BACKGROUND:

Summary

The County of Riverside as Lessor (County) and F.W. Aviation, LLC (Lessee) entered into a Lease Jacqueline Cochran Regional Airport dated February 15, 2011 (Master Lease) for 4.21 acres of vacant land at the Jacqueline Cochran Regional Airport (Leased Premises) for a term of 30 years. Pursuant to Section 1 of the Lease, the Lease is contingent upon completion of a fully executed sublease between FW Aviation LLC and the State of California, for a California Highway Patrol Aviation Facility at the Leased Premises. On April 4, 2011 a Lease between FW Aviation LLC as Lessor (Sublessor) and the State of California as Lessee (Sublessee) was fully executed providing for a 10 year term on 3,779 square feet of office space together with 8,128 square feet of hangar space and related parking (Sublease). The facility for the State of California Highway Patrol has been completed and received a certificate of occupancy. If approved by the Board, the Sublease will be subject to the Master Lease. The proposed Consent to Sublease is attached.

Pursuant to the California Environmental Quality Act (CEQA), the proposed Consent to Sublease was reviewed and determined to be categorically exempt from CEQA under State CEQA Guidelines 15301, Class 1 – Existing Facilities and State CEQA Guidelines 15061(b) (3), General Rule or “Common Sense” Exemption. The proposed project, the consent to sublease a portion of the Leased Premises, relates to the subletting of existing facilities and no expansion of an existing use will occur. In addition, there is no possibility that the proposed project will have a significant effect on the environment. County Aviation Division staff recommends that the Board of Supervisors approve the proposed Consent to Sublease. County Counsel has reviewed and approved the Consent to Sublease as to legal form.

Impact on Citizens and Businesses

This facility provides essential public services by California Highway Patrol Aviation Division to the surrounding community.

If the premises are not complete pursuant to Paragraph 6 by the date shown in Paragraph 2, it is understood and agreed by and between the parties that, at the State's sole option, the dates shown in Paragraphs 2 and 3 and the dates and dollar amounts shown in Paragraph 4 may be adjusted to the first of the month following the State's acceptance of the completed premises, such acceptance shall not unreasonably be withheld. If the State exercises this option, it is agreed the State will complete unilaterally an amendment to the lease to revise the herein above stated dates. Any accrued rents for the period of time prior to the unilaterally adjusted commencement date will be paid in accordance with Paragraph 8. ~~Additionally, it is understood and agreed between the parties that, at the State's option, the dates shown in the "CPI Escalator Operating Expenses" paragraph, if incorporated herein, shall be adjusted to reflect the time delay between lease commencement and the first of the month following the actual acceptance date. Said "adjusted" purchase option dates shall be established consistent herewith and incorporated into said lease with a unilateral amendment by the State.~~

Completion and Compliance with Plans and Specifications

6. Lessor agrees that, prior to February 1, 2012, and at Lessor's sole cost and expense, all required construction, improvements and/or alterations, if any, shall be completed and the leased premises made ready for State's occupancy in full compliance with Exhibit "A", consisting of two (2) sheets titled, "Office Quarters, Project No. 131274" dated June 15, 2008, and in accordance with Exhibit "B", consisting of seventy (70) pages, titled, "Outline Specifications, Project No. 131274" dated June 15, 2008, and Exhibit "C" consisting of nineteen (19) pages titled, "State Fire Marshal, CBC-ADA Access Compliance & Sustainable Measure Procedures Project No. 131274" dated June 15, 2008 which Exhibits "A" and "B" and "C" are by this reference incorporated herein.

Notice of Completion and Access to Premises during Construction

7. Lessor shall notify the State in writing by certified mail of the date the leased premises will be completed and ready for occupancy at least thirty (30) days prior thereto. Such notice shall be a condition precedent to the accrual of rental hereunder, except however, that if the State occupies the premises prior to the receipt of such notice or prior to the expiration of the notice period of such notice, rental shall commence to accrue as of the date of occupancy.

Following execution of this lease, and not more than sixty days (60) prior to completion of construction and occupancy under this lease, State or its contractors or other representatives shall have the right to enter the premises for the purpose of installing certain equipment such as, but not limited to, modular system furniture, and electrical and telecommunications cabling and equipment.

