**FROM:** EXECUTIVE OFFICE

**SUBMITTAL DATE:**  
 December 17, 2015

**SUBJECT:** Annual Mitigation Fee Report for Fiscal Year 2014-2015; All Districts [\$0]

**RECOMMENDED MOTION:** That the Board of Supervisors:

1. Schedule for public hearing the Annual Mitigation Fee Report to receive public comment; and,
2. Direct the Clerk of the Board to advertise said public hearing for January 26, 2016 at the hour of 9:30 a.m.; and,
3. Receive and file the Annual Mitigation Fee Report at the conclusion of the hearing.

**BACKGROUND:**

**Summary**

The attached Annual Mitigation Fee Report is submitted pursuant to the statutory requirements of California Government Code 66006(b)(1), amendment effective January 1, 1997. The code requires all local agencies having established mitigation fees to prepare an annual report summarizing development mitigation account and funding information. Section 66006(b)(2) requires that the local agency review the information at its next regularly scheduled meeting not less than fifteen days after the report is made available to the public.

Annual Mitigation Fee Report for Fiscal Year 2014-2015; All Districts [\$0]

**December 17, 2015**

**PAGE: 2 of 2**

**BACKGROUND:**

**Summary (continued)**

This report includes all the fiscal activity, such as expenditures, receipts and refunds that occurred during the 2014-2015 fiscal year for all mitigation fee programs established under the fiscal control of the County of Riverside. There are three (3) active fee programs that currently charge fees to new development. Four (4) fee programs no longer collect fees because they were superseded by other programs; they are required to report on fiscal activity on the use of remaining fund balances pursuant to the Government Code.

Active County Fee Programs

Development Impact Fees

Developer Agreement Fees

Transportation Department Mitigation Fees (Roads Bridges Benefit District or RBBD Fees)

County Fee Programs No Longer Charging Fees

Development Mitigation (DM) Fees – superseded by Development Impact Fees

Interim Open Space Mitigation Fees – superseded by Multi-Species Habitat Conservation Plan (MSHCP)

Fire Mitigation Fees – superseded by Development Impact Fees

Transportation Department Traffic Signal Mitigation Fees– superseded by Development Impact Fees

For fiscal year 2014-2015, the Developer Agreement Fees were increased in line with the publicly- published Consumer Price Index, and the percentage of increase is included within this report. There is only one Developer Agreement remaining, Rancho Bella Vista, in the 3<sup>rd</sup> Supervisorial District, that expires in 2017.

On July 14, 2009, the Board of Supervisors authorized a one-year temporary reduction of DIF fees by 50% (Item 3.80). The reduction was extended to August 2011 on July 27, 2010 (Item 3.85) and extended a second time on August 16, 2011 (Item 3.84). A third extension for reduced DIF fees was approved by the Board on September 25, 2012 (Item 3.9). The temporary fee reduction that expired on June 30, 2013 was retroactively restored by the Board of Supervisors on October 22, 2013 (Item 3-9).

The public hearing on the new Development Impact Fees based on the 2020 Nexus Study was held on November 25, 2014 (Item 9-1). At the conclusion of public testimony, the Board of Supervisors closed the public hearing and directed staff to make changes to Ordinance 659.13 to include a fee adjustment and an implementation schedule for the fees derived in the 2020 Nexus Study. The new fees will be implemented over a 24-month period consisting of four incremental increases every six months, beginning with the effective date of the new fees.

On January 13, 2015 (Item 3-16), the Board of Supervisors adopted Ordinance No. 659.13, which became effective sixty (60) days after adoption. Fee revenue is to be used towards facilities and open space identified on the Public Facilities Needs List to the Year 2020.

**Impact on Citizens and Businesses**

This report is for fiscal activity only. There is no impact on citizens or businesses.

