a project-specific plan for monitoring site grading/earthmoving activities (project paleontologist).

2.The project paleontologist retained shall review the approved development plan and grading plan and shall conduct any pre-construction work necessary to render appropriate monitoring and mitigation requirements as appropriate. These requirements shall be documented by the project paleontologist in a Paleontological Resource Impact Mitigation Program (PRIMP). This PRIMP shall be submitted to the County Geologist for review and approval prior to issuance of a Grading Permit.

Information to be contained in the PRIMP, at a minimum and in addition to other industry standards and Society of Vertebrate Paleontology standards, are as follows:

- 1.Description of the proposed site and planned grading operations.
- 2.Description of the level of monitoring required for all earth-moving activities in the project area.
- 3.Identification and qualifications of the qualified paleontological monitor to be employed for grading operations monitoring.
- 4.Identification of personnel with authority and responsibility to temporarily halt or divert grading equipment to allow for recovery of large specimens.
- 5.Direction for any fossil discoveries to be immediately reported to the property owner who in turn will immediately notify the County Geologist of the discovery.
- 6.Means and methods to be employed by the paleontological monitor to quickly salvage fossils as they are unearthed to avoid construction delays.
- 7.Sampling of sediments that are likely to contain the remains of small fossil invertebrates and vertebrates.
- 8.Procedures and protocol for collecting and processing of samples and specimens.
- 9.Fossil identification and curation procedures to be

10. Identification of the permanent repository to receive any recovered fossil material. *Pursuant the County of Riverside "SABER Policy", paleontological fossils found in the County of Riverside should, by preference, be directed to the Western Science Center in the City of Hemet. A written agreement between the property owner/developer and the repository must be in place prior to site grading.

11. All pertinent exhibits, maps and references.

12. Procedures for reporting of findings.

13. Identification and acknowledgement of the developer for the content of the PRIMP as well as acceptance of financial responsibility for monitoring, reporting and curation fees.

The property owner and/or applicant on whose land the paleontological fossils are discovered shall provide appropriate funding for monitoring, reporting, delivery and curating the fossils at the institution where the fossils will be placed, and will provide confirmation to the County that such funding has been paid to the institution.

All reports shall be signed by the project paleontologist and all other professionals responsible for the report's content (eg. Professional Geologist), as appropriate. Two wet-signed original copies of the report(s) shall be submitted to the office of the County Geologist along with a copy of this condition and the grading plan for appropriate case processing and tracking. These documents should not be submitted to the project Planner, the Plan Check staff, the Land Use Counter or any other County office. In addition, the applicant shall submit proof of hiring (i.e. copy of executed contract, retainer agreement, etc.) a project paleontologist for the in-grading implementation of the PRIMP.

- 3) A copy of the "stamped" approved grading plans; and,
- 4) Emphasis on native and drought tolerant species.

When applicable, plans shall include the following components:

- 1) Identification of all common/open space areas;
- 2) Natural open space areas and those regulated/conserved by the prevailing MSHCP;
- 3) Shading plans for projects that include parking lots/areas;
- 4) The use of canopy trees (24" box or greater) within the parking areas;
- 5) Landscaping plans for slopes exceeding 3 feet in height;
- 6) Landscaping and irrigation plans associated with entry monuments. All monument locations and dimensions shall be provided on the plan; and/or,
- 7) If this is a phased development, then a copy of the approved phasing plan shall be submitted for reference.

NOTE: When the Landscaping Plot Plan is located within a special district such as CSA/CFD/LMD, the developer/permit holder shall submit plans for review to the appropriate special district for simultaneous review. The permit holder shall show evidence to the Transportation Department, Landscape Section that the subject district has approved said plans.

As part of the plan check review process and request for condition clearance, the developer/permit holder shall show proof of the approved landscaping plot plan by providing the Plot Plan number. In order to mitigate the project's potential solid waste impacts and help the County comply with AB 939 (Integrated Waste Management Act), AB 1327 (California Solid Waste Reuse and Recycling Access Act), the California Green Building Standards, and AB 341 (Mandatory Commercial Recycling) through diverting solid waste from landfill disposal, the RCWMD recommends that the following conditions be made a part of any Conditions of Approval for the project:

Prior to issuance of a building permit for Each Phase, A Waste Recycling Plan (WRP) shall be submitted to the Riverside County Waste Management for approval. At a minimum the WRP must identify the materials (i.e., concrete, asphalt, wood, etc.) that will be generated by construction and development, the projected amounts, the measures/methods that will be taken to recycle, reuse, and/or reduce the amount of materials, the facilities, and/or haulers that will be utilized, and the targeted recycling or reduction rate. During project construction, the project site shall have, at a minimum, two (2) bins: one for waste disposal and the other for the recycling of Construction and Demolition (C&D) materials. Additional bins are encouraged to be used for further source separation of C&D recyclable materials. Accurate record keeping (receipts) for recycling of C&D recyclable materials and solid waste disposal must be kept. Arrangement can be made through the franchise hauler. Prior to issuance of an occupancy permit for EACH PHASE, evidence (i.e., receipts of other type of verification) to demonstrate project compliance with the approved WRP shall be presented by the project proponent to the Planning Division of the Riverside County Waste Management Department in order to clear the project for occupancy permits.

Hazardous materials are not accepted at Riverside County landfills. In compliance with federal, state, and local regulations and ordinances, any hazardous waste generated in association with the project shall be disposed at a permitted Hazardous Waste disposal facility. MAP- SKR FEE CONDITION

RECOMMND

Prior to the issuance of a certificate of occupancy, or upon building permit final inspection, whichever comes first, the land divider/permit holder shall comply with the provisions of Riverside County Ordinance No. 663, which generally requires the payment of the appropriate fee set forth in that ordinance. The amount of the fee required to be paid may vary, depending upon a variety of factors, including the type of development application submitted and the applicability of any fee reduction or exemption provisions contained in Riverside County Ordinance No. 663. Said fee shall be calculated on the approved development project which is anticipated to be 65.2 acres (gross) in accordance with TENTATIVE MAP. If the development is subsequently revised, this acreage amount may be modified in order to reflect the revised development project acreage amount. In the event Riverside County Ordinance No. 663 is rescinded, this condition will no longer be applicable. However, should Riverside County Ordinance No. 663 be rescinded and superseded by a subsequent mitigation fee ordinance, payment of the appropriate fee set forth in that ordinance shall be required.

Review Stage: Second Review

Information Provided: "Bixby-Highgrove (Tract No. 36668, Noise Impact Study County of Riverside" dated Nov. 13, 2014, Ref. 08835-11 Noise Study

Noise Standards:

1. The "Noise Element" section of the Riverside County General Plan states "to avoid future noise hazard, the maximum capacity design standard (average daily trips) for highways and major roads" (including airports) "shall be used for determining the maximum future noise level" or, in the case of freeways and airports, the projected conditions for 20 years in the future may be used.
2. The interior noise levels in residential dwellings shall not exceed 45 Ldn (CNEL).
3. The exterior noise level shall not exceed 65 Ldn.

