

**SUBMITTAL TO THE BOARD OF COMMISSIONERS  
HOUSING AUTHORITY  
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

233  
A

**SUBMITTAL DATE:**  
6/4/2015

**FROM:** Housing Authority

**SUBJECT:** Authorize the Executive Director or Designee to Vote in Favor of the Department of Environmental Health's Vector Control Funding Measure on behalf of the Housing Authority for Housing Authority Owned Parcels. Districts 1,3,5 [\$7. Total and Ongoing], Department Funds 100%

**RECOMMENDED MOTION:** That the Board of Commissioners:

1. Authorize the Executive Director or designee to vote in favor of the proposed Vector Control Funding Measure on behalf of the Housing Authority for Housing Authority owned parcels.

**BACKGROUND:**

**Summary**

The Department of Environmental Health has provided vector control services to the unincorporated areas of the County since 1972. Due to loss of general fund support over the past decade, the Department of Environmental Health is seeking a sustainable funding source in order to continue the vector control program. The proposed benefit assessment is consistent with funding measures for vector control and mosquito abatement districts across California.

Robert Field  
Executive Director

Housing Authority

**FORM 11:** Authorize the Executive Director or Designee to Vote in Favor of the Department of Environmental Health's Vector Control Funding Measure on Behalf of the Housing Authority for Housing Authority Owned Parcels. Districts 1,3,5 [\$7 Total and Ongoing], Department Funds 100%

**DATE:** 6/4/2015

**PAGE:** 2 of 2

**BACKGROUND:**

**Summary** (Continued)

On May 12, 2015, the Board adopted Resolution 2015-111 (Proposition 218 ballot proceedings and the mailing of assessment ballots) and 2015-112 (initiating proceedings and providing notice of intention to levy special assessments and preliminarily approving engineer's report). Ballots were mailed to all parcel owners within the central/western unincorporated service areas on May 22, 2015. Parcels within Districts 1, 3 and 5 are subject to the assessment ballot.

The Housing Authority, as parcel owner within the affected service areas, will receive the ballots and staff recommends that the Executive Director or designee is authorized to vote in favor of the proposed vector control funding measure. There are currently 7 Housing Authority owned parcels located in Zone C of the affected area; the total estimated annual benefit assessment for the Housing Authority parcels is \$7.14. If approved by the parcel owners vote, the assessment in the amount of \$7.14 will be an ongoing annual cost.

**Impact on Citizens and Businesses**

Authorization to vote for these Housing Authority owned parcels will not have a substantial impact on residents and businesses. The potential ongoing cost for continued vector control services to Housing Authority-owned parcels is minimal.

**SUPPLEMENTAL:**

**Additional Fiscal Information**

Proposed Annual Vector Control Assessment Rate for Housing Authority: \$7.14
