BACKGROUND:

Summary

On July 1, 2014, RUHS-BH became a primary participating training site for the psychiatric residency program sponsored by the University of California, Riverside School of Medicine (UCR). The Affiliation Agreement delineates the responsibilities of each party as they relate to the continued administration and sponsorship of the program as well as the financial responsibility of each party.

On December 9, 2014 (3-26), the Board of Supervisors ratified the Master Affiliation Agreement between UCR, RUHS-BH and the Riverside University Health System – Medical Center (RUHS-MC); however, the agreement was not fully executed by UCR. All parties agreed to separate the agreement, with one agreement between UCR and RUHS-MC and the attached agreement between UCR and RUHS-BH.

Impact on Residents and Businesses

The agreement will benefit UCR School of Medicine resident physicians by providing educational and clinical rotation experience at the Inpatient Treatment Facility and Emergency Treatment Services located at RUHS-MC Arlington Campus and RUHS-BH clinics, ultimately benefitting patients receiving care in Riverside County. When fully implemented, there will be sixteen (16) residents in the program annually. Currently, there are eight (8) residents in the program.

Supplemental Financial Information

UCR's FY 15/16 cost of salaries and benefits for the eight (8) residents is partially offset by their award from the Office of Statewide Health Planning and Development (OSHPD). RUHS-BH will reimburse \$24,082 to UCR for the direct service costs that are unfunded through their OSHPD Grant. UCR was awarded a second OSHPD grant that will partially offset the salary cost of RUHS-BH staff providing training and clinical supervision to the psychiatric residents and will reimburse RUHS-BH up to \$100,000 per year through FY16/17. Additionally, UCR will provide psychiatric services at RUHS-BH clinics up to 3.13 Full Time Equivalent (FTE).

For FY 16/17, \$2,135,704 will be budgeted through the normal budget process. This amount includes the full cost of the salaries and benefits for twelve (12) UCR residents and UCR psychiatric services (3.13 FTE). FY 17/18 and FY 18/19 budgets will be negotiated and memorialized in amendments not to exceed \$2,564,848 per year.
