**DATE:** JUN 29 2015

**PAGE:** Page 2 of 2

**RECOMMENDED MOTION:**

2. Approve the claim from Pensco Trust Company Inc. Custodian FBO Jeffrey E. Deis IRA for payment of excess proceeds resulting from the Tax Collector's public auction sale associated with parcel 323080074-5;
3. Deny the claim from Nicole Pauline Deis;

Custodian FBO Jeffrey E. **BACKGROUND:**

**Summary (continued)**

The Treasurer-Tax Collector has received five claims for excess proceeds:

1. Claim from the Riverside County Code Enforcement Department based on Notices of Noncompliance recorded September 20, 2004 as Instrument No. 2004-0746493 and March 28, 2008 as Instrument No. 2008-0153918.
2. Claim from Pensco Trust Company Inc. Custodian FBO Jeffrey E. Deis IRA based on a Deed of Trust with Assignment of Rents recorded March 14, 2005 as Instrument No. 2005-0200347, an Assignment of Deed of Trust recorded March 24, 2006 as Instrument No. 2006-0210741 and a Deed of Trust recorded March 15, 2006 as Instrument No. 2006-0183349.
3. Claim from Nicole Pauline Deis based on a Deed of Trust recorded March 15, 2006 as Instrument No. 2006-0183349.
4. Claim from Flores Bail Bonds based on a Deed of Trust recorded December 22, 2009 as Instrument No. 2009-0656310.
5. Claim from Global Discoveries, assignee for Carlos Mendoza based on an Assignment of Right to Collect Excess Proceeds dated April 18, 2013 and an Abstract of Judgment-Civil and Small Claims recorded March 8, 2012 as Instrument No. 2012-0108227.

Pursuant to Section 4675 (a) & (b) & (e) of the California Revenue and Taxation Code, it is the recommendation of this office that the Riverside County Code Enforcement Department be awarded excess proceeds in the amount of \$2,247.50 and Pensco Trust Company Inc. Custodian FBO Jeffrey E. Deis IRA be awarded excess proceeds in the amount of \$13,776.07. Since the amounts claimed by the Riverside County Code Enforcement Department and Pensco Trust Company Inc. Custodian FBO Jeffrey E. Deis IRA exceed the amount of excess proceeds available there are no funds available for consideration for the claims from Nicole Pauline Deis, Flores Bail Bonds, and Global Discoveries, Ltd., assignee for Carlos Mendoza. Supporting documentation has been provided. The Tax Collector requests approval of the above recommended motion. Notice of this recommendation was sent to the claimants by certified mail.

**Impact on Citizens and Businesses**

Excess proceeds are being released to a lienholder and the beneficiary on the deed of trust of the property.

**INSTRUCTIONS FOR FILING CLAIM**

(See Claim Form on Reverse Side)

The California Revenue and Taxation Code, Section 4675, states in part (paraphrased):

For the purposes of this article, parties of interest and their order of priority are:

- (a) First, lienholders of record prior to the recordation of the tax deed to the purchaser in the order of their priority; and
- (b) Then, any person with title of record to all or any portion of the property prior to the recordation of the tax deed to the purchaser.

If you consider yourself to be a party of interest in the sale of tax-defaulted property as defined above, please fill out the reverse of this form stating how you have determined your status as a party of interest. If you need help in filling out the form, please contact our office by telephone at 951-955-3842, mail, or in person.

You must attach copies of documents to support your claim as follows:

- 1. In case (a), attach a copy of your trust deed or other evidence of lien or security interest, along with a statement under penalty of perjury setting forth the original amount of the lien or interest, the total amount of payments received reducing the original amount of the lien or interest, and the amount still due and payable as of the date of the sale of the tax defaulted property by the Tax Collector.
- 2. In case (b), attach copies of any other documents (e.g., deed, certified death certificate, will, court order, etc.) supporting your claim.

**PLEASE NOTE:** We cannot, by law, begin processing of claims until one year has passed from the date of the deed to the purchaser. In order to receive consideration by the Riverside County Board of Supervisors, claims must be filed **ON OR BEFORE THE EXPIRATION OF ONE YEAR** following the date of the recording of the deed to the purchaser. Please see the "Date Deed to Purchaser Recorded" appearing on the attached notice (Form 117-170). The Tax Collector will submit a recommendation to the County Board of Supervisors as to what disposition should be made on your claim. Following the Board's review, the claim will either be approved or denied. The Clerk of the Board of Supervisors will notify you of the action taken by the Board. Should the claim be approved, the Auditor-Controller will issue a County warrant in payment. By law, the Auditor-Controller cannot issue a warrant in payment of the approved claim until 90 days following the action taken by the Board.

Dear Sir or Madame:

The property referenced above was declared subject to the Tax Collector's power of sale for non-payment of taxes and later sold. Parties of Interest, as defined in Section 4675 of the California Revenue and Taxation Code (e.g., the last assessee and any lienholders of record), have a right to file a claim for any excess proceeds that remain after the tax liens and the costs of the sale have been satisfied. Our records show that you may be a party of interest, and we are enclosing for your convenience a claim form and a return envelope. Please note that your claim must be filed within one year of the date the deed to the purchaser was recorded (shown above). By law, we cannot accept claims after one year from this recording date. Claims submitted will be evaluated by our legal counsel and awarded in accordance with state law. The submission of a claim merely initiates that review.

The enclosed form is relatively simple and we must stress that most applicants will be able to fill it out without help. However, if you need help, please feel free to contact our office by mail, telephone or in person and we will help you without charge. You may telephone us at (951) 955-3842.

If you prefer to have an agent file your claim for you, or if you should decide to sell your claim (often referred to as "assignment") so that the purchaser of the claim may receive the funds, please advise us and we will send the proper form.

Please note also that the statutory procedures and the County's internal procedures dictate that most claims will not be processed until at least twenty (20) months following the date of recordation of the tax deed.

Sincerely,

DON KENT

RECORDER: INDEX FOR SPECIAL NOTICE

Loan No. 1122906

This Deed of Trust, made this 13th day of March, 2006, among the Trustor, **RONALD CASCANTE**, an unmarried man (herein "Borrower"), **Pacific Rim Trust Deed Service** (herein "Trustee"), and the Beneficiary, **JEFFREY E. DEIS**, an unmarried man and **NICOLE PAULINE DEIS**, a single woman, father and daughter as joint tenants, (herein "Lender").

The beneficiaries (or assignees) of this deed of trust have agreed in writing to be governed by the desires of the holders of more than 50% of the record beneficial interest therein with respect to actions to be taken on behalf of all holders in the event of default or foreclosure or for matters that require direction or approval of the holders, including designation of the broker, servicing agent, or other person acting on their behalf, and the sale, encumbrance or lease of real property owned by the holders resulting from foreclosure or receipt of a deed in lieu of foreclosure.

**GRANT IN TRUST**

**BORROWER**, in consideration of the indebtedness herein recited and the trust herein created, irrevocably grants, transfers, conveys and assigns to Trustee, in trust, with power of sale, the following described property located in the county of **Riverside**, State of California: **Parcel 88, record of survey, in th County of Riverside, State of California, as per map recorded in Book 24 page(s) 62 and 63, records of survey, in the office of the County Recorder of said County.** Excepting therefrom the mobile home located thereon., which has the address of **22415 Callaway Road Perris CA 92570** (herein "Property Address");

**TOGETHER with all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents** (subject however to the rights and authorities given herein to Lender to collect and apply such rents), royalties, mineral, oil and gas rights and profits, water, and water rights, and water stock, and all fixtures now or hereafter attached to the property, all of which, including replacements and additions thereto, shall be deemed to be and remain a part of the property covered by this Deed of Trust; and all of the foregoing, together with said property (or the leasehold estate if this Deed of Trust is on a leasehold) are herein referred to as the "Property";

**THIS DEED OF TRUST IS MADE TO SECURE TO LENDER:**

(a) the repayment of the indebtedness evidenced by Borrower's note (herein "Note") dated **March 13, 2006**, in the principal sum of **U.S. \$5,600.00**, with payment of interest thereon, the payment of all other sums, with interest thereon, advanced in accordance herewith to protect the security of this Deed of Trust; the performance of the covenants and agreements of Borrower herein contained; and (b) repayment of any future advances, with interest thereon, made to the Borrower by Lender pursuant to paragraph 19 hereof (herein "Future Advances"); and in addition (c) this Deed of Trust shall provide the same security on behalf of the Lender, to cover extensions, modifications or renewals, including without limitation, extensions, modifications or renewals of the Note at a different rate of interest; and the performance of the covenants and agreements of Borrower herein contained.

Borrower covenants that Borrower is lawfully seised of the estate hereby conveyed and has the right to grant and convey the **Property, that the Property is unencumbered except for encumbrances of record, and that Borrower will warrant and defend generally the title to the Property against all claims and demands, subject to encumbrances of record.**

**UNIFORM COVENANTS, BORROWER AND LENDER COVENANT AND AGREE AS FOLLOWS:**

**1. Payments of Principal and/or Interest.** Borrower shall promptly pay, when due, the principal of and/or interest on the indebtedness evidenced by the Note, prepayment and late charges as provided in the Note, and the principal of and/or interest on any Future Advances secured by the Deed of Trust.

**2. Funds for Taxes and Insurance (Impounds).** Subject to applicable law, and if required by the Lender, Borrower shall pay to Lender on the day monthly payments of principal and interest are payable under the Note, until the Note is paid in full, a sum (herein "Funds") equal to one-twelfth of the yearly taxes and assessments (including condominium and planned unit development assessments, if any) which may attain priority over this Deed of Trust, and ground rents on the Property, if any, plus one-twelfth of yearly premium installments for hazard insurance, plus one-twelfth of yearly premium installments for mortgage insurance, if any, all as reasonably estimated initially and from time to time by Lender on the basis of assessments and bills and reasonable estimates thereof. Borrower shall not be obligated to make such payments of Funds to Lender to the extent that Borrower makes such payments to the holder of a prior mortgage or deed of trust if such holder is an institutional Lender.

