**Summary**

Childcare Alternative Payment Program (CAPP) funding provides childcare services to eligible families meeting criteria as set forth by the California Department of Education, in accordance with California Education Code. The Agreement will serve: families in need of subsidized childcare; children who are referred to the program as being at risk of abuse, neglect, or exploitation; and, other low-income customers who are not served by other subsidy programs, to facilitate self-sufficiency and stabilize family units.

The average monthly cost per child is approximately \$538. Approximately 3,970 children were served during Fiscal Year 2014/2015. The increase in funding from Amendment #1 will allow DPSS to serve approximately 828 additional children for FY 15/16.

Amendment #1 will increase only the MRA; there will be no change to the service requirements or minimum days of operation.

**Impact on Residents and Businesses**

Approval of this Agreement will ensure that adequate childcare services are available to families in need of subsidized childcare and children who are referred to the program as being at-risk of abuse, neglect, or exploitation.

**SUPPLEMENTAL:**

**Additional Fiscal Information**