State agrees to indemnify and hold Lessor harmless from and against any claims, damages, or other injury suffered by Lessor as a result of the work to be performed pursuant to this right to enter the premises prior to State's acceptance and occupancy of the premises. Lessor agrees to indemnify and hold State and its agents, contractors or other representatives harmless from and against any claims, damages, injury or other harm suffered by reason of the negligence or other wrongful act of Lessor or any of Lessor's agents, contractors, or other representatives.

In no event shall the exercise of this right of entry be construed so as to cause an acceleration of the occupancy date of this lease or the obligation of the State to pay rent.

Lessor and State shall each make all reasonable efforts to ensure that the respective construction and installation work is scheduled in such a manner so as to not interfere with or delay the other.

In the event that one or the other party causes a delay in the other party's work, such injured party shall be compensated in the following manner:

Delays caused by the Lessor:

Credit the State a compensating day of delay in the occupancy date and corresponding day of delay in payment of rent.

Delays caused by the State:

Credit the Lessor a compensating day of payment of rent from the actual date of occupancy.

Compensation will be in one day increments.

The parties agree that this shall be the sole remedy for delay, in that the calculation of damages in any other manner is too uncertain and not susceptible of accurate determination.

Early Occupancy

8. Lessor agrees that if the leased premises are ready for occupancy prior to the completion date specified above in Paragraph 6, State may elect to occupy the premises on the earliest date practical after its receipt of the herein required completion notice. The rent payable for any such early occupancy by the State shall be at the rate of \$22,150.00 per month, and shall be prorated on a daily basis for any partial month.

**Time limit and
Prior Tenancy**

9. No rental shall accrue under this lease, nor shall the State have any obligation to perform the covenants or observe the conditions herein contained until the leased premises have been made ready for occupancy in accordance with the provisions hereof. It is specifically agreed that in the event the leased premises are not completed and ready for occupancy by the State on or before February 29, 2012, then and in that event the State may, at its option and in addition to any other remedies it may have, terminate this lease and be relieved of any further obligations hereunder, providing that a fair and reasonable allowance for the following delays shall be added to said time for completion:

- A. Acts of the State, its agents or employees, or those claiming under agreement with or grant from the State; or by
- B. The acts of God which Lessor could not reasonably have foreseen or guarded against; or by
- C. Any strikes, boycotts or like obstructive actions by employees or labor organizations and which are beyond control of Lessor, and which cannot be reasonably overcome; or by
- D. Restrictive regulations by the Federal Government which are enforced in connection with a National Emergency.

In the event that the State elects to occupy premises before the work on the premises specified in Exhibit A, B, and C is fully completed, the State will provide the Lessor with a punch list of work remaining to be completed (referenced as the State's "Punch List"). Lessor agrees that Lessor shall complete the remaining work no later than 14 calendar days from the date of receipt of said Punch List. If said Punch List is not completed within the specified 14-day period, Lessor agrees that, beginning on the first day after said 14-day period following occupancy of premises by the State, rent may at the State's sole option be reduced to \$15,505.00 which is seventy percent (70%) of the base rent specified in paragraph 4 herein (excluding any amortization payments) until such time that the Punch List work is completed in full and that such completion of work is inspected and accepted by the State. The portion of the rent specified for amortization of tenant improvements, if any shall continue to be paid in full without interruption.

It is understood and agreed that the rent reduction specified above does not relieve Lessor of its obligation to complete said work and the State shall maintain all other remedies specified in the Lease.

It is understood by all parties hereto that it shall be the Lessor's responsibility to remove any prior tenant.

Conformity to Exhibits

10. Occupancy of the leased premises by the State shall not relieve Lessor in any respect from full compliance at all times with aforesaid Exhibits "A" and "B" and "C". It is further understood and agreed that any installation not in conformity with said Exhibits "A" and "B" and "C" shall be immediately corrected by the Lessor at Lessor's sole cost and expense. In the event Lessor shall, after notice in writing from the State requiring the Lessor to comply with the requirements of this paragraph in regard to a specified condition, fail, refuse or neglect to remedy such condition, State may terminate this lease without further obligation, or as to such specified condition, at its option and in addition to any other remedy the State may have, withhold rent due and bring the leased premises into conformity with said Exhibits at its own cost including State's Administrative costs, if any, and deduct the amount thereof from the rent that may then be or thereafter become due hereunder.