If Borrower pays Funds to Lender, the Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a Federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay said taxes, assessments, insurance premiums and ground rents. Lender may not charge for so holding and applying the Funds, analyzing said account or verifying and compiling said assessments and bills, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing at the time of execution of this Deed of Trust that interest on the Funds shall be paid to Borrower, and unless such an agreement is made or applicable law requires such interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Deed of Trust.

If the amount of Funds held by Lender, together with the future monthly installments of Funds payable prior to the due dates of taxes, assessments, insurance premiums and ground rents, shall exceed the amount required to pay said taxes, assessments, insurance premiums and ground rents, such excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly installments of Funds. If the amount of the Funds held by Lender shall not be sufficient to pay taxes, assessments, insurance premiums and ground rents as they fall due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as Lender may require.

Upon payment in full of all sums secured by this Deed of Trust, Lender shall promptly refund to Borrower any Funds held by Lender. If under Paragraph 18 hereof the Property is sold or the Property is otherwise acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Deed of Trust.

**3. Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under the Note and paragraphs 1 and 2 hereof shall be applied by Lender first in payment of amounts payable to Lender by Borrower under paragraph 2 hereof, if applicable, then to interest payable on the Note, then to the principal of the Note, and then to interest and principal on any Future Advances.

**4. Prior Mortgages and Deeds of Trust; Liens.** Borrower shall perform all of Borrower's obligations under any mortgage, deed of trust or other security agreement with a lien which has priority over this Deed of Trust, including Borrower's covenants to make payments when due. Borrower shall pay or cause to be paid, at least 10 days before delinquency, all taxes, assessments and other charges, fines and impositions attributable to the Property which may attain a priority over this Deed of Trust, and leasehold payments or ground rents, if any.

**5. Hazard Insurance.** Borrower agrees to provide, maintain and deliver to Lender fire insurance satisfactory and with loss payable to Lender. The amount collected under any fire or other insurance policy may be applied by Lender upon any indebtedness secured hereby and in such order as Lender may determine, or at option of Lender the entire amount so collected or any part thereof may be released to the Borrower. Such application or release shall not cure or waive any Default or Notice of Default hereunder or invalidate any act done pursuant to such notice.

The insurance carrier providing the insurance shall be chosen by Borrower subject to approval by Lender, provided that such approval shall not be unreasonably withheld. All insurance policies and renewals thereof shall be in a form acceptable to Lender and shall include a standard mortgage clause in favor of and in a form acceptable to Lender. Lender shall have the right to hold the policies and renewals thereof, subject to the terms of any mortgage, deed of trust or other security agreement with a lien which has priority over this Deed of Trust.

In the event of a loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

If the Property is abandoned by Borrower, or if Borrower fails to respond to Lender within 30 days from the date notice is mailed by Lender to Borrower that the insurance carrier offers to settle a claim for insurance benefits, Lender is authorized to collect and apply their insurance proceeds at Lender's option either to restoration or repair of the Property or to the sums secured by this Deed of Trust.

If Borrower obtains earthquake, flood or any other hazard insurance, or any other insurance on the Property, and such insurance is not specifically required by the Lender, then such insurance shall: (i) name the Lender as loss payee thereunder, and (ii) be subject to all of the provisions of this paragraph 5.

**6. Preservation and Maintenance of Property; Leaseholds; Condominiums; Planned Unit Developments.** Borrower shall keep the Property in good repair and shall not commit waste or permit impairment or deterioration of the Property and shall comply with the provisions of any lease if this Deed of Trust is on a leasehold. If this Deed of Trust is on a unit in a condominium or a planned unit development, Borrower shall perform all of Borrower's obligations under the declaration of covenants creating or governing the condominium or planned unit development, the by-laws and regulations of the condominium or planned unit development, and constituent documents.

**7. Protection of Lender's Security.** If Borrower fails to perform the covenants and agreements contained in this Deed of Trust, or if any action or proceeding is commenced which affects Lender's interest in the Property, including but not limited to proceedings by the Lender to obtain relief from stay in any bankruptcy proceeding which would prohibit Lender enforcing its rights under the Deed of Trust, then Lender, at Lender's option, may make such appearances, disburse such sums, including reasonable attorney's fees, and take such action as is necessary to protect Lender's interest. If Lender required mortgage insurance as a condition of making the loan secured by this Deed of Trust, Borrower shall pay the premiums required to maintain such insurance in effect until such time as the requirement for such insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law.

Any amounts disbursed by Lender pursuant to this paragraph 7, with interest thereon, including but not limited to payment of delinquent taxes and assessments, insurance premiums due, and delinquent amounts owed to prior lien holders, shall become additional indebtedness of Borrower secured by this Deed of Trust. Such amounts as are disbursed by Lender shall be payable, upon notice from Lender to Borrower requesting payment thereof, and shall bear interest from the date of disbursement at the rate payable on the Note. Nothing contained in this paragraph 7 shall require Lender to incur any expense or take any action hereunder.

**8. Inspection.** Lender may make or cause to be made reasonable entries upon and inspection of the Property, provided that Lender shall give Borrower notice prior to any such inspection specifying reasonable cause therefore related to Lender's interest in the Property.

**9. Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in conjunction with any condemnation or other taking of the Property, or part thereof, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender, subject to the terms of any mortgage, deed of trust or other security agreement with a lien which has priority over this Deed of Trust.

**10. Borrower Not Released.** At any time or from time to time, without liability therefore and without notice upon written request of Lender and presentation of this Deed and said Note for endorsement, and without affecting the personal liability of any person for payment of the indebtedness secured hereby, Trustee may: reconvey any part of said property; consent to the making of any map or plat thereof; join in granting any easement thereon; or join in any extension agreement or any agreement subordinating the lien or charge thereof. Trustee may, but shall be under no obligation or duty to, appear in or defend any action or proceeding purporting to affect said property or the title thereto, or purporting to affect the security hereof or the rights or powers of Lender or Trustee.

**11. Forbearance by Lender Not a Waiver.** Any forbearance by Lender in exercising any right or remedy hereunder, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any such right or remedy. The procurement of insurance or the payment of taxes or other liens or charges by Lender shall not be a waiver of Lender's right to accelerate the maturity of the indebtedness secured by this Deed of Trust.

**12. Remedies Cumulative.** All remedies provided in this Deed of Trust are distinct and cumulative to any other or remedy under this Deed of Trust or afforded by law or equity, and may be exercised concurrently, independently or successively.

**13. Successors and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements herein contained shall bind, and the rights hereunder shall inure to, the respective successors and assigns of Lender and Borrower, subject to the provisions of paragraph 18 hereof. All covenants and agreements of Borrower shall be joint and several.

**14. Notice.** Except for any notice required under applicable law to be given in another manner, (a) any notice to Borrower provided for in this Deed of Trust shall be given by delivering it or by mailing such notice by certified mail addressed to Borrower or the Property at the Property Address or at such other address as Borrower may designate by notice to Lender as provided herein, and (b) any notice to Lender shall be given by certified mail to Lender, in care of Lender's Servicing Agent ("Agent"), **Golden State Mortgage, Co., PO Box 1685, San Bernardino, CA 92402-1685** or to such other address as Lender or Agent may designate by notice to Borrower as provided herein. Any notice provided for in this Deed of Trust shall be deemed to have been given to Borrower or Lender when given in the manner designated herein.

**15. This Deed of Trust shall be governed by the Laws of the State of California.** In the event that any provision or clause of this Deed of Trust or the Note conflicts with applicable law, such conflict shall not effect other provisions of this Deed of Trust or the Note which can be given effect without the conflicting provision, and to this end the provisions of the Deed of Trust are declared to be severable.

**16. Lender's Right to Require The Loan to be Paid Off Immediately.** If the Borrower shall sell, enter into a contract of sale, lease for a term of more than 6-years (including options to renew), lease with an option to purchase for any term, or transfer all or any part of the Property or an interest therein, excluding (a) the creation of a lien or encumbrance subordinate to this Deed of Trust, (b) or a transfer by devise, descent, or by operation of law upon the death of a joint tenant, the Lender may, at its option declare the Note and any other obligations secured by this Deed of Trust, together with accrued interest thereon, immediately due and payable, in full. No waiver or the Lender's right to accelerate shall be effective unless it is in writing.

If Lender exercises such option to accelerate, Lender shall mail Borrower notice of acceleration in accordance with paragraph 14 hereof. Such notice shall provide a period of not less than 30 days from the date the notice is mailed within which Borrower may pay the sums declared due. If Borrower fails to pay such sums prior to the expiration of such period, Lender may, without further notice or demand on Borrower, invoke any remedies permitted by paragraph 17 hereof.

**BORROWER AND LENDER FURTHER COVENANT AND AGREE AS FOLLOWS:**

**17. Assignment of Rents; Appointment of Receiver; Lender in Possession.** As additional security hereunder, and without regard to the adequacy of any security for the indebtedness hereby secured, Borrower hereby assigns to Lender the rents of the Property, provided that Borrower shall, prior to acceleration under paragraph 18 hereof or abandonment of the Property, have the right to collect and retain such rents as they become due and payable.

