BACKGROUND:

1. Inspection Warrant MISC 2014-107 was executed on the property by Code Enforcement Officer Brett Pollard on October 14, 2014. The Inspection revealed excess outside storage of materials and an accumulation of rubbish on the subject property in violation of Riverside County Ordinances Nos. 348 and 541. The items included but were not limited to: green waste, household trash, carts, buckets, pots, aquariums, bird cages, a camper shell, trays, shelves, a bed liner, a children's pool, furniture and other miscellaneous items, in excess of 3,000 square feet.
2. There have been approximately six (6) subsequent follow up inspections, with the last inspection occurring on June 8, 2015. The property continues to be in violation of Riverside County Ordinance Nos. 348 and 541.
3. Staff and the Code Enforcement Department have complied with the notice requirements set forth in the appropriate laws of this jurisdiction pertaining to the administrative abatement proceedings for the removal of the excess outside storage and accumulated rubbish.

Impact on Citizens and Businesses

Failure to abate will have a negative impact on citizens or businesses due to health and safety hazards, nuisance, and potential impact on real estate values.

12 I, Brett Pollard, declare that the facts set forth below are personally known to me except to
13 the extent that certain information is based on information and belief which I believe to be true, and if
14 called as a witness, I could and would competently testify thereof under oath:

15 1. I am currently employed by the Riverside County Code Enforcement Department as a
16 Code Enforcement Officer. My current official duties as a Code Enforcement Officer include inspecting
17 property for violations and enforcement of the provisions of Riverside County Ordinances.

18 2. On October 14, 2014, pursuant to Inspection Warrant MISC 2014-107, I conducted an
19 inspection of the real property described as 40726 Mayberry Avenue, Hemet, Riverside County,
20 California and further described as Assessor's Parcel Number 447-060-044 (hereinafter described as
21 "THE PROPERTY"). A true and correct copy of a Thomas Brothers map page indicating the location of
22 THE PROPERTY is attached hereto and incorporated herein by reference as Exhibit "A."

23 3. A review of County records and documents disclosed that THE PROPERTY is owned by
24 Marian L. Lawell (hereinafter referred to as "OWNER"). A certified copy of the County Equalized
25 Assessment Roll for 2014-2015 tax year and a copy of the report generated from the County Geographic
26 Information System ("GIS") is attached hereto and incorporated herein by reference as Exhibit "B." The
27 property is an improved parcel approximately 0.34 acres in size and is located within the R-1 (One
28 Family Dwelling) zone classification. The zone allows for outside storage of materials on improved
29 parcels of one-half to one acre provided the amount is limited to one hundred (100) square feet with a
30 maximum height of three (3) feet. The parcel size is less than the minimum requirements and therefore
31 does not allow any amount of excess outside storage on THE PROPERTY. Accumulated rubbish in not
32 permitted on any property within the County of Riverside.

1 4. Based on the Lot Book Reports from RZ Title Service dated December 22, 2014 and
2 updated on April 14, 2015, it is determined that other parties may potentially hold an interest in THE
3 PROPERTY, to wit: Accubanc Mortgage Corporation, First Interstate Bank of California a California
4 Corporation, GMAC Mortgage Corporation, and Wells Fargo Bank, N.A. (hereinafter referred to as
5 "INTERESTED PARTIES"). True and correct copies of the Lot Book Reports are attached hereto and
6 incorporated herein by reference as Exhibit "C."

7 5. On October 14, 2014, pursuant to Inspection Warrant MISC 2014-107, I conducted an
8 inspection. I observed excess outside storage and accumulated rubbish on THE PROPERTY. The
9 outside storage of materials and accumulated rubbish consisted of, but was not limited to: green waste,
10 household trash, carts, buckets, pots, aquariums, bird cages, a camper shell, shelves, a bed liner, trash,
11 a children's pool, furniture and miscellaneous items, in excess of 3,000 square feet. This condition
12 causes THE PROPERTY to constitute a public nuisance in violation of the provisions set forth in
13 Riverside County Ordinance ("RCO") Nos. 348 and 541.

14 6. On October 15, 2014, a Notice of Violation was mailed to OWNER by first class mail and
15 was posted on THE PROPERTY on October 16, 2014.

