on the Bonds.

26 (d) On the Business Day immediately preceding each Interest Payment Date if
27 the Paying Agent is not the Treasurer, and on the Interest Payment Date if the Paying Agent is the
28

1 Treasurer, the District shall transfer or cause to be transferred from the Debt Service Fund to the
2 Paying Agent, an amount, in immediately available funds, sufficient to pay all the Principal of,
3 premium, if any, and interest on the Bonds coming due (collectively, “Debt Service”) on such
4 payment date. Debt Service on the Bonds shall be paid by the Paying Agent in the manner
5 provided by law for the payment of Debt Service.

6 (e) The District shall cause moneys to be transferred to the Excess Earnings
7 Fund, to the extent needed to comply with the Nonarbitrage Certificate. Any amounts on deposit
8 in the Debt Service Fund when there are no longer any Bonds Outstanding shall be transferred to
9 the General Fund of the District subject to any conditions set forth in the Nonarbitrage Certificate.

10 (f) Certain proceeds of the Bonds may be applied to pay Costs of Issuance as
11 provided in Section 22 below.

12 (g) Except as required to satisfy the requirements of Section 148(f) of the Code
13 or to comply with the provisions of the Nonarbitrage Certificate, interest earned on the investment
14 of monies held in the Debt Service Fund shall be retained in the Debt Service Fund and used to
15 pay Principal of and premium, if any, and interest on the Bonds when due.

16 SECTION 20. Payment of and Security for the Bonds. There shall be levied
17 on all the taxable property in the District, in addition to all other taxes, a continuing direct *ad*
18 *valorem* tax annually during the period the Bonds are outstanding in an amount sufficient to pay
19 the Principal of and interest on the Bonds when due, which monies when collected will be placed
20 in the Debt Service Fund of the District, which fund is irrevocably pledged for the payment of the
21 Principal of and interest on the Bonds when and as the same fall due (the “Pledged Moneys”).
22 The tax levy may include an allowance for a reasonably required reserve in accordance with the
23 Nonarbitrage Certificate, established for the purpose of ensuring that the tax or assessment
24 actually collected is sufficient to pay the annual debt service requirements on the Bonds due in
25 such fiscal year. The County shall take all actions necessary to levy such *ad valorem* tax in
26 accordance with this Section and Section 15140 of the Education Code.

1 Except as required below to satisfy the requirements of Section 148(f) of the Code,
2 interest earned on the investment of monies held in the Debt Service Fund shall be retained in the
3 Debt Service Fund and used to pay Principal of and premium, if any, and interest on the Bonds
4 when due.

5 SECTION 21. Establishment and Application of Excess Earnings Fund. There
6 is hereby established in trust a special fund designated "Jurupa Unified School District General
7 Obligation Bonds, 2014 Election, 2015 Series A Excess Earnings Fund" (the "**Excess Earnings**
8 **Fund**") which shall be held by the Treasurer for the account of the District and which shall be
9 kept separate and apart from all other funds and accounts held hereunder. The District shall have
10 the obligation to manage the Excess Earnings Fund in accordance with the provisions of the
11 Nonarbitrage Certificate.

12 SECTION 22. Payment of Costs of Issuance. Proceeds of the sale of the
13 Bonds necessary to pay certain costs of issuing the Bonds may be deposited in the fund of the
14 District known as the "Jurupa Unified School District General Obligation Bonds, 2014 Election,
15 2015 Series A Costs of Issuance Fund" (the "**Costs of Issuance Fund**") and shall be kept
16 separate and distinct from all other District funds, and those proceeds shall be used solely for the
17 purpose of paying Costs of Issuance of the Bonds. The Cost of Issuance Fund may be held and
18 administered by the Paying Agent. Any amounts remaining in the Costs of Issuance Fund
19 following payment of all Costs of Issuance shall be returned to the District and shall be
20 transferred to the Building Fund.

21 SECTION 23. Negotiated Sale/Method of Sale. Pursuant to the District
22 Resolution, the District has requested that the Bonds shall be sold by negotiated sale to the
23 Underwriter inasmuch as: (i) such a sale will allow the District to integrate the sale of the Bonds
24 with other public financings undertaken, or to be undertaken, by the District in order to fund its
25 public education facilities; (ii) such a sale will allow the District to utilize the services of
26 consultants who are familiar with the financial needs, status and plans of the District; and (iii)
27 such a sale will allow the District to control the timing of the sale of the Bonds to the municipal
28

1 bond market and, potentially, take advantage of interest rate opportunities for favorable sale of
2 the Bonds to such market and the generation of savings to the taxpayers of the District.

3 SECTION 24. Engagement of Consultants; Parameters of Sale. Pursuant to
4 the District Resolution, Nixon Peabody LLP has been selected as the District's Bond Counsel,
5 McFarlin & Anderson LLP, as Disclosure Counsel, Stifel, Nicolaus & Co., Incorporated, as
6 Underwriter, and Dolinka Group, LLC as Financial Advisor with respect to the authorization, sale
7 and issuance of the Bonds. The estimated Costs of Issuance associated with the sale of the Bonds
8 are approximately 1.5% of the initial Principal Amount of the Bonds, which include those fees
9 and expenses described in the definition thereof and provided for under the Authorizing Law. In
10 addition, the Underwriter's discount, which is not included in the percentage above, shall not be
11 greater than 0.70% of the par amount. An estimate of the itemized fees and expenses is on file
12 with the Superintendent. Depending upon market conditions, the District may elect to purchase
13 bond insurance to secure the payment of principal or maturity amount of and interest on or
14 accreted value of the Bonds, or any portion thereof.

15 SECTION 25. Establishment of Additional Funds and Accounts. If at any
16 time it is deemed necessary or desirable by the District, the Treasurer, the County Office of
17 Education, or the Paying Agent, the District may request the County to establish additional funds
18 under this Resolution and/or accounts within any of the funds or accounts established hereunder.

19 SECTION 26. Request for Necessary County Actions. The Auditor-
20 Controller, the Treasurer, and other officials of the County, are hereby directed to take and
21 authorize such actions as may be necessary pursuant to law to provide for the levy and collection
22 of a property tax on all taxable property of the District sufficient to provide for payment of all
23 Principal of, premium, if any, and interest on the Bonds as the same shall become due and
24 payable as necessary for the payment of the Bonds, and the Clerk of the Board is hereby
25 authorized and directed to deliver certified copies of this Resolution to the Clerk of the District
26 Board. The District has, pursuant to the District Resolution, agreed to reimburse the County for
27
28

1 any costs associated with the levy and collection of said tax, upon such documentation of said
2 costs as the County shall reasonably request.

3 SECTION 27. Redemption. The Bonds shall be subject to redemption as
4 provided in the Contract of Purchase. All Capital Appreciation Bonds shall, pursuant to the
5 requirements of AB 182, be subject to redemption no later than ten (10) years following the Date
6 of Delivery.

7 SECTION 28. Selection of Bonds for Redemption.

8 (a) Whenever provision is made in this Resolution or in the Contract of
9 Purchase for the redemption of the Bonds and less than all Outstanding Bonds are to be
10 redeemed, the Paying Agent, upon written instruction from the District given at least 60 days
11 prior to the payment date designated for such redemption, shall select maturities of Bonds for
12 redemption in the manner directed by the District.

13 (b) Within a maturity, the Paying Agent shall select such Bonds for
14 redemption as directed by the District, or, in the absence of such direction, by lot. Redemption by
15 lot shall be in such manner as the Paying Agent shall determine; provided, however, that the
16 portion of any Bond to be redeemed in part shall be in the Principal Amount or Maturity Amount
17 of \$5,000 or any integral multiple thereof.