Upon acceleration under paragraph 18 hereof or abandonment of the Property, Lender, in person, by Agent or by judicially appointed receiver shall be entitled to enter upon, take possession of and manage the Property and to collect the rents of the Property including those past due. All rents collected by Lender or the receiver shall be applied first to payment of the costs of management of the Property and collection of rents, including, but not limited to, receiver's fees, premiums on receiver's bonds and reasonable attorney's fees, and then to the sums secured by this Deed of Trust. Lender and the receiver shall be liable to account only for those rents actually received.

**18. Upon default by Borrower in payment of any indebtedness secured hereby or in performance of any agreement hereunder,** Lender may declare all sums secured hereby immediately due and payable by delivery to Trustee of written declaration of default and demand for sale and of written Notice of Default and of election to cause to be sold said property, which notice Trustee shall cause to be filed for record. Trustee shall be entitled to rely upon the correctness of such notice. Lender also shall deposit with Trustee this Deed, said Note and all documents evidencing expenditures secured hereby.

After the lapse of such time as then may be required by law following the recordation of said Notice of Default and Notice of Sale having been given as then required by law, Trustee, without demand on Trustor, shall sell said property at the time and place fixed by it in said Notice of Sale, either as a whole or in separate parcels and in such order as it may determine (but subject to any statutory right of Trustor to direct the order in which said property, if consisting of several lots or parcels, shall be sold), at public auction to the highest bidder for cash in lawful money of the United States, payable at time of sale. Trustee may postpone sale of all or any portion of said property by public announcement at such time and place of sale, and from time to time thereafter may postpone such sale by public announcement at the time fixed by the preceding postponement. Trustee shall deliver to such purchaser its deed conveying the property to sold, but without any covenant or warranty, expressed or implied. The recitals in such deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person including Trustor, Trustee, or Beneficiary as hereinafter defined, may purchase at such sale.

After deducting all costs, fees and expenses of Trustee and of this Trust, including cost of evidence of title in connection with sale, Trustee shall apply the proceeds of sale to payment of; all sums expended under the terms hereof, not then repaid, with accrued interest at the rate prescribed in the Note; all other sums then secured thereby; and the remainder, if any, to the person or persons legally entitled thereto.

**19. Future Advances.** Upon request of Borrower, Lender, at Lender's option prior to full reconveyance of the Property by Trustee to Borrower, may make Future Advances to Borrower. Such advances with interest thereon, shall be secured by this Deed of Trust when evidenced by promissory notes stating that said notes are secured hereby.

**20. Reconveyance.** Upon written request of Lender stating that all sums secured hereby have been paid, and upon surrender of this Deed and said Note to Trustee for cancellation and retention and upon payment of its fees, Trustee shall reconvey, without warranty, the property then held hereunder. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The grantee in such reconveyance may be described as "the person or persons legally entitled thereto." The Trustee may destroy said Note, this Deed or Trust (and any other documents related thereto) upon the first to occur of the following: 5 years after issuance of a full reconveyance; or, recordation of the Note and Deed of Trust in a form or medium which permits their reproduction for 5 years following issuance of a full reconveyance.

**21. Substitution of Trustee.** Lender, at Lender's option, may from time to time remove Trustee and appoint a successor trustee to any Trustee appointed hereunder. Without conveyance of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon the Trustee herein and by applicable law.

**22. Request for Notices.** Borrower requests that copies of the notice of sale and notice of default be sent to Borrower's address which is the Property Address.

23. Statement of Obligation. Lender may collect a fee, not to exceed the maximum amount permitted by law, for furnishing the statement of obligations as provided by Section 2943 of the Civil Code of California.

MISCELLANEOUS PROVISIONS

24. Construction or Home Improvement Loan. If the loan secured by this Deed of Trust is a construction or home improvement loan, Borrower is required to perform according to the terms and conditions of each agreement contained in any building, home improvement or similar agreement between the Borrower and Lender.

25. Acceptance by Lender of a Partial Payment After Notice of Default. By accepting partial payment (payments which do not satisfy a default or delinquency in full) of any sums secured by this Deed of Trust after a Notice of Default has been recorded, or by accepting late performance of any obligation secured by this Deed of Trust, or by adding any payment so made to the loan secured by this Deed of Trust, whether or not such payments are made pursuant to a court order, the Lender does not waive its right either to require prompt payment when due of all other sums so secured or to declare default for failure to make any such prompt payment or to perform any such act. No exercise of any right or remedy of the Lender or Trustee under this Deed of Trust shall constitute a waiver of any other right or remedy contained in this Deed of Trust or provided by law.

REQUEST FOR SPECIAL NOTICE OF DEFAULT AND FORECLOSURE UNDER SUPERIOR MORTGAGES OR DEEDS OF TRUST

Borrower and Lender request the holder of any mortgage, deed of trust or other encumbrance with a lien which has priority over this Deed of Trust to give Notice to Lender care of Lender's Servicing Agent, at it's address set forth on page one of this Deed of Trust, of any default under the superior encumbrances and of any sale or other foreclosure action.

Loan Number: 1122906

Date: Monday, March 13, 2006

San Bernardino, California

Perris CA 92570

Property Address

## 1. BORROWER'S PROMISE TO PAY

In return for a loan that I have received, I promise to pay U.S. \$5,600.00 (this amount will be called "principal"), plus interest, to the order of **JEFFREY E. DEIS, an unmarried man and NICOLE PAULINE DEIS, a single woman, father and daughter as joint tenants**, (who will be called "Lender"). I understand that the Lender may transfer this Note. The Lender or anyone else who takes this Note by transfer and who is entitled to receive payments under this Note will be called the "Note Holder(s)."

## 2. INTEREST

I will pay interest at a yearly rate as described in paragraph 3 below.

Interest commences on **Monday, March 14, 2006**, and, if paragraph 3 reflects more than one interest rate during the loan term, the rate will change on the date which is one (1) calendar month before each Payment Start Date.

Interest will be charged on unpaid principal until the full amount of principal has been paid.

I also agree to pay interest at the rate described in paragraph 3 below on the prepaid finance charges which are a part of the principal.

## 3. PAYMENTS

My payments are  Interest Only  Fully Amortized  Other

I will make my payments each month as follows:

Number of Payments	Payment Start Dates	Interest Rates	Payment Amounts
11	Starting April 14, 2006	12.000%	\$56.00
1	Starting March 14, 2007	12.000%	\$5,656.00

I will make these payments until I have paid all of the principal and interest and any other charges that I may owe under this Note. If on **Tuesday, March 13, 2007** (the Due Date) I still owe amounts under this Note (balloon balance), I will pay all those amounts, in full, on that date.

I will make my payments payable to **Golden State Mortgage, Co., PO Box 1685, San Bernardino, CA 92402-1685**, or at a different place if I am notified by the Note Holder or the Agent for the Note Holder.

## 4. BORROWER'S FAILURE TO PAY AS REQUIRED

**(A) Late Charge For Overdue Payments.** If I do not pay the full amount of each monthly payment by the end of ten calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be **10.00%** of my overdue payment or U.S. \$5.00, whichever is more. I will pay this late charge only once on any late payment.

In the event a balloon payment is delinquent more than 10 days after the date it is due, I agree to pay a late charge in an amount equal to the maximum late charge that could have been assessed with respect to the largest single monthly installment previously due, other than the balloon payment, multiplied by the sum of one plus the number of months occurring since the late payment charge began to accrue.

**(B) Default.** If I do not pay the full amount of each monthly payment due under this Note by the date stated in paragraph 3 above, I will be in default, and the Note Holder may demand that I pay immediately all amounts that I owe under this Note.

Even if, at a time when I am in default, the Note Holder does not require me to pay immediately in full as described above, the Note Holder will still have the right to do so if I am in default at a later time.

**(C) Payment of Note Holder's Costs and Expenses.** If the Note Holder has required me to pay immediately in full as described above, the Note Holder will have the right to be paid back for all its costs and expenses to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorney's fees. A default upon any interest of any Note Holder shall be a default upon all interests.

## 5. BORROWER'S PAYMENTS BEFORE THEY ARE DUE - PREPAYMENT PENALTIES

I have the right to make payments of principal at any time before they are due. A payment of principal only is known as "prepayment." If I pay all or part of the loan principal before it is due, whether such payment is made voluntarily or involuntarily, I agree to pay a prepayment penalty computed as follows: **NO PREPAYMENT PENALTY.**

## 6. BORROWER'S WAIVERS

I waive my rights to require the Note Holder to do certain things. Those things are: (a) to demand payment of amounts due (known as "presentment"); (b) to give notice that amounts due have not been paid (known as "notice of dishonor"); (c) to obtain an official certification of nonpayment (known as "protest"). Anyone else who agrees to keep the promises made in this Note, or who agrees to make payments to the Note Holder if I fail to keep my promises under this Note, or who signs this Note to transfer it to someone else, also waives these rights. These persons are known as "guarantors, sureties and endorsers."

**7. RESPONSIBILITIES OF PERSONS UNDER THIS NOTE**

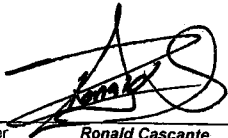

If more than one person signs this Note, each of us is fully and personally obligated to keep all of the promises made in this Note, including the promise to pay the full amount owed. Any person who is a guarantor, surety, or endorser of this Note is also obligated to do these things. Any person who takes over these obligations, including the obligations of the guarantor, surety, or endorser of this Note, is also obligated to keep all of the promises made in this Note. The Note Holder may enforce its rights under this Note against each person individually or against all of us together. This means that anyone of us may be required to pay all of the amounts owed under this Note.

