**BACKGROUND:****Summary**

By Minute Order dated October 20, 2015 (Agenda Item 3-22), the Board of Supervisors authorized the Clerk of the Board to advertise for the Construction of Solar Powered Speed Feedback Signs at various locations shown below.

Location	Street	Limits
1	El Sobrante Road	Approximately 500 feet North of Cajalco Road
2	Cajalco Road	Approximately 200 feet West of Hollis Lane
3	San Timoteo Canyon Road	Between Live Oak Canyon Road and Redlands Boulevard
4	Soboba Road	Approximately 8,000 feet East of State Street (West of City of San Jacinto)
5	Van Buren Boulevard	South of Mockingbird Canyon Road (Northbound approach to intersection)

The first four listed locations includes installation of two dynamic variable speed warning signs, one in each direction of travel. The fifth location includes the installation of a full matrix changeable message display. All locations also include other associated improvement work.

During the advertisement period, one addendum was issued to all registered plan holders as a supplement to the plans and specifications. Bidders were required to acknowledge and take into account the issued addendum on their contractor's Bid in order to be considered for award. The addendum was issued to clarify and modify the approved contract documents. The addendum is attached.

The Contractor is qualified to perform the work as outlined in the bid, has executed the contract, and has provided bonds and insurance documents, which meet the requirements of the Contract.

Project No.: C3-0086; Federal Aid No. HSIPL-5956(218)

**Impact on Residents and Businesses**

The proposed speed warning signs will improve traffic safety by providing motorists with advance warning of the upcoming curved segment and allowed speed limit through that approaching segment.

The proposed full matrix changeable message display will provide advance warning of traffic stopping ahead.

The construction work will take approximately three weeks to complete.

**SUPPLEMENTAL:****Additional Fiscal Information**

The contract is recommended to be awarded to California Professional Engineering, Inc. for the total amount of \$283,784. The construction will be funded with Federal HSIP (Highway Safety Improvement Program) and Measure A Western. The Federal HSIP Funds were obtained through a statewide selection process in which the Transportation Department successfully competed.

Annual total operation and maintenance costs for the five locations are estimated at \$10,000 to be funded by Gas Tax. There are no General Funds used in this project.

**SCHEDULE**

**Designated Construction Projects**

ALL PROJECTS WHERE REQUIRED BY A WRITTEN CONTRACT EXECUTED PRIOR TO LOSS OR "OCCURRENCE".

(If no entry appears above, information required to complete this endorsement will be shown in the Declarations as applicable to this endorsement.)

A. For all sums which the insured becomes legally obligated to pay damages caused by "occurrences" under **COVERAGE A (SECTION 1)**, which can be attributed only to ongoing operations at a single designated construction project shown in the schedule above:

1. A separate Designated Construction Project General Aggregate Limit applies to each designated construction project, and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.

However, the most we will pay under the Designated Construction Project General Aggregate Limit for all projects combined is **\$4,000,000**

2. The Designated Construction Project General Aggregate Limit is the most we will pay for the sum of all damages under **COVERAGE A**, except damages because of "bodily injury" or "property damage" included in the "products- completed operations hazards" regardless of the number of:

- a. Insureds;
- b. Claims made or "suits" brought; or

However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Designated Construction Project General Aggregate Limit.

  2. Such payments shall not reduce any Designated Construction Project General Aggregate Limit.
- C. When coverage for liability arising out of the "products-completed operations hazard" is provided, any payments for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-Completed Operations Aggregate Limit, and not reduce the General Aggregate Limit or the Designated Construction Project General Aggregate Limit.
- D. If the applicable designated construction project has been abandoned, delayed, or abandoned and then restarted, or if the authorized contracting parties deviate from plans, blueprints, designs, specifications or timetables, the project will still be deemed to be the same construction project.
- E. The provisions of **Limits of Insurance (SECTION III)** not otherwise modified by this endorsement shall continue to apply as stipulated.

**Commercial Excess Liability Policy With CrisisResponse<sup>®</sup>**

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the **Named Insured** shown in the Declarations and any other person or organization qualifying as a **Named Insured** under this policy. The words "we," "us" and "our" refer to the company providing this insurance.

The word **Insured** means any person or organization qualifying as such under Section VII. Definitions.

Except for headings, words that appear in bold print have special meaning. See Section VII. Definitions.

In consideration of the payment of the premium and in reliance upon the statements in the Declarations, we agree to provide coverage as follows:

**I. INSURING AGREEMENT - COMMERCIAL EXCESS LIABILITY**

A. We will pay on behalf of the **Insured** those sums in excess of the **Retained Limit** that the **Insured** becomes legally obligated to pay as damages by reason of liability imposed by law because of **Bodily Injury, Property Damage or Personal Injury and Advertising Injury** to which this insurance applies or because of **Bodily Injury or Property Damage** to which this insurance applies assumed by the **Insured** under an **Insured Contract**. Coverage under this policy will follow the terms, definitions, conditions and exclusions of **Scheduled Underlying Insurance**, subject to the **Policy Period**, Limits of Insurance, premium and all other terms, definitions, conditions and exclusions of this policy. Provided, however, that coverage provided by this policy will not be broader than the coverage provided by the policy listed in **Scheduled Underlying Insurance**.

The amount we will pay for damages is limited as described in Section IV. Limits of Insurance.

B. This policy applies, only if:

1. the **Bodily Injury or Property Damage** is caused by an **Occurrence** that takes place anywhere, and the **Bodily Injury or Property Damage** occurs during the **Policy Period**; and
2. the **Personal Injury and Advertising Injury** is caused by an **Occurrence** that takes place anywhere arising out of your business, but only if the **Occurrence** was committed during the **Policy Period**.

C. 1. This policy applies to **Bodily Injury or Property Damage**, only if prior to the **Policy Period**, no **Insured** listed under subparagraphs 2a., 2b., 2c. or 2e. of Paragraph N.. of Section VII, no executive officer or director listed under subparagraph 2d. of Paragraph N. of Section VII. and no employee authorized by you to give or receive notice of an **Occurrence**, claim or **Suit**, knew that the **Bodily Injury or Property Damage** had occurred, in whole or in part. If such an **Insured**, or authorized employee knew, prior to the **Policy Period**, that the **Bodily Injury or Property Damage** had occurred, then any continuation, change or resumption of such **Bodily Injury or Property Damage** during or after the **Policy Period** will be deemed to have been known prior to the **Policy Period**.

2. **Bodily Injury or Property Damage** which occurs during the **Policy Period** and was not, prior to the **Policy Period**, known to have occurred by any **Insured** listed under subparagraphs 2a., 2b., 2c. or 2e. of Paragraph N. of Section VII., any executive officer or director listed under subparagraph 2d. of Paragraph N. of Section VII. or any employee authorized by you to give or receive notice of an **Occurrence** or claim, includes any continuation, change or resumption of that **Bodily Injury or Property Damage** after the end of the **Policy Period**.