18 SECTION 29. Notice of Redemption. When redemption is authorized or
19 required pursuant to this Resolution or the Contract of Purchase, the Paying Agent, upon written
20 instruction from the District given at least 45 days prior to the payment date designated for such
21 redemption, shall give notice (each, a "**Redemption Notice**") of the redemption of the Bonds.
22 Such Redemption Notice shall specify: (a) the Bonds or designated portions thereof (in the case
23 of redemption of the Bonds in part but not in whole) which are to be redeemed, (b) the date of
24 redemption, (c) the place or places where the redemption will be made, including the name and
25 address of the Paying Agent, (d) the redemption price, (e) the CUSIP numbers (if any) assigned to
26 the Bonds to be redeemed, (f) the Bond numbers of the Bonds to be redeemed in whole or in part
27 and, in the case of any Bond to be redeemed in part only, the Principal Amount of such Bond to
28

1 be redeemed, and (g) the original issue date, interest rate and stated maturity date of each Bond to
2 be redeemed in whole or in part. Such Redemption Notice shall further state (a) that on the
3 specified date there shall become due and payable upon each Bond or portion thereof being
4 redeemed the redemption price, together with the interest accrued to the redemption date, and (b)
5 that from and after such date interest with respect thereto shall cease to accrue and be payable.

6 The Paying Agent shall take the following actions with respect to such Redemption
7 Notice:

8 (a) At least 20 but not more than 45 days prior to the redemption date, such
9 Redemption Notice shall be given to the respective Owners of Bonds designated for redemption
10 by first class mail, postage prepaid, at their addresses appearing on the Bond Register, and to the
11 Information Services.

12 (b) In the event that the Bonds shall be no longer be held in book-entry-only
13 form, at least 35 but not more than 45 days before the redemption date, such Redemption Notice
14 shall be given (x) by (i) first-class mail, postage prepaid, (ii) telephonically confirmed facsimile
15 transmission, or (iii) overnight delivery service, to each of the Securities Depositories, and (y)
16 (i) first-class mail, postage prepaid, or (ii) overnight delivery service, to the Information Services.

17 Neither failure to receive any Redemption Notice nor any defect in any such Redemption
18 Notice so given shall affect the sufficiency of the proceedings for the redemption of the affected
19 Bonds. Each check issued or other transfer of funds made by the Paying Agent for the purpose of
20 redeeming Bonds shall bear the CUSIP number identifying, by issue and maturity, the Bonds
21 being redeemed with the proceeds of such check or other transfer.

22 SECTION 30. Partial Redemption of Bonds. Upon the surrender of any Bond
23 redeemed in part only, the Paying Agent shall execute and deliver to the Owner thereof a new
24 Bond or Bonds of like tenor and maturity and of authorized denominations equal in Transfer
25 Amounts to the unredeemed portion of the Bond surrendered. Such partial redemption shall be
26 valid upon payment of the amount required to be paid to such Owner, and the District shall be
27 released and discharged thereupon from all liability to the extent of such payment.

28

1 SECTION 31. Conditional Notice of Redemption. Any Redemption Notice
2 given hereunder may be made conditional upon the satisfaction of certain conditions and may be
3 rescinded by the District at any time prior to the scheduled date of redemption by so notifying the
4 Owners of affected Bonds and the Information Services.

5 SECTION 32. Effect of Notice of Redemption. Notice having been given as
6 aforesaid, and the moneys for the redemption (including the interest to the applicable date of
7 redemption) having been set aside in the Debt Service Fund, or a suitable escrow fund established
8 pursuant to Section 19(a), the Bonds to be redeemed shall become due and payable on such date
9 of redemption.

10 If on such redemption date, money for the redemption of all the Bonds to be redeemed as
11 provided in this Resolution and the Contract of Purchase, together with interest to such
12 redemption date, shall be held by the Paying Agent so as to be available therefor on such
13 redemption date, and if notice of redemption thereof shall have been given as aforesaid, then from
14 and after such redemption date, interest on the Bonds to be redeemed shall cease to accrue or
15 accrete and become payable. All money held by or on behalf of the Paying Agent for the
16 redemption of Bonds shall be held in trust for the account of the Owners of the Bonds so to be
17 redeemed.

18 All Bonds paid at maturity or redeemed prior to maturity pursuant to the provisions of this
19 Resolution and the Contract of Purchase shall be cancelled upon surrender thereof and delivered
20 to or upon the order of the District. All or any portion of a Bond purchased by the District shall
21 be cancelled by the Paying Agent upon written notice by the District given to the Paying Agent.

22 SECTION 33. Paying Agent; Appointment and Acceptance of Duties.

23 (a) Zions First National Bank is hereby appointed as the initial authenticating
24 agent, bond registrar, transfer agent and paying agent (collectively, the “**Paying Agent**”) for the
25 Bonds. All fees and expenses incurred for services of the Paying Agent, including its third-party
26 agents, shall be the sole responsibility of the District. The Paying Agent shall keep accurate
27 records of all funds administered by it and all of the Bonds paid and discharged by it.
28

1 (b) Unless otherwise provided, the office of the Paying Agent designated by
2 the Paying Agent shall be the place for the payment of Principal of, premium, if any, and interest
3 on the Bonds.

4 SECTION 34. Liability of Paying Agent. The Paying Agent makes no
5 representations as to the validity or sufficiency of this Resolution or of any Bonds issued
6 hereunder or as to the security afforded by this Resolution, and the Paying Agent shall incur no
7 liability in respect hereof or thereof.

8 SECTION 35. Evidence on Which Paying Agent May Act. The Paying Agent,
9 upon receipt of any notice, resolution, request, consent, order, certificate, report, opinion, bond, or
10 other paper or document furnished to it pursuant to any provision of this Resolution, shall
11 examine such instrument to determine whether it conforms to the requirements of this Resolution
12 and shall be protected in acting upon any such instrument believed by it to be genuine and to have
13 been signed or presented by the proper party or parties. The Paying Agent may consult with
14 counsel, who may or may not be counsel to the District, and the opinion of such counsel shall be
15 full and complete authorization and protection in respect of any action taken or suffered by it
16 under this Resolution in good faith and in accordance therewith.

17 SECTION 36. Compensation. The District shall pay to the Paying Agent from
18 time to time reasonable compensation for all services rendered under this Resolution, and also all
19 reasonable expenses, charges, counsel fees and other disbursements, including those of its
20 attorneys, agents, and employees, incurred in and about the performance of their powers and
21 duties under this Resolution, all of which may, pursuant to Education Code Section 15232, be
22 paid from the County's annual levy of *ad valorem* taxes.

23 SECTION 37. Ownership of Bonds Permitted. The Paying Agent or the
24 Underwriter may become the Owner of any Bonds.

25
26
27
28

1 SECTION 38. Resignation or Removal of Paying Agent and Appointment of
2 Successor.

3 (a) The initially appointed Paying Agent may resign from service as Paying
4 Agent at any time. Prior to such resignation a new Paying Agent shall be appointed by the
5 District in accordance with applicable law, which shall be the Treasurer or a bank or trust
6 company doing business in and having a corporate trust office in Los Angeles or San Francisco,
7 California, with at least \$50,000,000 in net assets. Such successor Paying Agent shall signify the
8 acceptance of its duties and obligations hereunder by executing and delivering to the District a
9 written acceptance thereof. Resignation of the initial or a successor Paying Agent shall be
10 effective upon appointment and acceptance of a successor Paying Agent.

11 (b) Any Paying Agent appointed may resign from service as Paying Agent and
12 may be removed at any time by the District as provided in the Paying Agent's service agreement.
13 If at any time the Paying Agent shall resign or be removed, a new Paying Agent shall be
14 appointed in accordance with applicable law, which shall be either the Treasurer or a bank or trust
15 company doing business in and having a corporate trust office in Los Angeles or San Francisco,
16 California, with at least \$50,000,000 in net assets. Such successor Paying Agent shall signify the
17 acceptance of its duties and obligations hereunder by executing and delivering to the District a
18 written acceptance thereof. Resignation or removal of the Paying Agent shall be effective upon
19 appointment and acceptance of a successor Paying Agent.