**8. THIS NOTE IS SECURED BY A DEED OF TRUST**

In addition to the protection given to the Note Holder under this Note, a Deed of Trust (the "Security Instrument") with a Due-on-Transfer Clause dated the same date of this Note, protects the Note Holder from possible losses which might result if I do not keep the promises which I make in the Note. That Security Instrument describes how and under what conditions I may be required to make immediate payment in full of all amounts that I owe under this Note.

Some of those conditions are described as follows:

"Lender's Right to Require The Loan to be Paid Off Immediately. If the borrower shall sell, enter into a contract of sale, lease for a term of more than 6-years (including options to renew), lease with an option to purchase for any term, or transfer all or any part of the Property or an interest therein, excluding (a) the creation of a lien or encumbrance subordinate to this Deed of Trust, (b) or a transfer by devise, descent, or by operation of law upon the death of a joint tenant, the Lender may, at its option declare the Note and any other obligations secured by this Deed of Trust, together with accrued interest thereon, immediately due and payable, in full. No waiver of the Lender's right to accelerate shall be effective unless it is in writing."

SUBJECT, HOWEVER, to the right, power and authority given to and conferred upon Beneficiary by paragraph 11 of the provisions incorporated by reference herein, to collect and apply such rents, issues and profits.

## FOR THE PURPOSE OF SECURING:

- (1) Performance of each agreement of Trustor incorporated by reference or contained herein;
- (2) Payment of the indebtedness evidenced by one promissory note of even date herewith any amounts that may become due thereunder, and all extensions, modifications, or renewals thereof, in the principal sum of \$ 50,000.00 executed by Trustor and payable to Beneficiary or order;
- (3) Payment of all sums of money, with interest thereon, which may be paid out or advanced by or may otherwise be due to Trustee or Beneficiary under any provision of this Deed of Trust.

In the event of sale or transfer, conveyance or alienation of said real property, or any part thereof, or any interest therein, whether voluntary or involuntary, Beneficiary shall have the right of acceleration, at its option, to declare the Note secured by the Deed of Trust, irrespective of the maturity date expressed therein, and without demand or notice, immediately due and payable. No waiver of this right shall be effective unless it is in writing. Consent by the Beneficiary to one such transaction shall not constitute waiver of the right to require such consent to succeeding transactions.

To Protect the security of this Deed of Trust, and with respect to the property described above, Trustor expressly makes each of all of the agreements, and adopts and agrees to perform and be bound by each and all of the terms and provisions set forth as follows:

1. To keep said property in good condition and repair; not to remove or demolish any building thereon; to complete or restore promptly and in good and workmanlike manner any building which may be constructed, damaged or destroyed thereon; to keep all buildings, structures and other improvements now or hereafter situated on the above described property at all times entirely free of dry rot, fungus, rust, decay, termites, beetles, and any other destructive insects or elements; to pay when due all claims for labor performed and materials furnished therefor; to comply with all laws affecting said property or requiring any alterations or improvements to be made thereon; not to commit or permit waste thereof; not to commit, suffer or permit any act upon said property in violation of law; to cultivate, irrigate, fertilize, fumigate, prune, and do all other acts which from the character or use of said property may be reasonably necessary, the specific enumerations herein not excluding the general. Either Beneficiary or Trustee, or both, at any time during the continuation of this Deed of Trust, may enter upon and inspect said property, provided such entry is reasonable as to time and manner.
2. To provide, maintain and deliver to Beneficiary fire insurance satisfactory and with loss payable to Beneficiary. The amount collected under any fire or other insurance policy may be applied by Beneficiary upon any indebtedness secured hereby and in such order as Beneficiary may determine, or at option of Beneficiary the entire amount so collected or any part thereof may be released to Trustor. Such application or release shall not cure or waive any Default or Notice of Default hereunder or invalidate any act done pursuant to such notice.
3. To appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; and to pay all costs and expenses, including cost of evidence of title and attorney's fees in a reasonable sum, in any such action or proceeding in which Beneficiary or Trustee may appear, or in any action or proceeding instituted by Beneficiary or Trustee to protect or enforce the security of this Deed of Trust or the obligations secured hereby.
4. To pay: at least ten days before delinquency all taxes and assessments affecting said property, including assessments on appurtenant water stock; when due, all encumbrances, charges and liens, with interest, on said property or any part thereof, which appear to be prior or superior hereto; all costs, fees and expenses of this Trust.
5. Should Trustor fail to make any payments or to do any act as herein provided, then Beneficiary or Trustee, but without obligation so to do and without notice to or demand upon Trustor and without releasing Trustor from any obligation hereof, may: make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, Beneficiary or Trustee being authorized to enter upon said property for such purposes; appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; pay, purchase, contest or compromise any encumbrance, charge or lien which in the judgment of either appears to be prior or superior hereto; and, in exercising any such powers, pay necessary expenses, employ counsel and pay his reasonable fees.
6. To pay immediately and without demand all sums so expended by Beneficiary or Trustee, with interest from date of expenditure at the rate prescribed in the Note. Should any additional funds be advanced on any note secured by a trust deed now of record, or should any change be made in the time or manner of paying such note, or should any other action be taken by the undersigned with respect to such note whereby the security herein provided for shall be impaired in any manner whatsoever, then the Note secured hereby shall, at the option of the lender, immediately become due and payable.
7. Any award of damages or sums received in settlement in connection with any condemnation for public use of or any injury to said property or any part thereof from any cause, is hereby assigned and shall be paid to Beneficiary who may apply or release such moneys received by him in the same manner and with the same effect as above provided for disposition of proceeds of fire or other insurance.

8. By accepting payment of any sum secured hereby after its due date, Beneficiary does not waive his right either to require prompt payment when due of all other sums so secured or to declare default for failure so to pay.

Notwithstanding any provision herein or in the Note secured hereby to the contrary, Beneficiary or Trustee shall have the absolute right to direct the manner, order and amount in which payments shall be applied upon or allocated among the various items composing Trustor's indebtedness secured hereby.

In the event of default in the payment of any of the moneys to be paid under the terms of the Note(s) secured hereby or in the performance of any of the covenants and obligations of this Deed of Trust, then any funds in the possession of the Beneficiary, or other credits to which the Trustor would otherwise be entitled may, at the option of the Beneficiary, be applied to the payment of any obligation secured hereby in such order as the Beneficiary may, in its sole discretion determine.

9. At any time or from time to time, without liability therefor and without notice upon written request of Beneficiary and presentation of this Deed of said Note for endorsement, and without affecting the personal liability of any person for payment of the indebtedness secured hereby, Trustee may: reconvey any part of said property; consent to the making of any map or plat thereof; join in granting any easement thereon; or join in any extension agreement or any agreement subordinating the lien or charge thereof. Trustee may, but shall be under no obligation or duty to, appear in or defend any action or proceeding purporting to affect said property or the title thereto, or purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee.
10. Upon written request of Beneficiary stating that all sums secured hereby have been paid, and upon surrender of this Deed and said Note to Trustee for cancellation and retention and upon payment of its fees, Trustee shall reconvey, without warranty, the property then held hereunder. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The grantee in such reconveyance may be described as "the person or persons legally entitled thereto". The Trustee may destroy said Note, this Deed of Trust (and any other documents related thereto) upon the first to occur of the following: 5 years after issuance of a full reconveyance; or, recordation of the Note and Deed of Trust in a form or medium which permits their reproduction for 5 years following issuance of a full reconveyance.
11. As additional security, Trustor hereby gives to and confers upon Beneficiary the right, power and authority, during the continuance of these Trusts, from time to time, to collect the rents, issues and profits of said property, reserving unto Trustor the right, prior to any default by trustor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, to collect and retain such rents, issues and profits as they become due and payable. Upon any such default, Beneficiary may at any time and from time to time without notice, either in person or by agent, or by a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of said property or any part thereof, in his own name sue for or otherwise collect such rents, issues and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees, upon any indebtedness secured hereby, in such order as Beneficiary may determine. The entering upon and taking possession of said property, the collection of such rents, issues and profits and the application thereof as aforesaid, shall not cure or waive any default or Notice of Default hereunder or invalidate any act done pursuant to such notice.
12. Upon default by trustor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, Beneficiary may declare all sums secured hereby immediately due and payable by delivery to Trustee of written declaration of default and demand for sale and of written Notice of Default and of election to cause to be sold said property, which notice Trustee shall cause to be filed for record. Trustee shall be entitled to rely upon the correctness of such notice. Beneficiary also shall deposit with trustee this Deed, said Note and all documents evidencing expenditures secured hereby.

After the lapse of such time as then may be required by law following the recordation of said Notice of Default and Notice of Sale having been given as then required by law, Trustee, without demand on Trustor, shall sell said property at the time and place fixed by it in said Notice of Sale, either as a whole or in separate parcels and in such order as it may determine (but subject to any statutory right of Trustor to direct the order in which said property, if consisting of several lots or parcels, shall be sold), at public auction to the highest bidder for cash in lawful money of the United States, payable at time of sale. Trustee may postpone sale of all or any portion of said property by public announcement at such time and place of sale, and from time to time thereafter may postpone such sale by public announcement at the time fixed by the preceding postponement. Trustee shall deliver to such purchaser its deed conveying the property so sold, but without any covenant or warranty, expressed or implied. The recitals in such deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person including Trustor, Trustee, or Beneficiary as hereinafter defined, may purchase at such sale.

After deducting all costs, fees and expenses of Trustee and of this Trust, including cost of evidence of title in connection with sale, Trustee shall apply the proceeds of sale to payment of: all sums expended under the terms hereof, not then repaid, with accrued interest at the rate prescribed in the Note; all other sums then secured thereby; and the remainder, if any, to the person or persons legally entitled thereto.