16 7. On February 3, 2015, a Notice of Violation was mailed to INTERESTED PARTIES by first
17 class mail.

18 8. A site plan and photographs depicting the conditions of THE PROPERTY are attached
19 hereto and incorporated herein by reference as Exhibit "D."

20 9. True and correct copies of each Notice issued in this matter and other supporting
21 documentation are attached hereto and incorporated herein by reference as Exhibit "E."

22 10. There have been approximately six (6) subsequent follow up inspections, with the last
23 inspection being June 8, 2015. Each inspection revealed the accumulated rubbish and excess outside
24 storage of materials remained on THE PROPERTY in violation of RCO Nos. 348 and 541.

25 11. Based upon my experience, knowledge and visual observations, it is my determination
26 that the conditions on THE PROPERTY are dangerous to the neighboring property owners and the
27 general public.

28 ///

1 12. Furthermore, a recent inspection showed THE PROPERTY remained in violation of RCO
2 Nos. 348 and 541.

3 13. A Notice of Pendency of Administrative Proceedings was recorded in the Office of the
4 County Recorder, County of Riverside, State of California, on December 3, 2014, as Instrument Number
5 2014-0462040. A true and correct copy of which is attached hereto and incorporated herein by reference
6 as Exhibit "F."

7 14. A "Notice to Correct County Ordinance Violations and Abate Public Nuisance" providing
8 notification of the Board of Supervisors' hearing as required by RCO No. 725 was mailed to OWNER and
9 INTERESTED PARTIES, by first class mail and was posted on THE PROPERTY. True and correct
10 copies of the Notices, together with the Proofs of Service, and the Affidavit of Posting of Notices are
11 attached hereto and incorporated herein by reference as Exhibit "G."

12 15. The removal of all accumulated rubbish and excess outside storage of materials currently
13 on THE PROPERTY is required to bring THE PROPERTY into compliance with RCO Nos. 348 and 541,
14 and the Health and Safety Code.

15 16. Accordingly, the following findings and conclusions are recommended:

16 (a) the excess outside storage of materials and accumulated rubbish on THE
17 PROPERTY to be deemed and declared a public nuisance; and

18 (b) the OWNER, or whoever has possession or control of THE PROPERTY, be
19 required to remove all outside storage and accumulated rubbish on THE PROPERTY in strict
20 accordance with the provisions of RCO Nos. 348 and 541.

21 (c) that if the materials and rubbish are not removed and disposed of in strict
22 accordance with all Riverside County Ordinances, including but not limited to RCO Nos. 348 and 541,
23 within ninety (90) days of the date of the posting and mailing of the Board's Order to Abate Nuisance, the
24 outside storage of materials and accumulated rubbish may be abated and disposed of by representatives
25 of the Riverside County Code Enforcement Department, a contractor, or the Sheriff's Department upon
26 receipt of owner's consent or a Court Order when necessary under applicable law.

27 ///

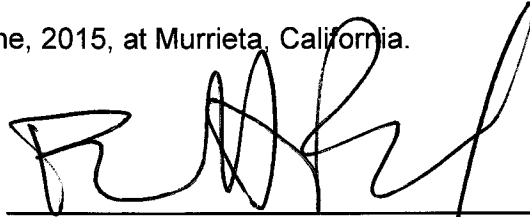

28 ///

1 (d) that reasonable costs of abatement, after notice and opportunity for hearing, shall
2 be imposed as a lien on THE PROPERTY, which may be collected as a special assessment against THE
3 PROPERTY pursuant to Government Code Section 25845 and RCO No. 725.

4 I declare under penalty of perjury under the laws of the State of California that the
5 foregoing is true and correct.

THIS DEED OF TRUST ("Security Instrument") is made on the 5th day of October, 1999.
The trustor is MARIAN L. LAWELL, A SINGLE WOMAN

("Borrower").

The trustee is ACCUBANC MORTGAGE CORPORATION

("Trustee").

The beneficiary is ACCUBANC MORTGAGE CORPORATION, A CORPORATION, which is organized and existing under the laws of the State of TEXAS, and whose address is 12377 MERIT DRIVE, #600, P.O. BOX 809089, DALLAS, TX 75251

("Lender").