20 (c) In the event of the resignation or removal of the Paying Agent, such Paying
21 Agent shall pay over, assign and deliver any moneys held by it as Paying Agent to its successor.
22 The District shall promptly provide notice of the name and principal corporate trust office address
23 of the Paying Agent appointed to replace any resigned or removed Paying Agent to the Owners of
24 the Bonds by first-class mail, postage prepaid, at their addresses appearing on the Bond Register.

25 SECTION 39. Investment of Certain Funds. Moneys held in all funds and
26 accounts established hereunder shall be invested and reinvested in Authorized Investments to the
27 fullest extent practicable as shall be necessary to provide moneys when needed for payments to be
28

1 made from such funds and accounts, subject to any conditions in the Nonarbitrage Certificate.
2 Nothing in this Resolution shall prevent any investment securities acquired as investments of
3 funds held hereunder from being issued or held in book entry form on the books of the
4 Department of Treasury of the United States. All investment earnings on amounts on deposit in
5 the Debt Service Fund shall remain on deposit in such fund.

6 SECTION 40. Valuation and Sale of Investments. Obligations purchased as an
7 investment of moneys in any fund or account shall be deemed at all times to be a part of such
8 fund or account. Profits or losses attributable to any fund or account shall be credited or charged
9 to such fund or account. In computing the amount in any fund or account created under the
10 provisions of this Resolution for any purpose provided in this Resolution, obligations purchased
11 as an investment of moneys therein shall be valued at cost, plus, where applicable, accrued
12 interest.

13 SECTION 41. Supplemental Resolutions with Consent of Owners. This
14 Resolution, and the rights and obligations of the County, the District and of the Owners of the
15 Bonds issued hereunder, may be modified or amended at any time by a Supplemental Resolution
16 adopted by the Board at the request of the District with the written consent of the Owners owning
17 at least 60% in aggregate Principal Amount of the Outstanding Bonds, exclusive of Bonds, if any,
18 owned by the District. Notwithstanding the foregoing, no such modification or amendment shall,
19 without the express consent of the Owner of each Bond affected, reduce the Principal Amount of
20 any Bond, reduce the interest rate payable thereon, advance the earliest redemption date thereof,
21 extend its maturity or the times for paying interest thereon or change the monetary medium in
22 which Principal and interest is payable, nor shall any modification or amendment reduce the
23 percentage of consents required for amendment or modification. No such Supplemental
24 Resolution shall change or modify any of the rights or obligations of any Paying Agent without
25 its written assent thereto. Notwithstanding anything herein to the contrary, no such consent shall
26 be required if the Owners are not directly and adversely affected by such amendment or
27 modification.
28

1 SECTION 42. Supplemental Resolutions Effective Without Consent of
2 Owners. For any one or more of the following purposes and at any time or from time to time, a
3 Supplemental Resolution of the County may be adopted, which, without the requirement of
4 consent of the Owners, shall be fully effective in accordance with its terms:

5 (a) To add to the covenants and agreements to be observed by the District
6 which are not contrary to or inconsistent with this Resolution as theretofore in effect;

7 (b) To add to the limitations and restrictions in this Resolution, other
8 limitations and restrictions to be observed by the District which are not contrary to or inconsistent
9 with this Resolution as theretofore in effect;

10 (c) To confirm as further assurance, any pledge under, and the subjection to
11 any lien or pledge created or to be created by this Resolution, of any moneys, securities or funds,
12 or to establish any additional funds, or accounts to be held under this Resolution;

13 (d) To cure any ambiguity, supply any omission, or cure to correct any defect
14 or inconsistent provision in this Resolution; or

15 (e) To amend or supplement this Resolution in any other respect, provided
16 such Supplemental Resolution does not, in the opinion of Bond Counsel, adversely affect the
17 interests of the Owners.

18 SECTION 43. Effect of Supplemental Resolution. Any act done pursuant to a
19 modification or amendment so consented to shall be binding upon the Owners of all the Bonds
20 and shall not be deemed an infringement of any of the provisions of this Resolution, whatever the
21 character of such act may be, and may be done and performed as fully and freely as if expressly
22 permitted by the terms of this Resolution, and after consent relating to such specified matters has
23 been given, no Owner shall have any right or interest to object to such action or in any manner to
24 question the propriety thereof or to enjoin or restrain the District or any officer or agent thereof
25 from taking any action pursuant thereto.

(ii) by depositing with the Paying Agent, in trust, at or before maturity, cash which together with the amounts then on deposit in the escrow fund, together with the interest to accrue thereon without the need for further investment, is fully sufficient to pay such Bonds at maturity or earlier redemption thereof, including any premium and all interest thereon, notwithstanding that any Bonds shall not have been surrendered for payment; or

2 Agent and the District, to all of the provisions of which the Owner of this Bond, by acceptance
3 hereof, assents and agrees. All capitalized terms used but not otherwise defined herein shall have
4 the respective meanings set forth in the Resolution. The Bonds were authorized at an election

Within a maturity, the Paying Agent shall select Bonds for redemption by lot. The portion of any Bond to be redeemed in part shall be in the Principal Amount of \$5,000 or any integral multiple thereof.

This Bond is issued in fully registered form. Registration of this Bond is transferable by the Owner hereof, in person or by his attorney duly authorized in writing, at the aforesaid offices of the Paying Agent, but only in the manner, subject to the limitations, and upon payment of the charges, provided in the Resolution and upon surrender and cancellation of this Bond. Upon such registration of transfer, a new Bond or Bonds of like tenor and maturity in the same Transfer Amount and in authorized denominations will be issued to the transferee in exchange herefor. The District and the Paying Agent may treat the Owner hereof as the absolute owner hereof for all purposes, whether or not this Bond shall be overdue, and shall not be affected by any notice to the contrary.

The Paying Agent shall not be required to register the transfer or exchange of any Bond (i) during the period beginning at the close of business on any Record Date through the close of business on the immediately following Interest Payment Date, or (ii) that has been called or is subject to being called for redemption, during a period beginning at the opening of business 15 days before any selection of Bonds to be redeemed through the close of business on the applicable redemption date, except for the unredeemed portion of any Bond to be redeemed only in part.

1 The rights and obligations of the District and of the Owners of the Bonds may be amended
2 at any time, and in certain cases without the consent of the Owners to the extent and upon the
3 terms and conditions provided in the County Resolution.

4 The County Resolution contains provisions permitting the District to make provision for
5 the payment of the Principal Amount of and premium, if any, and interest on any of the Bonds so
6 that the Bonds shall no longer be deemed to be outstanding under the terms of the County
7 Resolution.

8 If this Bond is called for redemption and the Principal Amount of this Bond, plus
9 premium, if any, and accrued interest due hereon are duly provided therefor as specified in the
10 Resolution, then interest shall cease to accrue hereon from and after the date fixed for redemption.

11 This Bond shall not become valid or obligatory for any purpose until the Certificate of
12 Authentication hereon endorsed shall have been dated and executed manually by the Paying
13 Agent.

14 IT IS HEREBY CERTIFIED, RECITED AND DECLARED, that an election was duly
15 and legally called, held and conducted, and the notices thereof duly given, and the results thereof
16 canvassed and declared in accordance with the provisions of the Authorizing Law and that all of
17 the proceedings of the Board of Supervisors of the County in the matter of the issuance of this
18 Bond were regular and in strict accordance with the provisions of the Authorizing Law, including
19 the Constitution of the State of California, that the total bonded indebtedness of the District,
20 including the issue of which this Bond is a part, does not exceed any limit prescribed by said Act,
21 and that due provision has been made for levying and collecting *ad valorem* property taxes on all
22 of the taxable property within the District in an amount sufficient to pay Principal and interest
23 when due.