13. This Deed applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. The term Beneficiary shall mean the owner and holder, including pledgees, of the Note secured hereby, whether or not named as Beneficiary herein. In this Deed, whenever the context so requires, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural. As used herein, "fixtures" includes but is not limited to carpeting, built-in appliances, draperies and drapery rods, shrubs, water tanks, plumbing, machinery, air conditioners, ducts, and the like.
14. Trustee accepts this Trust when this Deed, duly executed and acknowledged, is made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other deed of Trust or of any action or proceeding in which Trustor, Beneficiary or Trustee shall be a party unless brought by Trustee.
15. Beneficiary, or any successor in ownership of any indebtedness secured hereby, may from time to time, by instrument in writing, substitute a

successor or successors to any Trustee named herein or acting hereunder, which instrument, executed by the Beneficiary and duly acknowledged and recorded in the office of the recorder of the county or counties where said property is situated, shall be conclusive proof of proper substitution of such successor Trustee or Trustees, who shall, without conveyance from the Trustee predecessor, succeed to all its title, estate, rights, powers and duties.

Said instrument must contain the name of the original Trustor, Trustee and Beneficiary hereunder, the book and page where this Deed is recorded and the name and address of the new Trustee.

If Notice of default shall have been recorded, this power of substitution cannot be exercised until after the costs, fees and expenses of the then acting Trustee shall have been paid to such Trustee, who shall endorse receipt thereof upon such instrument of substitution. The procedure herein provided for substitution of Trustees shall not be exclusive of other provisions for substitution provided by law.

- 16. Trustor agrees to pay Beneficiary the maximum legal charge for a statement regarding the Trust Deed obligation herein.
- 17. Acceptance by Beneficiary of a partial payment on account, after Notice of Default has been recorded, shall not be construed as curing the default nor as a waiver of past or future delinquencies of Trust Deed payment.
- 18. If the security under this Deed of Trust is a condominium or a community apartment or planned development project, Trustor agrees to perform each and every obligation of the owner of such condominium or interest in such project under the declaration of covenants, conditions and restrictions or bylaws or regulations pertaining to such condominium or project. Upon the request of Beneficiary, Trustor agrees to enforce against other owners in such condominium or project each and every obligation to be performed by them, if the same have not been performed or if valid legal steps have not been taken to enforce such performance within ninety (90) days after such request is made.
- 19. If the security for this Deed of Trust is a leasehold estate, Trustor agrees not to amend, change or modify his leasehold interest, or any of the terms thereof, or agree to do so, without the written consent of Beneficiary being first obtained. In the event of a violation of this provision, Beneficiary shall have the right, at its option, to declare all sums secured hereby immediately due and payable.
- 20. THE FOLLOWING PROVISIONS MAY RESULT IN THE COMPOUNDING OF INTEREST ON YOUR LOAN: At the option of the Beneficiary, if any payment should be insufficient to pay the interest then due, the balance of interest remaining shall be added to principal and will bear interest at the Note rate as the principal.

At the option of the Beneficiary, if any principal and/or interest installments, late charges, advances and/or costs should be repaid through or by any forbearance, bankruptcy plan or similar repayment plan, the total sum of these amounts will bear interest at the Note rate from the date due or advanced until the date repaid.

- 21. [ ] MULTIPLE LENDER LOANS: Pursuant to Civil Code Section 2941.9, this deed of trust is subject to a signed agreement between all of the beneficiaries to be governed by the beneficiaries holding more than 50% of the record beneficial interest.

The undersigned Trustor(s), requests that a copy of any Notice of Default and any Notice of Sale hereunder be mailed to him at his address hereinbefore set forth.

APN 323-080-040

Together with the rents, issues and profits thereof, together with all rights and interest of Trustor, to all appurtenances, easements, community interests and licenses, and to oil, mineral, gas, water, water certificates, and hydrocarbon rights, leases, and overriding royalties therein, and all of these, whether appurtenant, riparian or appropriative. SUBJECT, HOWEVER, to the right, power and authority given to and conferred upon Beneficiary by paragraph 11 of the provisions incorporated by reference herein, to collect and apply such rents, issues and profits.

FOR THE PURPOSE OF SECURING:

- (1) Performance of each agreement of Trustor incorporated by reference or contained herein;
- (2) Payment of the indebtedness evidenced by one promissory note of even date herewith any amounts that may become due thereunder, and all extensions, modifications, or renewals thereof, in the principal sum of \$ 50,000.00 executed by Trustor and payable to Beneficiary or order;
- (3) Payment of all sums of money, with interest thereon, which may be paid out or advanced by or may otherwise be due to Trustee or Beneficiary under any provision of this Deed of Trust.

In the event of sale or transfer, conveyance or alienation of said real property, or any part thereof, or any interest therein, whether voluntary or involuntary, Beneficiary shall have the right of acceleration, at its option, to declare the Note secured by the Deed of Trust, irrespective of the maturity date expressed therein, and without demand or notice, immediately due and payable. No waiver of this right shall be effective unless it is in writing. Consent by the Beneficiary to one such transaction shall not constitute waiver of the right to require such consent to succeeding transactions.

To Protect the security of this Deed of Trust, and with respect to the property described above, Trustor expressly makes each of all of the agreements, and adopts and agrees to perform and be bound by each and all of the terms and provisions set forth as follows:

1. To keep said property in good condition and repair; not to remove or demolish any building thereon; to complete or restore promptly and in good and workmanlike manner any building which may be constructed, damaged or destroyed thereon; to keep all buildings, structures and other improvements now or hereafter situated on the above described property at all times entirely free of dry rot, fungus, rust, decay, termites, beetles, and any other destructive insects or elements; to pay when due all claims for labor performed and materials furnished therefor; to comply with all laws affecting said property or requiring any alterations or improvements to be made thereon; not to commit or permit waste thereof; not to commit, suffer or permit any act upon said property in violation of law; to cultivate, irrigate, fertilize, fumigate, prune, and do all other acts which from the character or use of said property may be reasonably necessary, the specific enumerations herein not excluding the general. Either Beneficiary or Trustee, or both, at any time during the continuation of this Deed of Trust, may enter upon and inspect said property, provided such entry is reasonable as to time and manner.
2. To provide, maintain and deliver to Beneficiary fire insurance satisfactory and with loss payable to Beneficiary. The amount collected under any fire or other insurance policy may be applied by Beneficiary upon any indebtedness secured hereby and in such order as Beneficiary may determine, or at option of Beneficiary the entire amount so collected or any part thereof may be released to Trustor. Such application or release shall not cure or waive any Default or Notice of Default hereunder or invalidate any act done pursuant to such notice.
3. To appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; and to pay all costs and expenses, including cost of evidence of title and attorney's fees in a reasonable sum, in any such action or proceeding in which Beneficiary or Trustee may appear, or in any action or proceeding instituted by Beneficiary or Trustee to protect or enforce the security of this Deed of Trust or the obligations secured hereby.
4. To pay: at least ten days before delinquency all taxes and assessments affecting said property, including assessments on appurtenant water stock; when due, all encumbrances, charges and liens, with interest, on said property or any part thereof, which appear to be prior or superior hereto; all costs, fees and expenses of this Trust.
5. Should Trustor fail to make any payments or to do any act as herein provided, then Beneficiary or Trustee, but without obligation so to do and without notice to or demand upon Trustor and without releasing Trustor from any obligation hereof, may: make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, Beneficiary or Trustee being authorized to enter upon said property for such purposes; appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; pay, purchase, contest or compromise any encumbrance, charge or lien which in the judgment of either appears to be prior or superior hereto; and, in exercising any such powers, pay necessary expenses, employ counsel and pay his reasonable fees.
6. To pay immediately and without demand all sums so expended by Beneficiary or Trustee, with interest from date of expenditure at the rate prescribed in the Note. Should any additional funds be advanced on any note secured by a trust deed now of record, or should any change be made in the time or manner of paying such note, or should any other action be taken by the undersigned with respect to such note whereby the security herein provided for shall be impaired in any manner whatsoever, then the Note secured hereby shall, at the option of the lender, immediately become due and payable.
7. Any award of damages or sums received in settlement in connection with any condemnation for public use of or any injury to said property or any part thereof from any cause, is hereby assigned and shall be paid to Beneficiary who may apply or release such moneys received by him in the same manner and with the same effect as above provided for disposition of proceeds of fire or other insurance.

8. By accepting payment of any sum secured hereby after its due date, Beneficiary does not waive his right either to require prompt payment when due of all other sums so secured or to declare default for failure so to pay.

Notwithstanding any provision herein or in the Note secured hereby to the contrary, Beneficiary or Trustee shall have the absolute right to direct the manner, order and amount in which payments shall be applied upon or allocated among the various items composing Trustor's indebtedness secured hereby.

In the event of default in the payment of any of the moneys to be paid under the terms of the Note(s) secured hereby or in the performance of any of the covenants and obligations of this Deed of Trust, then any funds in the possession of the Beneficiary, or other credits to which the Trustor would otherwise be entitled may, at the option of the Beneficiary, be applied to the payment of any obligation secured hereby in such order as the Beneficiary may, in its sole discretion determine.