Borrower owes Lender the principal sum of FIFTY-ONE THOUSAND SEVEN HUNDRED FIFTY and NO/100-----Dollars (U.S. \$ 51,750.00). This debt is evidenced by Borrower's note dated the same date as this Security Instrument ("Note"), which provides for monthly payments, with the full debt, if not paid earlier, due and payable on November 1, 2029. This Security Instrument secures to Lender: (a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extensions and modifications of the Note; (b) the payment of all other sums, with interest, advanced under paragraph 7 to protect the security of this Security Instrument; and (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. For this purpose, Borrower irrevocably grants and conveys to Trustee, in trust, with power of sale, the following described property located in RIVERSIDE County, California:

TOGETHER WITH all the improvements now or hereafter created on the property, and all easements, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

This SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Funds for Taxes and Insurance.** Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for: (a) yearly taxes and assessments which may attain priority over this Security Instrument as a lien on the Property; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; (d) yearly flood insurance premiums, if any; (e) yearly mortgage insurance premiums, if any; and (f) any sums payable by Borrower to Lender, in accordance with the provisions of paragraph 8, in lieu of the payment of mortgage insurance premiums. These items are called "Escrow Items." Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan may require for Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. § 2601 et seq. ("RESPA"), unless another law that applies to the Funds sets a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow items or otherwise in accordance with applicable law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is such an institution) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. However, Lender may require Borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for all sums secured by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow items when due, Lender may so notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If, under paragraph 21, Lender shall acquire or sell the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

3. **Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to any prepayment charges due under the Note; second, to amounts payable under paragraph 2; third, to interest due; fourth, to principal due; and last, to any late charges due under the Note.

4. **Charges; Liens.** Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 7.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgagee clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

8. **Mortgage Insurance.** If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

9. **Inspection.** Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

10. **Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

11. **Borrower Not Released; Forbearance By Lender Not a Waiver.** Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

12. **Successors and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

13. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstatement. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraph 17.

19. Sale of Note; Change of Loan Servicer. The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 14 above and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

20. Hazardous Substances. Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law.

As used in this paragraph 20, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this paragraph 20, "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

21. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under paragraph 17 unless applicable law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to bring a court action to assert the non-existence of a default or any other defense of Borrower to acceleration and sale. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may invoke the power of sale and any other remedies permitted by applicable law. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 21, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

If Lender invokes the power of sale, Lender shall execute or cause Trustee to execute a written notice of the occurrence of an event of default and of Lender's election to cause the Property to be sold. Trustee shall cause this notice to be recorded in each county in which any part of the Property is located. Lender or Trustee shall mail copies of the notice as prescribed by applicable law to Borrower and to the other persons prescribed by applicable law. Trustee shall give public notice of sale to the persons and in the manner prescribed by applicable law. After the time required by applicable law, Trustee, without demand on Borrower, shall sell the Property at public auction to the highest bidder at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order Trustee determines. Trustee may postpone sale of all or any parcel of the Property by public announcement at the time and place of any previously scheduled sale. Lender or its designee may purchase the Property at any sale.

Trustee is willing that the Deed of Trust securing the same shall, when recorded, constitute a lien or charge upon said land which is unconditionally prior and superior to the lien or charge of the Deed of Trust first above mentioned.

NOW, THEREFORE, in consideration of the mutual benefits accruing to the parties hereto and other valuable consideration, the receipt and sufficiency of which consideration is hereby acknowledged, and in order to induce Lender to make the loan above referred to, it is hereby declared, understood and agreed to as follows:

- (c) It intentionally waives, relinquishes and subordinates the lien or charge of the Deed of Trust first above mentioned in favor of the lien or charge upon said land of the Deed of Trust in favor of Lender above referred to and understands that in reliance upon, and in consideration of, this waiver, relinquishment and subordination specific loans and advances are being and will be made and, as part and parcel thereof, specific monetary and other obligations are being and will be entered into which would not be made or entered into but for said reliance upon this waiver, relinquishment and subordination; and
- (d) An endorsement has been placed upon the note secured by the Deed of Trust first above mentioned that said Deed of Trust has by this instrument been subordinated to the lien or charge of the Deed of Trust in favor of Lender above referred to.