RESOLUTION NO. 2015/56

**RESOLUTION AUTHORIZING ISSUANCE OF NOT TO EXCEED
\$35,000,000 AGGREGATE PRINCIPAL AMOUNT OF JURUPA UNIFIED SCHOOL
DISTRICT GENERAL OBLIGATION BONDS, 2014 ELECTION, 2015 SERIES A,
SOME OF WHICH MAY PROVIDE FOR THE COMPOUNDING OF INTEREST,
AND ORDERING CERTAIN ACTIONS IN CONNECTION THEREWITH**

WHEREAS, the issuance of not to exceed \$144,000,000 aggregate principal amount of general obligation bonds (the "Authorization") of the Jurupa Unified School District (the "District"), County of Riverside (the "County"), State of California, was authorized at an election (the "Election") held in said District on November 4, 2014, the proceeds of which are to be used for the financing and refinancing of construction, equipping, furnishing and improvement of certain specified capital facilities of the District; and

WHEREAS, the Registrar-Recorder of the County certified to the effect that the official canvass of returns for the Election reflected that more than fifty-five percent (55%) of the votes cast on the District's bond measure submitted to the voters at the Election (the "Measure") were cast in favor of the Measure, and such result has previously been entered in the minutes of this Board of Education (the "District Board"); and

WHEREAS, no bonds have previously been sold under the Authorization; and

WHEREAS, Section 15140 of the Education Code of the State of California (the "Education Code") authorizes the Board of Supervisors of the County (the "County Board") to borrow funds through the issuance of bonds in the name and on behalf of the District, following the adoption of a resolution of the District Board; and

WHEREAS, it now appears to this District Board that financial market conditions are favorable for the issuance and sale of not to exceed \$35,000,000 in one or more series of bonds under the Authorization (the "Bonds") to be used for (a) the financing or reimbursement for construction, equipping, furnishing and improvement of certain capital facilities as permitted in the official Project List of the District approved at the Election (the "Project List"), and (b) payment of the costs of issuance of the Bonds; and

WHEREAS, this District Board hereby determines that such Bonds should be offered at this time, in one or more series, and requests the County Board to offer such Bonds for sale in the name and on behalf of the District; and

WHEREAS, in light of the limitations imposed pursuant to Proposition 39, as implemented in Education Code Section 15270 *et seq.*, on the tax levy rates applicable to real property within the District to pay debt service on the Bonds, in order to obtain sufficient bond proceeds to effect the purposes of this Resolution, it will be necessary for certain of the Bonds to be issued in the form of Bonds, the interest on which is compounded (the "Capital Appreciation Bonds"); and

WHEREAS, in order to provide for the issuance of Capital Appreciation Bonds, the District must comply with the provisions of Assembly Bill 182 ("AB 182"), as implemented by Section 15146(b)(1) of the Education Code; and

WHEREAS, in order to evidence compliance with AB 182, the District Board has considered the adoption of this Resolution at a regularly scheduled meeting held on March 16, 2015, for information purposes, including the materials described in Section 4 hereof; and

WHEREAS, there have been submitted to this meeting of the District Board:

(a) A form of Preliminary Official Statement respecting the Bonds (the "Preliminary Official Statement"), including as an Appendix thereto a form of Continuing Disclosure Agreement (the "Continuing Disclosure Agreement"); and

(b) A form of Contract of Purchase (the "Contract of Purchase"), by and among the District, the County and Stifel, Nicolaus & Co., Incorporated, as Underwriter (the "Underwriter"), providing for the sale and delivery of the Bonds;

NOW, THEREFORE, BE IT RESOLVED by the Board of Education of the Jurupa Unified School District as follows:

Section 1. The foregoing Recitals are true and correct.

Section 2. This District Board hereby determines that general obligation bonds of the District in the aggregate principal or issue amount of not to exceed \$35,000,000 be offered for sale, in one or more series, the proceeds of which are to be used for the purposes described in the Recitals hereof.

Section 3. For the above purposes, this District Board hereby requests the County Board to issue the Bonds and to order such Bonds to be sold to the Underwriter at a negotiated sale in accordance with the Contract of Purchase. The Bonds will be issued at a true interest cost not to exceed legal limits and may be issued either in the form of the Capital Appreciation Bonds, or current interest bonds, which pay interest on a current basis (the "Current Interest Bonds"), or both. The Bonds may also be issued in separate tranches or subseries. The Bonds shall not exceed 25 years in maturity from their date of issuance. The form of Contract of Purchase on file with the District Board is hereby approved and the Superintendent of the District, its Assistant Superintendent of Business Services or any designee of either thereof (each, an "Authorized Officer"), and each of them, is hereby authorized to execute the Contract of Purchase, with such changes therein, deletions therefrom and modifications thereto as such Authorized Officer may approve, such approval to be conclusively evidenced by the execution and delivery thereof. The District has instructed the Underwriter, in cooperation with the Financial Advisor (defined below), to establish the terms, series, interest structure and redemption provisions for the Bonds in order to take advantage of financial market conditions prevailing at the date of sale of the Bonds under the Contract of Purchase. The purchase price for the Bonds to be paid by the Underwriter shall reflect an Underwriter's discount of not more than 0.70% of the principal or issue amount of the Bonds on the date of delivery thereof, not including any original issue discount. Depending upon market conditions, the District may elect

to purchase bond insurance to secure the payment of principal or maturity amount of and interest on or accreted value of the Bonds, or any portion thereof.

Section 4. Pursuant to Education Code Section 15146(b) and (c), the District Board has been presented with information related to the Capital Appreciation Bonds regarding: (i) their proposed financing term and time of maturity; (ii) their repayment ratio; and (iii) the estimated change in assessed valuation of taxable property in the District over the term of the Bonds. Items described in Exhibit A attached hereto summarize the information provided to the District Board prior to its adoption of this Resolution. The District hereby covenants in this Resolution that the issuance of the Bonds will not exceed the maximum ratio of total debt service to principal of 4.0:1.0 as mandated by Section 15144.1 of the Education Code. The Underwriter's Rule G-17 submission has been provided to the District Board.

Section 5. The District Board hereby approves the use by the Underwriter of the Preliminary Official Statement, substantially in the form submitted to and considered by this District Board (the "Preliminary Official Statement") and following pricing, an Official Statement in connection with the sale of the Bonds (the "Official Statement"), in each case with such changes as may be approved by the Authorized Officer and such other officers of the District as may be authorized by the District Board are, and each of them acting alone hereby is, authorized to deliver copies of the Preliminary Official Statement and the Official Statement with such changes therein as such Authorized Officer shall approve, in his or her discretion, as being in the best interests of the District. Upon the approval of such changes by such Authorized Officer, the Preliminary Official Statement shall be "deemed final" as of its date except for the omission of certain information as provided in and pursuant to Rule 15c2-12 promulgated under the Securities Exchange Act of 1934, as amended (the "Rule"). The Authorized Officer is hereby directed to execute a certificate to that effect, substantially in the form appended hereto as Exhibit B. The Authorized Officer is hereby authorized and directed to execute such Official Statement with such changes therein, deletions therefrom and modifications thereto as such Authorized Officer may approve, such approval to be conclusively evidenced by the execution and delivery thereof.

The District Board understands and agrees that the County shall have no responsibility or obligation whatsoever in connection with the preparation and approval of the Preliminary Official Statement and the Official Statement, nor for satisfying any obligations of the District under the Rule.

Section 6. The Treasurer and Tax Collector of the County (the "Treasurer") has appointed Zions First National Bank as the paying agent (the "Paying Agent") in connection with the closing of the Bonds, the first annual fees for which shall be paid from proceeds of the Bonds; subsequent annual fees may be paid from *ad valorem* property tax levies within the District.

