On motion of Supervisor Benoit, seconded by Supervisor Ashley, and duly carried by unanimous vote, IT WAS ORDERED that the meeting of Tuesday, December 8, 2015 is adjourned in memory of Benjamin Thomas Laflin, Jr., a 94-year-old life-long resident of the Coachella Valley who passed away on November 21, 2015.

Born on September 3, 1921, Ben attended local schools and went to University of California, Berkeley, seeking a degree in Plant Science. However, his education was interrupted when World War II erupted. Ben joined the Navy for three and a half years in the medical corps. After the war, he returned to Berkeley to finish his BS degree and earn a Master's in Plant Pathology.

After school, he went back to Coachella Valley, with his wife Patricia Anne Baker and went into business with his parents who had developed a ranch in the Thermal area. Even after the passing of Ben's parents, Laflin Date Gardens continued to operate and is known today as Oasis Date Gardens.

Ben was a date grower, yet, in addition to dates, his ranch grew grapes and vegetable crops. He generously shared his knowledge of date culture with visiting plant scientists and date growers from Middle East, India, Africa and Australia. He made consulting trips for the United Nations Development Program, for USAID and at the request of individual governments and organizations. A highlight of his date travels was a visit to Morocco in 1995 when he and Pat were able to visit the oasis of Bou Denib, on the outskirts of the Sahara. This was the place from which the USDA secured nine Medjool offshoots in 1927, where all of the Medjools grown in the U.S. today have come from those nine imported offshoots.

Because he grew a wide variety of dates, he was able to showcase the breadth of our valley's date industry by furnishing both feature exhibits and displays for the Date Festival for over forty years. He lived a fulfilled life, having the career he enjoyed most, and the family he loved. He is survived by his wife Pat, and their five children. He will be missed.

On motion of Supervisor Ashley, seconded by Supervisor Benoit, and duly carried by unanimous vote, IT WAS ORDERED that the meeting of Tuesday, December 8, 2015, be adjourned in memory of Aurora Godoy, a 26-year-old resident of San Jacinto, California who was the youngest of 14 victims tragically killed on December 2, 2015, when a co-worker and his wife opened fire at an office holiday party at the Inland Regional Center in San Bernardino, California.

A 2010 graduate of Carson High School and dedicated Office Assistant with the County of San Bernardino Environmental Health Department, the life Aurora had planned for herself was falling into place. Married to her high school sweetheart James Godoy, she had a home in San Jacinto, a beautiful two-year-old son named Alexander, and a new job she was happy in.

After Aurora met her husband in 2003 during a Junior ROTC class, they dated for eight years before eloping in 2012. Over the years, she attended various colleges and a culinary school and was only a few credits shy of completing her Associate Degree. She worked for the San Bernardino County Elections Office for three years before joining the County's Department of Public Health in January of 2015.

Aurora was a loving and devoted wife, mother, daughter, and friend who will always be remembered for her "wide smile and open heart." Her memory and passionate spirit will live forever in the hearts of those who knew and loved her. She will be greatly missed but never forgotten.

The Board of Supervisors commemorates her service to the County of Riverside.

IT WAS FURTHER ORDERED that the Board of Supervisors expresses its heartfelt condolences to the family of Aurora Godoy.