9. At any time or from time to time, without liability therefor and without notice upon written request of Beneficiary and presentation of this Deed of said Note for endorsement, and without affecting the personal liability of any person for payment of the indebtedness secured hereby, Trustee may: reconvey any part of said property; consent to the making of any map or plat thereof; join in granting any easement thereon; or join in any extension agreement or any agreement subordinating the lien or charge thereof. Trustee may, but shall be under no obligation or duty to, appear in or defend any action or proceeding purporting to affect said property or the title thereto, or purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee.
10. Upon written request of Beneficiary stating that all sums secured hereby have been paid, and upon surrender of this Deed and said Note to Trustee for cancellation and retention and upon payment of its fees, Trustee shall reconvey, without warranty, the property then held hereunder. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The grantee in such reconveyance may be described as "the person or persons legally entitled thereto". The Trustee may destroy said Note, this Deed of Trust (and any other documents related thereto) upon the first to occur of the following: 5 years after issuance of a full reconveyance; or, recordation of the Note and Deed of Trust in a form or medium which permits their reproduction for 5 years following issuance of a full reconveyance.
11. As additional security, Trustor hereby gives to and confers upon Beneficiary the right, power and authority, during the continuance of these Trusts, from time to time, to collect the rents, issues and profits of said property, reserving unto Trustor the right, prior to any default by trustor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, to collect and retain such rents, issues and profits as they become due and payable. Upon any such default, Beneficiary may at any time and from time to time without notice, either in person or by agent, or by a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of said property or any part thereof, in his own name sue for or otherwise collect such rents, issues and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees, upon any indebtedness secured hereby, in such order as Beneficiary may determine. The entering upon and taking possession of said property, the collection of such rents, issues and profits and the application thereof as aforesaid, shall not cure or waive any default or Notice of Default hereunder or invalidate any act done pursuant to such notice.
12. Upon default by trustor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, Beneficiary may declare all sums secured hereby immediately due and payable by delivery to Trustee of written declaration of default and demand for sale and of written Notice of Default and of election to cause to be sold said property, which notice Trustee shall cause to be filed for record. Trustee shall be entitled to rely upon the correctness of such notice. Beneficiary also shall deposit with trustee this Deed, said Note and all documents evidencing expenditures secured hereby.

After the lapse of such time as then may be required by law following the recordation of said Notice of Default and Notice of Sale having been given as then required by law, Trustee, without demand on Trustor, shall sell said property at the time and place fixed by it in said Notice of Sale, either as a whole or in separate parcels and in such order as it may determine (but subject to any statutory right of Trustor to direct the order in which said property, if consisting of several lots or parcels, shall be sold), at public auction to the highest bidder for cash in lawful money of the United States, payable at time of sale. Trustee may postpone sale of all or any portion of said property by public announcement at such time and place of sale, and from time to time thereafter may postpone such sale by public announcement at the time fixed by the preceding postponement. Trustee shall deliver to such purchaser its deed conveying the property so sold, but without any covenant or warranty, expressed or implied. The recitals in such deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person including Trustor, Trustee, or Beneficiary as hereinafter defined, may purchase at such sale.

After deducting all costs, fees and expenses of Trustee and of this Trust, including cost of evidence of title in connection with sale, Trustee shall apply the proceeds of sale to payment of: all sums expended under the terms hereof, not then repaid, with accrued interest at the rate prescribed in the Note; all other sums then secured thereby; and the remainder, if any, to the person or persons legally entitled thereto.

13. This Deed applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. The term Beneficiary shall mean the owner and holder, including pledgees, of the Note secured hereby, whether or not named as Beneficiary herein. In this Deed, whenever the context so requires, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural. As used herein, "fixtures" includes but is not limited to carpeting, built-in appliances, draperies and drapery rods, shrubs, water tanks, plumbing, machinery, air conditioners, ducts, and the like.
14. Trustee accepts this Trust when this Deed, duly executed and acknowledged, is made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other deed of Trust or of any action or proceeding in which Trustor, Beneficiary or Trustee shall be a party unless brought by Trustee.
15. Beneficiary, or any successor in ownership of any indebtedness secured hereby, may from time to time, by instrument in writing, substitute a

successor or successors to any Trustee named herein or acting hereunder, which instrument, executed by the Beneficiary and duly acknowledged and recorded in the office of the recorder of the county or counties where said property is situated, shall be conclusive proof of proper substitution of such successor Trustee or Trustees, who shall, without conveyance from the Trustee predecessor, succeed to all its title, estate, rights, powers and duties.

Said instrument must contain the name of the original Trustor, Trustee and Beneficiary hereunder, the book and page where this Deed is recorded and the name and address of the new Trustee.

If Notice of default shall have been recorded, this power of substitution cannot be exercised until after the costs, fees and expenses of the then acting Trustee shall have been paid to such Trustee, who shall endorse receipt thereof upon such instrument of substitution. The procedure herein provided for substitution of Trustees shall not be exclusive of other provisions for substitution provided by law.

- 16. Trustor agrees to pay Beneficiary the maximum legal charge for a statement regarding the Trust Deed obligation herein.
- 17. Acceptance by Beneficiary of a partial payment on account, after Notice of Default has been recorded, shall not be construed as curing the default nor as a waiver of past or future delinquencies of Trust Deed payment.
- 18. If the security under this Deed of Trust is a condominium or a community apartment or planned development project, Trustor agrees to perform each and every obligation of the owner of such condominium or interest in such project under the declaration of covenants, conditions and restrictions or bylaws or regulations pertaining to such condominium or project. Upon the request of Beneficiary, Trustor agrees to enforce against other owners in such condominium or project each and every obligation to be performed by them, if the same have not been performed or if valid legal steps have not been taken to enforce such performance within ninety (90) days after such request is made.
- 19. If the security for this Deed of Trust is a leasehold estate, Trustor agrees not to amend, change or modify his leasehold interest, or any of the terms thereof, or agree to do so, without the written consent of Beneficiary being first obtained. In the event of a violation of this provision, Beneficiary shall have the right, at its option, to declare all sums secured hereby immediately due and payable.
- 20. THE FOLLOWING PROVISIONS MAY RESULT IN THE COMPOUNDING OF INTEREST ON YOUR LOAN: At the option of the Beneficiary, if any payment should be insufficient to pay the interest then due, the balance of interest remaining shall be added to principal and will bear interest at the Note rate as the principal.

At the option of the Beneficiary, if any principal and/or interest installments, late charges, advances and/or costs should be repaid through or by any forbearance, bankruptcy plan or similar repayment plan, the total sum of these amounts will bear interest at the Note rate from the date due or advanced until the date repaid.

- 21. [ ] MULTIPLE LENDER LOANS: Pursuant to Civil Code Section 2941.9, this deed of trust is subject to a signed agreement between all of the beneficiaries to be governed by the beneficiaries holding more than 50% of the record beneficial interest.

The undersigned Trustor(s), requests that a copy of any Notice of Default and any Notice of Sale hereunder be mailed to him at his address hereinbefore set forth.

BORROWER, in consideration of the indebtedness herein recited and the trust herein created, irrevocably grants, transfers, conveys and assigns to Trustee, in trust, with power of sale, the following described property located in the county of **Riverside**, State of California: **Parcel 88, record of survey, in th County of Riverside, State of California, as per map recorded in Book 24 page(s) 62 and 63, records of survey, in the office of the County Recorder of said County.** Excepting therefrom the mobile home located thereon, which has the address of **22415 Callaway Road Perris CA 92570** (herein "Property Address");

**TOGETHER with all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents** (subject however to the rights and authorities given herein to Lender to collect and apply such rents), royalties, mineral, oil and gas rights and profits, water, and water rights, and water stock, and all fixtures now or hereafter attached to the property, all of which, including replacements and additions thereto, shall be deemed to be and remain a part of the property covered by this Deed of Trust; and all of the foregoing, together with said property (or the leasehold estate if this Deed of Trust is on a leasehold) are herein referred to as the "Property";

**THIS DEED OF TRUST IS MADE TO SECURE TO LENDER:**

(a) the repayment of the indebtedness evidenced by Borrower's note (herein "Note") dated **March 13, 2006**, in the principal sum of U.S. **\$5,600.00**, with payment of interest thereon, the payment of all other sums, with interest thereon, advanced in accordance herewith to protect the security of this Deed of Trust; the performance of the covenants and agreements of Borrower herein contained; and (b) repayment of any future advances, with interest thereon, made to the Borrower by Lender pursuant to paragraph 19 hereof (herein "Future Advances"); and in addition (c) this Deed of Trust shall provide the same security on behalf of the Lender, to cover extensions, modifications or renewals, including without limitation, extensions, modifications or renewals of the Note at a different rate of interest; and the performance of the covenants and agreements of Borrower herein contained.

Borrower covenants that Borrower is lawfully seised of the estate hereby conveyed and has the right to grant and convey the **Property, that the Property is unencumbered except for encumbrances of record, and that Borrower will warrant and defend** generally the title to the Property against all claims and demands, subject to encumbrances of record.

**UNIFORM COVENANTS, BORROWER AND LENDER COVENANT AND AGREE AS FOLLOWS:**

**1. Payments of Principal and/or Interest.** Borrower shall promptly pay, when due, the principal of and/or interest on the indebtedness evidenced by the Note, prepayment and late charges as provided in the Note, and the principal of and/or interest on any Future Advances secured by the Deed of Trust.

**2. Funds for Taxes and Insurance (Impounds).** Subject to applicable law, and if required by the Lender, Borrower shall pay to Lender on the day monthly payments of principal and interest are payable under the Note, until the Note is paid in full, a sum (herein "Funds") equal to one-twelfth of the yearly taxes and assessments (including condominium and planned unit development assessments, if any) which may attain priority over this Deed of Trust, and ground rents on the Property, if any, plus one-twelfth of yearly premium installments for hazard insurance, plus one-twelfth of yearly premium installments for mortgage insurance, if any, all as reasonably estimated initially and from time to time by Lender on the basis of assessments and bills and reasonable estimates thereof. Borrower shall not be obligated to make such payments of Funds to Lender to the extent that Borrower makes such payments to the holder of a prior mortgage or deed of trust if such holder is an institutional Lender.