Section 7. The District Board hereby confirms the designation of Stifel, Nicolaus & Co., Incorporated, as Underwriter, the Dolinka Group, LLC, as Financial Advisor to the District (the "Financial Advisor"), the law firm of Nixon Peabody LLP as Bond Counsel to the District ("Bond Counsel") and the law firm of McFarlin & Anderson, LLP, as Disclosure Counsel in connection with the authorization, issuance and sale of the Bonds.

Section 8. The Bonds shall be sold by negotiated sale to the Underwriter inasmuch as: (i) such a sale will allow the District to integrate the sale of the Bonds with other public financings undertaken, or to be undertaken, by the District in order to fund its public education facilities; (ii) such a sale will allow the District to utilize the services of consultants who are familiar with the financial needs, status and plans of the District; (iii) such a sale will allow the District to control the timing of the sale of the Bonds to the municipal bond market and, potentially, take advantage of interest rate opportunities for favorable sale of the Bonds to such market and the generation of savings to the taxpayers of the District; (iv) such a sale will provide an increased ability to structure the Bonds to fit the needs of particular purchasers; and (v) such a sale will enhance the opportunity for the Underwriter to pre-market the Bonds to potential purchasers, including local residents, prior to the sale of the Bonds.

Section 9. In order to maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds, the District hereby covenants to comply with each applicable requirement of Section 103 and Sections 141 through 150 of the Internal Revenue Code of 1986, as amended. In furtherance of these covenants, the District agrees to comply with the covenants contained in the Tax and Nonarbitrage Certificate of the District to be delivered in connection with the issuance of the Bonds (the "Tax and Nonarbitrage Certificate"). The District hereby agrees to deliver instructions to the Paying Agent as may be necessary in order to comply with the Tax and Nonarbitrage Certificate.

Section 10. Proceeds of the sale of the Bonds necessary to pay certain costs of issuing the Bonds (the "Costs of Issuance") may be deposited in the fund of the District known as the "Jurupa Unified School District General Obligation Bonds, 2014 Election, Series 2015A Costs of Issuance Fund" (the "Costs of Issuance Fund") and shall be kept separate and distinct from all other District funds, and those proceeds shall be used solely for the purpose of paying Costs of Issuance of the Bonds. The Costs of Issuance Fund may be held and administered by the Paying Agent. Notwithstanding the foregoing, all or a portion of the costs of issuance may be paid by the Underwriter, by the Paying Agent or by a fiscal agent designated for such purpose. Any amounts retained for payment of Costs of Issuance and returned to the District pursuant to the Contract of Purchase shall be transferred to the Debt Service Fund of the District, established at the direction of the District.

The District estimates that the total Costs of Issuance of the Bonds will be approximately 1.5% of the principal or issue amount thereof, as reflected in a summary thereof on file with the Superintendent without regard to underwriter's discount and bond insurance.

Section 11. The District Board determines that all acts and conditions necessary to be performed by the District Board or to have been met precedent to and in the issuing and sale of the Bonds in order to make them the legal, valid and binding general obligations of the District have been performed and have been met, or will at the time of delivery of the Bonds have been performed and met, in regular and due form as required by law; and that no statutory or Constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Bonds.

Section 12. The form of Continuing Disclosure Agreement required by the Rule and on file with the District Board, intended for the benefit of the registered owners from

time to time of the Bonds (the "Owners") is hereby approved and the District Board hereby authorizes the Authorized Officers, each acting alone, to execute such Continuing Disclosure Agreement in substantially the form submitted to this meeting of the District Board, with such changes therein as may be approved by the Authorized Officer executing the same. The District hereby covenants and agrees that it will comply with and carry out all of the provisions of such Continuing Disclosure Agreement in order to assist the Underwriter to comply with the requirements of the Rule. Any Owner may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the District to comply with its obligations under this Section; however, noncompliance with this Section shall not constitute a default under or cause the acceleration of the Bonds.

Section 13. Should the Authorized Officer, upon consultation and advice of the Financial Advisor and Bond Counsel, determine it is in the best interests of the District to obtain municipal bond insurance for the Bonds to improve their marketability, the Authorized Officer is hereby authorized and directed to sign documents to secure such credit enhancement on such terms and subject to such conditions as may be established by the Authorized Officer, in agreements relating to such credit enhancement.

Section 14. The County Board is hereby requested to assist the District in the issuance and sale of the Bonds; in order to meet the requirements of law and the procedures of the County with respect to such a request, the Clerk of the District Board is hereby directed to lodge a certified copy of this Resolution with the Clerk of the County Board and with the Superintendent of Schools of the County promptly following adoption hereof, and the District represents and warrants to the County that annual administrative expenses associated with the Bonds at the time outstanding shall be the sole responsibility of the District and the District shall reimburse the County's costs and expenses incurred in connection with the issuance and sale of the Bonds. The Bonds are the general obligations of the District secured by *ad valorem* tax levies and do not constitute an obligation of the County except as set forth in the resolution to be adopted by the County Board authorizing the issuance of the Bonds. The County shall bear no responsibility for the acquisition, construction or installation of the project, or any part thereof.

Ladies and Gentlemen:

The undersigned, Stifel, Nicolaus & Company, Incorporated (the "Underwriter"), acting on its own behalf and not as a fiduciary agent for you, offers to enter into this Contract of Purchase (the "Purchase Contract") with the County of Riverside (the "County") and the Jurupa Unified School District (the "District"), which, upon your acceptance hereof, will be binding upon the County, the District and the Underwriter. By execution of this Purchase Contract, the County, the District and the Underwriter acknowledge the terms hereof and recognize that they will be bound by certain of the provisions hereof, and to the extent binding thereupon, acknowledge and agree to such terms. This offer is made subject to the written acceptance of this Purchase Contract by the County and the District and delivery of such acceptance to us at or prior to 11:59 P.M., Pacific Standard Time, on the date hereof.

The District acknowledges and agrees that: (a) the purchase and sale of the Bonds pursuant to this Purchase Agreement is an arm's-length commercial transaction among the District, the County and the Underwriter; (b) the Underwriter is acting solely as underwriter and principal in connection with the matters contemplated by and all communications under this Purchase Agreement, and is not acting as the agent or fiduciary or Municipal Advisor (as defined in Section 15B of the Securities and Exchange Act of 1934) of the District and its advisors in connection with the matters contemplated by this Purchase Agreement; (c) the Underwriter has financial and other interests that differ from those of the District; and (d) in connection with the purchase and sale of the Bonds, the District has consulted its own financial and other advisors, including Dolinka Group, LLC, as financial advisor to the District (the "Financial Advisor") to the extent it has deemed appropriate. The District also acknowledges that it previously received from the Underwriter a letter regarding Municipal Securities Rulemaking Board ("MSRB") Rule G-17 Disclosures, and that it has provided to the Underwriter an acknowledgement of such letter.

1. **Purchase and Sale of the Bonds.** Upon the terms and conditions and in reliance upon the representations, warranties and agreements herein set forth, the Underwriter hereby agrees to purchase from the County for reoffering to the public, and the County hereby

agrees to sell in the name and on behalf of the District to the Underwriter for such purpose, all (but not less than all) of \$_____ in aggregate principal or issue amount of the District's General Obligation Bonds, 2014 Election, 2015 Series A (the "Bonds"). The Bonds will be issued as Current Interest Bonds and Capital Appreciation Bonds (each as defined in the County Resolution, as defined below), shall bear or accrete interest at the rates with the yields to maturity (or yields to the call date), shall mature in the years and shall be subject to redemption as shown on Exhibit A hereto, which is incorporated herein by this reference. The Bonds shall otherwise be as described in, and shall be issued and secured pursuant to the provisions of the Resolution of the District adopted on _____, 2015 (the "District Resolution"), the Resolution of the Board of Supervisors of the County adopted on _____, 2015 (the "County Resolution" and, collectively with the District Resolution, the "Resolutions"), and pursuant to Article 4.5 of Chapter 3 of Part 1 of Division 2 of Title 5 of the California Government Code (the "Act"). Capitalized terms used and not otherwise defined herein shall have the meanings ascribed thereto in the Resolutions.