Highway Prediction Model:

Using FHWA RD 77-108 Highway Traffic Prediction Model, the noise consultant shall estimate noise impacts (Ldn) from the Highways (design capacity "C" Level of Service).

Acoustical Parameters for County Highways:

1. Average daily traffic (ADT) design capacity of 20,400 assumed for Center Street (the County General Plan classifies Center Street as a "Secondary" highway. ADT design capacity of 10,700 assumed for Springs Street (the County General Plan classifies Springs Street as a "Collector" highway) quoted from the Highgrove Area Plan Circulation, Vol. 1 - Figure 6, dated August 2003".
2. Truck/Auto Mix as follows (Riverside Co. Road Department):

For Collectors & Secondary Highways

VEHICLE	Overall %	DAY(7AM-7PM)	EVENING(7PM-10PM)%	NIGHT(10PM-7AM)%
Auto	97.2	73.6	13.6	10.22
Med. Truck	1.87	0.9	0.04	10.9
Heavy Truck	0.74	0.35	0.04	0.35

3. Traffic Speed of 40 MPH.
4. The distance from the centerline of Center Street and Springs Street to the nearest building face is estimated to be 80 feet and 47 respectively.

5. Modeling for Center Street and Springs Street done using "hard site" assumption for exterior.
- 6 The standard residential design with windows closed provides a 20 dB, A-weighted (reduction inside) attenuation.
- 7 Barrier calculations based on receptor at 10 feet from the barrier and at a 5 foot elevation for wall barrier height at or less than six feet. However, a receptor placement of 3-foot elevation is required when a wall barrier height is greater than six feet.
- 8 Interior calculations based on receptor at a 5-foot elevation inside the dwelling in the room nearest the noise source and 14 feet above the pad for the second floor in the middle of the room nearest the noise source.

Findings:

The consultant's report is adequate. Based on our calculations the wall heights recommended should provide sufficient attenuation to reduce exterior roadway noise levels to 65 Ldn. In addition, with the following construction recommendations listed below should provide sufficient attenuation to reduce interior noise levels to 45 Ldn

Recommendations:

1. The following conditions shall be applied to the project based on the information provided by the acoustical consultant:

Five-foot high (noise barriers) masonry block walls shall be constructed along the northern site boundary (**Center Street.**) of lots 1 – 8 & 48 - 52 of Tentative Tract No. 36668.

Four-foot high (noise barriers) masonry block walls shall be constructed along the southern site boundary (**Springs Street**) of lots 23 – 29 & 30 - 36 of Tentative Tract No.No. 36668.

Six-foot high (noise barriers) masonry block walls shall be constructed along the northern site boundary (**Springs Street.**) of between lots 137 – 138 of Tentative Tract No. 36668

Five-foot high (noise barriers) masonry block walls shall be constructed along the northern site boundary (**Springs Street.**) of lots 132 – 137 of Tentative Tract No. 36668

Four-foot high (noise barriers) masonry block walls shall be constructed along the northern site boundary (**Springs Street.**) of lots 138 & 151 – 156 of Tentative Tract No. 36668.

(Height taken from page 3 & 4 of the Acoustical Report, see attached maps)

These walls shall be erected so that the top of each wall extends at least 4 to 6 feet (depending on location) above the pad elevation of the shielded lot. In cases where the road is elevated above the pad, the wall shall extend at least 4 to 6 feet (depending on location) above the highest point between the house and the road.

2. All windows and glass door facing on facing Center Street and Spring Street shall use dual glazing at STC rating of 27 or higher. Air gaps and rattling shall not be permitted.
3. Provide "windows closed" condition requiring mechanical ventilation per the 2010 California Building Code requirements in Section 1203 Ventilation for residential units for all homes along Center Street and Spring Street. Wall-mounted air conditioners shall not be used.
4. Attic vents should be oriented away from Center Street and Spring Street. If such an orientation cannot be avoided, then an acoustical baffle shall be placed in the attic space behind the vents.
5. The roof system at all units should have a minimum ½ "plywood sheathing that is well sealed to form a continuous barrier to the noise. Minimum R-19 insulation batts should be placed in the rafter space underside of the roof sheathing.
6. All exterior doors shall be well weather-stripped core assemblies at least one and three-fourths-inch thick.
7. At any penetrations of exterior wall by pipes, ducts or conduits, the space between the wall and pipes, ducts or conduits shall be caulked or filled with mortar to form an airtight seal.
8. All bedrooms, when in use, are expected to contain furniture or other materials that absorb sound equivalent to the absorption provided by wall-to-wall carpeting over a conventional pad.

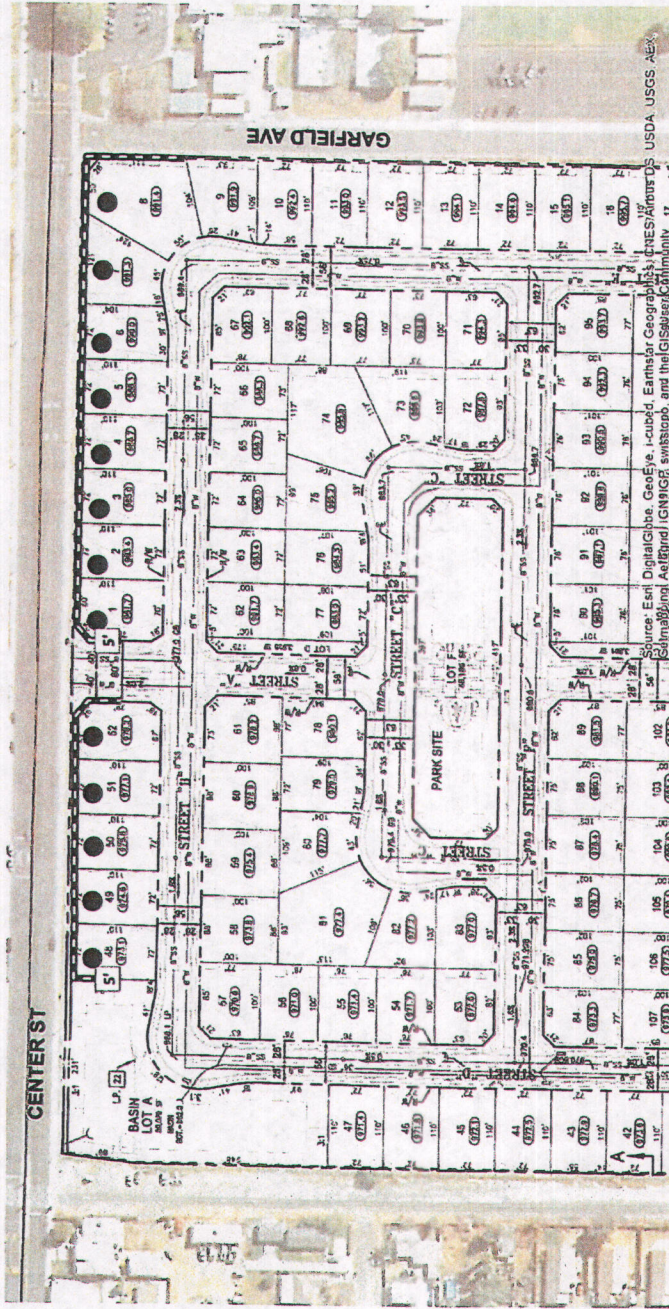

Construction –Related Mitigation Measures:

9. Whenever a construction site is within one-quarter (1/4) of a mile of an occupied residence or residences, no construction activities shall be undertaken between the hours of 6:00 p.m. and 6:00 a.m. during the months of June through September and between the hours of 6:00 p.m. and 7:00 a.m. during the months of October through May. Exceptions to these standards shall be allowed only with the written consent of the building official.
10. All construction vehicles, equipment fixed or mobile shall be equipped with properly

operating and maintained mufflers.

