Petition to STOP Jail expansions in Riverside County

Riverside County has sought and secured federal grant funds to begin the construction of a new jail and more jail beds. In addition to matching some of the federal funds Riverside County will also have to use up to 40% of its general use funds to pay the costs of jail expansion. The proposed jail expansion will be at the expense of education, child care, senior services, and several safety net services. That is not the Riverside County we want to live in. We want to build our communities and invest in rehabilitation, re-entry services, affordable housing, the environment, mental health services, and those things that improve the quality of life for all county residents.

We the undersigned are concerned citizens of Riverside County that urge our government officials to act now to oppose all Riverside County jail expansions.

Petition to STOP Jail expansions in Riverside County

Riverside County has sought and secured federal grant funds to begin the construction of a new jail and more jail beds. In addition to matching some of the federal funds Riverside County will also have to use up to 40% of its general use funds to pay the costs of jail expansion. The proposed jail expansion will be at the expense of education, child care, senior services, and several safety net services. That is not the Riverside County we want to live in. We want to build our communities and invest in rehabilitation, re-entry services, affordable housing, the environment, mental health services, and those things that improve the quality of life for all county residents.

We the undersigned are concerned citizens of Riverside County that urge our government officials to act now to oppose all Riverside County jail expansions.

The Chairman adheres to a strict three (3) minutes per speaker. **Note: If you intend to give your time to a "Group/Organized Presentation", please state so clearly at the very bottom of the reverse side of this form.**

Group/Organized Presentations:

Group/organized presentations with more than one (1) speaker will be limited to nine (9) minutes at the Chairman's discretion. The organizer of the presentation will automatically receive the first three (3) minutes, with the remaining six (6) minutes relinquished by other speakers, as requested by them on a completed "Request to Speak" form, and clearly indicated at the front bottom of the form.

Addressing the Board & Acknowledgement by Chairman:

The Chairman will determine what order the speakers will address the Board, and will call on all speakers in pairs. The first speaker should immediately step to the podium and begin addressing the Board. The second speaker should take up a position in one of the chamber aisles in order to quickly step up to the podium after the preceding speaker. This is to afford an efficient and timely Board meeting, giving all attendees the opportunity to make their case. Speakers are prohibited from making personal attacks, and/or using coarse, crude, profane or vulgar language while speaking to the Board members, staff, the general public and/or meeting participants. Such behavior, at the discretion of the Board Chairman may result in removal from the Board Chambers by Sheriff Deputies.

Group/organized presentations with more than one (1) speaker will be limited to nine (9) minutes at the Chairman's discretion. The organizer of the presentation will automatically receive the first three (3) minutes, with the remaining six (6) minutes relinquished by other speakers, as requested by them on a completed "Request to Speak" form, and clearly indicated at the front bottom of the form.

Addressing the Board & Acknowledgement by Chairman:

The Chairman will determine what order the speakers will address the Board, and will call on all speakers in pairs. The first speaker should immediately step to the podium and begin addressing the Board. The second speaker should take up a position in one of the chamber aisles in order to quickly step up to the podium after the preceding speaker. This is to afford an efficient and timely Board meeting, giving all attendees the opportunity to make their case. Speakers are prohibited from making personal attacks, and/or using coarse, crude, profane or vulgar language while speaking to the Board members, staff, the general public and/or meeting participants. Such behavior, at the discretion of the Board Chairman may result in removal from the Board Chambers by Sheriff Deputies.
