BACKGROUND:

Summary

The U.S. Department of Housing and Urban Development (HUD) requires that all substantial amendments to the County's Five-Year Consolidated Plan (Consolidated Plan) and the One-Year Action Plan are subject to the citizen participation process and are approved by the Board of Supervisors and HUD. The Consolidated Plan represents an application to HUD for entitlement funds under three entitlement programs as well as a housing and community development policy and planning document. The three HUD entitlement programs are: Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME), and Emergency Solutions Grant [formerly the Emergency Shelter Grant] (ESG). The One Year Action Plan addresses, and implements the priorities, goals, and objectives of the Consolidated Plan.

In accordance with the County of Riverside Citizen Participation Plan for the 2015-2019 Five Year Consolidated Plan (Citizen Participation Plan), all new activities added to the One-Year Action Plan, as well as any significant increases in funding to an existing project, are considered to be substantial amendments.

Vista Rio Apartments, the proposed new HOME project, has been determined by staff to be an eligible activity that meets a National Objective of the HOME program. A description of the aforementioned proposed amendment to the 2014-2015 One Year Action Plan are set forth in attachment A. Staff recommends approval of the project action listed below as a substantial amendment to the 2014-2015 One Year Action Plan:

Vista Rio Apartments	\$1,000,000	Add new HOME Project
Vista Rio Apartments	\$ 100,000	Add Direct Staffing Cost (10%)

Pursuant to 24 CFR 91.105 and the Citizen Participation Plan, the Economic Development Agency published the required public notices notifying the public of the comment period for the proposed substantial amendments to the 2014-2015 One-Year Action Plan, of the 2015-2019 Five-Year Consolidated Plan. Impact on Citizens and Businesses

The substantial amendment to the One Year Action Plan will have a positive impact on citizens and businesses throughout the County of Riverside. New projects create construction, maintenance and property management jobs as well as provide affordable housing for residents.