11. During construction, best efforts should be made to locate stockpiling and/or vehicle staging area as far as practicable from existing residential dwellings to the site.
12. In order to minimize nocturnal noise intrusion, it is recommended that outgoing flatbed trailer loading occur the day/evening before job-site delivery, and that the loaded trailer be parked near the driveway. This will reduce the duration of equipment pick-up activity noise and maximize the distance separation to the closest homes.
13. No music or electronically reinforced speech from construction workers shall be audible at noise-sensitive property.

HAND DELIVERY

RE: AIRPORT LAND USE COMMISSION (ALUC) DEVELOPMENT REVIEW

File No.: ZAP1122MA15

Related File No.: GPA01126 (General Plan Amendment), CZ07811 (Change of Zone), and TR36668 (Tentative Tract Map)

APN: 255-060-014 through 255-060-018; 255-110-003 through 255-110-006; 255-110-015; 255-110-019; 255-110-029

Dear Mr. Lange:

On July 9, 2015, the Riverside County Airport Land Use Commission (ALUC) found County of Riverside Case No. GPA01126, a proposal to change the General Plan (Highgrove Area Plan) land use designation of 65.2 acres located southerly of Center Street and easterly of California Avenue in the unincorporated community of Highgrove from Community Development: Light Industrial to Community Development: Medium Density Residential (2 to 5 dwelling units per acre), **CONSISTENT** with the 2014 March Air Reserve Base/Inland Port Airport Land Use Compatibility Plan (March ALUCP). The area proposed for this change includes land both northerly (37.96 acres) and southerly (27.15 acres) of Spring Street.

On July 9, 2015, the Riverside County Airport Land Use Commission found County of Riverside Case No. CZ07811, a proposal to change the zoning classification of the site referenced above from Manufacturing – Service Commercial (M-SC) on 60.28 acres and Industrial Park (I-P) on 4.83 acres to One-Family Residential (R-1), **CONSISTENT** with the 2014 March Air Reserve Base/Inland Port Airport Land Use Compatibility Plan (March ALUCP).

These findings of consistency relate to airport compatibility issues and do not necessarily constitute an endorsement of these proposals. As the site is located partially within Airport Compatibility Zone E and partially outside the Airport Influence Area boundary, both the existing and the proposed General Plan designations and zoning are consistent with the March ALUCP.

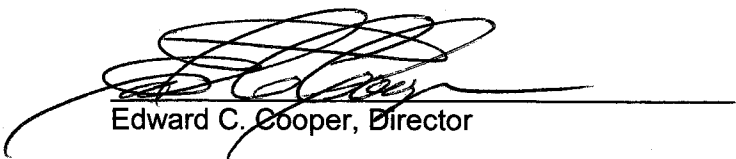

On July 9, 2015, the Riverside County Airport Land Use Commission found Tentative Tract Map No. 36668, a proposal to divide the site referenced above into 200 single-family residential lots and 16 lettered lots (two park sites, 11 open space lots, and 3 detention basin lots), **CONSISTENT** with the 2014 March Air Reserve Base/Inland Port Airport Land Use Compatibility Plan, subject to the following conditions:

CONDITIONS:

1. Any outdoor lighting installed shall be hooded or shielded to prevent either the spillage of lumens or reflection into the sky. Outdoor lighting shall be downward facing.
2. This determination of consistency for the proposed Tentative Tract Map is based on the permissible uses within the proposed R-1 zone. The following uses/activities are not included in the proposed project and shall be prohibited at this site, in accordance with Note 1 on Table 4 of the Highgrove Area Plan:
 - (a) Any use which would direct a steady light or flashing light of red, white, green, or amber colors associated with airport operations toward an aircraft engaged in an initial straight climb following takeoff or toward an aircraft engaged in a straight final approach toward a landing at an airport, other than an FAA-approved navigational signal light or visual approach slope indicator.
 - (b) Any use which would cause sunlight to be reflected towards an aircraft engaged in an initial straight climb following takeoff or towards an aircraft engaged in a straight final approach towards a landing at an airport.
 - (c) Any use which would generate smoke or water vapor or which would attract large concentrations of birds, or which may otherwise affect safe air navigation within the area.
 - (d) Any use which would generate electrical interference that may be detrimental to the operation of aircraft and/or aircraft instrumentation.
3. The attached disclosure notice shall be provided to all potential purchasers of the proposed lots southerly of Spring Street and to tenants of the homes thereon.
4. The proposed water detention basin or facilities shall be designed so as to provide for a detention period for the design storm that does not exceed 48 hours and to remain totally dry between rainfalls. Vegetation in and around such facilities that would provide food or cover for bird species that would be incompatible with airport operations shall not be utilized in project landscaping. Trees shall be spaced so as to prevent large expanses of contiguous canopy, when mature.
5. The following uses/activities are specifically prohibited: wastewater management facilities; trash transfer stations that are open on one or more sides; recycling centers containing putrescible wastes; incinerators.

If you have any questions, please contact John Guerin, ALUC Principal Planner, at (951) 955-0982.

Sewer Service for Tentative Tract Map 36668

This letter is sent to confirm the availability of sanitary sewer service for the above-referenced subdivision. The property is located outside of the City of Riverside in the unincorporated area of Highgrove. Pursuant to agreements executed by the two agencies, the City of Riverside operates and maintains the County-owned sanitary sewer collection system in this area.

In accordance with the sewer master plan for the community of Highgrove, the proposed subdivision can be accommodated. The designated point of connection for this property is located in Citrus Avenue approximately 1,400 feet westerly of Prospect Avenue. In order to extend sewer facilities to the site, a metering manhole must be installed in Citrus Avenue and a 15" trunk line extended up Citrus Avenue to Prospect Avenue and up Prospect Avenue to Spring Street. A 12" sewer main must be installed in Spring Street and extend to the easterly subdivision boundary. Local 8" collection mains and 4" laterals are required within the subdivision to serve the individual lots.

If you have any comments or questions, please call Public Works Engineering @ (951) 826-5341.

RIVERSIDE COUNTY FLOOD CONTROL
AND WATER CONSERVATION DISTRICT
September 30, 2014

Riverside County Planning Department
County Administrative Center
Riverside, California

Attn: Ms. Damaris Abraham

Dear Ms. Abraham:

Re: Change of Zone 7811
Tract Map 36668
Area: Highgrove

Change of Zone 7811 is a proposal to change the current zoning from Manufacturing – Service Commercial (M-SC) and Industrial Park (I-P) to One Family Dwellings (R-1) on a 65.1 acre site in the Highgrove area. This project is being processed concurrently with Tentative Tract Map (TR) 36668.