5. (a) To pay, and submit to the Beneficiary, at least ten days before default or delinquency, a receipt evidencing payment of all taxes and assessments affecting said property, including assessments on said water stock, and any accrued interest, cost and/or penalty thereon. (b) To pay when due all encumbrances (including any debt secured by deed of trust), ground rents, liens, and/or charges, with interest, on said property or any part thereof which appear to be prior or superior hereto, and to pay immediately and in full all such encumbrances, rents, liens and/or charges, if any, which may now be due or payable, (c) to pay when due all costs, fees and expenses of these Trusts, including cost of evidence of title and Trustee's fees in connection with sale, whether completed or not, which amounts shall become due upon delivery to Trustee of Declaration of Default and Demand for Sale, as hereinafter provided.

6. To pay all assessments against said property at least ten days before any bond or bonds could or would be issued in connection therewith;

7. If requested in writing by Beneficiary, to make payments to Beneficiary on account of taxes and assessments (including bonds) assessed, levied, or becoming a lien or charge upon the real property herein described or any portion thereof, in addition to the payments stipulated in said note and/or elsewhere herein, on the same date on which the next payment of interest or principal (whichever shall occur) shall become due on said note, and monthly thereafter during the continuance of these trusts, in an amount equal to the said taxes and assessments next due (as estimated by Beneficiary) less any installments already paid on account thereof, divided by the number of months that are to elapse by one month prior to the date when such taxes and/or assessments would become delinquent if not paid. Any such amounts if received by Beneficiary be held and/or used for the purpose of paying taxes and assessments (including bonds) affecting said real property or any part thereof and any one used for the purpose of paying principal of or interest on the said note or any other obligations secured hereby in such order as the Beneficiary elects. Should the payments made by Trustor to Beneficiary pursuant to this clause and remaining unused in the hands of Beneficiary be insufficient to pay terms of taxes, assessments and bonds, or any of them, in full when due, the Trustor promises and agrees to pay to Beneficiary at least ten days before the date such unpaid items if not paid would become delinquent, a sum which when added to the amount in the hands of the Beneficiary and avar therefor is sufficient to pay the whole of said items. Beneficiary shall not be obliged to pay or allow any interest on any sums held by Beneficiary on delinquency or application hereunder, and Beneficiary may impound or reserve for future payment of taxes, assessments, and/or bonds such portion such payments as Beneficiary may in its absolute discretion deem proper, applying the balance on the principal of or interest on the obligations secured hereby. Should Trustor fail to deposit with Beneficiary (exclusive of that portion of said payments which has been applied by Beneficiary on the principal of or interest on the indebtedness secured by this Deed of Trust) sums sufficient to fully pay said items of taxes, assessments, and bonds at least ten days before delinquency thereof, Beneficiary may at Beneficiary's election, but without any obligation so to do, advance any amounts required to make up the deficiency, which advances, if any, shall be secured hereby and shall be repayable to Beneficiary as herein elsewhere provided, or at the option of Beneficiary the latter may without making any advance whatever apply any sums held by it upon any obligation of the Trustor secured hereby. Should any default occur or exist on the part of the Trustor in the payment or performance of any of Trustor's obligations under the terms of the Deed of Trust, Beneficiary may at any time at Beneficiary's option apply any sums or amounts in its hands received pursuant hereto, or as rents or income of said real property or otherwise, upon any indebtedness or obligation of the Trustor secured hereby in such manner and order as Beneficiary may elect. The receipt, use, or application of any such sums paid by Trustor to Beneficiary hereunder shall not be construed to affect the maturity of any indebtedness secured by this Deed of Trust or any of the rights or powers of Beneficiary or Trustee under the terms of this Deed of Trust or any of the obligations of Trustor hereunder.

8. To pay at least ten days before delinquency all assessments upon any water stock covered hereby or used in connection with said property, and all rents, assessments or charges for water available to or used in connection with said property and/or for the fumes, ditches, pipes or aqueducts in which such water may be furnished or delivered;

9. To pay immediately without demand, all sums expended or expense incurred by Trustee and/or Beneficiary, including attorney's fees, under any of the terms of this Deed of Trust, with interest from date of expenditure at the rate set forth in the Note or Beneficiary's Prime Rate, whichever is greater. Prime Rate is that rate which from time to time is announced by First Interstate Bank of California as its prime rate.