Such fixtures, additions, structures, or signs so placed in or upon or attached to the premises under this lease or any extension hereof shall be and remain the property of the State and may be removed therefrom by the State prior to the termination or expiration of this lease or any renewal or extension hereof, or within a reasonable time thereafter.

In the event alterations, fixtures, additions, structures, or signs in or upon the leased premises are desired by State and State elects not to perform the work, any such work, when authorized in writing by the State shall be performed by the Lessor in accordance with plans and specifications provided by State. Lessor agrees to obtain competitive bids from at least three licensed contractors and to contract with the lowest bidder. Lessor further agrees that the overhead and profit for the work shall not exceed fifteen percent (15%) total for Lessor and any general contractor combined. Within forty-five (45) days after receiving Lessor's notice of completion of the requested work and an invoice requesting payment therefor, together with a complete detailed accounting of all costs for each trade, State agrees to either reimburse Lessor by a single total payment for the cost of such work; or, with Lessor's prior written approval, State will amortize the cost of the requested work over the remaining term of this lease by increasing the monthly rent by an amount to include principal and interest on the unpaid balance. In the event State terminates this lease on or after the end of the firm term, but before the expiration date of the lease, State agrees to pay to Lessor the portion of the principal balance which is unamortized as of the effective date of termination. Said payment shall be a single payment to be made within forty-five (45) days after the effective date of the termination.

Inspection

19. The Lessor reserves the right to enter and inspect the leased premises at reasonable times, and to render services and make any necessary repairs to the premises.

Destruction

20. If the leased premises are totally destroyed by fire or other casualty, this lease shall terminate. If such casualty shall render ten percent (10%) or less of the floor space of the leased premises unusable for the purpose intended, Lessor shall effect restoration of the premises as quickly as is reasonably possible, but in any event within thirty (30) days.

In the event such casualty shall render more than ten percent (10%) of such floor space unusable but not constitute total destruction, Lessor shall forthwith give notice to State of the specific number of days required to repair the same. If Lessor under such circumstances shall not give such notice within fifteen (15) calendar days after such destruction, or if such notice shall specify that such repairs will require more than ninety (90) days to complete from date such notice is given, State, in either such event, at its option may terminate this lease or, upon notice to Lessor, may maintain occupancy and elect to undertake the repairs itself, deducting the cost thereof from the rental due or to become due under this lease and any other lease between Lessor and State.

In the event of any such destruction other than total, where the State has not terminated the lease as herein provided, or pursuant to the terms hereof has not elected to make the repairs itself, Lessor shall diligently prosecute the repair of said premises and, in any event, if said repairs are not completed within the period of thirty (30) days for destruction aggregating ten percent (10%) or less of the floor space, or within the period specified in Lessor's notice in connection with partial destruction aggregating more than ten percent (10%), the State shall have the option to terminate this lease or complete the repairs itself, deducting the cost thereof from the rental due or to become due under this lease and any other lease between Lessor and State.

In the event the State remains in possession of said premises though partially damaged, the rental as herein provided shall be reduced by the same ratio as the net square feet the State is thus precluded from occupying bears to the total net square feet in the leased premises. 14 shall be for the Land only and shall not include the value of the Improvements or other

16 paragraph result in a monthly Base Rent amount for the Land which is lower than the highest
17 previous monthly Base Rent for the Land.

