BACKGROUND:

Summary (continued)

As part of the same services, DOJ provides breath alcohol testing equipment and equipment maintenance. DOJ also trains certified breath test operators to establish and maintain operator proficiency as required by Title 17, California Code of Regulations. Dating before 2000, the Sheriff's Department has paid \$35 per subject tested. The proposed Agreement continues with these fees through June 30, 2020.

The estimated annual cost for these services is \$160,000. Per the State Penal Code Section 1463.14, the County is authorized to deposit \$50 from fines collected for each DUI conviction to a special account to pay for alcohol testing. The Sheriff's Department is able to recover testing costs with the annual account allocation ✓ administered by the County's District Attorney's Office.

Impact on Residents and Businesses

These services are to pay for alcohol analysis of driver's suspected of driving while under the influence. This information helps law enforcement in prosecution of offenders and reduces traffic injuries, deaths, and creates safer roads for residents of Riverside County.

Price Reasonableness

The processing fee is set by the State and is charged uniformly to all law enforcement agencies. This uniform fee has not increase since the year 2000.