10. Should Trustor fail or refuse to make any payment or do any act which he is obligated hereunder to make or do, at the time and in the manner herein provided, then Trustee and/or Beneficiary, each in its sole discretion, it being hereby made the sole judge of the legality thereof, may, without notice or demand upon Trustor, and without releasing Trustor from any obligation hereof:

1. Make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, either Trustee or Beneficiary being authorized to enter upon and take possession of said property for such purposes.

2. Pay, purchase, contest or compromise any claim, debt, lien, charge or encumbrance which in the judgement of either may affect or appear to affect the security of the Deed of Trust, the interest of Beneficiary, or the rights, powers and/or duties of Trustee and/or Beneficiary hereunder.

3. Beneficiary is authorized, either by itself or by its agent to be appointed by it for that purpose, to enter into and upon and take and hold possession of any or all property covered hereby and exclude the Trustor and all other persons therefrom; and may operate and manage the said property and rent and lease the same and collect any and all rents, issues, income and profits therefrom and from any personal property located thereon, the same being hereby assigned and transferred for the benefit and protection of Beneficiary, and from time to time apply same and/or accumulate same for application, in such order and manner as Beneficiary in its sole discretion shall consider advisable, to or upon the following: costs of collecting same, including Beneficiary's reasonable fees in so doing; the necessary and proper costs of upkeep, maintenance, repair, and/or operation of said property; the repayment of any sums theretofore or thereafter advanced pursuant to the terms of this Deed of Trust; the interest then due or next to become due upon said indebtedness; the taxes and assessments upon said property then due or next to become due; and/or upon the unpaid principal of said indebtedness. The collection and/or receipt of rents, issues, income and/or profits from said property by Beneficiary after declaration of default and election to cause said property to be sold under and pursuant to the terms of this Deed of Trust shall not effect or impair such default or declaration of default or election to cause said property to be sold or any sale proceedings predicated thereon, but such proceedings may be conducted and sale effected notwithstanding the receipt and/or collection of any such rents, issues, income and/or profits. Any such rents, issues, income and/or profits in the possession of said Beneficiary at the time of sale and not theretofore applied as herein provided, shall be applied in the same manner and for the same purposes as the proceeds of the sale.

Provided, that neither Trustee nor Beneficiary shall be under any obligation to make any of the payments or do any of the acts above mentioned, but upon election of either or both so to do, employment of an attorney is authorized and payment of such attorney's fees and of all other necessary expenditures is hereby secured.

C. If the Trustor shall sell, convey or alienate said property or any part thereof, or any interest therein, or shall be divested of his title, or any interest therein, in any manner or way, whether voluntary or involuntary, any indebtedness or obligation secured hereby, irrespective of the maturity dates expressed in any note evidencing the same, at the option of the holder hereof, and without demand or notice, shall immediately become due and payable. If there is procured from Beneficiary an agreement or waiver resulting in the non-exercise by Beneficiary of such option in any certain instance or on any particular occasion, then in that event any privilege or option now in effect to pay said indebtedness or any part thereof prior to the date the same would be delinquent if not paid, is thereupon and thereby waived and terminated.

D. It is mutually agreed that:

1. All moneys and awards payable as damages and/or compensation for the taking of, or damage to, or on account of change of grade affecting, any portion of the property subject to this Deed of Trust by reason of any condemnation, eminent domain, change of grade, or other proceeding shall, at the option of the Beneficiary, be paid to the Beneficiary, and such moneys and awards are hereby assigned to Beneficiary, and judgement therefor shall be entered in favor of Beneficiary, and when paid shall be used at its option toward the payment of any indebtedness, taxes, assessments, repairs or other items for the payment of which this Deed of Trust is given as security, whether the same be then due or not and in such order or manner as Beneficiary may determine, and any amount not so used shall be released by the Beneficiary to the Trustor. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

2. By accepting payment of any sum secured hereby after its due date, Beneficiary does not waive its right either to require prompt payment when due of all other sums so secured or to declare default as herein provided for failure so to pay.