**Brief Description of Fee**

In July 1988, the Board of Supervisors adopted Ordinance No. 659 establishing a county-wide (unincorporated area only) development mitigation fee for residential development. The purpose of this fee was to finance the construction of county facilities necessary to accommodate future residential growth in the county. Fee revenues were also used for the procurement of parklands and the development of recreational trails. Development mitigation fees are no longer collected and have been superseded with the passage of Ordinance 659.7, development impact fees.

**Amount of the Fee**

Fees are no longer collected for Ordinance 659.5.

**Detailed Procedures of the Duties and Responsibility of each County Staff Member Necessary to Implement Ordinance 659.5**

As stated above, fees are no longer collected for Ordinance 659.5. For remaining unspent Ordinance 659.5 funds, an analyst within the Executive Office is responsible for the accounting and disbursement of Ordinance 659.5 funds. The analyst verifies the fund balance against the monthly financial reports or through electronic query reports available within the county's financial system. Administration and disbursement of the monthly financial reports are overseen by the County of Riverside Auditor-Controller's Office.

An authorization for use of funds is generated through Board agenda submittal and approved by the County of Riverside Board of Supervisors. The analyst coordinates payment made through the financial system by the Executive Office accounting staff. After review for appropriateness of payment, the accounts payable staff within the County of Riverside Auditor-Controller's Office releases the check for payment.

DEVELOPMENT IMPACT FEES**

**ANNUAL REPORT FOR DEVELOPMENT IMPACT FEES (DIF)  
FY 2014/2015**

**Brief Description of Fee**

The Development Impact Fees (DIF) program was adopted as Ordinance 659.6 on September 11, 2001, which became effective sixty (60) days after the adoption. DIF are collected and used to address impacts caused by new development. Fee revenue is to be used towards facilities and open space identified on the Public Facilities Needs List to the Year 2010. An amendment to the DIF fees was adopted as Ordinance 659.7 on September 12, 2006, and became effective sixty (60) days after the adoption. The amendment included the adjustment of DIF fees to include a surface mining operations category, an updated public facilities needs list, and building cost adjustments.

On March 25, 2008, the Board of Supervisors authorized the cessation of the collection of 4<sup>th</sup> District Conservation Land Bank DIF fees to coincide with the effective date of county Ordinance 875, the Coachella Valley Multiple Species Habitat Conservation Plan (CVMSHCP) Mitigation Fee.

On July 14, 2009, the Board of Supervisors authorized the temporary reduction of DIF fees by 50% through Ordinance 659.8 commencing on August 20, 2009 and ending on August 20, 2010. This temporary reduction was extended on several occasions and subsequently expired on June 30, 2013. It was most recently extended retroactively from July 1, 2013 to the adoption of the new 2020 Nexus Study, which is anticipated to be effective in 2015.

The public hearing on the new Development Impact Fees based on the 2020 Nexus Study was held on November 25, 2014. At the conclusion of public testimony, the Board of Supervisors closed the public hearing and directed staff to make changes to Ordinance 659.13 to include a fee adjustment and an implementation schedule for the fees derived in the 2020 Nexus Study. The new fees will be implemented over a 24-month period consisting of four incremental increases every six months, beginning with the effective date of the new fees.

On January 13, 2015, the Board of Supervisors adopted Ordinance No. 659.13, which became effective sixty (60) days after adoption. Fee revenue is to be used towards facilities and open space identified on the Public Facilities Needs List to the Year 2020.

**Amount of the Fee**

Please see Exhibits A and B for a listing of the current fees.

**Detailed Procedures of the Duties and Responsibility of each County Staff Member Necessary to Implement Ordinance 659.7**

The Development Impact Fee may be imposed as a condition of approval after an application for a building permit has been received by the Transportation and Land Management Agency (TLMA) for construction within the County of Riverside. This condition of approval is dependent upon the type of building permit requested and the area where the project site is located. A land use technician at TLMA will identify the need to impose the condition of approval by utilizing the Geographic Information System (GIS). The condition of approval is attached to the building permit in the Land Management System (LMS). This prevents a final inspection from occurring without the fees being collected. Prior to requesting a final inspection, the applicant must submit payment to the TLMA cashier. The final inspection may occur once the fee has been collected from the permit applicant and any other applicable fees and conditions have been met.