The District has reviewed this case and has the following comments:

The proposed zoning is consistent with existing flood hazards. Some flood control facilities or floodproofing may be required to fully develop to the implied density.

Questions concerning this matter may be referred to Michele Martin of this office at 951.955.2511.

Very truly yours,

A handwritten signature in black ink, appearing to read "H. Olivo", is written over the printed name "HENRY OLIVO".

Damaris Abraham
Riverside County Planning Department
P.O. Box 1409
Riverside, CA 92502-1409

RE: Tentative Tract Map No. 36668

Proposal: Schedule a subdivision of 65.1 acres into 209 residential lots, three water quality basins, two park sites, and open space lots.

APNs: 255-060-014, 015, 016, 017, 018, 255-110-003, 004, 005, 006, 015, and 019

Dear Ms. Abraham:

The Riverside County Waste Management Department (RCWMD) has reviewed the proposed project located south of Center Street and east of California Avenue, in the Highgrove Area Plan. In order to mitigate the project's potential solid waste impacts and help the County comply with AB 939 (Integrated Waste Management Act), AB 1327 (California Solid Waste Reuse and Recycling Access Act), the California Green Building Standards, and AB 341 (Mandatory Commercial Recycling) through diverting solid waste from landfill disposal, the RCWMD recommends that the following conditions be made a part of any Conditions of Approval for the project:

- 1. Prior to issuance of a building permit for EACH PHASE, A Waste Recycling Plan (WRP) shall be submitted to the Riverside County Waste Management Department for approval. At a minimum, the WRP must identify the materials (i.e., concrete, asphalt, wood, etc.) that will be generated by construction and development, the projected amounts, the measures/methods that will be taken to recycle, reuse, and/or reduce the amount of materials, the facilities and/or haulers that will be utilized, and the targeted recycling or reduction rate. During project construction, the project site shall have, at a minimum, two (2) bins: one for waste disposal and the other for the recycling of Construction and Demolition (C&D) materials. Additional bins are encouraged to be used for further source separation of C&D recyclable materials. Accurate record keeping (receipts) for recycling of C&D recyclable materials and solid waste disposal must be kept. Arrangements can be made through the franchise hauler.**
- 2. Prior to issuance of an occupancy permit for EACH PHASE, evidence (i.e., receipts or other type of verification) to demonstrate project compliance with the approved WRP shall be presented by the project proponent to the Planning Division**

of the Riverside County Waste Management Department in order to clear the project for occupancy permits. Receipts must clearly identify the amount of waste disposed and Construction and Demolition (C&D) materials recycled.

3. Hazardous materials are not accepted at Riverside County landfills. In compliance with federal, state, and local regulations and ordinances, any hazardous waste generated in association with the project shall be disposed of at a permitted Hazardous Waste disposal facility. Hazardous waste materials include, but are not limited to, paint, batteries, oil, asbestos, and solvents. For further information regarding the determination, transport, and disposal of hazardous waste, please contact the Riverside County Department of Environmental Health, Environmental Protection and Oversight Division, at (888) 722-4234.

RE: REQUEST TO REMOVE TENTATIVE TRACT MAP NO. 36668 FROM THE PROPOSED 2013-2021 HOUSING ELEMENT UPDATE

Dear Mr. Gayk:

Bixby Land Company has requested that we contact you in regards to their active applications for a proposed General Plan Amendment (GPA No. 01126), Change of Zone (CZ 07811) and Tentative Tract Map (TTM 36668) on a 65.2-acre site in the High Grove community. These single-family residential development applications have been active for more than 18 months and are being scheduled for Planning Commission hearing. We believe this site was inadvertently and an inappropriately included on the preliminary draft High Grove Town Center GPLU map within Neighborhood 1.

Therefore, the Bixby Land Company respectfully requests that TTM 33668 be excluded from Neighborhood 1 on the preliminary draft High Grove Town Center GPLU map of the 2013-2021 Housing Element Update.

The subject site consists of twelve (12) parcels having Assessor Parcel Numbers (APNs) 255-060-014, 015, 016, 017, and 018, along with 255-110-003, 004, 005, 006, 015, 019, and 029. The site is located within the High Grove Area Plan, and is currently designated as "Community Development: Light Industrial (LI)" and "Community Development: Medium Density Residential (MDR)" on the General Plan Land Use Map. The applications for the TTM 36668 project were originally submitted in October, 2013 and went to the Land Development Committee in April, 2014, which proposes a single-family residential use on the site. Since 2013, the applicant has diligently worked with Planning and other County departments, including presentation of the project to the High Grove Municipal Advisory Council.

We appreciate your prompt attention to this matter. Please let me know if you have questions.