The Underwriter shall purchase the Bonds at a price of \$_____, consisting of the aggregate principal amount of the Bonds in the amount of \$_____, plus original issue premium of \$_____, and less an Underwriter's discount of \$_____.

2. **The Bonds.** The Bonds shall be dated as of their date of delivery and shall mature on August 1 in the years shown on Exhibit A hereto, with a final maturity as set forth in Exhibit A. Interest on the Current Interest Bonds shall accrue from the date of delivery thereof and is payable semiannually on February 1 and August 1 of each year, commencing August 1, 2015. The Current Interest Bonds will be issued in denominations of \$5,000 principal amount, or any integral multiple thereof. The Capital Appreciation Bonds will be dated their date of delivery and will accrete interest from such date, compounded semiannually on February 1 and August 1 of each year, commencing on _____ 1, 2015. The Capital Appreciation Bonds will be issued in denominations of \$5,000 maturity value or any integral multiple thereof. The Bonds shall otherwise be as described in the Official Statement (defined herein), and shall be issued and secured pursuant to the provisions of the County Resolution, this Purchase Contract and the Act. The Paying Agent for the Bonds, as designated by the County Resolution, shall be Zions First National Bank, Los Angeles, California (the "Paying Agent").

The Bonds shall be executed and delivered under and in accordance with the provisions of this Purchase Contract and the Resolutions. The Bonds shall be in book-entry form, shall bear CUSIP numbers, shall be in fully registered form, registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC").

The proceeds of the sale of the Bonds are expected to be applied to (i) pay the costs of projects authorized at the November 4, 2014, election conducted within the District and (ii) pay the costs of issuance of the Bonds.

3. **Use of Documents.** The County and the District hereby authorize the Underwriter to use, in connection with the offering and sale of the Bonds, this Purchase Contract, the Official Statement (as defined below), the Resolutions and all information contained herein and therein and all of the documents, certificates or statements furnished by the County or the District to the Underwriter in connection with the transactions contemplated by this Purchase Contract.

4. **Public Offering of the Bonds.** The Underwriter agrees to make a *bona fide* public offering of all the Bonds at the initial public offering prices or yields to be set forth on the cover or inside cover page of the Official Statement (defined below) and may subsequently change such offering prices without any requirement of prior notice. The Underwriter may offer and sell Bonds to certain dealers (including dealers depositing Bonds into investment trusts) and others at prices lower than the public offering prices stated in the Official Statement.

5. **Official Statement.** The District has caused to be drafted and consents to the use of a Preliminary Official Statement, dated _____, 2015 (the "Preliminary Official Statement"), including the cover page, the inside cover page and Appendices thereto, relating to the Bonds. The District represents that it deems the Preliminary Official Statement to be final as of its date, except for either revision or addition of the offering price(s), interest rate(s), yield(s) to maturity, selling compensation, aggregate principal amount, principal amount per maturity, delivery date, rating(s) and other terms of the Bonds which depend upon the foregoing as provided in and pursuant to Rule 15c2-12 of the Securities and Exchange Commission under the Securities and Exchange Act of 1934, as amended ("Rule 15c2-12"). The Preliminary Official Statement has been prepared for use by the Underwriter in connection with the public offering, sale and distribution of the Bonds.

The District hereby authorizes the preparation of a final Official Statement respecting the Bonds following the execution hereof (the "Official Statement") and the District hereby authorizes the use thereof by the Underwriter in connection with the public offering and sale of the Bonds. The District shall provide, or cause to be provided, to the Underwriter as soon as practicable after the date of the District's acceptance of this Purchase Contract (but, in any event, not later than seven business days after the execution hereof, and in sufficient time to accompany any confirmation of a sale of Bonds) copies of the Official Statement, which is complete as of the date of its delivery to the Underwriter, in such reasonable quantities as the Underwriter shall request in order to comply with Section (b)(4) of Rule 15c2-12 and the rules of the Municipal Securities Rulemaking Board (the "MSRB"). The Underwriter hereby agrees to file the Official Statement with the MSRB.

The Underwriter agrees that prior to the time the final Official Statement relating to the Bonds is available, the Underwriter will send to any potential purchaser of the Bonds, upon the request of such potential purchaser, a copy of the Preliminary Official Statement. Such Preliminary Official Statement shall be sent by first class mail or electronic distribution (or other equally prompt means) not later than the first business day following the date upon which each such request is received.

During the period ending on the 25th day after the End of the Underwriting Period (as defined below) (or such other period as may be agreed to by the District and the Underwriter), the District (i) shall not supplement or amend the Official Statement or cause the Official Statement to be supplemented or amended without the prior written consent of the Underwriter and (ii) shall notify the Underwriter promptly if any event shall occur, or information comes to the attention of the District, that is reasonably likely to cause the Official Statement (whether or not previously supplemented or amended) to contain any untrue statement of a material fact or to omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. If, in the opinion of the Underwriter, such event requires the preparation and distribution of a supplement or amendment to the Official Statement, the District shall prepare and furnish to the Underwriter, at the District's expense, such number of copies of the supplement or amendment to the Official Statement, in form and substance mutually agreed

upon by the District and the Underwriter, as the Underwriter may reasonably request. If such notification shall be given subsequent to the Closing, the District also shall furnish, or cause to be furnished, such additional legal opinions, certificates, instruments and other documents as the Underwriter may reasonably deem necessary to evidence the truth and accuracy of any such supplement or amendment to the Official Statement.

For purposes of this Purchase Agreement the "End of the Underwriting Period" is used as defined in Rule 15c2-12 and shall occur on the later of (a) the date of Closing or (b) when the Underwriter no longer retains an unsold balance of the Bonds; unless otherwise advised in writing by the Underwriter on or prior to the Closing Date, or otherwise agreed to by the District and the Underwriter, the County and the District may assume that the End of the Underwriting Period is the Closing Date.

6. **Closing.** At 9:00 a.m., Pacific Standard Time, on _____, 2015, or at such other time or on such other date as shall have been mutually agreed upon by the County, the District and the Underwriter (the "Closing"), the County shall deliver to the Underwriter, through the facilities of DTC, the Bonds in fully registered book-entry form, duly executed and registered in the name of Cede & Co., as nominee of DTC, and at the offices of Nixon Peabody LLP ("Bond Counsel"), in Los Angeles, California, the other documents hereinafter mentioned; and the Underwriter will accept such delivery and pay the purchase price thereof in immediately available funds by wire transfer to an account or accounts within the United States designated by the County.

7. **Representations, Warranties and Agreements of the Underwriter.** The Underwriter represents and agrees with the District that, as of the date hereof and as of the Closing Date:

- A. The Underwriter is duly authorized to execute this Purchase Contract and to take any action under this Purchase Contract required to be taken by it.
- B. The Underwriter is in compliance with MSRB Rule G-37 with respect to the District, and is not prohibited thereby from acting as underwriter with respect to securities of the District.
- C. The Underwriter has, and has had, no financial advisory relationship, as such term is defined in California Government Code Section 53590(c) or MSRB Rule G-23 with the District with respect to the Bonds, and no investment firm controlling, controlled by or under common control with the Underwriter has or has had any such financial advisory relationship.

8. **Representations, Warranties and Agreements of the District.** The District hereby represents, warrants and agrees with the Underwriter that:

- A. The District is a unified school district duly organized and validly existing under the laws of the State of California, with the full legal right, power and authority to (i) request the County to issue the Bonds pursuant to the Act; (ii) enter into, execute and deliver this Purchase Contract and the Continuing Disclosure Agreement appended to the Official Statement (the "Continuing Disclosure Agreement"); (iii) to adopt the District Resolution; and (iv) construct, reconstruct, rehabilitate or replace school facilities, or acquire or lease real

property for school facilities, subject to the limitations set forth in the full text of the projects list approved at the November 4, 2014 election.