If Borrower pays Funds to Lender, the Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a Federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay said taxes, assessments, insurance premiums and ground rents. Lender may not charge for so holding and applying the Funds, analyzing said account or verifying and compiling said assessments and bills, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing at the time of execution of this Deed of Trust that interest on the Funds shall be paid to Borrower, and unless such an agreement is made or applicable law requires such interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Deed of Trust.

If the amount of Funds held by Lender, together with the future monthly installments of Funds payable prior to the due dates of taxes, assessments, insurance premiums and ground rents, shall exceed the amount required to pay said taxes, assessments, insurance premiums and ground rents, such excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly installments of Funds. If the amount of the Funds held by Lender shall not be sufficient to pay taxes, assessments, insurance premiums and ground rents as they fall due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as Lender may require.

Upon payment in full of all sums secured by this Deed of Trust, Lender shall promptly refund to Borrower any Funds held by Lender. If under Paragraph 18 hereof the Property is sold or the Property is otherwise acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Deed of Trust.

**3. Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under the Note and paragraphs 1 and 2 hereof shall be applied by Lender first in payment of amounts payable to Lender by Borrower under paragraph 2 hereof, if applicable, then to interest payable on the Note, then to the principal of the Note, and then to interest and principal on any Future Advances.

**4. Prior Mortgages and Deeds of Trust; Liens.** Borrower shall perform all of Borrower's obligations under any mortgage, deed of trust or other security agreement with a lien which has priority over this Deed of Trust, including Borrower's covenants to make payments when due. Borrower shall pay or cause to be paid, at least 10 days before delinquency, all taxes, assessments and other charges, fines and impositions attributable to the Property which may attain a priority over this Deed of Trust, and leasehold payments or ground rents, if any.

**5. Hazard Insurance.** Borrower agrees to provide, maintain and deliver to Lender fire insurance satisfactory and with loss payable to Lender. The amount collected under any fire or other insurance policy may be applied by Lender upon any indebtedness secured hereby and in such order as Lender may determine, or at option of Lender the entire amount so collected or any part thereof may be released to the Borrower. Such application or release shall not cure or waive any Default or Notice of Default hereunder or invalidate any act done pursuant to such notice.

The insurance carrier providing the insurance shall be chosen by Borrower subject to approval by Lender; provided that such approval shall not be unreasonably withheld. All insurance policies and renewals thereof shall be in a form acceptable to Lender and shall include a standard mortgage clause in favor of and in a form acceptable to Lender. Lender shall have the right to hold the policies and renewals thereof, subject to the terms of any mortgage, deed of trust or other security agreement with a lien which has priority over this Deed of Trust.

In the event of a loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

If the Property is abandoned by Borrower, or if Borrower fails to respond to Lender within 30 days from the date notice is mailed by Lender to Borrower that the insurance carrier offers to settle a claim for insurance benefits, Lender is authorized to collect and apply their insurance proceeds at Lender's option either to restoration or repair of the Property or to the sums secured by this Deed of Trust.

If Borrower obtains earthquake, flood or any other hazard insurance, or any other insurance on the Property, and such insurance is not specifically required by the Lender, then such insurance shall: (i) name the Lender as loss payee thereunder, and (ii) be subject to all of the provisions of this paragraph 5.

**6. Preservation and Maintenance of Property; Leaseholds; Condominiums; Planned Unit Developments.** Borrower shall keep the Property in good repair and shall not commit waste or permit impairment or deterioration of the Property and shall comply with the provisions of any lease if this Deed of Trust is on a leasehold. If this Deed of Trust is on a unit in a condominium or a planned unit development, Borrower shall perform all of Borrower's obligations under the declaration of covenants creating or governing the condominium or planned unit development, the by-laws and regulations of the condominium or planned unit development, and constituent documents.

**7. Protection of Lender's Security.** If Borrower fails to perform the covenants and agreements contained in this Deed of Trust, or if any action or proceeding is commenced which affects Lender's interest in the Property, including but not limited to proceedings by the Lender to obtain relief from stay in any bankruptcy proceeding which would prohibit Lender enforcing its rights under the Deed of Trust, then Lender, at Lender's option, may make such appearances, disburse such sums, including reasonable attorney's fees, and take such action as is necessary to protect Lender's interest. If Lender required mortgage insurance as a condition of making the loan secured by this Deed of Trust, Borrower shall pay the premiums required to maintain such insurance in effect until such time as the requirement for such insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law.

Any amounts disbursed by Lender pursuant to this paragraph 7, with interest thereon, including but not limited to payment of delinquent taxes and assessments, insurance premiums due, and delinquent amounts owed to prior lien holders, shall become additional indebtedness of Borrower secured by this Deed of Trust. Such amounts as are disbursed by Lender shall be payable, upon notice from Lender to Borrower requesting payment thereof, and shall bear interest from the date of disbursement at the rate payable on the Note. Nothing contained in this paragraph 7 shall require Lender to incur any expense or take any action hereunder.

**8. Inspection.** Lender may make or cause to be made reasonable entries upon and inspection of the Property, provided that Lender shall give Borrower notice prior to any such inspection specifying reasonable cause therefore related to Lender's interest in the Property.

**9. Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in conjunction with any condemnation or other taking of the Property, or part thereof, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender, subject to the terms of any mortgage, deed of trust or other security agreement with a lien which has priority over this Deed of Trust.

**10. Borrower Not Released.** At any time or from time to time, without liability therefore and without notice upon written request of Lender and presentation of this Deed and said Note for endorsement, and without affecting the personal liability of any person for payment of the indebtedness secured hereby, Trustee may: reconvey any part of said property; consent to the making of any map or plat thereof; join in granting any easement thereon; or join in any extension agreement or any agreement subordinating the lien or charge thereof. Trustee may, but shall be under no obligation or duty to, appear in or defend any action or proceeding purporting to affect said property or the title thereto, or purporting to affect the security hereof or the rights or powers of Lender or Trustee.

**11. Forbearance by Lender Not a Waiver.** Any forbearance by Lender in exercising any right or remedy hereunder, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any such right or remedy. The procurement of insurance or the payment of taxes or other liens or charges by Lender shall not be a waiver of Lender's right to accelerate the maturity of the indebtedness secured by this Deed of Trust.

**12. Remedies Cumulative.** All remedies provided in this Deed of Trust are distinct and cumulative to any other or remedy under this Deed of Trust or afforded by law or equity, and may be exercised concurrently, independently or successively.

**13. Successors and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements herein contained shall bind, and the rights hereunder shall inure to, the respective successors and assigns of Lender and Borrower, subject to the provisions of paragraph 18 hereof. All covenants and agreements of Borrower shall be joint and several.

**14. Notice.** Except for any notice required under applicable law to be given in another manner, (a) any notice to Borrower provided for in this Deed of Trust shall be given by delivering it or by mailing such notice by certified mail addressed to Borrower or the Property at the Property Address or at such other address as Borrower may designate by notice to Lender as provided herein, and (b) any notice to Lender shall be given by certified mail to Lender, in care of Lender's Servicing Agent ("Agent"), **Golden State Mortgage, Co., PO Box 1685, San Bernardino, CA 92402-1685** or to such other address as Lender or Agent may designate by notice to Borrower as provided herein. Any notice provided for in this Deed of Trust shall be deemed to have been given to Borrower or Lender when given in the manner designated herein.

**15. This Deed of Trust shall be governed by the Laws of the State of California.** In the event that any provision or clause of this Deed of Trust or the Note conflicts with applicable law, such conflict shall not effect other provisions of this Deed of Trust or the Note which can be given effect without the conflicting provision, and to this end the provisions of the Deed of Trust are declared to be severable.

**16. Lender's Right to Require The Loan to be Paid Off Immediately.** If the Borrower shall sell, enter into a contract of sale, lease for a term of more than 6-years (including options to renew), lease with an option to purchase for any term, or transfer all or any part of the Property or an interest therein, excluding (a) the creation of a lien or encumbrance subordinate to this Deed of Trust, (b) or a transfer by devise, descent, or by operation of law upon the death of a joint tenant, the Lender may, at its option declare the Note and any other obligations secured by this Deed of Trust, together with accrued interest thereon, immediately due and payable, in full. No waiver or the Lender's right to accelerate shall be effective unless it is in writing.

If Lender exercises such option to accelerate, Lender shall mail Borrower notice of acceleration in accordance with paragraph 14 hereof. Such notice shall provide a period of not less than 30 days from the date the notice is mailed within which Borrower may pay the sums declared due. If Borrower fails to pay such sums prior to the expiration of such period, Lender may, without further notice or demand on Borrower, invoke any remedies permitted by paragraph 17 hereof.

**BORROWER AND LENDER FURTHER COVENANT AND AGREE AS FOLLOWS:**

**17. Assignment of Rents; Appointment of Receiver; Lender in Possession.** As additional security hereunder, and without regard to the adequacy of any security for the indebtedness hereby secured, Borrower hereby assigns to Lender the rents of the Property, provided that Borrower shall, prior to acceleration under paragraph 18 hereof or abandonment of the Property, have the right to collect and retain such rents as they become due and payable.

Upon acceleration under paragraph 18 hereof or abandonment of the Property, Lender, in person, by Agent or by judicially appointed receiver shall be entitled to enter upon, take possession of and manage the Property and to collect the rents of the Property including those past due. All rents collected by Lender or the receiver shall be applied first to payment of the costs of management of the Property and collection of rents, including, but not limited to, receiver's fees, premiums on receiver's bonds and reasonable attorney's fees, and then to the sums secured by this Deed of Trust. Lender and the receiver shall be liable to account only for those rents actually received.

