BACKGROUND:

Summary (continued)

Annually, the County of Riverside enters into an agreement with the California Department of Aging. Office on Aging administers the funds provided under this Agreement to support the provision of services, programs and other activities for senior citizens countywide in accordance with Title III & Title VII of the Older Americans Act and the Older Californians Act. The services include Supportive Services and Senior Centers (IIIB), Congregate and Home Delivered Nutrition (IIIC & NSIP), Preventive Health and Medication Management (IIID), National Family Caregiver Support (IIIE), Long Term Care Ombudsman Services (VII-a), and Elder Abuse Prevention (VII-b).

The term of this agreement is 12 months, July 1, 2015 to June 30, 2016.

This agreement reflects the current contract from California Department of Aging and could be subject to some modifications based on the State final legislative process.

The current agreement is in the amount of \$7,073,619, which is \$14,592 less than what was estimated by Office on Aging when they submitted their FY 15/16 Budget. Therefore, the Board of Supervisors is requested to approve the attached budget adjustment (Schedule A) to reflect the actual revenue and expenses expected in FY 15/16. The department does not anticipate that this difference will require any substantive changes to any programs or services.

Impact on Citizens and Businesses

These funds are to be utilized in accordance with the targeting requirements of the Older Americans Act, to persons aged 60 and older with the greatest social and economic need; with considerable emphasis on programs and services that help older adults find employment, support older and disabled individuals to live as independently as possible in the community, promote healthy aging and community involvement, and assist family members in their vital care giving role.

SUPPLEMENTAL:

Additional Fiscal Information

The FY 2015/16 Standard Agreement AP-1516-21 between California Department of Aging (CDA) and Riverside County Office on Aging for Title III/VII Programs for a 12 month period, July 1, 2015 – June 30, 2016 is for the total amount of \$7,073,619. Office on Aging included an estimated funding amount of \$7,088,211 in the FY15/16 Recommended Budget. The attached budget adjustment in the amount of \$14,592 is necessary to reflect the actual revenue and expenditures under this agreement. The department does not anticipate that this difference will require any substantive changes to any programs or services.

There is no impact to County General Funds and we are requesting no additional matching requirements.

Purpose

This Program Memo (PM) transmits your Area Plan (AP) contracts and Budget Displays for State Fiscal Year (SFY) 2015-16. The California Department of Aging (CDA) transmitted planning estimates via email on April 16, 2015.

Allocation Information

To determine each Area Agency on Aging's (AAA) Title III/VII allocation, CDA used the methodology described below.

Federal Title III/VII Funding

To allocate federal funds, CDA used:

- Population factors consistent with federal requirements.
- The best available data to determine each Planning and Service Area's (PSA) relative proportion of persons with characteristics corresponding to each population factor.
- The following data sources to determine the number of persons statewide and in each PSA with characteristics corresponding to each population factor:

Population Factors	Data Source
Non-Minority 60+	2010 Census - Department of Finance Projections - 2014
Minority 60+	2010 Census - Department of Finance Projections - 2014
Low Income	2010 Census
Geographic Isolation	2010 Census
Medi-Cal eligible	Department of Health Care Services - 2014

Continued on next page

Allocation Information,
Continued

State Funding

To allocate State Title III General Fund (GF), CDA:

- First, allocated GF to match designated federal funds as mandated by federal regulations, and
- Second, allocated the remaining GF for Maintenance of Effort to bring AAAs to a funding level consistent with the previous year's total allocation for selected funds. CDA makes this Maintenance of Effort adjustment to the degree possible with available funds per Welfare and Institutions (W&I) Code Section 9112(c).

Ombudsman Federal Funding

To allocate federal funds for the Ombudsman Program, CDA:

- Allocated \$35,000 in baseline funding to each AAA, *unless*
 - The number of long-term care facility beds (i.e., skilled nursing facility, intermediate care facility, and residential care facility) in its PSA is below 500 beds;
 - The number of long-term care facilities is fewer than 10.

AAAs that fell below this threshold received a lower baseline allocation.

- Allocated the balance of federal funds pursuant to W&I Code Section 9179.5 using the following factors:

Factor	Percentage
Number of Long-Term Care Facilities	50 percent
Number of Long-Term Care Beds	40 percent
Square Miles in PSA	10 percent

This formula proportionally weights data on each PSA's number of facilities, facility beds, and square miles.

Budget Display

The AP Budget Display format enables AAAs to specify from which Federal Fiscal Year (FFY) funds are both requested and reported as expended for SFY 2015-16.

The first page of the AP Budget Display shows the final three (3) months of FFY 2015 federal funds and the first 3 months of SFY 2015-16 State funds.

- All funds on this page are available from July 1, 2015 through June 30, 2016; however, funds displayed on the first page for each funding category should be expended before funds for each funding category shown on the second page.
- None of these funds can be carried over into SFY 2016-17.

The second page of the AP Budget Display shows nine (9) months of FFY 2016 federal funds and the last 9 months of SFY 2015-16 State funds.

- AAAs can request FFY 2016 federal funds after October 1, 2015, which is the beginning of FFY 2016.
- All State funds are available from July 1, 2015 through June 30, 2016.

The third page of the AP Budget Display shows 12 months of Area Plan Contract funds for SFY 2015-16. This page shows both 3 months of FFY 2015 and 9 months of FFY 2016 federal funds and all SFY 2015-16 State funds.