TLMA processes a deposit into the appropriate DIF fund(s) after the fee has been paid. The record of deposit is sent to an analyst within the County of Riverside Executive Office. The County of Riverside Executive Office is responsible for the accounting and disbursement of fees collected. Deposits are verified to ensure the proper recording of cash receipts to the proper fund. The analyst verifies deposits against the monthly financial reports or through electronic query reports now available within the county's financial system. The County Executive Officer, or his designee, is responsible for the overall policy and implementation of the Development Impact Fee (DIF) program.

Disbursement from the DIF funds can only be used for those projects or facilities identified through the Public Facilities Needs List to the Year 2010. An authorization to disburse from the DIF funds is generated through Board agenda submittal and approval by the County of Riverside Board of Supervisors. Once authorization has been received, the analyst coordinates with the requesting department to verify where and when payment should be made. Direction to make payment is given to the Executive Office accounting staff by the analyst per Board of Supervisors' direction. Payment is made through the financial system by the Executive Office accounting staff. After review for appropriateness of payment, the accounts payable staff within the County of Riverside Auditor-Controller's Office releases the check for payment.

Notes:

- (a) Please see page 6 of this report for the description of each fund.
- (b) Please see page 3 of this report for detailed project expenditures for FY 13-14
- (c) Please see page 5 for committed projects for which funds have not been expended yet.
- (d) Expenses for the DIF Program Administration Fund are budgeted on a year by year basis. Therefore, the percentage funded by fees represent FY 14-15 expenses against FY 14-15's budget.
- (e) Final expenditures were made from remaining fund balances for completed projects. Because these projects are not in the public facilities needs list in the new 2020 DIF Nexus Study, the funds were closed in FY 14-15.

ORDINANCE 810.1  
INTERIM OPEN SPACE MITIGATION FEES**

**ANNUAL REPORT FOR INTERIM OPEN-SPACE MITIGATION FEE  
FY 2014/2015**

**Brief Description of Fee**

The Interim Open-Space Mitigation Fee was adopted as Ordinance 810 on March 13, 2001, and became effective sixty (60) days after the adoption. The Interim Open-Space Mitigation Fee was collected and used toward the acquisition of open-space and the preservation of wildlife and their habitats.

An amendment to Ordinance 810.1 was adopted by the Riverside County Board of Supervisors on November 26, 2002. The amendment added the categories of Multi-Family Residential and Surface Mining Projects and adjusted the fees. The effective date of these changes was January 24, 2003.

**Collection of Fee**

On June 23, 2004, the U.S. Fish and Wildlife Service issued the permit for the Western Riverside County Multiple-Species Habitat Conservation Plan (MSHCP). As of that date, Ordinance 810.2 went into effect and Ordinance 810.1 was superseded. Fees collected for Ordinance 810.2 are now the responsibility of the Regional Conservation Authority. The annual report for Ordinance 810.1 will be prepared by the County of Riverside Executive Office until the funds are depleted. Ordinance 810.2 funds will not be reported by the county.

**Amount of the Fee**

Fees are no longer collected for Ordinance 810.1.

**Detailed Procedures of the Duties and Responsibility of each County Staff Member Necessary to Implement Ordinance 810.1**

As stated above, fees are no longer collected for Ordinance 810.1. For remaining unspent Ordinance 810.1 funds, an analyst within the Executive Office is responsible for the overall policy of Ordinance 810.1. The County of Riverside Executive Office is responsible for the accounting and disbursement of fees collected. The analyst verifies the fund balance against the monthly financial reports and/or through electronic query reports available within the county's financial system. Administration and disbursement of the monthly financial reports are overseen by the County of Riverside Auditor-Controller's Office.

An authorization to purchase land using the fund is generated through Board agenda submittal and approved by the County of Riverside Board of Supervisors. The analyst coordinates with the requesting department to verify where and when payment should be made. Payment is made through the financial system by the Executive Office accounting staff. After review for appropriateness of payment, the accounts payable staff within the County of Riverside Auditor-Controller's Office releases the check for payment.

