Good Afternoon Jennifer,

I wanted to touch base with you in regards to the above referenced file we claimed on behalf of Mr. Johnson. Sorry for the delay in responding to your questions/concerns but our client is incarcerated so a bit hard to get a hold of to obtain information.

After speaking with Mr. Johnson he has advised us that he is not a Jr., his father's name is Eddie Johnson, we confirmed this information by obtaining a copy of his Certificate of Live Birth **(Please see attached)**. Octaveyon also provided us a copy of a Water Bill referencing the Situs property of 390 PALM VISTA DR PALM SPRINGS CA 92262. **(Please see attached)**.

When asked why he was granted the property as a baby he advised us the property was originally owned by his great-grandparents; Ernest Ward and Lola Mae Ward long before he was born, his mother; Patricia Thomas lived at the Situs when he was born and the home was always intended to be his one day, his mother paid the taxes until he was old enough to take over payments. We understand why the county would question this one however after speaking to Mr. Johnson and the reviewing the attached supporting documentation we are confident we have filed on the correct party of interest. His name is very different and we cannot find anyone else every reporting with the name.

If you have further questions or concerns regarding this or would like to discuss further please feel free to give me a call Toll Free at 1-800-710-1703. Thank you in advance for your assistance in this matter ☺
