BACKGROUND: Summary

Pursuant to ABx1 26, more specifically subdivision I of Health and Safety Code Section 34177, as amended by AB 1484 (Dissolution Act), successor agencies are required to prepare a Recognized Obligation Payment Schedule (ROPS) before each six month fiscal period.

Pursuant to the Health and Safety Code section 34177 (m), Successor Agencies shall complete the ROPS in the manner provided for by Finance. The initial ROPS period covers period of July 1, 2013 through December 31, 2013. The Successor Agency shall submit the ROPS approved by its oversight board to the Department of Finance and to the county auditor-controller no fewer than 90 days before the date of property tax distribution."

Pursuant to HSC section 34179.7 (o) (1), commencing with the ROPS covering the period from July 1, 2016 to June 30, 2017 and thereafter, agencies shall submit an oversight board approved annual ROPS to Finance and the Auditor-Controller by February 1, 2016 and each February 1 thereafter. Finance will make its determination by April 15, 2016 and each April 15 thereafter.

Therefore, the Successor Agency to the Redevelopment Agency for the County of Riverside (Successor Agency) submits this ROPS covering the one fiscal year period of July 1, 2016 through June 30, 2017 (ROPS 16-17) for approval of the Board of Supervisors and its oversight board. ROPS 16-17 is included as Exhibit A, and is requesting approval of \$44,887,977 from the Redevelopment Property Tax Trust Fund (RPTTF) for debt service and other non-administrative costs and \$10,231,259 in expenditures for previously approved project budgets to be paid from redevelopment bond proceeds.

In addition to the ROPS, the Successor Agency is also required to submit a detailed Administrative Budget for each ROPS reporting period. As shown on Exhibit B, the Administrative Budget for the Successor Agency for the ROPS period July 1, 2016 through June 30, 2017 is estimated at \$1,346,639 and, if approved, will be funded from RPTTF. This amount represents the three-percent administrative allowance of all RPTTF projections for the ROPS 16-17 reporting period.

The aforementioned expenditures are components of the total budget of \$56,465,875 as requested on this ROPS 16-17.

Impact on Citizens and Businesses

Adoption of these items will have a positive impact on the citizens and businesses throughout Riverside County. Residents are relying on the completion of the remaining projects in order to enhance their communities. The various construction firms will also benefit from this action by being able to complete the remaining projects based on the reliance that they will be compensated. Further, approval of the ROPS provides authority to honor and make debt service payments according to the bond covenants, for the benefit of the RDA bondholders.
