Authorize and direct the Auditor-Controller to issue a warrant to John Bruce Passmore aka Bruce Passmore in the amount of \$6,764.64, no sooner than ninety days from the date of this order, unless an appeal has been filed in Superior Court, pursuant to the California Revenue and Taxation Code Section 4675;

BACKGROUND:

Summary (continued)

The Treasurer-Tax Collector has received three claims for excess proceeds:

DEED OF TRUST AND ASSIGNMENT OF RENTS

MARRIED
This **DEED OF TRUST**, made January 3, 2006, BETWEEN JORGE FRONTELA, A **MARRIED** ~~SINGLE~~ MAN, AND ARSENIO FRONTELA, A **MARRIED** ~~SINGLE~~ MAN AS JOINT TENANTS, herein called TRUSTOR, whose address is 10116 Walnut Avenue, South Gate, CA 90280 and United Title Company, a California Corporation, herein called TRUSTEE, and Bruce Passmore, A Single Man, herein called BENEFICIARY,

WITNESSETH: That Trustor IRREVOCABLY GRANTS, TRANSFERS AND ASSIGNS TO TRUSTEE IN TRUST, WITH POWER OF SALE, that property in the County of Riverside, State of California, described as:

LOT 134 OF RUBIDOUX VISTA TRACT, IN THE COUNTY OF RIVERSIDE, STATE OF CALIFORNIA, AS SHOWN BY MAP ON FILE IN BOOK 13 PAGE 27 OF MAPS, RECORDS OF RIVERSIDE COUNTY, CALIFORNIA.

In the event trustor(s) or their successor(s) sell, convey, alienate or transfer, in any manner, voluntarily or involuntarily, in whole or in part, the property described in the deed of trust, the whole amount of the then unpaid principal sum and interest thereon shall become immediately all due and payable, at the option of the beneficiary.

TOGETHER WITH the rents, issues and profits thereof, SUBJECT, HOWEVER, to the right, power and authority hereinafter given to and conferred upon Beneficiary by paragraph (10) of the provisions incorporated herein by reference to collect and apply such rents, issues and profits.

For the Purpose of Securing: (1) Performance of each agreement of Trustor incorporated by reference or contained herein. (2) Payment of the indebtedness evidenced by one promissory note of even date herewith, and any extension or renewal thereof, in the **PRINCIPAL SUM OF \$50,000.00** executed by Trustor in favor of Beneficiary or order. (3) Payment of such further sums as the then record owner of said property hereafter may borrow from Beneficiary, when evidenced by another note (or notes) reciting it so secured.

The following is a copy of provisions (1) to (14), inclusive, of the fictitious Deed of Trust, recorded in each county in California, as stated in the foregoing Deed of Trust and incorporated by reference in said Deed of Trust as being a part thereof as set forth at length therein.

To protect the Security of this Deed of Trust, Trustor Agrees:

(1) To keep said property in good condition and repair; not to remove or demolish any building thereon; to complete or restore promptly and in good and workmanlike manner any building which may be constructed, damaged or destroyed thereon and to pay when due all claims for labor performed and materials furnished therefor; to comply with all laws affecting said property or requiring any alterations or improvements to be made thereon; not to commit or permit waste thereof; not to commit, suffer or permit any act upon said property in violation of law; to cultivate, irrigate, fertilize, fumigate, prune and do all other acts which from the character or use of said property may be reasonably necessary, the specific enumerations herein not excluding the general.

(2) To provide, maintain and deliver to Beneficiary fire insurance satisfactory to and with loss payable to Beneficiary. The amount collected under any fire or other insurance policy may be applied by Beneficiary upon any indebtedness secured hereby and in such order as Beneficiary may determine, or at option of Beneficiary the entire amount so collected or any part thereof may be released to Trustor. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

Deed of Trust (196) Page 1 of 4

(3) To appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; and to pay all costs and expenses, including cost of evidence of title and attorney's fees in a reasonable sum, in any such action or proceeding in which Beneficiary or Trustee may appear, and in any suit brought by Beneficiary to foreclose this Deed.

(4) To pay, at least ten days before delinquency all taxes and assessments affecting said property, including assessments on appurtenant water stock; when due, all encumbrances, charges and liens, with interest, on said property or any part thereof, which appear to be prior or superior hereto; all costs, fees and expenses of this Trust.

Should Trustor fail to make any payment or to do any act as herein provided, then Beneficiary or Trustee, but without obligation so to do, without notice to or demand upon Trustor, and without releasing Trustor from any obligation hereof, may: make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, Beneficiary or Trustee being authorized to enter upon said property for such purposes; appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; pay, purchase, contest or compromise any encumbrance, charge or lien which in the judgment of either appears to be prior or superior hereto; and, in exercising any such powers, pay necessary expenses, employ counsel and pay his reasonable fees.

