In accordance with Section 3691 et seq. of the California Revenue and Taxation Code, and with prior approval of the Board of Supervisors, The Tax Collector conducted the March 16, 2009 public auction sale. The deed conveying title to the purchasers at the auction was recorded May 05, 2009. DATE: JUL 08 2015

PAGE: Page 2 of 2

RECOMMENDED MOTION:

2. Deny the claim, unless pursuant to the California Revenue and Taxation Code Section 4675, an appeal has been filed in Superior Court.
3. Authorize and direct the Treasurer-Tax Collector to transfer the unclaimed excess proceeds in the amount of \$1,814.38 to the county general fund pursuant to Revenue and Taxation Code Section 4674.

BACKGROUND:

Summary (continued)

Revenue and Taxation Code 4676 (b) states that the county shall make reasonable effort to obtain the name and last known mailing address of the parties of interest. Then, if the address of the party of interest cannot be obtained, the county shall publish notice of the right to claim excess proceeds in a newspaper of general circulation in the county as per Revenue and Taxation Code 4676 (c). The Treasurer-Tax Collector's Office has made it a policy to take the following actions to locate the rightful party of the excess proceeds.

- Examined title reports to notify all parties of interest attached to the parcel.
- Researched all last assessee's through the County's Property Tax System for any parties of interest.
- Used Accurant (people finder) to notify any new addresses that may be listed for our parties of interest.
- Advertised in newspapers for three consecutive weeks in the Desert Sun, Palo Verde Valley Times and the Press Enterprise referring any parties of interest to file a claim for the excess proceeds.
- Sent out a certified mailing within 90 days as required by Revenue and Taxation Code 4675.

According to Revenue and Taxation Code 4675 (a) Any party of interest in the property may file with the county a claim for the excess proceeds, in proportion to his or her interest held with others of equal priority in the property at the time of the sale, at any time prior to the expiration of the one year following the recordation of the Tax Collector's deed to the Purchaser, which was recorded on May 05, 2009.

The Treasurer-Tax Collector has received one claim for excess proceeds:

1. Claim from Steven James Oxendine based on an Order Settling and Approving First and Final Account and Decree of Distribution recorded August 8, 2002 as Instrument No. 2002-436331.

Pursuant to Section 4675 of the California Revenue and Taxation Code, it is the recommendation of this office that the claim from Steven James Oxendine be denied since he was unable to substantiate his claim. Since there are no other claimants the unclaimed excess proceeds in the amount of \$1,814.38 will be transferred to the county general fund. Supporting documentation has been provided. The Tax Collector requests approval of the above recommended motion. Notice of this recommendation was sent to the claimant by certified mail.

Impact on Citizens and Businesses

The excess proceeds are being transferred to the county general fund.

Re: EXCESS PROCEEDS FROM SALE OF TAX DEFAULTED PROPERTY

Assessment No.: 723032005-8 Item: 302
Situs Address:
Assessee: Oxendine, Bill & Steven & Christianson, Robert
Date Sold: March 16, 2009
Date Deed to Purchaser Recorded: May 5, 2009
Final Date to Submit Claim: May 5, 2010

Dear Sir or Madame:

The property referenced above was declared subject to the Tax Collector's power of sale for non-payment of taxes and later sold. Parties of Interest, as defined in Section 4675 of the California Revenue and Taxation Code (e.g., the last assessee and any lienholders of record), have a right to file a claim for any excess proceeds that remain after the tax liens and the costs of the sale have been satisfied. Our records show that you may be a party of interest, and we are enclosing for your convenience a claim form and a return envelope. Please note that your claim must be filed within one year of the date the deed to the purchaser was recorded (shown above). By law, we cannot accept claims after one year from this recording date. Claims submitted will be evaluated by our legal counsel and awarded in accordance with state law. The submission of a claim merely initiates that review.

The enclosed form is relatively simple and we must stress that most applicants will be able to fill it out without help. However, if you need help, please feel free to call upon our office by mail, telephone or in person and we will help you without charge. You may telephone us at (951) 955-3842.

If you prefer to have an agent file your claim for you, or if you should decide to sell your claim (often referred to as "assignment") so that the purchaser of the claim may receive the funds, please advise us and we will send the proper form.

Please note also that the statutory procedures and the County's internal procedures dictate that most claims will not be processed until at least twenty (20) months following the date of recordation of the tax deed.

Sincerely,

DON KENT