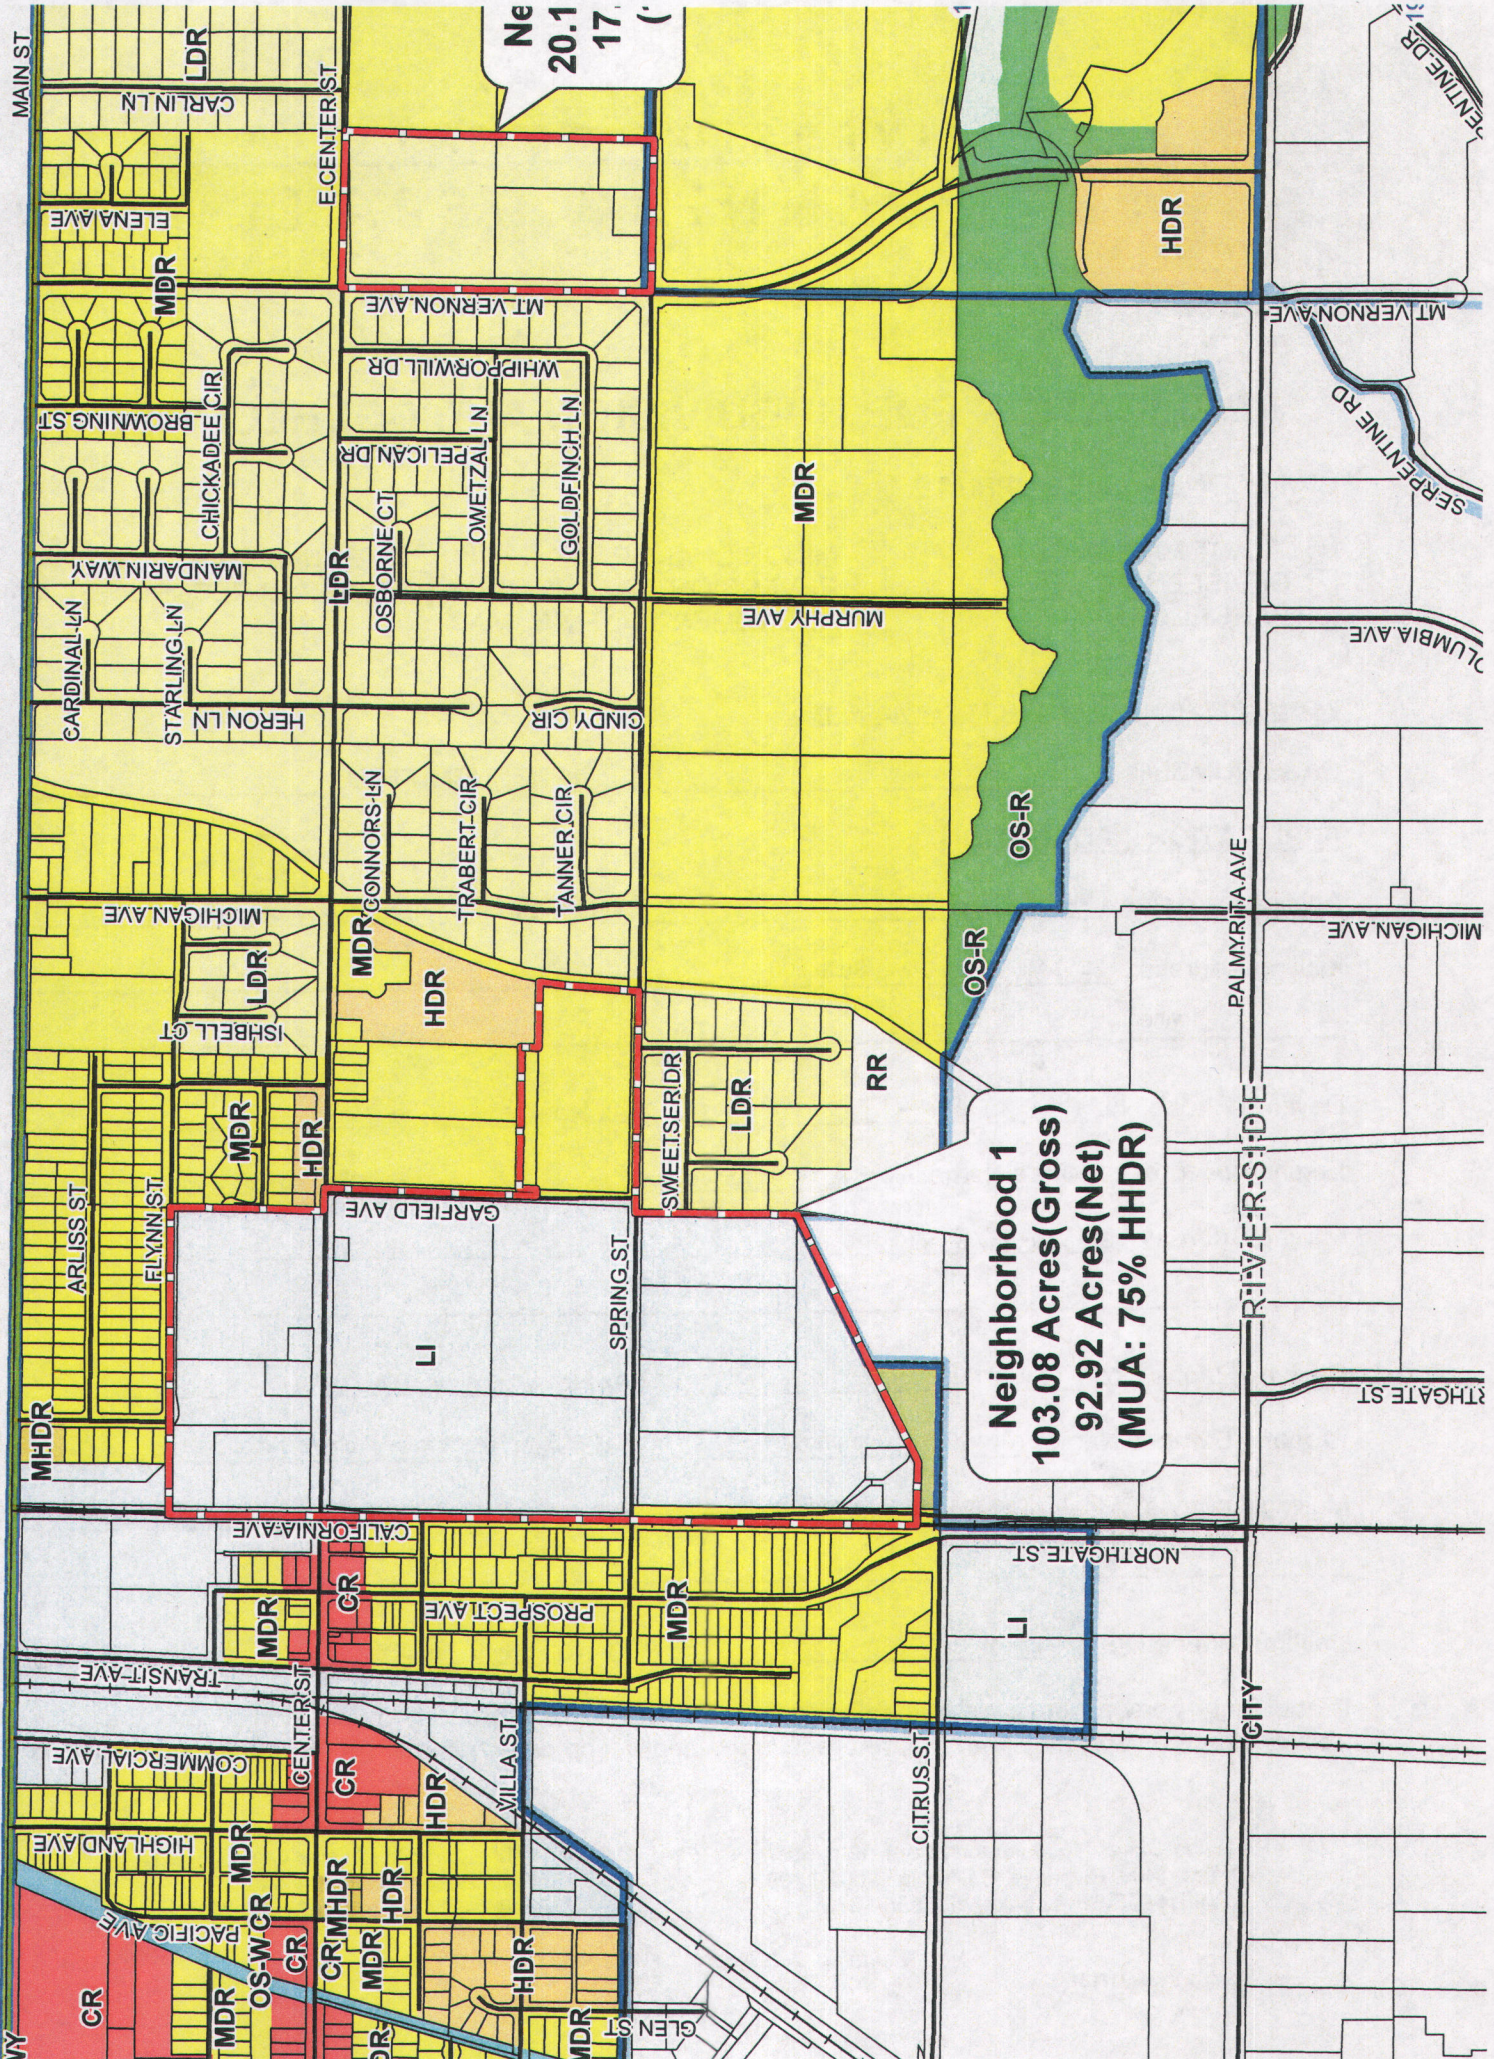

Sincerely,

A handwritten signature in black ink, appearing to read 'Joel Morse'.