B. (i) At or prior to the Closing, the District will have taken all action required to be taken by it to authorize the issuance and delivery of the Bonds; (ii) the District has the legal right, power and authority to enter into this Purchase Contract, to adopt the District Resolution, to perform its obligations under each such document or instrument, and to carry out and effectuate the transactions contemplated by this Purchase Contract and the District Resolution; (iii) the execution and delivery or adoption of, and the performance by the District of the obligations contained in the Bonds, the Continuing Disclosure Agreement, the District Resolution and this Purchase Contract (collectively, the "District Documents") have been duly authorized and such authorization shall be in force and effect at the time of the Closing; (iv) the District Documents constitute valid and legally binding obligations of the District enforceable in accordance with their respective terms, subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws and to principles of equity relating to or affecting the enforcement of creditors' rights; and (v) the District has duly authorized the consummation by it of all transactions contemplated by this Purchase Contract and by the Official Statement.

C. No consent, approval, authorization, order, filing, registration, qualification, election or referendum, of or by any person, organization, court or governmental agency or public body whatsoever is required in connection with the issuance, delivery or sale of the Bonds or the consummation of the other transactions effected or contemplated herein or hereby, except for such actions which may qualify the Bonds for offer and sale under Blue Sky or other securities laws and regulations of such states and jurisdictions of the United States as the Underwriter may reasonably request, or which have not been taken or obtained; provided, however, that the District shall not be required to subject itself to service of process in any jurisdiction in which it is not so subject as of the date hereof.

D. The District has complied with the requirements of the Internal Revenue Code of 1986, as amended, applicable to the Bonds.

E. To the best knowledge of the District, the issuance of the Bonds, and the execution, delivery and performance of the District Documents, and the compliance with the provisions thereof and hereof do not conflict with or constitute on the part of the District a violation of or default under, the Constitution of the State of California or any existing law, charter, ordinance, regulation, decree, order or resolution and do not conflict with or result in a violation or breach of, or constitute a default under, any agreement, indenture, mortgage, lease or other instrument to which the District is a party or by which it is bound or to which it is subject.

F. As of the time of acceptance hereof no action, suit, hearing or investigation is pending or, to the best knowledge of the District, threatened: (i) in any way affecting the existence of the District or in any way challenging the respective powers of the several offices or the titles of the officials of the District to such offices; or (ii) seeking to restrain or enjoin the sale, issuance or delivery

of the Bonds, the application of the proceeds of the sale of the Bonds, or the collection of *ad valorem* taxes available to pay the principal of and interest on the Bonds, or in any way contesting or affecting the validity or enforceability of the Bonds, this Purchase Contract or the District Resolution or contesting the powers of the District or its authority with respect to the Bonds, this Purchase Contract or the District Resolution; or (iii) in which a final adverse decision could (a) materially adversely affect the operations of the District or the consummation of the transactions contemplated by this Purchase Contract or the Resolutions, (b) declare this Purchase Contract to be invalid or unenforceable in whole or in material part, or (c) adversely affect the exclusion of the interest paid on the Bonds from gross income for federal income tax purposes or the exemption of such interest on the Bonds from California personal income taxation.

G. Between the date hereof and the Closing, without the prior written consent of the Underwriter, neither the District nor the County in the name and on behalf of the District, will have issued in the name and on behalf of the District, any bonds, notes or other obligations for borrowed money except for such borrowings as may be described in or contemplated by the Official Statement.

H. Any certificates signed by any officer of the District and delivered to the Underwriter shall be deemed a representation and warranty by the District to the Underwriter, but not by the person signing the same, as to the statements made therein.

I. In accordance with the requirements of Rule 15c2-12, the District will enter into the Continuing Disclosure Agreement, upon or prior to the sale of the Bonds, in which the District will undertake, for the benefit of the Owners of the Bonds, to provide certain information as set forth therein. Based on a review of its prior undertakings with respect to Rule 15c2-12, and except as described in the Official Statement, in the five preceding years, the District has never failed to comply with any continuing disclosure obligation entered into pursuant to Rule 15c2-12.

J. The District will furnish such information and execute such instruments and take such action in cooperation with the Underwriter as the Underwriter may reasonably request in order to qualify the Bonds for offering and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions in the United States as the Underwriter may designate and determine the eligibility of the Bonds for investment under the laws of such states and other jurisdictions and to continue such qualifications in effect so long as may be required for the distribution of the Bonds (provided, however, that the District will not be required to qualify as a foreign corporation or to file any general or special consent to service of process under the laws of any jurisdiction).

K. The Preliminary Official Statement did not, and the Official Statement will not, as of its date (excluding therefrom information relating to The Depository Trust Company, and information provided by the Underwriter) contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the

circumstances under which they were made, not misleading. If the Official Statement is supplemented or amended, at all times subsequent thereto during the period up to and including the date of Closing, the Official Statement as so supplemented or amended will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which made, not misleading.

L. The financial statements of, and other financial information regarding the District, contained in the Official Statement fairly represent the financial position and operating results of the District as of the dates and for the periods set forth therein. Since the date of the Preliminary Official Statement, there has been no adverse change of a material nature in such financial position, results of operation or condition, financial or otherwise, of the District. The District is not a party to any litigation or other proceeding pending or, to its knowledge, threatened which, if decided adversely to the District, would have a materially adverse effect on the financial condition of the District.

9. **Representations, Warranties and Covenants of the County.** The County represents, warrants and covenants to the Underwriter that:

A. The County has the power under the Constitution and laws of the State to issue the Bonds in the name and on behalf of the District;

B. (i) At or prior to the Closing, the County will have taken all actions required to be taken by it in order to authorize the issuance and delivery of the Bonds; (ii) the County has full legal right, power and authority to enter into this Purchase Contract, to adopt the County Resolution, to issue and deliver the Bonds to the Underwriter on behalf of the District and to perform its obligations under each such document or instrument, and to carry out and effectuate the transactions contemplated by this Purchase Contract and the County Resolution; (iii) the execution and delivery or adoption of, and the performance by the County of its obligations contained in the Bonds, the County Resolution and this Purchase Contract have been duly authorized, and such authorization shall be in full force and effect at the time of the Closing; and (iv) this Purchase Contract constitutes a valid and legally binding obligation of the County, enforceable against the County in accordance with its terms, subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws and to principles of equity relating to or affecting the enforcement of creditors' rights;

C. To the best knowledge of the County, as of the time of acceptance hereof, no action, suit, proceeding, hearing or investigation is pending in which service of process has been completed against the County; (i) in any way affecting the existence of the County or in any way challenging the respective powers of the several offices or of the titles of the officials of the County to such offices; or (ii) seeking to restrain or enjoin the sale, issuance or delivery of any of the Bonds, or in any way contesting or affecting the validity or enforceability of the Bonds, this Purchase Contract or the County Resolution or contesting the powers of the County or its authority with respect to the Bonds, the County Resolution or this Purchase Contract; or (iii) in which a final adverse decision could (a) materially adversely affect the consummation of the transactions

contemplated by this Purchase Contract or the County Resolution or (b) declare this Purchase Contract to be invalid or unenforceable in whole or in material part;

D. Between the date hereof and the Closing, without the prior written consent of the Underwriter, the County will not have issued in the name and on behalf of the District any bonds, notes or other obligations for borrowed money except for such borrowings as may be described in or contemplated by the Official Statement; and

E. Any certificates signed by an authorized officer of the County and delivered to the Underwriter shall be deemed a representation and warranty by the County to the Underwriter, but not by the person signing the same, as to the statements made therein