18 The aviation fair market value for the Land will be established by a property appraisal
19 performed by an independent appraiser, knowledgeable and experienced in the valuation of
20 aviation property within the southern California Counties of Riverside, San Bernardino, San
21 Diego and Los Angeles. The appraiser shall be certified by, and be, in good standing with the

4 participating in the selection process are unable to form a committee, comment on the Draft
5 RFQP, select the designated number of appraisers or give the County written notice thereof
6 within two hundred ten (210) days prior to the rent adjustment date, then County will select all
7 of the appraisers to which the RFQP is sent. No less than one hundred and eight (180) days
8 prior to the rent adjustment date, County will give reasonable consideration to the comments
9 received from the Lessee's Committee and shall issue a Final RFQP to a minimum of five (5)
10 appraisers meeting the foregoing qualifications. Upon receipt of the responses to the RFQP,
11 the County shall offer the responses to the Lessee's Committee for viewing and comment for a

20 above, the rent shall be adjusted by the percentage change in the Consumer Price Index, All
21 Urban Consumers, Los Angeles-Riverside-Orange County Area for the twelve month period
22 ending three months before the month of rent adjustment under this paragraph. In no event will
23 application of this paragraph result in a monthly rental amount lower than the highest previous
24 monthly rental amount.

25 (c) Fuel Flowage Fee: Lessee shall pay to County a fuel flowage fee in an
26 amount established by the Board of Supervisors for the County of Riverside (the "Board")
27 through a County Resolution, a County Ordinance or such other action as the Board may
28

1 decide from time to time. The fuel flowage fee, the calculation of the fuel flowage fee, the time
2 of payment and the method used to collect and report the amount of fuel transacted by Lessee
3 shall be subject to periodic review and adjustment by the Board of Supervisors to reflect
4 conditions then existing and the financial needs of the County's airports system. The County
5 may implement any such adjustments in the fuel flowage fee at any time. Such new or
6 adjusted fuel flowage fees shall be effective upon adoption by the County Board of
7 Supervisors. Implementation of the new or adjusted fuel flowage fees shall not be pre-
8 conditioned upon amendment of any existing Lease.

9
10 As of the date of this Lease fuel flowage fees have been established according
11 to County Resolution No. 2008-362, attached hereto as Exhibit E and incorporated by this
12 reference herein. The current fuel flowage fee is assessed at the rate of \$0.12 per gallon of

19 Lessee's agreement with any such suppliers shall contain a provision therein obligating such
20 suppliers to submit a duplicate invoice to County for any fuel and lubricant deliveries made to
21 Lessee within thirty (30) days following each such delivery. Such invoice shall indicate the type
22 of delivered products, the date of delivery, the delivered quantity, the per-unit cost, the total
23 extended cost, and the invoice number. Lessee shall submit such invoices, together with
24 payment of the fuel flowage fee, to County within thirty (30) days of delivery.

25
26 6. Additional Obligations of Lessee. Lessee shall, during the term of this
27 Lease and any extensions thereof (Some of the following obligations will only apply when and if
28

1 Lessee, or a Sublessee, operates as a Full Service Fixed Base Operator and will be indicated
2 as such by including the words "if applicable");

16 the case may be, the property of County, with the exception of trade fixtures as that term is
17 used in Section 1019 of the Civil Code; provided, however, that Lessee shall have the full and

11 the airport's sewer system.

12 (c) It is understood by the parties hereto that utility services are available in
13 the general vicinity of the Leased Premises, but in order for the on-site improvements required

15 and/or connect, or cause to be extended and/or connected, to such utility service facilities that
16 may be required or desired by Lessee in the use, operation, and maintenance of such on-site

12 with Lessee's use hereunder, or impair the security of any secured creditor of Lessee. County
13 shall cause the surface of the Leased Premises to be restored to its original condition (as they
14 existed prior to any such entry) upon the completion of any construction by County or its

3 to the United States Government for military use and, if such lease is executed, the provisions

5 Government, shall be suspended. In that event, a just and proportionate part of the rent
6 hereunder shall be abated, and the period of such closure shall be added to the term of this
7 Lease, or any extensions thereof, so as to extend and postpone the expiration thereof unless
8 Lessee otherwise elects to terminate this Lease.

9 (d) Notwithstanding any provisions herein, this Lease shall be subordinate to
10 the provisions of any existing or future agreement between County and the United States,
11 relative to the operation or maintenance of the Jacqueline Cochran Regional Airport, the terms
12 and execution of which have been or may be required as a condition precedent to the
13 expenditure or reimbursement to County of Federal funds for the development of said airport.

