

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

217

FROM: Successor Agency to the Redevelopment Agency

SUBMITTAL DATE:
6/4/2015

SUBJECT: Authorize the Executive Officer or his designee to Vote in favor of the Department of Environmental Health's Vector Control Funding Measure on behalf of the Successor Agency for the Successor Agency Owned Parcels. Districts 1,3,5 [\$43 total and ongoing], Department Funds.

RECOMMENDED MOTION: That the Board of Supervisors:

1. Authorize the Executive Officer or his designee to vote in favor of the proposed Vector Control Funding Measure on behalf of the County for County owned parcels.

BACKGROUND:

Summary

The Department of Environmental Health has provided vector control services to the unincorporated areas of the County since 1972. Due to loss of general fund support over the past decade, the Department is seeking a sustainable funding source in order to continue the vector control program. The proposed benefit assessment is consistent with funding measures for vector control and mosquito abatement districts across California.

**SUBMITTAL TO THE BOARD OF SUPERVISORS, COUNTY OF RIVERSIDE, STATE OF CALIFORNIA
FORM 11: Vector Control Funding Measure on behalf of the Successor Agency for the Successor
Agency Owned Parcels.**

DATE: 6/4/2015

PAGE: 2 of 2

BACKGROUND:

Summary (continued)

On May 12, 2015, the Board adopted Resolution 2015-111 (Proposition 218 ballot proceedings and the mailing of assessment ballots) and 2015-112 (initiating proceedings and providing notice of intention to levy special assessments and preliminarily approving engineer's report). Ballots were mailed to all parcel owners within the central/western unincorporated service areas on May 22, 2015.

Impact on Residents and Businesses

Authorization to vote for these county owned parcels will not have a substantial impact on residents and businesses. The potential ongoing cost for continued vector control services to county-owned parcels is minimal.
