benefit assessment is consistent with funding measures for vector control and mosquito abatement districts across California.

On May 12, 2015, the Board adopted Resolution 2015-111 (Proposition 218 ballot proceedings and the mailing of assessment ballots) and 2015-112 (initiating proceedings and providing notice of intention to levy special assessments and preliminarily approving Engineer's Report). Ballots were mailed to all parcel owners within the central/western unincorporated service areas on May 22, 2015.

Impact on Residents and Businesses

Authorization to vote for these District owned parcels will not have a substantial impact on residents and businesses. The potential ongoing cost for continued vector control services to District owned parcels is minimal.