10. **Conditions to Closing.** The Underwriter has entered into this Purchase Contract in reliance upon the representations and warranties of the District and the County contained herein and the performance by the District and the County of their respective obligations hereunder and in reliance upon the representations, warranties and agreements to be contained in the documents and instruments to be delivered at the date of Closing. Accordingly, the Underwriter's obligations under this Purchase Contract to purchase, to accept delivery of and to pay for the Bonds are and shall be conditioned upon the performance by the District and the County, respectively, of their obligations to be performed hereunder and under such documents and instruments at or prior to the Closing, and shall also be subject at the option of the Underwriter, to the following further conditions, including the delivery by the District and the County of such documents and instruments as are enumerated herein, in form and substance satisfactory to the Underwriter:

A. The representations and warranties of the District and the County contained herein shall be true, complete and correct in all material respects at the date hereof and at and as of the Closing, as if made at and as of the Closing, and the statements made in all certificates and other documents delivered to the Underwriter at the Closing pursuant hereto shall be true, complete and correct in all material respects on the date of the Closing; and the District and the County shall be in compliance with each of the agreements made by them, individually, in this Purchase Contract;

B. At the time of the Closing, (i) the Official Statement, this Purchase Contract and the Resolutions shall be in full force and effect and shall not have been amended, modified or supplemented except as may have been agreed to in writing by the Underwriter; (ii) all actions under the Act which, in the opinion of Bond Counsel, shall be necessary in connection with the transactions contemplated hereby, shall have been duly taken and shall be in full force and effect; and (iii) the District shall perform or have performed all of its obligations required under or specified in the Resolutions, this Purchase Contract or the Official Statement to be performed at or prior to the Closing;

C. No decision, ruling or finding shall have been entered by any court or governmental authority since the date of this Purchase Contract (and not reversed on appeal or otherwise set aside), or to the best knowledge of the District, pending or threatened, which has any of the effects described in Section

8.F. hereof, or contesting in any way the completeness or accuracy of the Official Statement;

D. Between the date hereof and the Closing, the market price for the Bonds, or the market for or marketability of the Bonds at the initial offering prices set forth in the Official Statement, or the ability of the Underwriter to enforce contracts for the sale of the Bonds, shall not have been materially adversely affected in the reasonable professional judgment of the Underwriter (evidenced by a written notice to the District and the County terminating the obligation of the Underwriter to accept delivery of and pay for the Bonds) by reason of any of the following:

(1) legislation enacted by the Congress of the United States, or passed by either House of the Congress, or favorably reported for passage to either House of the Congress by any Committee of such House to which such legislation has been referred for consideration, or by the legislature of the State of California (the "State"), or introduced in the Congress or recommended for passage by the President of the United States, or a decision rendered by a court of the United States or the State or by the United States Tax Court, or an order, regulation (final, temporary or proposed) or official statement issued or made:

(i) by or on behalf of the United States Treasury Department, or by or on behalf of the Internal Revenue Service or other federal or State authority, which would have the purpose or effect of changing, directly or indirectly, the federal income tax consequences or State tax consequences of interest on obligations of the general character of the Bonds in the hands of the holders thereof; or

(ii) by or on behalf of the Securities and Exchange Commission, or any other governmental agency having jurisdiction over the subject matter thereof, to the effect that the Bonds, or obligations of the general character of the Bonds, including any and all underlying arrangements, are not exempt from registration under the Securities Act of 1933, as amended;

(2) the declaration of war or engagement in or material escalation of major military hostilities by the United States or the occurrence of any other national or international emergency or calamity or crisis relating to the effective operation of the government or the financial community in the United States;

(3) the declaration of a general banking moratorium by federal, New York or State authorities having jurisdiction, or the general suspension of trading on any national securities exchange or fixing of minimum or maximum prices for trading or maximum ranges for prices for securities on any national securities exchange, whether by virtue of a determination by that exchange or by order of the Securities and Exchange Commission or any other governmental authority having jurisdiction;

(4) the imposition by the New York Stock Exchange, other national securities exchange, or any governmental authority, of any material restrictions not now in force with respect to the Bonds, or obligations of the general character of the Bonds, or securities generally, or the material increase of any such restrictions now in force, including those relating to the extension of credit by, or the charge to the net capital requirements of, Underwriter such as, and including, the Underwriter;

(5) an order, decree or injunction of any court of competent jurisdiction, or order, regulation or official statement by the Securities and Exchange Commission, or any other governmental agency having jurisdiction over the subject matter thereof, issued or made to the effect that the issuance, offering or sale of obligations of the general character of the Bonds, or the issuance, offering or sale of the Bonds, as contemplated hereby or by the Official Statement, is or would be in violation of the Federal securities laws, as amended and then in effect;

No person shall acquire or have any rights hereunder or by virtue hereof. 15. **Execution in Counterparts.** This Purchase Contract may be executed in several counterparts each of which shall be regarded as an original and all of which shall constitute but one and the same document.

Re: \$_____ Jurupa Unified School District General Obligation Bonds, 2014
Election, 2015 Series A

Ladies and Gentlemen:

This opinion is rendered and delivered in connection with the issuance by the Board of Supervisors of the County of Riverside (the "County") on behalf of the Jurupa Unified School District (the "District") of \$_____ aggregate principal or issue amount of the District's General Obligation Bonds, 2014 Election, 2015 Series A (the "Bonds"). The Bonds are being issued pursuant to a resolution of the Board of Supervisors of the County adopted on _____, 2015 (the "County Resolution"), at the request of the District made pursuant to a resolution adopted by its Board of Education on _____, 2015 (the "District Resolution").

In rendering this opinion, we have examined the County Resolution, the Bond Contract of Purchase, dated _____, 2015 (the "Purchase Contract"), by and among the County, the District and Stifel, Nicolaus & Company, Incorporated, as Underwriter, and such other documents, records and instruments and made such investigations of law and fact as we have deemed necessary to render the opinions expressed herein.

Based upon the foregoing, and solely with respect to the laws of the State of California (the "State"), we are of the opinion, as of the date hereof, that:

1. The County is a political subdivision duly organized and validly existing pursuant to the Constitution and the laws of the State.

2. The County Resolution approving and authorizing the execution, sale and delivery of the Purchase Contract and the issuance of the Bonds was duly adopted at a meeting of the governing body of the County, which was called and held pursuant to law and with all public notice required by law and at which a quorum was present and acting at the time of adoption, has not been modified, amended, rescinded or revoked and is in full force and effect on the date hereof.

3. To the best of my knowledge, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, governmental agency, public agency or body pending, in which service of process has been completed, or threatened against the County (a) affecting the existence of the County or the titles of its officers who have acted with respect to the proceedings for issuance and sale of the Bonds to their respective offices; (b) seeking to prohibit, restrain or enjoin the execution of the Purchase Contract or the issuance of the Bonds or in any way contesting or affecting the validity or enforceability of the Bonds, the Purchase Contract, or the County Resolution; (c) contesting the powers of the County or its authority to enter into, adopt or perform its obligations under the County Resolution or the Purchase Contract; or (d) seeking to restrain or enjoin the levy or collection of tax revenues pledged for payment of the Bonds.

4. The Purchase Contract has been duly authorized, executed and delivered by the County and the Bonds have been duly authorized by the County, executed by the County on behalf of the District and delivered by the County and, assuming due authorization, execution and delivery by the other parties thereto, the Purchase Contract will constitute the legal, valid and binding agreement of the County enforceable against the County in accordance with its terms.

With respect to the opinions we have expressed above, enforcement of the rights and obligations under the County Resolution, the Purchase Contract and the Bonds may be limited by bankruptcy, insolvency, reorganization, moratorium or other laws affecting the enforcement of creditors' rights generally, by the application of equitable principles if equitable remedies are sought, and by limitations on legal remedies imposed in actions against public entities in the State. We express no opinion as to the availability of equitable remedies in connection with enforcement of the County Resolution, the Purchase Contract or the Bonds.

Very truly yours,

County Counsel