(5) To pay immediately and without demand all sums so expended by Beneficiary or Trustee, with interest from date of expenditure at the amount allowed by law in effect at the date hereof, and to pay for any statement provided for by law in effect at the date hereof regarding the obligation secured hereby any amount demanded by the Beneficiary not to exceed the maximum allowed by law at the time when said statement is demanded.

(6) That any award of damages in connection with any condemnation for public use of or injury to said property or any part thereof is hereby assigned and shall be paid to Beneficiary who may apply or release such monies received by him in the same manner and with the same effect as above provided for disposition of proceeds of fire or other insurance.

(7) That by accepting payment of any sum secured hereby after its due date, Beneficiary does not waive his right either to require prompt payment when due of all other sums so secured or to declare default for failure so to pay.

(8) That at any time or from time to time, without liability therefor and without notice, upon written request of Beneficiary and presentation of this Deed and said note for endorsement, and without affecting the personal liability of any person for payment of the indebtedness secured hereby, Trustee may: reconvey any part of said property; consent to the making of any map or plat thereof; join in granting any easement thereon; or join in any extension agreement or any agreement subordinating the lien or charge hereof.

(9) That upon written request of Beneficiary stating that all sums secured hereby have been paid, and upon surrender of this Deed and said note to Trustee for cancellation and retention and upon payment of its fees, Trustee shall reconvey, without warranty, the property then held hereunder. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The grantee in such reconveyance may be described as "the person or persons legally entitled thereto". Five years after issuance of such full reconveyance, Trustee may destroy said note and this Deed (unless directed in such request to retain them).

(10) That as additional security, Trustor hereby gives to and confers upon Beneficiary the right, power and authority, during the continuance of these Trusts, to collect the rents, issues and profits of said property, reserving unto Trustor the right, prior to any default by Trustor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, to collect and retain such rents, issues and profits as they become due and payable. Upon any such default, Beneficiary may at any time without notice, either in person, by agent, or by a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of said property or any part thereof, in his own name sue for or otherwise collect such rents, issues and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees, upon any indebtedness secured hereby, and in such order as Beneficiary may determine. The entering upon and taking possession of said property, the collection of such rents, issues and profits and the application thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

(11) That upon default by Trustor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, Beneficiary may declare all sums secured hereby immediately due and payable by delivery to Trustee of written declaration of default and demand for sale and of written notice of default and of election to cause to be sold said property, which notice Trustee shall cause to be filed for record. Beneficiary also shall deposit with Trustee this Deed, said note and all documents evidencing expenditures secured hereby.

After the lapse of such time as may then be required by law following the recordation of said notice of default, and notice of sale having been given as then required by law, Trustee, without demand on Trustor, shall sell said property at the time and place fixed by it in said notice of sale, either as a whole or in separate parcels, and in such order as it may determine, at public auction to the highest bidder for cash in lawful money of the United States, payable at time of sale. Trustee may postpone sale of all or any portion of said property by public announcement at such time and place of sale, and from time to time thereafter may postpone such sale by public announcement at the time fixed by the preceding postponement. Trustee shall deliver to such purchaser its deed conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Trustor, Trustee, or Beneficiary as hereinafter defined, may purchase at such sale.

After deducting all costs, fees and expenses of Trustee and of this Trust, including cost of evidence of title in connection with sale, Trustee shall apply the proceeds of sale to payment of: all sums expended under the terms hereof, not then repaid, with accrued interest at the amount allowed by law in effect at the date hereof; all other sums then secured hereby; and the remainder, if any, to the person or persons legally entitled thereto.

(12) Beneficiary, or any successor in ownership of any indebtedness secured hereby, may from time to time, by instrument in writing, substitute a successor or successors to any Trustee named herein or acting hereunder, which instrument, executed by the Beneficiary and duly acknowledged and recorded in the office of the recorder of the county or counties where said property is situated, shall be conclusive proof of proper substitution of such successor Trustee or Trustees, who shall, without conveyance from the Trustee predecessor, succeed to all its title, estate, rights, powers and duties. Said instrument must contain the name of the original Trustor, Trustee and Beneficiary hereunder, the book and page where this Deed is recorded and the name and address of the new Trustee.

(13) That this Deed applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. The term Beneficiary shall mean the owner and holder, including pledgees, of the note secured hereby, whether or not named as Beneficiary herein. In this Deed, whenever the context so requires, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural.

(14) That Trustee accepts this Trust when this Deed, duly executed and acknowledged, is made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other Deed of Trust or of any action or proceeding in which Trustor, Beneficiary or Trustee shall be a party unless brought by Trustee.