28 or the admission of Lessee in any action or proceedings against Lessee, whether Lessee be a

1 party thereto or not, that Lessee has violated any such statutes, regulations, rules, ordinances,
2 or orders in the use of the Leased Premises, shall be conclusive of that fact as between County
3 and Lessee.

4 15. Discrimination or Segregation

13 the purposes set forth in Paragraph 4 herein, this Lease shall, as to the part taken, terminate
14 as of the date title shall vest in the condemnor, or the date prejudgment possession is obtained
15 through a court of competent jurisdiction, whichever is earlier, and the rent payable hereunder
16 shall abate pro rata as to the part taken; provided, however, in such event County reserves the

7 to adjust, settle, or compromise any such action or claim without the prior consent of County,
8 provided, however, that any such adjustment, settlement or compromise in no manner

25 and agrees that it shall remain liable with respect to any and all the obligations and duties
26 contained in this Lease.

28

1 (a) Lessee's Right to Encumber. Notwithstanding provisions of Paragraph
2 24 herein. County does hereby consent to and agree that Lessee may encumber or assign, or
3 both, for the benefit of a lender, herein called Encumbrancer, this Lease, the leasehold estate
4 and the improvements thereof by a deed of trust, mortgage or other security-type instrument,
5 herein called trust deed, to assure the payment of the promissory note of Lessee if the
6 Encumbrancer is an established bank, savings and loan association or insurance company,
7 and the prior written consent of County shall not be required:

8 (1) To a transfer of this Lease at foreclosure under the trust deed,
9 judicial foreclosure, or an assignment in lieu of foreclosure; or

10 (2) To any subsequent transfer by the Encumbrancer if the
11 Encumbrancer is an established bank, savings and loan association or insurance company,
12 and is the purchaser at such foreclosure sale, or is the assignee under an assignment in lieu of
13 foreclosure; provided, however, that in either such event the Encumbrancer forthwith gives
14 notice to County in writing of any such transfer, setting forth the name and address of the
15 transferee, the effective date of such transfer, and the express agreement of the transferee
16 assuming and agreeing to perform all of the obligations under this Lease, together with a copy
17 of the document by which such transfer was made.

18 Any Encumbrancer described in Paragraph 25(a)(2) above which is the transferee
19 under the provisions of Paragraph 25(a)(1) above shall be liable to perform the obligations and
20 duties of Lessee under this Lease only so long as such transferee holds title to the leasehold.

21 Any subsequent transfer of this leasehold hereunder, except as provided for in
22 Paragraph 25(a)(2) above, shall not be made without the prior written consent of County and
23 shall be subject to the conditions relating hereto as set forth in Paragraph 25 herein. Lessee
24 shall give County prior notice of any such trust deed and shall accompany such notice with a
25 true copy of the trust deed and note secured thereby.

26 (b) Right of Encumbrancer to Cure. County agrees that it will not terminate
27 this Lease because of any default or breach hereunder on the part of Lessee if the
28 Encumbrancer under the trust deed, within ninety (90) days after service of written notice on

1 the Encumbrancer by County of its intention to terminate this Lease for such default or breach
2 shall:

3 (1) Cure such default or breach if the same can be cured by the
4 payment or expenditure of money provided to be paid under the terms of this Lease; provided,
5 however, that for the purpose of the foregoing, the Encumbrancer shall not be required to pay
6 money to cure the bankruptcy or insolvency of Lessee; or.

7 (2) If such default of breach is not so curable, cause the trustee
8 under the trust deed to commence and thereafter diligently to pursue to completion steps and
9 proceedings for judicial foreclosure, the exercise of the power of sale under and pursuant to the
10 trust deed in the manner provided by law, or accept from Lessee an assignment in lieu of
11 foreclosure, and keep and perform all of the covenants and conditions of this Lease requiring
12 the payment or expenditure of money by Lessee(s) until such time as said leasehold shall be
13 sold upon foreclosure pursuant to the trust deed, be released or reconveyed thereunder, be
14 sold upon judicial foreclosure or be transferred by deed in lieu of foreclosure.

