MINUTES OF THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA

On motion of Supervisor Benoit, seconded by Supervisor Ashley, and duly carried by unanimous vote, IT WAS ORDERED that the meeting of Tuesday, July 21, 2015, be adjourned in memory of Michael Masser, a prominent resident of Rancho Mirage, California who passed away on July 9, 2015.

An acclaimed songwriter, producer, Song Writer Hall of Fame inductee, and Oscar nominee, Michael was born on March 24, 1941 in Chicago, Illinois. He attended the University of Illinois at Urbana-Champaign and pursued a career as a stockbroker, but left the field to pursue his love of music. His first number one "smash hit" in 1973 was "Touch Me In the Morning," a song he wrote and produced for Diana Ross. It was followed by the "chart-topping" "Theme from 'Mahogany' (Do You Know Where You're Going To?)" which earned him an Oscar nomination in 1975 for Best Original Song.

Michael went on to work with Teddy Pendergrass which led to a meeting with Whitney Houston. His partnership with Houston led to three number one hits from Whitney's first two albums: "Saving All My Love," "Didn't We Almost Have it All," and "The Greatest Love of All." The latter song was originally written for the movie "The Greatest" (the 1977 film about the life of boxer Muhammad Ali) and was recorded by George Benson.

Michael was a loving and devoted husband, father, grandfather, brother, and friend whose memory and passionate spirit will live forever in the hearts of those who knew and loved him. He will be dearly missed but never forgotten.

The Board of Supervisors commemorates his service to the County of Riverside.

IT WAS FURTHER ORDERED that the Board of Supervisors expresses its heartfelt condolences to the family of Michael Masser.

I hereby certify that the foregoing is a full true, and correct copy of an order made and entered on