SUMMARIZING  
DEVELOPER AGREEMENT FEES**

**ANNUAL REPORT FOR DEVELOPER AGREEMENT FEES (DA)  
FY 2014/2015**

**Brief Description of Fee**

In December 1987, the Board of Supervisors adopted procedures consistent with provisions of the California Government Code 65864 et al. for consideration of development agreements. As a legal contract between the County and a developer, a development agreement was intended to strengthen the public planning process, encourage private participation in comprehensive planning, reduce the economic costs of development, and promote the maximum efficient utilization of resources at the least economic cost to the public.

With the exception of the Public Services Offset, development agreement revenue is used to help the County construct capital facilities and acquire parkland, trails, habitat and open space to meet the demand caused by new growth and development. The Public Services Offset is intended to help defray the cost of providing governmental services, such as Sheriff's patrol services and litter control.

**Amount of the Fee**

Fees charged for calendar year 2015 were:

<b>D.A. No.</b>	<b>Title</b>	<b>Total</b>
7	Rancho Bella Vista	\$4,506

Fees for 2015 will be increased in line with the 12-month percent change in Consumer Price Index ending October, 2015, which was 1.0%. Fees assessed for 2016 will be:

<b>D.A. No.</b>	<b>Title</b>	<b>Total</b>
7	Rancho Bella Vista*	\$4,551

**Detailed Procedures of the Duties and Responsibility of each County Staff Member Necessary to Implement Developer Agreement Fees**

The Developer Agreement fee is imposed for those developments which fall under the specified Developer Agreement. A land use technician at TLMA will identify the need to impose the condition of approval by utilizing the Geographic Information System. The condition of approval is attached to the building permit in the Land Management System. This prevents a final inspection from occurring without the fees being collected. Prior to requesting a final inspection, the applicant must submit payment to the TLMA cashier. The final inspection may occur once the fee has been collected from the permit applicant and any other applicable fees and conditions have been met. An Administrative Manager at TLMA is responsible for the overall assessment of the Developer Agreement fee. The position also periodically audits the fee collection and

deposits to ensure that procedures are done correctly, and administers system maintenance to ensure the proper fees are assessed.

TLMA processes a deposit into the appropriate DA fund(s) after the fee has been paid. The record of deposit is verified by an analyst within the County of Riverside Executive Office. The County of Riverside Executive Office is responsible for the accounting and disbursement of fees collected. The analyst verifies deposits against the monthly financial reports or through electronic query reports available within the county's financial system. Administration and disbursement of the official monthly reports are overseen by the County of Riverside Auditor-Controller's Office. Deposits are verified to ensure the proper recording of cash receipts.

An authorization to disburse from the DA funds is generated through Board agenda submittal and approval by the County of Riverside Board of Supervisors. Once authorization has been received, the analyst coordinates with the requesting department to verify where and when payment should be made. Direction to make payment is given to the Executive Office accounting staff by the analyst per Board of Supervisors' direction. Payment is made through the financial system by the Executive Office accounting staff. After review for appropriateness of payment, the accounts payable staff within the County of Riverside Auditor-Controller's Office releases the check for payment.

On July 15, 2008, the Board of Supervisors directed the Transportation and Land Management Agency (TLMA) to take the steps to re-establish the Development Agreement Program which had been rescinded by the BOS on September 11, 2001. TLMA, in conjunction with County Counsel, has worked in partnership with the Building Industry Association (BIA) and some key applicants over the last year to draft new rules and procedures for the County. Rules and procedures for commercial and industrial Development Agreements were approved by the Board of Supervisors on September 11, 2012 (Item 3.65).

