**BACKGROUND:**

**Summary (continued)**

The franchise waste haulers have certified that invoices and statements of delinquent trash collection charges were sent to each owner of record in accordance with Section 9 of Ordinance No. 745. Also the franchise waste haulers have followed the additional notification procedures that include notices sent to both the property owner and tenant. Additionally, new customers are advised of the responsibility to pay for all trash charges even if the property is occupied by a tenant. The franchise waste haulers have provided the certified list of properties with unpaid trash collection fees to the Department of Environmental Health (Department) for special assessment.

Listings of parcels that are subject to the special fee assessment are provided on the attached Exhibit "A." A notice of the public hearing will be sent to the subject property owners by the Department pursuant to Section 12 of Ordinance No. 745. The notice from the Department also provides procedures for the property owner to correct any possible billing errors and answer any questions. There are opportunities for the property owner to pay or reconcile the delinquent trash collection charges and avoid the special assessment up through the date of the public hearing.

Upon confirmation by the Board of Supervisors, the unpaid trash collection fees will become a special assessment on the property owner's tax bill. Also included on the assessment is a charge from the Department to cover the expense of public noticing and staff time associated with this process. The Department charges would only be due if the assessment is actually placed on the property tax bill. After the special assessment is paid and reconciled, the trash collection fee will be forwarded to the franchise waste hauler.

**Impact on Residents and Businesses**

The regular removal of solid waste from residential properties is a basic sanitation practice that protects both the environment and the public. The mandatory collection of solid waste and the payment for the collection is critical. Residents that have stayed current with their solid waste collection bill would not be affected by this item. Those residents that pay the full outstanding balance owed to the Haulers prior to the cut-off date will not be assessed on their property taxes.

**SUPPLEMENTAL:**

**Additional Fiscal Information**

The approval of this resolution will result in no cost to the County.
