BACKGROUND:

Summary

Landscaping and Lighting Maintenance Districts (L&LMD's) are formed for the purpose of creating a funding mechanism to pay for the installation and maintenance of landscaping, streetlights, traffic signals, drainage inlet water quality filters, decorative fencing, and other roadside features within the road right-of-way. Within an established L&LMD, zones are created for specific developments, a fee structure is developed specific to the features within that zone, and the zone is then assessed through a tax levy on an annual basis for the installation and maintenance of the features within that particular zone.

L&LMD No. 89-1-C was formed in 1994, Resolution No. 94-389, and currently consists of 124 individual zones with different fee structures spread throughout Riverside County (County). The commercial property owner of Conditional Use Permit No. 03663, as described in the attached Exhibit "A," has petitioned the County to annex their property into L&LMD No.89-1-C, creating Zone 192. The boundaries of Zone 192 will encompass the entire Conditional Use Permit No. 03663 and will include the maintenance and servicing of streetlights and traffic signals.

On June 30, 2015 (Agenda Item 9-8), a public hearing was held to receive all testimony regarding the annexation of Zone 192 to Landscaping and Lighting Maintenance District No. 89-1-Consolidated (L&LMD No. 89-1-C"). After closing the public hearing, the Board of Supervisors directed the Director of Transportation and Land Management, or his designee, to tally the assessment ballots that had been received prior to the close of the hearing. The assessment ballots were tabulated on July 1, 2015, at 10:00 a.m. in Conference Room C on the 8th Floor of the County Administrative Center. The tabulation showed that votes representing one parcel out of a possible one were cast, and that one vote (or 100%%) was cast in favor of the annexation of Zone 192 to L&LMD No. 89-1-C and the levy and enrollment of the special assessment.

Adoption of Resolution No. 2015-165 confirms the assessment levy as indicated in the Engineer's Report for fiscal year 2015-16 for Zone 192 of L&LMD No. 89-1-C and orders the placement of the annual assessment on the County's Assessment Roll for fiscal year 2015-16.

Reference

At the direction of the Board of Supervisors, L&LMD No. 89-1-C was formed in 1994 by Resolution No. 94-389, authorizing the annexation of new zones into L&LMD No. 89-1-C for the purpose of levying assessments to pay for the installation and maintenance of landscaping, streetlights and other right-of-way approved improvements.

The zone-specific Engineer's Report for fiscal year 2015-2016 was prepared in compliance with the requirement of Article 4, Chapter 1, of the Landscaping and Lighting Act of 1972, which is Part 2, Division 15 of the California Streets and Highways Code. The County initiates annexation proceedings for the annual levy of assessments by passing a resolution, which proposes the new levy under the Landscaping and Lighting Act of 1972. This resolution also describes the improvements, describes the location of the zone within the district, and finally orders an engineer, who is a registered professional engineer, certified by the State of California, to prepare and file a detailed report.

In November 1996, California voters passed Proposition 218, Right to Vote on Taxes Act, which added Articles XIII C and XIII D to the California Constitution; new procedures must be followed to levy annual assessments under the Landscaping and Lighting Act of 1972. A County may levy annual assessments for an assessment district after complying with the requirements of the Landscaping and Lighting Act of 1972 and the provisions of Proposition 218 Right to Vote on Taxes Act.

Impact on Residents and Businesses

The new assessment is for the purpose of providing the maintenance and servicing of streetlights and traffic signals within public right-of-way.

Only the commercial property owners within the proposed boundaries of Zone 192, which are represented by Conditional Use Permit No. 03663, as described in the attached Exhibit "A" (a two page exhibit containing a description and diagram) are impacted by the cost of this annexation. By setting up an assessment for the maintenance of certain infrastructure required by the development, the County requires that the development pay for its maintenance impact, rather than the obligation falling upon public funding sources.

SUPPLEMENTAL:

Additional Fiscal Information

The proposed budget for fiscal year 2015-16 for Zone 192 is \$1,887.00. This will result in an assessment for fiscal year 2015-16 within Zone 192 of \$411 per acre. Zone 192 includes 10 commercial parcels totalling 4.13 acres. The annual assessment may be adjusted annually by the greater of 2% or the cumulative percentage increase in the Consumer Price Index for all Urban Customers for electricity (CPI-U), if any, as it stands as of March of each year over the base index for March of 2015.