BENEFIT DISTRICTS (RBBB)  
FY 2014/2015**

**Brief Description of Fee**

Section 66484 of the California Government Code (Subdivision Map Act) provides that a local ordinance may require the payment of a fee as a condition of approval of a final map or as a condition of the issuing a building permit for the purpose of offsetting the actual or estimated cost of constructing bridges and major thoroughfares. The "Rules and Regulations for the Administration of Road and Bridge Benefit Districts" as adopted by Resolution No. 85-92 on April 2, 1985 and subsequently amended, provides the required ordinance and direction for the management of these Districts.

There are currently four (4) Road and Bridge Benefit Districts in Riverside County administered by the Transportation Department: Mira Loma, Southwest, Menifee Valley, and Scott Road. Each of the Districts is sub-divided into zones, each having a unique RBBB fee associated with it.

With the incorporation of the City of Menifee, the boundaries of the Menifee Valley RBBB and Scott Road RBBB now fall predominately within the jurisdiction of the City. However, the majority of the area within Zone E of the Menifee Valley RBBB still falls within the unincorporated area of the County. Also, the eastern portion of Zone A of the Scott Road RBBB still falls within the unincorporated County area.

Within the Southwest RBBB, Zone A and a portion of Zone C now fall within the City of Wildomar. The Mira Loma RBBB now falls entirely within the cities of Eastvale and Jurupa Valley.

For the geographic areas of the RBBBs that now fall under the jurisdiction of an incorporated city, those cities are responsible for collecting the RBBB fees within their respective jurisdiction.

**Amount of the Fee**

The attached RBBB Fee Schedules indicate the current fees for each District listed by zones.

**Duties, Responsibilities and Procedures Necessary to implement the Road and Bridge Benefit Districts**

The Road and Bridge Benefit District Fees may be imposed as a development condition through the Planning Department. The RBBB Fees shall be paid at the time of issuance of a certificate of occupancy or upon final inspection, whichever occurs first. Prior to building permit issuance, the Transportation Department identifies properties within a

RBBB boundary by utilizing the Geographic Information System (GIS). A Land Use Technician identifies the need to assess the fee by verifying conditions imposed and by utilizing the GIS. Prior to requesting a certificate of occupancy, the applicant must submit payment to the Transportation and Land Management Agency (TLMA) cashier for all outstanding RBBB fees. The issuance of a certificate of occupancy may occur once the RBBB fee has been collected from the permit applicant and any other applicable fees and conditions have been met.

The Transportation Department processes a deposit into the appropriate RBBB fund(s) after the fee has been paid. The record of deposit is sent to the Fiscal Unit in the Transportation Department who is responsible for the accounting and disbursement of fees collected. Fiscal Unit accounting staff verifies the deposits against the monthly financial reports or through electronic query reports within the county's financial system. Administration and disbursement of the official monthly reports are overseen by the County of Riverside Auditor-Controller's Office. Deposits are verified to ensure the proper recording of cash receipts.

Disbursement from the RBBB funds may only be used for those projects or facilities approved by resolution within each respective District. An authorization to disburse RBBB funds is obtained through approval by the Riverside County Board of Supervisors. For projects constructed by the Transportation Department, funds are appropriated by the adoption of the Transportation Improvement Program. Once authorization has been received, the Transportation Department staff ensures all project RBBB agreement stipulations are followed and adhered to.

Developers seeking credit and/or reimbursement for constructing RBBB facilities are required to enter into a RBBB agreement with the County and follow the County's Public Works Bidding Requirements. During the construction of facilities by Developers, the Transportation Department's Construction Inspection Office ensures that the facilities are built to County Road Standards, and are in conformance with the RBBB agreement. Upon recordation of a Notice of Completion for the project and acceptance by the Transportation Department, the Developer's contract costs are verified by the Construction Inspection Office for actual allowable expenditures eligible for reimbursement from the RBBB funds. Once approved by Construction Inspection, payment is processed through TLMA accounting staff. Payment is released by the accounts payable staff within the County of Riverside Auditor-Controller's Office. Reimbursements are subject to availability of RBBB funds received by the District and may include reimbursement over a period of time.