3. At any time, or from time to time, without liability therefor and without notice, upon written request of Beneficiary and presentation of the Deed of Trust and the note or notes secured hereby for endorsement, and without affecting the personal liability of any person for payment of the indebtedness secured hereby or the effect of this Deed of Trust upon the remainder of said property, Trustee may: Reconvey any part of said property; consent in writing to the making of any map or plat thereof; join in granting any easement thereon; or join in any extension agreement or any agreement subordinating the lien or charge hereof.

4. Without affecting the liability of any other person liable for the payment of any obligation herein mentioned, and without affecting the lien or charge of this Deed of Trust upon any property not then or therefore released as security, for the full amount of all unpaid obligations, Beneficiary may from time to time, and without notice, release any person so liable, extend the maturity of any of the terms of any such obligation, or grant other indulgences, releases or reconveys, or cause to be released or reconveyed at any time at Beneficiary's option any parcel or portion or all of the real property described herein, title or release any other or additional security for any obligation herein mentioned, and/or make compositions or other arrangements with debtors in relation thereto. If the Beneficiary at any time holds any additional security for any obligations secured hereby, it may enforce the sale thereof or otherwise realize upon the same at its option, either before or concurrently herewith or after a sale is made hereunder.

5. Upon written request of Beneficiary stating that all sums secured hereby have been paid and upon surrender to Trustee of this Deed of Trust and the note or notes secured hereby for cancellation and rescission and upon payment of its fees, Trustee shall reconvey, without warranty, the property then held hereunder, the records in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The grantee in any reconveyance shall be "the person or persons legally entitled thereto". Such person or persons shall pay trustee a reasonable fee and trustee's costs incurred in the reconveyance of the property.

If breach or default be made by Trustor in payment of any indebtedness secured hereby or in performance of any obligation, covenant, or agreement hereunder, Beneficiary may declare all sums secured hereby immediately due and payable, and in such case, shall execute and deliver to Trustee a written declaration of default and demand for sale and written notice of default and election to cause to be sold said property, and shall return to Trustee this Deed of Trust, the note or notes secured hereby and all documents evidencing any encumbrances hereunder. Thereafter such notice of default and election to cause said property to be sold to satisfy the obligations hereof shall be duly filed for record.

Beneficiary, from time to time before Trustee's Sale, may record any such notice of breach or default and of election to cause to be sold said property by executing and delivering to Trustee a written notice of such rescission, which notice, when recorded, shall also constitute a certification of any prior declaration of default and demand for sale. The exercise by Beneficiary of such right of rescission shall not constitute a waiver of any breach or default then existing or subsequently occurring, or impair the right of Beneficiary to execute and deliver to Trustee, as above provided, other declarations of default and demand for sale, or impair the right of Beneficiary to execute and deliver to Trustee, as above provided, other declarations of default and demand for sale, and notices of breach or default, and of election to cause to be sold said property to satisfy the obligations hereof, nor otherwise affect any provision, covenant or condition of said note or notes and/or this Deed of Trust or any of the rights, obligations or remedies of the parties thereunder.

At least three months having elapsed after recording of notice of default, without demand on Trustor, said Trustee, having first given notice of sale as then required by law, shall sell said property at the time and place of sale fixed by it in the notice of sale at public auction to the highest bidder for cash in lawful money of the United States of America, payable at time of sale. The whole of the trust estate shall be sold in a single lot or parcel and as an entirety unless the Beneficiary shall, in writing, direct the Trustee to sell said trust estate in separate parcels and shall direct the Trustee as to the parcels into which the trust estate shall be divided for purposes of sale and the order in which said parcels shall be offered for sale. Trustee may postpone sale of all or any portion of said property by public announcement at such time and place of sale, and from time to time thereafter may postpone such sale by public announcement at the time fixed by the preceding postponement. Without further notice Trustee may make such sale at the time to which same shall be so postponed. Trustee shall deliver to such purchaser its Deed conveying the property so sold, but without any covenant of warranty, express or implied, and the recitals in such deed or deeds of any matters or facts affecting the regularity or validity of said sale shall be conclusive proof of the truthfulness thereof, also such deed or deeds shall be conclusive against all persons as to all matters or facts therein recited. Any person, including Trustor, Trustee, or Beneficiary as hereinafter defined, may purchase at such sale.

