**BACKGROUND:**

**Summary**

The Housing Authority of the County of Riverside (Housing Authority) owns and operates the Villas de Josue Mobile Home Park (Mobile Home Park) located at 88100 Avenue 57, Thermal, CA 92274, acquired by the Housing Authority as an asset transfer from the former Redevelopment Agency for the County of Riverside (Former RDA). The Mobile Home Park is undergoing a variety of capital improvements to improve the quality of life for the existing farmworker families that currently reside in the Mobile Home Park.

The Mobile Home Park is comprised of 9 mobile home spaces/pads, 7 of which are currently rented by very low income families who own and occupy their mobile homes as their primary residence. Two of the 9 spaces are vacant. Upon acquiring the Mobile Home Park the Housing Authority demolished and removed 2 substandard and damaged mobile homes occupying the now vacant spaces. Housing Authority staff recommends providing financial assistance in the not to exceed amount of \$80,663.50 derived from its Low and Moderate Income Housing Asset Fund (LMIHAF) to provide loans to 2 qualified extremely low income households (with a preference for farmworkers) to pay a portion of the purchase price to acquire 2 new mobile homes to replace the aforementioned demolished units within the Mobile Home Park. Housing Authority staff further recommends utilizing the same criteria to select and qualify borrowers as utilized under the Former RDA's Mobile Home Tenant Loan Program, including, but not limited to, verification of borrower as an extremely low income household, certification that the borrower will utilize the mobile home as his/her primary residence, and the requirement that the borrower surrender their existing substandard mobile home due to the lack of structural capacity for repairs. The LMIHAF loan will provide much needed affordable housing to 2 extremely low income households in the Thermal area. The proposed allocation of \$80,663.50 is identified in the Housing Authority's fiscal year 2015/2016 budget which was approved by the Board of Commissioners.

Staff proposes that each LMIHAF loan provided to a qualified borrower not exceed \$40,331.75 and will be evidenced by a Promissory Note and secured by security instruments authorized by and filed with the California Department of Housing and Community Development (HCD).

The proposed form of Promissory Note is attached. The proposed loan terms are as follows, (i) 45 year loan term, (2) zero interest, (3) deferred payment during term, (4) loan forgiveness upon expiration of term provided borrower is not in default of the promissory note and/or Housing Authority security instruments, and (5) requirement that the mobile home is the borrower's primary residence. The surrendered mobile homes will be required to be tested for lead and asbestos and any positive results will have to be abated properly followed by demolition. The testing, abatement of any positive results and demolition will be included as approved expenditures in the respective LMIHAF loan. Housing Authority staff anticipates that the total cost (including closing costs) to acquire a mobile home will not exceed \$70,000 per household.

The Riverside Community Housing Corp.(RCHC) will also provide additional financing to the qualified extremely low income households in the form of junior loans, not exceeding \$29,668.25 per borrower (for a total aggregate amount of \$59,336.50) to be used to pay the remaining balance of the purchase price for the 2 mobile homes. The aforementioned RCHC financing was allocated in RCHC's fiscal year 2015/2016 budget approved by its board.

Pursuant to the California Environmental Quality Act (CEQA), the proposed allocation of \$80,663.50 in LMIHAF's to provide financial assistance to 2 qualified extremely low income households to acquire mobile homes to be installed in the Mobile Home Park and used for housing purposes (Project) was reviewed and determined to be categorically exempt from CEQA under State CEQA Guidelines Section 15302, Class-2 Replacement or Reconstruction Exemption, Section 15303, Class-3 New Construction or Conversion of Small Structures Exemption, and Section 15061 (b)(3), General Rule or "Common Sense" Exemption. The Project is exempt in accordance with State CEQA Guidelines Section 15302 because the allocation and loan of funds to qualified borrowers will be used to acquire new mobile units to replace the substandard and damaged mobile units demolished by the HACR when they acquired the Mobile Home Park. The new mobile homes will be located on the same site as the mobile homes to be replaced and will have substantially the same purpose and capacity as the mobile home replaced (single family housing, 990 square feet). The Project is also exempt in accordance with State CEQA Guidelines Section 15303 which allows exemptions for new construction of single family residences. Lastly, the Project is exempt in accordance with State CEQA Guidelines Section 15061 (b)(3), in that it can be seen with certainty that there is no possibility that the allocation of \$80,663.50 in LMIHAF's and the installation of the new mobile homes may have a significant effect on the environment, as the allocation of LMIHAF's and related loans will only have financial effects and the installation and use of the mobile homes as single family homes is the same use as their demolished counterparts and no expansion of the use will occur, which will not lead to any direct or reasonably indirect physical environmental impacts. A Notice of Exemption will be filed by HACR staff with the County Clerk within 5 days of the approval of the allocation of LMIHAF.

Staff recommends approval of the allocation of \$80,663.50 in Low and Moderate Income Housing Asset Funds to provide financial assistance in the form of loans to 2 qualified extremely low income households to acquire two new mobile homes. Staff also recommends approval of the proposed form of Promissory Note.

### Reasons why project is exempt:

The Project is exempt in accordance with State CEQA Guidelines Section 15302 because the allocation and loan of funds to qualified borrowers will be used to acquire new mobile units to replace the substandard and damaged mobile units demolished by the HACR when they acquired the Mobile Home Park. 9 immediately repay LENDER for any amount LENDER spends in purchasing the insurance

17 exercises this option, LENDER shall give BORROWER and the Senior Lien Holder prior  
18 written notice of acceleration. The notice shall provide a period of not less than 30 days  
19 from the date the notice is delivered or mailed within which the BORROWER must pay all  
20 sums secured by this NOTE. If BORROWER fails to pay these sums prior to the

1 remain untrue for fifteen (15) days after notice of such change to BORROWER by  
2 LENDER or upon notice to LENDER by any other means.

12 b) Incur expenses, including reasonable attorney's fees and legal expenses, to exercise  
13 any right or power under the NOTE.

24 payable at the principal office of the LENDER set forth above, or at such other place or  
25 places as the LENDER may designate to the BORROWER in writing from time to time.

26 16) **APPLICATION OF PAYMENTS.** All payments received on account in this NOTE shall be  
27 first applied to accrued interest, if any, and the remainder shall be applied to the  
28 reduction of principal.

1 17) **ATTORNEY'S FEES.** The BORROWER hereby agrees to pay all costs and expenses,  
2 including reasonable attorney's fees, which may be incurred by the LENDER in the  
3 enforcement of this NOTICE.

8 time to time, for the receipt of communications from the LENDER. Mailed notices shall be  
9 deemed delivered and received five (5) working days after deposit in the United States