**18. Upon default by Borrower in payment of any indebtedness secured hereby or in performance of any agreement hereunder,** Lender may declare all sums secured hereby immediately due and payable by delivery to Trustee of written declaration of default and demand for sale and of written Notice of Default and of election to cause to be sold said property, which notice Trustee shall cause to be filed for record. Trustee shall be entitled to rely upon the correctness of such notice. Lender also shall deposit with Trustee this Deed, said Note and all documents evidencing expenditures secured hereby.

After the lapse of such time as then may be required by law following the recordation of said Notice of Default and Notice of Sale having been given as then required by law, Trustee, without demand on Trustor, shall sell said property at the time and place fixed by it in said Notice of Sale, either as a whole or in separate parcels and in such order as it may determine (but subject to any statutory right of Trustor to direct the order in which said property, if consisting of several lots or parcels, shall be sold), at public auction to the highest bidder for cash in lawful money of the United States, payable at time of sale. Trustee may postpone sale of all or any portion of said property by public announcement at such time and place of sale, and from time to time thereafter may postpone such sale by public announcement at the time fixed by the preceding postponement. Trustee shall deliver to such purchaser its deed conveying the property to sold, but without any covenant or warranty, expressed or implied. The recitals in such deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person including Trustor, Trustee, or Beneficiary as hereinafter defined, may purchase at such sale.

After deducting all costs, fees and expenses of Trustee and of this Trust, including cost of evidence of title in connection with sale, Trustee shall apply the proceeds of sale to payment of; all sums expended under the terms hereof, not then repaid, with accrued interest at the rate prescribed in the Note; all other sums then secured thereby; and the remainder, if any, to the person or persons legally entitled thereto.

**19. Future Advances.** Upon request of Borrower, Lender, at Lender's option prior to full reconveyance of the Property by Trustee to Borrower, may make Future Advances to Borrower. Such advances with interest thereon, shall be secured by this Deed of Trust when evidenced by promissory notes stating that said notes are secured hereby.

**20. Reconveyance.** Upon written request of Lender stating that all sums secured hereby have been paid, and upon surrender of this Deed and said Note to Trustee for cancellation and retention and upon payment of its fees, Trustee shall reconvey, without warranty, the property then held hereunder. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The grantee in such reconveyance may be described as "the person or persons legally entitled thereto." The Trustee may destroy said Note, this Deed or Trust (and any other documents related thereto) upon the first to occur of the following: 5 years after issuance of a full reconveyance; or, recordation of the Note and Deed of Trust in a form or medium which permits their reproduction for 5 years following issuance of a full reconveyance.

**21. Substitution of Trustee.** Lender, at Lender's option, may from time to time remove Trustee and appoint a successor trustee to any Trustee appointed hereunder. Without conveyance of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon the Trustee herein and by applicable law.

**22. Request for Notices.** Borrower requests that copies of the notice of sale and notice of default be sent to Borrower's address which is the Property Address.

23. **Statement of Obligation.** Lender may collect a fee, not to exceed the maximum amount permitted by law, for furnishing the statement of obligations as provided by Section 2943 of the Civil Code of California.

**MISCELLANEOUS PROVISIONS**

24. **Construction or Home Improvement Loan.** If the loan secured by this Deed of Trust is a construction or home improvement loan. Borrower is required to perform according to the terms and conditions of each agreement contained in any building, home improvement or similar agreement between the Borrower and Lender.

25. **Acceptance by Lender of a Partial Payment After Notice of Default.** By accepting partial payment (payments which do not satisfy a default or delinquency in full) of any sums secured by this Deed of Trust after a Notice of Default has been recorded, or by accepting late performance of any obligation secured by this Deed of Trust, or by adding any payment so made to the loan secured by this Deed of Trust, whether or not such payments are made pursuant to a court order, the Lender does not waive its right either to require prompt payment when due of all other sums so secured or to declare default for failure to make any such prompt payment or to perform any such act. No exercise of any right or remedy of the Lender or Trustee under this Deed of Trust shall constitute a waiver of any other right or remedy contained in this Deed of Trust or provided by law.

**REQUEST FOR SPECIAL NOTICE OF DEFAULT AND FORECLOSURE UNDER SUPERIOR MORTGAGES OR DEEDS OF TRUST**

Borrower and Lender request the holder of any mortgage, deed of trust or other encumbrance with a lien which has priority over this Deed of Trust to give Notice to Lender care of Lender's Servicing Agent, at it's address set forth on page one of this Deed of Trust, of any default under the superior encumbrances and of any sale or other foreclosure action.

**Balloon Payment**

A balloon payment is any installment payment (usually the payment due at maturity) which is greater than twice the amount of the smallest installment payment under the terms of the promissory note or sales contract.

The borrower/vendee may have to obtain a new loan or sell the property to make the balloon payment. If the effort is not successful it may be necessary for the holder of the note/contract to foreclose on the property, as a means of collecting the amount owed.

# LOAN SERVICING AGREEMENT

Loan No.: 1113805

**Borrower**

Ronald Cascante

**Lender**

Pensco Trust Company, Inc. Custodian FBO Jeffrey E. Deis  
IRA

This Loan Servicing Agreement (the "Agreement") is dated March 6, 2006 and is between Golden State Mortgage, Co., a real estate broker licensed by the State of California ("Broker") and the lender or lenders whose signatures appear below and in counterparts to this Agreement (together, the "Lender"). If the Loan is owned by multiple Lenders, the "Majority" in this Agreement are the Lenders who own more than 50% of the record beneficial interest in the Note evidencing the Loan (more than 50% of the undivided interests in the Note), exclusive of any interest of a licensed real estate broker that is the issuer or servicer of the Loan, or any affiliate of that licensed real estate broker.

The parties agree as follows:

1.0 Scope. Lender retains Broker as Lender's agent to employ commercially reasonable and prudent practices to collect all scheduled payments on the Loan identified above (the "Loan"), including the protection of the security for the Loan. Broker shall consult with and follow instructions from Lender on non-routine collection matters. If the Loan is owned by multiple Lenders (a "Multi-Lender Loan"), Broker shall consult with all Lenders but shall only follow instructions from the Majority. A default upon any interest in the Note shall constitute a default upon all interests. The Majority may determine and direct the actions to be taken on behalf of all lenders in the event of default or with respect to other matters requiring the direction or approval of lenders, including but not limited to, designation of brokers, servicing agents or others acting on their behalf and the sale, encumbrance or lease of any real properties which may be owned by lenders as the result of foreclosure or receipt of a deed in lieu of foreclosure.

2.0 Term and Termination. This Agreement shall begin when the escrow for the Loan closes or the date set forth above, whichever is later. It shall terminate when any of these events occur: (a) payment in full of the Loan and reconveyance of the deed(s) of trust securing the Loan; (b) 30 days' written notice by Broker to Lender and, unless Lender is in breach of this Agreement, the notice shall be accompanied by a written offer from another licensed and qualified real estate broker, or from another qualified loan servicer exempt from licensure as a real estate broker, to service the Loan for Lender under the terms of this Agreement; (c) 30 days' written notice by Lender to Broker, in which case Lender shall immediately pay Broker the present value, assuming a rate of return of, of the sum of Broker's servicing fee for the remaining term of the loan; or (d) unless paragraph 7.0 is checked, recordation of a trustee's deed following a foreclosure of the Loan. Prior to the effectiveness of any termination, Broker shall deliver to Lender all of Lender's funds, an appropriate accounting and all necessary documentation. At termination, Lender shall immediately reimburse Broker for any outstanding advances made pursuant to paragraph 4.0.

3.0 Specific Loan Servicing Functions. Broker shall: (a) issue payment coupons or monthly statements to the borrower directing Loan repayment to Broker; (b) issue payoff demands, beneficiary statements and mortgage ratings; (c) demand, receive and collect all Loan payments, deposit them by the next business day into Broker's trust account and pay them to Lender within 30 days of receipt (within 25 days if the Loan is a Multi-Lender Loan); (d) issue annual income tax statements to the borrower and Lender; (e) answer borrower inquiries, demands and requests; (f) grant appropriate payment deferrals, but not of the maturity of the Loan unless approved by Lender or the Majority in the case of a Multi-Lender Loan; (g) monitor the continued effectiveness and claims on any property insurance listed in the Loan escrow instructions; (h) request and receive notices of default on senior liens; (i) receive notices of property tax delinquencies; and, (j) with the consent of Lender or the Majority, as the case may be, substitute trustees pursuant to Civil Code Section 2934a, initiate and direct judicial or non-judicial foreclosure of the Loan, as Lender or the Majority deem appropriate, and with such consent, communicate to the trustee or sheriff the amount of any credit bid. Broker shall promptly communicate to Lender any material information about collection of the Loan and the source of non-borrower Loan payments. Broker shall furnish to Lender a list of names and addresses of all lenders holding an interest in the Note upon five (5) days written notice. Broker may produce a copy of this Agreement as evidence of its authority.

4.0 Protective Advances. Lender shall make such advances as approved by the Majority or, if Lender is the only owner of the Loan, such advances that are necessary and prudent to protect and to collect Lender's interest in the Loan. If the Loan is a Multi-Lender Loan, and Lender fails to make advances approved by the Majority, other owners of the Loan are authorized to advance the amount Lender failed to advance and to receive payment in full with interest at 10% per annum before any further payments to Lender and, if this box is checked  the non-defaulting Loan owners shall also have the option, exercisable within 30 days after Lender's default, to purchase Lender's interest in the Loan at N/A% of what is owed to Lender, payable within 15 days after the election to purchase is made. Broker, in its absolute discretion, may advance its own funds to protect the security of Lender's Loan, including
