BACKGROUND:

Summary (continued)

Pursuant to the State's standard agreement (number: 15112333) POST will pay for 33 students to take the POST certified LEDS course at a cost not to exceed \$480.17 per student and 34 students to take the POST certified FOS course at a cost not to exceed \$721.67 per student, which equates to a total reimbursement of \$40,382.39 in FY 15/16. The POST reimbursement revenue is in the Sheriff's Department proposed FY 15/16 budget, and therefore no budget adjustment is necessary. County Counsel has approved the agreement as to form.

Impact on Citizens and Businesses

The two simulator training courses fulfill a portion of the 24 hours of POST mandated perishable skills training required biennially of California peace officers employed by a POST-certified agency. The department relies on training within simulated yet realistic scenarios to keep its officers able to read, judge and act quickly and well when they are faced with similar confrontations in the field.