Dear Homeowner:

Congratulations on the purchase of your new home. It's the largest investment most of us will ever make.

For your records, we have sent a copy of your recently recorded Grant Deed. You might need it to have utilities put in your name, for example, and it can take 6 to 8 weeks to receive the original from the County Recorder's office. In any case, it is an extra copy for any future needs.

We also want to bring something very important to your attention.

All of us want to obtain the maximum protection for our investment and for our families against unforeseen circumstances. One thing that is a must to help obtain that protection is to record a Declaration of Homestead on our homes.

A properly recorded Homestead will help to shield a certain amount of the equity you have in your home for satisfaction of several types of debts, such as unpaid medical bills, suits by creditors for delinquent charge accounts, or the results of a court case due to an accident. All of these things are unforeseen but can happen to any of us at any time.

If a creditor obtains a judgment against you as a result of any of these things, the judgment can attach any or all real property you own. But if your record your Declaration of Homestead before the judgment is made of Public Record, your equity "up to the statutory amount" on your principal residence will be protected.

Once recorded, a Homestead remains effective until you sell your home or abandon the Homestead (by recording an Abandonment). You must be living in the home at the time you record your Homestead, but even if you later move out of the home, as long as you continue to own it, the Homestead will continue to protect you.

Any homeowner may record Homestead, whether married, legally separated or single, as long as you do not already have a home covered by a Homestead. You are only entitled to have one home at a time protected.

ARE ALL TYPES OF HOMES COVERED?

Yes—Houses, condominiums, duplexes, planned unit development, even community apartments, as long as you are the owner and you are living on the property at the time you record your Declaration of Homestead. Rental property or a second home will not qualify.

An important fact: A Homestead will be of no help to you if you fail to make your house payments. A Homestead protects you from involuntary liens. Any time you agree to put your property up as a security against a debt such as a trust deed, mortgage, mechanics liens, and the like, this is a voluntary lien, and a Homestead will not protect. You also will not be protected from taxes, alimony or child support.

HOW MUCH EQUITY WILL BE PROTECTED?

Married Couple ----- \$75,000.00
Single Person (with dependents) ----- \$75,000.00
Over 65 Years of age (married or not) ----- \$125,000.00

Mentally or Physically Disabled ----- \$125,000.00
Single Person (no dependents) ----- \$50,000.00

WHAT IS EQUITY?

Suppose your home has a fair market value of \$230,000 and you have a 1st mortgage or trust deed of \$100,000 and a second mortgage or trust deed of \$50,000. As a total you owe is \$150,000. That leaves \$80,000 of equity. If you are a married couple and you file a joint Homestead, that will mean that \$75,000 of your \$80,000 equity will be protected by law from a creditor's judgment. At T.C.P. we feel that a declaration of homestead is so important that we are now going to include it for free with our (new homeowner real estate Document package) this package contains the most commonly needed real estate documents by homeowners, these documents can save you costly legal fees and are easy to follow step by step. Your document package will include a blank ready to use Grant Deed, and Quitclaim Deed. You may want to add a spouse or a child (over the age of 18) on to title with you, or you may want to remove a person from title. With these Ready to use documents its fast and easy. We will also gather all needed information and prepare your declaration of homestead, ready for your signature and forward it to you with notary instructions.

The total fee for our new homeowners real estate document package is \$50.00 and remember you also get your declaration of homestead fully prepared and ready for your signature. You should receive your real estate document package and your declaration of homestead in about 25 working days. If you do not please write to our office at the above address. Once you receive your homestead you will need to pay a small fee to have your document notarized. Notary fees can vary so shop around for the best price. After your document is signed it will be mailed to the county recorders office and they will charge a recording fee. This fee can range from \$6 to \$10 depending on the county. You can gather all the needed information and prepare a homestead all on your own or if you would like us to assist you with it and send you our new homeowner real estate document package. Please complete the enclosed order form and return it with a check or money order in the amount of \$50.00. A return envelope has been provided for your convenience.

This information letter is not intended to be a full disclosure of the Homestead Laws. For additional information on the scope of protection provided by the Homestead laws, you should consult an attorney. You as a homeowner have the right to record a Declaration of Homestead for your protection. But is it not required by law.

Title Concepts Plus is a private business and this company has no affiliation with any federal, state or local entity. We cannot render legal advice of any kind. Recording a Declaration of Homestead will not stop the forced sale of your home by a creditor, but can help to guarantee that the statutory equity amount will be protected. It is argued that homeowners get this same protection automatically under California state law. This is an important matter whether or not you have us help assist with it, please make sure it is done. Your home is too big an investment to risk.