Budget Submission Instructions & Due Date

AAAs must submit one Original Area Plan Budget for SFY 2015-16 incorporating the amounts shown in their corresponding Budget Display.

Transfer requests must correspond to the funding shown on the first and second pages of the Budget Display.

The Area Plan Budget is due to each AAA's assigned CDA Fiscal Analyst no later than July 6, 2015.

Request for Funds and Expenditure Reporting

When submitting an Area Plan contract Request for Funds, the 3-month period or 9-month period must be identified on the Supplemental Report (CDA 151), as shown on your Budget Display.

- FFY 2015 federal funds are available during the first 3 months of your Area Plan Contract, as shown on the first page of your Budget Display.
- FFY 2016 federal funds are available beginning October 1, 2015, as shown on the second page of the Budget Display.
- CDA will not process any SFY 2015-16 Area Plan Contract payments until your Original Area Plan Budget is approved and your contract fully executed.

**2014-15
Closeouts and
Carry Over**

AAAs wishing to carry over unspent federal funds from the last 9 months of the SFY 2014-15 Area Plan Contract into the SFY 2015-16 Area Plan contract must submit a closeout by July 30, 2015.

- K. To exercise the above right, no later than 120 days after termination of this Agreement or notification of the Contractor's dissolution, the State will issue specific written disposition instructions to the Contractor.
- L. The Contractor shall use the property for the purpose for which it was intended under the Agreement. When no longer needed for that use, the Contractor shall use it, if needed, and with written approval of the State for other purposes in this order:
 - 1. Another CDA program providing the same or similar service

- M. The Contractor may share use of the property and equipment or allow use by other programs, upon written approval from CDA. As a condition of the approval, CDA may require reimbursement under this Agreement for its use.

The Contractor shall include this requirement in its subcontracts.

ARTICLE IX. MONITORING AND EVALUATION

- A. Authorized State representatives shall have the right to monitor and evaluate the Contractor's administrative, fiscal and program performance pursuant to this Agreement. Said monitoring and evaluation may include, but is not limited to, administrative processes, fiscal data, and procurement components. This will include policies, procedures, procurement audits, inspections of project premises, inspection of food preparation sites, and interviews of project staff and participants.

For State contracts that do not have CFDA numbers, the Contractor shall ensure that the State-funded expenditures are discretely identified in the SEFA by the appropriate program name, identifying grant/contract number, and as passed-through CDA.

B. Section B. applies only to Title III and Title VII.

The following closely related programs identified by CFDA number are to be considered as an "other cluster" for purposes of determining major programs or whether a program-specific audit may be elected. “Cluster of programs” means a grouping of closely-related programs that share common compliance requirements. The types of clusters of programs are research and development, student financial aid, and other clusters. “Other clusters” are defined by the consolidated CFR in the Compliance Supplement or as designated by a State for federal awards provided to its subcontractors that meet the definition of “cluster of programs.” When designating an “other cluster,” a State shall identify the federal awards included in the cluster and advise the subcontractors of compliance requirements applicable to the cluster. A “cluster of programs” shall be considered as one program for determining major programs, as described in 2 CFR 200.501 to 200.521 [formerly OMB Circular A-133], whether a program-specific audit may be elected. (Federal Office of Management and Budget, [2 CFR Part 200, Subpart F Audit Requirements] [formerly OMB Circular A-133], Audits of States, Local Governments, and Non-Profit Organizations)

3. Reconciling expenditures reported to the Contractor to the amounts identified in the single audit or other type of audit, if the Subcontractor was not subject to the single audit requirements. For a subcontractor who was not required to obtain a single audit and did not obtain another type of audit, the reconciliation of expenditures reported to the Contractor must be accomplished through performing alternative procedures (e.g., risk assessment [2 CFR 200.331]; documented review of financial statements; and documented expense verification, including match; etc.).
4. When alternative procedures are used, the Contractor shall perform financial management system testing which provides, in part, for the following:
 - a. Accurate, current, and complete disclosure of the financial results of each federal award or program.
 - b. Records that identify adequately the source and application of funds for each federally funded activity.
 - c. Effective control over, and accountability for, all funds, property, and other assets to ensure these items are used solely for authorized purposes.

2. Any costs of auditing a non-federal entity that is exempted from having an audit conducted under the Single Audit Act and 2 CFR Part 200, Subpart F—Audit Requirements because its expenditures under federal awards are less than \$750,000 during the non-federal entity's fiscal year.
 - a. The costs of a financial statement audit of a non-federal entity that does not currently have a federal award may be included in the indirect cost pool for a cost allocation plan or indirect cost proposal.
 - b. Pass-through entities may charge federal awards for the cost of agreed-upon-procedures engagements to monitor subcontractors who are exempted from the requirements of the Single Audit Act and 2 CFR Part 200, Subpart F—Audit Requirements. In the event the Contractor fails to keep in effect at all times said insurance coverage, CDA may, in addition to any other remedies it may have, terminate this Agreement.
- G. The Contractor shall require its subcontractors under this Agreement, other than units of local government which are similarly self-insured, to maintain adequate insurance coverage for general liability, Worker's Compensation liabilities, and if appropriate, auto liability, including non-owned auto and professional liability, and further, the Contractor shall require all of its subcontractors to hold the Contractor harmless.