LAND USE and PERMIT APPLICATION PROCESSING AGREEMENT
Agreement for Payment of Costs of Application Processing

TO BE COMPLETED BY APPLICANT:

This agreement is by and between the County of Riverside, hereafter "County of Riverside",
and Bixby Land Company hereafter "Applicant" and Bixby Land Company "Property Owner".

Description of application/permit use:
Tentative Tract Map 36668, R-1

If your application is subject to Deposit-based Fee, the following applies

Section 1. Deposit-based Fees

Purpose: The Riverside County Board of Supervisors has adopted ordinances to collect "Deposit-based Fees" for the costs of reviewing certain applications for land use review and permits. The Applicant is required to deposit funds to initiate staff review of an application. The initial deposit may be supplemented by additional fees, based upon actual and projected labor costs for the permit. County departments draw against these deposited funds at the staff hourly rates adopted by the Board of Supervisors. The Applicant and Property Owner are responsible for any supplemental fees necessary to cover any costs which were not covered by the initial deposit.

Section 2. Applicant and Property Owner Responsibilities for Deposit-based Fee Applications

- A. Applicant agrees to make an initial deposit in the amount as indicated by County ordinance, at the time this Agreement is signed and submitted with a complete application to the County of Riverside. Applicant acknowledges that this is an initial deposit and additional funds may be needed to complete their case. The County of Riverside will not pay interest on deposits. Applicant understands that any delays in making a subsequent deposit from the date of written notice requesting such additional deposit by County of Riverside, may result in the stoppage of work.
- B. Within 15 days of the service by mail of the County of Riverside's written notice that the application permit deposit has been reduced to a balance of less than 20% of the initial deposit or that the deposit is otherwise insufficient to cover the expected costs to completion, the Applicant agrees to make an additional payment of an amount as determined by the County of Riverside to replenish the deposit. Please note that the processing of the application or permit may stop if the amount on deposit has been expended. The Applicant agrees to continue making such payments until the County of Riverside is reimbursed for all costs related to this application or permit. The County of Riverside is entitled to recover its costs, including attorney's fees, in collecting unpaid accounts that would have been drawn on the deposit were it not depleted.
- C. The Property Owner acknowledges that the Applicant is authorized to submit this agreement and related application(s) for land use review or permit on this property. The Property Owner also acknowledges that should the Applicant not reimburse the County of Riverside for all costs related to this application or permit, the Property Owner shall become immediately liable for these costs which shall be paid within 15 days of the service by mail of notice to said property Owner by the County.

- D. This Agreement shall only be executed by an authorized representative of the Applicant and the Property Owner. The person(s) executing this Agreement represents that he/she has the express authority to enter into this agreement on behalf of the Applicant and/or Property Owner.
- E. This Agreement is not assignable without written consent by the County of Riverside. The County of Riverside will not consent to assignment of this Agreement until all outstanding costs have been paid by Applicant.
- F. Deposit statements, requests for deposits or refunds shall be directed to Applicant at the address identified in Section 4.

Section 3. To ensure quality service, Applicant is responsible to provide one-week written notice to the County of Riverside Transportation and Land Management Agency (TLMA) Permit Assistance Centers if any of the information below changes.

Prior to completion of administrative review of the Change of Zone application, the applicant must prepare and submit a Change of Zone Final Map to County Geographical Information Systems (GIS) Staff for review and approval (see No. 14). If the Map is deemed unacceptable, it must be revised and resubmitted until such time it is deemed acceptable. The Change of Zone Final Map must include all of the elements/information listed below:

1. The Change of Zone Final Map shall be drawn clearly depicting the new zoning boundaries with a complete legal description on an 18" x 26" sheet. All writing must be clearly drawn and legible. Because the map will ultimately be published in a newspaper at a significantly reduced size (approximately 2 x 3) in order to satisfy the legal requirements of adopting the change of zone, the map preparer should consider using a font size similar to that used in either Format A or B, whenever possible. No freehand drawn maps will be accepted. Section lines may be used in place of bearings whenever the proposed zoning boundaries exactly follow these lines.
2. If the site or property is located in a Zoning District, follow the format that applies (**FORMAT A**). Type/insert the Zoning District name between "CHANGE OF OFFICIAL ZONING PLAN" and "DISTRICT;" or,
3. If the site or property is located in a Zoning Area, follow the format that applies (**FORMAT B**). Put the Zoning Area name just above section, township, and range description (at the top part of the format).
4. The property in question must be drawn to acceptable scale (see acceptable scales list, #8 below) with all proposed zonings and their boundaries clearly delineated (use solid bold line

APPLICATION FOR AMENDMENT TO THE RIVERSIDE COUNTY GENERAL PLAN

If the property is owned by more than one person, attach a separate page that reference the application case number and lists the names, mailing addresses, and phone numbers of all persons having an interest in the real property or properties involved in this application.

The Planning Department will primarily direct communications regarding this application to the person identified above as the Applicant. The Applicant may be the property owner, representative, or other assigned agent.

AUTHORIZATION FOR CONCURRENT FEE TRANSFER

The signature below authorizes the Planning Department and TLMA to expedite the refund and billing process by transferring monies among concurrent applications to cover processing costs as necessary. Fees collected in excess of the actual cost of providing specific services will be refunded. If additional funds are needed to complete the processing of your application, you will be billed, and processing of the application will cease until the outstanding balance is paid and sufficient funds are available to continue the processing of the application. The applicant understands the deposit fee process as described above, and that there will be NO refund of fees which have been expended as part of the application review or other related activities or services, even if the application is withdrawn or the application is ultimately denied.

All signatures must be originals ("wet-signed"). Photocopies of signatures are not acceptable.

V. CASE INFORMATION REQUIREMENTS FOR GENERAL PLAN AMENDMENT:

**FILING INSTRUCTIONS FOR
GENERAL PLAN AMENDMENT APPLICATION**

The following instructions are intended to provide the necessary information and procedures to facilitate the processing of a Land Use application. Your cooperation with these instructions will insure that your application can be processed in the most expeditious manner possible.