15 26. Estoppel Certificate. Each party shall, at any time during the term of the Lease,
16 within ten (10) days of written Notice (or as soon as reasonably possible) from the other party,
17 execute and deliver a statement in writing certifying that this Lease is unmodified and in full
18 force and effect, or if modified, stating the nature of such modification. The statement shall
19 include other details requested by the other party as to the date to which rent and other
20 charges have been paid, and the knowledge of the other party concerning any uncured
21 defaults with respect to obligations under this Lease and the nature of such defaults, if they are
22 claimed. Any such statement may be relied upon conclusively by any prospective purchaser,
23 encumbrancer, or Sublessee of the Demised Premises, the building or any portion thereof.

24 27. Toxic Materials. County to the best of its ability has no actual knowledge of the
25 Premises ever having been used as a waste dump, nor of the past or present existence of any
26 above or below ground storage tanks on the Premises, nor of the current existence on the
27 Premises of asbestos, transformers containing PCB's or any hazardous, toxic or infectious
28 substance whose nature and/or quantity of existence, use, manufacture or effect, render it

1 subject to Federal, state or local regulation, investigation, remediation or removal as potentially
2 injurious to public health or welfare.

3 County shall be responsible for the removal and remediation of any contamination
4 and/or hazardous materials that may be found to have existed on the site prior to the execution
5 of this Lease. During the removal and remediation of any such contamination or hazardous
6 materials, rent shall abate pro rata as to the period of time taken to remove and remediate the
7 area of contamination and for any additional portion of the Premises that cannot be developed
8 because of cleanup activities.

9 During the term of this Lease and any extensions thereof, Lessee shall not violate any
10 federal, state, or local law, or ordinance or regulation relating to industrial hygiene or to the
11 environmental condition on, under or about the Leased Premises including, but not limited to,
12 soil, air, and groundwater conditions. Further, Lessee, its successors, assigns and Sublessee
13 shall not use, generate, manufacture, produce, store or dispose of on, under, or about the
14 Leased Premises or transport to or from the Leased Premises any flammable explosives,
15 asbestos, radioactive materials, hazardous wastes, toxic substances or related injurious
16 materials, whether injurious by themselves or in combination with other materials (collectively,
17 "hazardous materials"). For the purpose of this Lease, hazardous materials shall include, but
18 not be limited to, substances defined as "hazardous substances," "hazardous materials," or
19 "toxic substances" in the Comprehensive Environmental Response, Compensation and Liability
20 Act of 1980, as amended, 42 U.S.C. Section 9601, et seq.; the Hazardous Materials
21 Transportation Act, 49 U.S.C. Section 1801, et seq.; the Resource Conservation and Recovery
22 Act, 42 U.S.C. Section 6901, et seq.; and those substances defined as "hazardous wastes" in
23 Section 25117 of the California Health and Safety Code or as "hazardous substances" in
24 Section 25316 of the California Health and Safety Code; and in the regulations adopted in
25 publications promulgated pursuant to said laws now and in the future.

26 28. National Pollution Discharge Elimination System (NPDES) Permit. Lessee
27 acknowledges, understands and agrees that it shall comply with California State Water
28 Resources Control Board general permit requirements now and in the future relating to storm

1 water discharges associated with activities such as aircraft rehabilitation, mechanical repairs,
2 fueling, lubrication, cleaning, painting and deicing. Lessee further acknowledges, understands
3 and agrees that it shall participate as a co-permittee under said general permit, participate in
4 the Jacqueline Cochran Regional Airport Storm Water Pollution Prevention Plan (SWPPP) as
5 noted in Exhibit "D", attached hereto and by this reference made a part of this Lease, including
6 without limitation, the Best Management Practices, Best Available Technology Economically
7 Achievable, and Best Convention Pollutant Control Technology.

8 29. Free from Liens. Lessee shall pay, when due, all sums of money that may
9 become due for any labor, services, material, supplies, or equipment, alleged to have been
10 furnished or to be furnished to Lessee, in, upon, or about the Leased Premises, and which may
11 be secured by a mechanics, material-men's or other lien against the Leased Premises or
12 County's interest therein, and will cause each such lien to be fully discharged and released at
13 the time the performance of any obligation secured by such lien matures or becomes due;
14 provided, however, that if Lessee desire to contest any such lien, it may do so, but
15 notwithstanding any such contest, if such lien shall be reduced to final judgment, and such
16 judgment or such process as may be issued for the enforcement thereof is not promptly stayed,
17 or is so stayed, and said stay thereafter expires, then and in such event, Lessee shall forthwith
18 pay and discharge said judgment.