TRANSPORTATION DEPARTMENT SIGNAL  
MITIGATION FEES**

**ANNUAL REPORT FOR THE  
TRAFFIC SIGNAL MITIGATION FEE (ORDINANCE 748)  
FY 2014/2015**

**Brief Description of Fee**

This annual report is provided pursuant to the requirements of Traffic Signal Mitigation Ordinance No. 748 and its related Resolution No. 94-368. Traffic Signal Mitigation (TSM) Ordinance 748 became effective on February 11, 1995 for the purpose of collecting fees from new development to mitigate traffic impacts at intersections for both traffic operation and safety.

The fees collected by the Transportation Department and traffic signal projects were programmed for construction based on the amount of funds available and the need of the proposed signals. In 2001, the County established a Development Impact Fee (DIF) Program pursuant to Ordinance 659. Ordinance 748 has been superseded with the passage of Ordinance 659.7, development impact fees.

**Collection of TSM Fees**

Except for developments that had TSM fees included in the development agreements, traffic signal fees are no longer collected under Ordinance 748 and are now collected through Ordinance 659.7.

**Completion of the TSM Program**

The fund balances for the TSM Program were programmed for traffic signal projects for intersections that met traffic signal warrants and were determined beneficial. The TSM funds have been expended and all fund balances were exhausted as of September 30, 2013.

The five funds in the TSM program (Fund Numbers 31631 to 31635) have been closed. No further financial activity is reported for these funds in this report.

**Attachment A** of this report provides the project list for traffic signal projects under the DIF program for both the western and eastern county under Ordinance 659.

FIRE DEPARTMENT MITIGATION FEES**

**ANNUAL REPORT FOR FIRE MITIGATION FEES  
FY 2014/2015**

**Brief Description of Fee**

In 1983, the Board of Supervisors authorized the collection of a mitigation fee for fire protection purposes, including fire station facility construction, land and fire equipment acquisition. Fire mitigation fees are no longer collected and have been superseded with the passage of Ordinance 659.7, development impact fees.

**Amount of the Fee**

Fees are no longer collected under this program and are now collected through Ordinance 659.7.

**Detailed Procedures of the Duties and Responsibility of each County Staff Member Necessary to Implement Fire Mitigation Fees**

As stated above, fees are no longer collected for fire mitigation. For remaining unspent fire mitigation fees, Fire Department staff is responsible for the accounting and disbursement of remaining funds. The analyst verifies the fund balance against the monthly financial reports and/or through electronic query reports available within the county's financial system. Administration and disbursement of the monthly financial reports are overseen by the County of Riverside Auditor-Controller's Office.

Remaining funds are planned for specific fire stations as outlined within the annual report. Fire Department staff coordinates payment made through the financial system. After review for appropriateness of payment, the accounts payable staff within the County of Riverside Auditor-Controller's Office releases the check for payment.

### NOTICE OF PUBLIC HEARING BEFORE THE BOARD OF SUPERVISORS OF RIVERSIDE COUNTY

NOTICE IS HEREBY GIVEN that a public hearing at which all interested persons will be heard, will be held before the Board of Supervisors of Riverside County, California, on the 1st Floor Board Chambers, County Administrative Center, 4080 Lemon Street, Riverside, on **Tuesday, January 26, 2016, at 9:00 a.m.** or as soon as possible thereafter, to receive public comment on the Annual Mitigation Fee Report for Fiscal Year 2014-15, pursuant to California Government Code 65006(b)(2). California Government Code 65006(b)(1), amendment effective January 1, 1997, requires all local agencies having established mitigation fees to prepare an annual report summarizing development mitigation account and funding information. There are three (3) active fee programs that currently charge fees to new development. Four (4) fee programs no longer collect fees because they were superseded by other programs. The Annual Mitigation Fee Report contains information on the following fees:

Active County Fee Programs  
Development Impact Fees  
Developer Agreement Fees  
Transportation Department Mitigation Fees (Roads Bridges Benefit District or RBBF Fees)

County Fee Programs No Longer Charging Fees  
Development Mitigation (DM) Fees - superseded by Development Impact Fees  
Interim Open Space Mitigation Fees - superseded by Multi-Species Habitat Conservation Plan (MSHCP)  
Fire Mitigation Fees - superseded by Development Impact Fees  
Transportation Department Traffic Signal Mitigation Fees - superseded by Development Impact Fees

For fiscal year 2014-2015, the Developer Agreement Fees were increased in line with the publicly-published Consumer Price Index, and the percentage of increase is included within this report. There is only one Developer Agreement remaining, Rancho Bella Vista, in the 3rd Supervisorial District, that expires in 2017.