THE GENERAL PLAN AMENDMENT FILING PACKAGE MUST CONSIST OF THE FOLLOWING:

1. One completed and signed application form.
2. One copy of the current legal description for each property involved as recorded in the Office of the County Recorder. A copy of a grant deed of each property involved will suffice.
3. If any of the properties involved do not abut a public street, a copy of appropriate documentation of legal access (e.g. recorded easement) for said property shall be provided.
4. For applications to amend Area Plan Maps, forty (40) copies of Exhibit "A" (Site Plan). The exhibit must include the information described below. All exhibits must be folded no larger than 8½' x 14.'
5. One (1) recent (less than one-year old) aerial photograph of the entire Project Site with the boundary of the site delineated.
6. Two 8½" x 11" photocopies of a U. S. Geological Survey Quadrangle Map delineating the Site boundaries (Note: each photocopy must not have been enlarged or reduced, have a North arrow, scale, quadrangle name, and Section/Township/Range location of the site.)
7. A minimum of three (3) ground-level panoramic photographs (color prints) clearly showing the whole project site. Include a locational map identifying the position from which the photo was taken and the approximate area of coverage of each photograph.
8. Digital images of the aerial photograph, Exhibit A (Site Plan), the U.S.G.S. Map, and the panoramic photographs of the site in a format acceptable to the Planning Department (e.g. TIFF, GIF, JPEG, PDF)
9. Deposit-based fees for the General Plan Amendment, and Environmental Assessment deposit-

based fee.

1. The site plan must contain the following:
 - A. Name, address, and telephone number of applicant.
 - B. Name, address, and telephone number of land owner.
 - C. Name, address, and telephone number of map preparer.
 - D. Scale (number of feet per inch).
 - E. A vicinity map showing the location and names of adjoining streets.
 - F. Legal description of property (accurate and complete so as to bear legal scrutiny).
 - G. North arrow (top of map north).
 - H. Existing General Plan Designation(s) and Proposed General Plan Designation(s).
 - I. Amendment description (e.g. Amend Mead Valley Area Plan from Light Industrial to Commercial Retail on 75.12 acres).
 - J. Area calculations including total area involved and property size.
 - K. Date the site plan was prepared.
 - L. Location and names of adjoining streets, alleys, and rights-of-way providing legal access to the property.
 - M. Overall dimensions of the property and location of adjoining lot lines.
 - N. Location and dimensions of existing structures, easements and/or uses onsite.
 - O. Thomas Bros. Map coordinates and page number (identify edition year used).

Failure to submit all the required information is justification for rejection of the application.

FOR ALL APPLICATIONS:

Attach check payable to "COUNTY OF RIVERSIDE." (Please see current fee schedule for the appropriate deposit-based fee.)

NOTE: Label packets for notification of surrounding property owners will be requested by the project planner just prior to the scheduling of the General Plan Amendment for a public hearing. An amendment will not be scheduled for hearing until complete sets of property owners' labels have been received.

INDEMNIFICATION AGREEMENT

This INDEMNIFICATION AGREEMENT ("Agreement"), made by and between the COUNTY OF RIVERSIDE, a political subdivision of the State of California ("COUNTY"), and Bixby Land Company, a California Corporation ("PROPERTY OWNER"), relating to the PROPERTY OWNER'S indemnification of the COUNTY under the terms set forth herein:

WITNESSETH:

WHEREAS, the PROPERTY OWNER has a legal interest in the certain real property described as APN 255-060-014, 255-060-015, 255-060-016, 255-060-017, 255-060-018, 255-110-003, 255-110-004, 255-110-005, 255-110-006, 255-110-015, 255-110-019 and 255-110-029 ("PROPERTY"); and,

WHEREAS, on February 26, 2014, PROPERTY OWNER filed an application for Tract Map No. 36668 ("PROJECT"); and,

WHEREAS, judicial challenges of projects requiring discretionary approvals, including, but not limited to, California Environmental Quality Act determinations, are costly and time consuming. Additionally, project opponents often seek an award of attorneys' fees in such challenges; and,

WHEREAS, since property owners are the primary beneficiaries of such approvals, it is appropriate that such owners bear the expense of defending against any such judicial challenge, and bear the responsibility of any costs, attorneys' fees and damages which may be awarded to a successful challenger; and,

WHEREAS, in the event a judicial challenge is commenced against the PROJECT, the COUNTY has requested and the PROPERTY OWNER has agreed to defend, indemnify and hold harmless the COUNTY, its agents, officers, or employees from any claim, action or proceeding against the COUNTY, its agents, officers, or employees to attack, set aside, void or annul any approval of the COUNTY, its advisory agencies, appeal boards, or legislative body concerning the PROJECT or its associated environmental documentation ("LITIGATION"); and,

WHEREAS, this Agreement is entered into by the COUNTY and PROPERTY OWNER to establish specific terms concerning PROPERTY OWNER'S indemnification obligation for the PROJECT.

NOW, THEREFORE, it is mutually agreed between COUNTY and PROPERTY OWNER as follows:

1. **Indemnification.** PROPERTY OWNER, at its own expense, shall defend, indemnify and hold harmless the COUNTY, its agents, officers, and employees from and against any claim, action or proceeding brought against the COUNTY, its agents, officers, and employees to attack, set aside, void or annul any approval of the PROJECT including any associated costs, damages, and expenses including, but not limited to, costs associated with Public Records Act requests submitted to the COUNTY related to the PROJECT and an award of attorneys' fees and costs incurred or arising out of the above-referenced claim, action or proceeding brought against the COUNTY ("Indemnification Obligation.")

2. **Defense Cooperation.** PROPERTY OWNER and the COUNTY shall reasonably cooperate in all aspects of the LITIGATION. Nothing contained in this Agreement, however, shall be construed to limit the discretion of COUNTY, in the interest of the public welfare, to settle, defend, appeal or to decline to settle or to terminate or forego defense or appeal of the LITIGATION. It is also understood and agreed that all litigation pleadings are subject to review, revision and approval by COUNTY's Office of County Counsel.

3. **Representation and Payment for Legal Services Rendered.** COUNTY shall have the absolute right to approve any and all counsel retained to defend COUNTY in the LITIGATION. PROPERTY OWNER shall pay the attorneys' fees and costs of the legal firm retained by APPLICANT to represent the COUNTY in the LITIGATION. Failure by PROPERTY OWNER to pay such attorneys' fees and costs may be treated as an abandonment of the PROJECT and as a default of PROPERTY OWNER's obligations under this Agreement.

4. **Payment for COUNTY's LITIGATION Costs.** Payment for COUNTY's costs related to the LITIGATION shall be made on a deposit basis. LITIGATION costs include any associated costs, fees, damages, and expenses as further described in Section 1. herein as Indemnification Obligation. Within thirty (30) days of receipt of notice from COUNTY that LITIGATION has been initiated against the PROJECT, PROPERTY OWNER shall initially deposit with the COUNTY's Planning Department the total amount of Twenty Thousand Dollars (\$20,000). PROPERTY OWNER shall deposit with COUNTY such additional amounts as COUNTY reasonably and in good faith determines, from time to time, are necessary to cover costs and expenses incurred by the COUNTY, including but not limited to, the Office of County Counsel, Riverside County Planning Department and the Riverside County Clerk of the Board associated with the LITIGATION. Within ten (10) days of written notice from COUNTY, PROPERTY OWNER shall make such additional deposits. Collectively, the initial deposit and additional deposits shall be referred to herein as the "Deposit."

5. **Return of Deposit.** COUNTY shall return to PROPERTY OWNER any funds remaining on deposit after ninety (90) days have passed since final adjudication of the LITIGATION.