19 30. Employees and Agents of Lessee. It is understood and agreed that all persons
20 hired or engaged by Lessee shall be considered to be employees or agents of Lessee and not
21 of County.

22 31. Binding on Successors. Lessee, its assigns and successors in interest, shall be
23 bound by all the terms and conditions contained in this Lease, and all of the parties thereto
24 shall be jointly and severally liable hereunder.

25 32. Right of First Refusal. Providing Lessee faithfully performs all of the conditions
26 and covenants contained herein, and is not in default of the Lease at the date of expiration,
27 and further providing County offers the Leased Premises for lease at any time during the
28 twelve (12) months subsequent to said expiration, Lessee, its successor, or assigns shall have

1 the first right of refusal to enter into a new lease agreement with County under the final terms
2 being offered by County to any prospective lessee. Issuance of a Request for Proposals or Bid
3 or similar issuance does not constitute an offering of lease terms. County shall provide Lessee
4 written notice by United States mail that the Leased Premises are available for lease and the
5 terms of said lease, and Lessee shall have thirty (30) days from the postmark of said notice to
6 give written notice of acceptance of the proposed lease under the terms and conditions
7 contained in said notice. Should Lessee fail to notify County of acceptance of said lease
8 agreement within the thirty (30) days set forth herein. Lessee shall be deemed to have rejected
9 said offer to lease, and County shall be released from any further obligation hereunder.

10 33. Waiver of Performance. No waiver by County at any time of any of the terms
11 and conditions of this lease shall be deemed or construed as a waiver at any time thereafter of
12 the same or of any other terms or conditions contained herein or of the strict and timely
13 performance of such terms and conditions.

14 34. Severability. The invalidity of any provision in this Lease as determined by a
15 court of competent jurisdiction shall in no way affect the validity of any other provision hereof.

16 35. Venue. Any action at law or in equity brought by either of the parties hereto for
17 the purpose of enforcing a right or rights provided for by this Lease shall be tried in a Court of
18 competent jurisdiction in the County of Riverside, State of California, and the parties hereby
19 waive all provisions of law providing for a change of venue in such proceedings to any other
20 County.

21 36. Attorney's Fees. In the event of any litigation or arbitration between Lessee and
22 County to enforce any of the provisions of this Lease or any right of either party hereto, the
23 unsuccessful part to such litigation or arbitration agrees to pay to the successful party all costs
24 and expenses, including reasonable attorney's fees, incurred therein by the successful party,
25 all of which shall be included in and as a part of the judgment or award rendered in such
26 litigation or arbitration.

RE: Proposed Sublease between FW Aviation LLC and the State of California for California Highway Patrol Facility at Jacqueline Cochran Regional Airport (the "Sublease")

Ladies and Gentlemen:

Signature Flight Support Corporation ("Signature") is an established fixed base operator ("FBO") at Jacqueline Cochran Regional Airport ("Airport"), providing aeronautical support services to general aviation aircraft customers. We understand that the County of Riverside ("County") entered into a Lease with FW Aviation in February of 2011 (the "Prime Lease"), and now intends to consent to the referenced Sublease. The purpose of this letter is to advise you of our concerns regarding the permitted uses set forth in the Prime Lease.

Since 1939, with the passage of the first of three legislative acts governing airport operations, Congress has taken the position that the most effective way to promote safety and efficiency at airports is to promote fair competition at airports. Fair competition can best be described as a level playing field. Full service FBOs do not cater primarily to any one party, or to themselves, but instead seek to handle and sell fuel to all general aviation aircraft on the field. In order to be considered full service, an FBO must have the availability in its hangar(s) to house based and itinerant customers, must not give any one customer preferential treatment, and must offer an array of services which, standing alone, may not be profitable. Our concern is that pursuant to Section 4(a)(1) of the Prime Lease, FW Aviation and its subtenants will apparently have the right to sell aviation fuels to third parties. The occupant of the FW Aviation parcel can thereby fashion an economic model by which it can offer fuel at a discount in order to attract large itinerant aircraft that require large volumes of fuel without having to provide all other services. Since FW Aviation and/or its subtenants will not have to incur the full cost and expense of providing all required FBO services, they can undercut the incumbent FBO fuel prices for certain itinerant customers, resulting in unfair competition. By allowing this, the County may be engaging in unjustly discriminatory conduct.

