FROM: Department of Public Social Services

SUBMITTAL DATE:
May 12, 2015

SUBJECT: APPROVAL IN PRINCIPLE FOR NEW OFFICE SPACE FOR THE DEPARTMENT OF PUBLIC SOCIAL SERVICES

RECOMMENDED MOTION: That the Board of Supervisors:

1. Approve and authorize the Real Estate Division of the Economic Development Agency to identify suitable space to support the Department of Public Social Services (DPSS) operations in the city of Desert Hot Springs (DHS).

BACKGROUND:

Summary

In 2001, DPSS Children Services Division (CSD) established several Family Resource Centers (FRCs) throughout Riverside County focused on enhancing families' protective capacities. After analyzing data from stakeholder surveys to identify communities that would most benefit from additional CSD services, four sites were selected as FRC locations: Perris, Jurupa Valley (formerly Rubidoux), Desert Hot Springs, and Mecca. Each FRC functions as a hub for services to improve the lives of families in the surrounding communities particularly vulnerable children and families.

FORM 11: APPROVAL IN PRINCIPLE FOR NEW OFFICE SPACE FOR THE DEPARTMENT OF PUBLIC
SOCIAL SERVICES**

BACKGROUND:

Summary (continued)

Due to increased community demands for services at the current Family Resource Center (FRC) in Desert Hot Springs (2,904 square feet), a larger facility is warranted (4,500 – 5,000 square feet).

However, relocation to a new facility is predicated on the availability of State funding, which won't be known for several months. In order to position ourselves to utilize this funding should it be available, it is recommended that a search for potential sites be initiated at this time. A new lease will not be submitted to the Board for approval unless sufficient funding is identified to support the relocation and ongoing cost for operations.

Utilizing the success of the FRC format CSD continues to reduce the stress to the public that often comes from participating in multiple services by providing centralized service delivery. Part of this success has dictated the necessity to seek a larger facility from which to better serve the community of Desert Hot Springs (DHS).

The current facility and operations are described below:

Family Resource Center – 10 staff & provider capacity
14-201 Palm Drive #107
Desert Hot Springs, CA
2,904 square feet

The best suited facility would be an existing 4,500 – 5,000 square foot office requiring only tenant improvements. The minimal requirements of space will simplify the search for acceptable opportunities.

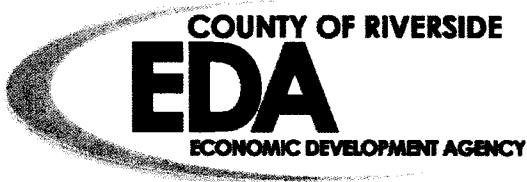

Impact on Residents and Businesses

The new location should make DPSS more accessible to the public.