6. **Notices.** For all purposes herein, notices shall be effective when personally delivered, delivered by commercial overnight delivery service, or sent by certified or registered mail, return receipt requested, to the appropriate address set forth below:

COUNTY:
Office of County Counsel
Attn: Melissa Cushman
3960 Orange Street, Suite 500
Riverside, CA 92501

PROPERTY OWNER :
Bixby Land Company
Attn: William R. Halford
2211 Michelson Drive, Ste. 500
Irvine, CA 92612

7. **Default and Termination.** This Agreement is not subject to termination, except by mutual agreement or as otherwise provided herein. In the event of a default of PROPERTY OWNER's obligations under this Agreement, COUNTY shall provide written notification to PROPERTY OWNER of such alleged default and PROPERTY OWNER shall have ten (10) days after receipt of written notification to cure any such alleged default. If PROPERTY fails to cure such alleged default within the specified time period or otherwise reach agreement with the COUNTY on a resolution of the alleged default, COUNTY may, in its sole discretion, do any of the following or combination thereof:

- a. Deem PROPERTY OWNER's default of PROPERTY OWNER's obligations as abandonment of the PROJECT and as a breach of this Agreement;
- b. Rescind any PROJECT approvals previously granted;
- c. Settle the LITIGATION.

In the event of a default, PROPERTY OWNER shall remain responsible for any costs and attorney's fees awarded by the Court or as a result of settlement and other expenses incurred by the COUNTY related to the LITIGATION or settlement.

8. **COUNTY Review of the PROJECT.** Nothing in this Agreement shall be construed to limit, direct, impede or influence the COUNTY's review and consideration of the PROJECT.

9. **Complete Agreement/Governing Law.** This Agreement represents the complete understanding between the parties with respect to matters set forth herein. This Agreement shall be construed in accordance with the laws of the State of California.

10. **Successors and Assigns.** The obligations specific herein shall be made, and are binding on the successors in interest of the PROPERTY OWNER, whether the succession is by agreement, by operation of law or by any other means.

11. **Amendment and Waiver.** No modification, waiver, amendment or discharge of this Agreement shall be valid unless the same is in writing and signed by all parties.

12. **Severability.** If any term, provision, covenant or condition of this Agreement is held to be invalid, void or otherwise unenforceable, to any extent, by any court of competent jurisdiction, the remainder of this Agreement shall not be affected thereby, and each term, provision, covenant or condition of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

13. **Survival of Indemnification.** The parties agree that this Agreement shall constitute a separate agreement from any PROJECT approval, and if the PROJECT, in part or in whole, is invalidated, rendered null or set aside by a court of competent jurisdiction, the parties agree to be bound by the terms of this Agreement, which shall survive such invalidation, nullification or setting aside.

14. **Interpretation.** The parties have been advised by their respective attorneys, or if not represented by an attorney, represent that they had an opportunity to be so represented in the review of this Agreement. Any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not be applied in interpreting this Agreement.

15. **Captions and Headings.** The captions and section headings used in this Agreement are inserted for convenience of reference only and are not intended to define, limit or affect the construction or interpretation of any term or provision hereof.

16. **Jurisdiction and Venue.** Any action at law or in equity arising under this Agreement or brought by a party hereto for the purpose of enforcing, construing or determining the validity of any provision of this Agreement shall be filed in the Courts of Riverside County, State of California, and the parties hereto waive all provisions of law providing for the filing, removal or change of venue to any other court or jurisdiction.

17. **Counterparts; Facsimile & Electronic Execution.** This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same document. To facilitate execution of this Agreement, the parties may execute and exchange facsimile or electronic counterparts, and facsimile or electronic counterparts shall serve as originals.

18. **Joint and Several Liability.** In the event there is more than one PROPERTY OWNER, the liability of PROPERTY OWNER shall be joint and several, and PROPERTY OWNER each of them shall be jointly and severally liable for performance of all of the obligations of PROPERTY OWNER under this Agreement.

19. **Effective Date.** The effective date of this Agreement is the date the parties sign the Agreement. If the parties sign the Agreement on more than one date, then the last date the Agreement is signed by a party shall be the effective date.

IN WITNESS WHEREOF, the parties hereto have duly caused this Agreement to be executed by their authorized representatives as of the date written.

NOTICE OF PUBLIC HEARING
and
INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION

A PUBLIC HEARING has been scheduled, pursuant to Riverside County Land Use Ordinance No. 348, before the **RIVERSIDE COUNTY PLANNING COMMISSION** to consider the project shown below:

GENERAL PLAN AMENDMENT NO. 1126, CHANGE OF ZONE NO. 7811, AND TENTATIVE TRACT MAP NO. 36668 – Adopt a Mitigated Negative Declaration – Applicant: Bixby Land Company – Engineer/Representative: Albert A. Webb Associates – Second Supervisorial District – University Zoning District – Highgrove Area Plan: Community Development: Light Industrial (CD:LI) (0.25-0.60 Floor Area Ratio) – Location: Southerly of Center Street and easterly of California Avenue - 65.2 Acres - Zoning: Manufacturing-Service Commercial (M-SC) and Industrial Park (I-P) - **REQUEST:** The General Plan Amendment proposes to amend the General Plan Land Use Designation from Community Development: Light Industrial (CD:LI) (0.25-0.60 Floor Area Ratio) to Community Development: Medium Density Residential (CD:MDR) (2-5 Dwelling Units per Acre). The Change of Zone proposes to alter the project site zoning classification from Manufacturing-Service Commercial (M-SC) and Industrial Park (I-P) to One Family Dwellings (R-1). The Tentative Tract Map is a Schedule A subdivision of 65.2 acres into 200 residential lots, three water quality basins, two park sites and eleven open space lots.

For further information regarding this project, please contact Project Planner, Peter Lange, at 951-955-1417 or email plange@rctlma.org or go to the County Planning Department's Planning Commission agenda web page at <http://planning.rctlma.org/PublicHearings.aspx>.

The Riverside County Planning Department has determined that the above project will not have a significant effect on the environment and has recommended adoption of a mitigated negative declaration. The Planning Commission will consider the proposed project and the proposed mitigated negative declaration, at the public hearing. The case file for the proposed project and the proposed mitigated negative declaration may be viewed Monday through Thursday, 8:30 a.m. to 5:00 p.m., at the County of Riverside Planning Department, 4080 Lemon Street, 12th Floor, Riverside, CA 92501. For further information or an appointment, contact the project planner.

Any person wishing to comment on a proposed project may do so, in writing, between the date of this notice and the public hearing or appear and be heard at the time and place noted above. All comments received prior to the public hearing will be submitted to the Planning Commission, and the Planning Commission will consider such comments, in addition to any oral testimony, before making a decision on the proposed project.

If you challenge this project in court, you may be limited to raising only those issues you or someone else raised at the public hearing, described in this notice, or in written correspondence delivered to the Planning Commission at, or prior to, the public hearing. Be advised that, as a result of public hearings and comment, the Planning Commission may amend, in whole or in part, the proposed project. Accordingly, the designations, development standards, design or improvements, or any properties or lands, within the boundaries of the proposed project, may be changed in a way other than specifically proposed.
