SUBMITTAL DATE:

SUBJECT: Report from Legislative Platform Ad Hoc Committee

RECOMMENDED MOTION: That the Board of Supervisors:  
Receive and File

BACKGROUND:

Summary

On January 5, 2016 the Board adopted the 2016 State and Federal Legislative Platform. During discussion on the item, Chairman Benoit pointed out the problem of legislative changes that occur without sufficient time for the item to be brought to the full board for discussion. Thereby an ad hoc committee comprised of the Board Chair and Vice Chair was appointed. The ad hoc committee would act on legislation, per the request of the Executive Office, in the form of a letter in support or opposition signed by the Chair and Vice Chair. The Executive Office is directed to bring the item to the next Board meeting for consent.

RE: ASSEMBLY BILL 1238 – SUPPORT

Dear Assemblymember Linder:

Supervisor John F. Tavaglione, and I, Supervisor John J. Benoit, are pleased to support Assembly Bill 1238 (Linder) which will provide local agencies with the option to provide access to vital records through an electronic identification process.

Under existing law, each person that requests certified copies of vital records must sign a statement and present a notarized certificate of identity. The current process of document matching can be very time consuming for both the requestors and county staff.

The County of Riverside agrees that allowing electronic identification will make the online request process more efficient and reduce the additional costs associated with obtaining a notarized affidavit of identity. The option that AB 1238 creates will significantly reduce the amount of staff time needed to process vital records requests as well as reduce the overall cost born on the customer.

Sincerely,

Supervisor John J. Benoit

Supervisor John F. Tavaglione