The proposed report may be viewed from the date of this notice until the public hearing, Monday through Friday, from 8:00 a.m. to 5:00 p.m. at the Clerk of the Board of Supervisors at 4080 Lemon Street, 1st Floor, Riverside, California 92501.

Any person wishing to testify in support of or in opposition may do so in writing between the date of this notice and the public hearing, or may appear and be heard at the time and place noted above. All written comments received prior to the public hearing will be submitted to the Board of Supervisors and the Board of Supervisors will consider such comments, in addition to any oral testimony, before making a decision on the proposed Annual Mitigation Fee Report.

Please send all written correspondence to Riverside County Clerk of the Board of Supervisors at 4080 Lemon Street, 1st Floor, P.O. Box 1147, Riverside, CA 92502-1147

No 0055: **NOTICE OF PUBLIC HEARING**  
**BEFORE THE BOARD OF SUPERVISORS OF RIVERSIDE COUNTY**  
NOTICE IS HEREBY GIVEN that a public hearing at which all interested persons will be heard, will be held before the Board of Supervisors of Riverside County, California, on the 1st Floor Board Chambers, County Administrative Center, 4080 Lemon Street, Riverside, on Tuesday, January 26, 2016, at 9:00 a.m. or as soon as possible thereafter, to receive public comment on the Annual Mitigation Fee Report for Fiscal Year 2014-15, pursuant to California Government Code 66006(b)(2), California Government Code 66006(b)(1), amendment effective January 1, 1997, requires all local agencies having established mitigation fees to prepare an annual report summarizing development mitigation account and funding information. There are three (3) active fee programs that currently charge fees to new development. Four (4) fee programs no longer collect fees because they were superseded by other programs. The Annual Mitigation Fee Report contains information on the following fees:  
**Active County Fee Programs**  
Development Impact Fees  
Developer Agreement Fees  
Transportation Department Mitigation Fees (Roads Bridges Benefit District or RBBDFees)  
**County Fee Programs No Longer Charging Fees**  
Development Mitigation (DM) Fees – superseded by Development Impact Fees  
Interim Open Space Mitigation Fees – superseded by Multi-Species Habitat Conservation Plan (MSHCP)  
Fire Mitigation Fees – superseded by Development Impact Fees  
Transportation Department Traffic Signal Mitigation Fees – superseded by Development Impact Fees  
For fiscal year 2014-2015, the Developer Agreement Fees were increased in line with the publicly-published Consumer Price Index, and the percentage of increase is included within this report. There is only one Developer Agreement remaining, Rancho Bella Vista, in the 3rd Supervisorial District, that expires in 2017.  
The proposed report may be viewed from the date of this notice until the public hearing, Monday through Friday, from 8:00 a.m. to 5:00 p.m. at the Clerk of the Board of Supervisors at 4080 Lemon Street, 1st Floor, Riverside, California 92501.  
Any person wishing to testify in support of or in opposition may do so in writing between the date of this notice and the public hearing, or may appear and be heard at the time and place noted above. All written comments received prior to the public hearing will be submitted to the Board of Supervisors and the Board of Supervisors will consider such comments, in addition to any oral testimony, before making a decision on the proposed Annual Mitigation Fee Report.  
Please send all written correspondence to Riverside County Clerk of the Board of Supervisors at 4080 Lemon Street, 1st Floor, P.O. Box 1147, Riverside, CA 92502-1147