As a condition of accepting Federal funds for development, the Airport and the County as the Airport sponsor are subject to Federal Aviation Administration ("FAA") Grant Assurances. Grant Assurance No. 22 (Economic Nondiscrimination), subsections (a), and (c) provide:

Since 1939, with the passage of the first of three legislative acts governing airport operations, Congress has taken the position that the most effective way to promote safety and efficiency at airports is to promote fair competition at airports. Fair competition can best be described as a level playing field. Full service FBOs do not cater primarily to any one party, or to themselves, but instead seek to handle and sell fuel to all general aviation aircraft on the field. In order to be considered full service, an FBO must have the availability in its hangar(s) to house based and itinerant customers, must not give any one customer preferential treatment, and must offer an array of services which, standing alone, may not be profitable. Our concern is that pursuant to Section 4(a)(1) of the Prime Lease, FW Aviation and its subtenants will apparently have the right to sell aviation fuels to third parties. By allowing this, the County may be engaging in unjustly discriminatory conduct.

As a condition of accepting Federal funds for development, the Airport and the County as the Airport sponsor are subject to Federal Aviation Administration ("FAA") Grant Assurances. Grant Assurance No. 22 (Economic Nondiscrimination), subsections (a), and (c) provide:

3-16 8/18

a. It will make the airport available as an airport for public use on reasonable terms and *without unjust discrimination* to all types, kinds and classes of aeronautical activities, including commercial aeronautical activities offering services to the public at the airport. (emphasis supplied)

The Prime Lease will unjustly discriminate against the incumbent FBOs by creating an unequal playing field in violation of Grant Assurance 22. This disparate treatment will greatly damage the Incumbent FBOs. The FAA's guidance is clear that sponsors of public use airports developed with federal assistance are obligated "to treat in a uniform manner those users making the same or similar use of the airport and to make all airport facilities and services available on reasonable terms without unjust discrimination." *Flightline Aviation, Inc. v. City of Shreveport, FAA Docket No. 16-07-05, 18-19 (Director's Determination 2008)*.

Signature's concern that FW Aviation and/or its subtenants not be allowed to set up what is essentially a gasoline station, is an issue recognized by the FAA. For example, the FAA addressed this issue in the matter of *M Daniel Carey and Cliff Davenport v. Afion-Lincoln County Municipal Airport Joint Powers Board, Docket No. 16-06-06 (Director's Determination 2007)*.

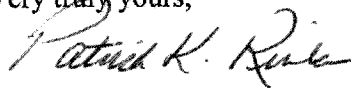

In *Carey*, the FAA stated:

[T]he FAA also advised that detailed minimum standards should be in place to prevent the FBO from limiting its services to selling fuel only. Although the FAA has no restriction against allowing an FBO to limit its services to selling fuel only, experience has shown that FBOs will not develop the necessary aeronautical support services if there is no requirement to do so... Fuel sales tend to be the most lucrative service of the FBO business. It is important to tie this activity to other commercial services in order to provide aeronautical users with the commercial support service necessary to use the airport fully. *Carey*, at 45.

Thus the FAA takes the position that fuel sales must be tied into other commercial services and not be stand-alone since otherwise an FBO will seek to limit itself to the most lucrative service, which is fueling. By allowing another operator to sell fuel when it is not actually interested in or able to provide other services, the County will be allowing FW Aviation essentially to provide only the most lucrative service — fueling — to the detriment of the incumbent FBOs. Signature is not opposed to users of the FW Aviation Parcel providing fuel to its/their own aircraft fleet, but such right should not be extended to allow the sale of aviation fuels to third parties.

Thank you for your consideration of this important matter. Please let us know if you have any questions or wish to discuss this matter further.

Very truly yours,

Patrick K. Rinka