8. Trustee shall apply the proceeds of any such sale to payment of (a) All costs, fees, charges and expenses of Trustee and of these trusts, fees of any attorneys employed by Trustee and/or Beneficiary pursuant to the provisions hereof, Trustee's fees in connection with sale, and all expenses of sale, including cost of procuring guarantee or evidence of title in connection with the sale proceedings and revenue stamps on Trustee's Deed.

(b) All other sums then secured hereby, including indebtedness described herein, all sums advanced or expended under the terms hereof and not then repaid, the amount unpaid on any additional sums borrowed in accordance with the provisions hereof, the interest on each of the foregoing items, at its such manner and order of priority or preference as the Beneficiary may in its sole and absolute discretion determine.

(c) The remainder, if any, to the person or persons legally entitled thereto upon proof satisfactory to the Trustee of such right.

9. Trustee and Beneficiary, and each of them, shall be entitled to enforce payment and/or performance of any indebtedness or obligations secured hereby and to exercise all rights and powers under this Deed of Trust or under any other agreement or any laws now or hereafter in force, notwithstanding some or all of the said indebtedness and obligations secured hereby are now or shall hereafter be otherwise secured, whether by mortgage, deed of trust, pledge, lien, assignment or otherwise. Neither the acceptance of this Deed of Trust nor its enforcement whether by court action or pursuant to the power of sale or other powers herein contained, shall prejudice or in any manner affect Trustee's or Beneficiary's right to realize upon or enforce any other security now or hereafter held by Trustee or Beneficiary, if being agreed that Trustee and Beneficiary, and each of them, shall be entitled to enforce the Deed of Trust and any other security now or hereafter held by Beneficiary or Trustee in such order and manner as they or either of them may in their uncontrolled discretion determine.

10. This Deed of Trust applies to, inure to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. The term Beneficiary shall include not only the original Beneficiary hereunder but also any future owner and holder, including Pledges, of the note or notes secured hereby.

11. Each married person who joins in executing this Deed of Trust and any note or notes secured thereby, hereby agrees and expressly assents to the liability of their separate property for all their debts and obligations herein mentioned. Such assent, however, shall not be deemed to create a present lien or encumbrance upon any of their separate property not described herein.

12. If any provision hereof should be held unenforceable or void, in whole or in part, then such unenforceable or void provision or part shall be deemed separable from the remaining provisions and shall in no way affect the validity of this Deed of Trust.

13. Trustee accepts these trusts when this Deed of Trust, duly executed and acknowledged, is made a public record as provided by law.

14. Trustee shall be under no obligation to notify any party hereto of any action or proceeding of any kind in which Trustor, Beneficiary and/or Trustee shall be a party, unless brought by Trustee, or of any pending sale under any other Deed of Trust.

15. In this Deed of Trust, whenever the context so requires, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural.

16. For any statement regarding the obligations secured hereby, a charge, which Trustor agrees to pay, may be made in an amount not exceeding the maximum allowed by law at the time any such statement is requested.

- F The right to plead any and all statutes of limitations as a defense to any demand secured by this Deed of Trust is hereby waived.
- G The trust created hereby is irrevocable by the Trustor.
- H The term "and/or" as used herein means one or the other or both, or any one or all, of the things or persons in connection with which the words are used.
- I The undersigned Trustor requests that a copy of any Notice of Default and of any notice of sale hereunder be mailed to him at his mailing address hereinbefore set forth.

Trustor covenants and agrees that there shall not be a merger of this Deed of Trust with any other deed of trust covering the Property by reason of common ownership of said deeds of trust by the Beneficiary. It is the intent of the Trustor and Beneficiary that this Deed of Trust shall not merge into any other deed of trust notwithstanding common ownership of said deeds of trust by the Beneficiary. It is further agreed and intended by the Trustor and the Beneficiary that the Note secured by this Deed of Trust shall not be deemed to be secured by any other deed of trust notwithstanding language in said other deed of trust which provides that it shall be security for future advances or other loans by the Beneficiary to the Trustor.
